BIGGEST SALE OF GUERNSEYS IN MINNESOTA

Buyers from Wide Territory Attracted to Valley Sale Here Today

ATTENDANCE IS CUT DOWN SOME BY RAIN

More Than 100 Choice Animals Make Up Fine Exhibit at Fair Grounds

Dairymen from all parts of the Red River valley are in Thief River Falls today for the big Guernsey sale and picnic staged by the Red River Valley Guernsey Breeders' association. Beginning at 10 o'clock this morning, a total of 125 of the finest Guernseys from the herds of the Red River valley will be sold at auction block and individuals, at the fair grounds. Besides the Guernseys sold at the association, the league of Guernseys is accepting entry blanks, and will sell at auction, any Guernseys that are entered by farmers who are not members of the association.

The stock here at the fair grounds is on exhibition today and will be sold tomorrow. Many buyers from all parts of the Red River valley are in Thief River Falls today, and will be here tomorrow to buy the stock that is sold at auction. Ole Ramsland, A. E. Landby of Fisher, and Peter Gunsky with Swan Lake, Peter Gunsky with Swan Lake, Peter Gunsky with Swan Lake,

Official Paper Pennington County

The Guernsey men who are today distributing more than a hundred-thousand animals at their sale here, are doing a wonderful work in promoting better dairying in the Red River Valley, a requisite for good dairying is good cows.

Citizens of Thief River Falls should not fail to go out to the fairgrounds to view the collection of choice stock today. It's an inspiration.

While dairying predominates here, farmers will do well by attending the Better Beef Cattle Special program here next Tuesday.

Senator C. L. Hanson, who has just returned from a winter stay in Florida, spoke encouraging words for the future of the country at the Commercial club meeting last week. He is of the opinion that this territory is due for a healthy boom, that homeseekers are going to come here in large numbers within a very short time, and that the Northwest will soon enjoy a cycle of prosperity such as other sections have experienced. Comparing this state to other states he has traveled through on his journey, he declares that Minnesota is a garden spot compared to Florida and other states. He is convinced that there is evidence of a back-to-the-farm movement, which would certainly prove beneficial in this area, where good land may be purchased at extremely reasonable prices.

Title paper belives in a great future for this territory, but more settlers to till the fertile lands are necessary for proper development. Let us do our utmost to encourage them to come here. However, we must not lose sight of those who are here now and have overcome adversity in the present stage of development. They should be given all encouragement possible.

Alfalfa is not the only medium for publicity for Thief River Falls. Last week the name of this city graced the front page headlines of the metropolitan papers in connection with the hunt for Ring, the murder suspect. We are obliged for the attention attracted to our city.

VISITATION DATES ARRANGED

Farmers, clubs and community groups will again visit the Northwest School and Experiment Station at Crookston in large numbers this Summer. Among the dates arranged for so far are the following from this vicinity: June 16, Cloverland Farmers' club near Plummer; June 17, Lake Centre, Sanders, Brzy, and Black River townships of Pennington county with Wylie township of Red Lake county; June 23, Rosewood Farmers' club; June 28, Gervais Alert Farmers' club; June 29, Goodridge Community club.

Good Poultry Houses, Urged by University Specialist

"The hen is the most dependable of all farm animals," declared Prof. M. P. Chapman, poultry specialist with the extension division of the University of Minnesota, in a talk before the Commercial club last Thursday. The magnitude of the poultry industry in comparison with other industries was stressed. The increase in poultry production in this territory being pointed out. The need for good poultry was emphasized, the speaker declaring it to be the biggest factor in successful poultry raising. "A carpenter [illegible] better chicken houses ought to be constructed here," he said.

The progress of cooperative poultry and egg marketing was explained. It was cited as one of the important steps in making poultry raising more profitable. "It is a stiff battle but we are going to win," he said, "because it's the right principle."

Grace Russel returned Monday from a several days visit in Minneapolis, accepting a position, in Gibbs, to attend an American Legion conference.

Miss Wilhma Sand of Kopley, a graduate of the local high school, and Miss Emma Hrabik of Brooks, were among the students who were graduated from the state teachers college at Bemidji last Thursday. Seventy are being graduated from the college this year. Mrs. P. Sand of Kopley attended the graduating exercises.

Miss Peggy Shaw, student at St. James Academy at Grand Forks, arrived Thursday to spend the summer at her home in the city. Her cousin, Miss Ethel Vaughan of Goodridge, was graduated from the same academy Thursday, June 3.

PublicForum

Tax Discussion

Mr. Taxpayer do you know what our County Officials are doing with the taxes?

I took exceptions, and protested to the State Tax Commission against an action our county officials took at their meeting on May 19th, 1926, as to an application by Mr. Brattrud for a cancellation of interest, penalty, and costs, on all the delinquent taxes against the Citizens State Bank holdings in this city.

The total delinquent tax figured $7,257.76 and the reduction asked for would amount to $1,991.85 which was passed unanimously.

Now, why this should be done I cannot understand. This is the best building we have in the city, and all the taxes against this property have been paid, and I refuse to allow our county officials going to do about all the rest of it.

This is getting to be a sort of "chumps" that are paying the car fare.

I do not question the County's legal right to do this, but does it not look unfair to vote in this case, where the county is interested only to the extent of 13 mills, while our local school is to 55 mills and the city tax is 51½ mills and state 7 mills? And then our Special Paving Tax. That the county officials should vote the authority to cancel penalty, interest and costs on all this without consulting any of the other parties who are vitally interested in this matter.

It is not high time then that we find out where our new candidates for county offices stand on these and other important questions? I take it for granted that these now holding papers to follow out the precedents that they have already set.

The letter from the Tax Commission explains itself.

Mr. H. V. Evenson,
Thief River Falls, Minn.

Dear Sir:—

We have your letter of the 19th inst., in which you protest against the cancellation of taxes on Lots 2 and 3 in Block 29, Original Townsite of Thief River Falls, the same being property formerly owned by the Citizens State Bank.

In reply you are advised that the application was received by this commission a few days ago and has not yet been acted upon.

We find that the recommendation of the county board and county auditor, which is unanimous, calls for a cancellation of penalty, interest, and costs, but does not approve of the reduction in value requested by the applicant. Inasmuch as no portion of the penalty and interest goes to the state, and this application having the unanimous approval of the county board and county auditor, it comes to the tax commission with rather a strong recommendation.

In connection with this matter you are further advised that Mr. W. C. Smith, examiner in charge of bank examination of banks, has requested permission to facilitate this application. It will not be possible for the commission to act upon the application until Tuesday, May 25, 1926, at 10:30 a. m. If you care to be heard at that time the commission will be glad to accord you that opportunity.

Kindly advise whether you desire to be heard and oblige.

Yours very truly,
Minnesota Tax Commission,
A. Nelson, Secretary.
Respectfully,
M. V. Evenson.

Wants To Know

The following communication expressing the views of a prominent Farmer-Laborite in Clearwater county concerning the Farmer-Labor endorsement convention held at Ulen on May 1st, has been received published in The Times:

Being a progressive voter who voted the Farmer-Labor ticket in 1924, and whereas other than some in our native that a certain committee is endorsing candidates for county and state offices under the name of Farmer-Labor in this county, and whereas we understand that the Farmer-Labor party recognizes the Primary Law of 1925, herein and then not endorse candidates this year, the undersigned respectfully should like to know who appointed this committee and from whom it got the authority and was granted the responsibility and duty of disciplined honor to endorse candidates for offices for other than the name of Farmer-Labor.

Also how many per cent of the precinct voters of Clearwater county are engaged in agricultural pursuits, to be a representative committee at least 75 per cent of its members should have been actively engaged in farming. If we are informed aright there is not one actual farmer on the said committee which their acts seem to testify.

If agriculture has not receive the same rights and privileges that have been granted capital and labor by our lawmaking bodies, we reduce the vocation of farming to servitude, no matter what we may say. So it behooves each and every loyal citizen, every one who has the best interest of our country at heart, to do his bit to help agriculture to receive its representation it deserves.

We still believe in representative government of the people and not in a dictatorship. We stand with distinction and up with the 'Stars'.

"Respectfully,
Edward D. Erdeen."
Clearbrook, Minn., May 31, 1926.

SHERIFF
at Pennington County
at Primary Election, June 21, 1926

To the Voters of Pennington County:

Having filed for the office of sheriff of Pennington county as a Farmer-Laborite I hereby respectfully solicit your support and vote at the primary election on June 21. I pledge my best efforts in enforcing the laws, which I believe can be seen by my record as night constable in Thief River Falls. I have been a resident of Pennington county practically all my life and am an ex-service man.

Respectfully yours,
Lyal G. Brandvold.

Inserted by Samuel S. Brandvold in his own behalf and to be paid for at the regular rate.)

CATTLE FEEDERS' DAY JUNE 14

During the past winter, for a period of 210 days beginning Nov. 10, a carload of Angus baby beeves have been on a feeding trial at the Northwest Experiment Station, Crookston. Some interesting results will be shown in this feeding trial, when the figures are announced on the afternoon of June 14. This is also the day the Beef Special Train will be in Crookston, so those interested in better beef production will be given an opportunity to listen to the information derived by the beef special and view the results of the Northwest Station beef feeding trial. Thirty-two calves were used in this trial, divided into four lots of 8 calves each. All lots received silage and alfalfa hay. Lot 1, was fed a grain ration of equal parts ground barley and wheat screenings; Lot 2, equal parts of ground barley and oil meal; Lot 3, ground barley. These lots also received oilmeal in addition to the grain fed. Lot 4 was fed only ground barley. The results of this trial will be distributed on the afternoon of Monday, June 14.

POLITICAL ANNOUNCEMENT

To the Voters of Pennington County:

In addition to the organization and management of the office and the supervision of instruction the county superintendent exercises an important function in the relations between school districts as well as individuals and the State Department of Education. In this relation the county superintendent we have not lost a friend in the Department and as the representative of the school boards and the people.

When we bear in mind that in this state we involve the certification of teachers and the matter of state aid amounting each year to from $75 to $150, and in a few instances of over $250, for every district entitled, and that two are can see the importance of a capable representative.

During my three years as county superintendent we have not lost a cent of state aid to which we have been in anyway entitled, as a result of negligence or incompetence on the part of the county superintendent or school board.

Bear this in mind when you vote on June 21, 1926.

Sincerely Yours,
OLE H. SANDE,
County Superintendent.

(Prepared and inserted by Ole H. Sande in his own behalf to be paid for at regular advertising rates.)

With Chrysler, Quality Comes First
It Alway Has—It Always Will

Quality was Walter P. Chrysler's first consideration when he built the Chrysler "70" and the Chrysler Imperial "80"—and no cars ever had so certain a welcome.

And now, again in the Chrysler "58", quality methods and practices have made possible Chrysler Quality at a low price.

But until you have ridden in this car, until you get a flash of its pick-up, its willing power, its sweetness of steering and braking control, your own hand, you will have but half the picture of what Chrysler has done in the field of light sizes.

Now you can have Chrysler beauty, quality, comfort—and above all, Chrysler smooth six-cylinder performance at the lowest price at which they have ever been offered.

Sixty miles and more per hour; unprecedented acceleration; steadying control at speeds of 22 miles per gallon; astonishing riding ease and roadability; and the safety of Chrysler hydraulic four-wheel brakes.

Much more to say about the New "58" Chrysler, than could ever be written, so with this we invite you to come and see the greatest motor value ever offered.

New Pump to be Added in Oil Engine Power Plant

The city will advertise for bids for the additional water pump of 800 to 1000 gallons capacity and single or double cylinder, to be installed in the oil engine station, it was decided at a meeting of the council Tuesday night. Bids will be received at the first meeting in July. A building permit was granted to Burt Norby for a house on Markley avenue north, the estimated cost of which is $4,000; specifications for milk and cream license were granted Peter Engelstad, Alex Breberg, and Anna Olsen; the license for the Heritage Brother circus here June 17 was fixed at $100; and the various reports were approved. Ed O'Hara made a request for extension of sewer service to his residence. Tuesday several men, the aldermen asked him to submit a petition signed in the usual manner. A request was received from the Great Northern railway asking the city to install a water pipe from the station to the section house across the tracks, but the council deemed this too expensive.

The city clerk's report showed a balance of $16,804 at the closing of the month just past, receipts having been $10,834 and disbursements $8,227 during the month. The electric light department had earnings of $4,222. Municipal Judge Tarrant reported collection of $21 in costs but no fines.

The aldermen adjourned until June 21, the annual convention of the Minnesota League of Municipalities, which they will attend, opening in Virginia on the regular meeting date, the 22nd.

New Potato Harvester is Tried Out-Forming Company

About 50 farmers and business men motored to the Haverstad farm just east of town Saturday to witness a demonstration of the New-Way potato harvester invented and built by Andrew Haverstad and E. T. Swanson of this city. Those who saw the new device in operation speak highly of its performance and declare it to be a decided improvement over anything of its kind now on the market. After some minor adjustments it is expected to run smoothly and is designed to greatly reduce the cost of labor of potato harvesting, as the potatoes are picked, assorted and sacked in one operation of the two-horse drawn machine. Six persons are required in the operation, the four pickers who may be

A stock company is being formed with headquarters in this city to promote the manufacture and distribution of the harvester. It is hoped to get some on the market this fall.

Work on the new Carmel Lutheran church will be started shortly by Halver Solild, who has been awarded the contract. The building is to be ready for use not later than Sept. 15.

Card of Thanks

We wish to thank our friends for their sympathy during the sickness and death of our beloved son and brother; also do we wish to thank for the beautiful floral offerings. For special favors we wish to thank Miss Burke, Rev. Tallaksen and Rev. Soho, Mrs. Andrew Lund and the Ladies Aid and family.

Mrs. and Mrs. O. S. Helgeland and family.

Card of Thanks

We wish to thank all the friends and neighbors for their sympathy and kindness during the illness and at the death of our beloved husband and father and for the beautiful floral offerings. Mrs. Halvar Swanson, Mrs. H. O. Pahlstedt, Mrs. W. L. Warner, Mrs. P. E. Olson and O. S. Helgeland.

Card of Thanks

We wish to express our most sincere thanks to relatives, friends and neighbors for all kind sympathy exressed to us during the illness and death of our beloved daughter and sister, Anna. Especially do we thank Rev. Ekrall for his comforting words and the L. T. Club for their beautiful floral offerings. Mrs. O. Helgland and family.

Easy credit is a hard taskmaker.

Support For Home or Profits For Peddlers—Take Your Choice!

AND now comes the peddler! He comes with fair weather and easy traveling—comes with his offer of merchandise—comes to take your money, of which scarcely a cent will be spent here in your home community.

¶ Your home merchants are reliable business men. You know that is true. Is it true of the peddler?

¶ Your home merchants are taxpayers helping to support local schools, churches and public improvements of every sort. You know that is true. Is it true of the peddler?

¶ Your home merchants are here year in and year out. They are here to extend the conveniences and accommodations for buying that you require. You know that is true. Is it true of the peddler?

¶ Yet, it is not especially because of these things that your home merchants feel they are entitled to your business. They feel they are entitled to your business strictly on the basis of merit. Dollar for Dollar, quality and service considered, they can outmatch the values quoted by the Peddling Fraternity.

¶ Compare before you buy. Point for point in any line of merchandise from Hardware to Dry Goods, you'll find your local merchants offering the better goods and nine times out of ten at a lower price.

¶ Let reason prevail. Look before you spend and you'll spend your dollars at home.

AWARDS OF MERIT AT H. S. ANNOUNCED

Meet Citizenship Medal Won by Laura Bowers—Miss Bayside Proves Editor

At the closing assembly of the Lincoln high school Friday afternoon awards of merit were made. Principal Morris Rye acting as chief speaker of the occasion. Miss Minnie Leavitt awarded the W. C. T. U. essay prize. Followed by the presentation of the year's music trophies by Miss Maude L. Johnson, accepted by Bept. T. Shirley in behalf of the school. Five-eighths the trophies were awarded the glee club on the mixed chorus, and an individual trophy was won by Lucile Hermanson for piano achievement. The Hibbons, as second-place trophies, were awarded to the Boys' glee club; girls' vocal soloist, Thereson Fallert; and the high school for the musical memory contest.

Coach L. A. Thune then gave a the inter-class basketball championship, and were accepted by Raymond Olson, captain of the boys' team, also Miss Viola Baker, captain of the girls' team, class of '26.

The Senior Banners were turned over to the Junior class by Ward Hulbert, vice president of the Senior class, and accepted by Marion Reynolds, Junior president.

In behalf of the Senior class, Wint Stockwell presented the school with a number of appreciation gifts in the shape of pictures, among them the picture of Mr. Rye, hanging in the office, and one of Mr. Stanley Hall. Mr. Rye responded.

Students appearing on the honor roll for the last six weeks of school were announced as follows: Freshmen, George Amstad, Gevera Allen, Theresa Amon, Douglas Bonner, Laura Bowers, Elaine Evenson, Emily Jacobson, Ada Anstey, Kline, Richard Mabry, Florence Ostrem, Clarence Sande, Selma Stien and Mildred Tenney; Sophomores, Harriet Faller, Marville Gunderson, Elaine Konstad, Lenora Lukenbach, Ethel Nelson, Chester Myron, Josephine Ness, Lillian Nilan, Hazel Sahl, Thea Saugen; Leslie Sundahl and Gladys Weeks; Juniors, Lauren Bowers, Allen Brevig, Rita Fitterman, Alphia Gausen, Goldie Gunderson, Margaret Fetzer, Bernadine Bermelin and Leslie Vreen; Seniors, Eva Averson, Ruth Bergsing, Selma Hvamstad, Margaret Bowers, Agnes Hostad, Leon Johnson, Thea Kvistad, Lois Nicholson, Violet Peterson, Sarah Sorenson, and Elsie Vorseth; Teacher training department, Evelyn Bjerkaas, Dorothy Erickson, Rebecca Halvorson, Alexis Reeves, Martha Nelson, Betsy Ness, Hilda Ness, Paul Olstad, Anna Welsh, and Hazel Wrighton.

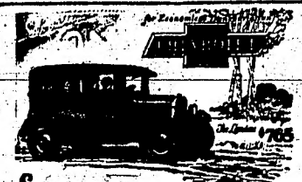
The essays ranked first have been entered in the state contest.



MRS. FRISSEL DIES

Mrs. Christena Frissel, formerly of this city, died at Cameron, Wis., Friday, according to a message received here that day by her son, Howard. Her death comes as a distinct shock to all who knew her, because dying as yet unknown, as she was apparently in the best of health up until the time of her death. Deceased was well known here, having been engaged as librarian of the public library. Mr. and Mrs. Howard Frissel and family left at once for Cameron, where they expect to remain a couple of weeks. A daughter, Maude, also survives.

PUPILS LEARN BY UNIQUE METHOD

"Text books are fine so far as they go," says C. E. Goldsberry, Fres. Dakota College at Fargo, "but they don't go far enough." Mr. Goldsberry contends that students should get experience at school. D.-B. C. pupils obtain actual business training from the classes in C. B. Rosenwinkel's store, in addition to work with the bank of Pelton. "It's very fine for students," Mr. Goldsberry said, "when they can work and study." Follow the example of D.-B. C. students.

You like the style of the Imperial Chevrolet coach, with wind ventilator and vision ventilator. You like the ease of operation—over rough roads or smooth, over sand or slippery pavements—the modern semi-reversible steering mechanism makes it easy and safe for you to hold the car to the road—and makes it a delight for the lady driver to back or to turn in perfect comfort.

The powerful motor carries you over hills smoothly and without effort. The double-disk dry-plate clutch slips over and silent. The smart self-lipple springs, longer in proportion than most other cars, give you a comfort and a resiliency that will delight you. Steering mechanism, brakes, all are easy to drive—you can learn how you like it by getting a demonstration. Phone for one now.

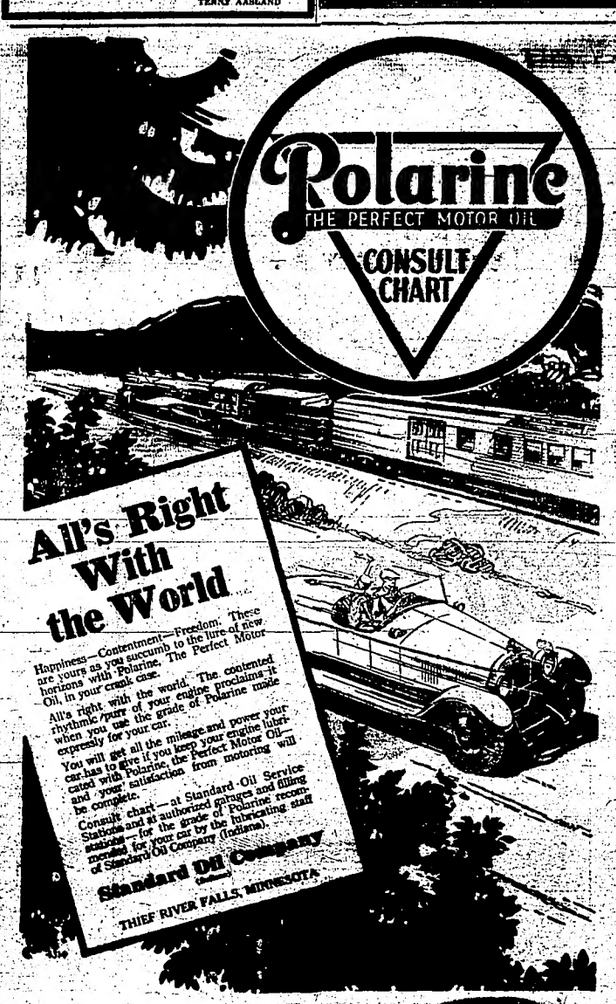
Announcement

To the People of Thief River Falls:

I have bought the La Lunda Cigar Factory, formerly owned by Mr. F. C. Nicial. The Factory will be in charge of Mr. Nick Waldorf who has been in the employ of Mr. Nicial for the last fifteen years and has had full charge of the manufacturing of the La Lunda Cigar for the last ten years and the same high quality of the La Lunda of the past will be maintained and if possible improved upon.



Mr. Tenny Aasland, who has been in the employ of Mr. Nicial for seven years in the making of the Little La Lunda is in charge of this department and will assure you of the same high grade quality of the Little La Lunda. The La Lunda Cigar is not only a high grade cigar but it is strictly Home Made and deserves your support and a Boost for the La Lunda Cigar is a Boost for your Home Town.

H. A. BRUMUND

To the People of Thief River Falls:

We take this opportunity to thank you for the support that we have received in the past. It is our desire to maintain the high quality of the La Lunda and trust with your support we hope to build up the La Lunda Cigar Factory so it will be an asset to the City.

ST. HILAIRE

Graduation Exercises

Thursday evening at the high school auditorium, 16 graduates were presented with diplomas for their completion of the course from the St. Hilaire high school. Invocation was given by Rev. M. McGuinness and salutatory was then given by Lloyd J. Bilden. Class history and class prophecy were read by Dorothy Olsen and Hazel Fisher. Valedictory was given by Marie Grimsrud. A song, "Kentucky Babe" was rendered by the girls glee club. Presentation of the class gift, a portable stage, was then presented by Miss Mooney. The main address of the evening was given by E. W. Dupuy, president of the state teachers' college at Bemidji. Following the address, presentation of diplomas was made by H. F. Anderson, superintendent of the public school. The class song was sung by members of the Senior class, and "America" by the audience.

Entertain For Bed Family

Mr. and Mrs. A. J. Hed and children were left Sunday for their new home in Crandon, Wis., were entertained at various times Friday and Saturday. Friday at twelve o'clock they were entertained at the A. J. Hed home, south of St. Hilaire, and were six o'clock dinner guests at the Rev. C. E. Sherman home the same evening. In the evening they were entertained at the O. Gilstad home. Saturday at twelve o'clock they were entertained at the home of Dr. and Mrs. O. S. Werner.

Birthday Party

Saturday, June 5, at the A. F. Hall home, a number of little friends were given a party in honor of Miss Shirley's ninth birthday anniversary. Games and contests were played. Miss Shirley was recipient of many pretty gifts in remembrance of her birthday. Present were: LaVallee Du Charme, Berge Bakker, Vivian Lunde, Gladys Severson, Francis Dann, Jeanette Sundelson, Evelyn Gilstad, Ruth Peterson, Marie Skotten, Pearl Grinolf and Echo Norman.

Nels A. Helme, graduate Thursday morning from Gustavus Adolphus college, St. Peter, where he has been for the past four years. Mr. Helm was one of the seventy students to receive Bachelor of Arts degrees.

Mrs. Oscar Gunstad, Mrs. N. E. Beeker, Mrs. O. Hall and Mrs. P. Christensen and children attended the Methodist aimle held near Thief River Falls Monday afternoon.

Gladys Gjeldal returned Sunday from Clearbrookwhere she has completed teaching a term of school.

Benedikka Haven left Saturday for her home near Fargo, upon completion of her term of school at St. Hilaire. Miss Haven will remain for a few weeks before resuming her position as teacher in the seventh and eighth grades next term.

Rev. J. Nicolai will hold services at the Swedish Mission church every Sunday at eight o'clock. He will also hold Sunday school and church at the chapel at Black River.

Mrs. Ole Gilstad of Crookston addressed the last unit of the W. C. T. U. at the Anglo Farm Monday afternoon. A large crowd attended the meeting.

Mr. and Mrs. A. J. Hed left Saturday for Fargo where they will visit with friends in St. Hilaire.

Mrs. Ole Gilstad entertained friends from Bemidji where she has spent several days visiting at the home of Mrs. Richard Larson left Thursday for Philadelphia as a church delegate. Rev. Arnold accompanied by Miss Fricker left Satur

GOODRIDGE

COMMENCEMENT EXERCISES

The fifth annual commencement exercises of the Goodridge high school were held Friday evening in the high school auditorium. There was a class of five graduates, namely, Esther Hoskin, Pearl Lampster, Galen Atkins, Sidney Fladeland and Hans A. Larsen. The eighth grade class numbered six, and completed their course and will enter high school next year. Edna Larson, Myrtle Stephenson, Solway Langseth, Robert Olson, Stanley Erickson and Theodore Kuzmack. One of the finest addresses ever listed to was delivered by W. A. Bragstad of Warren, who took his topic "Capital, Not a Clay or Money, but Education as Capital" and we sure the young folks much food, practical information spiced up with a number of humorous stories. Everyone present enjoyed the address. The valedictory by Esther Hoskin was very good, as was also the salutatory by Pearl Lampster.

JUNIOR-SENIOR RECEPTION

The Junior-Senior reception was held Thursday evening at six o'clock. It is being a very informal affair. And was enjoyed by the faculty.

Chester Thrisleh and Raymond Stephenson motored to Bemidji Thursday, they were accompanied on their return by Serine Tonesten and Emma Gilbertson who have been attending the Bemidji state teachers' college.

Burton and Gaylord Asmaas of Erskine spent Sunday visiting at their evening for her home at Anoka to spend the summer vacation. Miss Dallman has been the seventh and eighth grade teacher here during the past year.

Henry Hilleson left Thursday evening for Hibbing, Wis., having been called there on account of the death of a brother.

Samund Urdahl motored to Bemidji Thursday to get his father, Carl, who has been attending the Bemidji state teachers' college. Miss Clarice Asmaas also returned from Bemidji to their respective home here.

Supt. Henry Halvorson and Pric. Mathew Halvorson left Friday morning for the Twin Cities enroute to Northfield to attend commencement exercises at St. Olaf college this week.

Mr. and Mrs. A. F. Farstad and daughter, Evelyn of Grygla attended the commencement exercises here Friday evening their son and brother being a member of the graduating class.

J. Caswell of Mentor arrived Friday afternoon for his daughter, Dorothy, who has been primary teacher here for the past year. They left Saturday morning for their home.

Mr. and Mrs. E. L. Fors of Thief River Falls attended the commencement exercises here Friday evening.

Misses Margo Hoseby and Sirle Strand departed Sunday morning for their respective homes at Halsted and Mentor where they will spend the summer months. They were accompanied by Messrs Joe Christianson and Roy Olson who returned in the evening.

Mr. and Mrs. Olaf Knutheuse and children of Gonvick spent Sunday in Town visiting relatives.

Mrs. H. Vaughan went to Grand Forks Thursday to attend the commencement exercises at St. Mary's Academy, her daughter, Ethel, being a member of the graduating class. They arrived home Friday morning.

Mr. and Mrs. Louis Larson and daughter, Miss Lorraine Larson's father from Mahnomen were in town Monday looking over some property.

Miss Mary Smeeberg arrived Friday from Fargo to visit relatives for two weeks.

O. D. Kephart and Lloyd McDonald of Sheldon, N. Dak., spent several days in town last week attending to business interests here.

Oliver Rason and children and sisters, Lena and Helma, and Edward Amundis and Rosa Rason left Monday for Eagles Nest Island camp for two weeks and visit a brother, Olaf Rason.

Miss Vivian Thorsson arrived home parental home here, they were accompanied on their return by Mrs. C. Asmaas and son, Clifford, who will visit relatives at Fertile for a short time.

Miss Carroll Dallman left Saturday morning for Northfield where she has been attending St. Olaf college the past year.

Mrs. Mrs. H. H. McDonald and Mrs. W. J. Shanley and daughter, Geraldine, drove to Gryzla Monday evening. Mrs. Shanley and Mrs. McDonald attended the Royal Neighbor lodge.

Mrs. Jerry Rase entertained Friday afternoon in honor of her parents, Mr. and Mrs. Tom Thompson in honor of her sister, Stella, who was married Saturday to Harry Erickson of Reiner township.

The honor guest was presented with a purse of money. There were over thirty five guests. Miss Hazel and Clarice Aarhess from Goodridge attended.

John Lundquist visited his wife at Gryzla Monday, where she is a patient in the hospital, her many friends will be glad to know she is getting along nicely.

ROSEWOOD

The combined parochial school picnic held at Rosewood on Sunday was a decided success and drew an audience of between three and four hundred persons. Lunch was for sale during the afternoon and a large sum of money was gathered for the school fund. A fine program was given by pupils of the Rosebend and Bury Bee schools.

After the school program an interesting talk was given by Rev. S. L. Tellaeson, of Thief River Falls and was followed by musical selections by the junior choir of the Trinity church from that place. Owing to the stormy wind the program was given at the Rosewood hall, but refreshments were served outdoors at the park.

The Hindal V. F. S. will meet a regular meeting at the church next Saturday evening, June 12. Eleanor Tisli and Mildred Pedersen are on the program committee and Mrs. Christ Evenson acts as caterer. Gorman Thompson of Goodridge may be present and will give a short talk. Lunch will be served. Everybody welcome.

Mrs. T. E. Pearson from Fertile, N. D. arrived here on Saturday evening to visit for some time with Mrs John Sagmoen and other friends.

A very spirited poultry meeting was held at the Rosewood hall last Wednesday evening when Prof. M. H. Gilbertson of the State University accompanied by County Agent J. J. McCann, Olaf Nesset, and B. O. Nathy of Thief River Falls were present and the former delivered a lengthy address on poultry husbandry, and gave a demonstration on culling methods. About fifty persons attended the meeting. The Rosewood Farmers club furnished the lunch.

Chas. Anderson from Wilmer accompanied by Mr. and Mrs. Myrtle Prieststrom from Thief River Falls spent Sunday at Rosewood visiting at the home of Mr. and Mrs. A. T. Thorsson.

The Hindal Ladies Aid will be entertained by Mrs. C. Evenson at her home on June 17.

The New Solum town board met at the A. T. Thorsson farm on Monday to measure out a road line which will be graded this week.

LOCAL NEWS

Robert Werner, son of Dr. O. S. Werner—of Sir—Hilarer—left—Tuesday for San Francisco, where he has been given an interest in the General hospital.

Miss Mary Prichard arrived Saturday night from Grand Rapids, having completed her term of teaching. She will leave Sunday night for California where she will spend the summer.

Profits and the People

The Standard Oil Company (Indiana) is an organization which belongs to the people. Fifty thousand stockholders own the Standard Oil Company (Indiana) and not one of them—or any group of them—holds more than 51/2% of the total stock.

For the owners of the Standard Oil Company (Indiana) are not distinguished by unusual wealth or power. They are just ordinary people, remarkable only for their thrift and a particular pride in the big business that they own.

The three largest stockholders in the Standard Oil Company (Indiana) are the Rockefeller Foundation, the Employes, and the General Education Board.

In other words, the three most important stock holding influences in the Company are a philanthropic organization to promote the welfare of the people, a huge working force of 15,325 employes, and an organization to advance education in all its phases.

All the people of our country are benefited indirectly by the work of the General Education Board, which has for its purpose "the promotion of education within the United States of America without distinction of race, sex, or creed."

Wherever there has been need of any kind—for money—for encouragement—for new suggestions—for the solving of particular problems—wherever there has been a chance to help in the great work of education in America—the General Education Board, a stockholder in the Standard Oil Company (Indiana), has given of its best.

As a consequence of its work, educational institutions in America have been able to take their place among the leaders of the world.

Thousands of people receive the profits of the Standard Oil Company (Indiana) directly, in the form of dividends, but unnumbered thousands receive the benefits of Standard Oil Company (Indiana) profits indirectly, through such organizations as the General Education Board.

That these profits and dividends endure is due to skilful management, keen foresight and persevering effort on the part of this splendid organization of 20,000 employes, who believe in the age-old principle of fairness, justice and equity to all.

OFFICIAL PROCEEDINGS OF THE COUNTY BOARD, PENNINGTON COUNTY, MINNESOTA

Thief River Falls, Minn.

The County Board met pursuant to adjournment at the office of the County Auditor in said County.

Present: Commissioners Hanson, Ness, Larson, Ekwall and Wold. Absent: None.

Whereupon the following proceedings were had:

Motion by Ekwall, seconded by Hanson, that the County Board meet at the office of the County Auditor in said County on the 8th day of June, 1926, at 10 o'clock a. m. for the purpose of equalizing the assessment of property in said county, and that the County Auditor be instructed to notify the Assessors of the several towns, villages and cities in said county to meet with the Board at said time and place. Motion carried.

Motion by Hanson, seconded by Ekwall, that the Auditor be instructed to make out and deliver to the Sheriff of said county the tax lists of the several towns, villages and cities in said county for the collection of taxes for the year 1926. Motion carried.

Motion by Ekwall, seconded by Hanson, that the Auditor be instructed to publish the notice of the meeting of the County Board of Equalization in the official newspapers of said county for the time required by law. Motion carried.

Motion by Ekwall, seconded by Hanson, that the Auditor be instructed to write to the Secretary of State and ascertain the amount of money apportioned to this county for the year 1926 for school purposes. Motion carried.

Motion by Ekwall, seconded by Hanson, that the Auditor be instructed to write to the Secretary of State and ascertain the amount of money apportioned to this county for the year 1926 for road and bridge purposes. Motion carried.

Motion by Ekwall, seconded by Hanson, that the Auditor be instructed to write to the Secretary of State and ascertain the amount of money apportioned to this county for the year 1926 for the support of the University of North Dakota. Motion carried.

Motion by Ekwall, seconded by Hanson, that the Auditor be instructed to write to the Secretary of State and ascertain the amount of money apportioned to this county for the year 1926 for the support of the Agricultural College. Motion carried.

Motion by Ekwall, seconded by Hanson, that the Auditor be instructed to write to the Secretary of State and ascertain the amount of money apportioned to this county for the year 1926 for the support of the Mayo Memorial. Motion carried.

FARMERS LEARN MANY NEW POINTS

Better Dairy Methods Strongly Presented in Play Given by Tessum & Co.

"Raise all the feed you can. Use last enough, high-quality protein feed to supply what your pastures lacks. Test each cow to her highest profitable capacity. Keep records of the feed used and milk produced and figure four profits."

This, in substance, was the solution of the fairman's feeding problems as offered by H. T. Moore of St. Louis, a balanced ration specialist, in a clever three-act play, "Some Home Work," presented Saturday night at the Rose of Norway hall by Tessum & Company of this city. The hall was filled to capacity with farmers and their wives from a wide territory. Many had to be turned away on account of lack of space.

The play dealt with "Joe Gross," in the person of R. T. Lockley, field service man for the Purina Mills, who figured he had made $70 profit on each of 10 cows he had, but who said he "hadn't figured anything for feed, because the feed is home grown." He also figured he did the work himself, but when figures were presented to show that he actually worked $25 for feed alone, for each cow, and received only $20 a cow for his work, he was astounded. His neighbor, "Hill-Krow," represented the "boarder" type of dairy farmer near the city, bought the cream, sweetened them, found four "boarders" cawed to death by the hot, smouth butterfat, even under the blanket raised rather rapidly, and fed no feed. He said these, and made a net profit of $37 per cow after all costs.

Joe, of course, was astounded, and concluded to go after dairying in a scientific manner. "Bob Smith," Mott, Mont., showed him that for every 32 pounds of milk a cow produced, she manufactured 1.2 pounds fat, 1.56 pounds protein, 22 pounds solids-not-fat, and 1.12 pounds protein. He advised feeding stuff that would furnish these ingredients, and showed, for example, that alfalfa produces 67 times as much lime as does County Agent Smith of McLean, very fittingly took the place of Mr. Hay in the play.

The play was highly educational and very entertaining, and much credit should be given Mr. Tessum for presenting this program free.

SHIPMENT DELAYED

Unloading of a whole carload of farm equipment which has been sold by C. Gustafson & Son of this city to farmers in the community and dealers in neighboring towns, to have taken place today, has been postponed on account of the company's inability to complete the shipment at this time. It is likely the unloading will take place June 15, when dealers and farmers from 27 towns in this part of the state are expected here. This will be the third carload of Hudson farm equipment to be received by the Gustafson firm, which reports a tremendous increase in business over last year.

FARMERS BUILDING

Hans Anton has purchased lumber for a new house on his farm, Ireland's Addition, from Ayers Bros. Ivar Omdahl will be busy getting the building ready for the Anton family before the summer contest. Martin Rust, residing six miles west of Thief River Falls, has bought lumber from Ireland's for a new barn, to replace the structure destroyed by fire May 23. O. J. Valevik is busy this week hauling lumber for a better house.

Civil War Vet Visits Here

Mr. and Mrs. John H. Simmons, accompanied by their son, Alfred, attended the funeral Friday by ear from Minot, to visit several days at the home of their son-in-law and daughter, Mr. and Mrs. Ed Mattson. Monday afternoon they attended the high school graduation exercises, their grandson, Ward, being one of the graduates. Mr. Simmons is a veteran of the Civil War having enlisted in the Confederate Army in Virginia, at the age of 15. Great Falls, Mont., paper recently carried a story regarding the unusual experiences of Mr. Simmons and a George T. Chambers, Mr. Simmons' comrade when the Confederate troops captured Confederate troops at Gettysburg, Pa., July 1, 1863. Mr. Chamber, 1863; married and settled down in the state of Iowa not 50 miles apart, and finally settled not far from each other in Malta, Mont., almost 60 years after the encounter at Pickett's Mill.

PROF. ELLIS COMING

Prof. J. D. Ellis of the Manitoba Agricultural College of Winnipeg will likely come to Pennington county next week in connection with the alfalfa projects contested by Mr. Mogensen and Minnesota universities.

Mr. and Mrs. F. C. Ennis and family of Fargo spent Sunday and Monday at the F. B. Conklin home.

TWIN VALLEY TAKES GAME FROM LOCALS

Visitors Victorious in 6 to 2 Score—T. R. Falls Going to Okies Sunday

With eight errors to their opponents' two, the Thief River Falls baseball team was defeated by the Twin Valley aggregation 6 to 2 on a score at the local diamond Sunday. It was an interesting game throut and was witnessed by a fair-sized crowd in spite of the cool weather.

Axdell Robinson, twirler for the locals during the first six innings, struck out six men, while Conrad Gilbertson struck out 11 men for the visitors, Prugh and Skoglund serving as battery.

Next Sunday afternoon the Thief Riverites will play at Oklee. Gulrud and Anderson will likely make up the battery, according to Manager Joe Bergeron.

In presenting the cups, the last to graduate under Superintendent Sinclair Sinley as he will go to south St. Paul to become principal of the high school, harmony and good will which had existed in the schools during the last five years ago. He pointed to the hard work of the school board, working for the best interests of the school district and the children, and commended the teachers for their loyalty and service.

F. O. Mogensen, president of the school board, delivered the cups to the biggest business of the taxpayers, which should command their interest. The school system as it stands today is a large corporation, the stockholders being the taxpayers, with the affairs of the district, the school board, and the teachers in the hands of the directors.

"We feel satisfied with the product we are turning out," Mogensen said, in commending Mr. Sinclair, Bye and other teachers for their efficiency. However, the taxpaying citizens do not approve of it, they should say so when the ballots at the annual election." It was pointed out that the property valuation of the Thief River Falls school plant is approximately $850,000, against which there is a bonded indebtedness of $40,000. In order to keep up the school system, it is necessary to levy annually $75,000. In addition to which the school district receives about $40,000 in aid. "In order to work out debt and get back a part of the cash basis, the levy should not be permitted to drop below $75,000 for some time. There is no surplus if there should be added to the sinking fund for pay off bonds. Last year we levied $23,000 in bonds, but we are still paying about $10,000 a month in interest which is a big burden.

It costs approximately $1,000 to educate a boy or girl thru the grades and high school, Mr. Mogensen stated. "It is worth the price, we believe it is. In presenting the diplomas to the graduates that the local schools have given them training to this point which compares with the best in the land."

Scholarships from various colleges were presented by Mr. Bye to Ella Vorseth, the girl having the highest scholastic standing, and to Ward Mattsson of the city, the highest ranking boy in the class.

Ward Mattsson Honored

In presenting Mr. Mattsson with a $20 gold piece as first prize in the American Chemical Society essay offer test for Minnesota, known as the Norman Scholarship Awards, Principal Bye read the following letter written to the local youth by Francis F. Garvan, 67 Wall Street, New York, publicity and anti-Bolshevist leader in national chemical welfare:

"It gives me great pleasure in behalf of Mrs. Garvan and myself to congratulate you upon your splendid paper on 'The Relation of Chemistry to Health and Disease.' There can be no doubt that the effort expended in preparing such an essay will bear fruit in the form of increased interest and appreciation of the importance of science which are so essential to the continuance of prosperity, health and general welfare. It is only thru such an effort as that by the youth of our country will finally come the full knowledge of and the intelligent fellowship of the development of chemistry and of all other science in our national defense, in the intensification and purification of industry and agriculture and the progress of medicine through the 'Age of Chemistry' upon which we have entered.

"We wish to add our commendation to that of the commission of the American Chemical Society which has made the award, and to say that we feel that initiative such as has been shown in this case cannot help but be productive of still greater results in the larger field upon which you will shortly enter.

"Go On" Says Lavrea

"Go On" was the subject of an inspiring address delivered by Rev. E. Lavrea of the Presbyterian church at the high school auditorium Sunday afternoon. It was a challenge to the graduating class, and Rev. Lavrea urged that reached at the age of 16 to 18 years, that every effort possible be made to fit for the battle of life. "Life is for the point and deeply impressed the young listeners.

Other numbers on the program included musical selections by the Junior High Boys' Glee club under the direction of H. J. Walther; the Girls' glee club, directed by Ellen Lavrea; violin trio, Gordon Overland, Justin Lavrea and Harry Robinson; group of eighth grade graduates, Ella Vorseth, Ward Mattsson, Gladys Bowers, gave the address of welcome, and the class history was given by Junior Pritchard, valedictorian of the class. Following the exercises they were seated by Jerome Hillard, Irene Sponheim, Margaret Erickson, Lydia Batten, principal of the Central school, presided.

In presenting the diplomas Supt. Simley pointed out that 42 out of the 58 graduates in the class are graduates from Central Junior High.

Carl Johnson, the second honor graduate, a fountain pen, for having made the most improvement in spelling during the year. The pen was donated by Mrs. L. G. Larsen.

Mr. and Mrs. M. Cornelius and daughter, Evelyn, and Mr. and Mrs. A. Harnes of Crookston were guests Sunday at the W. E. Baker home in Thief River Falls.

COMMENCEMENT PROGRAMS ARE WELL ATTENDED

(Continued from page one)

heavenly vision; let us be imbued with power that we may overstep our vocation, that we may stretch the octave between the dream and the deed; let us have such a definite ideal that we may not only see it but see by it; let us fall and persevere as did the boy of the ancient Greek soul, realizing that never as of old is it the wise man who follow the star."

In speaking of modern tendencies of youth the speaker declared, "Young people are alright if we are alright." The program, which was presided over by Merrle Dye, high school principal, was interspersed attractively, was opened with a processional played by the high school orchestra directed by Sarah E. Johnson, vocal numbers by whose strains the graduates marched upon the stage. The invocation was extended by Gladys Kjos of the graduating class, who gave an outline of the history of education, while the valedictory was delivered by Ella Vorseth of Rosewood, who finished high school with an average of 96 and one-half percent. Both were well-presented.

The songs by the girls' glee club and the mixed chorus, under Miss Johnson's direction, added much to the program. Mr. Sinclair, made the closing the students given in the state music contest.

Wild Animal Circus Coming to T. R. Falls on June 17th

There are many ways in which the Heritage Brothers Big Three Ring Trained Wild Animal Circus differs from other circuses and a visit to this interesting enterprise when it comes to Thief River Falls, Thursday, June 17 will cause people who have been circuses that all the shows were alike to qualify this statement by pointing out the Heritage Brothers circus.

The union of two large circuses assembles other tented enterprises insomuch as the performance is given under a big top. When it comes to circus acts themselves it differs widely from other institutions which are heralded as "great" shows.

The menagerie is more than twice as large as that carried by other circuses. The only mandrill in captivity in this department. The only hybrid lion-tiger, with the lion's stripes on the lower part of his body, and the tiger's on the upper part.

Unloading of a whole carload of farm equipment which has been sold by C. Gustafson & Son of this city to farmers in the community and dealers in neighboring towns, to have taken place today, has been postponed on account of the company's inability to complete the shipment at this time. It is likely the unloading will take place June 15, when dealers and farmers from 27 towns in this part of the state are expected here. This will be the third carload of Hudson farm equipment to be received by the Gustafson firm, which reports a tremendous increase in business over last year.

To Mr. and Mrs. Ole Wold, Friday, May 28, a girl.

To Mr. and Mrs. Frank Comstock, Wednesday, June 9, a boy.

Many Hear Rev. Ambrose at S. of N. Hall Tuesday

The Sons of Norway hall was filled Tuesday night when Rev. F. H. Ambrose, pastor of the Presbyterian church in Grand Forks, and grand councilor of the Red River Valley of North Dakota, spoke on principles of the foundation of the Sons of Norway, platform of the Klan organization. Rev. Ambrose is an eloquent speaker and his address was enjoyed by all present. He was introduced by J. R. Tollefson.

In a vivid review of the important years in the nation's history, the speaker pointed out that the government of the United States was conceived in liberty, and that the people since principles have had a marked influence upon the country and the world. Their love of God and absolute faith in the Bible was stressed. Up to 1861 about 87 per cent of the people in this country were of the same kind as had landed and founded the country, but following the Civil War period of immigration from Europe, he declared, has resulted in tremendous changes in the national life.

"How are we to live with our children" was pointed to as the outstanding question in the country today, due to the fact that the Bible has been taken out of the schools and is not found in the homes. Before 1900 the Bible was the guiding book, the speaker said in urging putting the Bible back in the schools. Exponents of the Klan movement were also scored.

In discussing the Ku Klux-Klan he declared that it is "not a secret organization" with 28,000,000 members.

"The fifth amendment can be enforced," Mr. Ambrose declared emphatically in stressing law enforcement with equal favors.

DEER OBSERVES GOLF

A deer prancing across the north end of the golf course just north of the city last Sunday caused a golfer busy at the seventh hole. After the deer had been driven off by some more or less successful attempts, it crossed the course in front of a golf ball towards the eighth hole. The fleet footed animal made a dive into the river and entered onto the Grebstein farm.

Who Opens Your Telephone Door?

Your telephone is an important door to your place of business. The way in which it is opened has much to do with the impression the caller gets of your firm.

If your telephone caller is greeted promptly and courteously, and his questions are answered intelligently, the opinion he forms will be favorable.

The voice with "the smile" over the telephone gains and holds business friends.

CORNER STONE LAID FOR NEW TRINITY CHURCH

More Than 1000 Attend Auditorium Services and Outdoor Ceremonies Sunday

PRESIDENT AASTAD AND REV. GRIMSRUD SPEAK

History of Local Congregations Merged Into Trinity Cited — By Pastor

Impressive services at the auditorium and at the corner of Heroes avenue and Fourth street marked the laying of the corner stone of the new $35,000 church being erected by the Trinity Lutheran congregation. It is estimated that more than 1000 persons attended the ceremonies, the day being favored with fine weather, perfect for outdoor services.

At the services at the auditorium commencing at 2:30 p. m., Rev. L. T. Aastad of Detroit, president of the Northern Minnesota district of the Norwegian Lutheran Church of America, was the principal speaker, and delivered a scholarly sermon on "Jesus Christ, the Chief Cornerstone," in the forenoon service. It was interesting to note that Rev. Aastad served the Norwegian Lutheran congregation here from July, 1905, to Oct. 1919, prior to the union of the three church systems, which resulted in the formation of Jesus Christ for future and everlasting salvation."

Rev. M. Grimsrud of St. Hilaire, president of the Thief River Falls district synod of the Norwegian Lutheran church of America, was the principal speaker, and delivered a scholarly sermon on "Jesus Christ, the Chief Cornerstone," in the forenoon service. It was interesting to note that Rev. Aastad served the Norwegian Lutheran congregation here from July, 1905, to Oct. 1919, prior to the union of the three church systems, which resulted in the formation of the splendid progress of the congregation with which he is identified for so many years, and urged the importance of the found

SOCIAL ITEMS

Peterson—Nelson

Miss Evelyn Margaret Peterson became the bride of Alvin R. Nelson at an evening ceremony uniting which was held at the home of the bride's parents, Mr. and Mrs. O. J. Peterson in Red Lake, Saturday, June 12, at 7:30 o'clock. Rev. C. H. Grimsrud of St. Hilaire officiated at the double ring service. Miss Mildred Peterson, sister of the bride, was the bride's attendant and Alfred Nelson, brother of the groom, acted as best man. Miss Nelson was dressed in silver grey satin-faced crepe with accessories to match. She carried a shower bouquet of pink and white roses, while the bridesmaid's dress was of shell-pink voile.

Immediately after the ceremony, dinner was served at tables beautifully decorated with pinks and roses, Covers were laid for Mr. and Mrs. John Peterson of Alexandria, Mr. and Mrs. Nels Nelson of Minneapolis, Mr. and Mrs. Alfred Nelson of Bemidji, Mr. and Mrs. John Peterson of Alexandria, Mr. and Mrs. Nels Nelson of Minneapolis and Miss Myrtle Helgeland.

Mrs. H. W. Froehlich, Mrs. Emil Ahl and Mrs. Donald Bain, trustees of the local library, and Mrs. Chas. Hagerin and Miss Anna Moen, librarians, returned Saturday morning from Itasca Park, where they attended the annual state conference of library boards, feeling that they had had a profitable as well as enjoyable trip. Better reading for the majority of people and greater service to the community were the keynotes

Mr. Zeh was chairman of the trustees of the state present at a round table on Friday afternoon, Mrs. Froehlich led the discussion on "The Place of the Library in the Community," and Mrs. Shaw discussed "Library Laws."

MOTOR TO PHILADELPHIA

County Superintendent and Mrs. Otis R. Sande left Saturday by car for Philadelphia, where Mr. Sande will represent the Northwestern Minnesota division at the National Education Association convention, June 27 to July 2, which will be addressed by the leading educators of the world. Mr. Sande is delegate from an association embracing eight counties. Mr. and Mrs. Sande will also attend the Sesqui-Centennial exposition and expect to be gone about four weeks.

E. A. Mostue, former superintendent, is in charge of the office during Mr. Sande's absence.

BIRTHS

To Mr. and Mrs. Richard Horswell, Saturday, June 12, a girl.
To Mr. and Mrs. Peter Lavly, Jr., Tuesday, June 15, a boy.
To Mr. and Mrs. J. Thomas, Sunday, June 13, a girl.
To Mr. and Mrs. Route Evenson, Thursday, June 17, a girl.
To Mr. and Mrs. Edwin Olson, Monday, June 14, a boy.

Helen Strand Married

A wedding of much interest is being announced by friends in Salt Lake City, Utah, Friday, June 4, when Miss Helen Strand, daughter of Mr. and Mrs. Hans H. Strand of this city, was married to Mr. Willis L. Peterson of Chisholm, Minnesota. The latter graduated from the University of Minnesota in the class of 1917, teaching the next two years in Chisholm. The groom is now employed by the Oil Belt Refining Company in Chisholm, in which city they will make their home. They are at present enjoying a motor trip thru the Western states and will be home in Chisholm after August 1.

Bartlett—Ballard

Local people will be interested to learn of the wedding of Miss Gertrude Bartlett, formerly of this city, now employed in Minneapolis, and Mr. Ballard, which took place at the Methodist church in Glenwood on Sunday afternoon, the ceremony was followed by a dinner party at the groom's home, to which about 30 guests were present. The couple were invited to Glenwood by Mr. Ballard is an electrician at Glenwood, in which city the young people will live until April fall, when they plan to move to Minneapolis.

Curtis and Polstan men are expected to be present in large numbers, over 100 being entered. Among the prizes were 1 R. Kaberg, president of the Thief River Falls mill of the City Comings Two this city who

Depend On The Men Who Depend On You!

"Another Day and Another Dollar"

HOW much does the peddler value your good will?

He is here today and gone tomorrow. Today's customers are tomorow's vague memories.

Your dissatisfaction means nothing to the Peddler. He is off to new fields. He is a once over man.

Contrast this with your local merchant's position. They must have your good will. No transaction between you and your local stores is complete until you are satisfied.

Dissatisfaction on your part means the probable loss of a steady customer, the possible loss of customers, influenced by your dissatisfaction. No established merchant can afford the shortsighted policy which would leave you other than thoroughly satisfied.

True, the peddler often gives an elaborately worded guarantee but have you ever known anyone who has secured an adjustment through such a guarantee?

Mr. T. K. Kelly, banker and president of the T. K. Kelly Sales System, Minneapolis, Minn., who has studied the peddler problem and is an authority on it declares that in most cases the guarantee is guarded by so many provisions as to be practically valueless. Besides--with whom will you deal to get action on your guarantee? How can its provisions be enforced?

Play safe. Depend on the men who depend on you. Buy your merchandise from your home stores.

YOUR local merchant carries staple goods, known from coast to coast. Back of his merchandise is a well established, reputable wholesaler ready to make good any defective merchandise to his customer, your home merchant.

Back of the wholesaler is the manufacturer who will make good to the wholesaler any defective merchandise. Established business prizes the good name of its products and you, in dealing with your local merchant, enjoy this triple assurance of fair treatment and good merchandise.

VOTE NEXT MONDAY

The primary election is near at hand and candidates have but a short time for hand-shaking and rounding up votes before the smoke of the battle rolls away and the results of the fight are known. By the process of elimination, the strongest and best qualified men will be left to do honor in the fall election.

The candidates seeking nomination have presented in announcements in this and previous issues of The Times their qualifications for the office they would fill and the platforms on which they stand. Every voter should carefully study these announcements and vote for the men who stand for the principles they approve.

Every election, year efforts are made in the interests of good citizenship for a heavy vote, but even in a presidential election the average vote in the United States is only 50 per cent of the electorate. It should be remembered that it is the duty as well as the privilege of every citizen to see that he votes. Therefore, go to the polls next Monday and vote according to your best judgment.

Local Baseballers Lose in 9-1 Game With Oklee

Errors were responsible for another defeat for the Thief River baseball team, which motored to Oklee Sunday, where the locals were taken into camp to the tune of 9 to 1. A total of 14 errors are chalked up against the locals, while the Oklee aggregation had only 2. A good game was played by Thief River Falls' lightfoot Erlund, who struck out 10 of the opponents, and Gilbertson, who served on the receiving end. Christopherson struck out 16 men for the Oklee team.

CO-OP. CREAMERIES PICNIC

N. C. Lindberg, district field manager for the Land O' Lakes Creamery association, accompanied by Paul McGuire, general manager of the state association, attended a picnic of the co-operative creamery association at Kertsad Monday, and yesterday attended a joint gathering of the Rensson and Huntsville associations. Next Sunday there will be a picnic at Oklee sponsored by the co-operative organizations of that community, and on Saturday a similar event will be enjoyed by the Clearwater creamery association.

NEW ZION PASTOR HERE

Rev. O. L. Tungseth of Hawley, who has recently accepted the call from the Zion Lutheran congregation of this city, preached to a capacity audience here Sunday morning. He returned to Hawley Tuesday, leaving there for Willmar to attend the annual convention of the Lutheran Free church of America, which is in session there June 15-20. Rev. Tungseth expects to arrive here the latter part of July, accompanied by his wife and four children, Erling, Evelyn, Ingmar, and Esther, his installation to take place Sunday, August 15. He is ordained at the Augsburg seminary, Minneapolis four years ago, following which he accepted a call at Hawley, where he has remained since.

A life-time student of agricultural problems can best represent this great agricultural district in Congress.

C. G. SELVIG
FOR CONGRESSMAN

Political Announcement

To the Voters of Pennington County:

In my previous announcements I have discussed very briefly the functions of the county superintendent as they pertain to the organization and management of the office and to the work of supervising the actual teaching in the schools. Last week it was my purpose to bring out a few points in connection with the position that the real interest both in the relations between the people and school boards and on one side and the State Department of Education on the other, is being felt the pressure of the work on account of the added duties and county precaution I was unable to get the article sent in time for publication in the Tribune and Spectator.

In the relations between the department and the people and school boards, the county superintendent stands as the head of the former and as the representative of the latter. Where we have had in this connection are involved the certification of teachers and the matter of state aid amounting each year to from $75 to $150, and in a few instances as over $600, for each district in the county except two, we can readily see that a considerable sum of money is at stake.

During my three years of service as your county superintendent we have not had a cent of state aid to which we have been in any way entitled. If I am re-elected I desire you that I shall continue to give the school interests of the county the same attitude that they have during the past three years. To the work of supervision will be added the advantage of visiting under competent instructors at our State University and two of our Teachers' Colleges as well as the growth that has come from nine years of rich experience in that field of work.

Sincerely yours,
Ole H. Nanie,
County Superintendent.

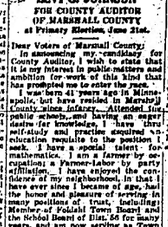
(Prepared and inserted by Ole H. Eacle in his own behalf to be paid for at regular advertising rates.)

AT FIREMEN'S CONVENTION

Chief Paul Aldrich, Wm. Warford and Ed. Lorentz of the Lutheran Free church of America, which is in session there June 15-20. Rev. Tungseth expects to arrive here the latter part of July, accompanied by his wife and four children, Erling, Evelyn, Ingmar and Esther, his installation to take place Sunday, August 15. He is ordained at the Augsburg seminary, Minneapolis four years ago, following which he accepted a call at Hawley, where he has remained since.

LEVI G. JOHNSON
FOR COUNTY AUDITOR
OF MARSHALL COUNTY
at Primary Election, June 21st.

Dear Voters of Marshall County:



In announcing my candidacy for County Auditor, I wish to state that it is my interest in public matters and ambition for work of this kind that has prompted me to enter the race.

I was born 41 years last in Minnesota, have resided in Marshall County since infancy. Attended the public schools, and having an eager desire for knowledge, I have thru self-study and practice acquired an education requisite to the position I seek. I have a special talent for mathematics. I am a farmer by occupation, a Farmer-Leader by party affiliation. I have enjoyed the confidence of my neighborhood, in that I have served nine years of my 12 as the honor and pleasure of serving in many positions of trust, including a Member of Foldahl Town Board and the School Board of Dist. 56 for many years, and am now serving as Town Clerk and School District Treasurer.

Upon the merits of my experience and the faithful service I have rendered, I now remain in a local capacity, I respectfully ask for your support and influence. And if my star is successful it will always be my highest aim to discharge the duties of that very important office in an honest, efficient and courteous way, to the best of my ability.

Sincerely,
Levi G. Johnson.

(Prepared and circulated by Levi G. Johnson and to be paid for at regular advertising rates.)

Peter Engelstad
Candidate for the Nomination of
State Senator
Sixty-fifth Minnesota District
Primary Election June 21, 1926

A FARMER WORTHY OF
REPRESENTING A FARMING
DISTRICT

(Prepared and inserted by the Electors for Senator Volunteer committee, Jens Iverson, Secretary, Thief River Falls, Minn., and to be paid for at regular advertising rates.)

TO WINCHESTER MEET

F. L. Christenson left Tuesday night for Minneapolis to attend a meeting of the Minneapolis district of the Wheelesters club, of which he is secretary-treasurer. He will return the last of the week.

BIFFY IN CITY

John A. Duffy of Red Lake Falls, candidate for the nomination for representative in the 63th district, was in the city last Thursday and attended the Guernsey sale, at which he bought a two-year-old pure bred sire.

In announcing my candidacy for the State Senate, I wish to state that, if I serve it nominated and elected, I will continue to associate with my vote and influence the principles and measures advocated by the Farmer-Labor Party. I shall represent the interests of my district fairly and honestly to the best of my ability as I did when in the Senate before.

I am rapidly recovering from my recent illness and expect with a few weeks vacation after the primary to be back to normal, ready and able to serve you as before.

OSCAR A. NAPLIN.

(Prepared and inserted by Oscar Naplin in his own behalf and to be paid for at regular advertising rates.)

POLITICAL ANNOUNCEMENT

ANSWER TO QUESTION AS TO MY STAND ON PROHIBITION AND ITS ENFORCEMENT.

Thief River Falls, Minn.
June 15, 1926.

Mrs. James G. Sether,
Thief River Falls, Minn.
Dear Madam:

As requested by your letter of June 14, 1926, I hereby take pleasure in publishing my answer to your question as to my stand on prohibition and its enforcement.

My answer is without any qualification, that I am "dry" both in my views on prohibition and in personal habit.

I will further state that I believe the 18th amendment and the law should be enforced as any other law, but I am not presuming that I can enforce the law alone in Pennington county if elected Sheriff; but with the co-operation of the County Attorney, and the local police officers, and the moral support of the law abiding public, I am sure it will not only be possible but an easy task to clean out professional bootleggers. I respectfully solicit the votes of those who believe in enforcing the prohibition laws as well as other laws.

Sincerely yours,
Samuel R. Brandvold,
Candidate for Sheriff,
Pennington County.

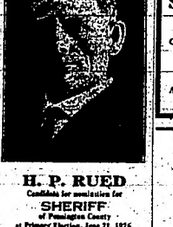
(Political advertisement — paid for and published by Samuel R. Brandvold in his own behalf and for which regular advertising rates will be paid.)

TO WINNIPEG

Mayor W. W. Prichard, Jr., and L. B. Johnston of this city, accompanied by Mayor Theodore Christenson, Thief Lakelsionian and Carl Kroll of Red Lake Falls returned Monday from a day to confer with those who have to do with routing of tourists thru this section. At the present time the best all-weather road from the boundary at Emerson is the Jefferson Highway thru this city, and it is felt that Thief River Falls should be given the advantage of this situation.

ARCHITECT HERE

Commissioners of Oakland Park sanatorium held a meeting here yesterday, at which A. B. Dunham, who represents the Sund and Dunham Architects of Minneapolis, presented plans and specifications for the new building, which were studied and passed upon favorably. Bids will be received next month.



ANDREW NESS
of Thief River Falls
CANDIDATE FOR NOMINATION
for
SHERIFF
Pennington County, Minnesota

I will appreciate your vote and support at the primary election June 21.

H. P. RUED
Candidate for nomination for
SHERIFF
of Pennington County
at Primary Election, June 21, 1926

YOUR VOTE AND SUPPORT WILL BE APPRECIATED

Eiwall for Commissioner.

I hereby announce my candidacy for the office of county commissioner of the First district. If elected I pledge myself to watch carefully the disposition of county funds and will emphatically oppose any unnecessary expenditures. Taxes are too high now and steps should be taken to stem them on a lower trend. I will faithfully work for the interest of my district and the county at large. I respectfully solicit your vote and support.

C. J. EKWALL.

(Inserted in his own behalf, and paid for at regular advertising rates.)

PAID ADVERTISEMENT—Inserted by Bush Vidmar, Gunderson, Lommen City, Iverson, for T. R. V. Bergquist, Commissioner, and to be paid for at regular advertising rates of the paper.

A Used Car is only as Good as the Dealer who Sells it
In buying a Used Car you are forced to depend upon the reputation of the dealer who sells it.
He alone is in a position to know the history and present condition of the cars he sells.
Dodge Brothers Dealers are business men, operating permanent establishments under valuable franchises. They look upon every Used Car purchaser as the ultimate buyer of a New Car, and they value his good will accordingly.
Buy a Used Car of any Dodge Brothers Dealer and you will receive honest value for your money.
And right now is a particularly good time to buy.
Increasing sales of new Dodge Brothers cars —following radical improvements in beauty and performance—have everywhere brought in an exceptional selection from which to choose.

ROSEWOOD

The Rindal Young Peoples Society met at the church parlors Saturday evening and gave a very interesting program. Rev. O. Tungseth from Hawley, the visiting pastor of the Rindal church was present and gave a short talk of many interest. Selmas Thompson jr. Goodridge was also present and gave a brief impromptu speech on the value of young people's organizations. Rev. Tungseth together with Mr. Gilberts from Thief River Falls sang a beautiful duet. John Nakken of Minneapolis sang a solo. Just as I am without one Plea. The meeting was attended by about 70 persons. Lunch was served.

J. P. Thompson arrived on Sunday from Fortville, N. D., to bring home Mrs. Thompson who has been visiting friends here for a week. Mr. and Mrs. Thompson visited with Mr. and Mrs. H. Hall until Monday when they returned to Fortville.

Mrs. Thos. Jackson left last week for Detroit, Mich., where she will spend the summer with her daughter with her son and family. She will return in time to resume her teaching duties at Rosewood.

The primary election in New Solum will be held at the Richard school, Dist. No. 52, on Monday, June 21.

Simon Holden has signed a contract to teach at Columbus school Dist. ... for the coming fall and winter terms.

Miss Mildred Ostgaard left Friday for Minneapolis where she will attend the summer session of the Normal school.

Miss Ruth Ostgaard who removed there early in the spring has secured a position in the state treasurer's office, where she will be employed until the closing of the legislature when she will return to Rosewood to be her assistant during the rush of business before leaving for St. Paul.

M. B. Rafteseth arrived this week in car from Hibbing for a brief visit with his home folks and the Ole Rafteseth and other relatives.

A large number of Rosewood people spent Sunday at Thief River Falls picnicking and attending the Shriner's school outing at the Zorah church on the corner along festivities of the Priests church. Mr. and Mrs. Albert Clark Stromberg and his family had the misfortune of skidding into the ditch just south of Dakota Junction when attempting to pass another car. The occupants received no injuries and the car, a Buick six, was hauled on the road by Sorry's wrecker, and there was presently over after all.

Mr. and Mrs. Albert Lappegard and family, Henry Lappegard and Miss Elma Ryre motored to Grand Forks on Thursday.

Helmer Johnson will leave this week for Northwood to attend the annual meeting of the Norwegian Lutheran church.

Carl Mellem, Adolph Hansen, Alfred Rafteseth and Emil Blomberg are working on a grading road contract across the Thoreson farm on the road between Rosewood and Mayville, all county state road "D" this week.

Miss Lilly Hanson spent Thursday with friends at Warren.

Don't forget, and plan to attend the Rosewood Farmers Club day at the Northwest school of Agriculture, Crookston on Wednesday, June 23. The start will be from Rosewood at 10 o'clock in the morning. Bring your picnic lunch. The day promises to be both pleasant and profitable. Let's all go!

Mr. and Mrs. A. M. Gulseth and G. J. Nesshagen left on Thursday by car for Fargo, Moorhead and Baker, Minn., where they will visit briefly with a sister to Mr. Gulseth, Mrs. Ole Nesshagen, Marinda, and Silverness has taught school within the county for many years and is well to do accordingly and feels amply qualified for the office he seeks. Mrs. Jalmer Rafteseth who has spent the week here arriving from Goodridge on Tuesday evening and the latter Miss Ida Ingvold left for her home at Hibbing.

John Hendrickson and Hans Urtes of Warren visited town during the week on the interests of their respective candidatures.

GOODRIDGE

Attend Guernsey Sale.

In spite of the disagreeable weather there were a number of people from this part of the county attended the Guernsey sale held at Thief River Falls on Thursday. Among them were Mrs. V. C. McLeod, Mr. and Mrs. Ole Thorsgard, Mr. and Mrs. Ed. Vaughan, Osmond Urdahl and L. P. Hanson. All report a big crowd and one of the best sales yet.

Dr. L. B. Twete, state veterinarian at Thief River Falls, was in town Wednesday afternoon and he stated that V. C. McLeod and M. G. Thoreson of Goodridge have herd tests.

Farewell Party.

About forty friends of Mr. and Mrs. N. Bondhus gathered at the Yeomen hall Wednesday evening to give a farewell party in their honor. They have lived in Goodridge ever since the time they came from Gwinn, Mich., from Germantown where they had lived for many years.

Christ Urdahl gave a short talk in behalf of the guests of honor and in wishing them the best of luck in their new home and a number of musical selections at the departure of the family. Dancing and card playing was enjoyed and the family left somewhat after midnight. Refreshments were served by the Christian Ladies.

Enroute to Norway.

Mr. and Mrs. Julius Stephenson had as their guests a week ago Mr. and Mrs. J. Wang of Tacoma, Wash. Mr. Wang is a brother of Mrs. Stephenson and they were enroute to Norway on a vacation.

Baseball, Ball Game and Picnic

The village of Goodridge was practically deserted Sunday as the town turned out in full force to support the base ball team, who were playing Erskine. Nearly everyone took a picnic dinner along and enjoyed it either in the park or along the lake shore. The game was a good one, but it was hotly contested by the local boys. To start things off wrong, Joe Christianson had the misfortune to break his ankle badly in the first inning. Arthur Scott played third base in his place. Any way the little accident seemed to be a hoodoo as they lost 5 to 3. Erskine got 9 hits to Goodridge's seven. Over 20 cars made the trip and they were as follows: Messrs. and Mesdames M. G. Thoreson and three daughters, George Johnson and son, C. Christianson and two sons, A. H. Handt and two sons, L. C. Handt and two daughters, J. Dangness and son, W. J. Stanley and three children, M. J. Stephenson, Owen Olsen and children, Mrs. Peterson, R. H. McDonald, son and daughter, S. J. Cloutier and daughter, O. N. Urdahl and children, Messrs. H. Christianson, Tiro Gilbertson, Sever Anderson, H. A. Dahl, Harry Hosmer, Alfred Anderson, Harry Henderson, Dan Payne, Joe Christianson, Albert Wilhelm, Gunderson, Helmer Bjerken, Noble and Rudolph Urdahl, Ray Stephenson, Ray Aarness, Misses Nena Christianson, Ida Peterson, Emma Gilbertson, Hazel Aarness.

Mrs. W. J. Stanley and daughter Geraldine returned home Friday afternoon from Gryglа where they visited relatives since Monday.

Miss Golda Gilbertson left Tuesday on a vacation trip to the twin cities.

Mrs. C. Aarness returned home Saturday afternoon from Perley where she visited relatives the past week.

Mrs. Carl Christianson left Sunday for Asia, where she will visit relatives for three weeks.

Joe Poppenhagen arrived home Friday from Hoffman, Minn., where he has been working the past two months.

Mr. and Mrs. Otto Bergvine and daughter Opal of Osseo, Minn., who have been visiting relatives near Grygla were guests Wednesday and Thursday at the home of Mrs. Bergvine's brother, Carl Gunsch.

Ian Payne and James Hosmer spent Thursday and Friday attending to business at Oslo and Alvarado.

Rev. Ellner Tungseth of Hawley, who has accepted the call to the United Lutheran church here and at Thief River Falls, held his first service here Sunday night.

Mrs. Carl Lindberg of Everett, Wash., arrived Friday and is visiting at the home of her father here and also her sister, Mrs. Edwin Hanson of Erskine.

Melvin Hansen of Thief River Falls, state finance adjuster, was in town Monday.

Dr. S. S. Burrill and wife of Bemidji were in town Tuesday. Dr. Burrill doing dentist work.

Thomas Wicks of San Diego, Calif., arrived Tuesday for a visit at the home of his brother and sister-in-law, Mr. and Mrs. O. S. Kirkhus.

Stuart McLeod returned home Sunday from Minneapolis. He was accompanied by A. J. McGuire of Minneapolis.

Den Vaughan and sister Sally, and Miss Sandra Mary, Miss Ethel Vaughan all attended the Pennington County Farm and Girls 4-H Club picnic held in the tourist park at Thief River Falls Tuesday.

Mrs. Frida Samuelstein and Miss Esther Gjertson of Thief River Falls were here the week end as the Samuelstein's home near Highlanding.

Mrs. J. Johnson had the misfortune to have her left ankle fitted to the plaster cast on Saturday night.

Mr. and Mrs. Henry Hanson of Barnesville, and Mr. and Mrs. Edwin Hanson of Fairview, Minn., were guests Sunday at the Julius Stephenson home.

A delightful party program was given by the Ungdi Sonbue school Sunday afternoon. Rev. Mckishet of Thief River Falls preached a very fine sermon to the children.

Miss Agnes Sandberg arrived Monday evening from Wahpeton, N. Dak., where she has been attending school and will visit relatives here for some time.

Goodridge Church

Rev. M. B. Hansen, Pastor.

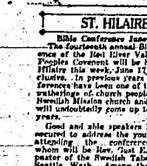
ST. HILAIRE

Bible Conference June 17-20



The fourteenth annual Bible conference of the Red River Valley Young Peoples Luther League will be held at St. Hilaire this week, June 17 to 20, inclusive. In previous years these conferences have been one of the biggest gatherings of church people in the Swedish Mission church and this year will undoubtedly come up to previous years.

Good and able speakers have been secured to address the young people attending the conference, among whom will be Rev. Just E. Johnson, pastor of the Swedish Tabernacle at Seattle, Wash. Among the subjects on which he will talk are the following: "He Who Loves," "Our Duty," "Behold, What Love," "The Fire of Love," "The Return of the Lord," "Loved Thou Me," and "Two Closed Doors."

Rev. Edwin F. Lindholm of Chicago, who has recently accepted a call from the Red River Valley covenant as field evangelist, will be present and will take part in the services.

Prof. T. W. Anderson, president of Minneapolis academy at Minneapolis is also expected to be present at the meetings. He has spoken at any conference meetings before and is well known in the Red River Valley.

The conference will begin Thursday afternoon, June 17, at 2:30 o'clock and will continue with two sessions daily at 2:30 and 8 p. m. on Thursday, Friday and Saturday. The business session of the covenant will be held Saturday at 9:00 a. m. Sunday three sessions will be held beginning at 10 a. m. and in the afternoon the conference closes which will be made the first appearance last year will be held

SATURDAY, JUNE 19th

8:15 P. M.

Sunday evening commencing at 8 o'clock. Both Swedish and English languages will be used and a cordial invitation has been extended to all to attend the meetings.

Wedding Dance

Over fifty people were delightfully entertained at a barn dance held at the Oscar Gilgstad farm Saturday evening, Mr. and Mrs. Oscar Gilgstad newlyweds acting as host and hostess. At St. Hilaire community band furnished music for the dance. At 12 o'clock a delicious lunch was served to the guests. The bride and groom were presented with a purse as a remembrance of the happy occasion.

Attend Festival Service

A number of people from this village motored to Thief River Falls Sunday to attend the festival service held in the corner stone of the $50,000 brick church being erected by the Trinity Lutheran congregation.

Nis Olsen Dinner Party

Mrs. A. E. Wilson delightfully entertained a few friends and relatives at her home Friday at a six o'clock dinner party. The guests were: Mr. and Mrs. Oscar Stearns and children, Clarence and Gladys of Minneapolis, Mrs. T. Inestad of Jesse Lake, Minn., and Mrs. P. Simonson and daughter, Pearl, of this village.

Attend Play Day and Graduation

A number of boys and girls and their parents attended the rural school near St. Hilaire attended the county play day at Thief River Falls Saturday, June 12. A number of pupils in the rural schools of St. Hilaire won Pennington county eighth grade diplomas.

Lindgren—Cahlstrom

Word was received Saturday by Mrs. Cahlstrom of the marriage of her son, Henry to Flora Lindgren of Wilmar. The bride lives at Willmar where the groom has been employed for several years in the road construction crew. They will make their home at Wilmar.

Mrs. Thomas Instead of Jesse Lake, and Mr. and Mrs. Oscar Stearns and children Gladys and Clarence of Minneapolis returned Saturday to their homes by car after a few days' visit at the Peter Simonson home. Upon their return they were accompanied by Mrs. P. Simonson who will make a short time visiting with friends at Jesse Lake. Jesse Lake is in Minneapolis.

Mr. and Mrs. J. A. Anderson and children and Walter Jarson, who reside west of St. Hilaire and John Gullingsrud and children of Thief River Falls spent Sunday visiting at the George Blakey home.

Mr. and Mrs. Oliver Johnson of Pinehall, N. Dak., arrived here Saturday for a week's visit at the H. R. Allen and Martin Hanson homes.

Mr. and Mrs. Bert Umland of Thief River Falls visited at the M. Fricker home Sunday afternoon.

Mr. and Mrs. P. Berg of this village and Chester and Harriet Hilden of Mimah spent Sunday visiting with Mr. and Mrs. Erickson home.

Myles Jackson returned Monday from Minneapolis where he has spent a short time attending to business matters and visiting friends.

The Luther League of the Swedish Lutheran church met at the Anton Ahlstrom home Sunday evening. After the business meeting a program was given and lunch was served at the close of the evening. The next meeting will be held at the Charles Erickson home.

Mr. and Mrs. A. W. Jackson and son Daniel of Grand Forks motored here Sunday to visit at the Jackson home. They returned to Grand Forks Monday evening.

Frank Johnson and Martin Loffgren left Sunday for Hibbing where they will be employed.

Mrs. Harry Winter and son Billy returned Saturday to their home at Hillsboro, N. Dak., after a couple weeks visit at the Ensh home.

Mr. and Mrs. T. Skaarstad and children motored to Grand Forks Sunday where they spent the day visiting with friends and relatives.

Mable Lonerg returned Tuesday from Halstad where she has completed a term of school in the Halstad public school.

Mrs. Oscar Gunstad left Thursday for Fargo, from which place she and her sister, Mrs. Leslie Hall of Viking went to Minneapolis to attend the graduation of their sister, Margaret, from the University of Minnesota.

Gordon Marks arrived Saturday from Minneapolis where he has been attending the University of Minnesota. He will spend the summer with his mother, Mrs. Marie Olsen.

E. G. Sarbee and Harvey Olsen motored to Mahnomen Sunday where they spent the day fishing.

Peter Simonson has been employed at the Larson Brothers' store this week during the absence of H. Larson who is in Philadelphia.

Mr. and Mrs. H. R. Allen accompanied by Allen Fricker motored to Newfolden Sunday where they visited at the Wendell Corbett home.

Mr. Tawia de Cathfleneus underwent an operation Saturday morning at the St. Vincent hospital at Crookston.

Oscar and Nels Nelson accompanied by Allen Fricker motored to Fisher Tuesday afternoon. Nels remained at Grand Forks where he is to be employed and also take up a post-graduate course at the University of North Dakota.

Mr. Fricker spent Saturday attending to business matters at Thief River Falls.

Harry and Myles Jackson autoed to St. Paul Thursday.

Lucille Hall arrived Wednesday from Ewaldt, where she has been employed, to spend a short time at her parental home east of town.

Kenute Odegaard left Thursday for Des Moines, Iowa, where he will seek employment.

Mrs. Harry Jackson and little neice returned Tuesday to her home at St. Paul after spending a few days at the Jackson home.

Sylvia and Wilhelmine Denhart left Friday for Yellowstone National Park where they will be employed for three months.

Mr. Steele autoed here Wednesday from Fargo to spend a few days at the G. Johnson home.

Florence Dann returned Friday from Red Lake Falls where she spent a week visiting with friends.

Sylvia Denhart returned Saturday from Wendell where she has been teaching in the rural schools.

Mr. and Mrs. Peter Paulson and Mr. and Mrs. Oscar Borgie of Grand Forks left Tuesday for an auto trip to Detroit returning by way of Fergus Falls, Blanche, Gabrille and Harriet Cahlstrom autoed Friday to Crookston where they visited with their mother who is a patient at the Crookston hospital.

Mr. and Mrs. G. Adolphs of Thief River Falls and Georgo Fricker of Hall spent Sunday visiting at the M. Fricker home.

Hazel Dann returned Thursday from Hallock where she has been a guest at the Danhart home.

Clarice Nelson returned Tuesday to her home in Falls after a few days' visit with her grand parents, Mr. and Mrs. M. Fricker.

Mr. and Mrs. Wendell Corbett autoed down from Newfolden Sunday evening to visit at the H. R. Allen home.

After conducting the regular Sunday services here at the M. E. Church, Rev. J. T. Dixon of Thief River Falls left by car for Minneapolis where he is attending Hamline University for the week. As he is absence there will be no services in the local church next Sunday. A notice as to services later on will be given later.

Miss Agnes Grimsrud left Wednesday for Fergus where she is to teach parochial school for the summer months.

After spending the past year attending the Alumni state teachers college, Molly Hallamach returned home Friday.

Mrs. N. Scogen of Newfolden came to Viking to spend a few days visiting at the home of Mr. and Mrs. E. N. Ness.

Mr. and Mrs. Mortenson, who reside south of St. Hilaire, entertained a few friends at their home Sunday to help celebrate the eleventh wedding anniversary of Mr. and Mrs. Albert Nelson and Mr. and Mrs. Charles Wallum.

WITH REVENUE SERVICE

Clifford Craig, student of the Union Commercial College, Grand Forks, N. Dak., just received his appointment as a storekeeper with the U. S. Revenue Service at Portal, No. Dak. Clifford will earn in his first position around $1500 a year. Not bad for a start. Miss Dorothy Hart was placed with the Brigham-Hansell Co. and Miss Lylah Peterson with the G. Fenke Grocery Co., wholesalers. Attend this FULLY ACCREDITED school and make your own services in demand. It takes but a short time and the cost is very reasonable. Enter any time. Catalog free. 19tf

Attend Great Lutheran Meet—Teslow is Ordained

(Crowded out last week)

Rev. and Mrs. S. L. Tallakson and Mrs. J. Odon returned Saturday and H. S. Dahlen Sunday from Minneapolis where they attended the annual convention of the Norwegian Lutheran church of America and the Women's Missionary Federation. Three thousand Lutherans from all parts of the country were present, the week's sessions closing Saturday. Practically no changes were made in the organization. Norwegian is to be the language used down. Rev. T. Gullieson of Minot, N. D., was elected president. In the report of District President Mr. Tallakson stated at the Fosterton meeting Thief River Falls circuit, of which Mrs. Tallakson is president, was cited for having delegated the largest number of Ladies aids of any circuit in the church body during the year. The northern Minnesota district reported 2500 members. In view of self denial offerings for charity work the church had the privilege of handing drives for the four church colleges had all passed the quota mark.

It will interest local people to know that Reuben Teslow, former resident and graduate of the local high school class of '17, was ordained to the ministry. He has accepted a call in South Chicago, Ill.

The Fosterton meeting was also attended by Mrs. Martin Hanson of Thief River Falls, Rev. Dahlen, superintendents committee at the church services.

AUGUST BOOREN

August Booren, father of Dr. O. W. Booren of this city and H. F. Booren of Plummer, died at his home in Stillwater Friday, following a protracted illness. He was a native of Sweden, where he was born 76 years ago and came to Stillwater in 1866, where he had lived since, engaged in the hotel business. He served two terms in the state legislature and served as county treasurer for six years. Three years ago Mr. and Mrs. Booren celebrated their golden wedding. Mourning his passing are his wife, two daughters, Winnie at home and Olive in Minneapolis, and a son, Dr. Clifton A. of Minneapolis in addition to other sons here. His sons left last week to attend the funeral.

Kohn & Fiterman

The following is a full text of what Mr. Halvorson's candidacy for State Senator, said in his St. Hilaire speech with reference to high school taxes:

I realize that when it comes to a question of taxation, it is a matter in which you are deeply interested and is of such a nature as to give everyone a deep concern, for no-body likes to have his taxes increased. The high school taxation is right here.

Taxation has reached such a limit that it amounts to very serious consideration and unless relief is obtained, the time may come when the attention will be seriously called to threaten the very foundation of our community.

Referring to what I may have said before, that Government is organized for the security, benefit and happiness of the people, it then becomes the duty of the Government when taxation becomes burdensome to endeavor to intervene on behalf of a helpless people.

I take this occasion to severely criticise our present governor for vetoing the dichelamy bill. He excused his act upon the basis of economy, but economy does not consist entirely of vetoing appropriations for when an appropriation is necessary for the welfare of the state it is economical to appropriate it. If the people of the state were not in need of money and pleading for relief I would not be in favor of increasing taxes upon those in distressed circumstances.

I refer to say that if any community was ever in need of economy and efficient help with reference to taxation, you are in that position, and if I am elected to the office of senator I will endeavor to help you. In the setting of this session I will be in favor of saving to those who were not in need of money and placing the burden of

WEED CONTROL DISCUSSED AT MEETING HERE

Fight Against Weeds Must Be Kept Up, Specialists Tell Township Chairmen

CAN BE CONTROLLED WITH CO-OPERATION

Law Provides for Cutting of Weeds Along Roadsides, City Alleys, Vacant Lots

"Keep up the fight against weeds" was the keynote of the annual farm weeds conference held at the court house last Thursday afternoon by Samuel Hammerbeck, representing the state department of agriculture, and P. C. Clark, seed specialist of the Northwest School of Agriculture, Crookston. Representatives from all townships of the county, except two were present. Most townships were represented by their board chairmen.

Mr. H. W. Froehlich, president of the Commercial club, welcomed the visitors and pledged the cooperation of the Commercial club in the weed control work. County Agent J. J. McCarthy discussed the results of alfalfa and sweet clover demonstrations and the rapid progress made toward better farming during the past two or three years. He pointed out that he reviewed the progress made toward better farming during the past two or three years. He pointed out that he reviewed the progress made toward better farming during the past two or three years. He pointed out that he reviewed the

Leach-Dennis

Enid Leach, daughter of Mr. and Mrs. E. W. Leach of Hibbing, and Harry Dennis, son of Mr. and Mrs. Frank Dennis of this city, were married on Clarence Dennis of Hibbing, Thursday, June 17, by Rev. Ed Kreidt at the Swedish church. The couple was attended by Miss Gertrude Kortsch as maid of honor, and Fred Leach, brother of the bride, as best man. Following the ceremony, dinner was served at the Leach home, with 24 guests present.

Mrs. Dennis graduated with the class of 1926 from the Hibbing high school, and is employed with the Duluth, Missabe and Northern Railway company, of Hibbing, in which city they will make their home.

For Bernice Hoyme.

Miss Myra Franklin entertained a group of her friends at her home Tuesday night at last week in compliment to Miss Bernice Hoyme, who left the following night for Minneapolis where she will be married. The hours were spent at games and dancing; after which a lunch was served by the hostess. Those present were the Misses Ynez Holtz, Dorothy Hilzer, Vera Hanson, Charlotte Sorenson, Helen Setre, Lucy Nason, Bernice Hoyme and Myra Franklin; and Philip Sundahl, Walter Larson, Chas. Reardon, Ernest Sarauner, and of Chas. Prosch.

Entertain Friends

Mrs. Arthur Lorentzsen entertained several friends at her home Wednesday afternoon of last week. Needlework formed the diversion of the afternoon, following which luncheon was served. Those invited were Mesdames Eve. Evenson, Chas. Evenson, H. Hanson, Gilbert Granum, Sam Hermanson, Art Lorentzsen, Ed Gallingarud, Nels Ostvedeen, O. C. Granum, and the hostess. Both are St. Olaf college graduates.

For Rev. Kreidt

In farewell reception of Rev. E. R. Kreidt and family who will leave in a few days for California, the same being in honor of Rev. Kreidt's birthday, a surprise was put in the church parlors Friday evening, June 18. An informal affair, all social time was enjoyed, the ladies of the congregation serving a delicious lunch during the evening. Rev. Kreidt was presented with a gift of money from the congregation and the Misses Ilma Hoyme, Arlene and Esther Mohn, Hazel Hoyme and Ruth Lee, on behalf of the Ladies' aid society, made the presentation speech, to which Rev. Kreidt responded with appropriate remarks. "As a part of the surprise," he said, "I have been told that I must say something in response to this presentation speech. So a part of the surprise has been removed from me and I can prepare myself for the occasion." Among the items mentioned for present development were "Kreidt's Corner," "Kreidt's Kollege," "Kreidt's Kollection," "Kreidt's Kollege," "Kreidt's Kollection," "Kreidt's Kollege," "Kreidt's Kollection

BOOSTING OUR ROADS

Two weeks ago a party of about fifty Detroit citizens motored to Winnipeg to boost Detroit lakes and to enjoy a pleasant visit in the capital of Manitoba. The Minnesota territory on their journey to Winnipeg found the road between Crookston and Warren in bad condition and on their return trip selected the only gravel all-weather route by way of Warren, Thief River Falls and Red Lake Falls.

The Detroit Resort, edited by L. Bernshead, in an article about the trip carried two weeks ago, pays a fine tribute to the roads of Pennington and Red Lake counties, in the following:

"Since we had passed through northern Minnesota on the trip up, a very heavy rain fell, Kittson county around Hallock, Hamlait, Argyle had a regular downpour and this morning our return trip selected the only graveled all-weather route by way of Warren, Thief River Falls and Red Lake Falls.

The Detroit Resort, edited by L. Bernshead, in an article about the trip carried two weeks ago, pays a fine tribute to the roads of Pennington and Red Lake counties, in the following:

"Since we had passed through northern Minnesota on the trip up, a very heavy rain fell, Kittson county around Hallock, Hamlait, Argyle had a regular downpour and this morning our return trip selected the only graveled all-weather route by way of Warren, Thief River Falls and Red Lake Falls.

"Just before reaching Warren on the trip up we had to run over a long detour from the main road as I while this side journey did not put us behind schedule, it was in bad shape on the return and we located another route at Warren and went over the most beautiful highway in Minnesota to Thief River Falls, down to Red Lake Falls and thence to Erskine, Mentor and Detroit. We could not help but admire the country surrounding Thief River and Red Lake Falls. We passed through some of the richest farming country in the United States—the famous Red River Valley. It is very hard to understand just why economic conditions should be at all severe in our section. The roads to the two cities just named stand as a silent tribute to the famous Minnesota Road builder, Charles M. Babcock, Commissioner of Highways. Even the fact that the Detroit tourists eliminated Crookston on the return trip goes to show that where there are good roads, so will go the tourist traffic.

Such bickering as that will get a long way to bring the tourist traffic thru this city. We should make every effort to get travelers routed this way.

With prospects for a record tourist traffic this season it is important that we look out for our interests in this line. Already a goodly number of tourists are wending their way northand southward—away from families and friends.

Another thing—let's not forget to give the tourists the glad hand when ever we have the chance, it goes a long way to make him feel kindly towards the city and community. Make him feel at home. And remember to do your part in making the city as attractive as possible.

When a town thinks as much of its duties as her doors-of-his rights, he is never out of a job.

The chronic grouch may be without friends but everybody knows him.

The man who devotes all of his time criticising others never has time to pick out his own faults.

Not Your Fault
—But—
A

The child ran out from behind the wagon and was under your wheels before you saw it.

Not your fault—but—you're in for a big damages suit, nevertheless.

There's only one way to *fully* protect yourself against such unavoidable accidents.

ÆTNA-IZE

Ætna-Ize Combination Insurance protects you against the many forms of loss to which ownership or operation of an automobile may make you liable.

OBITUARY

FALL CAUSES DEATH

Bert Otis Tuchsen, son of Ole Tuchsen of Sinsky township, died Thursday of last week, the death following injuries to his head received from a fall from a load of hay on the preceding Tuesday, when he was over-hauling about two miles from his home. He was 19 years, 10 months and 29 days old at the time of his death, and had lived all his life on his parent's farm near Hazel. He is survived by his parents, six sisters, Mrs. Harry Lawe of Fresno, Mrs. Hans Rudrud of Mrs. Virgil Call, St. Paul, Tillie of Sacramento, Calif., Pauline of Minneapolis, and Thelma, who lives with her parents; and two brothers Melvin of Grafton and Alfred, who also lives with his parents.

Funeral services were held Monday afternoon at 1:00 o'clock at the home, and at 2:00 o'clock at St. Paul's church. Rev. C. M. Grimerud officiated. Interment was made in the Greenwood cemetery. Out-of-town relatives who attended the funeral were Mr. and Mrs. Harry Lawe and two children, Mr. and Mrs. Hans Hoffman, Mr. and Mrs. Virgil Call, Melvin and Pauline Tuchsen, Mrs. Hannah Mebroe of Grand Forks, and Mr. and Mrs. A. A. Odegaard of St. Hilaire.

MICHAEL TIMM

Michael Timm, 84 years old, for 14 years a resident of this community, died Sunday at the home of his son Eli. Although due to old age are given as cause of his death, he had been ailing with his present settlement. Burial took place today at Parkers Prairie, where Mrs. Timm is also buried.

MARILYN JOYCE BAKKE

Marilyn Joyce Bakke, four-months-old daughter of Mr. and Mrs. H. B. Bakke of Fargo, died at the Fargo hospital Thursday evening, following an illness of only a few days. Funeral services were held at Parco Saturday afternoon at 2:00 o'clock. Rev. Kenneson of the First Lutheran church officiating, after which the body was brought to this city to be buried, their former home, and Sunday afternoon at the home of Mr. Bakke's parents, Mr. and Mrs. C. B. Bakke, Sr. R. L. Tallakson, officiated. Mrs. O. Gimsom sang "A Little Pink Rose" during the services, following which interment was made in Greenwood cemetery.

HERMAN BERNDT

Herman Berndt, for about 20 years a resident near the Soo-roundhouse and a Soo city farmer at Excel township, died Monday morning at the age of 78 years and seven months, death being caused by ailments incident to old age. He had been ill 11 weeks but had been confined to his bed only the last week. The funeral will be held this afternoon from the home, Rev. A. A. Larson of Warren, of the Swedish Lutheran church, officiating. Interment is to be made in Greenwood cemetery.

Mr. Berndt was born in the province of Saxony, Germany, and came to Atlanta, Ga., where he lived for three years before moving to Fargo, N. D. He came to Marshall county 38 years ago, homesteading a farm four miles east of Steiner which he occupied for 18 years. After coming to Excel he was united in marriage to Laura Hoffman, daughter of August Hoffman. He is survived by his widow.

While in Excel township, Mr. Berndt was active in all civic affairs, being a member of the town and school boards nearly the entire time. He was a strong promoter of good roads.

OLAF M. WILLER

Olaf M. Willer of Argyle died at the Oakland Park sanatorium June 11 at the age of 44 years. Deceased had been afflicted with tuberculosis for the past 10 years, entering the local sanatorium 4 years ago. The body remained four years ago. Funeral services were held at Alma last Thursday.

Former Plummer Man Drowns

Joseph Fuchs, 54 years old, former Plummer merchant, was drowned in the Minnesota river while fishing near a ditch on which he had been working, according to the Minneapolis Journal. He had made 12 feet from shore, two companions said when he slipped into a deep hole. Deputy sheriffs recovered the body. Fuch's home was at 3419 Tyler St. N. E., Minneapolis. He is survived by his wife and two small children. He was formerly in the mercantile business at Plummer but turned out about a year ago. The family continued to make their home at Plummer until last winter when they moved to Minneapolis.

MRS. GURINE HAUGEN

Mrs. Gurine Haugen, aged 83, died Saturday, June 5, at the home of her son, David Haugen at Plummer. Funeral services were held Monday of last week at the Clearwater Lutheran church, Rev. C. M. Grimerud of St. Hilaire officiating.

Mrs. Haugen came to this country from Norway in 1880 and settled in Goodhue county, moving in 1902 to Plummer, where she had resided up to her death. Two sons, David, and a daughter, Mrs. Julia Austin of San Francisco, Cal., survive.

MRS. SWAN CARLSON

Mrs. Swan Carlson of Mud Lake township, east of Holt, died Wednesday, June 9, her immediate death being cause by kidney trouble. Funeral services were held at Holt Saturday.

Misfortune is the price of wisdom, but most of us complain when we have to pay.

Marshall County Fair and 4th of July Celebration in Warren July 5, 6, and 7

Four big auto races, with purses of $150 each, together with foot races and Ford novelty races, will provide thrills galore to the thousands of visitors from all parts of the northwest who will attend the Marshall County Fair and Fourth of July celebration in Warren July 5, 6 and 7.

The races make up only a small part of the gigantic program planned for the 1926 fair, and the Agricultural association, as there will be free attractions before the grandstand, band concerts, baseball, fireworks, bowery dances, midway shows, and livestock shows for the entertainment of the visitors.

Inquiries are already pouring into the office of the secretary requesting reservations for space for the exhibition of manufactured and agricultural products, all indicating that the people of Marshall and adjoining counties are taking an active interest in the fair this year.

On Monday, July 5, a regular old-fashioned Fourth of July celebration, with numerous features and sports will be staged, the Warren Post No. 27 of the American Legion co-operating with the fair association in arranging the program. Assurances have been made for a big parade in the morning commencing at 9:30 o'clock. This parade, which will be more than a mile in length, will have many features such as, attractive floats, decorated automobiles, Little German Band, Warren City band, and Legionaires of Northwestern Minnesota cities. A patriotic program will be given at the City Park in Warren, featured by an address by Ludwig B. Bell of Minneapolis, commissioner of the Minnesota department of the American Legion.

The Thearle-Duffield Co. of Chicago, the same company that displays the fireworks at the Minnesota State Fair in Hamline. They have arranged an unusual and novel display, featuring pictorially historical events commemorating the 150th anniversary of the signing of Declaration of Independence. The fireworks display will be on July 5 and 6, combining a three days' program in two days.

"We have held the celebrations in Warren for former years," said C. A. Nelson, president of the fair association, "but the twentieth anniversary will surpass them all in entertainment and attraction. Make your plans now to attend."

PAIGE SHIPMENTS SHOW GREAT GAIN OVER 1925

Shipments of cars by the Paige-Detroit Motor Car company continued to increase in May, with a gain of more than six per cent over the record for April. The May total was 4,909 cars, including both Paiges and Jewetts. The new Paige models, introduced in February, have won widespread recognition, so that six times as many were shipped in the first five months this year as in the same period of 1925.

O'HARA RESIGNS

Resignation of Joseph P. O'Hara of Glencoe as state commander, of the American Legion was accepted by an executive subcommittee at a meeting in Minneapolis last week. Roy M. D. Haferman of Litchfield, vice commander, was directed to convene the entire state executive committee to select a state commander to serve until the Mankato convention in August. Mr. O'Hara, who was elected at the convention held here last August, explained that he was not a candidate for attorney in McLeod county, and as a candidate is not entitled to hold office in the Legion.

Alfalfa Cutting Starts in Pennington This Week

J. E. Ellis of the Manitoba agricultural college at Winnipeg, is scheduled to arrive this week to inspect alfalfa fields in Pennington county, with Thief River Falls and Goodridge in connection with the experiment being conducted by the Manitoba school and the University of Minnesota.

Cutting of the first hay crop on alfalfa fields, being the second crop, is intended for seed will be started this week, according to County Agent J. J. McCann, who reports that the alfalfa crop here looks promising this year despite a few instances of winter killing.

AT POULTRY CO-OP. MEET

C. O. Keller, manager of the Thief River Valley Co-operative Poultry association, attended a meeting of the association in St. Paul on Saturday, returning here Tuesday morning. President Olaf Rosed, director of the state association, left Monday night to attend a directors' meeting Tuesday. He is expected to return today.

COUNTY TAKES 73rd PLACE

Pennington county was placed 73rd among all the counties in the state for the 1925 Christmas Seal sale per capita, according to a bulletin issued by the Minnesota Public Health Association. With a population of 12,200 the county bought Christmas stamps for a total of $426.15. Red Lake county was 86th, with $323.51 for a population of 7,200. Polk county was 19th, with a total of $1,942 for a population of 37,000. Part of the proceeds from the seal sale in Pennington county will be used to obtain health examinations for children among the schools of the county.

THANKS VOTERS

To the Voters of Pennington County:

As one of the successful nominees for the office of county superintendent of schools, I wish to thank you for the splendid vote given me at the recent primary election.

I pledge myself if elected to give my entire undivided time and attention to the discharge of the duties connected with the administration of the office in the future as I did in the past.

Yours truly,
Geo. M. Gunderson.
Ble

To The Voters Of Pennington County

I wish to express my appreciation for the fine support given me in the primaries.

It has been my endeavor to render at all times such impartial service as I believe the duties of my office demanded.

I shall appreciate your further support in the general election and pledge continued enforcement of the law.

Sincerely yours,
O. L. IHLE.

A Year From Today

What will your Car be worth Then? Or in Two Years? Or in FIVE?

These vital questions create no worry in the minds of Dodge Brothers owners.

Six, eight and even ten years of faithful service—with mileage running well into six figures—is not an uncommon record for Dodge Brothers Motor Car.

In fact, 90% of all the cars Dodge Brothers have built are still in service—an astonishing record, when you think of it—and ample justification for Dodge Brothers well known slogan—*Long Life!*

SOME men regard mechanical excellence above all other things in an automobile. Others are fascinated by beauty of line, by comfort and by luxuriousness of appointments. Still others place highest value on performance. Enthusiastic Paige owners are found in every group. Whether the thought uppermost in their minds is beauty of line, beauty of design, beauty of performance, or beauty of workmanship—the words that come to their lips when they express their opinion of Paige have formed the most enduring slogan in the motor car industry. And only the truth endures. Paige, "The Most Beautiful Car in America."

ROSEWOOD

STEPHEN JOHNSON

Stefan Johnson, our friend, who has been quite ill, is better now and seems to be on the mend.

Mr. Leff on Wednesday for Thief River Falls where he attended the Rotarian meeting on Thursday and Friday.

Mrs. Duffy is back at the Grand Forks hospital, where she underwent a major operation last week. She is getting along nicely and hopes to be home soon.

Mrs. Duffy is also at the hospital from a visit with her daughter, Mrs. Frederickson, in Hallock. Both ladies are getting along fine.

Mrs. Peter Johnson received word on Tuesday of the death of her brother, Stainer Iversen, in Norway. The deceased was a brother of Mrs. Johnson and Mrs. Broberg of Fosston and one at Greenbush, and numerous friends, a large number of whom are at Rosewood where he has made his home in the eastern part of town for the last ten years. It is needless to say that we will miss him. We do not believe that Steiner had an enemy, at least we have heard of none, he was considered a true gentleman in the full sense of the word.

Verna Branson from Thief River Falls is spending the week end at Rosewood visiting with Elvira and Genevieve Johnson.

Clayton Thompson returned Monday evening from Warren and will spend a few days at the home of his parents, Mr. and Mrs. A. G. Thompson.

Mr. and Mrs. C. E. Hazen and family from Kelliher spent a few days the last week here visiting at the A. M. Gullickson and Peter Johnson homes.

The Ladies Friday Afternoon club was entertained by Mrs. Helmer Nelson on the 18th inst. Next Friday, ——.

Mrs. Peter Maldaner left on Monday evening from Warren and left for her home in Norden township.

Miss Elsie Nelson spend the week end visiting with friends at Viking and returned on Monday evening.

The next Helium primary election on Saturday, June 26th. Polls open at 2 p. m. Republican: Theodore Christian, 21; Geo. Leach, 9; Lt. Gov. Lloyd Ahlgren, 16; W. L. Nolan, 17; Auditor, Ira A. Rohe, 9; Ray P. Chase, 12; Treasurer, C. B. Collins, 9; A. Chamberlain, 6; H. Smith, 2; Edward W. Stark, 18; Atty. Gen., Clifford L. Hilton, 14; Miles Lunderville, 11; Clerk of Supreme Court, Geo. E. Anderson, 9; John W. Johnson, 6; Grace P. Kierscey, 2; Ed. M. Linsley, 11; Anna G. Stoenberg, 4; Representative in Congress, Lozier Beaubien, 21; F. H. Peterson, 7; C. G. Selvig, 741 Marks' Wahl; State Farmer Labor; Gov. Magnus Johnson, 27; Tom Davis, 16; Lt. Gov. Geo. E. Martin, 7; Peter J. Schaper, 7; Henry Wuerzinger, 2; Emil E. Holmes, 26; Secretary Rudolf T. Nordlie, 26; Hans Urtas, 19; F. A. Green, 4; P. B. Malmberg, 42; Chas. Hutter, A. G. Lange, 20; A. G. Gudim, 23; Leif G. Johnson, 29; O. Trygstad, 2; Treasurer, Lydia Jenny Sands, 23; Ole J. Westrum, 11; Sadie Peterson, 21; Sheriff, Julius Carlson, 25; Frank Peterka, 1; Ole Severtsen, 1; John P. Berdewick, 26; Co. Attorney, Ira Bjorlaug, 7; W. O. Bregstrom, 36; E. A. Brakke, 32; Co. Supt. of Schools, E. A. Silverness, 53; H. M. Rogen, 11; G. Holmquist, 10.

Mrs. Martin Peterson of Fargo is visiting this week at the Andreason and Paulson homes. Mrs. Peterson was formerly Miss Anna Johnson and left with the rest of the family when they moved to Fargo.

Mrs. Anderson of Brandon was here on Saturday to look after various matters connected with the property of the late Reuben Johnson.

Mrs. Theo. Peterson and Emil Hellquist were business visitors on Saturday from Warren where they attended to business matters.

Mrs. Ed. Johnson and children left on Saturday for Warren where they will visit with relatives for a few days.

Local Co-op Leaders Plan to Establish Institute at 'U'

The American Institute of Co-operation opened on Monday at University Farm, St. Paul, for three weeks, sessions including all phases of co-operative marketing. During the sessions the first three days of the week more than 125 co-operative leaders were present, from virtually every section of the United States, two men from China, a large group from Canada and one from Czecho-Slovakia. Before the institute closes on July 17 it is expected that the attendance will run to well over 500. Elmer Lindseth, president, and N. O. Lindeberg, field manager, of the district cream-pool association, expect to attend the session pertaining to creamery co-operatives. And R. G. Norby, manager of the Thief River Valley Co-operative Poultry association, plans to attend the poultry conference on July 7-9. Members of poultry co-operatives in eleven midwest states will discuss marketing problems of the poultry flock-type of organizations at a special gathering.

The list of speakers heated by Secretary of Agriculture Jardine and Richard Patten of Boston, chairman of the war finance committee of Canada, includes the leading authorities on the various co-operative interests in the country. Leaders of the Minnesota group will speak. The institute is a national enterprise incorporated under laws of the District of Columbia and not for profit and is supported entirely by voluntary contributions. The school of marketing prepares the co-operative workers to meet the untold emergencies that will confront them every day, and to make daily assurances in the lives of co-operative leaders.

GOFFRE

Are You Forcing Your Boy To Leave Home?

WE talk a great deal about keeping our boys at home. What, besides talk, are we devoting to accomplish this?

Remember youth goes where opportunity looks the brightest. Remember the Dollar is one of the world's greatest builders of opportunity.

Are you spending your dollars where they can build home business, help stimulate local enterprise and create home opportunities? In a word--are you spending your money at home?

Somewhere the dollars you spend will be at work. Somewhere those dollars will be building opportunities. Somewhere they will be developing communities, making them better places in which to live and work.

Do you want that building to be at home or away?

When the peddler tells you his fanciful story of big savings and super values--think. Not only will your home merchant do as well for you but--

Think of the bigger savings brought by dollars spent at home.

Think of the dollar energy you are conserving for the upbuilding of your home community--an upbuilding that will mean bigger and broader home opportunities.

Opportunities make the tie that binds. They will keep the boys at home.

U. S. CENSUS figures show a constant drift of population, towards the large cities. More than half of the people of the U. S. are now classified as city residents.

More and more this drift to the large city has restricted the opportunity for independent business enterprise.

Prosperous, vigorous small towns afford the greatest opportunity for independent business. They have the most direct influence on the values of the farm land immediately about them.

Money spent with peddlers builds no values that can help you, and the only opportunity there is for people to share in the opportunity for gain they spend his days working for some one else in some distant city.

LOCAL NEWS

Joseph Hruby of Mavie was a business caller here Saturday.

Miss Ruth Wold returned Friday from a weeks visit in Minneapolis with her parents, Mr. and Mrs. W. T. Wold.

Mrs. Ozzie Nelson was a week-end guest in Grand Forks at the home of Miss Margaret Eisbrammer, formerly of this city.

ST. HILAIRE

GRINDELAND AT ST. HILAIRE

Judge Andrew Grindeland of Warren will speak at a picnic arranged by the Norwegian Lutheran church of St. Hilaire in the Simon grove on Sunday, July 4. Judge Grindeland is not only known as counsel of his activity in civic life but he is also one of the best known orators and speakers in this country. For years he has been a member of the Board of Trustees of the Norwegian Lutheran Church in America. This board has the management of all the real estate and funds of this great church body aggregating in the value of millions of dollars. He is also a member of the St. Olaf Corporation, which manages much of the business for St. Olaf college at Northfield. Among the properties of this corporation are 3 farms, stocked with some of the finest dairy and beef cattle in the state.

Being a man of experience, Mr. Grindeland can be a man with a message.

FB—Land Sale

Miss Anne Vik, daughter of Mr. and Mrs. Arne Vik of this city, became the bride of August Lundberg of Goodridge, Minn., at noon today, the wedding taking place on the bride's birthday anniversary. Rev. C. M. Grimarud officiated in the presence of the immediate relatives of the families. The bride wore a gown of powder blue georgette and a white picture hat, carried a shower bouquet of roses and lillies of the valley.

The bridesmaid, Miss Marie Vik, sister of the bride, wore a dress of rose color georgette and carried a bouquet of sweet peas. Arthur Vik, brother of the bride, was the groom's attendant. Immediately following the ceremony the wedding breakfast was served at the bride's home.

The couple will spend a few days at Northfield after which they will be at home in St. Hilaire.

Celebrate Golden Wedding

Mr. and Mrs. S. M. Hoff observed their golden wedding anniversary on Monday, June 7th, at their home in St. Hilaire with a family reunion and gathering of about seventy-five relatives and old friends.

Mr. and Mrs. Hoff were married in Grand Meadow, Minn., on June 7th, 1876, and moved to St. Hilaire in 1882, where they have since lived. Their family of nine children, five are living and were at home for the occasion. They are Mrs. Ole Lee and Martin Hoff of Little Fork, Mrs. C. Swanson and Hoffer Hoff of Minneapolis, and Selma, who resides at home.

Rev. C. M. Grimarud gave a talk and sang a song. Mrs. Hoff's brother-in-law and two of the grandchildren, Elmer and Linnea Swanson rendered "Mama" and "When Is Coming Home" by Edgar Guest. After the short program a five o'clock dinner was served to the guests. The table was beautifully decorated in green and white with a gold wedding cake for center-piece, and the bride's parlor was tastefully and gaily decorated for the table decorations.

Many beautiful gifts of silver and gold and considerable cash in gold pieces from friends and relatives were received by the bridal couple of fifty years ago.

Out of town guests were: S. M. Hoff, brother of Mr. Hoff and his wife of Stanley Falls, Minn.; Mrs. Thad Hoff, who was bridesmaid at their wedding fifty years ago, of Atlanta, N. D.; Mrs. S. H. Simonson, sister of Mrs. Hoff, of Grand Meadow; Mrs. and Mrs. T. J. Hoff of Grand Meadow; Mrs. P. S. Benedict and daughter Marie of Minneapolis; Mr. and Mrs. Sever Rustebakke, Mr. and Mrs. J. J. Weeks and Mrs. Clara Anderson of Thief River Falls; Mr. and Mrs. Wm. Zahs and son of Little Fork and Mrs. C. Swanson and children of Minneapolis.

Six O' Clock Dinner

A number of friends were pleasantly entertained at a six o'clock dinner at the M. Fricker home Sunday. The guests were: Mr. and Mrs. H. R. Allen, Mr. and Mrs. Wendell Corbett of Newfolden, Mr. and Mrs. G. Adolphe, Mr. and Mrs. Verner Nelson and daughter Clarice, and Bert Umland of Thief River Falls.

Attend Bible Conference

The fourteenth annual Bible conference of the Red River Valley Young People's Covenant which was held in this city June 17 to 20, was very well attended despite the bad weather conditions. Large numbers of people from the Swedish Mission Church and other congregations from Hallock, Roseau, Warren, Radium, Thief River Falls, and Stephen attended these meetings besides many young and old folks from this village and vicinity. Thursday afternoon and evening services, also the one on Friday forenoon at the church, weather conditions preventing the outdoor services in the large tent. Rev. Gust E. Johnson of the Swedish Tabernacle at Minneapolis, Washington, delivered the main addresses Thursday afternoon and evening and also at the tent on Friday, Saturday, and Sunday. Prof. T. W. Anderson, president of the Minnesota Academy at Minneapolis delivered inspiring talks on these evenings also. Sunday the largest crowd was in attendance and in spite of a heavy rain all day, the tent was filled to capacity. The Young People' Conference choir, consisting of members of the various congregations, sang at the meeting held in the tent Sunday afternoon. Out of town guests who attended the conference meetings were here due to the good arrangeiae of the housing committee. About fifteen ministers of the various churches were in attendance at the meetings. No definite place has been selected as yet for the next conference.

Surprise Party

Members of the Pleak River Class, Mrs. A. F. Nelson's Sunday School Class of the Swedish Mission Congregation pleasantly surprised Mrs. A. F. Nelson, at the church Wednesday evening, June 16th, the occasion being Mrs. Nelson's birthday anniversary. The surprise was planned in a manner during which impromptu refreshments were given by Rev. C. M. Grimarud and Rev. A. E. Nelson. Lunch was served at a late hour, the guests of honor were presented.

Bride-to-be Tendered Shower

Miss Anne Vik, daughter of Mr. and Mrs. Arne Vik of this village, was guest of honor at a shower given by John Felstad home Friday evening. Miss Anne will be married soon to Mr. Vik is to be a bride of this week. The following friends of Miss Vik were present: Mesdames: C. M. Grimarud, Lundberg, Wm. Zahs, Arne Vik, Hyland, F. E. Berg, G. Bakke, H. Berve, John Felstad and Misses, Anna Berve, Ingeborg Allen, Hazel Johnson, Helga and Amanda Kalland, Mable and Agnes Solberg, Edith Dale, Alma Engh, Eva Johnson, Gladys Gjestad, and Agnes and Lillie Vik.

Mrs. H. Jepson and children left Wednesday for Sioux Falls, So. Dak., where they plan on visiting with relatives and friends in that city and vicinity.

During the heavy wind storm Sunday evening large large trees were blown down. The attic of the Conkey residence was blown off, the roof of the M. Fricker home was torn off, and the electric wiring was torn down and the tent was somewhat damaged as well as a place where was in the tent at the time it blew down.

Mr. and Mrs. Arne Vik and daughter Anna autoed to Thief River Falls Monday to shop.

Mrs. C. Kruse, who lives west of town, spent Monday afternoon at the M. Fricker home.

MUST APPLY SOON

Farmers of Pennington county who wish to have their 1926 potato fields certified in Hallock Wednesday are asked to make application in the hands of County Agent J. J. McCann before July 1, according to information from the state department of agriculture. Applications as well as a small fee must accompany the application may also be obtained from the county agent. Applications to have fields certified their purposes in the best condition to get advantage when selling for seed purposes.

TO FOOL THE CUTWORM

In view of the fact that the cutworm is working hard in and he installing many plants, especially cabbage, it is well to give them a different type of food which will finish Mr. Cutworm. For garden purposes, take 1 quart of bran, 1 heaping teaspoonful of Paris Green and 2 heaping tablespoonfuls of molasses. This bait should be spread well over the ground around the plants late in the afternoon or early in the morning.

We Have Solved the Servant Problem

A FEW YEARS AGO a large percentage of our homes listed in their budget at least one servant and sometimes more. These were essential to perform the chores of house-keeping. The task was too great for one woman, especially if there were children to care for.

Today homes with servants are the exception, rather than the rule. However, today the housewife of very modest circumstances enjoys greater comforts than the wealthiest of twenty years ago.

The Smithsonian Institute tells us that every man, woman, and child now enjoys the equivalent of thirty slaves through the use of Electricity. That is, it would take thirty slaves per person to replace that which is being done by electric energy.

Electricity has solved the servant problem. The myriad of irksome household duties are disposed of in a twinkling by electrical servants. In the factories, production has leaped to undreamed of heights because of the availability of Electric power.

If you are not availing yourself of these servants, we would like the opportunity to show you how burdens can be lightened and efficiently increased.

Profits and the Employe

An employe of the Standard Oil Company (Indiana), who, under the first Stock Purchasing Plan, instituted five years ago, invested $1,000 of his earnings, received this year stock to the value of $2,150. Thus, the man who invested $1,000 realized a profit of $1,150.

—A safe investment, involving no risk, yielding a profit of 115%—that is the result of the financial opportunity offered by the Standard Oil Company (Indiana), through its first Stock Purchasing Plan, to each of its 20,000 employes —who had been in service for one year.

You will help in our effort to provide you with the best possible service by always hanging up the receiver when through talking and making sure that it is all the way down.

Standard Oil Company
(Indiana)
General Office: Standard Oil Building
910 So. Michigan Ave., Chicago, Ill.

Failure to Hang Up May Block Your Telephone Door

When your telephone receiver is off the hook, your "telephone door" is blocked and people calling cannot reach you.

If the receiver remains off the hook for 40 to 60 minutes the operator will conclude that your line is out of order and will switch it from the regular switchboard to the testboard for inspection.

During this time you will be unable to receive or make calls, thus causing inconvenience to yourself and those who wish to call you.

You will help in our effort to provide you with the best possible service by always hanging up the receiver when through talking and making sure that it is all the way down.

Co., wholesalers. Attend this FULLY ACCREDITED school and make your own services in demand. It takes but a short time and the cost is very reasonable. Enter any time. Catalog free. 1947

Hazel Farm Club Visits Northwest Farm Station

In spite of the rain Wednesday June 16, the Hazel-Wide-Awake club of Pennington county made their trip to the Northwest School at Crookston. Most of the program was carried out with the exception of the visitation of plots.

The Hazel club is one of the many clubs of the county which has accomplished a great deal of good for the community. It is one of the few community clubs of the state which are incorporated. A large hall is the property of the club. In addition to social features of the organization a great deal of cooperative buying and selling has been carried on.

That Pennington county is the home of alfalfa was evidenced by the acreage being raised by the members of the club. T. J. Sumpter, a pioneer booster for alfalfa, this year has 125 acres which he said is looking fine. Alfalfa and Guernsey cattle go well together said J. W. Denhart, president of the club.

While at the school last week four of the ladies reserved room for the Women's Camp which is held this week. These are Mrs. T. J. Sumpter, Mrs. J. W. Denhart, Mrs. C. J. Rose and Mrs. Eli Peterson. There are also others from Hazel and Pennington county.

The officers of the Hazel club include T. J. W. Denhart, president, are Frank Peterson, vice president, C. C. Rose, secretary, and Andrew Nyquist, treasurer.

About 150 were included in the group from the Cleveland Farmers' club of Plummer which visited the station June 18, headed by President James Gilbertson, Vice President John Hagen and Secretary Wm. Froiland.

GOODRIDGE

Mr. and Mrs. Wm. Murphy of Thief River Falls, accompanied by Mr. and Mrs. Moe and children of Wannaska, Minn., motored here Sunday evening to visit at the P. E. Berg home.

INTERESTING PROGRAMS AT LAG MEETING

(Continued from Page 1)

bank and Dreng Bjornaraa played a violin duet.

The evening closed with a contest in Interpretations of Norwegian folk dances, which proved a feature of the program. The contest, prizes for which were offered by local merchants resulted as follows: Scandals "gang-ar"—first prize, Turkish Twirl of Esther and Mrs. B. Bjornaraa of Wanke; second prize, Grieg's Norwegian Bridal Procession of Esther and Mrs. G. Shoneman of Esther; third prize—Sandar Herjaren and Mrs. Gunnard Halvorson. The prizes were awarded Mr. Askhus for "gangar" and Mr. Hammer for "Halling". Two of the men in the contest were more than 70 years old but showed unusual action in executing the various gymnastic parts of the dance.

Mr. Treit for the second time won the silver cup offered by the late Senator P. O. Thorson of Grand Forks. Judges in the contest were Ole Skredahl, Oklee; Ole Haaland, Erskine, and Ole Halvorson, Highlanding.

Mrs. Skredahl and Miss Gunnard Norseland, the latter of this city, were given gifts as a token of appreciation for while Miss Bergitt Noseland of this city was awarded a prize for her Halling dress.

Local business men and firms who contributed prizes are: Olaf Neset, Thief River Music company, Amann Clothing company, Hansen Furniture company, First National bank, R. Benson, A. M. Langseth, and Fiserik Shoe store.

Friday morning the program included talks by Mr. Bjornaraa and Mr. Askhus, with music by the violin-ists present, following which Ole Thiele-sen of Erie. The business session in the afternoon included the official convention, at which Mr. Gunnard Norseland read a poem composed by her-self. Mrs. Kvistad, Mrs. Bjornaraa and Mrs. Kvastad and Mr. Neset sang some folk songs. Mr. Bjornaraa extended an invitation to attend the Halling-Lag convention in Northwood, N. Dakota 25-27, at which Mr. Bjornaraa will be one of the principal speakers.

The feature of the entertainment Friday evening was the showing of Norwegian motion picture film shown at the Princess theatre by Carsten Wall, of Minot, noted Norwegian tenor who sang while the picture was accompanied on the piano by Mrs. Wallby of this city. The ten-reel film took the spectators on a trip thru Norway, three reels being devoted entirely to scenes in Ole Bornemann-dahl, Oklee; Ole Haaland, Erskine, and Ole Halvorson, Highlanding.

Mrs. Skredahl and Miss Gunnard Norseland, the latter of this city, were given gifts as a token of appreciation for while Miss Bergitt Noseland of this city was awarded a prize for her Halling dress.

SOCIAL ITEMS

Kellberg-Nelson

The home of Mr. and Mrs. John Kellberg of this city was the scene of a pretty wedding yesterday afternoon, June 30, when their daughter Miss Gladys was united in marriage to Ernest E. Nelson, son of Mr. and Mrs. C. W. Nelson of Hazlett. The ceremony took place at 2:00 o'clock in the afternoon, Rev. Walfrid Erickson of Hazlett reading the service in the presence of about twenty-five of the immediate friends and relatives of the family. The bridal couple entered the living room to the strains of Mendelssohn's March played by Mrs. H. A. Haugen, sister of the bride. The bride's dress was of white dat crepe, with a veil of tulle caught across the forehead by a band of orange blossoms, and she carried a shower bouquet of pink roses and lilies of the valley. She was attended by her sister, Miss Esther Kellberg, who was dressed in pink georgette and carried a bouquet of snapdrags and baby's breath. The groom was attended by his brother Edwin Nelson.

Peonies and roses adorned the living room, which was beautifully decorated in pink and white, summer flowers decorating the canopy.

Following the ceremony, a three-course dinner was served at the bride's home, after which the couple left on a wedding trip to Itasca Park and other points in the lake region.

The bride graduated from Ada local high school in 1921, since which time she has taught in the rural schools of Pennington county. The groom has since previously resided on a farm west of Hallock.

Eagan—Wick

Miss Hilda Eagan, daughter of Mr. and Mrs. Chris Eagan of this city, became the bride of Norman Wick of Winger, yesterday, June 30, at Crookston, Rev. Bowers, a friend of the groom, officiated. The bride wore a gown of white canton crepe carrying a bouquet of roses. The bridesmaid, Miss Mabel Kvaas, wore pink crepe, and wore a dress of pink crepe de chene. Mabel Wick, brother of the groom, was the groom's attendant. The couple rewards left the same day for Duluth and other points in the south, after which they will be at home in this city.

Gepper—Copp

Cards were received this week announcing the marriage of Miss Mildred Joseph Gepperd, daughter of Mr. and Mrs. Chas. Gepperd of Lake City, and Vernon G. Copp, son of Mr. and Mrs. Fred Copp of this city. The marriage was solemnized Friday in Winnipeg, from which city the couple left on a brief honeymoon trip. The bride, who was graduated as a nurse from the Lake City and Minneapolis General hospitals in 1922, is well known here having made her home all the Copp farm the last couple of weeks. Mr. Copp is a favorably known young man, a graduate of the local high school with the class of 1921, and has since attended the state university. They will make their home on the Copp farm.

Knutsen—Erickson

Miss Myrtle Erickson of Gatzke and Oscar Erickson of Holt were united in marriage Saturday, June 19, at the farm home of Rev. O. J. Raaum. The groom is a farmer in East Valley township.

Wedding Announcement

Invitations were issued this week by Mr. and Mrs. H. S. Dahlen to the marriage of their daughter, Miss Ellinor, and Anton L. Haraldson of Minneapolis. The ceremony will take place in the Trinity Lutheran church Wednesday afternoon at four o'clock, and will be followed by a reception at the Dahlen residence, 122 Maiden Avenue E.

Annual Lake Winnie Picnic

Mr. and Mrs. O. C. Sherbin and family were guests Saturday afternoon, June 26, at the annual picnic of the Lake Winnie Mission. Miss Alphild Svendahl of Crookston and Mandel Haug of Saint Ansgar, two young people prominently associated with the mission, were the speakers at the meeting, which was entertained by a program of music. A delicious dinner served at Sebo's hotel, and the whole affair will make their home in Saint Ansgar.

Shanedahl—Evenson

Announcements have been received here of the marriage of Miss Gunhild Shanedahl of Erskine to Edd Evenson of Hazel Run at Crookston last Thursday. The bride is known to many here having appeared in costume at the Scandia-Lag conventions in this city, both attending the meeting two weeks ago.

Mission Federation to Meet

The spring meeting of the Woman's Missionary Federation of the Thief River Falls circuit will be held in St. Paul's church, after which the couple left on a wedding trip to Itasca Park and other points in the lake region.

The bride graduated from Ada local high school in 1921, since which time she has taught in the rural schools of Pennington county. The groom has since previously resided on a farm west of Hallock.

Eagan—Wick

Miss Hilda Eagan, daughter of Mr. and Mrs. Chris Eagan of this city, became the bride of Norman Wick of Winger, yesterday, June 30, at Crookston, Rev. Bowers, a friend of the groom, officiated. The bride wore a gown of white canton crepe carrying a bouquet of roses. The bridesmaid, Miss Mabel Kvaas, wore pink crepe, and wore a dress of pink crepe de chene. Mabel Wick, brother of the groom, was the groom's attendant. The couple rewards left the same day for Duluth and other points in the south, after which they will be at home in this city.

Gepper—Copp

Cards were received this week announcing the marriage of Miss Mildred Joseph Gepperd, daughter of Mr. and Mrs. Chas. Gepperd of Lake City, and Vernon G. Copp, son of Mr. and Mrs. Fred Copp of this city. The marriage was solemnized Friday in Winnipeg, from which city the couple left on a brief honeymoon trip. The bride, who was graduated as a nurse from the Lake City and Minneapolis General hospitals in 1922, is well known here having made her home all the Copp farm the last couple of weeks. Mr. Copp is a favorably known young man, a graduate of the local high school with the class of 1921, and has since attended the state university. They will make their home on the Copp farm.

Knutsen—Erickson

Miss Myrtle Erickson of Gatzke and Oscar Erickson of Holt were united in marriage Saturday, June 19, at the farm home of Rev. O. J. Raaum. The groom is a farmer in East Valley township.

White—Rehrer

Miss Ina E. White of Cherokee county, Iowa, and Claire F. Rehrer of Falls county, were united in marriage at wedlock by Municipal Judge N. W. Tarrant at his residence Sunday.

Joint Celebration

The Ladies' Aid and Young Peoples society of the Bethania church will unite to give a joint celebration Saturday, July 3, to be held at the L. O. Nesseth farm, 7 miles east and 3 miles south of the city. Dinner will be served at noon and ice cream and other confections for sale by the program will be given in the afternoon.

Doctor Weds

Manchester, New Hampshire, Dr. Hazel Dexter, of Hazel Run at Crookston last Thursday. The bride is known to many here having appeared in costume at the Scandia-Lag conventions in this city, both attending the meeting two weeks ago.

Mission Federation to Meet

The spring meeting of the Woman's Missionary Federation of the Thief River Falls circuit will be held in St. Paul's church, after which the couple left on a wedding trip to Itasca Park and other points in the lake region.

The bride graduated from Ada local high school in 1921, since which time she has taught in the rural schools of Pennington county. The groom has since previously resided on a farm west of Hallock.

Eagan—Wick

Miss Hilda Eagan, daughter of Mr. and Mrs. Chris Eagan of this city, became the bride of Norman Wick of Winger, yesterday, June 30, at Crookston, Rev. Bowers, a friend of the groom, officiated. The bride wore a gown of white canton crepe carrying a bouquet of roses. The bridesmaid, Miss Mabel Kvaas, wore pink crepe, and wore a dress of pink crepe de chene. Mabel Wick, brother of the groom, was the groom's attendant. The couple rewards left the same day for Duluth and other points in the south, after which they will be at home in this city.

Gepper—Copp

Cards were received this week announcing the marriage of Miss Mildred Joseph Gepperd, daughter of Mr. and Mrs. Chas. Gepperd of Lake City, and Vernon G. Copp, son of Mr. and Mrs. Fred Copp of this city. The marriage was solemnized Friday in Winnipeg, from which city the couple left on a brief honeymoon trip. The bride, who was graduated as a nurse from the Lake City and Minneapolis General hospitals in 1922, is well known here having made her home all the Copp farm the last couple of weeks. Mr. Copp is a favorably known young man, a graduate of the local high school with the class of 1921, and has since attended the state university. They will make their home on the Copp farm.

Knutsen—Erickson

Miss Myrtle Erickson of Gatzke and Oscar Erickson of Holt were united in marriage Saturday, June 19, at the farm home of Rev. O. J. Raaum. The groom is a farmer in East Valley township.

Silverton Y. P. S.

The Silverton Young Peoples society will celebrate Sunday afternoon, July 4 at the Nels Burkerud home, two miles east of the Silverton church. Mrs. Buringrud and Mrs. P. Amundson will serve lunch. There will be a refreshment stand containing ice cream, "Pola pop," etc. There will also be a good program. Everyone is invited to attend and have a good time.

St. John's Picnic

St. John's Lutheran church will have their annual Sunday-school picnic Sunday, July 4, at Squaw Point.

Mrs. Dahlen Hostess to Aid

Mrs. H. S. Dahlen, vice president, succeeds Mrs. I. T. Rimley as president of the Ladies Aid of the Trinity Lutheran church, Mrs. L. H. Larson being named to take Mrs. Dahlen's place.

Birthday Party

Miss Vernice Helgeland celebrated her fourth birthday Tuesday, June 29, at her home, 506 LaPore Ave. N., thirty boys and girls being invited to participate in the affair. Games were played during the evening, and a tempting lunch luncheon was served.

To Y. P. Conference

Rev. E. H. Lorens will leave by car Monday for Fergusville, accompanied by Harry Hall, Bertha Hastad, Dorothy Haney, and Louise Roth, delegates to the Presbyterian Young Peoples' conference which convenes there July 5-11. Mrs. Hewelling, also a delegate to the conference, will make the trip by train.

Wylie Pastor Weds

Rev. Paul Burdorf, pastor of the German Lutheran church at Wylie, and Miss Stella H. Bleis of Bisbing were united in marriage at Bisbing last week.

Sunset Picnic

Miss Agnes Tandberg entertained at her home Tuesday evening in honor of her guest, Miss Marguerite Wilkinson of Detroit, Texas, formerly of Lake Falls and Crookston, having made the trip from Detroit by car.

Surprise Party

Members of the Hinkley-Dunk club gathered at the H. W. Praeseller home Monday night of last week in honor of the birthday anniversary of Helen and Jane Praeseller and Gretchen Simley. The hostesses were guests at a surprise party given by the Peoples' Fuel company. The bride is well known here, having graduated from the local high school in 1918, since which time she has attended school at St. Cloud and Berkeley, Calif., and has taught in the local high school both in this city and elsewhere.

Before her marriage several shower were given in Seattle for Mrs. Ryan at which time she was given by Miss Belle McKenzie, a former high school instructor here, who is now teaching in the Seattle schools.

For Texas Guest

Miss Agnes Tandberg entertained at her home Tuesday evening in honor of her guest, Miss Marguerite Wilkinson of Detroit, Texas, formerly of Lake Falls and Crookston, having made the trip from Detroit by car.

Surprise Party

Members of the Hinkley-Dunk club gathered at the H. W. Praeseller home Monday night of last week in honor of the birthday anniversary of Helen and Jane Praeseller and Gretchen Simley. The hostesses were guests at a surprise party given by the Peoples' Fuel company. The bride is well known here, having graduated from the local high school in 1918, since which time she has attended school at St. Cloud and Berkeley, Calif., and has taught in the local high school both in this city and elsewhere.

Before her marriage several shower were given in Seattle for Mrs. Ryan at which time she was given by Miss Belle McKenzie, a former high school instructor here, who is now teaching in the Seattle schools.

Mary of Christ Meeting

The Tabernacle Lutheran church east of the city will entertain the quarterly meeting of the Mary of Christ conference of meetings held Tuesday and Wednesday. The visiting ladies will be entertained by Rev. Rev. E. O. Sabo, the circuit pastor, Rev. C. M. Grinsvold of St. Hilaire, responding. Rev. A. T. Rasmussen of Gonvick will be the morning speaker and Rev. J. S. Tollefson of this city introduce the principal speaker, Elizabeth Meyer, president of the Redditch Mary of Christ conference in 1926. The local club will in turn present the key to Rev. Tollefson, the key to remain with that club. Gen. E. Sverre, having been instrumental in the organization of the club here. Dr. Oppegaard also addressed the meeting, Rev. Mitchell delivered an interesting address, which will be held in Crookston next month, the meeting including the ladies' aid open meeting on August 10 with Rev. Tollefson as principal speaker. All will attend.

The meeting place of the local club has been changed from the Soo cafe to Evelyn Lodal and meetings will be held in the future at Evelyn's.

Blind Bogey Match

Proceeds of $11.25 each and H. D. Chesmore were awarded two golf balls each as winners in the blind bogey match played at the local links Saturday afternoon, both getting the corrupt number, 81, with Kerr Dickson, Wm. E. Dahlquist took second honors and were each presented with golf balls each. V. E. Folman had the low score of the day, being 45 strokes for the 9 holes. Seventeen players participated. The course is now in excellent condition and a large number of fans are out there every day. Special events are planned for each Sunday.

St. Bernard's Guild will meet Thursday, July 8, in the church parlors. Lunch will be served as usual, by the following: Mrs. Math. Bertsch, Mrs. Ed. Kelly, Mrs. Ed. O'Hara, and Mrs. Jos. Schoonover. Each member is extended to the public.

Mrs. Alma Johnson of Badger arrived Monday to visit a week at the E. B. Jahn home.

CLUB NOTES

Crookston Betterment Hour: President T. Sparrow, Dr. C. Oppegaard, E. A. Stebbe and W. Jones of Thief River Falls were the guests of the local club at Monday's luncheon. Short talks, as Rotary is a "5 Sentences or Less" club, were made by Messrs. Oppegaard and Stebbe, the latter representing Thief River Falls with a "wonderful" boy given to Norman Black at the Thief River Falls hospital in 1926. The local club will in turn present the key to Rev. Tollefson, the key to remain with that club. Gen. E. Sverre, having been instrumental in the organization of the club here. Dr. Oppegaard also addressed the meeting, Rev. Mitchell delivered an interesting address, which will be held in Crookston next month, the meeting including the ladies' aid open meeting on August 10 with Rev. Tollefson as principal speaker. All will attend.

Mrs. Peter Nesbeck's farm, 2 miles east and 1 mile south of Thief River Falls Friday, July 2. Good buildings and a good location. Immediate possession. 22tf

Mr. and Mrs. Henry Doefal and children are expected to arrive here Sunday to visit a week at the Oscar Williams and Joe Dostal homes.

Mrs. Oscar Evenson and children returned to their home in Hibbing Monday of last week, after a week's visit at the C. M. Evenson home in this city.

Conrad Sund, a graduate of the local high school, has been engaged as teacher in the Bemidji high school during the coming year, according to the Bemidji Pioneer.

Mr. and Mrs. Marvin Larson and infant son returned to their home at Warren Friday after a week's visit at the Mrs. Ingvald Larson home and at the C. M. Svendahl home.

Mrs. Elmer Hjelle of Holt, who has been confined here at the Alfred Stene home, left Saturday for Forest River, where she has secured work employed there.

Mrs. Wallace, who was operated on for appendicitis at the Physicians hospital two weeks ago, returned yesterday to her home.

Ralph Shetler and Miss Inga Gulstad were quiet the week-end at the home of the latter's parents, Mr. and Mrs. A. Gulseth of Strathcona.

John Steinke of Wanke, who underwent an operation for rupture last Tuesday at the Physicians hospital is getting along nicely and expects to leave Saturday to make his return to his home next week.

Mrs. Anna Mobeck was a guest over the week-end at the Helge Clemmetsen home in Highlanding, returning Monday to her home in Hazel.

Miss Ruth Bingham, former high school instructor here, returned Friday to Manitou, N. Dak., where she is employed as a stenographer, after having visited a couple of weeks at the home of her uncle, O. F. Berge.

Mr. and Mrs. John Meier and daughter Elodie, Mr. and Mrs. Henry Meier and Miss Emma Meier left Friday of last week from Hibbdale, Minn., for Seattle, Wash., to visit friends and relatives in this city.

Peonies $1.00 per doz. and mixed bouquets 25c. Mrs. E. Zeh. Phone 22w

Rev. E. H. Krelit left Monday for Ortonville, Minn., where he will remain his home, stopping, Sioux, in Middle-ton, Minn., being his wife and children, who have been visiting with Mrs. Krelit's parents.

Mr. and Mrs. C. Stoholm motored to Grand Forks Saturday, visiting in Manvel before returning home Tuesday. They were accompanied by Mrs. Stoholm's sister, Mrs. Ingvira Holaiman of Clearbrook.

Loren Johnston and son Gordon motored to Crookston Tuesday, attending the 10th annual mid-summer fest. Mr. and Mrs. L. G. Larsen and daughter Alice, and Mr. and Mrs. J. E. Robinson of this city were also in attendance.

Mr. and Mrs. Horace Cotton of the Red Lake Falls Gazette motored through this city last Thursday on their way to Winger to attend the annual outing of the Northern Minnesota Editorial Association, of which Mr. Cotton is past president.

Mr. and Mrs. H. Hornaren motored here from Warke Tuesday. Mr. Hornaren returned Sunday, accompanied by H. O. Gerdsen of Plummer, from Northwood, N. D., where he spoke at a meeting of Halling-Lagvik lodges, No. 72,000 members.

Mr. and Mrs. V. C. Rogers of this city left last night for Fergus Falls, A. T. Gilbertson of Northwood, N. D., and Mr. and Mrs. Albert Gilbertson and son, Gordon of Hatton, N. Dak. On their return they were accompanied by Miss Viola Rogers who will visit at Northwood and Hatton.

Miss Ruth Vik and Mr. and Mrs. J. A. Steffenson of Strandquist, accompanied by Miss Charlotte Albee and Mrs. A. R. Vik of Aberdeen, S. Dak., shopped and visited with friends in this city Monday. Miss Vik is a former local high school student, and has been teaching school the past year in Aberdeen.

Word received of Walter D. Wolford of Grand Forks, former registrar with the LaSalle Extension University, Chicago, will be interested in learning that he was on Sunday united in marriage to Miss Olga Braaten, until recently assistant secretary of the Crookston Association.

Mrs. Robert Leichman, nee Lois Jobb, arrived last week from her home in Detroit, Mich., to visit her parents, Mr. and Mrs. I. M. Jobb.

Miss Pauline Engelhart returned to this city Monday evening from Park-er Prairie where she visited with friends the past week.

Mrs. A. P. Blomberg and Mrs. A. Anderson and daughter Hertha are Minneapolis visitors the first of the week. C. Gustafson home in this city.

Melvin Peterson returned the first of the week from Shelly, where he spent several days attending to business matters.

Fourth of July Dance Monday, July 5, at Ole Gerdrup's, 10 miles east of Thief River Falls. Music by Harvold Knutson's Orchestra. Lunch served. 27p

Miss Adlyn LaPree spent the week-end at her home in this city, returning Monday to Grand Forks, where she is employed as a stenographer in the Orchid Beauty Shoppe.

Mrs. M. Grenlund of the Northern Woodwork company had the misfortune of cutting part of the index on his left hand to saw Monday morning.

Mrs. Axel Jorgensen and Mrs. Andrew Larson returned to their homes in Goodridge Saturday after visiting for the Geo. Larson home in this city, and attending the funeral of Olaf Larson.

Mrs. Walter Krohn arrived Wednesday of last week from Minneapolis where she is employed in the city. Previously she was a delegate to the National Education Association convention which convened there.

Mr. and Mrs. Walter Celergren and daughter Ellin of Lake Park, Minn., arrived Sunday of last week to visit at the home of Mr. Celergren's brother, Mrs. Lena Lund, returning Friday, accompanied by Mr. and Mrs. Lund to visit a week in Minneapolis and Albert Lea.

Mr. and Mrs. Peter Eberhardt are spect their daughter-in-law, Mrs. Severin Eberhardt and two sons to arrive about the 4th of July. Mrs. Lund of Fargo to visit with her brother, Rasco, and other friends.

Martin Langseth, who has been visiting friends and relatives in this city for a couple of weeks, left Monday for Minneapolis to be employed. He was accompanied by Paul Amundson, formerly of this city, now of Minneapolis, who visited a few days.

Miss Avner Oftedahl, daughter of Mr. and Mrs. John Oftedahl of this city, will arrive Saturday from Fargo, where she is employed as stenographer, to visit until after the Fourth of July at the home. She will be accompanied by Mr. and Mrs. C. L. Jones, and Miss Norma, of Fargo.

Mr. and Mrs. Clarence Knudsen returned Saturday evening from a several days' tour to Duluth, Superior and points. Duluth, St. Croix Falls, Wis., the Twin Cities, Fergus Falls, Grantsville and Fargo. They report the crops as looking favorable throughout the territory traversed, better somewhere more promising than here.

Mr. and Mrs. Albert Johnson and two children, Robert and Rebecca, were in the city Wednesday, returning to their home in Hibbing after a short trip thru northern Minnesota. Mr. Johnson is a former local high school instructor and athletic coach, and Mrs. Johnson was formerly high school principal here.

Mrs. Ate Sapiro and daughter, Estelle Sapiro, accompanied by Mrs. Rose Sapiro and Miss Jeannette Shaffer of Minneapolis, motored here Tuesday enroute to Winnipeg where they will remain a week. Sapiro conducts a store in Hibbing, having moved there from this city several years ago, Mr. Sapiro operating a ladies' ready-to-wear store there similar to the one he owned here.

Ludvig Gullickson, assistant state attorney general, McKellar, talk of the Rural Credits bureau, were in the city Saturday on their return from a trip to Bemidji and Lake of the Woods counties, Mr. Gullickson expressed himself as well pleased with the way payments on loans are being made in this section of the state and said the prospects here are encouraging this year.

Edw. Vanderlaan of Rauk Rapids was in the city last Thursday night on his way to Winnipeg to attend an outing of the Northern Minnesota Editorial association, of which Vanderlaan was at one time associated with H. Z. Mitchell, now of Bemidji, in the publication of the Thief River Falls News-Press. Mr. Mitchell, former president of the state editorial association, also attended the Winnipeg meeting which closed Friday.

Miss Eileen Arctson arrived here Friday night from Minneapolis accompanying Mr. and Mrs. Harold Arctson who visited in the twin cities for a month. While here she was a guest at the Harold Arneson home, returning yesterday to Minneapolis, accompanying Mrs. Maude L. Johnson and Miss Lois Cook, making the trip by car. Miss Johnson, who will resume her duties as music director in the local schools next fall, will spend a good share of her summer vacation at the home of Mrs. Cook

A GREAT OCCASION

The Fourth of July has added significance this year on account of this being the 150th anniversary of the Declaration of American Independence and the commencement of the duties of its author, Thomas Jefferson.

More thought ought to be given to the meaning of the nation's birthday, because the celebration has come to be meaningless to a great many. Generally, the people—just an opportunity for a holiday and a chance to make noise. It is well to reflect upon what happened 150 years ago when men fought for the liberty and happiness which we now enjoy.

CASH VALUE OF EDUCATION

A university professor made a study of the lives of the graduates of his school in the light of their school training and arrived at the conclusion, which is unique to state, that a high school course has a cash value of $25,000 and a college course $72,000.

While we would not minimize the value of an education, it would be foolhardy for one past the school age to become discouraged by the monetary figures.

The article on average. No one should lose sight of the fact that a reading of wonder is popularly weighed for life from the standpoint of an educator, may be a very limited figure.

And men and women without any schooling of any consequence have attained great heights in life. This does not necessitate making wheat, corn or cotton secondary crops or to produce materially less of these, but to build up the manufacturer of south-side things—to create acreage in the major cash crops often may lead to increased yields by the use of more scientific methods.

Twin City papers reported that 100 armed men were tramping Lake of the Woods County looking for Reds, the Minneapolis naturizer. "A's a thing for fact, there were two men and enlarged upon stories and they were riding in an auto. But then the city dailies never did believe in diluting their information.—Baudette Region.

NORWAY'S EXPERIMENT

Norway has found modification a dismal failure. Norway had full prohibition, but after attempting to cope with the problem for many years, wine and light wine in the hope that the moral test for hard beer would be met. However, it was discovered that opening the door wherever for the illegitimate traffic in whisky and the consumption of whisky increased. The consumption of whisky rose by leaps and bounds with the result that prohibition was given up in line with the entire history of the Mason Cradle. The business was never known to obey any legal restriction except that imposed of any half-way or partial prohibition. The lesson tendency of the average citizen to evade and defy such law.—Watertown, S. D., Public Opinion.

"The announcement of an auto tour from New Orleans thru this city to Winnipeg in September is more than gratifying as to the value of the tourist trade to Thief River Falls. We are now enjoying but a small beginning to the great possibilities of northern Minnesota by southern people seeking pleasure for the summer. Some thru and stopping in this community at least many may be attracted by its advantages to establish a home.

Minnesota now has 95 cow testing associations, with an average membership of 26 farmers, and it is predicted that this will be more than 100 by early fall. Seven new associations have been formed this spring, five of them in the Red River Valley. The Pennington county association, the first in this section of the state, ought to be re-organized. It would help put the community in the front ranks as a dairy center.

Breaking away from the one-crop plan of farming usually means more strife methods and longer seasons of work. But it means getting farming on a business basis. This does not necessitate making wheat, corn or cotton secondary crops to produce materially less of these, but to build up the manufacturer of south-side things—to create acreage in the major cash crops often may lead to increased yields by the use of more scientific methods.

Twin City papers reported that 100 armed men were tramping Lake of the Woods County looking for Reds, the Minneapolis naturizer. "A's a thing for fact, there were two men and enlarged upon stories and they were riding in an auto. But then the city dailies never did believe in diluting their information.—Baudette Region.

THIEF RIVER FALLS TIMES

Now that the primary election is over, it is up to the voters to commend themselves with the qualifications of the candidates whose names will appear on the ballots in the November election. It is the duty of every conscientious citizen will make an effort to learn as much as possible about the aspirants for office before making a selection. Find out about the character of the candidate and what he stands for.

It seems that Pennington county is in need of one more of the few to the state which does not call its women citizens for jury service. In the opinion of many this is not as it should be. The women of Pennington county as well as other counties of the county are well-educated citizens and as such should be given the privilege of exercising this important duty of American citizenship. As members of juries women have proven themselves most capable, with keen judgment and conscientious fairness. They should be given a chance.

What had become of the good old-fashion day when pie used to get invited out for dinner—Fisher Journal.

PROCTOR PUBLISHER DIES

The newspaper fraternity this week mourns the passing of W. E. McKenzie, 68, Proctor and co-publisher of the Cromwell Daily Times Printing company, who died Monday at his home in Cromwell after a long illness from Bright's disease. He came to Cromwell in 1878 as an apprentice printer. He bought a print shop in 1885 and published the Cromwell Times as a weekly newspaper, changing it to a daily in 1901. His first newspaper was the St. Hilaire Spectator in 1882.

Completing Land Settlement

The land settlement in Pennington county tax money to be distributed among the various towns, township and school districts is being completed this week at the court house and will be announced in detail in next week's issue of The Times.

Not all ambitious men seek public office.

GENERAL KNOWLEDGE

"Jack," said the teacher, "what is a cape?"

"A cape is a piece of land extending into the water."

"That's right. Now, Jimmy, define a gulf."

"A gulf is a piece of water extending into the land."

"Ah, Hector," to a small, cognelooking little chap, "can you tell me what a mountain is?"

"A mountain," responded Hector, "is a piece of land extending into the air."—Japan Advertiser.

IN APPRECIATION

Although I did not receive the nomination for superintendent of schools I wish to thank my political friends who stood by me in the recent election. I am grateful for the support which I received.

The indorsement of Supt. Sande, by the Teachers' Progressive League appeared once in both the Tribune and the Times. In the Tribune it contained my signature. I wish to have it distinctly understood that I did not sign the indorsement nor did I authorize anybody to use my name on it.

I hope that at the general election you will stay by all the candidates who have been nominated by the principles of the Farmer-Labor Party.

S. G. Tharaldson.

To the Voters of Commissioner District No. 1:—

I wish to express my appreciation for the support given me in the primary election. Your continued support and vote in the general election in November will be appreciated, and if elected, I promise to serve the people of my district and the county as well to the best of my ability.

C. T. THOMPSON,
Goodridge.

FEEDING DAIRY DURING SUMMER

Milk is considered as the ideal food for young children. It should be carefully guarded during the warm summer months to insure its freedom from germs or bacteria that might cause harm to the child. Because of the nature, it is under certain conditions, a breeding and propagating ground for germ life and may even become unfit for use unless it is handled with the utmost care and sufficient energy the dead way to obviate this risk is through the use of evaporated milk. This milk is early pure milk, with sixty per cent of the water removed from it and is absolutely sterile. It is put up in hermetically sealed cans and can be modified by the addition of water, which is always free from bacteria or germs, with a greatly enhanced food value.

Evaporated milk is sterilized and has a high nutritive content. This concentrated milk is an excellent food for the young child and the infant. In fact, many of the leading pediatricians of the country advocate its use after the child is deprived of its mother's milk. A formula evolved by many pediatricians, through experimentation, is as follows:

From Sixth Week to Third Month.

Milk, evaporated	3 ounces
Lime water	3 ounces
Milk sugar	1 ounce
Boiled water	16 ounces

From Third Month to Fifth Month.

Milk, evaporated	7½ ounces
Lime water	3 ounces
Milk sugar	1 ounce
Boiled water	20 ounces

Give feedings in twenty-four hours as follows: Seven feedings of 4 to 5 ounces at three-hour intervals during the day and a feeding at 10 p. m.

From Fifth to Seventh Month.

Milk, evaporated	10 ounces
Lime water	3 ounces
Milk sugar	2 ounces
Boiled water	30 ounces

Give feedings in twenty-four hours as follows: Seven feedings of 6 to 7 ounces at three-hour intervals during the day and a feeding at 10 p. m.

From Seventh to Ninth Month.

Milk, evaporated	12 ounces
Lime water	3 ounces
Milk sugar	3 ounces
Boiled water	36 ounces

Give feedings in twenty-four hours as follows: Seven feedings of 7 to 8 ounces at four-hour intervals during the day. Last feeding at 10 p. m.

From Ninth to Twelfth Month.

Milk, evaporated	15 ounces
Lime water	3 ounces
Milk sugar	3 ounces
Boiled water	40 ounces

Give feedings in twenty-four hours as follows: Five feedings of 8 ounces at four-hour intervals during the day. Last feeding at 10 p. m.

A LINE O' CHEER

By John Kendrick Bangs.

WORDS.

WORDS written word hath potency supreme
To lift the soul of man from depths of woe
Up to the pinnacle of freedom where
He seems to touch the stars, and find the gain
That comes to him who triumphs over pain,
And to the dominant words of all
The richest blessings of our days is combined.
For what is sweeter in these days of strife
Than cheer, and hope, and love, and faith, and life?

(© by McClure's Newspaper Syndicate.)

SOW THISTLE ERADICATION

Sow thistle can be controlled by crop rotation and good farming methods. Sweet clover and alfalfa, live-stock and thorough tillage are eliminating losses from noxious weeds and increasing yields of grain. Such is the experience of progressive farmers of Kittson and Pennington counties, whose methods of controlling sow thistle recently were investigated by the Northwest Station.

Among the thirty-five farmers visited only two stated that they found the perennial sow thistle extremely difficult to control. Sweet clover and alfalfa used for pasture and hay, pasturing with sheep and cattle, and early fall plowing are very effective, according to farm operators interviewed. Summer plowing and cultivation, and summer fallow followed by rye are practiced successfully on many farms.

"We plow sow thistles down in June or just as soon as they begin to bud," states Ed. Peterson, president of the Kittson county farm bureau. "Cultivating at intervals during the remainder of the season completes the job." J. V. Price, a very successful Pennington county farmer prefers the spring-tooth cultivator on sow thistle fields, as it brings the horizontal roots to the surface where they are killed by drying.

"Alfalfa, sweet clover, and Canada peas," is the solution to the sow thistle problem given by Paul Engelstad, of Pennington county. "Instead of sowing grain on every available acre, we have seeded about half of our farm to alfalfa and sweet clover. On the other half, by using a crop rotation and giving more attention to tillage, we grew as much grain as we used to get from the entire farm."

Dr. and Mrs. H. W. Froehlich and son, William, left this morning by car for Waukesha, Wis., where Mrs. Froehlich will visit while the doctor spends two weeks at the Wisconsin state capital. Mrs. Dr. Froehlich is a lieutenant in the reserve medical corps of the 87th Field Artillery and has been ordered out for training at Sparta, Dr. Froehlich, responding to Dr. Irving Hjornarson and Rev. E. H. Lorenz motored to Sparta Sunday morning to get his son, William, who spent three weeks at the military camp there, where he was awarded the Life Scout badge.

KNOX SIXTH GRADE WINS

(Crowded out last week)

One of the most interesting, as well as hard fought contests in spelling, took place Tuesday, June 8, when the Knox auditorium between the Washington and Jefferson Knox Sixth grades.

The program opened at 2 p. m. with a song, "My Kentucky Babe," by the Knox girls.

Two from each grade drew a number to determine who should open the contest. It resulted in the Washington 21 against the Knox 20 pupils.

The contest lasted one hour. Verna Brandon being the last contestant to go down in defeat. Verna, aided while the Knox had five contestants still standing, Vandla Johnson, Ruth Cronkhite, Lucile Bowers, Bernice Berge and Vandla Wallen.

Intermission of five minutes was taken, this being followed by an octette, "Sympathy," by boys and girls of Knox. Then the battle between Washington and Knox for 30 pupils began in earnest. This contest lasted for forty minutes, Lloyd Ireland being the best speller for the Knox boys.

As the contest progressed, the number of contestants grew less and less until finally only Ruth Cronkhite and Vandla Johnston were left on the Knox side and Fern Barnett was the lone representative of the Northrup.

Then Ruth went down, and the contest lay between Fern and Vandla. Finally Fern went down and Vandla was declared the winner of the contest.

It seemed to be the reward which Vandla well deserved for she had a perfect record in spelling for the entire nine months.

One hour and forty minutes of continuous spelling proves that there were many good spellers in all three grades and we are very proud of their ability in that line.

We are pleased with the record the Knox has made this year. They not only excelled in the spelling contest, but in the W. C. T. U. contest for first and second prizes in Alcohol science booklets were carried off by Ruth Cronkhite and Vandla Johnston, 1st and 2nd and 3rd prizes in Alcohol or Tobacco posters won by Bernice Berge and Lenore and Phyllis Zeller, ner, while the 4th grade carried off 1st and 2nd prizes in booklets. Gerald Hume and Lucenda Kuwka being the winners.—Sarah F. Vaughan, teacher.

LAND DEALS

A deed was filed with the register of deeds June 22 by Mr. and Mrs. Peter Amundson and Mrs. Ida Nelson for the sale of their 80-acre farm in Rocksbury township to Robert Hamdorf, consideration given is $2,000. Deed was filed the same day for the sale of a quarter section of land in Hickory landing township by Robert Hamdorf of Fargo to John M. Peterson of Glyndon. Fourteen acres near the waterfront has been sold by Susan Cochrane to Mrs. Elrath C. Crewe, according to a deed filed June 14, Fred D. Lorentson reports.

HAY MARKET PROSPECTS GOOD

Farmers of this district should put up as much hay as possible this year, according to Manager B. O. Norgaard of the Thief River Valley Cooperative Poultry association, which will again market hay for farmers here on the co-operative plan. The market looks favorable, Mr. Norby points out, if moisture continue a shortage in many sections.

SHOWS NORWAY PLAN

More than 150 persons saw a most beautiful exhibit of baking pictures from all parts of Norway at the Pythian Sisters dance Tuesday night, the film being presented by L. Selvig of Glyndon. Fourteen beautiful scenes from as far north as North Cape and Hammerfest to Trondhjem and Telemarken, where two great power stations produce 100,000 horse power.

Charles H. Chamberlain

Charles H. Chamberlain of Galesburg, Ill., who has visited here several times, died Friday, June 18. He was board the steamship Mauretania but before it docked at New York died of a world cruise; it was learned from Mrs. Chamberlain, the former Fay Pratt of Crookston, who visited in the city Friday. Mr. Chamberlain was interested in piano here about six years ago. Mr. Chamberlain was 72 years old at the time of death, which was caused by pneumonia. In recent years he had done much traveling thruout the world.

A steady beau is the one she can make feel shaky.

June 24-July 1-8

CALL FOR PLANTING BIDS

Notice is hereby given that independent School District No. 56, Thief River Falls, Minnesota, will open planting bids at 7:30 o'clock p. m. July 13th, at their regular meeting at the school house in said district for the following planting bids as listed below. Bids are to be listed separately, and the board reserves the right to reject bids in full or in part.

Project No. 1:—

To plant with one crest rising and two rests of good grade paint the following rooms in the Lincoln building: Room No. 201; room No. 203; one principal's office; and the walls of the freshman hall from the mainland up to the east railing, a point about five feet from the floor.

Project No. 2:—

To paint the window sashes and storm windows two coats with good grade exterior paint and to buff the windows in the Lincoln building.

Project No. 3:—

To paint with two coats the brick exterior of the Washington building, as to the exterior woodwork of all windows and exterior sashes.

Information concerning all the above work may be secured from Fred Holzknecht at the Lincoln building or Orfin Mr. E. O. Bluemers at his home. Address all bids to Mrs. Frances R. Larsen, Clerk.

E. O. BLOOMENSEN, President.
FRANCES R. LARSEN, Clerk.

Card of Thanks

I wish to express my sincere thanks to all who contributed flowers and also those who rendered assistance at the funeral of my beloved husband. Especially do I wish to thank Rev. S. L. Tallakson.

Mrs. Herman Berndt.

227c

Card of Thanks

I wish to extend to all my old and new friends and neighbors of Marshall county my sincere thanks for the generous support and votes given me in the primary election, June 21st, for the office of Representative of the 67th Legislative District.

If I am elected Nov. 2nd, I shall endeavor to the best of my ability to truly represent the principal interests in the Legislature.

Sincerely yours,

J. D. Mallery

Steiner, Minn., June 28, 1926. 227

Finally Knows His Name

"In the old days a man had to be engaged before he ventured to address a lady by her first name."

"Well?"

"But now frequently a girl never knows the gigolo's last name until they apply for the license."

Wouldn't Forget

First Traveler—What are you writing down?

Second Traveler—I'm making a note of a few things that have made an indelible impression upon my memory, so that I shan't forget them.

Fire completely destroyed the Strandquist Farmers elevator Wednesday of last week.

POSITIONS OPEN FOR "DAKOTANS"

No job-hunting, no long climb to bring wages as popular Dakota Business College, Fargo. Students keep regular 8-hour day, practice real business in fully-equipped offices, begin work with experience, and at good salaries. (Copyrighted course—unobtainable elsewhere.)

Before finishing her course, Elvira Nelson was placed with Fiske & Automobile Co. Cleaned another for Thies. Lybeck was engaged as accountant by Lane R. E. & Inv. Co.

Watch each week. "Follow the Successful." Summer School Monday. Write F. L. Walker, Pres.

Blanche, Mary and Harvey de Cathlieneau motored to Rockston Saturday. Upon their return they were accompanied by their mother, Mrs. Louis de Cathlieneau who recently underwent an operation at the St. Vincent hospital.

ROSEWOOD

Farmers' Club Visits A. C.

A company comprising 14 autos and about 60 persons of members and friends of the Rosewood Farmers' club spent Wednesday on invitation at the Northwest Experiment at Crookston. The company started from Rosewood at 9 o'clock in the morning the road taken via Red Lake Falls and Fosston, 8 miles into Crookston where the company arrived in time for picnic dinner which was brought along and free coffee and cream was served at the campus. Following dinner E. G. Selvig, president of the school, addressed the visitors briefly, and expressed his appreciation of the interest taken, and spoke for a few minutes on the history of the school. Its purpose, aim and accomplishments, and views of the future, and introduced to the visitors Professors McCall and Clark who during the afternoon acted as chaperons to the visitors, and conducted them through the various experimental procedures of live stock, poultry, grain, seeds, horticulture, sugar beet crops, flowers, etc. The ladies were taken charge of by a woman instructor and a very interesting home demonstration service was given them through all the girls' dormitory. Following this at the boys auditorium a short program was given by the girls' glee club and a reading by Miss Lilly Halsen spent several days at Rosewood last week as guest with Mr. and Mrs. Sam Lee and other relatives and friends.

The Rosewood Farmers club met at regular meeting Saturday evening. There was no program and the evening was devoted exclusively to dancing.

Alec Hellquist and Clara Sorenson, who have managed look places at Duluth the last week where they have both been employed last year, arrived here Monday and will visit friends at Thief River and at Rosewood for a week.

John Madsen is constructing a new boat building on his farm northeast of Rosewood.

Mrs. Sam Lee and children from Newfolden visited for several days at the Carl Mellem home the latter part of the week.

The Want Ad department of The Times is the "Bargain Counter" of the community.

GOITRE

Completely Relieved for Wisconsin Lady, Says Simple Home Remedy Is Wealth Was Invented. A Booklet Free.

Mrs. Wm. F. Jones, Hartlan, Wis., says she suffered from goitre for a long time was, in a short time, relieved of her ten rible affliction by a simple home remedy explained in her booklet. Anyone writing Mrs. Jones, Box 1, Hartland, Wis., will receive a free copy of her booklet by return mail.

Fourth

Carl Ranum left on Thursday with his team for Viking where he will be employed at road construction this summer.

Bjarni Ranum became very ill while at Crookston last week, but is improving nicely.

Bridal Ladies aid at the home of Mrs. John Ranum on Tuesday afternoon, July 6.

The Rosewood Shipping association will ship mixed stock from Rosewood to Saturday, July 10.

Mrs. H. Helle returned Monday evening from a visit in Warren.

Mr. and Mrs. A. C. Vereth and daughter, Elsie and Miss Hladya Segerstrom spent Sunday with friends at Middle River.

Mr. and Mrs. A. M. Gulleth motored to Rosewood on Sunday to visit with a brother in Mr. Gulleth. We hear that Rosewood county is very much suffering from excessive rains.

Mrs. Erickson and sons, Lewis and Clarence from Erskine were Sunday visitors at the home of Mr. and Mrs. Jens Mellem.

Over the Hills and Away!

In your own car with the carefree spirit of youth! Take to the open road—where skies are sunny and winds are fresh. Choose your way with care or take any road that lures you. You will stumble on adventure—romance will trip up up before you've gone ninety miles. For your Middle West is a fascinating wonderland of never-ending thrills.

Here's a hint of what it holds!

1—The county without a railroad—high, rocky northeastern Lahrum County, the greatest apple country in Illinois. On a long, ragged peninsula between the Illinois and Plainsipee Rivers. Not far from Alton, State Highway No. —.

3—Joy Cooke State Park, Monroeta, in the valley of the St. Louis River. Rugged mountain-and-pine scenery. Hilton, Iowa—Interlaken on State Highway No. 1.

3—The Hanging Tree, Versailles, Indiana, formerly used as a gallows for hanging criminals. On a variety of great, historical interest. State Highway No. 6 from Indianapolis.

4—Valley City, North Dakota, set like a jewel on the Cheyenne River with beautiful trees and a great viaduct spanning the valley 140 above the river. State Highway No. 1.

5—The great dam at Keokuk, Iowa, a marvelous feat of engineering skill. Bituminol River Scenic Highway No. 1.

6—Deadwood, South Dakota, famous in the history of frontier life and still next to the sunshine, western hospitality, and gold products. Custer's "Wild Bill" and "Calamity Jane" overlook the city. State Highway No. 85.

7—Lawrence, Kansas, the scene of the famous Quantrell Massacre of 1863. Red State Route No. 32.

8—Alley Spring State Park, Missouri. The spring flows from the bottom of a rocky cliff forming a deep, clear blue lake. Typical Ozark scenery. Sixteen miles north of Birch Tree, Missouri, State Highway No. 16.

9—Elk Lake in the heart of Northern Minnesota's woods, chosen country of hunters and fishermen. State Highway No. 11.

10—Monument at Portage, Wisconsin commemorating the famous first portage from the Fox to the Wisconsin in 1673 by Father Joliet and Father Jacques Marquette on their voyage of discovery toward the Mississippi. State Highways No. 10 and No. 33.

Make out your own wonder list of places near you—and set out to find them. There is nothing to stop you. Roads are good and Red Crown Gasoline is easily obtainable everywhere throughout the entire Middle West.

All nature will speed you on your way as you travel new paths of beauty. Fill the tank with Red Crown — and you're off.

A Good Name

• • priceless ~ *and therefore* jealously upheld

It is well known that the name DODGE BROTHERS is even more valuable than the vast works in which their product is built.

DODGE BROTHERS have kept the faith, and implicit public confidence has been their reward.

Year after year the car has continued to mature into a better and better product.

Beauty has been added to dependability, comfort and silence to beauty. Endless refinements have been made; and the quality of every detail either maintained or improved.

The result is a name that is altogether worthy of the remarkable public trust it inspires, and too priceless ever to jeopardize.

Who Wants Higher Taxes?

Ask the question, the answer will be "NOBODY."

However, in the past decade the rapidly climbing cost of government has annually called for more and more funds from the taxpayer. This is a tremendous burden and any assistance in carrying the load is appreciated, no doubt.

The Electric Light and Power Companies are among the heaviest taxpayers of the country, and are carrying a good part of this heavy burden of government.

These figures are interesting!

According to latest federal census, Electric Light and Power Companies paid $6.80 in taxes out of every $100 of their entire income. This was greater than any other public utility.

For each $100 which the Light Companies had invested, they paid $2.24 in taxes. Those figures are for 1922, the last covered by federal census, and indicate that the amount of taxes paid were $73,773,000. It is estimated that in the last year these same companies paid $150,000,000 in all forms of taxes. This amounts to $8.00 per family.

If all of these plants in the United States were publicly owned it would mean that every family would have a tax boost of $8.00 to make up the deficit created by cutting off the present source of income.

Over the Hills and Away!

In your own car with the carefree spirit of youth! Take to the open road—where skies are sunny and winds are fresh. Choose your way with care or take any road that lures you. You will stumble adventure—romance will trip you up—before you've gone many miles. For your Middle West is a fascinating wonderland of never-ending thrills.

Here's a hint of what it holds!

1—The county without a railroad—high, rocky peninsular California county, the greatest apple-county in fifteen. On a lone rugged peninsula between the Illinois and Mississippi Rivers. Not far from Alton, State Highway No. 3.

2—Jay Cooke State Park, Minnesota, in the valley of the St. Louis River. Rugged country and pine forests. Fifteen miles from Duluth on State Highway No. 1.

3—The Hanging Tree, Versailles, Indiana. Formerly used as a gallows for hanging criminals. In a wooded hill-top cemetery. Interurban, State Highway No. 6 from Indianapolis.

4—Valley City, North Dakota, on like a jewel on the Cheyenne River with beauty lures and a great skiing opening the valley high above the river. State Highway No. 10.

5—The great dam at Keokuk, Iowa, a marvelous feat of engineering skill. Mississippi River Scenic Highway No. 1.

6—Badlands, South Dakota, famous in the history of frontier life and still more for sunshine, western hospitality and gold production. Custer Trail Highway No. 2 and Yellowstone Park-Lincoln Highway No. 30 overlook the city. State Highway No. 25.

7—Lawrence, Kansas, the scene of the famous Quantrill Massacre of 1863. Red Star Route No. 22.

8—Alley Spring State Park, Missouri. The spring issues from the bottom of a rocky cliff forming a deep, clear blue lake. Typical Ozark scenery. Sixteen miles north of Birch Tree, Missouri. State Highway No. 19.

9—Elk Lake in the heart of Northern Michigan's woods, chosen country of hunters and fishermen. State Highway No. 11.

10—Monument at Portage, Wisconsin commemorating the famous first portage from the Fox to the Wisconsin in 1673 of Louis Joliet and Father Jacques Marquette on their voyage of discovery toward the Mississippi. State Highways No. 10 and No. 33.

Make out your own wonder list of places near you—and set out to find them. There is nothing to stop you. Roads are good and Red Crown Gasoline is easily obtainable everywhere throughout the entire Middle West.

All nature will speed you on your way as you travel new paths of beauty. Fill the tank with Red Crown — and you're off.

Buy Red Crown at Any Standard Oil Service Station and at Most Garages

ST. HILAIRE

Lindquist-Rivers

Olga Lindquist, daughter of Mr. and Mrs. Charles A. Lindquist of Black River, was married to William Strouts of Crookston, Sunday, June 27, Rev. A. A. Nelson of this village read the wedding service in the presence of immediate relatives.

The bride is well known in this community, having attended school for a number of years in this village. For the past few years she has been engaged in teaching.

After the ceremony, Mr. and Mrs. Strouts left for their summer home at Maple Lake. During the winter they will make their home in Minneapolis.

We have circle of friends in this community Min in extending congratulations.

Ice Cream Social

The young people's society of the M. E. church of this village are giving an ice cream social at the Carl Fellows building Thursday, July 22. A fine program has been arranged. Rev. J. T. Dixon, pastor at Thief River Falls will give an address, following which ice cream and other treats will be served. All are cordially invited to attend.

Mrs. O. W. Rork and son William spent Tuesday with Mrs. Rork's parents, Mr. and Mrs. Frank Forks for a brief visit with relatives, returning home the following morning. They were accompanied by Mrs. Jess Almquist and children Alden Woodrow and Olive Rork, who will visit with them in Grand Forks for about 2 weeks.

Mr. and Mrs. C. F. Fellman and Mildred Fellman accompanied by Mrs. Carl Johnson and son left Thursday to go to Fargo for a visit with relatives and friends. Mrs. Johnson and Mrs. Fellman returned home Monday then were accompanied by Miss Thelma Fellman who will visit with Mrs. Milton Schantzen, of Minneapolis.

Mr. and Mrs. Oscar Carlson and children arrived Tuesday from Iron River, Mich., for a visit with relatives and numerous friends here for about a week after which they will visit other relatives in the iron range district. Mr. and Mrs. Carlson were formerly of this village, having left for Michigan two years ago. Mr. of the latter secured a very good position with a mining company.

Mr. and Mrs. Henry Meier of Star City, Sask., Canada, and Mr. and Mrs. John Meier and daughter of Hillsdale, Sask., Canada, came Wednesday for a visit at the M. Fricker home, and also relatives at Thief River Falls. John and Henry Meier are brothers of Mrs. M. Fricker.

Enroute for their home at Warren after spending the day at Maple Lake Mr. and Mrs. Henry Peterson and children, Alice, Stella and Lillian, spent Sunday evening at the Ed. Peterson home. Lillian remained to spend a few days at the Peterson home.

Mrs. G. Adelsea accompanied by Mrs. Verner Nelson and daughter Clarice spent Wednesday afternoon at the Mike Fricker home.

Mr. and Mrs. Ray Howe motored up Tuesday evening from Barley for a brief visit at the relatives returning home the following morning. They were accompanied home by Mr. and Mrs. P. J. Hauge and Mrs. Otto Johnson, who have visited with them and with relatives at Goodrich.

Mr. and Mrs. Joe La Plante motored to Fargo Thursday for a visit with relatives returning home Friday.

Miss Anna Rosberg of Hanley Falls, arrived Monday to visit at the home of her sister, Mrs. Chris Urdahl.

ROSEWOOD

Farmers' Club Visits A. C.

A company comprising 14 autos and about 60 persons of members and friends of the Rosewood Farmers club spent Wednesday on invitation at the Northwest School at Crookston. The company started from Rosewood at 9 o'clock in the morning the route taken via Red Lake Falls and Fisher, road 8 into Crookston where the company arrived in time for picnic dinner which was brought along and free coffee and cream was served at the campus. Following dinner S. G. Sellin, president of the school, addressed the visitors briefly, and expressed his appreciation of the interest taken, and spoke for a few minutes on the history of the school, its purpose, aim and accomplishments, and views of the future, and introduced to the visitors Professor Hudson and Shaw who during the afternoon acted as chaperons for the visitors, and showed them the various experimental procedures of live stock, poultry, crops, roads, horticulture, grasses, root crops, flowers, etc. The ladies were taken charge of by a woman instructor and a very interesting home demonstration exercises was presented at the girls' dormitory. Following this at the boys auditorium was given a free all around exhibition of the various work of both departments, the stories were not for enough, delivered to such a distinction.

Mr. Sellin had arranged a plot of land that had been seeded to corn for fourteen consecutive years, which showed no apparent lack of vitality. The fullest indication of the possibilities of rich possessions of natural nitrogen in sour-Red River valley soil, was shown that corn can be very profitable used in the crop rotation. Experiments were carried on with several commercial fertilizers having common chemical content, and the results on the market plots were very evident. The day was very interesting, helpful and well worth spending, and the visitors returned home very happy in the evening.

Emil Hillquist, who is employed at Red Lake Falls at Chicago, Minneapolis & Northern railway, met with a very painful accident the latter part of the week, when a [illegible] to get over all the effects before the

Yes! Crushed Pineapple, too, under this dependable label

A Good Name

priceless ~ and therefore jealously upheld

It is well known that the name DODGE BROTHERS is even more valuable than the vast works in which their product is built.

DODGE BROTHERS have kept the faith, and implicit public confidence has been their reward.

Year after year the car has continued to mature into a better and better product.

Beauty has been added to dependability, comfort and silence to beauty. Endless refinements have been made; and the quality of every detail either maintained or improved.

The result is a name that is altogether worthy of the remarkable public trust it inspires, and too priceless ever to jeopardize.

Who Wants Higher Taxes?

Ask the question, the answer will be "NOBODY."

However, in the past decade the rapidly climbing cost of government has annually called for more and more funds from the taxpayer. This is a tremendous burden and any assistance in carrying the load is appreciated, no doubt.

The Electric Light and Power Companies are among the heaviest taxpayers of the country, and are carrying a good part of this heavy burden of government.

These figures are interesting:

According to latest federal census, Electric Light and Power Companies paid $6.80 in taxes out of every $100 of their entire income. This was greater than any other public utility.

For each $100 which the Light Companies had invested, they paid $2.24 in taxes. Those figures are for 1922, the last covered by federal census, and indicate that the amount of taxes paid were $73,773,000. It is estimated that in the last year these same companies paid $150,000,000 in all forms of taxes. This amounts to $8.00 per family.

If all of these plants in the United States were publicly owned it would mean that every family would have a tax boost of $8.00 to make up the deficit created by cutting off the present source of income.

Minnesota Electric Distributing Co.

ROSEWOOD

wagon he was driving refused to dump and went over a culvert, badly spraining his right shoulder and arm. Medical aid was sought immediately and his arm was bandaged, but there was no dislocations and with proper care, will heal in a short while. He spent the week end with relatives at this place.

Mrs. John Berglund and son Leonard from Strathcona are visiting this week at the Mr. and Mrs. T. Mellem home.

Mrs. Johanna Nyhus from Thief River Falls spent the week end here visiting among friends and old time neighbors.

Professor J. Nordberg from Fargo gave a very interesting speech at the Rosewood church north of town on Sunday.

Albert Stenerslen arrived here from Minneapolis for a visit with his parents, Mr. and Mrs. Peder Stenerslen.

John Stone accompanied by his son and a friend from Greenbush motored up from Fosston on Saturday and spent the day here making arrangements with the belongings of Sivert Johnson who died last week.

The Oscar Blomberg and Dave Mesbek families motored up from Greenbush on Sunday to visit at the Ole Blomberg home. They returned the same evening. Mrs. Oscar Blomberg remained here for some time as guest of Mrs. Dave Mesbek.—Reporter.

Miss Lilly Nelson spent several days the latter part of the week visiting with Mr. and Mrs. Sam Lee and other relatives and friends.

Mrs. Swenson of this place accompanied by Mr. and Mrs. Sam Lee and Mrs. Ole Blomberg motored to Shelly on Saturday where the Lee's will visit until Monday at the home of Mr. and Mrs. Ole Lee. Mrs. Swenson will go from Shelly to Fergus Falls where she will remain until Mrs. Swenson is ill at that place having suffered a stroke of paralysis the last week.

Henry Johnson, who is employed at the Gullickson farm at Chicago, motored up last Monday together with Felix Anderson, who will spend a few days vacationing at the home of the former's parents, Mr. and Mrs. August Johnson.

Mrs. August Schultz and daughter, Delores and Minnie from Fertile Prairie are visiting this week at the Fred Schultz, Schultz's parents, Mr. and Mrs. F. G. Dolp.

A. S. Grytdal has purchased a Ford Sedan from the Reliable Motor Co. He the last week with a severe attack of tonsilitis, but is somewhat improving and is making a desperate fight over the attack.

Carl Ranum left on Thursday with his team for Viking where he will work. Emil Ranum will spend the summer.

John Ranum became very ill while at Crookston last week, but is improving nicely.

Ethel Eadies slid at the home of Mrs. John Ranum on Tuesday afternoon, July 6.

The Rosewood Shipping association will ship mixed stock from Rosewood on Saturday, July 10.

Mrs. H. Helle returned Monday evening from a visit in Warren.

Mrs. and Mrs. A. C. Vereth and daughter, Elsie and Miss Gladys Sagstuen spent Sunday with friends at Middle River.

Mr. and Mrs. A. M. Gullseth motored to Fosston on Sunday to visit with a brother to Mr. Gullseth. We hear that Rosen county is very much suffering from excessive rains.

Mrs. Erickson and sons, Lewis and Clarence from Erskine were Sunday visitors at the home of Mr. and Mrs. Jens Mellem.

The Rosewood Farmers club met at their regular meeting Saturday evening. There was no program and the evening was devoted exclusively to dancing.

Alec Hellquist and Clara Sorenson, whose marriage took place at Duluth the last week where they have both been employed last year, arrived here Monday and will make friends at here and at Rosewood for a week.

Jens Mattsen is constructing a new hog building on his farm northeast of Rosewood.

Mrs. Rasmussen and children from Newfolden visited for several days at the Carl Mellem home the latter part of the week.

FORMER AG. SCHOOL STUDENTS GATHER

Pennington County Well Represented at Northwest School Reunion Friday

Over 500 alumni, former and present students attended the second annual summer reunion at the Northwest School, Crookston, last Friday. Every class from 1909 to 1926 was represented, as was every county of this part of the state, said Supt. C. O. Reiviig, who is extending greetings declared: "The period of intimacy due to this section constitutes the first era. Next was that of building, breaking up land, crops and stock production and of development. After this followed the period of interest in farm marketing, which still engrosses the attention of all and will continue to do so until farm prices are stabilized. The present era is characterized as a price depressing factor and unnecessary and wasteful marketing practices eliminated." A community, farm and town social and recreational planning were settled as the fourth era and graduates were urged to take an active part in community activities.

The reunion began with a picnic dinner, after which a program, published over by President Paul Rowland, '16 of Thief River Falls, was announced. Following the address of welcome by Hon. N. J. Holmberg of St. Paul, state commissioner of agriculture, who urged particularly to develop rural leadership, to public agriculture first and who was followed by Hon. Mr. Holmberg said. Entertaining numbers were given by the Northwest School quartet, including Richard Aakre of Thief River Falls and Elnar Loren of Gatzke and the Hay Shakaakre of Thief River Falls and Elnar Loren of Gatzke, and the Hay Shakaakre trio consisting of Messrs. Aakre and Loren and Walter Turgeon, Strathe. A reading by Miss Ruth Students of Clearwater and Polk counties resulted in a victory for Clearwater, 14 to 6. Reunions of classes were held in the afternoon and a party in the evening concluded the day's program.

At the election of officers of the alumni association, Dr. Harry Hedin, Crookston was selected president, and Bert Kopecky '24, Tabor, vice president; Miss Ella Fossbakken '19, Fosston, secretary, and Henry Nabben '12, Thief River Falls, treasurer. The association also set June 24, 1927 for the third annual summer reunion.

Among Pennington county people who attended the Tele-Lager Association in Crookston last Thursday are Mrs. O. O. Rasmussen, Mr. and Mrs. Otto Golseth, Mr. and Mrs. A. E. Dahle, H. K. Strand, T. P. Anderson, Mrs. Clarence Swanson and Ole Nesby, Thief River Falls; Torjus Hemmesvedt and Halvor Nash, Gentilly; Mr. and Mrs. A. H. Mandt, Goodridge; H. T. Hanbeit, Mrs. A. O. Olfelie, Wanger, and Mr. and Mrs. Thom Gulseth of Newfolden. Among the speakers at the convention was Dr. O. Edvardsen of Wanke, president of Setesdals-Laget, who spoke at Hedlin-Laget picnic at Northwood and at Hjelmberg said. Entertaining numbers were given by the Northwood School quartet, including Richard Aakre of Thief River Falls and Elnar Loren of Gatzke.

Local People Planning to Attend Warren Celebration

Plans are now being completed for Marshall county's seventh annual fair and mammoth Fourth of July celebration to be held in Warren next Monday, Tuesday and Wednesday and with weather conditions right large crowds will be present each day. Many from this city and vicinity are making plans to attend.

Exhibit buildings are this week undergoing final preparations for housing by workers for the fair association, in preparation to take care of the hundreds of exhibitors expected to show there during the fair.

Monday, the most noteworthy exhibits will be that entered by boys and girls who are members from all parts of the county who will compete for cash prizes and free trips to the State fair and Junior Livestock show at St. Paul. Boys' and girls' rural school exhibits will also be larger and of better quality than in former years, with the interest aroused by rural school children already received in Warren.

The livestock exhibit, which has always been one of the main drawing cards at the Marshall county fair, promises to be bigger, better than ever. Only breeders from Marshall and adjoining counties will be permitted to show and compete for the prize money. The livestock exhibits will be well filled with beautiful and good things the management is trying to make.

Entertainment features of the fair will be announced in detail later this week, and people are urged not to miss the opportunity—they will—to see the free attractions and one of the first class entertainment ever exhibited in Northwestern Minnesota. Auto races, fireworks, parade 5 p.m., dancing, gorgeous display of fireworks on the evenings of July 3 and 5 and three big ball games are among the features for the entertainment of the visitors.

"There will be something for everyone at the fair—and I—A—Grimeland, secretary of the Marshall county fair, says he have left nothing untumed for making everyone happy during this fair."

AT CO-OP. INSTITUTE

N. C. Ramsey of this city, field man, and Stuart McLeod of Goodridge, president of the 11th district of the Land O'Lakes Creameries association, Inc., addressed the Ada meeting and spoke to attend meetings of field men and directors of the state association, to be held at the Northwest experiment farm at the American Institute of Co-operation session at University Farm, St. Paul. Discussions of dairy problems featured session on Monday, Tuesday and Wednesday. They were led by Kenneth Naffziger, manager E. O. Norby of the Thief River Valley Co-operative Poultry association and others attended the poultry conference next week, July 7-9, the institute continuing until the 17th. Co-operative marketing leaders of all the principal states from all parts of the country and some from other countries are leading the discussions, which make up a short course for co-operative workers.

SEWELL IN CITY

R. W. Sewell of Crookston, district highway maintenance superintendent, was in this city Friday to confer with local officials regarding the proposed improvement on trunk highway No. 1 in the northern corner of the fair grounds. Plans have been completed for elimination of this sharp and dangerous turn by making a new curve, the work to be done by the state highway department in the near future.

Clothing Club Leaders Named by Local Units—Specialist Here Aug. 10

At a meeting Saturday night, Mrs. C. G. Starbuin and Mrs. J. L. McCann were named leaders of Thief River Falls Club No. 1 of the Pennington county clothing project to be conducted during July, August, September and October by the university extension division. Mrs. J. Provencher and Mrs. M. F. McFarlane were leaders of Club No. 2 in this city. There are now 18 fully organized clubs in the county, for which the enrollment has been certified to County Agent J. J. McCann, in charge of the project here. It is reported that one or two more units will be formed in the Goodridge community. It is thought that more than 300 women of the county will partake.

The two local leaders of each club in the vicinity of Thief River Falls will meet with Miss Lois Reid of the university's home demonstration office at the Commercial club on July 10, at 2 p.m., when the first of the clothing rides vicinity will meet in Goodridge on the 9th, next week. These leaders will later hold meetings in their own communities or housewives of the neighborhood, thereby bringing more than can be reached by the specialist directly. Opportunity to this offered women, whether in town or on farms, to obtain information on clothing problems. Two days will be spent in the county each month during the four months of the course.

Simleys Honored by Trinity Church at Sunday's Picnic

Rudolf and Mrs. I. T. Simley, who left Monday for South St. Paul, were pleasantly surprised at the Sunday picnic dinner at Riverside park by the congregation at Rosser Point-Sunbury-Trinity Lutheran church, which was held in honor of the departing members of the church. Following the picnic dinner, children's program in the afternoon, Rev. R. L. Tallakson presented Mr. and Mrs. Simley with a gift from the congregation as a token of appreciation for their work in the church. Tribute was paid to Mr. Simley's activities in the church and Sunday school as well as to the congregation, of which she was president, Mr. Simley responded with cordial remarks.

The picnic, which marked the completion of Sunday school work for the season, was attended by about 500 people, the day being ideal for an outdoor event. Preceding the picnic dinner, a baptismal service was held, at which Rev. Tallakson delivered an impressive sermon on the significance of Dr. Sabbath. He declared that the day of rest and worship is needed for many because of the pleasure seeking, pleasure seeking, or wandering spirit which is present at times in lessened respect for Sunday's sacredness. Industries and business which are operated on Sundays were scored, and the charged with the responsibility for the present tendencies of the youth, because they permit the existence of evil, the temptations and harmful amusements which tempt old and girl at every turn, and careful guidance was urged.

Many interesting sports events resulted as follows: 75-yard dash, boys 12 years and over—Simley Sorenson, first; Roy Lonsen, second. 75-yard dash, boys under 12 years—Gilbert Granum, first; Clarence Berglund, second. 75-yard dash, girls 12 years and over—Elver Severson, first; Roy Lonsen, second. 50-yard dash, girls under 9 years—Effie Axvell, first; Lucille Vee, second. Bicycle race—Oscar Granum, first; Arnold Knutson, second. Three-legged race—Oliver Severson and Wilson Dokken, first. The relay race was won by the team consisting of Gaynor Fkle, Glenn Brekke, Arthur Axvell, Oscar Granum, and Arnold Nadeau. Ole Johnson was the winner in the sack race running race.

Prayer books were distributed to about 250 children at the Sunday school by Superintendent Gynther Tessum.

CONCORDIA ENDOWMENT.

A total of $744,134 has been subscribed to the Concordia College endowment fund drive in this district, to information from Moorhead. In addition to this a fund of $90,000 has been subscribed in 1925, making a total of $834,133. Norwegian Lutherans of the Thief River Falls circuit, of which Rev. S. I. Tallakson is chairman, have contributed $4,532 during the drive. The Lake Region circuit led with $16,000.

Marshall County Poultry Association is Organized

Manager E. O. Norby of the local poultry marketing association addressed a meeting of the directors of Marshall County Farm clubs at Warren Saturday afternoon, when Marshall County Poultry association was formed, with Fred Kurz as president; D. E. Colleen, secretary, and Elmer Rosenfald, vice president. Seven directors of the county will be named to the board at the next meeting of the association.

Mr. Norby discussed organization details and stressed benefits to be derived from the exhibition at Ada and the encouragement of standard breed poultry. Marshall county fanciers have exhibited at the Pennington show here each year.

On Monday Mr. Norby spoke at a meeting of poultry producers at Warren last week. Stuart McLeod, Wallie Christensen and Mr. Norby canvassed the Hill River and Huntsville communities in the interest of the association, meetings being held in both places on Wednesday. The Thief River Valley association is planning to hold 30 such meetings in Marshall county. Poultry from this association will this year be shipped to the festival and dressing plant in St. Paul instead of LaCrosse, thus making a saving in freight rate. A plant at Watertown will serve the south central part of the state.

MANAGER RETURNS-OPENING

It is estimated that at least 2,000 persons visited The Burr Company's junior department store at its opening here Saturday, according to L. R. Burr, manager. Mr. Burr himself is well pleased with the business outlook. Thief River Falls. Attractive arrangement of merchandise features the store. The following girls assisted in the store: Lucille Larson, Ervale Anderson, Iona Anson, Elizabeth Nelson, Ruth Sandberg, Ethel Lundberg and Laura Utter. A. J. Burr, district manager, and assistant company who assisted in the opening of the store here, left Sunday for Duluth where another store is opened this week.

IN AUTO ACCIDENT

Lincoln Thorson, 7-the city and Miss Myrtle Mellem of Rosewood were victims of an auto accident Wednesday morning when a car struck the car they were driving on the state trunk highway No. 1 near Rosewood from the rear, by another car. The Mellem car was knocked into the ditch, turned clear over, and was badly damaged. Miss Mellem was stunned, and for a while pinned in the car. She never in the water, until help arrived, and was taken to the home of Mr. and Mrs. Mellem, where she remained unconscious for several hours, but she was removed to Rosewood, however, and she was removed from the hospital a few days, practically recovered. Mr. Thorson, likewise, while seemingly not hurt at the time, is at home suffering from a nervous condition, suffering injuries to his back, and will likely be unable to work for several months. He left last night for Minneapolis where he will consult a specialist.

Many Problems Considered at Municipalities Meeting

Aldermen Alfred Brekken and T. A. Severson, City Attorney Richard Jas. and Ole Layrold, superintendent of the water and light department, returned Friday from Virginia, where they attended the League of Minnesota Municipalities, visiting in Duluth on the way. About 450 representatives of Minnesota cities attended. C. K. Keyes of Minneapolis was elected president and Minneapolis was selected for the 1927 convention. A department of motor vehicles in the state government, a drivers' license law and regulatory measures received much attention at the meeting, which was recommended in resolutions adopted at the session. Careful study and consideration by a special committee to devise a scheme of control of municipal finance which shall be suitable and acceptable to the people of the state was urged. The league went on record reaffirming its sentiment in favor of home rule principle in municipal government, its interest in the study of municipal taxation, and its belief in the just distribution of the burden of taxation imposed by railroads to give municipalities made up largely of railroad property a fair division of the tax. Planning as a city planning act by the legislature was favored.

PASTOR HEADS LEGION

Rev. Martin B. Haferman, Lutheran pastor at Lindstrom, Minnesota, chairman of the committee on legislation of the Minnesota department of the American Legion, was elected commander of the department who resigned because he is running for political office. Rev. Haferman, who was elected first-vice commander at the state convention held at St. Paul and R. A. Rosaberg of Crookston have been mentioned prominently as candidates for commandership, it is reported.

19 STUDENTS FROM COUNTY

Every Minnesota county, including Pennington, graduated from 2 to 410 students to the University of Minnesota summer session, according to a report by R. H. West, registrar to president of the U. Of. Courses do not include summer sessions, correspondence study, night classes or short courses. The report shows 19 from Pennington, 19 from Marshall and 410 from Lake county, St. Louis county led with 440 students. June 29, 1925 registration approximated 11,000.

PUT UP HIGHWAY SIGNS

Several signs were placed on state trunk highways No. 32 and 33 thru this city were put up by the state highway department Friday to make it easier for tourists in their routing.

Lindberg and McLeod Speak at Roland-Plummer Picnics

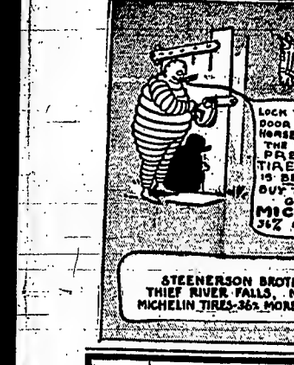
A large crowd assembled at the Gilbertson farm, south of Plummer Saturday for the 12th annual picnic of the Greenfield Farm club. C. C. Lindberg of Thief River Falls and Stuart McLeod of Goodridge spoke of the progress in the dairy industry in this section, and the value of the co-operative creameries and the state association. The value of co-operation in the various branches of farm activity was stressed. Music was furnished by the Plummer band.

The Cloverland club, which is one of the most active farm clubs in this territory, is headed by James Gilbertson as president, John Hagen as vice president and Wm. Froiland as secretary.

On Sunday several hundred persons gathered at Roland for the annual picnic of the Roland Farmers' Co-operative Creamery association. Messrs. Lindberg and McLeod also addressed this gathering, speaking enthusiastically of the benefits resulting from the farmers of that community for their progressive spirit in co-operation. Another month ago, after it had been closed for some time. They expect a big attendance at the picnic of the dairy cow to bring profitable returns to the farmers in the vicinity if properly cared for. The importance of quality instead of good quantity was emphasized.

The Clearwater creamery has also resumed making of Land O' Lakes butter, which commanded premium at the Minneapolis market.

The Plummer band also played at the picnic, which was declared a thoroly enjoyable affair.



DROWNS IN CELAR

The Grygla Eagle of last week reports the drowning of Lawrence, Walter Raymond, the three-year old son of Mr. and Mrs. Ole Raymond, having been found dead in the water in the cellar of their home. Funeral services were held last Thursday from the Valle church.

THIEF RIVER FALLS TIMES
Volume 16. Thief River Falls, Pennington County, Minnesota, Thursday, July 8, 1926 Number 23

MINNESOTA HISTORICAL SOCIETY

SETTLEMENT OF JUNE 1926, TAX TOTALS $201,133

Real Estate Tax Collections in Pennington Best in Years; Settlement Shows

DELINQUENTS PAY UP LARGE SUM, $46,538

Levy Lower but Settlement Totals Nearly Same Amount as June Last Year.

Altho the 1925 tax levy in Pennington county is $20,029.47 lower than the 1924 levy, the June tax settlement this year is only $1,470 less than the June settlement last year, according to figures obtained in the county auditor's office. With total collections of $46,538.17 in delinquent and $154,-595.32—in current taxes,—the settlement just completed totals $201,133.54 as compared to last year's distribution of $202,603.49. The June settlement includes taxes collected from March 1 to June 30, inclusive, the sum representing only the first half of the real estate levy.

Tax collections in Pennington county this year are best in a number of years, county officials declare. Payments of delinquent taxes have been particularly encouraging, the total being the biggest in the history of the county, according to figures compiled in more regularly—than for some years.

Pennington county taxpayers are pleased to note the downward trend of the tax levy which is $1,470 less than $196,358 in 1922, as compared to $414,616.51 in 1921. Taxes are not being paid. The 1921 levy included $467,287.61 while the following year it dropped to $458,677. In 1924 for the first time since the organization of the county in 1910, Pennington taxpayers found that their taxes had been reduced when tax-levying bodies are making every effort to keep the budget at the minimum. The reduction is also accounted for somewhat by the removal of some of the ditch liens which have now been paid in full.

Last year the delinquent tax collected for June settlement amounted to $44,822, as compared to $46,538 this year, while the current tax collected for the 1926 June settlement totaled nearly $6,000 more than the June, 1925 total. The drop in the levy is accounted for by the reduction in the levy. The June settlement for 1924 showed delinquent collections of $76,940, and in 1923 only $22,541.

The settlement of delinquent taxes and wire made for the various funds as follows, the figures also being given for comparison:

	1926	1925
Revenue fund	$14,458	$10,783
School	8,965	8,779
Teachers ins. and retirement	118	113

COUNTY BOARD MEETS JULY 12

The semi-annual meeting of the county board of commissioners is scheduled to be held here next Monday July 12, according to Auditor T. P. Anderson. Many important matters are slated for consideration, including the annual tax levy, last year's levy totaled $67,000. It is expected that the assessment levy will be somewhat higher this year on account of the number of additions to Oakland Park building this summer, for which bids will be opened at the meeting. Commissioners next Thursday, July 15.

NOT DRUNK, JURY SAYS

A verdict of not guilty was rendered by a jury in municipal court last Thursday in the trial of Walter Schilling, Pennington county farmer, who was arrested in the city on the evening of June 29 by Chief A. W. Brown on a charge of being drunk and disorderly. The jury was out approximately two hours. C. Halverson represented Schilling, City Attorney Fred T. Reardan representing the city. The case attracted considerable court room attention, as Harry Donahue, who came here together with Schilling and Wm. Stanley and had been arrested the same night, served six days in jail for being drunk.

BRICKLAYING DELAYED

Delay in receiving stone trimmings for window arches and doorways has held up construction work on the new Trinity Lutheran church for about a week.

DEER AND MOOSE SEEN IN COUNTY LAST WEEK

That closed seasons and closer restrictions on hunting has had its effect is now evident, is the statement by has been evidenced, Hjalmar Engineer B. C. Holland, who attended to his duties in the southern part of the county Friday having seen a large doe scampering along the highway southwest of St. Hilaire, and on the same day a large moose was seen by Ole Lund near Huot, southeast of Huot, grazing along the edge of the road near the lake. The moose was not disturbed by the sight of the men, perhaps being surprised than the crew.

In the early days, deer and moose were commonly in the county, but have become nearly extinct with the opening of the reservation and indiscriminate shootings. Occasional specimens are apparently increasing in number as a result of protective measures, several deer having been observed in this vicinity lately.

CROP OUTLOOK IS GOOD, FARMERS SAY

Small Grains Look the Best in Years With Ideal Growing Weather—Much Hay

"The best in years."

That's what Pennington farmers are saying when they discuss the crop outlook this year.

Ideal weather following a sufficient amount of moisture has made it ideal for growing crops, especially small grains, the prospects being particularly promising. Wheat and barley are growing rapidly, making places and indications are that the yield will be nearly double that of the good root system developed by the crops early in the season. Corn, however, is rather backward but promises fairly well. Potatoes look very good. The corn and potato crops are not expected to be considerably less than last year. There is also a promising outlook for hay-cutting bodies are making every effort to keep the budget at the minimum. The reduction is also accounted for somewhat by the removal of some of the ditch liens which have now been paid in full.

Last year the delinquent tax collected for June settlement amounted to $44,822, as compared to $46,538 this year, while the current tax collected for the 1926 June settlement totaled nearly $6,000 more than the June, 1925 total. The drop in the levy is accounted for by the reduction in the levy. The June settlement for 1924 showed delinquent collections of $76,940, and in 1923 only $22,541.

SOW THISTLE CONTROL TO BE OBSERVED HERE

Delegations from Moorhead and Intervening Towns Coming to Pennington June 29

WILL STOP OVER IN CITY—100 EXPECTED

Several Farms Where Sow Thistle is Controlled Successfully To Be Inspected

The sow thistle is an old friend or enemy, well known to citizens of Pennington county. Because it is well known and because farmers in Pennington county have learned to cope with the weather weed, the Great Northern railway is planning to conduct a tour of farmers and other business men from Moorhead to Pennington county, to this territory.

The plan as presented by Daniel Willard, vice president in charge of development agent, at the meeting of the Commercial club of Thief River Falls last Thursday is for the tour to start from Moorhead on the morning of July 29, stopping at Ada and at Crookston, gathering delegations from Hendrum, Halstad, Climax, Fisher, Twin Valley and all other towns and communities intervening between Crookston and Thief River Falls, reaching Pennington county 30 to 40 cars and about 100 persons. The tour will be made on through Red Lake Falls, and St. Hilaire to Thief River Falls.

It is proposed to visit farms in the vicinity of Thief River Falls where sow thistle has been met with and successfully controlled by the application of dairy herds and the fields of alfalfa and sweet clover will be objects of interest. It will be a "get acquainted" expedition. The marked success made by Pennington county farmers with alfalfa and dairy cows made this territory a logical place for the tour, an objective point to be reached.

The party will spend the night of July 29 in Thief River Falls, resuming the tour to the north and back to Thief River Falls in the evening. Members of the Commercial club is making arrangements for entertaining the visitors here on the evening of the 29th, the exact announcement of which will be made later.

Mr. Willard declared that alfalfa and sweet clover are the best remedies against sow thistle.

Pennington is a tentative schedule made out by Mr. Willard and County Agent J. J. McCann for the tour of farms in the vicinity will be visited: Ada to Hendrum, Hendrum to Sanders township, Norman, Beltrami to Fisher, E. J. Sorenson near Fisher, Climax to Twin Valley, Twin Valley to Oakdale near Thief River Falls. The tour will then proceed to Red Lake Falls.

Members of the county board of Sessions Tuesday decided to repair the bridge across Red Lake river at Thief River at St. Hilaire, which has been condemned for some time, until approaches can be rebuilt. The job is to cost not to exceed $500, one half of the cost to be borne by the county and the other half by the village of St. Hilaire and Silver Lake township. The highland, county highway engineer, will have charge of the work, which will be done without delay.

The bridge is one of the bridges which is believed to be the first across the Red Lake river north of Red Lake Falls, and for many years has been the only bridge at that point. The old bridge, one of the old-fashioned type of cows was discovered and temporarily repaired by the county crew at the county fair at Helstein day, but in detail will be made permanent within the next few days, and undoubtedly will result in a special attraction at the fair.

It is planned to dispose of about 50 head of pure bred and grade animals at the sale, which will be the fourth Holstein consignment sale held in this county. No sale was held last year. The animals will be selected by the sales committee.

It is likely that organization matters will be considered at another meeting, perhaps during the county fair next month.

Mr. Berg, in speaking to members of the commercial club at the noon luncheon, presented some interesting facts about the Tamarac Spalding herd near Warren of which he is in charge. He told about one cow in the herd which is a world champion in the four-year old class, producing 1,000 pounds of butter in a year. This animal was recently sold at auction for $3,200. Six cows in the herd average more than 1,000 pounds of butterfat during the year, and 22 cows produce more than 500 pounds annually. Attention was called to the high producing qualities of the Holstein breed which a world champion in the four-year old class

SOCIAL ITEMS

Pretty Wedding Solemnized at Trinity Lutheran Church

The Trinity Lutheran church was the scene of a beautiful wedding yesterday afternoon, July 7, at four o'clock, when Miss Ellnor Kathryn Dahlen, daughter of Mr. and Mrs. H. S. Dahlen, became the bride of Anton L. Haraldson of Minot, North Dakota, son of Mr. and Mrs. Peter Haraldson of Willmar. Rev. N. E. Talliksen read the marriage service in the presence of a large number of relatives and intimate friends.

The church which was carpeted in white, was decorated with ornamental ferns and palms, bouquets of pink and white flowers gracing either side of the altar.

To the strains of "The Garden of Roses" with Mrs. Gustav Wegh at the pipe organ, Mrs. Dahlen, mother of the bride, entered with the groom, escorted by her son, Chester. Mrs. Dahlen was handsomely gowned in dark blue satin charmeuse over which she wore an elaborate corsage bouquet of sweet peas and lillies of the valley. Following her entrance Mrs. Ward played Lohengrin's march as the groom and the bridal party descending to its familiar strains. The first bridesmaid was Miss Anna Dahlen, sister of the bride, escorted by her brother, Erling. She was dressed in shimmering taffeta of golden yellow and shell pink, carrying a matching arm bouquet of garden flowers. Next came Miss Rosine Dahlen, sister of the bride, who entered with her brother, Stanton. The dress was of oyster white crepe over pink, and she carried an arm bouquet of matching garden flowers. Following the bridesmaids came the maid of honor, Miss Lydia Dahlen, another sister, wearing a beautiful gown of peach blow georgette over silver gray canton crepe, and carrying an arm bouquet of blue and white delphenium. She was followed by her small sister, Miss Dorothy Dahlen, dressed in white ribbon net over cream satin who carried the wedding ring in the heart of a beautiful calla lily.

Entering with her father, came the bride, who was charming in a simple straight-lined gown of white marquisette crepe over white satin, the sleeves ornamented and a court train. Her veil was held with a crescent of pearls, and she carried an exquisite bouquet of rose point lace in which her mother had carried at her own wedding. Her ornament was a set of bride's roses and lillies of the valley, (2).

The bride was joined at the altar by the groom, who was attended by his brother, Harry Haraldson of Willmar, immediately preceding the ceremony, Mrs. O. F. Hoffer sang "Dreaming" by Cadman, and immediately after the ceremony, Miss Hoffer sang "I Love You Truly" by Carrie Jacobs Bond, both selections of which the bride was particularly well suited much to the impressiveness of the occasion.

A reception was held at the home of the bride's parents, 121 Hartley Avenue N., after the ceremony, plates for twenty people being laid at a prettily decorated table for the event. A three course supper was served, the waitresses including the Misses Elva Haraldson, Marion Gray, Alice Larsen, Gladys Bowers, Orpha Gabrielsen, Lorraine Zeimer, Millicent Arnold and Ruth Melby.

The bride's gifts to her attendants were a ruby white gold ring to the little ring bearer, and bracelets to her bridesmaids and maid of honor. The groom presented the best man with a Waldemar knife for his watch chain, and white gold cuff links to the ushers.

The bride is well known in this community and her parents are among the city's most prominent people, both socially and in business affairs, her father being the vice-president of the First and Peoples' State bank of this city. She graduated from the local high school in 1919, afterwards completing her teachers' course at the University of North Dakota, since which time she has taught school.

The couple left last evening on a motor trip to Yellowstone National Park, after which they will make their home at 720 Ninth Avenue, N. E., Minot, N. Dak., in which city the groom is employed as credit manager for the Nash-Finch company.

Out-of-town guests at the wedding included Alfred Haraldson father of the groom and son and family, Mr. and Mrs. Peter Haraldson of Wendell, Mr. and Mrs. Chas. Mahnaston and the Misses Florence and Palmina Haraldson of Wendell, Miss and Mrs. Lauren of Fosston and Mr. and Mrs. H. Carrington of Fosston.

Henry Falk and Ervyle Anderson Married Monday

Miss Ervyle Anderson, daughter of County Auditor and Mrs. T. A. Anderson of this city, was married Monday afternoon to Henry Falk, son of Mr. and Mrs. Herbert J. Falk, July 5, 1926, 2 p. m. Rev. Reading the service in the presence of Mr. and Mrs. Fred Scanlan. Both the bride and groom are well known here, having lived in this city for years, receiving their grade and high school education here. The bride is a graduate of the local schools. They will make their home here, the bride being employed with the Red Owl grocery store, and Mr. Falk at the Chas. Lieberman clothing store, where he has served as clerk the last six years.

Double Wedding

A double wedding of local interest took place in St. Hilaire Thursday evening of last week, when Miss Hazel Anderson was united in marriage to County Treasurer John Gollmar with Mrs. Gustav Wegh at the pipe organ, Mr. Dahlen, mother of the bride, entered with the groom, escorted by her son, Chester. Mrs. Dahlen was handsomely gowned in dark blue satin charmeuse over which she wore an elaborate corsage bouquet of sweet peas and lillies of the valley. Following her entrance Mrs. Ward played Lohengrin's march as the groom and the bridal party descending to its familiar strains. The first bridesmaid was Miss Anna Dahlen, sister of the bride, escorted by her brother, Erling. She was dressed in shimmering taffeta of golden yellow and shell pink, carrying a matching arm bouquet of garden flowers. Next came Miss Rosine Dahlen, sister of the bride, who entered with her brother, Stanton. The dress was of oyster white crepe over pink, and she carried an arm bouquet of matching garden flowers. Following the bridesmaids came the maid of honor, Miss Lydia Dahlen, another sister, wearing a beautiful gown of peach blow georgette over silver gray canton crepe, and carrying an arm bouquet of blue and white delphenium. She was followed by her small sister, Miss Dorothy Dahlen, dressed in white ribbon net over cream satin who carried the wedding ring in the heart of a beautiful calla lily.

Entering with her father, came the bride, who was charming in a simple straight-lined gown of white marquisette crepe over white satin, the sleeves ornaments and a court train. Her veil was held with a crescent of pearls, and she carried an exquisite bouquet of rose point lace in which her mother had carried at her own wedding. Her ornament was a set of bride's roses and lillies of the valley, (2).

The bride was joined at the altar by the groom, who was attended by his brother, Harry Haraldson of Willmar, immediately preceding the ceremony, Mrs. O. F. Hoffer sang "Dreaming" by Cadman, and immediately after the ceremony, Miss Hoffer sang "I Love You Truly" by Carrie Jacobs Bond, both selections of which the bride was particularly well suited much to the impressiveness of the occasion.

A reception was held at the home of the bride's parents, 121 Hartley Avenue N., after the ceremony, plates for twenty people being laid at a prettily decorated table for the event. A three course supper was served, the waitresses including the Misses Elva Haraldson, Marion Gray, Alice Larsen, Gladys Bowers, Orpha Gabrielsen, Lorraine Zeimer, Millicent Arnold and Ruth Melby.

The bride's gifts to her attendants were a ruby white gold ring to the little ring bearer, and bracelets to her bridesmaids and maid of honor. The groom presented the best man with a Waldemar knife for his watch chain, and white gold cuff links to the ushers.

The bride is well known in this community and her parents are among the city's most prominent people, both socially and in business affairs, her father being the vice-president of the First and Peoples' State bank of this city. She graduated from the local high school in 1919, afterwards completing her teachers' course at the University of North Dakota, since which time she has taught school.

The couple left last evening on a motor trip to Yellowstone National Park, after which they will make their home at 720 Ninth Avenue, N. E., Minot, N. Dak., in which city the groom is employed as credit manager for the Nash-Finch company.

Mahnaston and the Misses Florence and Palmina Haraldson of Wendell, Mr. and Mrs. Lauren of Fosston and Mr. and Mrs. H. Carrington of Fosston.

Toadal Family Has First Reunion in Fifteen Years

Mr. and Mrs. R. J. Lund and son of this city, Mr. and Mrs. Leo Lund, Mr. and Mrs. H. H. Toadal of Estherville, Ia., Dr. and Mrs. Harry Toadal of Cambridge, Mass., and Mr. and Mrs. Orvinnie L. Toadal and children of Minneapolis left Tuesday by car for a two weeks' motor tour of points in northern Minnesota and Canada. Dr. Toadal and Orlando are brothers of Mrs. Lund, and returned today from a visit in Northfield. Orlando is superintendent of the Whitney-Seidinger company of Minneapolis, and Dr. Toadal, as mentioned in last week's issue is professor of marketing in the Harvard Graduate School of Business Administration. It is the first time these family members of the family have been together for 15 years.

Dr. Toadal has earned for himself the reputation at one of the leading students of business problems in the East and is in great demand as an author to large business concerns. He is editor of the Harvard Business Review, a journal devoted to the study of business problems, which has a wide circulation both in America and abroad, and is also an author of books, having to his credit a large volume of writings on various economic subjects. Among his books is "Problems in Export Trade Management" and articles by him appear regularly in several business journals and he is an active member of many nationally known organizations.

After his graduation from St. Olaf college in 1909, Dr. Toadal spent two years studying in the universities of Leipzig and Berlin in Germany. He received his Ph. D. degree in economics from Harvard university in 1913. From 1913 to 1915 he was assistant professor of economics at Harvard in the courses of Corporation Economics and Railroad Transportation. During 1915-16 he was instructor at the Boston Institute of Technology. The following year he went to Boston university where he served as associate professor of marketing for one year and acting head of the department of marketing and also as dean. From 1920 to 1922 he served as director of studies and assistant professor of marketing at Harvard and in 1922 was given the full professorship which he now holds.

For Mrs. Nason

Gathering at the Chas. Nason home last evening afternoon, a number of ladies pleasantly surprised Mrs. Nason prior to her departure in the near future. Those participating in the affair were Mesdames W. W. Prichard, Fred Ed Bond, Dan Danford, Jack Mordsboro, W. K. Knight, A. Rolfsrud, C. D. Gustafson, and Misses Ella Peterson, Gladys Ellefson, E. Prehl, J. W. Hendry, C. E. Whiting, J. Wasserman, W. G. Smith, W. H. French, J. Grant, F. Lamsberg, C. Alexander, J. Ellefson, Ed Ellefson, E. Christian and G. Randall, and Miss Jennie Sheets.

SECRETARY OF NEW "LAG"

Adolf Berstad, farmer west of Thief River Falls, was elected secretary of the Stavanger Hyller organized at the annual convention of Stavanger Laget in Fargo June 25. The new unit at Thief River Falls will include farmer residents of the city of Stavanger, Norway, and their children born residing in North Dakota or northern Minnesota. Its president is Alfred Sundfor of Fargo and a committee has been named to perfect the organization. It is planned to hold a special meeting this fall, but the regular reunions will be held in conjunction with the general meeting of the Stavanger Lag. Mr. Berstad urges all local Stavangers to communicate with him regarding the new society. Last year Mr. Berstad made a trip back to Stavanger and had many interesting things to tell his former townsmen at the Fargo meeting.

LIBRARY NOTES

There is good reading for all at the Public Library. Following is a list of new titles that have just arrived:

Davis, "Mantrap."
O'Henry Memorial Award Prize Stories for 1925.
Mills, "Ruben and Ivy Ann".
Gibbs, "Unchanging Quest".
Gibbs, "Small Training".
Wallace, "Troop One of the Labrea".
Chase, "Virginia of Elk Creek Valley".
Steinkiewicz, "In Desert and Wilderness".
Major, "Bears of Blue River".
Campbell, "Little Great Lady".
Chanbless, "Little Princess Nina".
White, "Mari".
Rinehart, "Affair of Anderson".
Lassel, "Beloved Argus".
Williams, "Red Plume".
An attractive copy of Melville's "Moby Dick" is in great demand. This famous romance of the sea joins the ranks of old favorites in new editions. Quackler of new editions calls to mind copies of Kenilworth and The Talisman on display a little last week. The beautiful illustrations and large clear type make a strong appeal not only to those who may have missed these old favorites, but to those who may have enjoyed these old favorites, but to those who wish to read them.

CLUB NOTES

Delegates to Circuit Meeting
Mrs. E. L. Holland, Mrs. J. H. Hermanson, Mrs. Gaston Ward, Mrs. H. R. Dahlen, and Mrs. Nels Larson are delegates from the Trinity Ladies aid to the all-day meeting of the Thief River Falls circuit Women's Missionary Federation of the Norwegian Lutheran church to be held in St. Hilaire Wednesday, next week. Mrs. R. O. Tallakson of this city is president of the organization, which includes 2 C. O. churches, also of this city, at Lincoln. Mrs. L. T. Simley, who recently left for St. Paul, was secretary, delegate to the convention, which she, as mentioned in last week's issue is professor of marketing in the Harvard Graduate School of Business Administration. It is the first time these family members of the family have been together for 15 years.

Dr. Toadal has earned for himself the reputation at one of the leading students of business problems in the East and is in great demand as an author to large business concerns. Lassel, "Beloved Argus".
Williams, "Red Plume".
An attractive copy of Melville's "Moby Dick" is in great demand. This famous romance of the sea joins the ranks of old favorites in new editions. Quackler of new editions calls to mind copies of Kenilworth and The Talisman on display a little last week. The beautiful illustrations and large clear type make a strong appeal not only to those who may have missed these old favorites, but to those who may have enjoyed these old favorites, but to those who wish to read them.

Entertained for Miss Erickson

Miss Louise Erickson entertained a group of friends at a six-o'clock dinner last Thursday evening. Those included were Mr. and Mrs. William Monroe of Aberdeen, S. D., Mr. and Mrs. Harold McCann of Billings, Mont., Mr. and Mrs. Dreng Bjornaraa, Misses Mollie Hermanson, Lillian Frosvacher, Carolyn Melby, Betsy Ness and Myrtle Mellum. Miss Erickson was assisted in serving by her mother, Mrs. E. O. Erickson.

Far-Mrs.-Hunt

Mrs. H. S. Steeler informally entertained a few of her friends at her home Wednesday afternoon of last week in compliment to Mrs. F. E. Hunt of Grand Forks. The hostess' guests were at needlework, following which luncheon was served. Those present were Mrs. Hunt, Mrs. E. O. Moorneau, Mrs. Scott Laird, Mrs. J. J. Burns and Mrs. N. H. Hjelmseth.

"JUNE AGAIN POPULAR"

Thirteen marriage licenses were issued in Pennington county during the month of June, last week The Times chronicled no less than 13 weddings of interest to local people and it goes without saying that the society page has been seabord with more than several inches and still more, for over 15 marriage licenses were issued during June.

Some men want to keep a stiff upper lip by wearing bristles on it.

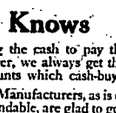
CLUB MEET POSTPONED

On account of so many conventions and other meetings in session in the city, there is no meeting of the Commercial club today. The next meeting will be held Thursday, July 15.

Pastors To Elks Convention

Rev. and Mrs. O. G. Paulson expect to leave Friday night for Minneapolis to join the special train carrying 200 delegates from Elks lodges in Minnesota, North and South Dakota and Montana, which will run Saturday on the five-day grand lodge convention in Chicago. Mr. Paulson, past exalted ruler of the local Elks lodge, is a delegate to the convention, which opens on July 12. A symbolic feat signifying the spirit of the Minnekahda will be on hand the train to be exhibited in the convention parade. The pastors expect to return via the Red Lake reservation will be on the float in the parade. Mr. and Mrs. Paulson expect to return via the Red Lake reservation after a visit in Michigan.

To R. of N. Meet in Duluth



President Reinhold Knudsen, C. C. Guirud and John Linde are delegates from Thief River Falls to the grand convention of the First district of the Sons of Norway in Duluth opening next Monday. Mr. Knudsen is a trustee of the district organization. The convention will be held in the Spalding and Bjornaraa of Wanke, district regent.

Basket Sale

The Camp Fire Girls are having a "Basket Sale" at Brewington's Grocery on Saturday afternoon and evening. These baskets are filled with articles themselves as a part of their winter's accomplishments. The basket special sale price will be reasonable, and the proceeds will go toward their annual camping trip.

CLUB NOTES

Delegates to Circuit Meeting

Mrs. E. L. Holland, Mrs. J. H. Hermanson, Mrs. Gaston Ward, Mrs. H. R. Dahlen, and Mrs. Nels Larson are delegates from the Trinity Ladies aid to the all-day meeting of the Thief River Falls circuit Women's Missionary Federation of the Norwegian Lutheran church to be held in St. Hilaire Wednesday, next week. Mrs. R. O. Tallakson of this city is president of the organization, which includes 2 C. O. churches also of this city, at Lincoln. Mrs. L. T. Simley, who recently left for St. Paul, was secretary.

The all-day meeting will be held at the parsonage, as mentioned in last week's issue.

The session will start at 10 a. m. with an opening service by Rev. T. A. Hegstad of Erskine. Among the reports will be Miss Emmanuelsen's report of home mission work, Mrs. Simley's report of the young people's department, and Rev. and Mrs. O. F. Strand, who are now on a furlough from the Madagascar mission field, will be present. Rev. Strandas at one time served the former United Lutheran church at Mentor.

Officers for the ensuing three years will be elected. Miss Frida Lagerquist of Goose Prairie, secretary to Chinn, will also address the gathering.

W. C. T. U.

Ladies of the W. C. T. U. will meet Tuesday afternoon, July 13, at the E. L. Rolfsrud home. Mrs. Rolfsrud and Mrs. J. J. Weeks acting as hostesses for the occasion. An annual election of officers will take place, following which plans for the convention will be discussed.

W. B. A. Picnic

Members of the Woman's Benefit association will hold a picnic supper at the tourist park Tuesday, July 13. Members are requested to bring their children, ice cream and coffee will be furnished by the lodge.

Tomorrow T. P. A.

The Tuesday T. P. A. will meet at the home of E. Critchley Sunday, July 11. A good program has been promised and a full will be served at usual. Everybody welcome.

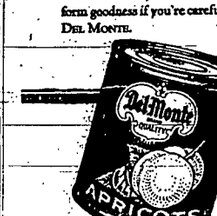
Annual Picnic

Members of the Dynamos club of the J. C. Penney company store and their families enjoyed their annual picnic supper in the Tourist Park Friday night.

New Officers in Charge

Alfred Breidenon and H. S. Sapiro, the new president and secretary of the local Rotary club took official charge at Monday's meeting, the first to be held at the Evelyn hotel. Rev. E. H. Lovre delivered an interesting report of the International Rotary convention in Denver.

ADVERTISE FAIR



Mr. and Mrs. J. S. McCann, accompanied by Misses Olga Starr and Marie Thill, motored to Maple Lake, Minnesota and Bemidji Tuesday and Monday to put up posters advertising the coming Pennington county fair. They report the three places crowded with Fourth of July celebrations. On Tuesday Mr. McCann distributed posters at the Marshall county fair in Warren.

Serve apricots now—and cheat the season

If you picked them yourself right from the tree, you couldn't have apricots any finer, or fresher than those packed under the Del Monte Brand.

Besides that, they're always ready for you. No matter what the season—no matter what occasion—a luscious fruit treat that never fails to tempt.

You can always be sure of this uniform goodness if you're careful to say Del Monte.

DEPARTMENT STORES

WHERE SAVINGS ARE GREATEST THROUGH THE YEAR

Thief River Falls' Busiest Store—Corner Main Avenue and Third Street

Stronger and Stronger Grows
the Far-Reaching Ability of This Nation-Wide Institution To Save the Public Money!

Every Man and Woman Knows

that large savings in the cost of goods are to be had when ordered in large quantities. A $1,000,000 order for Shoes, for example, will buy each pair at a far lower price than if a comparatively few pairs are ordered.

Buying for 745 Department Stores means unusually large orders, always commanding the lowest possible cost consistent with the high standard of quality we insist upon.

Selling for cash only and thus having the cash to pay the manufacturer, we always get the added discounts which cash-buying obtains.

Manufacturers, as is easily understandable, are glad to go to extremes in putting such quality of materials, finish and workmanship into the goods ordered in such large quantities by us for only by producing goods that measure strictly up to our high standard can they hope to obtain further orders.

This means much to you! In our peerless buying power rests a saving power for you which is not duplicated. You can verify the superior quality and savings to be had at this store; at any J. C. Penney Company Store wherever it may be located, by making comparisons whenever most convenient to you.

Considerable complaint is heard, especially from farmers who are in the city and more, regarding the dropping and low-hanging branches of many of the trees along the sidewalks in Thief River Falls. When it rains the person walking under these trees usually has the rather unpleasant experience of shaking a quantity of water down his neck, and one can walk along almost any street in the city and get a hat knocked off at least once in the course of a few blocks. A little attention to the lower branches by property owners at this time will improve the appearance of the trees, make them pretty homes and lawns more visible and—incidentally, be a means of saving from becoming bumpkeched trying to avoid the drooping willow sprig branches.

The Minnesota Farmer's association, in convention at New Ulm, once famous for its beer consumption and beer production has by resolution petitions for the return of liquor through modification. It goes without saying that the association has no ladies' auxiliary and that free of the beer brought into the convention wise they would have remained in line and in green or sober condition.

Dairying--Past and Present

(Address delivered by Peter Einestad, prominent Pennington county farmer near Thief River Falls, at the annual summer meeting of the Minnesota State Dairymen's association at Bemidji June 26.)

The progress which has been made during the past 25 or 30 years in dairying has been so remarkable—so progress in any other activity.

In the beginning of the settlement of this section the only market for cream was the market either for cash or the product of the cow. The reason there was no dairying that took place during those early years of settlement, but for the cow has been a standby with men from time immemorial and has been used to foster the interest and welfare of the farmer both in the household as well as from a commercial standpoint. The early cows were kept as a matter of course.

It is during these 25 last years that we have witnessed a wonderful change of conditions both as to production as well as to marketing.

Starting out for many years in my early days as a farmer, I carried butter to town in those heavy stone jars and traded it away for it, cents a pound along with eggs at five cents. The butter-maker packed in into those big sugar barrels and shipped it away to consumption but no one ever dreamed of utilizing it as grease. The farmer did not make anything on it either and it was no profit, but he had to do it more for an accommodation than anything else.

Under such primitive conditions of getting the finished product, and no quality, that there was not any inducement to increase the number of the cows for to pay any special attention either in quantity or quality.

Many a housewife made as good a butter of butter then as now, as they took pride in handling their product and bringing it to the market in a creditable way, but in too many cases, those fine pieces of butter—which the good housewife had taken so much pride in—assuming had to join company to the dumping ground, the market, with other pieces of questionable odor and taste.

The raw material from which to buy a piece of butter was poor and found its way into those 300 or 400 pound barrels was undoubtedly the Land O' Lakes stuff at a certain stage of the game.

When we look back upon that primitive stage of buttermaking and marketing and take a glance at the way same is handled and carried on at the present time, in the manufacturing and through our co-operative creameries and in the marketing and through our central sales agency, the Land O' Lakes Co-operative Creamery association, we realize fully what a change has taken place through co-operative effort.

For about 9 or 12 years this deplorable market conditions continued, when a practical butterman took place in the butter stock. Although prices for same were about the same only low, as at least could get rid of same.

In later years we have experienced relatively low prices for stock shipped low, a kind of a reminder about the time conditions.

But time ha t come, that stock would be shipped out of the country; fairly good cows brought 12 to 14 dollars and we thought it was fine so but. But we soon found out that the cattle got had was not of the type and quality as to bring the best price in the market, so in 1920 two of my neighbors and I invested in a pure bred Shorthorn sire supposed to be of milkstrain.

We kept him for a number of years. He did not produce many heifers that amounted to much for milking purposes, but there was a wonderful increase in the size of his calves in the line of beef, and that was what we were in need of most at that time. The investment in that bull taught me a lesson of the value of pure bred sires and since that time I have not had anything to the line of bulls but pure bred ones.

Then came the cream separator, and the general introduction of that indispensible machine marks an epoch in the development of dairying.

I remember the time as if it should have been yesterday, that one Mr. Johnson from Cheshokon came to my yard having a DeLaval cream separator along and asked if he could put it up and separate our milk in the evening. So it did, every member of the household watching the performances, and when the separating of the milk took place everybody seemed to be eager for a chance to take hold of the crank and turn the machine. Somehow we have not noticed or experienced for some time. I guess it is old age that sets in for the machine, but asked several times to leave it, and, in case I liked it, I could have a chance to buy it, and I am not exaggerated for a long time till it was worn out and exchanged for a larger one. That one separator was the first one in the entire community for a long time.

The gain of cream did not improve materially until the co-operative creamery movement appeared on the scene.

Then I realized that something must be done to improve the milk product either in quantity or quality. In 1904 I bought my first Guernsey sire, one from T. L. Hackett.

The same story over again as with my pure bred Shorthorn. What the pure bred Shorthorn did in the line of beef, my Guernsey sire did in the line of dairy type and milk producing qualities.

For many years previous to this, the best report of my cows, weighing the milk every ten days and testing once a month and in hand with keeping record, I began from then on to feel the necessity to production following Prof. Hacckes's feed standard as closely as possible with whatever roughage and feed available. I took a keen interest in feeding my cows as well as keeping records, and the result of better feeding—that is feeding as close to balanced ration as circumstances would permit—was very encouraging. The first lot of heifers from my first Guernsey sire turned out to be good cows all of them. The second crop was more noticeable in the first cross than in the succeeding generations. I felt very proud of a 550 and a 600 pound cow among the offspring from the first cross. The treatment of 50 dollars in that sire was one of the best investments I ever made, and from that time date the beginning of building up my dairy herd.

Besides selling milk and cream to the creamery, I retained a part of my milk to feed to calves and I was short of milk at times I had to buy some cows off and on. But I certainly bought a lot of scrub cows, cows that would not respond to either feed or care. The scale and the tester were, however, valuable factors in determining whether a cow was entitled to a place on the farm or not. I remember one year I bought 14 cows, most of them in the fall, for a price ranging from $45 to $75. The highest priced cow turned out to be the poorest one, while the $45 dollar cow was the best one and remained in the herd for many years until old age set in.

Another instance, where no butcher-in have permitted me to buy a cow, that is thought was a very good cow if given proper care, but a skinny looking thing it was, very much neglected so far as feeding and care was concerned, and as he offered it to me for $25, I took her home. After feeding that cow on the lines as per my ideas for some months she developed into a very good cow and since that time I have not had anything to the line of bulls but pure bred ones.

Then came the cream separator, and the general introduction of that indispensible machine marks an epoch in the development of dairying.

I remember the time as if it should have been yesterday, that one Mr. Johnson from Cheshokon came to my yard having a DeLaval cream separator along and asked if he could put it up and separate our milk in the evening. Mr. and Mrs. Allen Harvey of Arkansas City have decided to remain indefinitely in the Red River valley, as the result of a visit here the past week. Mr. Harvey is a brother of Mrs. Hanson and Mrs. Fisher.

Rev. and Mrs. S. L. Tollefson and children, accompanied by Mrs. Anna Midtbon, daughter of Rev. and Mrs. Tollefson, motored to Hawley Sunday, where they attended the Fourth with Mr. and Mrs. Newton Midtbon.

Elmer Overland, son of Mr. and Mrs. F. E. Overland of this city, expects to return today to Northfield where he is employed at the Ole Colleyer store. Mr. Overland has been visiting here for the past month.

Mrs. and Mrs. P. R. Weeks and children, Doris and John Norman, motored here from Crookston last Friday to spend the week-end with Mr. and Mrs. Weeks' parents, Mr. and Mrs. J. Norman.

Mr. and Mrs. Joe Collier of St Paul visited over the week-end with Mr. and Mrs. Ole Collier in this city, after having attended the Eighteenth convention of the Ancient Order of Hibernians in St. Paul last week. Mr. Collier was one of the delegates from the Thief River Falls division.

Mr. and Mrs. Allen Anderson and family motored to Warren for the Fourth of July celebration Monday, returning to the Beaulieu home here and their sisters had the misfortune to have their car turn over on the return trip, Mrs. Anderson suffering a broken collar bone and Mrs. Clausen a fractured arm. Both ladies are reported to be resting nicely at the home here for recuperation.

Mrs. Ole Pellerud returned to her home here last evening after a month's visit at Bemidji with her husband who is still confined to the hospital there, suffering from the effects of June 22, while working with a Soo Line crew near Cass Lake. Mrs. Pellerud reports that though Andy is responding to treatment, he will be confined to the hospital for some time. Mrs. Pellerud will leave for Bemidji again tomorrow.

THE CHURCHES

St. John's Lutheran
Next Sunday Rev. Alfred P. Bueltmann of Warren will occupy the pulpit of St. John's Lutheran church. The services will be held in the English language and will begin at 7:45 P. M. The theme of Rev. Bueltmann's discourse will be, "Following Christ." Arrangements will be adopted was a person should follow Christ, and how hopeless it is to find life in any other way. The public is most cordially invited to hear Pastor Buenger, and we think it very likely that there will be a general rush into the dairy business to secure an over production.

Another feature in connection with the dairy cow or the keeping of other livestock, which is of great importance, is the maintaining of the fertility of the soil, and I can see how we could do it without the cow.

There is not any work I feel so well paid for on the farm as that having manure. In the first place by getting it out away, I improve the sanitary conditions and for the second place I improve the fertility of the soil, which is the greatest consideration.

Taking a general glance at dairying in this section at the present time, I can not see anything but a bright future for that line of farming.

We have emerged from the dark period, when no price and no satisfaction existed on ere of well established prices, on stuff of good quality.

Under the watchful care of the machine, the cow, that she may do her utmost; the more attention, the larger the returns.

Kirk, Lutheran Church
Rev. Arne Erickson, Pastor
There will be confirmation Sunday, July 11, at 11 a. m. and services in the evening at 7:45 p. m.
The Ladies' Aid will meet Thursday, July 15, at 2:30 p. m. with Mrs. Nestegard and Mrs. Steines. The Sewing Circle will meet Tuesday, July 13, entertained by Mrs. E. Ness, 406 Red Lake Blvd.

Also after services at both places.

Mayle Lutheran Church
E. G. Blyle, Pastor
Sunday, July 11: Services in the church, Germantown, at 11 a. m. and in the Highlanding church at 3:30 p. m. The confirmation class will

INJURED IN CAR ACCIDENT
James Redman, employed by the Ray-Wichterman Farm at Plummer, broke three ribs and his collar bone in an accident last Sunday when his left control of his car while driving on a high hitch caught on a fence post at Rhoda, where he was visiting over the Fourth. The car turned completely over and was badly damaged.
Theodore, the 11-year-old son of Wm. Dupont of Plummer, suffered minor injuries Wednesday morning when his team ran away at the Plummer creamery. The boy was thrown out of the wagon when the horses became frightened and two wheels passed over his back and arm.
Hans Jacobson last week brought to the Swedenborg hospital here and underwent an operation for rupture.

Christian Science
Regular Sunday services are held at 11 a. m. in the church at Ladies' Aid and First St. Subject Sunday, July 11th, "Sacrament." Sunday school at the same hour. Wednesday evening meetings are held at 7:45. Reading room open every Tuesday afternoon from 2 to 5 o'clock. The public is cordially invited to attend the services and to visit the reading room.

Augustana Church
No services next Sunday.
Ladies' Aid meets Wednesday, July 14, at the home of Mrs. Carl Peterson.

Presbyterian Church
E. H. Lorenz, Pastor
Sunday school meets at 9:45 p. m. At 11 o'clock the pastor will preach. Communion and reception of members with a table talk by the pastor Sunday, July 15, in the Sunday school parlor. All most cordially invited.

What About Sally?
Delightful Stories—Remarkable in Their Originality and Appeal. You Will Enjoy Every One.
THE most imperious, impetuous, impertinent little madcap of femininity that ever went on an adventurous joy-ride will scamper over The Minneapolis Tribune's pages for many weeks to come.
Sally's Letters and Mother's Diary
A typical girl of the times writes a daily letter to her closest "girl friend. All her adventures, impressions, opinions and inmost thoughts are couched in the snappy vernacular of flaming youth. Sally's mother has both read and fainted (really) over the bringing up of Sally. In her diary she records, day by day, her harrowed feelings and helplessness to prevent what is going on.
SALLY
"MUMS"
Stories of a "Flapper" That Are Most Fascinating
"What About Sally?" mirrors the extraordinary conditions which are found in American school and college life and which are the despair of educators and parents. It shows the viewpoint as often met in the "young intelligentsia" with their scorn of convention and tradition, and their determination to wring from life all that it holds of "living," gayety and freedom.—It explains—for those among its readers who have the responsibility but lack knowledge—what all parents and guardians are faced with, and how far they are culpable themselves for the conditions which confront them with inexorable gravity.
First Instalment Monday, July 12, in The
MINNEAPOLIS TRIBUNE
A letter from Sally and an entry from her mother's diary will appear every week-day in both The Minneapolis Morning Tribune and The Minneapolis Evening Tribune.

ST. HILAIRE

Land O'Lakes Creameries

The St. Hilaire and Hazel co-operative creameries, operated by Gunstyn Berglund and M. S. Wright, respectively, have been notified of having qualified and have been certified as Land O'Lakes creameries. To obtain this standing a creamery must conform to certain rules and at least 50 per cent of its output must go into the Land O'Lakes brand, that is sweet cream butter scoring 93 for six months or more. Cooperation on the part of patrons by the delivery of sweet, clean cream and close attention to all details in the manufacture of the butter by the operator is essential for any creamery in order to get into this classification. The operators are to be commended for their efforts in producing a quality product. To date there are 250 certified Land O'Lakes creameries in the state.

Elk Leads Creamery List

Ame Elk with receipts of 6328 headed the list of patrons of the St. Hilaire co-operative creamery during the month of May, Manager Gunstyn Berglund reports. Thirty patrons received checks of $100 or more for the month's production, a large increase in cream receipts being noted at the creamery.

Lars Aicuist Carlson Dies

Lars Augustus Carlson, 77 years old and one of the first settlers of this part of the country, passed away at his home Thursday, July 1, after a lingering illness. Mr. Carlson was born in the province of Ellsborough, in Sweden, May 5, 1849, and on June 23, 1877, he was married to Pauline Josephine Swenson. In 1880 Mr. and Mrs. Carlson came to America, making their home in Pennington county, Pennsylvania, for a number of years, where they were engaged in farming.

In 1905 Mr. Carlson and family moved to Minnesota and made their home on a farm near this village, where they have since resided. To mourn his departure he leaves his devoted wife, and nine children, five sons and four daughters, one son having been killed by lightning a number of years ago, besides relatives and many friends. The children are Alfred and Oscar of Gilbert, Edward of Morgenville, Kansas, Mrs. Lorenz Locke of Erie, Mrs. John Stanley of Dalton, Mrs. Ed. Peterson at Hazel and Mrs. Ed. Pearson of this village.

Picnic in Aubol's Grove

The picnic at Aubol's grove sponsored by the Norwegian Lutheran church of St. Hilaire on Sunday was very well attended. Rev. C. M. Grimsrud conducted open-air services in the morning following which dinner was served by the Ladies Aid of this church. In the afternoon the choir of the church gave a few selections; Mrs. O. S. Meiling of Thief River Falls rendered a beautiful solo; after which Judge Andrew Grindeland of Warren gave a speech most befitting for the occasion. Members of the Lutheran League had charge of stands at which were sold candies, ice cream and pop.

Camping at Lake Euclid

A party consisting of Mr. and Mrs. Ralph Roy, Mr. and Mrs. Paul Roy, son Billy, Mr. and Mrs. John Hansen, and Edwin and Ruth Roy, motored Saturday to Red Lake to have a camping experience. Despite the fact that the mosquitoes are rotting numerous each day a most enjoyable time was enjoyed. They returned home Monday morning.

Reunion Dinner

At a six o'clock dinner Sunday relatives and members of

SETTLEMENT OF JUNE, 1926, TAX TOTALS $201,133

(Continued from Page 1)

ed on delinquent taxes amounted to $6,201, as compared to $7,463 last year.

Of the $47,237.87 "apportioned" to the 21 townships, two villages and one city in the county, city of Thief River Falls gets $28,093.35, or two-thirds of the total. In June, 1925, the city received $27,318 and in June, 1924, a total of $31,407. Following are the sums apportioned to township and villages, with comparisons to the June, 1925 apportionment:

	1926	1925
Bray	$422.24	$429.77
Black River	506.84	507.31
Clover Leaf	411.06	443.74
Deer Park	893.76	893.76

50	224.24	168	224.24
51	189.80	228	224.24

The top rung of the ladder is the hardest one to stick to.

WILL SHIP TO ST. PAUL

Shipping of poultry to the new feeding and dressing plant at St. Paul has been started by the Thief River Valley Co-operative Poultry Association, which announces in an advertisement in this issue that a five-poultry car will be loaded here next Monday, Tuesday and Wednesday. The freight cost will be reduced considerably it is announced by Manager R. G. Norby. The poultry if dressed at the St. Paul plant and sold under the Lake Region brand the same as eggs. A large increase in poultry flocks is reported throughout this territory, Mr. Norby reports. The local district association this week received a check of $781.06 as its share of the dividends earned by the supply department of the state exchange during 1925. Supplies are handled by the department associations from the state wholesale house, and earnings are divided in proportion to the amount of supplies bought.

ELEVATOR COMPANIES ELECT

At the annual meeting of the Plummer Co-operative Grain Company held in the Farmers' Union hall, the following officers were re-elected: Marius Wahlal, president; M. E. Sutton, vice president; H. A. Hendrickson, secretary; Oscar Stinson, treasurer; Carl Hanson, director. Andrew Gunderson was again engaged as manager. The total receipts for the year were $36,292 with a net profit of $648.

The following were elected directors of the Farmers & Merchants Elevator Company of Newsholm at the annual meeting June 26: H. E. Myhre, Ole Hauge, Ole Hoffe, A. Nesse, Abel Anderson, Rolf Tandberg and Carl Hanson. The latter was re-elected secretary with the Northwestern Grain Marketing company.

CALL FOR ROAD BIDS

Bids on 5 trunk highway projects will be opened by the state highway department July 27, Commissioner C. M. Babcock announced this week. Studies widening of bridge No. 2206 on No. 1 in Red Lake county, and bridge No. 1220 foot bridge on No. 11, near International Falls.

MRS. ADAM ZEH

Phil Zeh and Miss Muriel Kaufer, sister-in-law, Mrs. Gertrude Kaufer, motored to the home of Mrs. Zeh's parents, Mr. and Mrs. G. O. d'Aubuchon of Missoula, Mont., on the 4th of July to attend a band, Adam Zeh of Kelloe, Idaho, another daughter, Mrs. H. R. Hurlbut, of Glendive, Montana, a son, Lawrence, university student, two brothers, Phil Zeh of Calgary, Canada, and Ing. Zeh of Seattle, and Miss Mary Zeh of the pioneer registers of early Polk county.

NOTICE FOR BIDS

Bids will be received July 12, 1926, at 7:30 p. m. at the Lincoln high school district by board of education of independent district No. 8, for four (4) carloads of Youghiogheny Pocahontas steam egg coal delivered F. O. B. in bins at the various schools on or before September 1, 1926. Run of scale weight. The board reserves the right to reject any or all bids.

Local Scouts Off for Ten-Day Camp At Union Lake, July 19

Plans are being made by about 20 Thief River Falls boys to join Boy Scout Troops 2 and 4 to enjoy a ten-day outing at Camp Rotary on Union lake beginning July 19. The boys will be accompanied by their scoutmasters, Rev. H. H. Lajoye and Gunther Tessum, and are looking forward to one of the most interesting periods of their lives.

The Times editor, together with Dr. H. W. Froehlich and Rev. Lorent, visited the camp under the direction of Scoutmaster Tessum last week and was deeply impressed with the manner in which Grand Forks Boy Scouts have laid out the use of one of Minnesota's 10,000 lakes this year to give 600 Boy Scouts a taste of outdoor life, and good health coupled with a season of Scout training to want sound American citizenship that would be difficult to get in any other way.

Camp Rotary on Union lake, near Erskine, will next week open the fourth of a series of six summer camping periods under the direction of Executive W. H. Evans. The camp is under supervision of the Grand Forks Rotary club in better boyhood. The club purchased the site, 24 acres in all, erected a mess hall and a boys' bunk house. Later an officers' quarters was added. The camp site is also a promontory rising about 18 feet above the lake and lends itself from the standpoint of sanitation, fresh air and the necessary seclusion to successful summer camping for boys.

A visit to the camp will disclose that the secret among the factors making for its success this year is the cleanliness. Mr. Evans with his winning personality and fine understanding of boys, has a camp site impressed with the fact that any parent, no matter how discriminating, need have no fear of sending the boy for a while in camp, because his health, habits, morals and character are taken care of in the best of practicable manner. A corral is at the camp where horses are kept for the use of the boys in riding. The 50 cents a day charged the camp merely covers the cost of meals.

In order to stimulate interest in the camp, Scoutmaster Tessum and the Thief River Falls Commercial club have offered, at the meeting held last night, to appropriate money for prizes to winners in the various contests. Under these prizes many of the boys will also secure merit badges while in the camp. William Frechette, who this year was advanced to Life Scout while attending camp last year, came out first this season. When brought back he immediately started in training others. The camp then accompany his parents on a trip to Winnipeg, having become intensely interested in camp life.

The Union lake camp this year is the only one in the state. Seventy-six scouts from all Minnesota, North and South Dakota and a portion of Wisconsin. About 100 boys usually make up a camp.

Parents should make it a point to visit the boys at the camp to see what the cost and conditions are. Those who have done so have returned with the statement that visitors are received with attention. Supper is followed by games, campfire stories, and announcements before "taps" bring the day to a close.

Sunday, besides bringing a cessation of all scout activities, brings ice cream and the folks from home, and it is only on Sunday that visitors are permitted to enter the camp. Special attention is given on Sunday to religious observance.

Boy Scouts at Camp Rotary are divided into patrols and each patrol exemplifies the spirit of the American rolling pot. Boys from half a dozen different states assembled at the camp as strangers on the opening day of each period but are calling each other by first names on the second day and at the end of the ten-day period each boy has learned the lesson of co-operation with other boys if he has not learned it before.

Boys are not permitted to keep money in camp but must deposit what they bring with the executive, who issues coupons to spend during the week. Each day opens "canteen" when each boy is permitted to spend five cents or less, according to his age. The boy who might well afford to spend many times cents a day is placed on a level with the boys to whom a dime looks like a fortune. No boy in camp is exempt from camp duty regardless of how lowly or exalted it may be. Discipline is good and the spirit of the camp desired.

An interesting study is the growth of character with which the executive governs the boys. They are "followed" by Mr. Evans in the effort to develop in them a feeling of responsibility and pride which will lead them to keep on the job with credit to themselves and to the camp.

The afternoon also marks an record as favoring the active support of the county fair next month, appropriating the sum of $200, which amount has been given the association for several years. The money will all go into permanent improvements.

Leonard Peterson and H. Jensen of Crookston, representing the Interstate Power company, which owns the city's line running past the city, appeared before the council relative to serving residents of the town of North just outside the city limits, especially the Soo shops, with light and power. The company did not wish to go ahead with the matter if the citizens were not positive they would take care of such business. A survey of what the city wanted to do to the men without work and the business had been made here with any plans of the council in the matter. The men said no definite plans starting work on the dam early next spring.

The report of the Elks that the city council take steps to instal play ground apparatus in the city park was on motion referred to the park board. The appointment of Lakins Jr. Edwards as a member of the fire department was confirmed by the council after consideration. Three milk licenses were granted on approval of the city health inspector while a temporary soft drink license of Mrs. O. C. Hanson was granted. Monthly accounts were also received and ordered filed and monthly bills allowed. The police report showed six arrests in June, one bootleg, two drunks, and three speeders.

Ludvig Gullickson of St. Paul, member of the Minnesota rural credits bureau, spent Tuesday in town for a few days in this vicinity on business for the bureau.

DITCHES NOW DODGE

While driving his new Dodge sedan Monday afternoon on the highway northwest of town, George Williams and the misfortune to skid off the road into the ditch, ripping off the fenders of the car and scratching up the body in one or two places, however, and after a few repairs, Mr. Williams says the car is in fine shape.

PLAN CHAMBERY PICNIC

P. O. Mathews of Erskine, president of district No. 14 of the Land O'Lakes Creameries' Association, was in the city yesterday in connection with a picnic of the district association at Maple Lake on Sunday, July 25. There will be music by bands and addresses and interviews by several prominent speakers, including A. J. McGuire, manager of the state creameries' association and commissioner N. J. Holmberg or Deputy Commissioner J. H. Hay of the state agricultural department. Members of district No. 14 are also invited to participate in the picnic, for which extensive plans are being made.

Eleanor G. Mork

Eleanor G. Mork, aged 13 years, 8 months and 23 days, passed away at a Tacoma hospital after years illness of Tuberculr Meningitis. Funeral services will be held from the parents, Mr. and Mrs. Severin Mork of this city, Wednesday, July 28 at 2 p. m. Interment in the Tacoma cemetery. Miss Mork was born at Tacoma and attended the public schools there. She was a member of the Methodist Episcopal church. Besides the parents, Mr. and Mrs. Severin Mork of Tacoma, she is survived by a brother, Leonard Mork of Tacoma and two sisters, Mrs. Ida Gay of Denver and Lillian and Verna of Puyallup, who attended the funeral except Arthur, who was in Alaska. Mrs. Mork and Lillian Mork are former residents of Thief River Falls, Mrs. Mork having lived here in several small towns around, going out west four years ago.

How to Fail in Dairying Told by Iowa Specialist

A method of dairying a lot of milking to do is to follow the practices offered below, according to Carl Gunderson, dairy specialist at the Swedish specialist, Iowa State college.

Keep the milking cows in the corner lot, the farther away the better. It is difficult to milk by lantern light.

Milk when you please, since cornstalks because these are low in protein, a muscle builder—the cows can get along without.

Don't use balanced rations.

Don't use a silo—silage stimulates production.

Have a pitchfork ready at all times to feed the cows a few forkfuls. Always put them with a milk stool.

Keep 30 cows that produce 150 pounds of milk each year rather than 15 that average 300 pounds of fat.

Milk as rapidly as you can—be a fast milker.

June 24-July 1-8

CALL FOR PAINTING BIDS

Notice is hereby given that independent School District No. 18, Thief River Falls, Minnesota, will receive painting bids at 7:30 o'clock p. m. July 12th, 1926, for painting the exterior of the projects listed below. Bids are to be listed separately, and the board reserves the right to reject bids in full or in part.

Project No. 1—

To paint with one coat sizing and two coats of good grade paint the following rooms in the Lincoln building: Room No. 204; room No. 205; the principal's office; and the walls of the freshman hall from the mopboard up to the cast ceiling, a point about five feet from the floor.

Project No. 2—

To paint the windows sashes and storm windows two coats with graphite exterior paint and to putty the same in the Mechanical building.

Project No. 3—

To paint with two coats linseed oil exterior of the Washington building, as well as the exterior woodwork of the Lincoln and Jefferson schools.

Information concerning all the above work may be secured from Fred Holzknecht at the Lincoln building or from Mrs. Hogensen at 1 Knutson Address all bids to Mrs. Frances R. Larsen, Clerk.

F. O. HOGENSEN, President.
FRANCES R. LARSEN, Clerk.

BIRTHS

To Mr. and Mrs. Henry Nabben, Monday, July 5, a boy.

To Mr. and Mrs. Carl Buppreil, Wednesday, June 30, a boy.

To Mr. and Mrs. Owen Evenstad, Wednesday, July 7, a boy.

America Leads Nations In Use Of Ice Cream

If any one food may be considered as America's national dish, it is ice cream.

Ice cream is a food particularly adapted to the needs of individuals of all ages, giving as it does the best type of nutrients for the repair of tissue, blood and muscles and for energy.

Today thousands of housewives make their own ice cream. As a consequence, the making of this highly nutritious food at a reduced cost, yet *without in any way impairing* the product, is of importance.

Home economists have found a means to this end in the use of evaporated milk. There are three superlative reasons why evaporated milk

makes the best ice cream, they point out. Because 60 per cent of the natural water has been removed, milk has been reserved by evaporation. There is over twice the percentage of solids in evaporated milk as in fresh milk. There is in ordinary market milk—and this is the solids that give ice cream its richness, flavor, and body, at moment.

Then, the composition of evaporated milk is constant, for the reason that it has been put through an homogenizer, a machine which breaks the fat globules into tiny particles and distributes them evenly throughout the milk. This additional reason why evaporated milk is ideal.

Finally, experts agree that the use of evaporated milk in ice cream contributes to smoothness. And that is the reason that evaporated milk is entirely sterile. Health authorities declare that ice cream should never be treated to a heat of 150 degrees F. for half an hour in order that it may be produced free from infective organisms. Evaporated milk is processed at 240 degrees for 20 minutes, and, therefore, its sterilization may be relied upon. Ice cream manufacturers purify in proportion to the amount of evaporated milk used.

U. C. C. STUDENTS GET BEST PLACES

Students of the Union Commercial College, Grand Forks, No Dak., are wanted. The U. C. C. is a FULLY ACCREDITED school — its entire course of study that fits you without delay for a position. Also for immediate employment. Isaiah McCoy secured a position with Red River Brick Co. and Miss Paul with Drown-Dakota Investment Co. of this city. Send for free catalog and find out how. FULLY ACCREDITED school will cost you and what a short time it will take. 22tf

MINNESOTA HISTORICAL

GETTING READY FOR MINNESOTA W. C. T. U. MEET

Local Committees Arrange for 50th Annual Convention Here August 18 to 22

N. D. LEADER AND STATE ATTORNEY WILL SPEAK

Local Talent to Furnish Many Musical Numbers—300 Delegates Expected

With plans for the 50th annual convention of the Minnesota Women's Christian Temperance Union in the city August 18, 19, 20, 21 and 22 practically completed, indications are that it will be one of the best meetings in the history of the association. Between 250 and 300 delegates from all parts of the state are expected to come here to hear of the progress which the Minnesota W. C. T. U. has made in education of the people to better understanding of law enforcement and in extending the influence of its members since the first of the year.

Miss Elizabeth Preus Anderson, Fargo, N. D., president of the North Dakota W. C. T. U. will accordingly be present and guests of honor at the convention, according to announcement made this week by Mrs. B. L. Sowell, Minneapolis, publicity chairman.

Mrs. Anderson will preach the convention sermon Sunday, August 22, on the subject, "Where is Your Candle?" Mr. Wilson will give the closing address on Wednesday, August 25.

Mrs. Sowell is General Chairman

On arrival of delegates August 18, the housing committee, headed by Mrs. A. Clark as chairman, will assign them to the homes and meeting of the executive committee will be held at 2:30 p. m. Mrs. O. R. Sande is chairman of the registration committee which will start in all day meetings will be held. The evening sessions will be held in the high auditorium. The transportation committee, headed by Mrs. J. H. Halliday, will be in charge of the booth and directing visitors to the homes in the city where they may be located. A music club is giving valuable assistance in solving the housing problem and assurance is given that every delegate will be comfortably accommodated, according to Mrs. J. C. Sather, president of the Thief River Falls Union and general chairman of the convention.

There will be a meeting of the executive committee on Wednesday afternoon, and a union gospel meeting will

(Continued on Page 8)

NEW PUMP AT POWER STATION PURCHASED

City Adds $1100 Unit to Assure Service—$400 Appropriated for County Fair

Believing that 25 years of active service of the large pump at the power plant is sufficient to warrant the installation at an additional unit of the same capacity, the city fathers at their regular meeting Tuesday night awarded the contract for the unit to the J. G. Robertson Co., of St. Paul on that bid of $1,020, with the provision that a lower bid was higher one, while four other Twin City firms presented bids ranging from $1,050 to the highest being $2,150. However, the choice was made by the council after listening to Water & Light Superintendent Ole Leland and Fire Chief Paul Midderigh. The new pump will be able to deliver 800 gallons per minute with a 175 foot head, thus not endangering the bursting of any of the city mains as might be the case with pumps of a higher power.

The afternoon also made an record as favoring the active support of the county fair next month, appropriating the sum of $200, which amount has been given the association for several years. The money will all go into permanent improvements.

Leonard Peterson and H. Jensen of Crookston, representing the Interstate Power company, which owns the city's line running past the city, appeared before the council relative to serving residents of the town of North just outside the city limits, especially the Soo shops, with light and power. The company did not wish to go ahead with the matter if the citizens were not positive they would take care of such business. A survey of what the city wanted to do to the men without work and the business had been made here with any plans of the council in the matter. The men said no definite plans starting work on the dam early next spring.

The report of the Elks that the city council take steps to instal play ground apparatus in the city park was on motion referred to the park board. The appointment of Lakins Jr. Edwards as a member of the fire department was confirmed by the council after consideration. Three milk licenses were granted on approval of the city health inspector while a temporary soft drink license of Mrs. O. C. Hanson was granted. Monthly accounts were also received and ordered filed and monthly bills allowed. The police report showed six arrests in June, one bootleg, two drunks, and three speeders.

Ludvig Gullickson of St. Paul, member of the Minnesota rural credits bureau, spent Tuesday in town for a few days in this vicinity on business for the bureau.

San. Commission to Let Contract for $30,000 Addition Today—Work to Start at Once

Members of the Oakland Park Sanitarium commission representing Mrs. Marshall, Red Lake, are in session today at the courthouse to receive bids for the construction, heating, plumbing, electrical work for an addition to the present sanitarium building. Plans, building specifications and contracts are on file for the inspection of contractors at the office of the auditor.

Excavation for the annex is to be started immediately, the project to be completed in about five months.

This will be the third big building project here this year, the new Trinity Lutheran church and the Peoples Oil company service station now being under construction. The fall stable, implement building, but bricklaying on the church job has been delayed a few days on account of the late arrival of certain building material, some of which was received Monday.

MUCH ROAD WORK BEING DONE HERE

Many Pennington County Highway Projects to Be Completed This Year

No bids being entered for the road construction on the south side of section 23 in Black-River township, it was decided to proceed with the day labor. Sealed proposals were to have been received Saturday at 11 o'clock by Auditor Sam Lee of Thief River Falls, but as no bids were received the auditor was instructed to proceed with the work. Several entries have been received for the construction of the bridge in Lincoln township, but it is expected that there will be at least eight or ten starters. Several local contractors have signified their intention of bidding on the job, it is said. Several entries are expected for the construction of the bridge in Huntsville township, which is also a number of good race horses.

Following the five-county race on Thursday, there will be a 2:20 trot or pace for a $300 purse and a free-for-all gram including a 2:25 trot or pace for a $300 purse and a free-for-all for which a $300 purse is offered. Into the free-for-all entries are coming this week offering an additional prize for lowering the track record of 2:18.4 made on the same track two years ago. The track is in fine condition and the opening races of the Northwest are expected to draw a large crowd, reservations having already been received. Entries close at noon today.

Members of the race committee, in addition to Dr. Moody, are W. H. Froehlich and Ole Leland.

Preparations for the fair are also in the best ever, in addition to an extensive program of entertainment, the premium list is particularly favorable for dry displays. Farmers and others are already starting to plan their exhibits. Many farmers are planning large livestock displays will be in evidence this year, for which must be entered by Secretary J. J. McCann on or before July 20.

Publicity material advertising the fair and the many attractions to be offered has been distributed throughout a wide territory

PLANS FOR TOUR TO RED LAKE UNDERWAY

Commercial Club May Sponsor Community Tour to Resort Next Thursday, July 22

Among the matters scheduled for the meeting of the Commercial club this evening will be the proposed tour of Thief River Falls people over the new highway to the Red Lake narrows Thursday, July 22. The tour is similar to that of last year. It is hoped that a large number will make the trip at this time, which is an effort to call further attention to the natural facilities of the narrows as a summer resort. The road to the lake is now partially under present conditions, many having made the trip this week-end and summer, but it is hoped to improve the rides road south from Thief River Falls before the time of the tour.

Following the club meeting today, a meeting of directors of the Red Lake Summer Resort association is scheduled to be held in the Commercial club rooms for the purpose of electing officers and attending to other business which may come up. The meeting was called by President E. O. Stegerson and Secretary Geo. M. Wilson.

Officers of the resort association and others connected with the promotion of the lake road project are expected to be present at the meeting this evening. Reports of the highway from the Pennington county line to the narrows is the best to be had in the future. Some plan of building this road is being worked out by Beltrami county in co-operation with the state highway department. With the beginning of the harvest season, many of the problems are solved. Large numbers of tourists from all parts of the northwest and other parts of the country will visit the wonderful resort. Already much interest is evidenced in many quarters.

THORSTEN J. QUAMME

Thorsten J. Quamme died at his home in Huntsville township, Pennington county, at the age of 81 years, 11 months and 24 days, death being caused by heart trouble. Mr. Quamme was born in Norway, coming to this country sixty years ago and living in Wyandotte township the past twenty-two years. Funeral services will be held this afternoon in the Zion Lutheran church, after which interment will be made in Greenwood cemetery. He is survived by his wife, two sons and two daughters, all residents of this county.

RACES BETWEEN LOCAL HORSES TO BE REVIVED

Pennington, Marshall, Red Lake, Polk, Kittson Horses Will Compete at Fair Here

BEST RACE PROGRAM EVER, COMMITTEE SAYS

Exhibitors Begin Planning for Displays of County's Best on August 4, 5, and 6

Visitors to the 1926 Pennington county fair at Thief River Falls August 4 to 6 will have opportunity to see the finest program of horse races ever staged here in 25 years or more, C. E. Penney, chairman of the race committee, this week announced. For three days, Thursday and Friday will feature the entertainment program of the fair, preparations for which are being made by the race committee. The $1500 in purses and $250 in reserve for specialty races has been appropriated by the city council for the race program, assuring a larger number of the 2:25 trot or pace, the 2:20 trot or pace, the free-for-all and the running events.

Each feature of the races this year will be the 2:25 trot or pace, the opening event on the first day. Horses from Marshall, Red Lake, Polk, and Roseau counties will compete for a $300 purse. It is expected to arouse a great deal of interest in this type of racing, as several entries have been received from horsemen in the counties mentioned. It is likely that there will be at least eight or ten starters. Another local feature will be the free-for-all pace for a purse of $300. Here, too, several entries are expected to be added. Several entries are expected for the 2:20 trot or pace, which is also a number of good race horses.

Following the five-county race on Thursday, there will be a 2:20 trot or pace for a $300 purse and a free-for-all gram including a 2:25 trot or pace for a $300 purse and a free-for-all for which a $300 purse is offered. Into the free-for-all entries are coming this week offering an additional prize for lowering the track record of 2:18.4 made on the same track two years ago. The track is in fine condition and the opening races of the Northwest are expected to draw a large crowd, reservations having already been received. Entries close at noon today.

Members of the race committee, in addition to Dr. Moody, are W. H. Froehlich and Ole Leland.

WILL SHIP TO ST. PAUL

Shipping of poultry to the new feeding and dressing plant at St. Paul has been started by the Thief River Valley Co-operative Poultry Association, which announces elsewhere in this issue that a live poultry car will be loaded here next Monday, Tuesday and Wednesday. The freight cost will be $75.00 per carload and the car is fitted out by Manager H. G. North. The poultry if dressed at the St. Paul plant and sold under the Lake Region brand the same as eggs. A large increase in poultry flocks is noted throughout this territory, Mr. Norby reports. The local district association this week received a check of $721.98 as its share of the dividends earned by the supply department of the state exchange during 1925. Supplies are purchased at wholesale prices from the department by member associations and at the end of the year the earnings are divided in proportion to the amount of supplies bought.

ELEVATOR COMPANIES ELECT

At the annual meeting of the Plummer Farmers Elevator Co., held June 26 at the Emsdeville town hall, the following officers were re-elected: Marius Wahlal, president; M. E. Fallan, vice president; H. E. Pederson, secretary; Oscar Wilson, treasurer. Directors elected were Andrew Gunderson was again engaged as manager. The total receipts for the year were $3,270,000 with a profit of $548.

The following were elected directors of the Farmers & Merchants Elevator Co. at the annual meeting: Ole Anderson, Ole Dalle, John Swanson, Carl Anderson, Rolf Tandberg and Carl Hanson. It was decided not to federate with the Northwestern Grain Marketing company.

CALL FOR ROAD BIDS

Bids on 15 trunk highway projects will be opened by the state highway department July 27, Commissioner C. M. Babcock announced today. The list includes widening of bridge No. 2026 on No. 11, near Thief River Falls, and a 120-foot bridge on No. 11, near Interna-tional Falls.

MRS. ADAM ZEH

Phil Zeh has received word that his sister-in-law, Mrs. Gertrude Kaufer (Zeh) died at the home of her daughter, Mrs. O. G. Aalsbrenner, in Minneapolis, Mont. She is survived by her husband, Adam Zeh, of Helena, Mont., and other daughter, Mrs. H. R. Hurlbut, of San Antonio, Texas, and a son, Ralph, a university student. two brothers, Phil and Walter Zeh of Seattle, and Henry Zeh, of Calgary, Canada, and one sister, Mrs. W. F. Frost of Hammond, Ind. Mrs. Zeh formerly lived in this city and vicinity, Adam Zeh having been one of the pioneer registrars of deeds of Polk county.

NOTICE FOR BIDS

Bids will be received July 12, 1926 at the clerk of the Lincoln public school office by the board of education of Independent District No. 18, for four (4) carloads of Youghiogheny or screened gas coal delivered at Lincoln, F. O. B. in bins at the school by September 1, 1926 or before September 15, 1926 as to weight. The board reserves the right to reject any or all bids.

MRS. FRANCES B. LARSEN, Clerk.

Local Scouts Off for Ten-Day Camp At Union Lake, July 19

Plans are being made by about 50 Thief River Falls boys to go to Scout Troops 3 and 4 to enjoy a ten-day outing at Camp Rotary on Union lake, beginning July 19. The boys will be accompanied by their scoutmasters, Rev. R. H. Aarvig and Gyniher Torgerson, and are looking forward to one of the most interesting periods of their lives.

The Times editor, together with Dr. H. W. Frothiich and Rev. Lorenz, visited Camp Rotary one evening last week and was deeply impressed with the manner in which Grand Forks Boy Scout council is making use of one of Minnesota's 10,000 lakes this year to give 600 Boy Scouts a taste of *out-door life, and good health coupled* with a session of Scout training to make them better American citizens that would be difficult to get in any other way.

Camp Rotary on Union lake, near Erskine, will next week open the fourth of a series of six summer camps now in the direction of Scout Executive Mr. Myers. The camp is the contribution of the Grand Forks Rotary club to better boyhood. The club purchased the site, 9.4 acres in fee, erected a mess hall and four bunk houses. Later an officers' quarters will be added. The camp site is on a promontory rising about 15 feet above the lake and lends itself from the standpoint of sanitation, fresh air and the necessary seclusion to successful summer camping for boys.

A visit to the camp will disclose that Director Myers is among the factors making for its success this year in the camp director, Mr. Evans with 15 years' experience ability and fine understanding of boys. One is at once impressed with the fact that any parent, no matter how discriminating, need have no misgivings as to the welfare of the boy while in camp, because his health, safety, morals and character are in safe keeping. Even if he is not a swimmer, and he is not, he is sent home as soon as he has learned to swim sufficiently well to be safe. Mr. Evans is ably assisted by Jack Wiedenhoft, assistant director, who is also a life guard at the camp.

In order to stimulate interest in the various Scout activities, there will be the Thief River Falls Commercial club at last Thursday's meeting decided to purchase a handsome loving cup to be awarded to the troop scoring the most points during the season. When brought back he declared he would rather remain at the camp several weeks than to undertake a trip to Wisconsin, having become completely interested in camp life.

The Union lake camp this year is the only Scout camp in the Red River valley of Minnesota, North and South Dakota and a portion of Wisconsin. Scouts from Wisconsin, Montana and many swimming periods are crowded into the week.

Everyone should make it a point to visit the boys at the camp to see what is actually being done. It must be remembered that visitors are received on Sunday only.

Some people find life very similar to a waterfall; they work all week, but next act will be a little better, but it never comes.

A promise given with caution is generally kept with care.

BIRTHS

To Mr. and Mrs. Henry Nabben, Monday, July 5, a boy.

To Mr. and Mrs. Ed. Rappmuhl, Wednesday, June 30, a boy.

To Mr. and Mrs. Owen Eventzal, Wednesday, July 7, a boy.

DITCHER NEW DODGE

While driving his new Dodge sedan Monday afternoon on the highway northeast of town, Oscar Wilson had the misfortune to skid off the road into the ditch, ripping off the fenders of the car and scratching up the top. No one was hurt, however, and after a few repairs, Mr. Williams expects his car to look none the worse for the accident.

PLAN CREAMERY PICNIC

H. O. Meisnes of Erskine, president of district No. 14 of the Land O'Lakes Creameries' Association, was in the city yesterday in connection with the picnic of the district association at Maple Lake on Sunday, July 25. There will be music by bands and choruses and addresses by several prominent speakers, including A. J. McGuire, manager of the state creameries' association, Minneapolis; Commissioner J. Holmberg or Deputy Commissioner J. H. Hay of the state agricultural department. Members of district No. 17, which was formerly a part of No. 14, are also invited to partake in the picnic, for which elaborate plans are being made.

Eleanor G. Mork

Eleanor G. Mork, aged 13 years, 3 months and 23 days, passed away at the residence of her father, after two weeks' illness of Tuberculi Meningitis on Wednesday, July 7, 1926 at 4:30 p. m. Deceased was born in Pennington county, Minn., and Mrs. Severin Mork of Pennington county, Minn., who died in the U. S. Navy and Warren of Puyallup; five sisters, Mrs. Mathilda Bjornson of Thief River Falls, Minn., Mrs. Marie Gay of Denver and Esther and Ruth Mork of Puyallup, Wash. Also the funeral except Arthur, who was unable to be present. Mrs. Bjornson and Mrs. Gay are former resident of Thief River Falls and are also well known to several of the older residents.

Funeral services will be held from the Thief River Falls Commercial club at last Thursday's meeting decided to purchase a handsome loving cup to be awarded to the troop scoring the most points during the season. When brought back he declared he would rather remain at the camp several weeks than to undertake a trip to Wisconsin, having become completely interested in camp life.

The Union lake camp this year is the only Scout camp in the Red River valley of Minnesota, North and South Dakota and a portion of Wisconsin. Scouts from Wisconsin, Montana and many swimming periods are crowded into the week.

Everyone should make it a point to visit the boys at the camp to see what is actually being done. It must be remembered that visitors are received on Sunday only.

Some people find life very similar to a waterfall; they work all week, but next act will be a little better, but it never comes.

A promise given with caution is generally kept with care.

America Leads Nations In Use Of Ice Cream

If any one food may be considered as America's national dish, it is ice cream.

Ice cream is a food particularly adapted to the needs of individuals of all ages, as it gives in due form the best type of nutrients for the repair of worn tissue, blood and muscles and for energy.

Today thousands of housewives make their own ice cream. As a consequence, the making of this highly nutritious food at a reduced cost, yet without in any way impairing the product, is of importance.

Home economists have found a means to this end in the use of evaporated milk. There are three important reasons why evaporated milk

makes the best ice cream, they point out. Because 60 per cent of the natural water in evaporated milk has been removed, evaporated milk is richer in the solids that give ice cream its pleasing flavor, this fact is of moment.

Then the composition of evaporated milk is constant, for the reason that it has been put through an homogenizing process, which breaks up the fat globules, distributing them evenly throughout the milk. This uniformity gives an ice cream mixture of uniform quality and fine texture.

Quality experts agree that the use of evaporated milk in ice cream contributes to its hygienic qualities, for the reason that evaporated milk is entirely sterile. Health authorities declare that all milk and cream should be heated to a heat of 150 degrees F. for half an hour in order that a product may be safe and free from infective organisms. Evaporated milk is processed at 240 degrees for 20 minutes and, therefore, its introduction into the ice-cream mixture increases its purity and protects to the amount of evaporated milk used.

How to Fail in Dairying Told by Iowa Specialist

A sure way to avoid having a lot of trouble to do is to follow the suggestions offered below, according to Burt Oberstar, dairy production extension specialist at the state college.

Keep the milking cows in the corner of the barn lot during the winter—it is difficulty to milk by lantern light.

Feed timothy hay, straw or cornstalks because alfalfa may be injurious, a muscle builder—the cows can't be handled.

Don't use balanced rations.

Don't use a silo—silage stimulates production.

Have a pitchfork ready at all times to teach cows their places. Always use a milk stool.

Keep 30 cows—that is the number of cows of all breeds that on the average 300 pounds of fat.

Keep a scrub bull or cow freshener.

June 24-July 1-8

CALL FOR PAINTING BIDS

Notice is hereby given that the independent School District No. 18, Thief River Falls, Minnesota, will open painting bids at 7:30 o'clock p. m. July 12th, at their regular meeting on the projects listed below. Bids are to be listed separately, and the board reserves a right to reject bids for all or part.

Project No. 1.

To paint with one coat sizing and two coats of good grade paint the following rooms in the Lincoln building: Room No. 204; room No. 205, the principal's office; and the walls of the freshman hall from the mopboard up to the cast railing, a point about five feet from the floor.

Project No. 2.

To paint the window sashes, and storm windows term first and second grade exterior paint and to putty the lights in the Mechanical building.

Project No. 3.

To paint with two coats flat brick interior the Washington building as well as the exterior woodwork of the same and the Wilson range.

Information concerning all the above work may be obtained from Carl Holzknecht at the Lincoln building or from Mr. O. Mogensen, Clerk. Address all bids to Mrs. Frances B. Larsen, Clerk.

O. MOGENSEN, President.

THIEF RIVER FALLS TIMES

Volume 16. Thief River Falls, Pennington County, Minnesota, Thursday, July 15, 1926 Number 24.

MINNESOTA HISTORICAL

GETTING READY FOR MINNESOTA W. C. T. U. MEET

Local Committees Arrange for 50th Annual Convention Here August 18 to 22

N. D. LEADER AND STATE ATTORNEY WILL SPEAK

Local Talent to Furnish Many Musical Numbers—300 Delegates Expected

With plans for the 50th annual convention of the Minnesota Women's Christian Temperance Union in this city August 18, 19, 20, 21 and 22 practically completed, indications are that it will be one of the best meetings in the history of the organization, with between 250 and 300 delegates from all parts of the state are expected to come here to attend the convention which the Minnesota W. C. T. U. has made its educational center for the better understanding of law enforcement and the welfare of the people of new members since the first of the year.

Miss Elizabeth Preston Anderson, Fargo, N. D., president of the North Dakota W. C. T. U. and recording secretary of the national organization, and Chester Wilson, St. Paul, assistant attorney general of Minnesota, are among the guests of honor at the convention, as are several prominent officials of the Minnesota department of agriculture, Examiners being Miss Ida, pencil and tablets.

O. R. SANDE,
County Superintendent.
Dated T. R. Falls, July 7th, 1926.

Mrs. Anderson will preach the convention sermon Sunday, the closing day of the meetings in the form of a "Our Candle Tea" Mr. Wilson will give the closing address on "Citizenship" Sunday night.

Mrs. Nye, General Chairman

On arrival of delegates August 18, the housing committee, headed by Mrs. A. B. Olson, will have charge. It will also then to hostesses and seating of delegates by districts at the banquet, and Mrs. O. R. Sande is chairman of the banquet committee. The organization will take place at the high school, in the auditorium of which all of the meetings will be held. Evening sessions will be held in the city auditorium. The corporation counsel, Mrs. Mrs. H. L. Hanson, will be in charge of the meetings, directing visitors to the homes in the city where they will be. The Women's club is giving valuable assistance in solving the housing problem and reports indicate that every delegate will get comfortable accommodations, according to Mrs. A. B. Olson, president of the Thief River Falls Union, and general chairman of the local committee.

There will be a meeting of the executive committee on Wednesday afternoon, and a union service that evening.

(Continued on Page 8)

NEW PUMP AT POWER STATION PURCHASED

City Adds $1100 Unit to Assure Service—$400 Appropriated for County Fund

Believing that 25 years of active service of the large pump at the power plant is sufficient to warrant the installation of an additional unit at the same capacity, the city fathers at their regular meeting Tuesday night unanimously authorized the purchase of the J. G. Robertson Co., of St. Paul of a new pump, similar to the one now in use, but with intervening period of 25 years, the new unit will be much more efficient than the old, with two higher ones while four other Twin City firms presented their bids, the Robertson bid being the highest being $2,160. However, the choice was made by the council after listening to Water & Light Superintendent Gilbert Swan, and City Engineer Paul Middaugh. The new pump will be able to deliver 1,000 gallons per minute with a 175 foot head, thus not endangering the bursting of any of the city mains as might be the case with pumps of a higher power.

The aforesaid action was on record as favoring the active support of the county fair next month, appropriating the sum of $200, which amount has been given the association for several years. The money will go into permanent improvements.

Leonard Peterson and H. Jensen of Crookston, representing the Interstate Power company, which owns the electric line running past the city, appeared before the council relative to securing residents of the town of North Johnsville with electric lights, especially the Soo shops, with light and power. The company did not wish to go ahead with the matter if the aldermen were not positive they would take care of such possible patrons. Learned that the city wanted to do so the men withdrew and the company will not interfere with any plans of the council in the matter, which at present contemplates starting work on the line early next spring.

The request of the Elks that the city council take steps to instal play ground apparatus in the city park was on motion referred to the park board. The appointment of LaRue Jr. Edwards as a member of the fire department was confirmed by the council after due consideration. Three milk licenses were granted on approval of the city dairy inspector while a transfer of soft drink license of Mrs. O. C. Hanson was granted. Monthly reports were also received and ordered filed and routine bills allowed. The police report showed six arrests for June, one bootleg, two drunks, and three speeders.

Neset Builds 5th Structure at Red Lake Narrows Resort

Olaf Neset, George Mr. Wilson, George Johnson and Walter Lytell left Monday evening for the narrows to complete the construction of the fifth building to be erected at the fifth building to be erected at the Narrows resort, the property of the association who have leased into. Commencing Tuesday, Mr. Neset and the Thief River Falls and Middle River, and cottages have been finished and furnished by G. G. Biddick and Jay Frank Tibbetts of this city, and Jay Tibbetts of Middle River.

The membership of the resort association is rapidly increasing, according to enrolling to officials who are sleeping on for July 1. Dues are $10 per year and inside lots $10, the money derived from membership being used to pay the grounds and for improvement and to make necessary improvements.

Rum Runners are Nabbed by Federal Men North of Here

Four federal officers from Lancaster were in the city Tuesday of last week on their return from Crosby where they confiscated an Essex car driven by Louis Mathes, charged by the state transported liquor over the line from Canada. The car was ordered sold at Lancaster by border officers. Tuesday morning but made a getaway after several bullets had been fired into the machine by the officers. The owners of the car also said to be between Meisnes and four other men, are reported to have escaped in another car after the car was abandoned. It is believed that the four escaped into the city, several bullet holes were fixed in a Red Lake Falls garage.

Two Minnesota men, giving their names as Mark Steele and Archie Taylor, were nabbed by federal officers O. W. Hess, James Babcock and F. DeWitt, wholesaler of last week on the state road eight miles south of Bagley, carrying a load of whisky. They met at about $2,000 in a Cadillac car and were turned over to the federal grand jury and being unable to procure bail will await trial in the Crookston jail.

Another arrest was made by federal officers last week when a Packard Eight with 142 bottles of Canadian liquor was taken near Perham. The car and cargo are valued at about $3,000.

DETROIT BOY ADMITTED

Erling A. Amundsen of Detroit has been admitted as midshipman to the Naval Academy at Annapolis. He was nominated by Congressman Knutson, his principal candidate for the appointment last fall. Mr. Wefald has also received word from the Isthmian Navigation that there will be two vacancies at the Naval Academy to be filled by appointment from the Ninth congressional district for the year 1927, nominations for which will be made this fall. The congressman is interested in any boy judged adapted by him in past years in the naming of the candidates for the military and naval academies by selection of the principal candidates and three alternates to each position and he desires a selective competition that is open to every boy in the district who may wish to try out. The candidates must be more than 16 nor more than 20 years old on April 1, 1927.

MUCH ROAD WORK BEING DONE HERE

Many Pennington County Highway Projects to be Completed This Year

No bids being entered for the road work in Pennington county at the session 23 in Black River township, it was decided to have the work done by the state highway department, and Chester Wilson, St. Paul, assistant attorney general of Minnesota, and guests of honor at the convention, Mrs. Anderson and Mr. Wilson will be in charge of the meetings in the city.

Mrs. Anderson will preach the convention sermon Sunday, the closing day of the meetings in the form of a "Our Candle Tea" Mr. Wilson will give the closing address on "Citizenship" Sunday night.

Mrs. Nye, General Chairman

On arrival of delegates August 18, the housing committee, headed by Mrs. A. B. Olson, will have charge. It will also then to hostesses and seating of delegates by districts at the banquet, and Mrs. O. R. Sande is chairman of the banquet committee. The organization will take place at the high school, in the auditorium of which all of the meetings will be held. Evening sessions will be held in the city auditorium. The corporation counsel, Mrs. Mrs. H. L. Hanson, will be in charge of the meetings, directing visitors to the homes in the city where they will be. The Women's club is giving valuable assistance in solving the housing problem and reports indicate that every delegate will get comfortable accommodations, according to Mrs. A. B. Olson, president of the Thief River Falls Union, and general chairman of the local committee.

There will be a meeting of the executive committee on Wednesday afternoon, and a union service that evening.

(Continued on Page 8)

NEW PUMP AT POWER STATION PURCHASED

City Adds $1100 Unit to Assure Service—$400 Appropriated for County Fund

Believing that 25 years of active service of the large pump at the power plant is sufficient to warrant the installation of an additional unit at the same capacity, the city fathers at their regular meeting Tuesday night unanimously authorized the purchase of the J. G. Robertson Co., of St. Paul of a new pump, similar to the one now in use, but with intervening period of 25 years, the new unit will be much more efficient than the old, with two higher ones while four other Twin City firms presented their bids, the Robertson bid being the highest being $2,160. However, the choice was made by the council after listening to Water & Light Superintendent Gilbert Swan, and City Engineer Paul Middaugh. The new pump will be able to deliver 1,000 gallons per minute with a 175 foot head, thus not endangering the bursting of any of the city mains as might be the case with pumps of a higher power.

The aforesaid action was on record as favoring the active support of the county fair next month, appropriating the sum of $200, which amount has been given the association for several years. The money will go into permanent improvements.

Leonard Peterson and H. Jensen of Crookston, representing the Interstate Power company, which owns the electric line running past the city, appeared before the council relative to securing residents of the town of North Johnsville with electric lights, especially the Soo shops, with light and power. The company did not wish to go ahead with the matter if the aldermen were not positive they would take care of such possible patrons. Learned that the city wanted to do so the men withdrew and the company will not interfere with any plans of the council in the matter, which at present contemplates starting work on the line early next spring.

The request of the Elks that the city council take steps to instal play ground apparatus in the city park was on motion referred to the park board. The appointment of LaRue Jr. Edwards as a member of the fire department was confirmed by the council after due consideration. Three milk licenses were granted on approval of the city dairy inspector while a transfer of soft drink license of Mrs. O. C. Hanson was granted. Monthly reports were also received and ordered filed and routine bills allowed. The police report showed six arrests for June, one bootleg, two drunks, and three speeders.

RACES BETWEEN LOCAL HORSES TO BE REVIVED

Pennington, Marshall, Red Lake, Polk, Roseau Horses Will Compete at Fair Here

BEST RACE PROGRAM EVER, COMMITTEE SAYS

Exhibitors Begin Planning for Displays of County's Best on August 4, 5, and 6

Visitors to the 1926 Pennington county fair at Thief River Falls August 4 to 6 will have an opportunity to see the finest program of horse races ever presented in this section of the U. S. A. Penney, chairman of the race committee. The races on the last two days, Thursday and Friday will feature the most prominent program of horse flesh ever presented, all entries are going forward rapidly. A total of $1000 in purses and $100 entry money for specialty races has been appropriated for the fair association for the race program, assuring a larger number of the 2:25 trot or pace, the opening event.

The feature of the race program will be the 2:35 trot or pace, the opening event on the 5th, when horses from Marshall, Red Lake Falls, Polk, and Roseau counties will compete for a purse of $300. It is hoped to secure a great deal of interest among racing horse fans in the 2:35 class, as entries have been received from owners of horses in the counties mentioned. The following day there will be at least eight or ten starters. Several local horses are known to be entered by M. Kvark and Chas. Hilgers, and others are expected to be added. Several entries are expected from Bagley and Crookston, both horse racing centers in the Red River valley.

Following the Thursday race on Thursday, there will be a 2:20 trot or pace for a $500 purse and the Friday program including a 2:25 trot or pace for a $300 purse and a free for all pace which a $300 purse is offered. In the free-for-all the committee is considering the advisability of reducing the following the track record of 2:11, which was created by Dan Patch. Leading racers of the Northwest are expected to compete, several prospective horses having already been received. Entries close on August 1, two weeks before the fair, giving all an excellent condition for the fair.

The stable of sharp as a combination with sulfate and sweet clover is the best for Red River valley soil, and as one of the most important factors in the agricultural development of the city, and farmers are urged to confer with the local race committee, which will be glad to assist them in the matter of entries. A heavy race crop will be the result of the prosperity and farmers are urged to put up as much as possible. Marketing of hay will be considerable increase. The average price remained for wheat during 1924-25 was $1.44%.

SOCIAL ITEMS

Birthday Surprise

Sixty ladies gathered at the Erick Gullingsrud home Tuesday afternoon, surprising Mrs. Gullingsrud, the occasion being the latter's sixtieth birthday. The hours were passed informally and a delicious lunch was served at four-thirty o'clock. Mrs. Bernhard Knudsen, who has been seriously ill, presented Mrs. Gullingsrud with a set of dishes as a gift from her friends.

Attends Crookston Party

Mrs. L. W. Carlisle of this city was a guest at an announcement party Friday evening, July 9, at the home of her mother, Mrs. C. C. Strander of Crookston, at which was announced the engagement and approaching marriage of Mrs. Carlisle's sister, Miss Anna Strander to Floyd L. Eadie of Crookston.

Gertrude Hjelden Married

Announcement is made that Miss Gertrude Hjelden, daughter of Mr. and Mrs. H. Hjelden of this city, was married at Devils Lake, N. D., Wednesday, July 7, to Carl Thobe of Kalispell, Mont., Rev. George Loftsdes performing the ceremony at the Norwegian Lutheran church. Mr. and Mrs. Thobe left for Friday for Kalispell where they will make their home, the groom being employed in that city.

Klopp—Lee

Miss Reginald Gavin Klopp, daughter of Mrs. Cassie Klopp of this city, became the bride of Omer O. Lee, son of Mrs. O. Lee of this city, Friday, July 9, the wedding taking place at Crookston, Rev. V. E. Schmidt officiating. The service in the presence of the bride's cousin, Miss Emma Ingemundson, and Mr. Lee's cousin, the latter of whom entertained the wedding party at a dinner at her home. The couple spent the week-end at Crookston and Maple Lake, Minn., the latter at which they returned to this city, where they will make their home for the present.

For Crookston Guests

Mrs. Willis Akre will entertain a few of her friends at a bridge party at her home this afternoon in compliment to her mother, Mrs. A. Anderson, and aunt, Mrs. Frances Hamilton, of Crookston, who are guests at the Akre home.

Mrs. Roy Lambert also entertained in compliment to Mrs. Anderson and Mrs. Hamilton at her home, 518 Knight Avenue N., Monday night.

Entertains at Dinner

Miss Lydia Dahlen entertained at a six o'clock dinner Tuesday evening at the home of her parents, Mr. and Mrs. H. B. Dahlen. Covers were laid for six, the guests including Misses Pearl Weeks, Olive Lonson, Lucille Curtis, Myrtle Helgeland and Mrs. E. Haug. Miss Dahlen will return Wednesday to St. Paul where she will complete her nurses' training at the St. Paul hospital the latter part of September.

MRS. TALLAKSON RE-ELECTED

Mrs. B. L. Tallakson was re-elected president and Mrs. M. W. Evenson was named treasurer of the Thief River Falls circuit of the Woman's Missionary Federation of the Norwegian Lutheran church at the semi-annual meeting held at St. Hilaire yesterday afternoon. Rev. O. E. Stavrum, former pastor of the United church of this city, now missionary to Madagascar, was the principal speaker, telling of his work and experiences in that country. Mrs. Frank Nelsen, of Grand Forks, missionary to China, spoke briefly, as did Mrs. Sigvald Aune, of the district. Mrs. Fahlman, of Minneapolis, talked on the subject of girls' camps and the life between sessions, of which department she is the head. Among the musical numbers was an especially fine duet solo by Mrs. O. V. Kelly, of this city.

FAMILY REUNION

A family reunion was enjoyed at the farm home of Mr. and Mrs. Hi T. Hanson in Hickory township Sunday, when a group of relatives and friends former Hickory residents motored in from Yellow Medicine county. The former residents included Mrs. Hanson's parents, Mr. and Mrs. Halvor Hamre and their son Thore, and Mr. and Mrs. Sigmund Hamre. Some of the children of Echo. Others included Mr. and Mrs. Ole Hamre, Mr. and Mrs. Olaf Hamre, the two children of Grenville Falls, Mr. and Mrs. Harold Collin of Sacred Heart, and Mrs. Claude Miller of Yellow Medicine county. The former residents motored in from Yellow Medicine county. The former residents included Mrs. Hanson's parents, Mr. and Mrs. Halvor Hamre and their son Thore, and Mr. and Mrs. Sigmund Hamre. Some of the children of Echo. Others included Mr. and Mrs. Ole Hamre, Mr. and Mrs. Olaf Hamre, the two children of Grenville Falls, Mr. and Mrs. Harold Collin of Sacred Heart, and Mrs. Claude Miller of Yellow Medicine county. A picnic dinner was enjoyed by the group and started out on the return trip in the evening. Those who enjoyed the day at the Hanson home are Mr. and Mrs. Hi T. Hanson, Mr. and Mrs. Knut Hilje of Trail, Mr. and Mrs. Christ Thompson, Mr. and Mrs. Joe. Dahl, Mr. and Mrs. H. Bjornaraa, Ole and Halvor Hoffstt of Wanke, and Mr. and Mrs. Drang B. Bjornaraa of Thief River Falls.

Treaderlay Picnic

A number of local people motored to Grand Forks Sunday to participate in the Treaderlay picnic. Among them were Mr. and Mrs. M. V. Evenson and family, Mr. and Mrs. Jesse Anahy, Miss Bertil Iverson, Mrs. Carl Angell, Mr. and Mrs. Albert Olson and family, Mr. and Mrs. Gausset and family, I. H. Kelly and daughter, Dr. T. M. Kulberg, Mr. and Mrs. N. G. Olson, Misses Clare Lund and Hilda, Betsy and Richard Nere, Dr. P. L. Vinhuesser, Ole Nesje, Ole Nergard, Jorgen Kildo, Mr. and Mrs. A. Dybvik, Mr. and Mrs. O. Teasum and family, and Muriel Baldwin. The resolution was passed stating that the national Treaderlay hold its 1927 meeting in Thief River Falls.

In celebration of the birthday of her daughter, Miss Elnora, Mrs. J. C. Toms entertained at an informal party at her home Saturday afternoon. The guests included Misses Elizabeth DeCraney, Dorothy Swedenborg, Sybil McGhee, Astrid Kinghorn, Irene Kiewel, Katherine Darsen and Esther Daniels.

Mrs. S. Sagmoen entertained at a six o'clock dinner at her home Monday evening in honor of Mr. and Mrs. A. Thlan of Reielna, S. D. Covers were laid for six.

At the quarterly business meeting of the Trinity Lutheran congregation Sunday, N. A. Nelson was named cleaner to succeed I. T. Nimley, who has moved to St. Paul.

Rev. O. F. Stavrae, missionary from Madagascar, accompanied by his wife and two daughters, is visiting old friends and acquaintances in this city this week. Rev. Stavrae was formerly of this city, having been pastor of the local United church in 1916-1917. He is scheduled to give an interesting talk at the Ladies' Aid in the Trinity church parlors this afternoon.

There will be a Young Peoples' picnic and open air service one mile west and ½ mile north of Hazel Sunday afternoon, July 18, at 2 p. m.

The Methodist Ladies Aid will be entertained in the church parlors Wednesday afternoon, July 21, by Mesdames S. M. Porter, P. C. Gray and C. D. Swenson. The public is cordially invited.

LIBRARY NOTES

The report of the Thief River Falls Carnegie library for the year ending June 30 shows a circulation of 25,316 books. Of this number 6,297 were non-fiction. The juvenile non-fiction read exceeded that of the adult by more than 1500. It is interesting to note that boys read far more of this class than do the girls. Their love of hero tales and adventure is satisfied by reading an interesting biography or history. The librarian says that there are small boys who read only history, others who prefer nature stories, and still others who devour legends and myths.

Following is a list of some of the adult non-fiction which has just arrived:

"Ten Short Stories from the Bible" by Brown.
"What Men Live By," Cabot.
"Beautiful Canada," Quinn.
"A Woman and Her Money," Fraser
"The Folk," Pollock.
"Bailey Everyday English," Paul.
"Slow Smoke," Sarett.

CLUB NOTES

Crookston Callers to Meet Locals in Tourney Sunday

More than 20 Crookston golfers and their ladies have expected here next Sunday afternoon for play in a golf tournament on the local course. The links have been put into first class condition thru the efforts of President J. P. Curtis and his committee, and the local club officials are doing increased practicing this week in preparation for the event. Following the tournament, the local club will entertain the visitors at supper in the Elvyn hotel.

The club-house has also undergone a thorough cleaning this week. Mrs. Nash-Ed Dolan, Mrs. W. E. Harris, Mrs. Anderson and Mrs. W. E. Olson and Mrs. Dolan a week ago Tuesday. Following the cleaning, the rooms have been ordered redone will add to the comfort of the quarters. A series of improvements is also planned.

President Curtis is today being entertained upon having turned in a score of 39 yesterday, his previous record being 41.

Rebekah Installation

At a regular meeting Thursday night of last week, Lyon Rebekah Lodge No. 69 held installation of officers, Mrs. Ruth Nelson being installed noble grand, succeeding Mrs. Naomi Bergland, past noble grand. Other officers installed were: Mrs. Clara Anderson, vice grand; Mrs. Thora Nelson, right support to noble grand; Mrs. Clara Ireland, left support to noble grand; Mrs. Inga Melby, right support to vice grand; Mrs. Lena Umbach, left support to vice grand; Mrs. Anna Hendry, chaplain; Miss Lily Burud, warden; Mrs. Minnie Ruane, conductor; Mrs. Eva Angell, inside guardian and Mrs. Josephine Clausen, outside guardian.

Daughters of Norway

The Daughters of Norway will meet as usual the third Thursday of the month, July 22. There will be an important business meeting, and all members are urged to attend.

The ladies of St. Bernard's Guild will hold an ice cream social Saturday, July 17, both afternoon and evening, on the Central school lawn. Everybody welcome.

Plans for the Kids convention were discussed, among them a get-to-gether breakfast for the morning of the first day, at a meeting of the Mrs. W. H. Hartley, Mrs. E. L. Rahland and Mrs. Nels Nelsen were appointed as the committee in charge.

Annual reports of the various officers were read, showing a decidedly successful year. Twenty new members have been added to the organization, besides several honorary members.

The union will meet next Tuesday night at the A. Craft home, at which time the offering boxes will be collected.

MRS. ESTHER RE-ELECTED

Mrs. J. O. Esther was re-elected president of the local W. C. T. U. organization at a meeting held at the home of Mrs. E. L. Rolland Sunday afternoon. Other officers elected are Mrs. Cleo Wilson, vice president; Mrs. Rose Quale, secretary, and Mrs. E. O. Erickson, treasurer. Other officers are appointive, and will be announced later.

Mrs. Henry Kriel returned Monday night from Valley City, N. Dak., where she visited with her husband three weeks, the latter of whom suffered a gunshot wound while working for the Minneapolis Bridge company, constructing a bridge near Valley City. Mrs. Kriel and children intend to join Mr. Kriel in Valley City, where he will be employed in the construction of a bridge for the company. Others who are employed with the same bridge crew are John Gehle, Martin Jergens, Otis Ferguse, Ed Hostvelt, and Stanley Michalsky.

Official Paper Pennington County

BOOST FOR THE FAIR

There is no one thing that does more to develop a country than exhibition of what the country can do, declares a prominent agricultural expert. Fairs and exhibitions not only show the world what has been done, but they stimulate interest at home and make for progress. We must keep everlastingly at it if our efforts are to bring success.

The promotion of the booster program is bringing results and will be beneficial in proportion to the effort put into it, not only by the officers of this organization, but by every farmer and businessman of the county. This must be not area for one or two good, and also because other counties are doing the same thing in a big way. This region can have but as big and proud displays of agricultural products as any other region, especially this year with crop prospects as they are at present. But the interest and effort is not always taken to do so. However, the farmers of Pennington county have never failed to make a creditable showing.

It is pointed out that the fair is the index to the prosperity, health and wealth of the community, offering as it does opportunity for comparing the results of labor, art and industry. If it is a success it speaks for the liberal, intelligent, and progressive element of the community who must be depended on for the support of the fair as for other benefits of civilization and progress.

We should not feel that the only reward for securing a better exhibit or putting on a better show is had by the best the other fellow, but doing something himself to improve conditions. The premiums offered should not in the least be considered. Humor is frequently repeated as fact, small matters are magnified, many suggestions are made, distorted, scandal is freely circulated, but liberties are taken with the truth. If a nominal per was as unreliable as the average person it would be short-lived.—Hutchinson Leader.

MORE SHEEP.

Pennington county has before it a favorable agricultural future, especially in the livestock line. While splendid progress has been made here in raising the value of cattle, it has not been rather neglected, while farmers in many other like industry sections have found it to be most profitable. Just time is the best prosperity for livestock and farmers will do well to give it attention here—

ST. HILAIRE

Notes—Items

Word has been received by friends in this village of the marriage of Miss Olympia Moen of Clarkfield, to Ralph Boen of Hector, Minnesota, the ceremony took place at the bride's home in Clarkfield on Friday, July 2. Following the ceremony, the bride and groom left on a wedding trip to Minneapolis and points in Iowa. The bride is well known in this village having filled the position of English instructor for two years in the local school. The past year she has taught in the public school in Hector.

Entertain at 6½ o'clock Dinner

Mesdames O. Fellman and A. Bjelterberg entertained a number of St. Paul guests at a six o'clock dinner party held at the G. Fellman home Thursday, July 8. The guests were Mr. and Mrs. Herman Adams, Mr. and Mrs. M. Holm, and Mr. and Mrs. J. F. Brennan of St. Paul.

Guests at Luncheon

Misses Alice and Hazel Pricker entertained a number of out of town guests at their parental home Monday afternoon. The hours were passed pleasantly and at four o'clock a dainty luncheon was served. The guests were: Mrs. Roy Kloft and daughter Dorothy, Mrs. Ira Pickett and daughter Rebecca, Mrs. G. Adolphs, Jr., of Bismarck, N. D. Mrs. G. Adolphs and Mrs. Verner Nelson and daughter Clarine of Thief River Falls.

Dinner Guests

Mrs. O. K. Olson delightfully entertained a number of friends at a six o'clock dinner at her home Monday afternoon. The guests were Mrs. Carl Nelson and children of Minneapolis, Mrs. Mary St. Peters and son Melvin, and Mr. Walter Berg of Minneapolis.

For Mr. and Mrs. I. Johnson

Mr. and Mrs. H. Hansen entertained a number of friends at their home on Saturday in honor of their daughter and son-in-law, Mr. and Mrs. L. Johnson, who left Monday for Fosston. Those present were Mr. and Mrs. Hans Wilson, Mr. and Mrs. H. Hansen of Thief River Falls.

Confirmation Exercises

Sunday morning confirmation exercises were held at the Norwegian Lutheran church of which Rev. C. M. Grimarud is pastor. Those who were confirmed are; Alice Gjestad, Evelyn Lloyd and Joseph Peterson, Peter Swenson and Gordon Hanson.

Alumni Session July 16

The annual banquet of the St. Hilaire High school alumni association will be held at the imperial hall Friday evening, July 16. Extensive plans have been made to make this affair a great success. There are 71 members now included in the Alumni association and with each member given the privilege of inviting a guest, the affair promises to be a gala one. An excellent program has been arranged which will commence at 8 o'clock at the imperial hall. Following the program the business meeting will be held and at 11 o'clock lunch will be served at the J. O. O. F. hall. Dancing at the imperial hall will follow the serving of the lunch.

St. Hilaire Kiddies Give Show

Youthful actresses of St. Hilaire were place'd in the limelight when they took on a real show at the Lyric pavilion Wednesday evening. The "large" sum of two cents was charged as the admittance to the last three shows. A large crowd attended the show which featured the acting capacity of the cast. An excellent program of comical sketches, songs and dances, including acrobatic stunts were given and the audience was favored by a selection from Hall's Hallis instead of at Aubol's grove. Lunch was served to the children after the show, while the parents of the pupils were served in the house, by Mrs. C. V. Newell, pastor of the local Swedish Mission church and Rev. Hallmark of Fosston, district superintendent of the M. E. church, were present at the picnic.

Hilaire-Silvercreek

Sunday afternoon at three o'clock on the local diamond the St. Hilaire baseball team met the Silvercreek team in an inning game. At the close of the ninth inning the score was 6-6, resultating the playing of another inning in which Hallamark ran in a score, giving St. Hilaire victory. The lottery for St. Hilaire was Hallamark and Gullickson.

Rev. Nyvold, pastor at the Swedish Mission church, spent the week-end at his home at Dale, Minn.

A DODGE BROTHERS SEDAN

$895

F. O. B. Detroit

People are surprised to learn that this beautiful and sturdy car now sells for $895.

They have heard so much about its exceptional *value* that they are under the impression it sells for a higher price.

Moreover, the Sedan possesses all the roominess and character of closed cars that call for a much greater investment.

It is substantial *in appearance* because it is substantial *in fact*. And serves its owners far beyond the period usually expected of a car at *any* price.

The body is all steel—safe, sturdy, fireproof, and smartly finished below the belt line in coolie blue lacquer, with cartouche yellow stripe—upper body in black lacquer—shields and fenders in black, oven-baked enamel.

Blue Spanish genuine leather upholstery, removable rear seat-back, and optional wood or steel wheels are included among many other features that commend themselves forcefully to the buyer.

Many who expected to buy a cheaper car, now find that Dodge Brothers product is well within their means. Many who had expected to buy something more expensive, now find everything they could possibly desire in these smart and dependable vehicles.

See the cars for yourself—and investigate our attractive time-payment plan.

Follow! Follow! Follow!

—the highways call! Out into the sunlight where winds have blown the country clean. Fill the tank of your car with Red Crown-Ethyl—and you are ready to follow the call.

The Middle West is a land of varied beauty—mountains towering above the earth — caves and caverns in its mysterious depths—tangled shade of forests—endless sweep of the prairies.

There is much you can add to the list below. Read it over and then find out what wonder places are *near you*.

1—Hardin County, Illinois, a picturesque frontier district. Mountains, caves and an extinct volcano. In control of Indians and counterfeiters in the early days. State Highway No. 34.

2—Beautiful Lake Killarney in Arcadia Valley, Missouri. State Highway No. 32.

3—The Chateau of the Marquis de Mores on the west bank of the Little Missouri, South Dakota. Near Medora, named for the wife of the Marquis who founded the village. State Highway No. 20.

4—The valley, falls and rapids of Whitewater River in Whitewater State Park, Minnesota, near Winona, just off State Highway No. 3.

5—Great Bend, Kansas, named from the great bend of the Arkansas River, which was the beginning of the reserve of Quarter, visited by Coronado in 1541. Mounted stone cannon marks the site of old Fort Zarah. National Trails Road No. 6.

6—The lake shore drive in eastern Michigan. State Highways No. 27 and No. 31, along Lake Huron.

7—Lookout Mountain, South Dakota, towering 6,230 feet above sea level. Marvelous view from its high vantage point. State Highway No. 85.

8—Sweet's Cave and Dutton's Cave near West Union, Iowa. State Highways No. 11, and No. 18.

9—Peninsula Park, including 3,700 acres in Door County, Wisconsin. Precipitous limestone bluffs covered with heavy growth of evergreens. Wild beauties of woodland and cliff. More than 6 miles of lake shore. State Highway No. 17.

10—St. Meinrad, Indiana. An abbey of the Benedictine order founded in 1852. The religious colony comprises a little city of its own. Stone church of great size and beauty. State Highway No. 14.

There are hundreds of fascinating places in the Middle West that are easy to find. With Red Crown-Ethyl Gasoline in your tank, your car will respond with an eagerness that will surprise you. Red Crown-Ethyl knocks out that knock by harnessing carbon and using it to develop greater power. It costs only a few cents more per gallon, but you can't measure the pleasure it adds to motoring.

ROSEWOOD

The monthly meeting of the Rosewood Peoples Society took place at the church Sunday evening. A large crowd was well attended. A prayer was offered and was followed by a short speech by the president, Simon Nakken. Plans are under way to stage a pantomime at the next meeting, Sunday evening, July 25, and the public is invited. Refreshments will be served.

Emil Anderson went to St. Paul on Saturday with a mixed carload of stock for The Rosewood Shipping Assn. Another carload will be shipped the latter part of July.

A boy girl was born to Mr. and Mrs. Otto Ramm last week.

Clarence Benz and John Ramm came home on Saturday evening from Warroad where they are employed in a carpentry work to spend Sunday at their parental home.

Joel Sheberg returned home Thursday from Fort Pierre City and other points in the southwestern part of the state where he has been employed in the harvest fields.

Gwede Matison is home from Virginia for a week's visit with her parents, Mr. and Mrs. Jens Matison east of town.

Mesdames Victor Nordquist and Oscar Baker were out from Thief River Falls one day last week to visit with the latter's mother, Mrs. Nels Anderson and a sister, Mrs. Ole Berge.

Having all commence in general threshing operations the past week. The alfalfa is already but the unsteady weather the last few days necessitate necessary many postponements. The hay crop is very abundant, and the small grain looks very promising. Corn is somewhat behind time owing to the cold spring.

A large number of local people took in the Mission Picnic Tuesday to celebrate the nation's birthday, and to take in the sights of the Marshall county fair.

Thos. Gulleth drove down from Middle River on Friday to join the two horses which he had purchased from Ole Hanson at Thief River Falls during the week, and lead them back to their home place by his brother Anton Gulleth.

The general election of school district No. 41 will take place at the school house on Tuesday evening, July 20. There will be election of one director for 3 years, and the length of the school term and other matters relating to the school management.

Elenora Nelson left last week for Fosston to visit with her sister Carrie Nelson and may also secure employment at that place.

Ted Nelson shipped all his stock last Saturday and plans on leaving in a few days for Detroit, Mich., to look after his interests there.

M. H. Rafseth from Hibbing is spending the week here visiting with his brother, Rev. J. A. Rafseth.

Clarence Christensen from Thief River Falls is a visitor this week at the Mrs. Alva Larson home.

Percy Hansson spent Sunday with friends at Crookston, having taken Miss Dave Johnson who has visited relatives here for a week.

A theatrical party was staged at the Haugen brothers home on Thursday evening for Mr. and Mrs. Alec Hellquist newly-weds, who are visiting during the week with friends and relatives at this place, and will leave on Saturday for Duluth where they plan their future home.

Swen Swenson has spent part of the last week on his farm near Newfolden to assist with the setting up of alfalfa hay.

SHORT CUTS IN SEWING TAUGHT COUNTY WOMEN

Leaders of 10 Clothing Project Clubs Get First Instructions from "U" Specialist

MUCH INTEREST IN WORK IS EVIDENCED

Practical Training in Home Clothing Work—Individual Units Meeting This Week

Miss Lois Reid, clothing specialist from the agricultural extension division of the University of Minnesota, conducted her first meetings of instructions in Pennington county last week, meeting with 12 leaders of athome clothing project clubs at Goodridge on Friday and with 24 leaders of 13 clubs at the Commercial club rooms here on Saturday. Each club in the project being put on in the county by the extension division thru the co-operation of the county agent, has two leaders, all but one in the western part of the county attending the Thief River Falls meeting, and all from the east in the eastern section attending the Goodridge meeting.

A fine spirit in the work was displayed by the leaders, who in turn will hold meetings of their respective clubs to pass on the information given out by the specialist. Some of the clubs are meeting this week and will get busy upon the project at once.

While this is the first year of club work among the women of Pennington county, the extension worker and County Agent J. J. McCann declare that a splendid start has already been made here, making the organization of 13 units in the county in more than as first a section. Much activity is expected during the next four months, during the course of the project, and it is likely that similar courses in poultry and nutrition will follow.

At a brief luncheon session of the leaders meeting in this city, Mrs. J. McCann was elected chairman and Mrs. O. G. Eberhart, secretary. A committee on refreshments for the noon hour was named, consisting of Mrs. D. W. Ayers of the Sandridge club and Mrs. F. G. Dols of Rosewood.

Miss Reid pointed out that the objectives of the project is not only a few better garments but better rural homes, trained leadership, better community spirit, and better dressed families in every home.

The first lesson of the course is short cuts in sewing, general use of the sewing machine, and also uses of the machine attachments, which are furnished by the Singer Sewing Machine company.

At the completion of the course an achievement day will be held, to which each club must be invited. Work of all the clubs will be exhibited and there will be demonstrations of the various steps of the work. A program will be given, each club to furnish some numbers.

Only communities having the service of the extension division thru a county agent are entitled to this school of instruction. A report of the work in each club must be made by the leaders to the county agent, who forwards such reports to the extension division.

At the noon meeting by the specialist will be held here August 21, the next meeting at Goodridge August 23, and two week finishes. Regular attendance is absolutely necessary to completion of the course.

Following is a list of the leaders of the western part of the county attending the Thief River Falls meeting; and all from the east in the eastern section attending the Goodridge meeting.

Mrs. Reid—Shirley, Mrs. Julia Malmquist—and—Miss Virginia—Westphall Hazel Hampton and Miss Nancy Heslin; Mrs. F. D. Dols and Mrs. Chas. H. Seibel; Southeast Hazel, Miss Anna Dobson and Miss Nancy Heslin; Hazel Vicinity, Mrs. Carl Prestby; Southwest Hazel, Mrs. Herman Jacobson and Mrs. Oscar Haugen; Smiley, Miss Ella Olson and Miss Ida C. Tompkins; Sandridge No. 1, Mrs. D. W. Ayers and Mrs. Carl Jensen; Sandridge No. 2, Mrs. Ole Hanson and Miss Nancy Funseshall. Miss Malmquist was the only one absent.

SEE MOORE

Fred A. Johnson and family and Miss Hilda Peterson had the unusual experience of seeing a moose loafing right when they were driving along the road about a mile north of Ada Hillaire. Mr. Johnson had to slow down to let the moose get out of the road, the lights of the car evidently blinding him. The animal had unloubtedly come from the Moose Lake area, as he looked neat and shining in the glare of the lights.

Darby Anderson Manager of Re-organized Baseball Team—Play Crookston Sun.

The Thief River Falls baseball team has again been re-organized and is now under the management of Darby Anderson, according to information to the Times. Several games have already been scheduled, the first to be at Crookston next Sunday afternoon.

It is announced that the new management has secured the services of Ed Kelfenheim of Red Lake Falls and Emil Hallmark of St. Hilaire, who will bolster up the local material.

On July 25 Ardock, N. D., is scheduled to play here and on Aug. 1 Crookston comes to this city. Arrangements are underway for several weekday games with teams of several neighboring towns.

Free Tickets to Grand Forks Fair for Junior Club Members

Free admittance to the Greater Grand Forks fair will be given members of boys' and girls' clubs on July 27, it was announced by Lewis designated by the fair association as one in which boys and girls will be featured. The free tickets have been received by County Agent J. J. McCann, who reports that so far 10 have signified their intentions of attending on the special day, providing a sufficient number of cars can be secured to take them to Grand Forks.

Co-Sperative Marketing Given Boost at National Institute

Much interest in the marketing plan of the Land O' Lakes Creameries Association and the Lake Region Egg & Poultry Exchange is shown by Pennington county folk who attended the American Institute of Co-Speration at University Farm, according to N. C. Lindberg, farm manager, and Stuart McLeod, 17th district president of the creamery association, who attended the dairy sessions. Co-operative leaders from all parts of the United States, representing every phase of co-operative effort, were present to hear directors by prominent executives. It was a highly instructive short course for co-operative workers, the local men declare.

The increase membership means an increase in influence and in money for educational purposes, and an increase of law observers and assistants in enforcement," Mrs. Riser said.

Each name obtained as a new member will be tied in Miss Allaire's latitude competition" cabinet in legislative headquarters of the national Woman's Christian Temperance Union in Washington.

GETTING READY FOR MINNESOTA W. C. T. U. MEET

(Continued from Page 1.)

be held in the Presbyterian church in the evening, to which the pastors and various congregations of the city are invited.

Formal opening of the convention will take place Thursday morning, with the state president's annual address, by Mrs. Josephine J. Riser, St. Paul; the state corresponding secretary's report by Mrs. Verva F. Stanway, Minneapolis, and the state treasurer, Mrs. Martha J. Reed, St. Paul, will give her report.

The program and entertainment committee, of which Mrs. F. L. Christensen is chairman, has made arrangements for many fine musical numbers by local talent, during the convention, Herman Bischoff, the talented child musician, who will return here from Marshall School of Music, Minneapolis, having been secured to sing at the Thursday morning session.

Welcome Banquet

The Thursday noon hour prayer, at which Mrs. W. H. French will sing, is to be followed by a membership drive contest from the districts. In the evening there will be a welcome banquet by the local W. C. T. U. at the Commercial club, Mrs. Ella Fraser, president of the fifteenth district, will preside over the banquet. "Fifty Years of Building," will be the toast to which Mrs. Helen H. Unten of Dawson will respond, taking "The foundation of the building" for her theme. Miss Nanette Hendrix, Minneapolis, will speak on "Superstructure;" Mrs. Leila Mattison, St. Paul, "Roofing;" Mrs. C. E. Scovell, Minneapolis, "The Capstone;" Mrs. Stella Hodge, Rochester, "Dedicating the Building," and Mrs. L. W. Northfield, Minneapolis, "Our Dedication."

A piano solo will be rendered by Lucile Hermanson, Mrs. O. F. Melby will also play a violin solo, and will be played by Justus Larson and Gordon Overland, accompanied by Mrs. August Holmberg.

Reports of directors of departments and district presidents will occupy Friday morning session, at which a social will be given by the Ada Harris Brink. Mrs. T. Reep and Mrs. H. Wyman will be in charge at the Friday noon luncheon, which will be followed by a thanks offering demonstration.

Declamatory Contest

The preliminary gold medal declamatory contest will be held Friday evening, opened by a piano solo by Mrs. Mary Ellis Nesbit. Mrs. Porter will sing at this session.

The annual election of officers and delegates to the national W. C. T. U. convention, to be held in Seattle, Wash., in September, will take place Saturday morning, followed by introduction of guests and visitors with hostesses of the convention, adoption of resolutions, and awarding of prizes in the afternoon. A "social hour" by Mrs. W. W. Pritchard, Jr., will be given Saturday noon gathering, while at the afternoon session will be given a playlet by Mrs. Thelma Holm Erickson and Mrs. Frances Warren.

"The playlet, "Mock—Bootlegger's Trial," written by Arthur Maeder of Minneapolis, will be given by local talent, officer, will be given Saturday night, at which time Mrs. Anna Dahlen Pope will play a piano solo.

An effort is being made to arrange for a sight-seeing tour Saturday afternoon.

Sunday morning services in the various churches will be attended by the delegates, and at 2:30 p. m. there will be union services at the auditorium, when Mrs. Anderson will preside, music to be furnished by a united choir from the different churches. A concert will also at the closing session Sunday night, at which Mrs. Wilson will be the principal speaker.

Pageant is Planned

It is planned to present a pageant, "The Spirit of Frances Willard," in which local talent may participate. This is to be directed by Mrs. O. E. Sande upon her return from Philadelphia.

Mrs. E. C. Rolfe is chairman of the reception committee, Mrs. E. L. Holland heads the decoration committee, and Mrs. Geo. M. Wilson is secretary of the program and entertainment committee.

The 90c Line railway is offering special rates to Thief River Falls from all points in the state at one fare plus $2 for round trip.

Records of the campaign for 100,000 members, started by the temperance organization early in the year, will be given at the convention here. Mrs. Riser asked each local union in the state to forward her records, and attendance to her immediately 10 new members. When any captain obtained her quota, a certificate to that effect was sent to the state corresponding secretary, Mrs. Stanway, who will present these certificates at the convention.

Half railway fare to the state convention will be given the people at whose homes guests are entertained by members, and full fare to those showing a gain of 50 members.

An increase membership means an increase in influence and in money for educational purposes, and an increase of law observers and assistants-at-law enforcement," Mrs. Riser said.

School Board Lets Coal Contract, Rejects Paint Bids—H. S. Faculty Filled

At a meeting of the school board Monday night the Christenson Hardware company was awarded the contract for furnishing four carloads of Lovejoy lump screened egg stove coal at $7.25 a ton, delivered in the bins at the various schools on or before Sept. 1, 1926. Bids were received from The J. Pickard Company, Oliver Iron & Coal company, and Dorr Mercantile company.

The bids for painting certain parts of the Lincoln, Washington, and Mechanical buildings were rejected, the work to be done by day labor. Four bids were received.

It is expected that the painting will cost about $150. the entire cost of repairing and painting the school buildings ready for the opening of the term in the fall will be estimated at approximately $500. The buildings are being cleaned up by the janitors and everything will look spick and span when the first of September comes along. The biggest repair job this year is the reshingling of the Central building.

The board passed on the application of Miss Margaret Seals of Stout, Wis., for an instructorship in commercial and academic subjects in the high school, thus completing the high school faculty for the coming school year. Miss Seals is a graduate of Yankton College and was graduated from the Stout Institute, Menomonie, Wis. She will teach typing, shorthand, and bookkeeping. Miss Charlotte Elsfelder, Miss Ruth Michael, and Miss Minnie Krueger will also be members of the commercial department, succeeding Miss Ruth Hall, who resigned, and Miss Ruth Hall, who resigned, and Miss Minnie Krueger, who will teach in the commercial department, succeeding

SOCIAL ITEMS

Sundahl—Lund

A quiet home wedding was solemnized Saturday afternoon at the home of Mr. and Mrs. A. Sundahl when their daughter, Elsie Marie, became the wife of Milton Lund, son of Mr. and Mrs. John Lund of this city. Only immediate families were present, Rev. Albin A. Larson, president of the North-State college at Warren, officiating. The bride was attended by Miss Lillian Knipfel and Dr. L. B. Foster, of this city, the latter a cousin of the groom. After the ceremony, a buffet luncheon was served. Dancing which the bride and groom left on a two-weeks' motor trip, intending to visit in Minneapolis, Chicago, and Milwaukee, returning by way of the Iron range.

Mr. and Mrs. Lund are well known among the younger people of the city, both having received their grade and high school education here. Mr. Lund, who is a stenographer for the Red Lake Falls Milling company, was formerly employed by the Minnesota Wheat Growers' association in Minneapolis. The groom attended the Dunwoody Institute at Minneapolis, since which time he has been employed at Jung's Quality bakery. On their return the first of August, they will make their home in this city.

Celebrate Silver Wedding

Mr. and Mrs. John A. Sundal of Silverton township Saturday, July 17, celebrated their 25th wedding anniversary, when a group of relatives pleasantly surprised them at their home. Those taking part in the silver prize were Mr. and Mrs. Lewis Borgerson and Paul Midboe, Dr. and Mrs. Martin O. Helseen and three children of Fertile, Minn., Mr. and Mrs. Carl Rasmon and daughter, Copla, of Thief River Falls, Mr. and Mrs. E. O. Helseen and three children of Silverton. The Montevideo quartet returned Monday evening, it is stated, after the Helseens and Mrs. Borgendale.

Mr. and Mrs. Sundl were married at Madison, Minn., in 1901, and came to Thief River Falls on the following July 21. When they moved to settlers in 1901 they homesteaded on their present farm in Silverton, which they have improved to one of the finest in the community.

Hastad—Kelly

A wedding of local interest took place in Grand Rapids Wednesday, July 14, when Miss Myrtle Hastad, daughter of Mr. and Mrs. Thomas Hastad of this city, was married by Harry Kelly, son of Mr. and Mrs. James Kelly of Grand Rapids. The ceremony was performed at the groom's home, after which the couple departed for the city to visit a few days with the bride's parents. They will make their home in Grand Rapids.

Entertains Friends

Miss Myrtle Halvorland entertained a few of her friends at a picnic supper in the Tourist park Friday evening, followed by a theatre party at the Lyceum. Those invited included Misses Lucile Tubbs, Pearl Woods, Lucille Curtis, Olive Lonson and Mrs. Edgar Stenberg.

Miss Pearl Weeks entertained the same group at a dinner party the following evening at the home of her parents, Mr. and Mrs. J. J. Weeks.

Wefald's Son Marries

Harold Wefald, son of Congressman Knud Wefald, of Hawley, was a caller in the city last week, was on July 7, united in marriage to Miss Ginger Pearsall, daughter of Mr. and Mrs. M. G. Pearsall of Nome, N. D. They will make their home at Grand Marais, where the groom is the principal of the high school the coming year.

Minnesota W.C.T.U. Women To Get Sight-Seeing Tour

Delegates to the Minnesota convention of the Women's Christian Temperance Union here Aug. 18 to 27 will be treated to a sight-seeing tour arranged by the Commercial club, it is announced by Mrs. J. O. Sanders, general chairman of the convention committees. Preparations for the convention are going ahead rapidly, with all committees at work for the event.

It is announced that Mrs. Laura V. Ward, St. Paul, state superintendent of evangelistic work for the W. C. T. U., will have charge of the prayer and praise service Wednesday, Aug. 18, in the Pennington church. She will be assisted by Mrs. Ward's son, Ralph, St. Paul, musical director. A breakfast will be served delegates by the local W. C. T. U. Wednesday morning.

About 20 flash-offering boxes were received last Tuesday morning at the local union, the proceeds of which will go to the $2,000 endowment fund for a headquarters in St. Paul. Each society is asked to put aside a penny a day for this purpose.

Birthday Party

Mrs. E. L. Rolland was hostess Monday afternoon to ten little children, the occasion being the sixth birthday of her daughter, Eileen. Games were played during the afternoon, at the conclusion of which a two course luncheon was served, including a birthday-cake topped with six candles. The guests were Eileen Rolland, Glen and Verna Masters, Robert Quale, Vonceil Pope, Bernice Warner, Violet Ward, Jerry Gibbs and Dorothy Konstad and George Olson.

Odd Fellows to Detroit

Adolf Ehlund, Bert Umland, Oscar Peterson, and Hector Bergstrom, members of the local Odd Fellows lodge, No. 0. F. left yesterday afternoon by car for Detroit to attend the first session of the encampment and open air ceremonies at Cotton Lake island today. Mrs. Bergstrom is accompanied by the wife.

Dostal—Fraseth

Miss Rose Dostal, daughter of Mr. and Mrs. Joseph Dostal, Sr., was united in marriage to Olaf Fraseth, son of Mr. and Mrs. Ole Fraseth of this city, the wedding taking place at Red Lake Falls, Saturday afternoon, July 17, at the residence of Miss Alice Erickson and Adolf Ishlseon. Following the ceremony, the wedding party returned to this city, where they were entertained by a supper party at the H. M. Arneson home.

The bride graduated from the local high school, and has been employed with the local branch of the Red Lake-Balkan company. The past two months he has been employed in Winona, the young couple leaving Saturday night to make their home in that city.

For Mrs. O'Leary

Mrs. T. J. O'Leary of Edmonton, Alberta, is the honor guest at a party this afternoon and another this evening at the A. L. Austinger home, her mother, Mrs. J. O. Esther, and sister Mrs. Austinger entertaining prior to her return home after a 2½ months' visit in this city. The guests at the party this afternoon include Mesdames Olaf Samstad, T. Rowe, O. H. Friesel, J. Jonas, Mary Ove, O. H. Hillestad, Nelson, C. Hillestad, S. Benson, H. R. Sande, A. P. Fox, D. F. Melloy, and Mrs. F. J. Reis of St. Paul.

The guest list for this evening's affair includes Misses Nettie Fox, Kate and Alvina Jonas, Jeanette Orstadal, Carolyn Melloy, Edna Larson, Ruth Weld, Alice Berg, Lulu Cook, and Messieurs W. J. Brown, W. H. Hulbert, H. Fiske, H. L. Sande, Rose Johnson, J. F. Nelson, Ray Johnson, Marais, where the groom is the principal of the high school the coming year.

Laura Forde Married

Dr. and Mrs. Richard Viero returned Friday to their home in St. Paul after a visit at the Dr. O. F. Melloy home here, and at the latter's sister, Grindelia, and Mrs. Viero following a honeymoon trip thru the Canadian Rockies. Mrs. Viero was formerly Laura Forde, at one time piano instructor here, and is a cousin of Mrs. Melloy. From here they went to Glenwood to visit at her parents' home. During the past year Mrs. Viero has led the piano department at Concordia college, Moorhead.

Double Wedding

Word has been received of the marriage of Miss Juanita Steinke, daughter of Mr. and Mrs. John Steinke, until recently of Wanke, to Henry Nordhagen of Michigan, N. D., and Oliver Steinke of Dahlen, N. D., to Miss Olga Hegdahl.

Silverton Y. P. S.

The Silverton Young Peoples' society meets Sunday, July 25 at the O. E. Grinde home. Everyone welcome to attend.

Bridal Shower

Miss Nilda Thomas, an August bride-to-be, was the honor guest at a miscellaneous bridal shower at the Alfred Stone home Thursday afternoon. Those in the gathering included Mrs. Mabel Thomas, Mrs. Frank Nicholson, Eugene LaCoe, Nora Stone, H. C. Lindberg, Miss Wilma Ost Nase, Taylor Thompson, Alvin Stone, H. C. Canterbury, Misses Alice and Fanny Soderberg, Myrtle Krause, Ruth Taylor, Esther Bowen, Hattie Borgen, Betsy Troland, Gladys Swanson, Olga and Laura Stone and Messieurs Thomas, Lindberg, and Goodfellow will also be in this charge.

For Miss Myeddo

In compliment to Miss Ella Myeddo of Fergus Falls, Mrs. Alfred Stone and Miss Mabel Johnson entertained by Miss Johnson's mother, Saturday, a group of their friends at a seven o'clock dinner at the Johnson home Friday evening. The guests included Miss Myeddo, Misses Grace Stebbins, Ruth Fedorson, Ardell Hutchinson, Isabelle Sorenson, Hilda Peterson, Ring Johnson, Mr. and Mrs. R. Sagreen, Walter Johnson and Alfred Bredeson. Miss Myeddo returned to Washburn Saturday.

Entertain Newly-Weds

Mr. and Mrs. E. J. Richards entertained at a dinner Sunday evening at their home in honor of the former's brother-in-law, Mr. and Mrs. John E. Richards of Minneapolis, who were married in this city the latter part of July, and who are on their honeymoon trip. The guests were Mr. and Mrs. Richards and Miss Dorothy Mae Richards of Red Lake Falls, brother, sister and niece of the groom, and Mrs. Thyra Snyder and sons Clayton and Orin, Mrs. Marie Olson and Mrs. Ethel Richards of this city.

The bride was formerly Miss Lulu Collins of Minneapolis, she taught in the public school at Red Lake Falls a couple of years ago. The couple will make their home in Minneapolis.

Delegate to Convention

At a meeting of the American Legion, Auxiliary Tuesday night, four delegates were elected to attend the state Legion convention to be held at Mankato August 8 to 11, namely: Mrs. T. F. Anderson, Mrs. Harold Provencher, Mrs. Henry Froseth and Mrs. J. M. Hilton. Alternates are Mrs. Verne Nelson, Mrs. James Gee, Mrs. Geo. Nelson and Mrs. J. J. McCann. Committees were also named to take orders for the State Auxiliary cook book, which are now on sale. Following the business meeting, a luncheon was served by Mrs. J. J. McCann and Mrs. A. H. Dorn.

NO CLUB MEETING

There is no meeting of the Commercial club this week, many members being in attendance at the Grand Forks-Minneapolis baseball game at Pat Soark of this city are slated to compete in the races today.

CLUB NOTES

Local Golfers Tie With Crookston in Tournament

Thief River Golfers proved in Sunday's tournament that they are improving their game, by playing the strong Crookston aggregation to a 10-10 tie on the local course. The tournament took part in the Scotch foursome, each player driving off and returning with the Crookston golfer, the locals having been defeated at Crookston earlier in the season. The blind-bogey system, which was played in connection with the tournament, was won by W. E. Rowe of Crookston with a 79. Thief River Falls golfers who were awarded prizes of three ball balls each, with the shooting 81 for the 18 holes, C. J. Hinkel, Crookston, 82, and Dr. Lee Hinkel, Crookston. The guests included Miss Mabel Mymes, Grace Stebbins, Ruth Fedorson, Ardell Hutchinson, Isabelle Sagreen, Hilda Peterson, Ring Johnson, Mr. and Mrs. R. Sagreen, Walter Johnson and Alfred Bredeson. Miss Myeddo returned to Washburn Saturday.

Local Men Reelected

Bernard Knudsen and Bj. Bjornatan returned Monday evening from Minneapolis where they attended the biennial grand lodge convention of Sons of Norway, as delegates from the First district which comprises the Duluth last week. About 70 delegates attended the national meeting, at which J. Morland of Madison, Wis., was elected president to succeed Judge T. O. Gilbert of Willmar. More than 100 were present at the eighth biennial session of the district organization, comprising Minnesota, South Dakota and Wisconsin. Mr. Knudsen was reelected trustee for four years and Mr. Bjornatan was re-named representative to the board of directors. Both are members of Backen, Minneapolis, president; J. E. Bernhardt, Stock Falls, N. D., vice president; Halvard Aasheim, Minneapolis, secretary; M. O. Berg, Virginia, judge, and A. Lette, Albert Lea, trustee, two years. While in Minneapolis Mr. Bjornara addressed a meeting of Sonsi[illegible] on Sunday. He left Monday morning for his home at Wanke. T. J. Reierson of this city was elected to the board of directors at the meeting. The 1928 district meeting will be held in Moorhead.

Project Units Meet

Reports received by County Agent J. J. McCann from leaders of Pennington county clothing project clubs indicate most satisfactory attendance at meetings of the local units, much interest being evidenced thruout the county.

LEGION MEETING TOMORROW

Delegates to the state convention in Mankato will be named by the local Legion post at a meeting tomorrow, Friday night. Adjutant Verner Nelson urges all members to be present as various matters of importance will be taken up.

ZION PASTOR ARRIVES

Rev. E. L. Tungseth of Hawley, who has accepted the call to the Zion Lutheran Free church in this city, is moving here with his family this week. Services Sunday, and Confirmation will also be in his charge.

Citizens Military Training Camp at Fort Snelling

Young men between the ages of 17 and 31 will have an opportunity to attend a free citizens's military training camp to be held at Fort Snelling, Minnesota, Aug. 1 to 31, according to Capt. Daniel G. Fowle of the United States army who was in the city last week for the purpose of enrolling men for the camp.

Approximately 1,700 young men from Minnesota, North Dakota, South Dakota, Nebraska, Iowa, Arkansas, and Missouri will be assembled at Fort Snelling to receive the month's training provided for in the national defense act of 1920. The Fort Snelling camp will be the largest camp in the United States this summer, Capt. Fowle said.

Many young men in other sections of the country have signified their intention of paying their own carfare to Fort Snelling to attend that camp rather than one nearer their own home," he stated. Along this line it is said that General Pershing has picked Fort Snelling as the camp at which his only son will train.

The best part of the camp, according to Capt. Fowle, is that it is free for all who desire to attend. The government provides free transportation to and from camp at the rate of five cents a mile, furnishes a uniform and complete equipment to each boy, and houses and feeds him without cost. Medical attention is also furnished free to those who need it. Courses of instruction in infantry, artillery, engineer and cavalry training will be offered at the campand in addition a course in citizenship will be given to all.

No obligation is assumed by those who attend the camp to enlist in the regular army or national guard. However, a young man successfully completes four camps he is offered a commission in the Reserve Corps of the United States army. However, there is no obligation that he accept this commission.

Capt. Fowle has left application blanks at the post-office to further explain things to those who are interested. A properus of the camp will be furnished by the postmaster upon request.

Former Pastors Asked to Partake in Tilsit Dedication Sunday, October 3

Sunday, October 3, has been tentatively set as the date for the dedication of the Trinity Lutheran church near here, now under construction. During the several days are planned, with special sessions for the men, women, young people and children. Rev. T. Gullickson of Minot, newly elected vice president of the Norwegian Lutheran Church of America, and Rev. I. T. Astad, president of the Northern Minnesota district, and former pastor here, will have charge of the services at the dedication. Rev. S. L. Tollakson also announced last night that the following pastors who have served congregations now comprising the Trinity congregation have been invited to participate in the program: Rev. O. G. Vaaks, Brusett; Rev. Ar. Bakarben, Erskine; Rev. L. A. Lassesen, Fargo; Rev. M. Dahl, Phelps Prairie; Rev. Rev. A. R. Rosland, Gonasen, Iowa; Rev. Sawyer, Detroit, Minn., and Rev. O. P. Stavem, Madagascar, Minnesota; Rev. Stavem is a missionary who is here on a furlough.

With the arrival of certain building materials last week, work on the new church is rapidly progressing, a considerable portion of the walls having been erected.

REGISTER OF DEEDS NAMED

At a meeting of the Red Lake county board last week, the office of the register of deeds was declared vacant, Miss Clara Normandeau, deputy since 1922, was named to succeed Frank J. Faran, who removed from Red Lake Falls to travel throughout the state in the interests of the Minnesota Wheat Growers' association. Mr. Jeffers has held the register of deeds office since 1900, with the exception of two years, from 1906 to 1908.

Of Interest To The Housewife

We have this week installed a water softener which should be of interest to you who realize what a difference it makes when compared with the hard water of this section.

With the water softener we get a purer water than rain water as the latter in falling on roofs collects particles of dirt which makes the water yellow.

We are prepared to back up the claim that we now can turn out a cleaner, sweeter smelling piece of goods than is possible in the home laundry where washing and rinsing facilities are not arranged in the best way.

We can give you any service that suits your pocketbook.

Mrs. J. L. Stitt and Mrs. F. S. Palmer left last Thursday to visit a few days in Minneapolis.

Mrs. O. B. Hanson of Newfolden was a guest Friday at the C. E. Hellquist and J. E. Nelson home in this city.

Mrs. A. C. Dahle left the first of the week for Internation Falls to join her husband who is employed there.

Mrs. M. J. Morgan and two daughters, Thea Marion and Claire, of Clement, N. Dak., are guests this week at the J. E. Nelson home.

Mr. and Mrs. Oscar Melby and family returned Tuesday to Deer Horn in Overly, N. Dak., after a visit with friends and relatives in this city.

Mrs. Ole Hanson and little son arrived in Fergus Falls Friday, and left last night to visit a couple of weeks with her mother, Mrs. Lucille Johnson.

Miss Hazel Hicks, stenographer in the Great Northern general offices in St. Paul, was in the city Monday enroute from Goodlett Farm to Maple Bay, where she attends the picnic of the Great Northern Relief association, of which corporation Hon. Ang. Rendquest is president. Mrs. Hicks is a daughter-in-law of the president.

Mr. and Mrs. Marcus Larson arrived Wednesday from Warren where Mr. Larson has been engaged the past year as instructor at North Star college. Mr. Larson continued on his way to Wahoo, Nebraska, where he has accepted a position at Luther college, Mrs. Larson and child expecting to join him there the first part of August.

Mrs. Louise Pawlisc and daughter, Pauline, accompanied by the former's son and daughter-in-law, Mr. and Mrs. Clarence Pawlisc, arrived in the city Tuesday from their home in Oakland, Calif., to visit several weeks with relatives and friends in this city and at Rosewood. They were also accompanied by Mr. and Mrs. Henry Anderson of Gascoyne, N. D., who report that much damage has been done to crops in that section by hail. They declare the crop outlook in this territory the most promising seen along the route traveled.

Mr. and Mrs. R. J. Laird and son, accompanied by Mr. Laird's mother, Mrs. R. O. Laird of Wanamingo, returned Sunday from a two weeks' motor trip, covering about 2,000 miles, visiting at Warroad, International Falls, inter-lakes towns, North Shore, Lake Superior, Estherville, Iowa, and Wanamingo. "Crops in Pennington county and northern Minnesota will average with the best in the state," declares Mr. Laird, "but farmers should put up as much hay as possible this summer, as it is going to be in large demand this fall in southern counties."

Dr. J. Arthur Edwards of Minneapolis was a visitor in the city last week.

Henry B. Rosenblilt left Saturday for Portland, Ore., where he will be employed until fall.

Miss Hilda Olsen of Minneapolis arrived last Friday from her home in Minneapolis to visit a few weeks' visit with relatives.

Mrs. Hazel Ohm and Mrs. Ray Johnson left Friday for a week's visit at the home of Mrs. Johnson's sister, Mrs. Earl Dolan.

Theo. Haugen of Grand Forks began work this week as Great Northern warehouseman, succeeding Nels Nelson now located at Lakota.

Mr. and Mrs. W. C. Rogers had all their guests Monday at dinner, and Albert Lund, newly-weds of three weeks, who are enroute to Chicago for a visit.

Mrs. Lund was formerly of Oakport.

George Curtis, Jr., of Detroit is visiting here at the Ole Aasheim home, expecting to remain a couple of weeks. He motored here Sunday with Mrs. Aasheim and family who spent the day in Detroit.

Miss Violet Lundberg of Hallock is spending a few weeks in this city as the guest of Miss Vera Olson. Miss Lundberg and Miss Olson are classmates at the Northwest School of Commerce, of which latter city Miss Olson is a student.

Dr. and Mrs. R. C. Bernard of Oakland Park sanatorium left Monday on a ten-day vacation trip to Deer Lake, Minn. Mrs. Bernard is a registered nurse, in attendance at the sanatorium.

Mrs. Elmer Anderson and children left Saturday morning for their home at Hibbing after a five weeks' visit here with relatives. They motored here from Hibbing to meet Mr. Anderson who visited in this city Saturday and Sunday.

Mr. and Mrs. Carl Jacobson and daughter, Ann, of Memphis, Tenn. Mr. and Mrs. H. H. Jacobson, Jr., and Mrs. Otto Gulbrandsen, Minneapolis, and Mr. and Mrs. Gerger Jacobson, all of Grand Forks, motored here Friday Sunday to spend the day at the O. S. Olson farm home.

Misses Pearl Skeely and Lilly Hoerl left Sunday for Rib Mountain, to visit over the week end. From there they will go to Portland, Ore., in which vicinity Miss Hoerl will attend school the coming year. Miss Hoerl also has relatives at Silver Lake, Oregon.

Mr. and Mrs. Alfred Henderson and family motored here from Acton, Minn., to join the M. L. Swenson family at their cliff, Sunday, returning for an all day picnic, where they attended the picnic of the Swedish Baptist church of Thief River Falls, of which congregation Rev. Aug. Hendquest is pastor. Rev. Henderson is also a former Thief River Falls resident, at one time pastor of the Swedish Baptist church here.

Mr. and Mrs. Marcus Larson arrived Wednesday from Warren where Mr. Larson has been engaged the past year as instructor at North Star college. Mr. Larson continued on his way to Wahoo, Nebraska, where he has accepted a position at Luther college, Mrs. Larson and child expecting to join him there the first part of August.

Mrs. Louise Pawlisc and daughter, Pauline, accompanied by the former's son and daughter-in-law, Mr. and Mrs. Clarence Pawlisc, arrived in the city Tuesday from their home in Oakland, Calif., to visit several weeks with relatives and friends in this city and at Rosewood. They were also accompanied by Mr. and Mrs. Henry Anderson of Gascoyne, N. D., who report that much damage has been done to crops in that section by hail. They declare the crop outlook in this territory the most promising seen along the route traveled.

Mr. and Mrs. R. J. Laird and son, accompanied by Mr. Laird's mother, Mrs. R. O. Laird of Wanamingo, returned Sunday from a two weeks' motor trip, covering about 2,000 miles, visiting at Warroad, International Falls, inter-lakes towns, North Shore, Lake Superior, Estherville, Iowa, and Wanamingo. "Crops in Pennington county and northern Minnesota will average with the best in the state," declares Mr. Laird, "but farmers should put up as much hay as possible this summer, as it is going to be in large demand this fall in southern counties."

Dances at Goving's Saturday night. Kjo

Carl M. Carlson of Dagley was in the city last week.

L. A. Habecock returned Monday after a two weeks' visit with relatives in Chicago.

Leonard Peterson of the Red River Lumber company, Crookston, was in the city Tuesday on business. He is the newly elected member of the Crookston school board in Tuesday's election.

Nick Bumbaird of Goodridge was a visitor in the city Tuesday and Wednesday.

J. J. Yorschek went to Mahnomen yesterday to spend a few days looking after his farming interests.

Official Paper Pennington County

A trip of inspection about the city will disclose to the observer an unusual amount of repairing and improvement being done on buildings in Thief River Falls this year. This is a most encouraging sign and indicates that times are getting better and that people have faith in the future possibilities of this community. Either new homes are not being erected, a large number are being extensively improved—homes being equipped with modern conveniences, porches added or enclosed, coats of paint put on, and all-over repairs made, improving the appearance and enhancing the value of the property. It is also a noticeable fact that there are very few unoccupied houses in the city.

Everyone who can possibly, set away about July 30 for the community tour to the Red Lake Narrows resort next Sunday.

TOKEN FOR PAGEANT SUPPLIED BY COPP

Harvey Copp, farmer near the city, returned Saturday from Grand Forks where he had taken his four oxen to take part in the demonstration put on Friday at the university campus by the Columbia River Historical expedition through the Great Northern railway. A fifth ox was supplied from Holt, Grand Forks commercial club, and the state university entertained the members of the expedition with a pageant depicting the burning of an early settler and his family thru the fire they were using as an extra, promises and travels. Adding to the beauty of the pageant were three Chippewa Indians decked in the full regalia of their savage state.

The Grand Forks committee met with considerable difficulty in locating a sufficient number of oxen, there being but a few remaining in the county valley.

The expedition carried several notables, historians, artists, editors and authors. Motion pictures were taken of the pageant by representatives of the Pathe News and Fox News, especially featuring the settler scene.

DISCUSSES ACCIDENTS

The importance of greater care in crossing railroad tracks was emphasized by W. A. Darnell, Soo Line superintendent, who addressed the Commercial club luncheon last Thursday in connection with the observance of National Safety Week, Statistics were cited showing that accidents have been reduced by safety campaigns and urge the public to be more cautious. "The use of more common sense would eliminate a large number of accidents," Mr. Darnell declared. The dredging driver and the person who has no regard for the rights of others were scored as tenderfoot. Attention was again called to the danger of children trespassing on the railroad tracks—other than at the regular crossings.

MEETS PAINFUL DEATH

Taken from the Rietzer Independent, Alberta, Canada: "The town and district were shocked on Sunday, June 27, to hear of the fatal burning of Mrs. A. E. Chinn, who was the youngest daughter of Mr. and Mrs. Jos. Turville, once a resident of Thief River Falls, Mr. and Mrs. Chinn were camping in what is known as the Lake Bed Deer and Mrs. Chinn got up to put on a wood fire using coal oil. Whether the oil took from gasoline for the coal oil is not definitely known, but at any rate the fire leaped up and caught her dress and she was at once enveloped in flames. There must have been an explosion at the same time as the house was burned flat. Mrs. Chinn ran out and attempted to roll on the ground to extinguish the burning clothes and then for some reason fled back into the house, where Mr. Chinn received her from the building. Before she could be brought out again the unfortunate woman was burned to death. The funeral took place on Tuesday afternoon, June 29, to Rietzer cemetery, the services being in charge of Fleetz Chapter, O. E. S. of which Mrs. Chinn was the daughter of Mr. and Mrs. George Turville of Stettler and was only 23 years of age. At Stettler she had a large circle of friends and this sad affair has cast a gloom over the town and community.

THANKS TO VOTERS

I wish to thank my friends who so loyally supported me in the recent school election. Your confidence in my courage to say "No" or "Yes" at all times, in the interests of the school, educational or financial, are at stake, is keenly appreciated.

Mrs. L. G. Larsen.

Civil War Veteran "Keeps Fit" at 93

(Continued from Page 1.)

devotion in his religious principles.

When the Times editor called on Mr. Fuller for the purpose of an interview he was met with a cordial smile, the old veteran agreeing to spend a brief period in contemplation of the past.

But it is not so easy for one who has recently voted for the first time to comprehend the span of time and the events involved in a life of 93 years. Talking to Mr. Fuller is like opening the pages of history. Being perfectly familiar with current affairs from the time he was but a lad, he unfolds history much more interesting than that usually found on the printed page. It must be remembered that at the time of his birth in 1833, Andrew Jackson was president of the United States and it was not until a year after he came to Minnesota that this state was admitted into the Union. He has seen the great North Star state grow from a virtual wilderness to its present state of development. The old man admits that it is difficult to visualize the tremendous changes which have taken place and the progress brought about by revolutionizing inventions.

Mr. Fuller was born in the town of Yeshire in Vermont, about 60 miles from Montpelier. His father was of English and his mother of Welsh descent and it is believed that his father's ancestors came over on the Mayflower. His grand father was a Congregational pastor who had come to Vermont from Connecticut. His father being a farmer, Samuel had to help on the usual work about the farm which was not equipped with the numerous conveniences and machinery found on the average farm of today. He was the youngest of a family of six children.

"We had lots of hard work," Mr. Fuller says, "but we made a good living by keeping cattle, sheep and chickens and raising some produce. Most of it was consumed right at home, however, altho we sold some produce on the side. We always had some horses but most of the work was done with oxen. When we went to church on Sunday we used horses."

It seems almost unbelievable that this young man at 93 in the first years of his life was practically a cripple. Due to rickets affecting his ankles he had to use crutches until he was four years old, when he started school, but in a few years he was able to run about with the other children and his ankles are in good condition today after years of service, including some 40-to-50-day marches during the Civil War.

In discussing schools, Mr. Fuller expressed the opinion that there is not so much difference between the schools of that day and now as one would think. "Of course more subjects are being taught in the schools today" he says, "but fundamentally there is not much a great change. We had good scholars and poor scholars, good teachers and poor teachers in those days too. And 'Grandpa' knew a good deal about books, because he began to read for himself at the age of five. That he still knows his "stuff" is evidenced by the fact that he often helps his granddaughters in high school with their algebra, geometry and other lessons. He has a remarkable memory.

When 16 or 17 years old he finished the district school, which was all the education most youths got in those days, and at the age of 19 left the farm to attend an academy in New London, New Hampshire, where he studied two years. Intending to become a civil engineer and surveyor, he specialized in mathematics, but hard times came on and there was little chance for work in that line, so he taught district school.

In 1856 Samuel and a friend started west and came to Kasota in search of work. He was an axman in the building of a railroad. He also taught school in Kasota, getting $35 a month, but much farming then, because it was not until in '59 that Minnesota started to export grain.

Then the Civil War broke out and Fuller enlisted in the Fourth Minnesota Regiment and was mustered in by John B. Nathorn in the fall of '61. After a brief period at Fort Snelling his company was ordered to the South to "do or die in battle," but not take part in any big battles," the veteran said modestly, "altho we took part in the siege of Vicksburg under General Grant after considerable marching thru Mississippi and Tennessee." Vicksburg was surrendered July 4, 1863. While at Nashville Mr. Fuller was taken ill with malaria and was sent to a St. Louis hospital where he nearly died, but after seven months in the hospital was able to serve in a company organized in the spring to be sent East to guard prisoners at Camp Lookout, Maryland. He expresses much regret that he was unable to stay with his regiment in their famous "March to the Sea" under General Sherman.

On his way to Washington, D. C., the company of guards was captured in the Virginia hills by an outfit of Rebels, who tore up the tracks and burned the train. The Rebel threatened to shoot their prisoners but their captain said that he had once been captured by the Union troops and given such good treatment that he would spare their lives. They were paroled and shortly afterward a company from Washington drove the Rebels away.

While on guard duty in the capital city, Mr. Fuller had the privilege of seeing and meeting President Abraham Lincoln. One morning while standing on the White House steps, he saw President and Mrs. Lincoln get into their carriage, the president bowing graciously as he noticed him. The old veteran regards this as a precious incident, and also when he shook hands with Lincoln at a reception. Many say that Lincoln was homely, but he looked well enough," he remarked, "he had a noble appearance."

On November 1, 1864, Fuller took his discharge at Camp Lookout and after a visit in Vermont, returned to his Minnesota farm in 1865. The following year he was married to Sarah Turner of Janesville, their union was born two sons, Lyman, who died many years ago, and William D., who died here a year ago at the age of 62. The latter was a veteran of the Spanish-American War. Until he retired about 20 years ago, Mr. Fuller was engaged in teaching and farming in Freeborn county, and spent a few years in California before coming here to make his home with his son. As far as he knows there are no members of his regiment living now," Mr. Fuller says. At the reunion of the First Minnesota Tuesday in Minneapolis only 16 were present.

It is interesting to note that Mr. Fuller's mother reached the ripe old age of 84 years, his father died at the age of 87, his grandmother at 90, a brother at 93, and another brother at 80. Exhibiting life as he does, the Times joins friends of "Grandpa" Fuller in wishing that he may pass the century mark.

BUILDING ADDITION

In order to meet the demands of increased business, the Peterson-Biddlecombe company of this city is erecting a 20 by 20 foot addition to its warehouse at the Soo tracks. The addition is of frame construction on the west end and will be used primarily for the potato center and for the storing of seeds.

SHE EARNS IT BACK IN ONE MONTH

Students of the UNION COMMERCIAL COLLEGE, Grand Forks, N. Dak. are exceptionally successful. That is because the I. C. C. is a FULLY ACCREDITED school with a course of study complete to the last detail. The Associated Press dispatches this past week carried the news of Miss Mabel Ortun being admitted to the N. Dak. bar, and of leaving for Los Angeles to accept a position with a big bonding house. When Miss Ortun finished her course at the I. C. C. we placed her with the law firm of Petersen & O'Connor. During her spare moments she studied law. It was her stenographic training that secured her her start and it is stenographic training that she will use in her present position. She is earning back each and every month twice what her tuition cost her. A business education not only enables you to get a start but it leads to sure promotion and advancement. If you would like to make your start in the big, busy business world send for our free catalog and let us tell you what the FULLY ACCREDITED SCHOOL can do for you.

You Pay No More for an USCO than for an Unknown Tire

The USCO BALLOON

USCO Tires are made by the United States Rubber Company—the world's largest rubber manufacturers and owners of the largest rubber plantation in the world.

USCO

Balloons, High-Pressure Cords and Fabrics are made to give the man who wants a moderate priced tire all the value that can be built into it.

Every USCO Tire carries the standard warranty. And they cost no more—in many cases, less—than tires of unknown origin and doubtful value that you may be offered as "bargains."

How Much Are You Worth To Your Farm?

"If you want to know how much a man is worth, count the number of "HORSEPOWER" that he can keep profitably employed, for as a man's capacity to organize and direct the work of others grows, the profits from his business will increase.

The electric motor as adapted to the farm provides in economical and compact form the working capacity of many men and animals. It gives the farmer greater freedom for the planning and supervision that constitutes his real value to the farm. It pumps water automatically, makes child's play of sawing wood, grinds feed and does dozens of other tasks, all a part of the every day operation of the farm.

Science has created electric appliances to relieve men and women of their burdens, and on the farm it is the symbol of an age to come—an age in which electricity shall do for agriculture the kind of service which has revolutionized modern industry, transportation, and the home.

Our plan for Rural Electric Service, the kind that brings to your farm an unlimited supply of energy for your needs, is meeting with more favor each day. An ever increasing number of farm owners are on our lines enjoying the same service as is possible in the cities and towns.

Electric power has brought wealth to many industries. Is there any reason why it cannot do the same thing for agriculture?

Minnesota Electric Distributing Co.

Good Through and Through

Details tell impressive story of quality standards strictly maintained

Unprecedented sales prove how well the public knows that Dodge Brothers Motor Car is sturdier and more dependable than ever before.

Delivers more miles at lower cost-per-mile. Stands up under harder going. Calls for fewer repairs. Provides greater safety. Excels in every quality that has earned its good name.

In fact, you have only to check any chassis part against its own past best—engine, axles, gears, bearings, frame, springs, shafts, electrical equipment—to prove how strictly and consistently Dodge Brothers have preserved and improved the basic goodness of their product.

Mr. and Mrs. Ed. Hilson had as their guests over the week-end, Mr. and Mrs. Geo. Harvewraves of Listowel, Ont., Canada, and Mr. and Mrs. David Bradshaw and son George of Antler, N. Dak.

Mr. and Mrs. Chris Stocholm and son Frances, accompanied by Mrs. C. H. Hilson, Mrs. Grand Forks and Mrs. Elmer P. Ohm of Bergild, left by car today for a several days' visit in the Twin Cities.

Mr. and Mrs. Julius Sperbeck of Reynolds, N. Dak., Mr. and Mrs. Oscar Jenson and four children of Grand Forks and Mrs. A. Jensen of Ballingham, Wash., motored here Sunday to spend that day at the Arthur Ramback home.

Word has been received from Miss Mamie Moore, nurse in the Oakland Park sanatorium who is at her parents' home at Odessa, that her 6-year old sister, Frances, died Friday, death being caused by scarlet fever. Another sister is seriously ill with the same disease.

A. F. LA BUDDE TO MILWAUKEE

Word has been received here that A. F. LaBudde, cashier of the First State Bank of Gully and formerly in the hardware business in Gully, left last week for Milwaukee to take over the management of the Franklin State bank, and that a family of five points in excess of a million dollars. The Franklin bank is now connected with the First National Pact by its affiliation with the Northwestern of the Ninth District Bankers' association, retains a substantial interest in the Gully bank and will continue to serve it in the capacity of vice president. Several hundred Thief River Gully friends gathered at the Gully hall July 19th to bid farewell to the departing citizen, who was presented with a token of appreciation. Tributes were paid to Mr. LaBudde's service in the community in talks by Mayor Ed. Hickey, Ed. Hall of Gonvick, Dr. Ekrem of Gully, and Oscar Fredrick, who presented Mr. LaBudde's purse in Gully behalf. Mr. Fredrick has been associated with the Scandia American Bank of Crookston for 16 years, the last 10 years as cashier. In all of interest to Pennington county residents that it was largely thru the efforts of Mr. LaBudde that the village of Gully recently voted about $30,000 to help the township defray the expenses of constructing a concrete road to the soldiers' and sailors' monument at Fosston. Mr. LaBudde has taken many friends in the latters parents, Mr. and Mrs. Ed Aubel.

BAKER BUILDING HOUSE

A residence is being erected by George Baker on his six acre tract just south of the Oakland Park sanatorium, the contract having been let to the Friesland Company. The building, which will cost about $2,000, is 28 by 28 feet of the bungalow type with shingled walls. Mr. and Mrs. Baker are making their home with the latters parents, Mr. and Mrs. Ed Aubel.

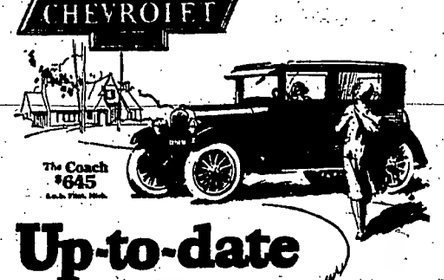
Grindeland Gives Decision in McEnelly-Bank Action

Judge Andrew Grindeland of Warren has just rendered a decision in the case of J. A. McEnelly vs. American National bank of St. Paul and First National bank of Thief River Falls, which is of importance in so far as the duties and liabilities of banks are concerned relative to the handling of negotiable paper forwarded to them for collection.

On October 27, 1925, the Farmers and Merchants State bank of this city issued its cashier's check for several hundred dollars, which check, in the regular course of business, came into the hands of the American National bank on October 29. On the next day this bank forwarded the check to the First and Peoples State bank of Thief River Falls, where it was received on the following October 31. Then the latter bank retained the check until the following Monday, and then returned the same to St. Paul without presenting it for payment, and the check, in the usual course of business, did not reach Thief River Falls again until November 5, on which date the Farmers and Merchants State bank was closed, so that the owner of the check could not get his money. The owner of this check, Mr. McEnelly, brought an action against the defendants on the ground that they were negligent in failure to present the check, and also in holding it too long.

Judge Grindeland, in his decision, holds that the defendants were under obligation to make presentment and that when a bank receives money of this character it is obliged to handle it to the extent at least, of making presentment so that the bank cannot of its own accord, refuse to accept the paper for collection.

The effect of the decision is that a bank receiving items of this kind for collection must make presentment for payment except in cases where, owing to the nature of the instrument or that if a loss occurs by reason of failure to present, the bank is liable for the loss. The decision, if upheld on appeal, makes the bank liable to the owner of the check for the amount involved, and is the first decision rendered in this state before and very likely will be followed by decisions rendered directly upon this point in the future.



Several hundred United States banks have already adopted the plan of collection which the defendant bank refused to accept in the case at issue.

The case was tried in district court last February, for two days and is lengthily briefed by the attorneys for the plaintiff and defendant. The question involved has never been discussed in this state before and very likely will be followed by decisions rendered directly upon this point in the future.

Several hundred United States banks have already adopted the plan of collection which the defendant bank refused to accept in the case at issue.

C. G. Halvorson, of Thief River Falls, represented the plaintiff, while Halvorson and Halvorson of Thief Falls and Oppenheimer, Dickson, Hudson, Brown and Leach of St. Paul represented the defendants. An appeal will be taken.

ST. HILAIRE

Swedish Lutheran Picnic

The annual Swedish Lutheran picnic is to be held Sunday, August 1, at the Aug. Swenson farm. Rev. G. P. Nelson will give a short talk and the combined choirs of Clara, St. Hilaire, and Black River, will sing several selections. Dinner will be served and ice cream and other confections will be sold at several stands.

Entertain at Luncheon

Mrs. G. Felliman and daughter, Mildred pleasantly entertained a number of guests at their home, Wednesday afternoon. The hours were spent in a social manner and at 4 o'clock lunch was served. The guests were: Mrs. Anton Peterson and daughter, Lulu; Mrs. Mot W. Peterson and daughter, Annie; Mrs. Aug. Swenson, Mrs. Lars Olson of Annandale, Mrs. O. R. Warner, Mrs. Larrenson of St. Paul and Mrs. A. Lattery.

Alumni Re-union

At the Imperial hall, which was prettily decorated in yellow lattice work, and green and white streamers and branches, 75 graduates of the St. Hilaire high school and guests were entertained. During the first part of the evening a business meeting was held, called to order by Alice Fricker, president of the alumni association. The officers for next year were elected as follows: Alice Fricker, president; Martin Van president, Lloyd Hilden; Secretary and treasurer, Hazel Dana. Following the election of officers the following musical program was given: Violin solo, "Hesitation Dream" and "Bert Brink's vocal solo, "Indian Dawn," Hazel Brink; violin solo, "Love Dream," If Ye Only Knew," Albert Bitnk and Albert LaCourse of Red Lake Falls; vocal solo, "Happy Days" Jones & Dahl; violin duet, "Often," Alfred Brink and Albert LaCourse; piano duet, Maria and Agnes Grimsrud. At the close of the program partners were chosen for the grand march and the procession started to the Odd Fellows hall. Lunch was served at tables prettily decorated with sweet peas and pink candles. The lunch was given by Dorothy Martz, Mildred Felliman, Supt. Carl Christianson, Evelyn Wilson and Pearl Simonson. After the lunch those wishing to have returned to the Imperial hall where an excellent entertainer furnished music for the evening. Novelty caps, airplanes and frogs were given in favor dances during the evening.

FEW HOURS FROM LEARN TO EARN

Four students from Dakota Business College, Fargo, were recently placed in good positions on their graduation day. F. B. Green was sent to Standard Oil Co., N. Ver-nemtom to N. P. P. R. Co.; Geneva Westgard to the Williston Herald; J. O. Hove to Home Machine Co., Rosholt, S. D.

Employers prefer "Dakotans." They begin work with experience—have had *actual business training*. (Copyrighted—unobtainable elsewhere.) Watch each week. "Follow the Successful." August term saves time. Write F. L. Watkins, Pres., 806 Front St., Fargo.

Mrs. Johanna Anderson

Mrs. Johanna Anderson, who has resided with the Andrew Hermquist home at St. Hilaire for nearly 40 years, died June 26th at the home of Mrs. Ingeborg Nelson at St. Hilaire, where she had stayed for three months. She was a native of Sweden and was 91 years of age at the time of death, which was caused by infirmities of old age. Interment was made at Milan.

The re-union proved to be a great success and it is hoped that a still larger reunion can be held next year with the co-operation of every individual alumnus.

Women's Missionary Federation

The annual meeting of the Women's Missionary Federation was held in the Norwegian Lutheran church Wednesday. Record crowds attended the meetings which were held during the afternoon and evening. A large number from Thief River Falls, Knutsdal, Haines and Erie attended. Among the prominent speakers of the day were Rev. and Mrs. Hayaas, recently returned from Madagascar, Miss Nelson of Grand Forks, missionary in China and Mrs. Tollhammer, a social worker in Minneapolis.

The elected officers are: President, Mrs. S. L. Tallakson, Thief River Falls; vice president, Mrs. Hildahl, Greenleaf; secretary, Mrs. Philipson, Middle River; treasurer, Mrs. Martin, Thief River Falls.

Mr. and Mrs. Enock Pinsbakke and daughter Ruth spent Sunday at the C. Knox home west of the city.

Forest Lake Visitors

Mrs. and Mrs. Peter Fallis, Mr. and Mr. H. Horne of Duluth spent a short time at the P. E. Berg home Wednesday.

After spending a couple of weeks with relatives in the mother's home, Mrs. Harry Sherwin Melvin Sheven who is employed at the Commercial hotel, Mrs. and Walsreton, N. D., returned Sunday evening on her car to their city.

Supt. E. Peterson of Ulen accompanied by Miss Marie and Agnes Grimsrud and Dorothy Olsen picnicked at Union Lake Saturday.

Mr. and Mrs. Paul Dietloff and daughter, Pearl, accompanied by Mrs. Martin Ryan, spent Sunday at the Alfred Olson home west of this village.

Mrs. Peter Peterson of Duluth, accompanied by Mr. and Mrs. Verner Nelson of Thief River Falls motored from Duluth on Sunday Mr. and Mrs. Nelson remained for a short time at the M. Fricker home.

Mr. and Mrs. Gust Felman and daughter, Mildred, Mr. and Mrs. A. Hattenberg, and Mr. and Mrs. Frank Hattenberg and child motored Sunday to Crookston where they picnicked.

Nels Nesen who is employed at Grand Forks, came Friday and spent the weekend here at the home of his mother, Mrs. N. Nelson, and, also to attend the Alumni re-union held Friday evening. He returned to Grand Forks Sunday.

Mr. and Mrs. Duncan McAllister and daughter Muriel autoed here from Grand Forks to spend the day at the Hans Wilson home.

Mr. and Mrs. H. E. Jacobs and son Myles motored to Bagley Sunday where they spent the day at the Sam Haugo home.

Mr. and Mrs. A. Hattenberg shopped at Thief River Falls Saturday morning.

Mrs. Holmstrom of Cambridge arrived here Saturday to spend the week end at the Rev. A. F. Nelson home. On Sunday Mr. and Mrs. Holmstrom motored to their home at Cambridge.

Mr. and Mrs. T. Skantrud and children motored to Kennedy Sunday to visit with relatives and friends.

Mr. and Mrs. G. Adolphs of Thief River Falls spent Saturday afternoon at the M. Fricker home.

Mr. and Mrs. E. Larson and son Edwin motored to Crookston Sunday where they spent the day at the C. Berg home.

Walter Berg, traveling salesman for a large wholesale silk concern came last week from Minneapolis and spent the week-end here at the home of his mother, Mrs. Mary Sherva. He returned to Minneapolis Wednesday.

Mr. and Mrs. F. Pond and daughter Shirley left Saturday afternoon for Breckenridge where they visited at the home of Mrs. Hall's sister. They returned here Monday.

An ice cream social was held at the W. F. Wilson home Wednesday, under the auspices of the M. E. church. A short program was given and Rev. T. Bisch of Thief River Falls spoke.

Mr. and Mrs. Joe LaPlante motored here from Crookston Sunday to spend the day at the Hans Wilson home.

Mr. and Mrs. Hubbin and son, Olaf and Peling of Erie spent Wednesday here, when they attended the meeting of the Women's Missionary Federation.

Mrs. H. Bible, who has conducted a restaurant in the Rierk building since last spring, closed her place of business the last week, leaving for the southern part of the state where she will spend a few months.

Local Items

Lloyd Cornell and Albert La Course of Red Lake Falls and Lloyd Hilden of Thief River Falls attended the alumni reunion Friday evening.

The Y. P. S. of the local Swedish Lutheran church held their meeting at the John Peterson home Sunday evening. A very large crowd of young folks attended.

Nels A. Nelson, an attorney by profession and a Henry Ford of the village and first Dalland of Thief River Falls motored here Sunday to visit at the Wendell Corbett home at Newfolden. Sunday Following the dinner they motored to Grand Forks where they spent the day. Mr. Nelson who is employed in that city, returned.

Mr. McKercher, accompanied by his daughter Alice, motored to Detroit Saturday where the former will attend to business matters.

Howard Hilden, son of Mr and Mrs. A. Hilden of this village, who has taken a course in pharmacy, in the University of Des Moines, Iowa, has passed the state board examinations in that state and is now a registered pharmacist. He has held a position as assistant in a drug store at Des Moines since spring, but has a better position in sight now that he has passed the examinations.

Rev. and Mrs. A. Sand and family are here from Annandale for a visit at the Aug. Swenson home and with other relatives.

ROSEWOOD

Mrs. Swen Swenson

Mrs. Swen Swenson died July 16 at a Fergus Falls hospital following a paralytic stroke. Funeral services were held Tuesday at the Zion Lutheran church in Thief River Falls, Rev. Aug. Bredesen officiating, and interment was made in Greenwood cemetery.

Mrs. Swenson, whose maiden name was Jennie Nyhus, was born in Norway, July 21, 1863, and came in the same year with her parents to Rosewood, where they settled on a homestead about two miles north of town. After remaining her for several years, the Nyhus family moved to Thief River Falls where Mr. Nyhus entered the hotel business and where Jennie was on April 15, 1902, united in marriage to Mr. Swenson. Following their marriage Mr and Mrs Swenson lived immediately for the Pacific coast intending to make their future home there, but returned after a year to Thief Falls where they lived until mainly until Mr. Swenson's farm north of Rosewood 11 years ago.

To mourn her passing are her husband, three daughters, Olivia and Grace of Rosewood and Gladys of Minneapolis, her mother, Mrs. Johnson Nyhus of Thief River Falls, and stepbrothers, Mes. Iesa Hare of Milnesota, Mrs. T. Fry of Thief River Falls, Otis Nyhus and Mrs. Severn Brandon of Thief River Falls.

Bartlet Swenson, the youngest son of Mr. and Mrs. Chas. Swenson ran into his father's mowing machine last week when they were mowing near the house and received a bad gash from the sickle across one ankle. The little fellow was then immediately to Thief River Falls for medical care and has been laid up with several stitches and is now healing very nicely.

Mr. and Mrs. Peter Pederson and Mr. and Mrs. Selmar Haugen motored to Warren on Sunday to visit at the Geo. Anderson home.

Mr. and Mrs. John Swenson and baby, Miss Margaret Hansen and Mr. and Mrs. John Hansen and family motored to Hoople N. D. Sunday to visit at the Ole Nybo home. After which Hansen remained at that place where she will be employed for some time.

Mr. and Mrs. Gilbert Crisholand and family returned this week from a week's visit with friends and relatives at Thompson, N. D.

Swedish service will be held Rosewood next Sunday, July 25, at 8 o'clock. Rev. Werner Drotts of Viktor will preach.

Seven families of about thirty people met at the home of Mrs. Chas. Schnabel last Sunday to give her a birthday surprise party and she affair proved to be very merrily spent.

The Carl and Emil Mollen families motored to Strathcona last Tuesday to visit at the Henning-Backlund home. Mrs. John Berglund and son Leonard accompanied them and will remain there during the week.

Mr. and Mrs. Lars Puran, Mrs. Martin Puran and daughter Muriel of Clayton and Mr. and Mrs. Henry Anderson of Minneapolis arrived here by car this week and will visit among relatives and old neighbors for a week or more.

Mabel and Sina Johnson from Thief River Falls accompanied by Ella Middle from Chicago visited with Elida Torseth last Saturday evening.

The Ladies Sewing club met at their first regular meeting at the home of Mrs. T. E. Bole, leader, last Wednesday afternoon.

Miss Gladys Swenson who is employed as bookkeeper for the Dayton company at Minneapolis arrived home last week for a two weeks' vacation with home folks.

Miss Gunda Mattson returned Monday to Virginia where she is employed following a brief vacation with her parents here.

The Chas. John, Rudolph and H. P. Sagmoen families and Mr. and Mrs. L. C. Puran and Mr. and Mrs. Henry Anderson enjoyed a Sunday picnic on the Skemelid grounds on Thief River.

Harry Myrom accompanied a carload of mixed stock for the Page wood Shipping association to St. Paul last Saturday.

Mael Pederson of Thief River Falls is employed at the Anderson and Peelson farm during haying.

Miss Minnie Sorenson arrived here Tuesday from St. Paul for a brief vacation with her mother Bella Sorenson.

Carl Ranum autoed to Grand Forks Sunday accompanied by a number of local people to visit at the Chas. Johnson home.

Emil Mellem who is employed at road work east of Grand Forks spent Sunday with his family at this place.

Thomas Thoreson and Ted Nelson left Monday in the latter's Ford for Pontiac, Mich., where they will seek employment.

IN FIDDLERS CONTEST

Ole Tharaldson of Erie was Monday in Grand Forks where he participated in an Old Time Fiddlers contest conducted in connection with the Greater Grand Forks fair. He tied for third place. He was accompanied on the trip by his son, Tharald.

A FRIEND in need is a friend indeed. You need home town stores. You must have them. What would life be like if you couldn't say, "Oh, never mind, I'll go down to Blank's store and get another?"

What if you had to wait for the occasional peddler to arrive? Think of the inconvenience--the actual suffering that would mean?

But, the home merchant cannot live on the crumbs from the local business table. He cannot exist on them let alone maintaining a store that is a credit and an asset to the town.

Be Fair! Concentrate your buying at your home stores. Help your merchants to give you the quality, prices and assortments in merchandise that you want. Business--all of your business is needed by your home merchants to register the progress necessary to keep your home stores abreast of the times.

Purchases from peddlers build nothing for further buying advantages for you. Buy where your purchases build for greater shopping accommodations and advantages.

Spend your money at home.

FEW people realize that no capable merchant depends on a high profit from each article sold for the returns from his business.

He wants only a small profit per article, but the sale of many articles. That is the safe profit, for it saves money for his trade, reduces his costs, and creates a loyal body of customers.

The greater volume of business you give your local merchants the lower the price at which they can afford to sell you merchandise.

Remember the peddler must get a high profit per article sold. There is a definite limit to the number of calls he can make, and he cannot afford to sell at less profit than will give him good returns on the average day's business.

Your stores, however, can do many times the business they are doing and at no greater cost. The more business you give them the more they can do for you in giving quality merchandise and service at money saving prices.

Careful Drivers

The following letter gives an intimate picture of the work—ing out of the Standard Oil Company (Indiana) campaign for greater safety, and a point of view not often considered.

Manager, Standard Oil Co.,
Waukegan, Illinois.
Dear Sir:

I have been fighting the railroad battle for 30 years at intervals and without Am now an engineer on the South Fe, running between Newton and Arkansas City. I take this means of letting the management of the Standard Oil Company here know how much I appreciate the consideration they use in truck drivers give a man running an engine. It is such a relief to see your men stop a safe distance from the tracks and give us a clear bill, which seemingly is a small thing to do yet means so much to us.

Thank you
Yours truly,
H. G. Carew.

This letter presents a peculiarly interesting point of view on the question of traffic safety—that of the train man who is often forced to play an unwilling part in tragic motoring accidents.

The man who drives an engine over a prescribed pathway, according to prescribed schedule, must assume as in the disaster caused by carelessness of a motorist who drives according to his own fancies and pleasures.

The Standard Oil Company (Indiana) has been unusually successful in preventing such carelessness among its drivers, by its extensive and intensive safety campaign.

All Standard Oil Company (Indiana) drivers are taught to recognize the ever-present dangers of motor traffic. They are taught to respect the rights of others.

A Standard Oil Company (Indiana) driver does not "take a chance" at a railroad crossing. He knows that the crossing is dangerous. He knows that it is his duty to respect that right and to consider the other fellow. What this considerate course to the engineer of the train is shown in the above letter of appreciation.

Extra caution at railroad crossings is a part of the program of extra carefulness that all Standard Oil Company (Indiana) drivers rigidly follow.

They do more than obey traffic regulations to the letter, because they share the purpose for which the regulations were made—to prevent the deaths of innocent people—and they share the spirit of human sympathy and consideration which prompted their making.

This spirit is to be expected of the loyal men of the Standard Oil Company (Indiana) organization. They have learned in company training conferences, that safety of the other fellow first, as a working business principle, every day of the year.

The Standard Oil Company (Indiana) was created to serve the people of the Middle West. Its safety campaign is but an extension of this service which is resulting in a larger realization of its high purpose.

Number of $100 Patrons at Creamery Nearly Doubled in June—Prices are Steady

Forty-one patrons of the Thief River Falls Co-operative creamery received checks exceeding $100 for cream delivered during the month of June, when more than 2000 pounds of butter were manufactured. In May only 27 patrons passed the $100 mark, according to figures in April, showing a steady increase. The butter output in May totaled about 44,000 pounds, the month just passed showing an increase of approximately 11,000 pounds.

An average price of 44 cents per pound of butterfat was paid monthly patrons for sweet cream, the same as for the previous month, while an average of 41 cents was paid for sour cream. The average paid for cash cream was 37 cents.

Up to Monday 100,000 pounds of the 50,000-pound butter contract with the United States navy department had been manufactured and it is expected that the entire quota will be filled by August 31, according to Ralph Hammond, federal inspector stationed here. The contract will expire until August 31.

Following are patrons receiving more than $100 for the month, Peter Engelstad replacing Hans Anton, at the top of the list:

GOODRIDGE

The spring unit No. 1 met at the school house, Tuesday, July 13 with Mrs. M. G. Thoreson and Mrs. R. H. McDonald hostesses. Those present were: Mesdames Joe Gangroe, H. L. Johnson, Carl Fuesler, J. Fuesler, Mr. Johnson, Carl Estlack, V. C. McLeod, and the hostess Virtue Thoreson. Sena Thoreson, Hjalmar Anderson were absent and secretary Mrs. Joe Gangroe left Monday for Lidgerwood, N. D. returning Sunday.

Mr. and Mrs. Ira Payne returned Monday from Winifred River, where they spent a few days with their daughter, Mrs. P. B. Beckne. Mrs. Stephen Noble accompanied them home and will be a guest at the Payne home for some time.

Miss Hazel Anderson spent a few days last week at the home of Mrs. E. L. Ford and Mrs. J. P. Feldmacher of Thief River Falls were callers in town Saturday.

Mrs. and Mrs. H. A. Dahl and children left Monday for Lidgerwood, N. D. returning Sunday.

Mr. and Mrs. Jay Payne returned Monday from Winifred River, where they spent a few days with their daughter, Mrs. P. B. Beckne. Mrs. Stephen Noble accompanied them home and will be a guest at the Payne home for some time.

Miss Hazel Anderson spent a few days last week at the home of Mrs. E. L. Ford and Mrs. J. P. Feldmacher of Thief River Falls were callers in town Saturday.

Mr

FARMERS FROM FOUR COUNTIES COMING JULY29

Clay, Norman, Mahnomen and Polk Farmers to Study How Thistle Control Here

VISITORS TO BE ENTERTAINED AT CLUB SMOKER

Six Pennsylvania County Farms Will be Visited—Tour from Moorhead to St. Vincent

Farmers of Clay, Norman, Mahnomen, and Polk counties taking part in the study tour sponsored by the Great Northern railway which is scheduled to come here from Moorhead next Thursday evening, July 29, will be entertained at a smoker of the commercial club at the club rooms, following supper at the hotels. Details for entertainment of the visitors, who will spend the night of the 29th in Oklahoma, have been worked out by a committee headed by H. A. Brumund. It is likely that there will be a program consisting of short talks and other numbers, and farmers of this community as well as the business men of the city are invited to attend.

In a bulletin announcing the details of the tour, Ian E. Willard, agricultural development agent for the G. N. Railway and tour leader announces its purpose as follows: "The purpose of this tour is to study farm conditions with particular reference to the sow thistle. Some of the most valuable observations will be made from the car seat in passing. Some of the worst infested fields are right alongside of clean fields. This is generally due to the system of farming. Efforts have been made to make it possible to observe the results of good farm management.

"Livestock, cattle or sheep, sweet clover and alfalfa, and rotation of crops furnish the key to many freedom fields. Farms will be visited where various methods of sow thistle control have been used.

It is expected that upwards of 100 persons will join in the tour, which will be made in automobiles. The party will be met at Moorhead, leaving there at 7:30 Thursday morning, and farmers and others interested will join the caravan along the route. According to the itinerary, the tour will arrive at the Northwest Experiment station at 11 a. m. and following dinner at Crookston the trip will be continued to Red Lake Falls where a stop will be made from 2:30 to 2:50 o'clock to meet Commercial club members of that city.

Arriving at St. Hilaire at 2:30, the tourists will be met by County Agent J. J. McCann and a delegation of farmers, who will accompany the visitors to a number of Pennington county farms where the sow thistle has been found on soils requiring lime. It was said, "A soil in which the surface soil is not neutral or only slightly acid does not require lime. A soil requiring lime usually shows a medium to strong acidity in both surface and sub-soil. When a soil reacts with such a test, a trial of lime should be made. Alfalfa soils are not the same as acid soils and are not responsive to lime but sweet clover is the best remedy, while shoebitter may help.

"Alfalfa is a heavy feeder of phosphate and therefore responds to phosphate almost unbelievably profitable on alfalfa, clover and manure."

On discussing winter killing of alfalfa, Mr. Dunham said that snow covering is essential. Some at the station held temperature of the soil is a variation of only four degrees when the air temperature varied 65 degrees. Also, where a shriveled growth of alfalfa went into the winter, only 17 per cent killed, where a small growth was covered with straw four inches deep, 36 per cent killed, and where a growth an foot or more long, 75 per cent killed out. The observations were made in the experimental plots

city at 6:30 p. m.

Following the stop-over here Thursday night, the party will start out northward on Friday morning at 7:30 o'clock. They will be met by M. A. Efferts have been made to make it possible to observe the results of good farm management.

Local Farmers Learn From Demonstrations at Northwest Experiment Station

Among pure seed "growers, beelmen and truck growers interested in pure seed and new varieties, who attended the 41st annual meeting of the Red River Valley Crops and Soils association at the Northwest School, Crookston, Monday were Mr. and Mrs. H. C. Woolson and children of Thief River Falls, and Mr. and Mrs. T. J. Humphrey of Hazel. They report an instructive meeting and interesting time.

Supt. C. G. Selvig discussed the work of the Northwest Experiment station including barley seed bin growers' agreements and co-operation with 250 growers in the valley. Prof. T. H. McCall, horticulturist, gave a demonstration on sugar beet growing. Beets have been on test at the experiment station for a long period of years, said Mr. McCall, and also data of planting, depth of plowing, etc. Medium deep plowing following sweet clover has given the best results, it was pointed out while the two-foot crop with plants 12 inches apart have produced far above the best yields. Phosphate fertilizers have proved unprofitable. While the sugar beet will become a serious pest in this territory when the sugar beet industry should the worm become a menace.

Soil problems in alfalfa growing were explained by Prof. R. S. Dunham, agronomist at the school and secretary of the association. "Soil acidity and lime are imaginary problems in valley soils because we have found no soils requiring lime," he said. "A soil in which the surface soil is not neutral or only slightly acid does not require lime. A soil requiring lime usually shows a medium to strong acidity in both surface and sub-soil. When a soil reacts with such a test, a trial of lime should be made. Alfalfa soils are not the same as acid soils and are not responsive to lime but sweet clover is the best remedy, while shoebitter may help.

"Alfalfa is a heavy feeder of phosphate and therefore responds to phosphate almost unbelievably profitable on alfalfa, clover and manure."

On discussing winter killing of alfalfa, Mr. Dunham said that snow covering is essential. The observations were made in the experimental plots

Following the stop-over here Thursday night, the party will start out northward on Friday morning at 7:30 o'clock. They will be met by M. A. Thorfinson, Kittson county agent, and the Henry Spangelo farm at Kennedy and the John R. Grier, R. Sundberg, and C. A. Younggren farms between Kennedy and Hallock will be visited before dinner at Hallock. From there has been county seat the tour will take in the A. V. Hunt farm, the Chas. Lee farm at Karlstad, the Wm. Ash farm at Northcote, the Wm. Ash farm at St. Vincent, and farms near Pembina and Hamilton, N. D., winding up at Grand Forks from where the tourists will return to their respective homes.

BAND REHEARSAL DRAWS MUSICIANS

Prospects Favorable for Excellent City Band, Says Director—Rehearsal Tonight

The following reported for the first band rehearsal at the auditorium Monday evening according to Director L. F. Tuleen: Cornets, P. G. Federson, Harold Lanseth, W. T. Carlile, Verdun Hanson, and Ernest Muller; clarinet, W. H. French; trombone, Charles Hanson; baritone, L. A. Hermanson; basses, L. W. Fossum and Lloyd Benson; drums, Kermit Anderson and Erling Dahlen; tenor, Karl Ellingson; alto saxophone, Eklund, Alfred Dybvad and George Johnson.

However, there are many more prospective players whom it is hoped will be present at the next rehearsal to be held at the auditorium tonight at 7:30 o'clock. All interested and musically inclined who can play are welcome to report. "There is an urgent need for clarinet and alto players," Mr. Tuleen points out. Any boy desirous of learning how to play an instrument should see Arthur I. A. Hermanson of the band committee or Director Tuleen, it is announced.

OFFICERS OF RESORT ASS'N REMAIN SAME

Olaf Neset Becomes Director of Red Lake Group—Committee Confers With Agent

All officers of the Red Lake Summer Resort association were re-elected at a meeting of directors held at the Commercial club rooms last Thursday afternoon. They are: E. O. Hagensen, president; Math Barsen, first vice president; A. D. Bowman, Hallock, second vice president; F. H. Herrick, treasurer, and Geo. H. Wilson, secretary. Olaf Neset of this city was added to the directorate to take the place of Geo. Johnson of Gryzia, who resigned on account of not being certain as to his continued residence in this section.

The officers of the association have given much of their time and energy to the promotion of the resort at the Red Lake narrows during the past year and are deserving of much credit for their work. They have succeeded in making some improvements on the tract leased by the organization and have done much to create greater interest in the project through this territory, assuring even greater activity during the ensuing year. They solicit the active support of every member of the association who has a lot at the resort and hope to add many members to boost for the coming play ground of the northwest.

The directors decided to send a committee to Red Lake Agency to confer with the superintendent of Indian affairs, Mark L. Burns, regarding matters in connection with the Red Lake resort. To discuss various phases of the resort development, a committee was appointed who motored to the agency on Friday and were present Messrs. Secretary Wilson, Treasurer Herrick and Daniel Shaw. The report a most favorable reception by Mr. Burns, it is said. They were assured of the heartiest co-operation by the superintendent of the reservation, which was declared of vast benefit to the Indians as well as to the whites as well as for northwestern Minnesota in general. It is expected that the presence of tourists would enable the Indians to sell produce and other supplies to the people who visit at the resort. It was decided to ensure an Indian police force this season to see to that the fishing regulations are observed and look after other details.

While at the agency the local men visited the hatchery and other places of interest, which they point out will be converted into a fish farm. A row of rows was soon as the road north from the agency, now under construction, is completed.

Those at the meeting were Klute Nelson of Middle River and Jay Payne of Goodridge.

TO GRAND FORKS FAIR

Many Pennington county residents have been in attendance at the Greater Northwest Fair, which opened Monday and continues thru Saturday. Splendid programs of entertainment and exhibits are reported. It is expected that a number of local boys and girls will attend tomorrow's program, when special attention will be given to junior club work. The club exhibit this year is said to be one of the leading features of the fair and calls for 25 displays at former fairs. Free tickets may be secured by club members from County Agent J. J. McCann. An address by Magnus Johnson featured Scandinavian Day, Tuesday.

PROGRAM OF EXAMINATIONS for Common School Certificates July 26, 27 and 28, 1926

Lincoln High School Building, Common school room.

Thief River Falls, Minn.

Monday, July 26

A. M.—Enrollment.
—9:00 to 9:05 Penmanship.
—9:45 to 11:45 Arithmetic.

P. M.—1:00 to 2:45 Grammar.
—2:45 to 4:15 Composition.
—4:15 to 5:45 Reading.

Tuesday, July 27

A. M.—8:30 to 10:00 Geography.
—10:00 to 12:00 United States History.

P. M.—1:00 to 3:00 Civics.
—3:00 to 5:00 Physiology-Hygiene.

Wednesday, July 28

A. M.—8:00 to 10:00 Geometry.
—10:00 to 12:00 Algebra.

P. M.—1:00 to 3:00 Physics.
—3:00 to 5:00 Physical Geography or Agriculture.

Examinees bring pen, ink, pencil and tablets.

O. R. SANDE,
County Superintendent.

Dated T. R. Falls, July 7th, 1926.

Where Did Osteopathy Come From?

THE first osteopathic physician was Dr. A. T. Still, the best of whose work was done at Kirksville, Missouri. He had been an old school, physician and surgeon for many years, when he found the better way of fighting disease, in 1874.

Osteopathy was not a revelation from heaven. Osteopathy was not invented. Osteopathy was discovered after years of study by a man who found out why people got sick, and how to make and keep them well.

For more than fifty years, men and women have worked by day and studied by night to make and keep osteopathy the best and most complete system of healing.

There are big things to show for all this struggle and work. Colleges, research institutions and hospitals have been developed and are doing their part to make the world a better and happier place.

When you think of osteopathy remember it has stood the test of half a century of time.

OLE LINSTAD SENTENCED TO PENTENTIARY

(Continued from page one)

pend sentences and not impose sentence on those who have families, it virtually means that the government will be going into the moonshine business. "It is the duty of the state to take care of a family when it needs help. If the court should suspend sentences on account of the family, he could go on selling moonshine. That is not the law, however. I have the greatest sympathy for your family, but feel it is the county and state that have to be taken care of. It is for the legislation to take care of your family, but that doesn't license you to violate the law, so I can't extend any clemency to you on that account. While some will always suffer as much perhaps as the violator himself, that is something we cannot help. Society must be protected, and the law must be obeyed regardless of whether you have a family or not."

A verdict for the defendant was ordered in the Carl Hohner vs. Soo Line railway damage suit in court on Thursday, the court holding that the state highway department has jurisdiction over all crossings on trunk highways, Hohner was suing for damages for his car as a result of a collision on the crossing north of the city. The case of Lee vs. Lee sentence until Aug. 9 was granted.

A jury in the D. M. Marston vs. John Fisher case in Clear Grove returned a verdict in favor of the defendant. The plaintiff sought to recover for damages to a truck and load of the Chevrolet touring car in question. The defendant counter claimed for settlement notwithstanding the verdict to the board of arbitration, which was before G. Hulverson, attorney for the Gran brothers. Marston was represented by Attorney Berve.

The Effie Rollen vs. August Rollen case in the district court of which A. Gangrose of more suits were heard on Monday and Tuesday, returned the Standard Oil Co. vs. R. McGinn, et al., stricken from the calendar, State of Minnesota vs. Wm. Hallin, et al., dismissed on briefs; Sir Hymon vs. Peter Appel, et al., for First & Farmers State bank, continued to Aug. 9, settlement pending; Oscar Gronseth vs. Northern Lumber Co., heard Monday, taken under advisement; W. A. Martin vs. T. F. Anderson, heard Monday, taken under advisement.

A motion for a new trial has been granted Peter Gronseth in the P. T. Greene vs. First National bank case.

Faller-Froehlich Case Is Settled at $4,000 Damages

C. H. Fuller of Marie having accepted a reduction in the verdict against Dr. H. W. Froehlich in the suit tried in the February term of district court here, the case is settled. Judge Andrew Grindeland of Warren, who presided at the trial at which a jury gave Fuller a verdict of $7,000, on May 27 issued an order granting the defendant's motion for a new trial, unless the plaintiff within 30 days after the service of the order would consent to a reduction of the verdict in his favor to the sum of $4,000.

The motion for a new trial was based on the ground of excessive damages appearing to have been given under the influence of passion and prejudice.

The judge in his memorandum of the order says: "Taking into consideration the atmosphere of the trial, the amount of the verdict, and carefully weighing the evidence on both sides, I am convinced that the damages were given under the influence of passion or prejudice.

The damages are clearly excessive and would warrant the granting of a new trial. However, in view of the whole situation, I am of the opinion that the ends of justice would be best subserved by giving an order conditioned on a reduction of the amount of the verdict."

Halsey and Chisholm of Thief River Falls and Abbott, McPherran, Danner, Gilbert and Doah of Duluth appeared as counsel for the organized and First Farley of Red Lake Falls and F. W. Murphy & Johnson of Wheaton represented plaintiff.

Special meeting of the Sons of Norway will be held Friday evening, July 27, at 8 o'clock. Business of importance. Every member is requested to be present.

TRAPSHOOTERS, ATTENTION

The next Regular shoot of the Thief River Falls Gun club will be held Sunday morning at 8:30 July 25th.

All those interested, whether members or non-members, are invited to attend and enjoy the shoot.

Stepped In Hot Ashes Badly Burning His Feet

The two year old son of Mr. and Mrs. Henry Alstad of this city had the misfortune Sunday while at the Red Lakes to step in some ashes at a small bonfire presumably built to be a dinner of a party attending the tour. The child was barefooted at the time and suffered considerable pain till given first hand aid by Roy Larsen.

The heels were blistered considerably, but today the youngster is running around on his toes and playing with his friends, and on the road to recovery.

THIEF RIVER FALLS TIMES

PLANS FOR PENNINGTON CO. FAIR ARE COMPLETE

RED LAKE TOUR SUCCESSFUL IN EVERY RESPECT

Over Six Hundred People Took Advantage of the Excellent Weather

BATHING BEACH POPULAR FOLLOWING FISH DINNER

Resort Association Gained Many Converts as Result of Well Planned Effort

One hundred and six autos and several others from neighboring towns and surrounding country carried well over 600 people to the Red Lakes last Sunday on the annual tour to that large body of fresh water with the best beach for bathing in the entire country.

Early Sunday morning the first cars left the First National bank corner and were followed all forenoon as people found it convenient to leave, many arriving after attending regular church services. The day was ideal and the roads following the recent rain were in excellent condition, everything considered.

Upon Red Lake fried fish—six hundred pounds of them—were ready for the big three banquet tables, which proved one of the best drawing cards of the day, with the shallow waters of the Narrows a close second. Never before have there been as many people in bathing in the lakes as while on Sunday, and everyone declared the water just right for the fine sport. Boats were also available and many took advantage thereof.

The Red Lake resort probably received more beneficial advertising as the result of the tour than it has had in any manner heretofore. The unanimous verdict of all those who made the trip is that the Red Lakes will attract similar crowds in increasing numbers as their wonderful outdoor advantages become possible.

Tourists Due Here On Crop Onspection

Preparations have been completed for the reception of the tourists coming from Moorhead this evening, and who are due to arrive at 6:30 after inspecting various plots in Pennington county on their way.

This evening a smoker will be tendered the visitors in the Commercial club rooms and anything will be done to make them feel that we not only are glad to have here, but that we can show them a good time as well.

After spending the night here the tour will leave at 7:30 tomorrow morning, going north into Kittson county, where they will have dinner, which at 12:30 according to present plans

TOURISTS INCREASING DISTANCE THE LAKES

An indication of the growing knowledge of the advantages of Red Lakes as a summer resort can best be given by the increasing number of tourists to the lakes. Autos are coming from no less than thirteen states, as observed in Minnesota, Wisconsin, North Dakota, Montana, Nebraska, California, Iowa, and Illinois, also Saskatchewan and Manitoba.

BOARD OF EQUALIZATION WORK

Land Values Generally Were Increased Altho Decreased in Town of North

The county board of equalization at its annual meeting last week completed its work after four days work, making quite a number of changes as follows, which are now published elsewhere in the issue of this paper.

Land values were increased in 18 townships, the average raise being that being the town of North. The percentage of increase ran from 5 per cent in the town of Lincoln to 70 per cent in Reiner. The values of buildings and structures were increased only in the towns of Krahn and Reiner, the raise in Reiner being 10 per cent. No changes were made in either of the above items of Thief River Falls, Red Lake Falls, Goodridge and St. Hilaire.

The equalizers apparently believed that dogs were not valued sufficiently high for in 20 of the townships and villages and the city of Thief River Falls the figures were increased locally, to some extent, the raise being 400 per cent above that as assessed by the assessors.

Cattle, horses, household articles, farming appara, farm tools, implements and machinery generally came in for increases in varying amounts, with the notable exception of

FEDERATED PRODUCERS ASS'N FORMED

Farmers From Several Counties Meet For Purpose of Securing Legislation

Several leading farmers from surrounding communities met at a meeting in this city Tuesday, on which occasion Emil F. Holmlund, near Karlstad, a candidate for lieutenant governor, spoke on political issues. As a result of the meeting a farmers' organization was formed here, which many of those present declare will be a fact finding body—an educational as well as a financial order. It will be political to the extent that it will present the platforms and records candidates to the primaries without indorsement being made.

The organization supports the direct primary law and believes selection of voters to be the best method, provided the members are supplied with adequate information.

The name adopted for the new organization is the Federated Producers of Minnesota, the name being selected because it is thought broad enough to operate, which has been organized generally in several counties by local

The body has already taken a stand for the square deal, for religious tolerance, and advocating a campaign against religious and racial intolerance, in case its members look upon it as necessary. It also favors the establishment of a Court of Agriculture but believes that its present jurisdiction is not thorough; that a second stand must be taken, looking to aiding in the program of farm relief, such legislation as will relieve the farmers of their present handicaps.

The Federated Producers association believes that organized labor should be invited to a seat at the council table for relief of agriculture, for farmers and labor must unite and stand by each other if the campaign is to be a success. It is only through the organized labor movement that the farmers have got a living wage in the industrial east and to get this labor in the northwest must be invited to co-operate.

Among those organizing the Federated Producers is Ed. C. Hagmann of Bagley, who is prominent in this city Tuesday. The lieutenant governor candidate will try to promote the new body in his campaign throughout the state.

LEAVES ON EASTERN TRIP

Rev. E. H. Lorenz, pastor of the Presbyterian church, left yesterday for Montreal to meet his parents, Mr. and Mrs. Edmond F. Lorenz, who recently returned from a trip around the world. Mr. Lorenz, Sr., is a native of Canada, coming from Montreal, Rev. Lorenz will continue on to Fort Lake in the Adirondack mountains in New York where Mrs. Lorenz is visiting. They will return the first of September.

WINNIPEG TOUR WILL STOP HERE ONLY AT NOONS

Hemidjl Gets Night Control Instead of Thief River Falls

FIRST SECTION LEAVES DULUTH EARLY SUNDAY

Indications Point to at Least Five Hundred on Making the Trip

The two sections of the Duluth-Superior-Winnipeg excursion scheduled for Winnipeg will reach Thief River Falls on the morning of August 1, according to the schedule having been changed since Duluth was first selected.

The section leaving Duluth Sunday morning at 8 o'clock will have lunch at Grand Rapids, reaching Bemidji in the early afternoon, where supper will be served by the Duluth Monias association. At 8 o'clock, spending a longer time in Grand Rapids and both sections having the night control at Bemidji.

Leaving there the following morning the tourists are slated to reach here for lunch Monday and Tuesday noons, leaving immediately thereafter, for Winnipeg, which they hope to reach by 5 p. m. On account of the change in plans the local reception committee decided to omit any entertainment for the first section, which will be met probably at St. Hilaire and escorted into the city, and on thence on here in Warren, the first section leaving the tourists when the Pembina trail is reached.

Present indications point to at least that making the trip to Winnipeg from the Twin Ports, while an effort is being made to double that number, four hundred or more will be members of the Commercial organizations but to any individuals who wish to go along.

Defendant Won First in Municipal Court, Plaintiff Appealing Therefrom

In the case of D. M. Marston vs. Gran Brothers, tried before a jury at the last term of district court in this county, the jury rendered a verdict in favor of the plaintiff, for the sum of $75, which was appealed from by the defendants to the court held that there was an error in the instructions to the verdict, and for that reason set it aside and ordered judgment for the defendants.

The difficulty grew out of the sale of a second hand car by the defendants to the plaintiff and which was found lacking in results, the first time when the plaintiff paid for it. The court instructed the jury to find for the plaintiff, setting up a breach of warranty. The action was brought to obtain a judgment for the amount of the repairs. The plaintiff then claimed that the car had not been paid for, there had been a breach of warranty at the time of the sale.

The court submitted to the jury the question as to whether or not the defendants had agreed to repair the car without pay, and the jury brought in a verdict for the plaintiff right to possession, but the court held there was no evidence to warrant such a finding.

The case arose in Municipal Court before Judge W. H. Stevens, who decided the case in favor of the defendants, but the plaintiff appealed and was finally defeated. Bishop and Berve appeared as attorneys for the plaintiff and G. Halverson for the defendants.

Everything is set for the best fair ever staged in northwestern Minnesota and which will be held at Thief River Falls next week, Wednesday, Thursday and Friday, Aug. 4, 5, and 6—the twenty-fifth annual fair for this city, with a homecoming celebration in connection therewith.

Horse racing, replete with all the thrill that has made it the chief attraction at every fair of consequence for more than half a century; exhibits of livestock, such as was not seen at county fairs in olden times, for pure-breds then were not believed for the common man; adisplays of grains, grasses, fruits, vegetables, etc., together with the many beautiful samples of handicraft—these all go to make the fair the best ever held, and one not to forget the great free acts, which make the fair really a circus on a small scale.

The Pennington county fair this year will be a milestone state fair, for the directors have spent their money wisely in getting up a program which will appeal to everyone who attends and pays the small admission charge they have set and will get their money's worth. The gate fee is 50 cents for adults and 25 cents for children, for nights, however, a reason ticket may be obtained from the secretary's office in addition for only $2—per person and admits the same rate parents for autos.

Children are not going to be neglected for 3,000 children's tickets for the free rides have been distributed and the kiddies may see the fair without any cost the first day. Last year they were there in swarms and it goes without saying that they will be again this year.

The program committee has been hard at work on giving the public the best program of free acts ever arranged, and beginning sharply at 1:30 each day there will be something doing every minute the remainder of the day and again in the evening.

The band will form downtown at 12:30 and start immediately thereafter for the fair grounds, leading the first free act will be the music furnished by the Salem Boys' Band. Next will come the Seven Dancing Fiskes, accompanied by two comedians, followed by a wire act, Three Jewells—Patterson dancers and the trained pony exhibit, showing 23 distinct acts. Nay Brothers, the world's fastest acrobatic dancers in world, are scheduled next, with horse races alternating with the above on Thursday and Friday afternoons, so that there will be variety in the program.

In the evening the Theatre-Duffield fireworks program is scheduled for the first two nights of the fair, Aug. 4 and 5, and in case of rain either night there will be a postponement of this act till Friday night.

Friday is to be Home-Coming day and it is believed that many old timers will be on hand on the fair grounds that day, renewing old acquaintances, and seeing the improvements in the city since the days they used to go to it one big summer attraction. With the addition of four rods of ground along the entire south side, additional parking space for autos will be provided and it is believed that it will not be necessary to use the track for parking purposes.

The new sheep and hog barn has been completed and is ready for exhibits, providing a modern show house for the purpose. Two implement dealers have also secured space on the fair grounds where they may contract on the payment of a $5 fee, providing the space is 12 rods or less. If they ask a higher tariff fee of passengers to and from the fair may not a $10 concession.

All those having concessions must be legally qualified to before the fair day of the fair so that there will be no trouble in getting through the gate. The concessionaires are given one ticket for each $5 paid for concession space.

All the buildings on the fair grounds are being quite profusely decorated with flags and bunting and it is hoped that business places generally in town will cooperate by doing the same with their stores. Many of them are now displaying the new line of merchandise they have today and the Duluth-Superior excursion party arrive Monday and Tuesday of next week.

TO DEMONSTRATE MILKER

One of the interesting features of the Pennington county fair will be a milking machine demonstration at the exhibit of the Christgeau Hardware Co., south of the stock barns. This labor-saving machine will be shown in actual operation milking cows each day and will undoubtedly attract the attention of many who have never had the opportunity to see a milking machine in use.

TO SHOW POTATO MACHINE

The New-Way potato picking machine will be exhibited at the Pennington county fair next week according to announcement by Trovatan & Reamer.

BOARD OF AUDIT REPORT SHOWS COLLECTIONS GOOD

Part of Unpaid Personal Property Taxes Ordered Cancelled By the Board

The tax levy as fixed by the county commissioners at their annual meeting last week calls for an increase over that of a year ago of $7,000, due to the erection of the new building at the sanatorium, a total of $74,000 being the amount required for the purpose during the county for the coming year.

This will be seen by referring to the report of the board published elsewhere in this issue of The Times with the exception of the item of the general revenue fund, $30,000 for the building, repair and betterment fund, $4,000 into court the following day, at which time he was given a $75 fine. This brought about the desired result and there was no further indication of rebellion ever had subject to the provisions of the law, either this year or the next two years.

Last year the state fair levy was $74,000 and the same amount should be added to the state fair fund and the first eight mills were all that were put

SOCIAL ITEMS

Norquist—Peterson

Miss Edith Peterson, daughter of Mr. and Mrs. E. Peterson, was married Friday evening, June 25, at 8:30 o'clock, to Clarence Norquist, son of Mr. and Mrs. Nels Peterson. Rev. J. P. Dixon performed the ceremony at the Methodist parsonage in the presence of Miss Hazel Peterson, sister of the groom, and Jesse Tobin.

The bride has been employed at the local telephone office for the past six years and the groom is at present employed at the Pyramid Oil station having, prior to that, been employed at the Brumond hotel. The couple will make their home in this city, planning to move next week into the apartments over the Kahn and Fiterman building.

McAdam—Needlan

Miss Louise McAdam, daughter of Mrs. Hella McAdam of Middle River, was married Friday afternoon, July 23, to Ernest J. Needlan, son of Mr. and Mrs. John C. Needlan of Middle River. The ceremony was performed at Warren, Minn., Reverend Wheeling in the presence of Marilyn McAdam and Miss Ida Peterson. The couple will make their home at Middle River.

Birthday Party

Mrs. Lucille Johnson was hostess at an afternoon party Saturday, the occasion being the birthday of her daughter, Miss Maxine, who returned the following day to Bemidji where she is employed, after a two weeks' visit at her home. The hours were spent informally, after which a tray luncheon was served, using a color scheme of yellow and white. The guests included the Misses Johnson, Astrid Mayhugh, Irene Tone, Emma Hjerpe, Ilyhil McGinn, Dorothy Nesslenburg, Harriet Morgan, Kathryn Harrison, Mathryn Hanson and Miss Katherine Flannigan of Minneapolis.

Celebrate Tin Wedding

In celebration of their tenth wedding anniversary, Mr. and Mrs. C. B. Gustafson entertained at a two o'clock dinner at their home Tuesday afternoon, July 20. Their table was prettily decorated, a yellow and white color scheme being used with daisy effect. Mr. and Mrs. Gustafson were presented with a number of gifts appropriate to the occasion. Guests at the affair included Mr. and Mrs. Chas. Gustafson and daughter, Miss Hazel of this city; Miss Ethel Peterson, of Mankato; Mrs. Miss Agnes Peterson of Tulsa, Okla., and Mr. and Mrs. E. Johnson, Mrs. Axel Blomberg and Mr. and Mrs. Leonard Peterson, of Crookston.

Entertains for Mother

In compliment to her mother, Mrs. Chas. Zimmerman of Star City, Iowa, Mrs. Augusta Holmberg informally entertained a number of friends at her home Wednesday afternoon of last week. Those present were Mesdames Zimmerman, Geo. Wilson, O. L. Crossman, F. O. Olson and O. Underdahl. Mrs. Holmberg also entertained Saturday afternoon, inviting Mrs. Chas. Amann, Mrs. E. J. Breitlauer, and Mrs. John Crenshine. Mrs. Zimmerman, who has visited here the past seven weeks, plans to return to her home next week.

For Wisconsin Guests

A series of dinners has been given the past week in compliment to Mr. and Mrs. Chas. Seigel and son, Norman of Cudahy, Wis., and Mrs. Frank Lentz and daughter, Vern, of Stevens Point, Wis., who are visiting at the home of Mrs. Augusta Brown of this city. Mrs. L. J. Breitlauer entertained in their honor at her home Wednesday of last week, inviting as guests Mrs. Brown and daughters, the Misses Cora and Laura. Mr. and Mrs. Herbert Pulley and family and Mr. and Mrs. P. O. Myhrum and family.

Mrs. Fred Pulley also entertained for them at her home Thursday of last week. Mrs. Myhrum, Friday, Mrs. Augusta Hertel, Saturday, and Mrs. A. Hovland, Monday. Sunday the group enjoyed a family picnic at the Tourist park.

Entertains Club

Miss Stella Horgen was hostess Wednesday evening of last week, when she entertained the members of the Happy Hx, a needlework club recently formed. The hours were spent informally, after which a dainty luncheon was served.

Dinner Party

Dr. and Mrs. H. W. Froehlich were hosts last evening at a 6 o'clock dinner at their home in honor of Mr. and Mrs. F. J. Reitz of St. Paul, former Thief River Falls residents.

For Out-of-Town Guests

Mrs. J. Jones and Mrs. A. P. Nye entertained at the home of the former Wednesday afternoon in honor of their guest, Mrs. F. J. Reitz of St. Paul, daughter of Mrs. Jones. The guests included Mesdames Seitz, August Brown, A. Lagerath, E. Palmer, F. O. Myhrum, A. Kretschmar, H. A. Brumond, H. W. Froehlich and mother, Mrs. Green, S. Crenshine, H. S. Dahlen, E. E. Aleen, H. Rosenquist, O. Faulson, C. W. Secrest and Miss Cora Brown.

Miss Florence Poe entertained at a lawn party yesterday afternoon at the home of her parents, Mr. and Mrs. A. P. Poe, in honor of Ruth and Lois Seitz, daughters of Mrs. F. J. Seitz of St. Paul, who is visiting at the latter home. Those present were Gladys Thorsheim, Florence Ahlberg, Margaret Johnson and Rosina Dahlen.

Enjoy Sunday Picnic

About twenty people gathered at the Hafner Halfmoon farm, south of town, Sunday, to enjoy an all day picnic. Those participating included Mr. and Mrs. Halfmoon and children, family, Mr. and Mrs. Martin Lee, Mr. and Mrs. S. O. Lee and family, Mr. and Mrs. G. B. LeSage and family, and Mr. and Mrs. John Gustafson and family.

For Miss Flanagan

Miss Katherine Barsen entertained several of her friends at her home Tuesday afternoon in honor of her guest, Miss Katherine Flanagan of St. Paul. Those present included Misses Kathryn Flanagan, Elmira Langemo, Ruth Kingston, Dorothy Swelenburg, Harriet Morgan and Marjory Hoppe.

For Miss Waagren

Mrs. J. H. McClelland was hostess at a party at her home Tuesday night in honor of Miss Ingrid Waagren of Warren who is a guest at the home of her brother, J. A. Waagren. The hours were spent informally, and a dainty luncheon was served at 11:00 o'clock. Those invited included Miss Waagren and Mesdames J. E. Robinson, Verner Nelson, D. F. White, C. B. Whiting, F. Hoppe, D. B. Matheson, J. Collins, J. F. Kielty, J. Davidson, Carl Peterson, L. A. Babcock, J. A. Waagren and Mrs. H. Schuster of Warren.

Mrs. Waagren entertained in honor of her sister-in-law Tuesday evening, fifteen ladies were invited.

Double Wedding

A double wedding was performed Saturday at the Swedish Lutheran church at Warren when Miss Anna Larson of Holt was married to Norman Peterson of Minneapolis, and Mabel Larson of Holt was married to Willis Swenson also of Holt, Rev. F. W. Nwenson performing the ceremony.

Hruby—Habedank

Miss Alice Hruby, daughter of Mr. and Mrs. John Hruby of Mavie, became the wife of Charley W. Habedank, son of Mr. and Mrs. Carl Habedank, also of Mavie, Monday afternoon, July 26, Judge Tarrant performing the ceremony in the presence of Miss Luella Habedank, sister of the groom, and Frank Hruby, brother of the bride. The couple will make their home on the groom's farm near Mavie. Both the bride and groom are well known young people of that vicinity, who have lived there since the reservation opened, 23 years ago.

Peterson—Vedin

A quiet home wedding was solemnized Saturday afternoon, July 24, at four o'clock, at the home of Mr. and Mrs. Nels Peterson, when their daughter, Miss Emma became the wife of Jesse M. Vedin of this city. Rev. J. O. Jacobson read the service in the presence of Mrs. C. H. Peterson and Mike Alpha Vedin. Following the ceremony, a luncheon was served to the guests, only the immediate relatives and friends of the couple being present.

The newlyweds left the same afternoon on a brief trip to Grand Forks and Fisher, returning yesterday. They will make their home in this city, the groom being employed with the Thief River Valley Co-operative Poultry association.

Maccabees Entertain

In consultant to Mrs. Louise Paulson and daughter, Pauline, of Oakland, California, the ladies of the Maccabees enjoyed a social hour following their regular business meeting Tuesday night. Miss Pauline is a former member of the local chapter.

For St. Paul Guests

Mr. and Mrs. J. F. Zarenal of St. Paul were honor guests at a dinner party at the home of Mr. and Mrs. Mike Vrtachek Tuesday evening at 6:00 o'clock, covers being laid for twelve. Mrs. J. C. Zarenal was hostess at a dinner in their honor at her home Monday evening, and Mrs. Frank Kotersky entertained for them Sunday afternoon.

SPECIAL MEETING

There will be a special meeting of the Methodist Ladies Aid Tuesday afternoon, August 3, in the parlors of the church.

Y. P. S.

The Young Peoples society of the Methodist congregation will meet at the Nels Sandal home in Agder, township Sunday, August 1, at 2 p. m.

George H. Smith, son of Andrew Smith of this city, was injured last week while employed on the docks at Portland, Ore. He was knocked off a ship, falling about 25 feet, breaking his shoulder and hip. He will be laid up for at least three months.

Mrs. John Folkman returned to Bemidji this morning after spending a few days here with her children. She has been at her husband's bedside almost constantly since June 22, when he met with his accident. His condition at the present time shows a remarkable improvement.

CLUB NOTES

Project Group Meets

The Women's club group of the extension clothing project met at the club rooms yesterday afternoon, July 21, for the first lesson, which was attended by the leaders, Mrs. Ed Storheim and Mrs. J. F. McCann. Those present thereby enjoyed the work and felt much benefited by it.

Bouquet at Evelyn Hotel

Members of the Degree of Honor and candidates will enjoy a 6:30 o'clock dinner in the banquet room of the Evelyn hotel Friday evening, the occasion being in honor of St. Paul, state vice president of the Grand Lodge will be present, and give a short talk. There will doubtless be several musical numbers on the program also. Following the dinner, lodge will be in session at the Sons of Norway hall, at which a class of candidates will be initiated. Mrs. Hermanson will take charge of the initiation.

To Attend Medical Meet

At the annual meeting of the Northern Minnesota Medical society which will be held at Crookston August 9-10 Dr. Weaver, delegate to the Polk River Medical society has a number of social events planned with which to entertain the visiting ladies. There will be a picnic luncheon, an auto ride, and a tea, also a dinner dance on Monday evening and a dinner with dance on Tuesday. A number of local people are planning to attend.

SCOUTS DEFEAT ROTARIANS

Rotarians, their wives and friends, numbering about twenty-five, autoed to Union Lake Thursday afternoon, where they enjoyed a picnic supper at Camp Betsey—Ki—Wan—Ki resort.

After supper, which was eaten in the camp mess hall, a baseball game was played between the Rotarians and the scouts, the scouts winning by a score of 4 to 3. The boy scouts were the visitors by visiting a number of comedy songs during the supper.

Local Golfers Win Prizes at Bemidji Tournament

Two local golfers took part in the Bicentennial International Golf tournament at Bemidji, between Saturday and Monday. They were Karn Olson and H. O. Chemmie.

Olson was the winner of the consolation play-off of his flight, surviving several hard fought matches and continuing through in the finals in a electrifying victory over his opponent. He is proudly displaying a classy sweater as the prize.

H. O. Chemmie won the approaching and putting contest against the field. This was played Saturday afternoon. Each contestant played three balls to the green from a distance of one hundred yards. Chemmie, with Wedger of Fergus Falls, Wilson of Bemidji, tied for first place each taking eight strokes to hole the three balls. On the play-off Wilson and Wedger each required ten strokes, Chemmie laying all three approaches on the green, holed one for a two, and the other for three each, winning the play-off with eight strokes. Complimentary to his skill, he found himself the owner of two silver trophies, one to winner of the approaching and putting contest, the other as runner-up in his flight.

C. L. Hiller of Crookston was the winner of the second flight. Harry Legg, ten times state champion, was the championship flight. About one hundred golfers took part, Chicago, the Twin Cities, Duluth, Iron Range cities, Fargo, Grand Forks, and other golfing centers being represented.

CAUSES ACCIDENTS

The ten most common causes of automobile accidents are listed by Gus Barfoot, chief of the St. Paul traffic bureau, as follows:

Speeding.
Driving while drunk.
Failure to signal for turns, stops and leaving curb.
Failure to keep to right side of street.
Left turns made from wrong traffic lane.
Disobedience of stop-go signs.
Blinding or defective lights.
Defective brakes.
Failure to stop at arterial highways.
Driving by boys or girls under 16 years of age.

Most of the accidents to pedestrian, he reports, are due to three causes: standing in the roadway while waiting for street cars, jaywalking, and walking in the street or highway while begging for rides.

Mrs. Fossum has been visiting for the past two months in Minnesota and South Dakota. In South Dakota, they accompanied Maurice Fossum who represents the Kellogg-Markey company of Minneapolis in that state. They visited friends and relatives at Mobridge, Huron, Mound City, S. Dak., and Minneapolis.

Mr. and Mrs. M. F. Giefer and son of Napoleon, N. Dak., arrived last week to visit with Mr. Giefer's father, Peter Giefer of this city. Mr. Giefer is cashier of the First National Bank at Napoleon. He reports an extremely dry season, making practically a total crop failure. The Giefer family left Tuesday for Bemidji to spend several days attending to business matters and enjoying an outing.

Miss Lucy Nason returned last Thursday from the twin cities where she has been visiting for several weeks. She was accompanied here by Mr. and Mrs. W. F. Williams of St. Paul and children, Ray and Myrtle. Sunday the Williams family and Mrs. Nason motored to Winnipeg where they visited several days. They will leave this week with the Nason family for Langley to spend several days at the Nason cottage.

Miss Lois McMillan of Lancaster is a guest this week at the T. C. Orme home, having attended the summer session of the Moorhead State Teachers' college. She accompanied Mr. and Mrs. Orme and Miss Helen Crenshine to Park Rapids yesterday where they are attending the Methodist Epworth League convention, expecting to return Sunday. Arthur Swenson, son of Mr. and Mrs. Knute Swenson, is also a delegate to the convention.

Entered as second class mail matter at the postoffice at Thief River Falls, Minn.

'Official Paper Pennington County

Seventy dollars per acre will be about the average net returns of farmers in Wahasha county for their pea crop this season. The returns have been very heavy and the quality of the pea the best in years. Farmers in this section could easily devote a few acres to a crop that brings such returns. A co-operative canning factory would make this possible.

The annual report of the library board as published elsewhere in this issue of The Times is very enlightening, and we take pleasure in commending the ladies who have so efficiently managed this educational institution. When one stops to analize the report it is indeed gratifying. It shows that every other person in the city is a book borrower; that every borrower took out ten books, and that the cost of issuing the books (including other operations) is nominal, only 11 cents per volume.

With a considerable number already practicing and prospects of many more joining as the organization progresses, indications are that this city will soon have a creditable municipal band. The new director is readily getting acquainted with the musicians and others interested in the city and expresses himself as well pleased with the outlook. "There is no reason why this city can't have a good band," Mr. Tuleen declares. "All we need is co-operation on the part of the players and support from the citizenry." Mr. Tuleen is particularly well pleased with the cordial reception given him upon his arrival here.

Within a short time the band hopes to appear before the public at various occasions.

A great many parents in this city allow their children to play in the streets. This is a very dangerous practice. The children are so busy that they practically dare the motorists to run over them or in other words, one never knows when a child passing car will be stumbled and fell with the result that the fenders of the car hit his head, causing concussion of the skull and the little fellow dies! Sharply afterwards. Suppose this had been your little boy or girl.

The fitness in common with most newspapers has often been criticised because of its policy in giving publicity in one of the greatest weapons against crime, and now we have Judge Hallam endorsing this contention. Judge Hallam is chairman of the Minnesota Crime Commission, appointed by Governor Christianson for the purpose of studying present crime conditions and offering such amendments to the present criminal statutes as will tend to check the prevailing crime wave.

Judge Hallam in Denver last week, attending the annual meeting of the law section of the American Bar Association, and he gave the opening address in which he reviewed the conclusions drawn by the crime investigation bodies in all parts of the country. He decided that some law changes are needed, but that there is more need for reform in the administration.

"Publicity of facts is one of the surest guarantees of efficiency," the judge declared. "Every step from detection to ultimate release after fulfillment of sentence, should be open to the public, and the public should be kept advised."

We are pleased to submit this opinion of a matter which are prone to criticize us for pursuing a policy of publishing all news concerning anyone who violate the statutes of our country. It should be remembered that to eliminate news which is public property, such as court records are to defeats the very purposes of the press.

Automobiles give employment to 6½ millions of Americans, the figure not including surgeons, junk dealers, grave diggers and undertakers, especial wife and court employees, who handle the

Judge Suggest Changes In Criminal Law Code

Judge Andrew Grindelsert of Warren, who presided at the session of district court here last week, attended the annual session of district judges of the state and the Minnesota Bar association in Duluth, at which several topics were adopted urging the legislature to adopt laws to simplify criminal procedure particularly with a view to making criminal convictions less difficult. It was urged that a law be passed allowing district judges to comment on the evidence as judges in the United States court when giving a case to the jury. Other suggestions were: That the prosecution be given the same number of challenges as the defense in the selection of a jury; that the prosecution be allowed to make the last plea to the jury, which is the practice in the federal courts; that the trial of cases in offenses involving up to 20-year sentences on information filed by the county attorney be permitted. At present offenses involving more than a possible ten-year penalty can only be tried on a grand jury indictment.

Julius Olsen of Warren was elected to the board of governors of the state bar association, representing the 14th district.

Insects do Damage to Red River Valley Spud Fields

Some of the small scarcely noticeable insect pests such as the tiny black flea beetle and the beetle leaf hopper are doing deadly work on the potatoes in the Red River valley according to T. N. McCall, horticulturist of the Northwest Station. Mr. McCall states that since these insects are comparatively prompthy the yields of potatoes will be greatly reduced.

Farmers are familiar with the common potato beetle and know how it is controlled but the flea beetle and leaf hopper are not killed with the ordinary applications used for beetles. Both of these little tiny holes in the potato leaves. These badly perforated leaves curl up and die from one to three weeks before normal maturity. The leaf hopper punctures the leaf and poisons the tissue causing the characteristic tip burning.

The flea beetle and leaf hopper are controlled by spraying promptly with bordeaux mixture. The bordeaux mixture can be mixed with the poison spray for the common potato beetle and can be applied either as a liquid or a dust spray. The spray to be most effective should cover all sides of the leaves and for that reason the two nozzle to the row dust sprayers or the three nozzle to the row liquid high pressure sprayers are best. Three or more sprayings may be required to control these insects. The bordeaux mixture in three sprayings will also control the early blight on the potato leaves.

TRIBUTE TO FORMER PASTOR

John C. Crule of Minneapolis, executive secretary of the Northern Minnesota Conference of the Methodist Episcopal church, was in the city the first of last week in the interests of the drive to raise $250,000 for 50 pioneer pastors who are eligible to receive a pension. In a book—Pioneers and Builders of the Northern Minnesota Who Need Our Help," published by the conference committee, appears the picture of Rev. John Hamilton Randall, former Thief River Falls pastor, together with six other veterans. In speaking of Rev. Randall, the bulletin says: "He spent his first years in the ministry in New-foundland and Indiana. Transferred to northern Minnesota in 1883. Has acceptable served five charges, and for 12 years An excellent preacher, and a helpful pastor, beloved on all his charges. He has faithfully served not only his charges, but in his conference as well. Thirty-eight years of effective service, and fully 2,000 won for the church."

Let Us Show You How TO SAVE ONE HOUR at Each End of the Day

MILKING takes a good deal more of your time every morning and evening than it ought to take.

An Empire Milker will save most of this time for you to do other important work around the farm.

There's an Empire Milker for every dairy—large or small. And for any kind of power.

The Empire is *the natural milker.*

It is the *only* machine that reproduces the calf's suck. The Empire Teat Cup which gives this *natural action* is a patented feature.

Cows give down more milk because of the gentle, natural teat-massage that the Empire gives.

We will be glad to show you this and other Empire advantages.

Don't fail to visit our exhibit south of the stock barns. The Empire milking machine will be shown in actual operation.

The Iowa cream separator will also be demonstrated.

Christenson Hardware Co.

Bethlehem-Thorvick
O. I. Rasum, pastor.

Services in Thorvick Sunday, August 1, at 11 o'clock, and in Bethlehem church at 2:30 p. m. Confirmants at both places.

Card of Thanks

We wish to thank our many friends and neighbors for their kindness at the death of our beloved wife and mother, and for their many floral offerings. We also wish to thank Mrs. Jorde for her beautiful solo at the funeral, and Rev. Larson for his words of comfort.—Ole Ahlstrom and family. p.

CARD OF THANKS

We take this means of extending to our friends and neighbors our heartfelt thanks for the acts of kindness and sympathy shown us in the sickness and death of our beloved husband and father. We are especially grateful to Rev. Lerohl and Rev. Hellesoen for their words of comfort. We are also thankful for the beautiful flowers from our neighbors.

Mrs. T. J. Quamme and family. 26c

SHE EARNS IT BACK IN ONE MONTH

Students of the UNION COMMERCIAL COLLEGE, Grand Forks, N. Dak. are exceptionally successful. That is because the U. C. C. is a FULLY ACCREDITED school with a course of study complete to the last detail. The Associated Press dispatches this past week carried the news of Miss Mabel Ottem being admitted to the N. Dak. bar, and of leaving for Los Angeles to accept a position with a big banking house. When Miss Ottem finished her course at the U. C. C. we placed her with the law firm of Pearson & O'Connor. During her spare moments she studied law. It was her remarkable training that secured her her start and it is strikingly evident that she will use in her present position. She is earning back each and every month twice what her tuition cost her. A business education not only enables you to get a start but it leads to sure promotion and advancement. If you would like to make your start in the big, busy business world send for our free catalog and let us tell you what this FULLY ACCREDITED SCHOOL can do for you. 2tfc

FARMERS!

Stand by Your Cooperative Creamery for High Quality Butter

THERE is a difference of from 4 to 7 cents per pound in the price of good and poor butter on the leading markets of the country at the present time.

There is now a surplus of butter in the country over any previous year, due to the extension of dairying, and if this surplus continues there is going to be a still greater difference in the price of good and poor butter.

In many states it is impossible to make first-class butter owing to unfavorable conditions, but here in Minnesota where every farm has a well of cold water that can be used for cooling the cream, and where almost every town has a co-operative creamery, good butter can be made and is being made.

There is an everlasting fight on the big markets between good and poor butter—good butter from good co-operative creameries and poor butter from the centralizers. Whichever of these two systems win in the long run, will control the field. It will be the co-operative creameries paying from 2 to 3 cents above New York Extras for butterfat, or the centralizers paying from 2 to 3 cents below.

A co-operative creamery that grades cream and pays a premium for sweet cream and makes Land O' Lakes butter, is putting up the best kind of a fight, for the farmers, because it is only good butter that will make it possible for the co-operative creamery system to win out.

There are over 2,000 cream stations in Minnesota (we should be ashamed of a cream station in a town without a co-operative creamery) and their system is to take any kind of cream at any time and test the same price for it all. That means sour butter and a poor price. Poor butter means a lower consumption of butter and a higher consumption of oleomargarine and other butter substitutes.

A co-operative creamery that works for the highest quality butter, is working for the highest price for its patrons and should have the backing and support of every farmer in the community. The farmer who leaves his creamery because he thinks it graded should give the matter more serious thought, and he will come to see that creamery grading and paying for quality is the only fair and honest way.

Good butter is the foundation of the co-operative creameries and the better the butter the stronger the foundation. Help your buttermaker make good butter by bringing in sweet cream. Do not blame him if your cream is not always first-grade. It would be a lot easier for him to take everything and call it good, as do the cream stations, but his job is to make your co-operative creamery pay you a good price, and to do that he must have good cream. It is a case of choosing between a "good fellow" and a "good price."

Down in your heart you know that the "best fellow" is the man whose work helps you to build up your farm and gets you extra cash for your labor and that of your family. Stand by him!

It is not a very difficult matter to produce Sweet Cream. It takes a little extra work and care, of course, to have the pails and cans and strainer clean, and to keep the cream in a cool the cream in cold water immediately after separating—but why not?

From the beginning to the end of farming there is work and more work, and for a lot of it there has been mighty little pay the past few years. Dairying has come the nearest to paying well, and it is for more cream—for more and the good buttermakers that have done most to make dairying pay. Why not give the cream then a little extra work and attention, and the boys in the creameries a little extra support in their efforts to make high quality butter?

J. S. McGUIRE, General Manager,
LAND O' LAKES CREAMERIES, Inc.
Minneapolis, Minnesota.

Promoting Dairy Expo. Is Work of "Dad" Cort

"Dad" Cort, pioneer dairy promoter of the northwest was in the city last week in behalf of the Northwest Dairy expoultion, which is to be held in connecting with the state fair this fall.

The dairy exposition will be held September 4 to 11, this year at the same time that the State Fair is held. Mr. Cort is calling for the stockmen of the Red River valley at this time, lining up the entries for this year's show, which, he stated would far surpass any dairy exposition ever held in this state.

Mr. Cort first came into the Red River valley 27 years ago, organizing creameries, under the auspices of the State Department. During the period from 1897 to 1907, he organized 102 creameries in this part of the state.

The first 3 months of this year Mr. Cort stated the farmers received thru the creameries of the state of Minnesota the total sum of $32,200,000.

Mr. Cort will also attend the North Dakota state fair at Grand Forks this week in behalf of the Minnesota Exposition.

FISH POISONED

Introduction of copper sulphate into the water of Maple Lake has been given as a possible reason for the great loss of fish in the lake. After examining species which had been sent to him, T. Sober, superintendent of fish propagation of the Minnesota fish and game department, stated this he found no indication of disease or smothering. It is believed the introduction of fresh waters into Maple Lake through the ditch now under construction from Badger Lake will remedy this situation and stop further losses.

THIEF RIVER FALLS, MINNESOTA

FARM CONFERENCE ORGANIZES COUNCIL

Minnesota Will Be Organized as Fighting Unit for Real Agricultural Relief

The Minnesota Council of Agriculture was organized at a statewide conference held at the State Capitol here Friday, for the purpose of carrying on a campaign of education in support of the federal farm board and equalization fee plan based upon principles of the McNary-Haugen bills.

This conference was called by the united farmers' organizations of the state and was attended by farm leaders, public officials, business and professional men from many parts of Minnesota, to the number of about 100.

Resolutions were adopted, which were so full of militant expressions of determined purpose, as to leave no room for doubt as to the temper of the conference and its resolve to put forward a wage this fight to the bitter end. The farmers are going to know who their friends and foes are in Congress and officials in Minnesota obstructing their program are going to be thrown up before the public, according to expressions voiced at the meeting.

Down in your heart you know that the "best fellow" is the man whose work helps you to build up your farm and gets you extra cash for your labor and that of your family. Stand by him!

The keynote of defiance was thrown down to the Industrial East in the battle to make the tariff protect farm products. Conduct of Senator Fess, Ohio, administration leader in senate, and Secretaries Jardine and Mellon were severely condemned as stupid and anti-American. Senator Shipstead of Minneapolis, only Minnesota man in congress who voted for the recent farm bills, was criticized severely and other Minnesota senators were assured for their opposition and hostility to farm legislation.

J. F. Reed, president of the Minnesota Farm bureau, presided at the conference. Governor Murphy, who has charge of the farm legislation fight at Washington during the last session of congress, led the discussion. Thos. E. Cashman, Owatonna—now re-elected president of the state council and active worker and attendant, and the boys in the creameries a little extra support in their efforts to make high quality butter?

J. S. McGUIRE, General Manager,
LAND O' LAKES CREAMERIES, Inc.
Minneapolis, Minnesota.

Edward Barr of St. Paul were named secretary and treasurer, respectively. A vice president and executive committeeman from each congressional district, with five committeemen at large, were chosen to carry the organization work forward in the counties of the state.

The committee met on Saturday to map plans for carrying on the work determined upon by the conference. The farm problem thus is going to be a live issue in Minnesota during the months from now till congress convenes next December.

Marshall County Board To Build Warren Bridge

Marshall county commissioners last week decided to build a new re-inforced concrete bridge over the Snake river in the city of Warren at an estimated cost of $9,790, the Minneapolis Bridge company being awarded the contract limited. The work will be done next fall, according to present plans.

The new bridge will be approximately 190 feet long and will contain two center spans of 20 feet each, according to plans on file in the office of C. J. Quist, engineer. The 10-foot roadway will have a 5-foot sidewalk on both sides.

RUNAWAYS FOUND

Two young ladies, Anna Maslik and Miss Dorothy Hatcher, aged 16, arrived here from Mahnomen Friday morning via the freight train route. Upon arriving in a box car the train men notified Sheriff Ole Ahlstrom who in turn notified Sheriff Lee of Mahnomen. The last named gentleman arrived on the next passenger and escorted the runaways back to their homes in person, the same evening.

PROCEEDINGS OF BOARD OF REVIEW

Warren was in the Council Chambers on the 26th day of July, 1926, at 10 A. M. pursuant to notice given by the Mayor of said City.

The following members of the Board of Review were present: Mayor Ole Ahlstrom, Chairman, at 2:00 p. m. with all of the Assessors present, to-wit: Fred Pasbrig, Assessor of the 1st Ward; Ole Ahlstrom, Assessor of the 2nd Ward; Ole Ahlstrom, Assessor of the 3rd Ward; Ole Ahlstrom, Assessor of the 4th Ward; Ole Ahlstrom, Assessor of the 5th Ward; Ole Ahlstrom, Assessor of the 6th Ward; Ole Ahlstrom, Assessor of the 7th Ward; ...OWS ARE DAMAGED ...ROUND CROOKSTON

...d Also Sell Near Visitor Prio... Finally Wiping Out Crops ... Its Path

The storm last week which looked threatening for crops throughout the entire county, did considerable damage to crops in the immediate vicinity of East Grand Forks by hail, and the damage is considered extensive enough to later reports.

Cutting a swath about three miles wide the storm struck about a mile distance beyond Grand Forks, northeastward into Minnesota, already for corn and other grain to a considerable extent near Fisher, Reservoir, south of Crookston the damage was still greater, the crops being practically driven into the soil after being cut to pieces by the hail which was very heavy.

Several people from here were at the Grand Forks fair that day and they report that in places the hail was *from six inches to a foot deep, and old-timers disappear for several hours after the storm.*

GIVES DEMONSTRATION

Dr. L. R. Twete, local veterinarian, gave a vaccinating demonstration Tuesday afternoon under auspices of the Thief River Valley Poultry association, below an enthusiastic crowd from Ohine, at the poultry association building in that city.

COMMISSIONERS AID FAIR

The county commissioners at the regular meeting last week again appropriated $500 to the fair association, the same as has been done for several years past. The city council previously had raised the customary $100 and the two amounts will be used in taking care of permanent improvements on the fair grounds.

Several Local Boys Are At Citizens Military Camp

A number of local young men plan to leave this week to enroll in the four citizens' military training camps to be held at Fort Snelling, July 31 to Aug. 31, which, it is pointed out, especially those desiring commissions as officers, ought to take advantage of the opportunities offered them. Besides uniforms and complete equipment is also furnished free to those who need it, instruction in infantry, artillery, engineer and cavalry training will be offered at the camps and in addition a course in citizenship will be given. Those from here planning to attend are Elmard Eklund, Charlie Prosch, George Johnson, Clayton Hanson, Victor Dahlen, Arthur Lathrop, and Robert Erickson.

CALLED BY DEATH

T. J. Quamme passed away Tuesday, July 15 at the family home near Vestad. Deceased was born in Sogn, Norway, July 19, 1844. He came to this country in the year 1869, locating at Northfield, as a tailor. He was married to Christine Ohnstad 52 years ago, to which union eight children were born, four of whom have preceded their father in death.

Left to mourn his death are his wife and seven sons, three daughters, Christine Bryant, Mrs. A. O. Odegard, and Mrs. Wilsie, all present at his death bed, and the latter who was recently injured in an automobile accident, making the trip here impossible. Funeral services were held from the Zion Lutheran church in Thief River Falls, the remains laid to rest in Greenwood cemetery, Thursday, July 22.

Deceased was highly respected as a neighbor and father. It will probably be interesting for some of his old friends to learn that the baby, of which he was leader at the time, is now the laying of the corner stone of St. Olaf college at Northfield.

THREE LAWS COVER ALL CROSSING STOPS

Statutes Apply Both Inside and Outside City Limits Says ... Attorney General

Enactment of a city ordinance to the contrary, it cannot relieve a motorist who fail to stop at railroad grade crossings, according to a ruling of Attorney General Clifford L. Hilton. He points out that there are three sections of the state law covering the subject, and that the state law applies both inside and outside the municipalities.

Section 20, Chapter 416, laws 1925, the highway traffic act, provides that the driver of every motor vehicle which is used for the transportation of school or other passengers for hire shall stop at every grade crossing and there is a flagman on duty. This applies to all crossings whether designated as stop crossings or not.

Violation of this section of the law is declared a gross misdemeanor and the person convicted of violation is subject to a fine of not to exceed $1000 or a jail term of not more than one year.

Section 6, Chapter 336, laws of 1925, provides that drivers of vehicles carrying explosives or inflammable liquids, all trucks having another vehicle in tow, and all vehicles of the tractor or caterpillar type "shall stop before crossing a railroad track on grade, whether it is designated as a stop crossing or not. Violation of this section is declared a misdemeanor. The penalty for a misdemeanor is a fine of $25 to $100, or a jail term of not to exceed three months.

The third statute relates to stop crossings and provides that every driver of a vehicle of any type, shall stop at those crossings officially designated as stop crossings by the State railroad commission. Failure to do so shall be deemed a misdemeanor.

Persons accused of violating the last two sections may be tried in the smaller courts, but offenders charged with gross misdemeanor are subject to trial and punishment only in the district court.

WONDERFUL SHOW- ING BY CREAMERY

Forty-one Thousand Pounds Shipped to U. S. Navy Up to Present Time

The local creamery has made a wonderful showing during the last two months in turning out Land O' Lakes butter, for which it has a contract to furnish 50,000 pounds by Aug. 31, six other creameries in the state are furnishing the remainder of the 400,000 pounds to the U. S. navy.

Up to the present time 41,000 pounds has been shipped from this creamery, and the remaining 9,000 will undoubtedly be shipped before Aug. 31, on which date the butter is distributed at the Thief River creamery leaves for California.

Starting a week after the other six plants manufacturing Land O' Lakes butter, the local plant, according to Joe Hoile, manager, had turned out 15,000 pounds while the other six creameries had furnished 256,000.

FIREWORKS AT FAIR

The horrors of war and the beauties of fairyland will be combined into one when spectators for the Theatre Ruffield Fireworks Division of World Amusement Service Association, the largest manufacturers of fireworks in the world, set off a series of special mammoth bombshells at the Pennington County Fair this year. These range in size from three to fifteen inches and burst with startling suddenness and extraordinary loudness bringing the noises and tumult of battle close at home. Before the reports have echoed over the country-side, however, a myriad stars of variegated colors, a shower of rockets and a spreading canopy of silver turn the dark sky into a veritable fairyland of outranging hues.

This will be but one of more than a score of beautiful night pictures which will linger long in the memory as part of one of the most elaborate fireworks exhibitions staged in this part of the country.

Chevrolet is enjoying the most spectacular popularity ever won by a gear-shift car. Over 360,000 people have already purchased the Improved Chevrolet this year because no other car offers such modern design, a performance so smooth, so powerful or so many quality features at Chevrolet's low prices.

Come in! See this truly modern car—drive it! Get acquainted with its superior features—learn the numerous advantages of Chevrolet ownership. Then you will understand why there has been such a sensational world-wide increase in the number of Chevrolet buyers.

So Smooth—
So Powerful

BOOSTS SOME CREAMERY

C. E. Asp, who has contributed the following item, may not be much on spelling, but he is a great booster on the farm for the home community. Mr. Asp has been on the Thief River Falls route for the past three years, and has always been a booster for the home town. He has the following to say about the creamery which sells his cream to the Consolidated and also sells the milk to the home community.

THE MAN WHO SELLS HIS CREAM TO THE CENTRALDOME.

I am my cream to the Co-operate Enterprises,
Because I know I get my best prices.
They all works in one fare and steer
And I am satisfied I get my share.

I am taking try my nearby opinionses,
And some day, have I didn't no any Co-operative Cluses.
The centralizers pay for cream just whate they place.
Besides Farmers, just think of this,

Cream there they ar getting big and fat and strong,
To make a party and a ball for long.
And vote avails the ball cents alone,
Then they wod try to grab the mone.

And now I herd somebod told,
They ar put new burr with their big pars of gold,
For to get our Co-operate Crimerie bill,
So they kane pay for our cream just what they will.

Brother Farmer, take some precotion,
And start your tisking machine i motion,
Then I hope you may part of me,
Someting good in ours Co-operatiy Crimery.

C. E. ASP, R. 1, Box 62,
Thief River Falls, Minn.

Post Office Convention Attended By Fred Prots

Fred Prots, of the local post office force was the only representative of Thief River Falls at the annual state convention of the Minnesota post masters' association, which convened in St. Cloud last week, Friday and Saturday, at which time matters of interest were considered.

The state secretary of the post office employees also met in the same city at the same time, the two meetings being a joint affair.

CROP CONDITIONS GOOD

Crops, which already are in excellent condition in this section of the county, were still improved by the rains which fell during the night. Farmers have been very busy the past few days with haying and report to Star Tribune within a week or so. Indications point to a very good yield.

Two Streets Gravelled By Street Department

The street department has gone two creditable pieces of work recently—the gravelling of Fourth street from Main avenue to the fair grounds, and LaBree avenue in the vicinity of the Northrop school. These two sections of street have been nearly impassable after many rains in former years, and when the fair is held each fall the dust on Fourth street has been a nuisance. Not only will automobile owners appreciate the improvements along the streets improved.

Dry Hand Picked Canadian Blueberries

In two basket lots, or more, weighing from 14 to 15 lbs. net, each, per basket, f. o. b. Crookston ... **$3.00**

For shipment on or before August 10.

The Most Wonderful Book in the World

More than nine million Bibles were sold or distributed in 1925.

Would you not love to have companion volumes to help you discover the treasures in that Wonderful Book?

SWEDENBORG

[1688-1772]

explained the Bible's practical application to daily life; how it describes the life hereafter; what the Bible parables mean when spiritually interpreted.

His theological works—as issued by himself—have been published by the Houghton Mifflin Co. in most modern translation from the original Latin, in the Roth Edition of 32 volumes.

The first, twenty give the spiritual sense of Genesis and Exodus as explained to Heaven; and volumes 24, 25, 26 give likewise the spiritual sense of the Book of Revelation.

Volume 30, Marriage Love, views from the union of the Divine Love and the Divine Wisdom the Law of Sex throughout all creation. It shows the crown and jewel of the Christian Religion, the union of one with one only. Price $2.00.

Volumes 30, 31, 32, contain a full statement of the True Christian Religion as revealed from Heaven. $3.00 the set.

The whole 32 volumes in half morocco at $125; in buckram, $40.

The following are the best introductory books to the Revelations of Swedenborg. They are in large print, bound in buckram, and contain from 360 to 484 pages.

TITLES	PRICE
HEAVEN AND HELL from things heard and seen	$1.25
Angelic Wisdom Concerning—	
THE DIVINE PROVIDENCE, which governs the Universe and the Heavens and the Hells, and the least as well as the greatest of all things in creation, and to the everyday life of man.	$1.25
THE DIVINE LOVE AND WISDOM, the profoundest book and revelation concerning God and the Creation ever written, first published in Latin at Amsterdam 1763. Along with these the "Intercourse Between the Soul and the Body" first published in Latin at London 1769.	$1.25
Price of all three at one time, including postage	$3.75

Who Was Swedenborg?

Immanuel Swedenborg, the son of a bishop, was the great Swedish scientist, philosopher and theologian, whose writings are the basis of the religious faith of the Church of the New Jerusalem commonly named from the Universal Church. Offices of publication, 511 Pitt street, Philadelphia, Pa. Swedenborg was a member of the Royal College of Mines, he mastered all the sciences of his time, and the titles of his works fill a page.

His life stands pre-eminent for its purity and usefulness. Here he attained honor before he was 30 years old. He was offered the presidency of the Royal College of Mines, but declined it. His fame as a philosopher and scientist was established before he was 40, and the Bible study, may be read in the above named, enlighten, helpful books.

MUST HAVE LICENSE PLATES

Licenses Applied For Early Are Issued Without Delay

Applications for automobile licenses are coming in rapidly at the office of the county auditor, and the indications are that the number of licenses issued this year will be much greater than in former years. Even if the number is not greater, the fact that the licenses must be applied for before August 1 if not in force, and that the penalty for driving without license plates after that date will be imposed, will cause many people to apply early.

The law requires that the license plates be fixed to the front and rear of the motor vehicle, and the penalty for violation of this provision is a fine of from $5 to $25. Even if operating in separate units as the state's law requires, trailers must have license plates. The penalty for driving without license plates after August 1 if not in force, and the penalty for driving without license plates after that date will be imposed, will cause many people to apply early.

Hayes Was the First President to Have a Telephone

When Rutherford B. Hayes was President, about 45 years ago, a telephone was first placed in the White House. At that time there were only about 50,000 telephones in the world.

Today the President or his desk in Washington can reach any of the 17 million telephones in the United States.

The telephone is so reliable and the charge so reasonable that its use is almost universal.

The Song of a Happy Motor

Hum, hum hum! It's a nice song—the song your motor sings when it is happy—a smooth steady song. It makes you pleased with your car—yourself—and the world in general. It gives you a satisfying sense of contentment.

Polarine makes your motor happy. It lubricates the engine perfectly—keeps a tough cushion of oil over its fast moving surfaces.

Polarine is a major product of the Standard Oil Company (Indiana). Its Engineering Staff devotes its entire time to the study of the lubricating problems of motorists.

There is no guesswork in the process of manufacturing Polarine. It is the result of years of the most careful work. And there is no guesswork about its lubricating efficiency in your car. There is a special grade of Polarine made for your car. You can depend on Polarine to meet every demand put upon it—to stand every strain of heat and friction. Polarine maintains its body—it will not break down—it seals your cylinders against loss of power.

Steady power—the smooth hum of a happy motor—are results you can *always* expect if you use Polarine—and you will minimize your operating costs.

THIEF RIVER FALLS, MINNESOTA

ST. HILAIRE

Attend Land O' Lakes Picnic

A large number of people from St. Hilaire and vicinity attend the Land O' Lakes Sunday where they attended the large Land O' Lakes association's picnic held at the park. Among those from St. Hilaire who attended the picnic were Mr. and Mrs. Elmer Johnson, Mr. and Mrs. W. F. Wilson, Albert Nelson, Mr. and Mrs. Olaf Johnson, Mr. and Mrs. Wm. Bothman, Mr. and Mrs. E. Jensen, Mr. and Mrs. Hilmer Allen, Mr. and Mrs. O. Gunderson, Mr. and Mrs. Wm. Bothman, Mr. and Mrs. Patton and Mrs. Anton Aubol.

Dinner Guests

Mr. and Mrs. A. Satterberg entertained a number of guests at a delicious dinner party at their home Thursday afternoon. The guests were: Mr. and Mrs. C. Pladson, Dr. and Mrs. O. S. Werner, Mrs. Sorenson of Minneapolis, Miss Mildred Feltman.

Services at Black River

Opening services at the Black River Swedish Lutheran church were conducted Sunday morning and afternoon. The church has undergone a complete renovation, the interior having been decorated and a new pulpit was installed. Swedish services were conducted in the morning at 10:30 and the afternoon services in the English language, Rev. H. P. Johnson of Minneapolis conducted the services. Dinner was served in the church basement at noon. Those present were Mr. and Mrs. A. F. Nelson, Mr. and Mrs. O. K. Olson, Mr. and Mrs. L. Gullekson, Mr. and Mrs. Emil Mr. and Mrs. O. A. Naplin and Mr. and Mrs. John Gullmanrud of Thief River Falls attended the services.

W. C. T. U.

The local W. C. T. U. chapter held a successful meeting at the home of Miss Ollie Nelson, Wednesday afternoon. At the election of officers all present officers were re-elected for the coming year. The officers elected were: T. Skaurud, president; Mrs. O. S. Werner, secretary; Mrs. Josephine Brandon, treasurer; Mrs. Skaurud and Miss Ida Hanson were elected delegates to attend the state convention which will be held at Thief River Falls August 18-22. A program was given after the business meeting and lunch was served by the hostess.

Ice Cream Social

An ice cream social was held at the W. F. Wilson farm Wednesday evening, under the auspices of the M. E. Ladies aid. Rev. T. T. Dixon of Thief River Falls was the main speaker of the evening, but other numbers made up the program were: Reading, Geneva Abbey of Hazel; vocal duet, Rev. and Mrs. Dixon; vocal duet, "Resignation" by Hazel Fricker and Martin Swenson.

Miss Lucille Blaske arrived Saturday from Minneapolis to spend a few weeks visiting at the M. Fricker home, and with other friends in this village.

Mr. and Mrs. I. O. Berg motored to Perkins Sunday where they spent the day visiting with friends.

Mr. and Mrs. Ole Odegard of Hazel, left Wednesday on a motor trip to the twin cities. They were accompanied by Mrs. Carl Nelson and children of Minneapolis who have visited here for several weeks and also by Ruth Odegard.

George Fricker of Holt, and Bert Eastland of Thief River Falls, accompanied by Miss Lucille Blaske of Anoka, and Hazel Fricker of this village motored to Maple Lake and Enskine Sunday where they visited with friends.

Mr. and Mrs. S. Fellman and daughter, Mildred, shopped at Thief River Falls Saturday morning.

Mrs. Louis de Cathlineau and son, Jerry, left Wednesday for Willmar where the former will visit with her son, Henry, while the latter will be employed by the highway department.

After spending a few days attending to business matters at Detroit, Mr. McKercher, accompanied by his daughter, Arline, returned home Monday.

Rev. H. P. Johnson came last week from Minneapolis to spend a few days at the Rev. A. F. Nelson home.

George Fricker of Holt spent the week-end with his parents at their home in St. Hilaire.

Mr. and Mrs. J. T. Dixon and daughter, Betty, accompanied by Mrs. Dixon's mother, Mrs. Ellen Johnson, and Mrs. Ole Odegard motored to Red Lake Falls Sunday where they visited with Mrs. Dixon's brother, Mr. and Mrs. O. R. Nikkila.

Mr. and Mrs. P. O. Tvelt and son, Earl, of Ada were weekend guests at the Carl Christianson home.

Many from this vicinity attended the Sunday dinner given at the Odegard home at Warren Sunday. The occasion was a 6 in 1 in favor of Warren-Goodridge.

Miss Maree Huseby of Halstad visited friends in town over the week-end.

Mrs. Richards and daughter, Anna, of Thief River Falls spent a few days visiting at the Oscar Blomberg home.

A. C. Tvelt of Ada is visiting his son, Earl Tvelt, and family.

Evangeline and Wallace Shanley entertained a few little friends Monday afternoon. At the conclusion of the party refreshments were served.

Mr. and Mrs. Ole Stephenson and Mrs. Stephenson's mother, Mrs. Stephenson, motored to Thief River Falls Saturday where they visited with friends.

Mrs. Ole Abbottson and daughter, Mrs. Christianson, motored to Thief River Falls Monday where they visited with friends.

Mrs. Ole Abbottson of Excel township passed away Sunday morning at the Fergus Falls hospital, following a year's confinement there, suffering with leakage of the heart.

Deceased, whose maiden name was Hannah Monson, was born May 23, 1856, in Sweden, Sweden. She was married to Ole Abbottson in 1882, and came to this country the same year, living on a farm near Grove City until 1916, when they moved to this city, residing on their farm in the township, where they have lived since.

She is survived by her husband, four sons and two daughters, Albert of Grove City, Minn., Adolph, Martin, Mamie and Mabel at home, Mrs. J. P. Nordquist of New Effington, S. D., and Mrs. Fritz Olson in Canada, all but the latter present at the funeral. Two children, a boy and a girl, have preceded their mother in death.

The funeral was held Tuesday afternoon at St. Augustana Swedish Lutheran church, Rev. Alsin A. Larsen officiating. Immediately preceding the service, Mrs. Knute Jenkins sang "Sweet Is My Home." Deceased was laid to rest in the Greenwood cemetery.

Relief by life upon her tranquil breast,
Our mother's tired hands, their labors done,
Secured as the smiles of speakers,
And lunch will be served. On Sunday, Aug. 1st, will be three meetings, 10:30 a. m. and 2:00 and 8:00 p. m. Rev. Victor Nyquist from St. Hilaire will speak. There will be a basket dinner at noon. Everybody welcome.

Esther Thompson left Wednesday for Fordville, N. D. where she may be employed this fall.

Albert Hellebult, accompanied by the Wall Blomberg family motored to Hendrum Sunday where they visited at the Oscar Blomberg home.

Ratteseth, brother, purchased a Chevrolet coach from Mr. Lee this week.

Mr. Rierson from Holt is assisting Mr. Lee during the A.-T.-Thoreson farm this week.

The John Hanson family motored to the Newfolden Sunday where they were guests at the home of a brother to Mrs. Hanson.

Miss Gladys Swenson of Minneapolis, who has been the week at the home of Mr. and Mrs. Swenson, left last week, left Friday for Thief River Falls where she will visit with the R. J. Brandon family.

Mrs. Maude Patterson left Wednesday for her home at Fargo following a month's visit with the Anderson and Ostlund families at this place.

Mr. and Mrs. A. M. Gullseth left Monday for Ada where they visited with friends, and from there went to Wilmpeg, and may go as far as Prince Albert National park for a few weeks vacation if conditions permit.

CATTLE MARKET HIT

The dry weather conditions that have been so severe in western Minnesota and the Dakotas has produced an exceptionally heavy run of cattle at markets, at this time of the year, according to J. Earl Hutchinson, general manager of the Central Co-operative Commission association at South St. Paul, resulting in a break of from 75c to $1 a hundred on grass cattle, and 25c to 50c on dry lots. The Earl Hutchinson recommends that, insofar as conditions will permit, that cattle be held back on the farms for a few weeks.

TO BUILD CAMPUS HOMES

A dormitory system providing quiet, artistic and healthful homes for out of town students at the University of Minnesota with all buildings carefully supervised university officials, has been approved by the board of regents on the suggestion of President L. D. Coffman, who told them at a recent meeting that adoption of the plan would be perhaps the biggest progressive step of the decade at Minnesota. The plan of the University is to sell bonds based on the earning power of the buildings to be erected with their proceeds, so as not to need the taxing ability of the state.

GOODRIDGE

Mr. and Mrs. Joe Gangness and son Leonard and Mr. and Mrs. Ole Gulseng attended the Creamery picnic at Maple Lake Sunday.

Mr. and Mrs. Stephen Nobbe motored to Red Lake Agency Wednesday to visit friends.

Gertrude Anderson, Clarie Asmuss and Jennie Kratochek returned Wednesday evening from Detroit, where they have been attending summer school.

Mr. and Mrs. Ole Prestebak, daughter spent Sunday at Thorhult.

Mrs. J. F. Fardinandsen and son Stuart were callers in town Sunday.

Mr. R. Cook and children spent Saturday evening from Spooner, and will be guests at the A. McLeod home for an indefinite period.

Mr. and Mrs. John Brandt and daughter of Gonvick were Sunday guests at the Carl Christianson home.

B. Dooley, postmaster at Red Lake Agency and family spent Sunday at the Payne home.

Mr. and Mrs. Owen Olson spent the week-end at Minneapolis and St. Paul.

Mr. and Mrs. S. J. Plautier and children spent Sunday at Warren and Argyle.

Mr. and Mrs. S. J. Cloutier and children, of Grand Forks are visiting at their uncle and aunt, Mr. and Mrs. O. R. Nikkila.

Mr. and Mrs. P. O. Tvelt and son, Earl, of Ada were weekend guests at the Carl Christianson home.

Many from this vicinity attended the Sunday dinner given at the Odegard home at Warren Sunday. The occasion was a 6 in 1 in favor of Warren-Goodridge.

Miss Maree Huseby of Halstad visited friends in town over the week-end.

Mrs. Richards and daughter, Anna, of Thief River Falls spent a few days visiting at the Oscar Blomberg home.

A. C. Tvelt of Ada is visiting his son, Earl Tvelt, and family.

Evangeline and Wallace Shanley entertained a few little friends Monday afternoon. At the conclusion of the party refreshments were served.

Mr. and Mrs. Stephenson, Lola Aarsen, Alvin Thoreson, Lyle Thoreson, Ben Hanson, Leonard Gravseng, Jean Mcleod and Geraldine Shanley.

Sewing unit No. 3 met at the school house Friday, July 22, from 1 till 6 p. m. Mrs. L. Christianson was hostess.

H. A. Dahl left on a business trip to Detroit and Mrs. Conrad Johnson, O. S. Kirkile, S. J. Cloutier, A. B. Jorgenson, Warren, E. Olson and Owen Olson, Warren, H. Jorgenson was elected chairman and Mrs. S. J. Cloutier secretary. Refreshments were served. Mrs. Christianson served sandwiches, cake, coffee and ice cream which was very much enjoyed by all. Many new ideas were learned.

BID FELLOWS TO ST. HILAIRE

Members of the Red Falloon lodge will leave at 7:30 this evening for St. Hilaire, where they will visit the lodge at that place. All members are urged to come.

ROSEWOOD

The annual school meeting of common district No. 41, Roseland, was held last Tuesday evening with about 25 voters present. John Sarmoen was elected as director for the coming three years. There will be eight months of school the coming term which will commence on Tuesday, Sept. 7th, with one week set aside for potato harvest, and the customary Christmas vacation. The total receipts for the past year were $2,319.78, and the expenditures $1,529.11, and in addition to cash on hand $189.67. One half acre of ground will be cleared this fall and used for play ground and the school will be finished and suitable for a clothes room. Mrs. Thos. Jackson is principal for the coming term and Miss Lilly Nelson will teach the primary grades. Roland Hanson is clerk of the district and Joel E. Shoberg, treasurer.

Mission Meeting

Mission meetings will commence at the Swedish Mission church in township 157, range 45, next Sunday and Saturday evening, July 31, with Rev. C. W. Olson from Warren and Rev. Victor Nyquist, pastor of the Thief River Falls Swedish Mission church, as speakers. Coffee and lunch will be served. On Sunday, Aug. 1st, will be three meetings, 10:30 a. m. and 2:00 and 8:00 p. m. Rev. Victor Nyquist from St. Hilaire will speak. There will be a basket dinner at noon. Everybody welcome.

Esther Thompson left Wednesday for Fordville, N. D. where she may be employed this fall.

Albert Hellebult, accompanied by the Wall Blomberg family motored to Hendrum Sunday where they visited at the Oscar Blomberg home.

Ratteseth, brother, purchased a Chevrolet coach from Mr. Lee this week.

Mr. Rierson from Holt is assisting Mr. Lee during the A.-T.-Thoreson farm this week.

The John Hanson family motored to the Newfolden Sunday where they were guests at the home of a brother to Mrs. Hanson.

Miss Gladys Swenson of Minneapolis, who has been the week at the home of Mr. and Mrs. Swenson, left last week, left Friday for Thief River Falls where she will visit with the R. J. Brandon family.

Mrs. Maude Patterson left Wednesday for her home at Fargo following a month's visit with the Anderson and Ostlund families at this place.

Mr. and Mrs. A. M. Gullseth left Monday for Ada where they visited with friends, and from there went to Winnipeg, and may go as far as Prince Albert National park for a few weeks vacation if conditions permit.

In Tune With the Times

A vivid idea of the spectacular change of demand which the modern business world has had to meet during the thirty years, may be gained from a consideration of the phenomenal development of the automobile.

In 1895 there were only 300 automobiles in the United States. In 1925 there were 21,000,000.

In 1895 a gallon of gasoline for 300 cars was required in 1925, while gasoline for 21,000,000 cars was required. Today's problem is not the production of gasoline necessitated an adaptability which the Standard Oil Company (Indiana) has shown to an extraordinary degree.

It was the Standard Oil Company (Indiana) which discovered and developed a process to double the yield of gasoline from every barrel of crude.

These discoveries, passed on to competitors, were successful in making a diminishing supply of crude per car, meet an increasing demand.

Tremendous toil, endless experimentation, tireless research —on the part of the Standard Oil Company (Indiana) organization—made this condition possible.

The Standard Oil Company (Indiana) always has worked with its original purpose clearly in mind—to meet the needs of the people of the Middle West with the best petroleum products that science and money and skill can produce.

This organization has worked with the idea that its own profit must be a secondary and inevitable result of service.

Through the years the Standard Oil Company (Indiana) has endeavored to develop a quick perception of the needs of the hour—to keep in tune with the times.

It has been alert to keep in step with shifting and changing conditions. It has tried always to be keenly aware of new requirements, and lighes thrown all its resources of mind and money into the task of meeting them.

This conscious effort on the part of the Standard Oil Company (Indiana) to anticipate and satisfy the changing needs of the people has been backed by the loyalty cooperation of its 20,000 employees, without which all its efforts must have failed.

For every element in the success of the Standard Oil Company (Indiana) there is but one explanation—the right working force—the employers. The measure of their loyalty is the measure of its greatness.

TRADE ON

Changes moved and examined the returns and equalized the Real Estate and the Personal Property assessments for the year 1926. On motion duly carried the County Board of Equalization adjourned sine die.

A. W. HANSON,
Chairman County Board of Equalization.

Attest: T. F. ANDERSON,
(Auditor's Seal) County Auditor.

OFFICIAL PROCEEDINGS OF THE COUNTY BOARD, PENNINGTON COUNTY, MINNESOTA

Thief River Falls, Minnesota, Hearing was called to order by the Chairman, Commissioner Hanson, in the Auditor's office in the Court House in Pennington County, met in the office of said County Auditor, at 10 o'clock in the forenoon, Hanson, Commissioners Hanson, Ness, Larson, Hoy and Olson. Members absent: None.

$4 DUPONT'S STATEMENT TO COUNTY BOARD

To the County Board of Pennington County, Minnesota:

Gentlemen: I, the undersigned, respectfully submit this statement showing the amount of taxes levied by County purposes for the current year, collected and delivered to the County Treasurer, and the amount remaining uncollected, with the interest that has accrued thereon to the 1st day of each County fund on the close of business 30th day of June, 1926:

FUNDS	Amount Levied	Amt. Collected	Bal. Uncollected
	Current Year	Apportionment	Unapportioned
Road and Bridge Fund	$ 31,442.21	$ 16,442.21	$ 15,000.00
Poor Fund	34,703.12	18,703.12	15,000.00
County Fund, Interest	37,941.61	22,941.61	15,000.00
Sinking Fund	6,442.45	3,442.45	3,000.00
Sanatorium Fund	6,442.45	3,442.45	3,000.00
	117,971.84	64,971.84	53,000.00

Balances remaining in the credit of each Fund are as follows:

FUNDS	AMOUNTS	BALANCES
	Both Funds	Apportioned
Road and Bridge Fund	$ 31,442.21	$ 16,442.21
Poor Fund	34,703.12	18,703.12
County Fund, Interest	37,941.61	22,941.61
Sinking Fund	6,442.45	3,442.45
Sanatorium Fund	6,442.45	3,442.45
	117,971.84	64,971.84

The following resolution was offered by Commissioner Hoy and moved its adoption, duly seconded by Commissioner Hanson.

Whereas, after due consideration the County Board has estimated the expense of the County for the year 1926 to be as follows:

County Revenue Fund	$ 75,000.00
County Road and Bridge Fund	30,000.00
County Poor and Hospital Fund	35,000.00
Sanatorium Construction Fund	6,000.00
Sanatorium Maintenance Fund	6,000.00
Total	$152,000.00

Therefore Be It Resolved, that to meet the said expense the following sums be levied upon the taxable real and personal property of Pennington County, Minnesota, for the year 1926 as follows:

County Revenue Fund	$ 75,000.00
County Road and Bridge Fund	30,000.00
County Poor and Hospital Fund	35,000.00
County Sanatorium Construction	6,000.00
County Sanatorium Maintenance	6,000.00
Total	$152,000.00

All members present voted for the resolution. It was declared carried.

The following resolution was offered by Commissioner Hoy and moved its adoption, duly seconded by Commissioner Hanson.

Be It Resolved, That the sum of Fifteen Thousand Dollars ($15,000.00) be and is hereby appropriated out of the Road and Bridge Fund for the year 1926, for the purpose of Maintenance of certain roads and bridges in Pennington County, Minnesota, and the County Auditor is hereby authorized to issue warrants to said amount in the 7-10ths of a mill.

All members present voted for the resolution. It was declared carried.

The following resolution was offered by Commissioner Hanson who moved its adoption, duly seconded by Commissioner Hanson.

Be It Resolved, That the sum of One Hundred fifty dollars be and is hereby appropriated to the Commissioner of Kratka for aid in improving certain roads in Kratka Township for the year 1926, and the County Auditor is hereby authorized to issue warrant to the Treasurer of Kratka Township for said amount.

All members present voted for the resolution. It was declared carried as follows:

Petition of Arthur C. Wedel to be set off from Highland to Thief River Falls for school purposes. Petition granted. Petitioner to pay cost of transfer to the County Board for their services.

Order of Hearing of Petition of Tirdad-er to be set off.

WHEREAS, a petition signed by Albert J. Nash, a freeholder of record therein, has been filed in the office of the undersigned of the County Superintendent of Schools of Pennington County, Minnesota, praying that the following described land be set off from the Common School District No. 191 of such County and attached to Common School District No. 2 of such County, Minnesota, all in accordance with the provisions of Section 1, Chapter 344, Laws of 1921 for the action of said Board thereon.

NOW, THEREFORE, Notice is hereby given that said petition will be heard by the Board at the regular meeting thereof on the 3rd day of August A. D. 1926 at the office of the County Superintendent of Schools in Thief River Falls, in said County.

Notice is hereby given that notice of time and place of such hearing be given by the Clerk of said District by posting a notice of such hearing in three public places in each of said districts for the period of ten days next preceding said hearing and by serving upon the clerk of each of said districts a copy of such notice, or said notice of hearing, at least ten days before the time appointed for such hearing.

ERIK GARDEN,
Chairman of County Board.

Attest:
T. F. ANDERSON,
County Auditor and Clerk of Board.

Whereas, the County Board finds that the petition of Albert J. Nash, a freeholder of record therein, praying that the following described land be set off from the Common School District No. 191 of such County and attached to Common School District No. 2 of such County, Minnesota, all in accordance with the provisions of Section 1, Chapter 344, Laws of 1921 for the action of said Board thereon.

NOW, THEREFORE, Notice is hereby given that said petition will be heard by the Board at the regular meeting thereof on the 3rd day of August A. D. 1926 at the office of the County Superintendent of Schools in Thief River Falls, in said County.

Notice is hereby given that notice of time and place of such hearing be given by the Clerk of said District by posting a notice of such hearing in three public places in each of said districts for the period of ten days next preceding said hearing and by serving upon the clerk of each of said districts a copy of such notice, or said notice of hearing, at least ten days before the time appointed for such hearing.

ERIK GARDEN,
Chairman of County Board.

Attest:
T. F. ANDERSON,
County Auditor.

Whereas, after due consideration the County Board has estimated the expense of the County for the year 1926 to be as follows:

County Revenue Fund	$ 75,000.00

COUNCIL TRANSACTS BUT LITTLE BUSINESS

Night Patrolman Appointment of Mayor Was Duly Approved By Aldermen

Tuesday night's council meeting was one of little importance and if it had not been for discussion informally of various matters the meeting would have not lasted half an hour.

With all members present the communication of Mayor W. W. Prichard Jr., announcing the appointment of William Sheehy as night patrolman, effective Aug. 1, was duly approved.

Mrs. Emma Roth was granted permission to remove the roof of her building on lot 17, block 25, with fire resisting material, the same being duly approved by the chief, Paul Mindeleigh.

The council accepted the report of the band committee and gave its approval thereto in agreeing to pay the regular salary to Mr. Tuleen for the sum of $45 per month for 9 months and $100 per month for the June summer months.

The request of the fair association to have street banners over streets in various places during the visits of the carnivals this week to ride in was given approval, the matter being left in the hands of Alderman Oscar Paulson.

Communications were read from various companies as to the cost of calcium chloride to keep down the dust on the city streets, it being applicable only, however, to gravelled ones, but the estimated cost of $260 per mile of a 25 foot roadway was deemed too great and the matter was dropped for this year.

Child Rider Free Act On Program For Fair Week Will be Big Drawing Card

Perhaps the free act of Miss Aniola Schneider at the fair next week will be the best one, especially when the judgment of youngsters is the decider. The latter, for this young girl has a team of ponies given to her several years ago by her father, and which she has trained so that she puts on 10 distinct acts.

When a mere child her father gave her the horses and she started in training them out on the prairies of Jamestown. Later her friends told fair men about her and her fame spread rapidly till every summer now she spends her time making the circuits, accompanied by her mother, Mrs. Lou Schneider, the two living on a farm near Edson, N. D. The money she earns will pay her way thru college a year from next.

That she is a rider of no small caliber is demonstrated by the fact that she started in ride in a race the opening race at Aberdeen next month, running the horses against a world record, which she has equalled within a quarter of a second for the eighth mile.

LEND ASSISTANCE IN CLEARING ROAD

Farmers and Others Do Their Bit in Making Roads to Red Lakes Passable

Many of those going to the Red Lakes last Sunday observed that considerable work had been done along the road, making the trip much easier than previously this season, and part of the credit therefor is due to Carl E. Johnson and John E. Nelson, who supervised brushing two miles of the ridge road etc, raising $80 themselves for the purpose. A crew of seven men were working on the road straightening it out and leveling it up.

Several homesteaders out in the eastern part have offered to donate a day's work in the near future and when the improvements are completed doubtless others will be willing to come to the assistance of those who are making the Red Lake resort possibilities, and the whole thing will work to the good of the country.

Annual Summer Meeting of Red River Valley Crops and Soils Association

The annual summer meeting of the Red River Valley Crops and Soils association at the Northwest School of Agriculture was attended by seed-growers, experimenters, extension workers and others interested in pure seed varieties of grain. The crops in northwestern Minnesota are co-operating with the Northwest School in increasing the production of grains.

At the election of officers Emil Wagner, Argyle, was elected president; W. H. Frey, Mentor, vice president; R. B. Dunbar, Northwest School, secretary; and L. D. Foskett, Crookston, treasurer. The county directors are chosen: Will Rosseau, Geo. Marvin, Warroad; Kittson, Arthur Norum, Hallock; Marshall, David Dretle, Viking; Pennington, H. C. Woolson, Thief River Falls; Polk, Ole Hetzel, Fisher; Norman, J. B. Lochau, Gary; Clay, Theo. Skeel, Glyndon; Becker, Theodore Gutzkow, Detroit; Otertail, Henry E. Osgood, Erhard; Mahnomen, A. J. Robinson, Mahnomen.

The next meeting of the association will take place during the Northwest School Farmers' Week and Winter Shows in February 1927.

Former Thief River Girl Appears in Vaudeville

Theatre-goers of this city had an opportunity of witnessing a former Thief River Falls girl in vaudeville at the Rialto last night, when Manager Brumont presented Miss Lillian Morck in a special song and dance act. Miss Lillian is a member of the 'Butterfly Kiddies' of Detroit, Mich., but at present is playing a three-months' vacation during the summer. She has been with the organization two seasons, touring the southern states last season, and the western states the present time. The coming season they will make a tour of the eastern states.

Lillian is the fourteen-year-old daughter of Mr. and Mrs. Paul Morck, who resided here about eight years ago. Mr. Morck at that time playing in the theatre. Their home now is in Jamestown, N. Dak.

Possible Dope Fiends Ordered To Move On

Alert to the possibilities of a robbery at one of the numerous stores of the city Sheriff Ole Ihle the other day ordered the immediate banishment of four strangers who had reached the city, one of them a woman, apparently in dope fiends, and informed them to do the first trail out of town.

Proprietors of the drug stores visited by the strangers became suspicious as soon as the five gave customers departed and at once informed the authorities.

Sheriff Ole Ihle and Chief of Police A. W. Crowe are on the alert every day, especially at present when so many fairs are being held in these parts of Minnesota and North Dakota, and will do their best to give protection to all residents.

NEW SHOE MAN AT OKNN

The Gen Merchandise company have secured as manager of their women's and children's shoe department, H. Ulrich of Stillwater, who assumed his new duties this week. Mr. Ulrich has been employed for the past nine years in the shoe business in Stillwater, and comes highly recommended to the position.

A CORRECTION

A boy, not a girl, was born to Mr. and Mrs. C. M. Beery July 12, as was stated in last week's issue.

Horse Races at the Fair Will Be Best Ever Held; Many Horses Already Here

Indications point to a larger field of entries in the races at this year's fair than ever before, a large number of horses already being on the ground and doing their daily stunt around the track.

The races are scheduled for Thursday and two for Friday next week, while there will also be a half mile running race either day, depending on future circumstances, the matter being left open to the special committee having the races in charge.

On Thursday a $200 purse has been made up for a 2.25 trot or pace for the Pennington, Red Lake, Polk, Marshall and Roseau county horses, the second race has a $300 purse as the main attraction of the 2:20 trot or pace.

Friday will see the horses go after a $250 purse in the 2.25 trot or pace, while the free for all purse amounts to $300 and is sure to have a good field of entries.

The sum of $250 has been reserved for specials and the committee is still at work to make the program even better than will be sure to satisfy all-lovers-of-horses.

The track is faster than ever before known and many a fine exhibit has been seen for the past week, while the horses already here for the fair, the last few days are now around the track and rumors and speculation is rife as to the possible winners.

Attend Creamery Picnic At Maple Lake on Sunday

Several thousand people attended the picnic of district No. 11 creameries held Sunday at Rabbit's park, Maple Lake, an invitation to attend having also been extended to the employees of creamery associations in district No. 17. President J. N. Brown of Hendrum called the meeting to order forenoon, and in the afternoon interesting speeches were made by A. J. McGuire of St. Paul, general manager of the Land O' Lakes creameries associations, and J. H. Hay of St. Paul, deputy state agricultural commissioner. A band concert was held in the evening, bands from Hagley, Halstad, and Twin Valley being present. Among local people who attended the picnic were Mr. and Mrs. C. Lindberg and family, J. C. Holte, K. Neilson, C. O. Erickson, Mr. and Mrs. F. T. Sayre and daughter, Helen, Mr. and Mrs. V. C. Noper and family, Mr. and Mrs. F. E. Hunt and family and Mr. and Mrs. Alfred Bredeson and family.

NEW PAPER AT OSLO

Volume one, Number one, of the Oslo Journal was issued last week by the publication being sponsored by J. Palmbolen, formerly of Grand Forks. The first issue was only four pages but presented a creditable appearance.

Oslo has been without a paper since the suspension of the Tribune some time ago when the machinery thereof was shipped to Middle River.

Peoples Oil Co. Opens New Service Station

The Peoples Oil company enjoyed a highly satisfactory opening day of their new service station at the corner of Main and Third street Saturday, according to Anton Hall, local manager of the company. The building presents a most attractive appearance with its buff and red exterior.

The station is equipped with an ample and convenient rest room for ladies.

An interesting feature of the new station is the late model air service pump, which is equipped with a bell-like device which rings when the right amount of pressure has been reached, the sound having been set at figure indicating the desired amount.

Several extra men were on hand to take care of the rush, Mrs. A. J. Schutz, wife of the new manager, presented each lady who came to the station that day, with a carnation, and cake was given to the youngsters. With each purchase of five gallons or more of gasoline, a quart of oil was given away free.

Alfalfa Arch Float May Go To Mankato

There is considerable agitation to send a float to the state legion meeting at Mankato next month, something which would advertise the alfalfa industry of this immediate section. It has been suggested that an alfalfa arch be built on a float, indicative of the leadership of Pennington county in the growing of this wonderful dairy feed.

It might be sent down earlier going by way of St. Cloud, the Twin Cities, and other southern Minnesota cities, returning by a western course, perhaps including South Dakota and North Dakota cities, inasmuch as large portions of the various states are suffering from drought, while here alfalfa is so abundant, together with other forage crops.

Where Do Osteopathic Physicians Receive Their Training?

THE first osteopathic physician, Dr. A. T. Still, practiced his new science for nearly twenty years before he started the first school of osteopathy. He tried osteopathy on nearly every kind of disease, on all classes of people, under many conditions, until he knew what it could do and how to apply it.

Then in 1892 he started a college of osteopathy, at Kirksville, Missouri. This school has been improved and the course lengthened from time to time. Now there are seven recognized colleges of osteopathy. To enter any one of them one must have finished high school. Then he must study osteopathy for four years of nine months each.

Men and women who think of becoming osteopathic physicians or nurses should write or call for full information to Dr. L. B. Foster.

When you think of an osteopathic physician remember he is thoroughly qualified by rigid training to practice his profession.

Pennington County Celebrates Silver Fair

25TH ANNUAL FAIR IN PROGESS WITH ENTERTAINMENT FEATURES AND EXHIBITS THE BEST EVER

Businessmen Close up to Attend Exposition This Afternoon —Programs Please

HORSE RACES DRAW MANY FANS TODAY—TOMORROW

Wonderful Display of Fireworks Tonight—Tomorrow is Homecoming Day

With excellent exhibits in all departments and a program of entertainment on the grounds to celebrate Pennington county's Silver Fair, the fair held here again takes its place as one of the leading events of its kind in the state. Although there was a heavy shower Tuesday night, the exposition opened its doors yesterday morning under a clear sky and indications are that the attendance today and tomorrow will even exceed that of last year. A good crowd turned out for the opening day's performances, when children were given free admittance, the fair association having distributed about 5,000 tickets for the event.

Today being Thief River Falls Day, business places of the city will close this afternoon from 2 till 5 o'clock to give everyone opportunity to attend the program and view the exhibits. The city is in full holiday attire for the occasion, the buildings and streets being elaborately decorated with flags, bunting and streamers.

There is no meeting of the Commercial club this week.

The free acts this year are declared to be among the best ever presented here. They are furnished by the Northern Exposition Shows, one of the leading attractions and successes of the country. Included in the program are Busby's Minstrels, showing flashy costumed actors and actresses, Charleston champions and acrobatic steppers, the Fireworks exhibit, the Seven Dancing Streaks, and true minstrel comedians. The large, brilliantly costumed minstrel band parades the streets of the city each day and appears on the programs every day.

The usual midway attractions are offered by the Exposition Shows, with many new sides shows and additional riding devices for the kiddies. Free-dicate a good crop, and the 50 entries of grasses give evidence of the abundance of hay here. Alfalfa and clovers look exceptionally fine.

As usual the women's building is filled with a wonderful display of flowers, fancy work of all kinds, culinary art work, and samples of work from the country and city schools. Mrs. Herb Fuller is superintendent of the women's department, with the following as chairmen of the various divisions: Mrs. A. Hegnes, culinary; Mrs. Daniel Shaw, fancy needle work; Mrs. Tuller, practical department; Mrs. J. O. Tollefsrud, flowers; Mrs. B. C. Bernard, art. Miss Minnie Leavitt is in charge of the educational exhibit for the city schools and Supt. O. H. Sande for the country schools.

President Herb Fuller, Secretary J. J. McCann, Treasurer Thos. H. Thompson, Roy Lambert, in charge of programs and grounds, Fred Beerbower, in charge of police and parking, C. W. Vorachek, in charge of gate and ticket, Dr. G. A. Wagner, in charge of races, and others connected with the fair association are busy from morning till late at night attending to the various details.

ONLY ONE CAR REACHED HERE ON G-N. TOUR

Rains Interfered With Set Program but Officials in Charge Made Trip

PENNINGTON CO. FARMS VISITED FRIDAY MORNING

Study Was Made of Control of Sow Thistle and of Leading Dairy Herds

The Great Northern tour scheduled for last Thursday and Friday was practically called off on account of the heavy rains northward from Fargo Thursday night. However, one car came thru containing Dan. E. Willard, Jr., Dan. E. Willard, Sr., M. J. Helgerson, state commissioner of agriculture, St. Paul; W. F. Morris, assistant county agent leader, St. Paul; and E. R. Clark, seed specialist of the Crookston Northwest School of Agriculture.

These men inspected a few of the farms listed along the route on their way up from Fargo, and on Friday morning they went out in the Hazelton and Peter Engelstad farming districts, where they were met by the County Agent J. J. McCann, who went with the men as far as Karlstad, and from there on the route was done with the intent to observe the seed-ing operations, the control of weeds and more especially those farms where there are sow thistle, in order to ascertain to what extent such herbicide is being taken down the line. The party was accompanied by a representative of the Thief River Falls Times, who was also chauffeur for the men in the party, all of whom were pleased with the trip.

WEFALD TO SPEAK AT STORE PICNIC

Co-op Store and County F.-L. Association to Have Joint Gathering Aug. 15

Congressman Knud Wefald of Hawley will be the principal speaker at the annual picnic of the Peoples Co-operative Store company to be held jointly with the Pennington County Farmers' Labor association on August 15, at Sulaw Point. W. H. Quist, president of the Farmers' Labor association, and directors of the store company are in charge of the event, which it is expected will be attended by a larger number of interested persons from all parts of the county. Similar affairs in past years have been well attended.

One of the Farmer-Labor candidates for a state office will probably be secured as a speaker, likely Thomas Vollum of Erskine, candidate for railroad and warehouse commissioner. In addition there will be other numbers of interest and sport events. A picnic dinner will be partaken of at noon, the program to be given in the afternoon. In case of rain Mr. Wefald will speak at the Princess theatre.

Congressman Wefald and United States Senator Henrik Shipstead of Glenwood were in the city last Thursday on their way to Roseau where they addressed crowds at the Roseau county fair. Supt. C. G. Selvig of Crookston, Wefald's opponent in the fall election, was also here Thursday on his way to Roseau where he spoke Friday.

Gun Club to Issue Season Permits Until August 15

At a meeting of the Thief Lake Gun Club at the auditorium Monday evening the club decided to close the season for the issuing of season permits on August 15th. The permits for the season are sold for $5, while the price for single days was fixed at $2 for the first day and $2 for each additional day. Those who have taken out season permits are urged to go on at least one hunting trip, as reports say there are thousands of ducks and a number of geese at the lake this season. It is necessary now to get them if one is to kill the same, as the open season will start on its return trip today.

Zeh Grocery to Move Into Geo. Christo Building Soon

Announcement is made this week by C. F. Zeh that he has leased the Geo. Christo building formerly occupied by the Thief River Mantle company and expects to move his grocery business from its present quarters at 314 Third street east some time this month. The Christo building, which has been vacant since the mantle company moved out last year, is being thoroughly redecorated and fixed up and will present an attractive appearance when ready for occupancy.

The Zeh store, which is one of the oldest grocery firms in the city, has been located at the present quarters owned by T. K. Rynestad, for a number of years, being operated by Emil Zeh and Geo. Curran until a couple of years ago.

CLUB WORKERS SHOW MANY FINE ANIMALS

R. Noper, L. Letnes Winners in Judging Contest—Nearly 30 Dairy Calves Shown

Randall Noper and Lawrence Letnes, local youths, were winners of first and second prizes, respectively, in the stock judging contest conducted at the fair grounds yesterday by H. A. Pfaghoeft of Crookston, district junior club leader. Both will get free trips to the state fair, where they will be guests of the Pennington County F.-L. association.

While in the city Mr. Swanstrom, who is president of the Minnesota Livestock Judging Association and George Fairfax, secretary of the Duluth Chamber of Commerce, were guests at the F. J. Stebbins home, expecting to return here today.

The tour is sponsored by the trade extension division of the Duluth Chamber of Commerce as a friendly visit, a Winnipeg caravan having motored to Duluth earlier in the season. City officials, bankers, wholesalers, retail merchants, professional men and others made up the party, which included many women.

Among prominent members of the tour in addition to those already mentioned are Thomas Cosgriff, president; R. McCormick, Safety Commissioner; Ben Wheeler, Water and Light Commissioner Hayden Cassidy, Joseph Randall, Lieut. Robert E. Donnelly, police department; E. J. Hedges, Valentine Hasle, executive secretary of the Duluth Chamber of Commerce; A. B. Kamplin of the Duluth Herald; C. C. Hamlet of the Duluth News-Tribune, and Harvey Thomas of the Superior Telegram. Mayor S. P. Snively and J. E. Black, director chairman of the industrial promotion department of the Chamber of Commerce, made the trip by train. Mayor Snively and J. J. Belgard, chairman of the executive committee of Superior, headed that city's delegation. Senator H. Bjornson and J. G. Aarnson of the Minnesota Tax Commission were also members of the party, staying here Monday night. The 10-piece Red Lake Falls band, a Winnipeg organization, played several snappy selections, much to the delight of a large crowd of citizens who turned out to greet the visitors.

The band of the Lakes boosters were officially welcomed to the city by Mayor W. Prichard, Jr., who explained the value of good will tours and pointed out a number of facts concerning this city and community.

A hearty response was made by Otto Swanstrom of Duluth, marshall of the parade and member of the executive committee in charge of the tour, who declared that nowhere along the route had the tourists been given such a fine reception as here. The manner in which the city was decorated was especially mentioned. Mr. Anson, also of Duluth and chairman of the tour committee, also spoke briefly, expressing appreciation of the showing made. Both declared in favor of securing Pennington county fair days on their return today.

While in the city Mr. Swanstrom, who is president of the Minnesota Livestock Judging Association and George Fairfax, secretary of the Duluth Chamber of Commerce, were guests at the F. J. Stebbins home, expecting to return here today.

SOCIAL ITEMS

Anderson—Pugh

Miss Ruth Anderson, daughter of Mr. and Mrs. Axel E. Anderson, and Mr. Hilding Pugh, son of Mr. and Mrs. Henry Pugh of this city, were united in marriage Saturday evening at 8:00 o'clock at the Pugh home, Judge M. W. Haycraft reading the service in the presence of the groom's parents. A wedding supper and dance was enjoyed at Jess's Quality Bakery, which position they have held for several years. They will make their home in this city.

Nye—Hyland

Miss Mildred O. Nye, daughter of Mr. and Mrs. Nels Nye of Gryzla, and Elmer R. Hyland, son of Mr. and Mrs. A. E. Hyland, Sr., of Gryzla, were married at the bride's home in Sandville township Sunday, July 25. The bride is a graduate of the Bemidji state teachers' college and has taught for four years, while the groom is a rural mail carrier.

Wirkus—Wainberg

Mrs. Wirkus, proprietress of a restaurant in Gully, and Gust Wainberg, Gully resident, were united in marriage on July 22, according to the *Gully Advance*. The bride is a former resident of Thief River Falls.

Bridal Shower

Mrs. Clarence Anderson, nee Miss Edla Norquist, bride of the past week, was the honored guest at a miscellaneous shower given at the Carl Forsberg home last Thursday evening, Miss Anna Forsberg as hostess. The hours were passed informally, and a dainty luncheon was enjoyed at 10:30 o'clock. Other guests included Miss Olga Seem, Miss Ethel Perkins and Mesdames Ort Gothy, J. Dostal, Lawrence Bergen, Carl Norquist, Walter Norquist, Bart Wanvenstein, Harold Arneson, Gunstyn Bergland, Max Tronson, and Clarence Anderson. The bride was the recipient of a number of practical and beautiful gifts.

Mrs. Tronson Entertains

Mrs. Olof Tronson entertained a number of ladies at her home Friday afternoon in compliment to Mrs. Ralph Sjolander of Minneapolis. Other guests included Mrs. Marvin Larson, Mrs. O. C. Hanson and Mrs. W. J. Hall. Mrs. Sjolander returned to her home Saturday night, having visited a week with her sister and other relatives. Mr. Nelson and daughter, Miss Alice, of Minot, N. Dak., Miss Alma Petterson of Mentor, Minn., Miss Agnes Tronson of Minneapolis, Mr. and Mrs. H. Hartlaby, Mrs. W. A. Bishop and daughter Alpha, and Miss Mary Dahlow, of this city.

Entertains at Luncheon

Mrs. Luella Caton, of Minneapolis, daughter of Mr. and Mrs. Axel Hanson of this city, entertained at a one o'clock luncheon at the home of her parents Monday afternoon, complimenting her guest, Miss Rose Young of Minneapolis. Other guests included the Misses Dorothy Lane, Harriet Anderson, Alpha Bishop, Mary Clarence Fowling and Mrs. Ira Petersen.

Gathering at Mallorys

The home of Mr. and Mrs. P. B. Mallory, in East township was the scene of a large and pleasant gathering of relatives and friends last Sunday, Mrs. Ed Malmquist, daughter of Mr. and Mrs. Mallory, who spent some years as a teacher in the mission schools in Alaska, the Brooks contingent, Ada, arrived last spring and is spending the summer at her home. Her husband, a physical culture director in the public schools of Ada, whom she married in Alaska, arrived last week from Flushing, Long Island, joining his wife in a visit at the Mallory home. Miss Ruth Fox, a Chinese student at the University of Minnesota, is a guest at the Mallory home for the week-end. Mr. Malmquist, whose ship terminated in Seattle, will remain there and not come up to the conventions of vicinity. After their stay in Philadelphia they visited Washington, D. C., Thomas Jefferson's estate, Mt. Vernon and other historical places of interest, Atlantic City, New York City, Boston, Lexington, Concord, Albany, drove along the Erie Canal to Buffalo and north to Niagara Falls, over into Canada to Fort Huron, after which they came thru Indiana and Illinois, spending two days in Chicago. They report it a most inspiring and educational trip, made pleasant by the absence of blowouts and other disagreeable incidents which sometimes mar the pleasure of the autoist.

The men on average were prevailing along the entire route, Mr. Sands says, also the grains here look better than in most sections. "After driving 5,700 miles thru the northeastern part of the United States I am better satisfied in Thief River Falls and Pennington county than ever before," the Superintendent declares in pointing out the numerous advantages of this territory.

Miss Berg Entertains

Miss Esther Berg was hostess Thursday evening to the members of the Merry Maids Sewing club and guests at a weiner roast, after which luncheon was served. Those present included the Misses Stella Borgen, Esther Brown, Margaret Brown, Lydia Hanson, Carrie Ashbus, Gladys Halvorson, and Bertha Borgen.

Bethany Ladies Aid

The Ladies aid of the Bethany covenant church will meet at the home of Elias Angell, Wednesday, August 11

For Mrs. Erickson

A number of ladies gathered at the Frances Erickson home Thursday afternoon of last week, pleasantly surprising Mrs. Erickson, the affair being in the nature of a parcel shower. Those present included Mesdames Jack Davidson, Anton Carlson, R. Sarsen, Gilbert Hisert, Lars Erickson, O. J. Lundell, Gust Anderson, R. Aaland, Olga Eckland, Ira Peterson, Ole Lundell, and the Misses Selma Erickson, Irma Anderson, Alice Lundell, Emma Nyhodi, and Burghild Johnson.

Meat—Must

A quiet wedding was solemnized at St. Barnard's Catholic church yesterday morning at 6 o'clock, when Mrs. Hunta Must was married to Ralph D. Meat, the Rev. Father J. Marth reading the service in the presence of Mr. and Mrs. Meat, parents of the bride, and other attendants at the ceremony. Mr. and Mrs. Must left for Thief River Falls, where they will reside in this city.

RELIGIOUS INSTITUTE HERE

Under the auspices of the Minnesota Council of Religious Education, an institute is to be held in the Maidelet Episcopal church Monday, August 16, the afternoon session to begin at 2:30 and the evening session at 7:30 o'clock. The speakers will be James C. Carrison, state superintendent of the organization, and Mrs. W. H. Jamieson, superintendent of the children's division. The institute is open to all interested in the religious education of the young, and will dwell especially on the success of the council in Minneapolis and St. Paul.

Rotarian-Her-About Phone

A telephone demonstration by Miss Evelyn Marks of Fargo and Geo. A. Russell, local manager for the Northwestern Bell Telephone company, featured Tuesday's meeting of the Rotary club. A small switchboard and telephones were used to show how calls are handled and other interesting phases of telephone operation. In pointing out the work of the 12 operators employed in the Thief River Falls office, Mr. Russell stated that they handle approximately 12,000 calls daily.

ON BUYING TRIP

Mrs. Luella Fladseth will leave tomorrow on a two weeks' buying trip for the Fladseth Millinery. She will visit Minneapolis, Chicago and other eastern cities. The annual showing of the Rainbow gardens in Chicago.

LIBRARY NOTES.

The following is copied from the Minnesota General Statutes 1913, Sec. 9940 (3138):

Every person who shall maliciously cut, tear, deface, soil, obliterate, break or destroy a book, map, chart, picture, engraving, statute, coin, model, apparatus, specimen, or other work of literature, or object of art, or curiosity, deposited in a public library, gallery, museum, collection fair or exhibition, shall be punished by imprisonment in the state prison for not more than three years, or in a county jail for not more than one year, or by fine of not more than $500, or both.

Many books are removed from the shelves each year because patrons have thoughtlessly turned down pages. It seems a small thing but in the course of a year amounts to a good deal. Money spent for replacements cannot go for new books.

The library report for July shows a circulation of 2120 books and magazines. This is an increase of nearly 200 for the same month in any previous year.

Sept. and Mrs. Sands Drive 5,700 Miles in Six Weeks

County Superintendent and Mrs. Ole E. Sanden returned Wednesday of last week from a 5,700 mile auto trip thru the East, having been gone for six weeks. Mr. Sands was in attendance from the northwestern Minnesota district in the annual convention of the National Superintendents' association held at Philadelphia, Pa., which they reached by way of the Twin Cities, Duluth, Milwaukee, Chicago, Dayton, Wheeling, Pittsburgh, Gettysburg and other points of interest. In Philadelphia they also attended the Sesquicentennial exposition, which they report to come up to the expectations of visitors. After their stay in Philadelphia they visited Washington, D. C., the famous caverns in Kentucky, Mt. Vernon and other historical places of interest, Atlantic City, New York City, Boston, Lexington, Concord, Albany, drove along the Erie Canal to Buffalo and north to Niagara Falls, over into Canada to Fort Huron, after which they came thru Indiana and Illinois, spending two days in Chicago. They report it a most inspiring and educational trip, made pleasant by the absence of blowouts and other disagreeable incidents which sometimes mar the pleasure of the autoist.

The men on average were prevailing along the entire route, Mr. Sands says, also the grains here look better than in most sections. "After driving 5,700 miles thru the northeastern part of the United States I am better satisfied in Thief River Falls and Pennington county than ever before," the Superintendent declares in pointing out the numerous advantages of this territory.

Health and Home

CARE OF CONVALESCENT IN SUMMER

Mrs. Hume-Fabian has just received from a serious illness the problem of keeping the convalescent cool. The patient, though out of the crisis of the fever, is usually convalescent by the aspect of a physician and the nurse, and the patient is no less anxious. Hence, the foods and drinks served during this period should be somewhat appetizing, tempting, specially, food value must of necessity be considered. Therefore, the most important is any food but appetizing so that the consumer is not disgusted.

It must cool, the one who is convalescing, consume the food in large quantities. This food contains all of the elements that are essential to the best health. It quite by accident, it is easily digested and assimilated.

Where the milk supply is uncertain or the quality not of the best, evaporated milk should be employed. It is useful in just pure milk with about sixty per cent of the water evaporated. Its double strength may be modified, if desired, for the addition of water or it may be used just as it is, where rich, creamy dishes are desired.

Many people dislike the taste of cooking evaporated milk with sweetened condensed, as it adds a certain flavor—in appearance, composition or taste. They cannot be used for the same purposes—the sweetened is a combination of sugar and milk; evaporated adds the desired sugar; fresh pure milk of double-rich quality and food value.

Following are recipes of easily prepared dishes and foods that are well suited for the invalid and the convalescent.

Lagniappy Cream.

½ cup evaporated milk	½ cup lagniappy
½ cup water	1 tbsp lemon juice
	1 tbsp sugar

Put all ingredients in a Mason fruit jar and shake thoroughly. Chill and serve in glasses. Added to fruit or fruit juices, such as raspberry, blackberry, and grape, may be used instead of the lagniappy.

Lemon Cream.

2 tbs cream	½ cup milk diluted
6 tbs evaporated milk	with water
Flesh and juice of 1 lemon	½ cup water
½ cup evaporated milk	½ cup sugar

Mix cream and sugar thoroughly and add the cup water and half-cupful of evaporated milk diluted with water. Add lemon juice and stir until it thickens. Continue to stir for 2 minutes and serve with whipped ice. Top with whipped cream.

Carrots and Apples May Be Baked in Same Dish

Apples have many uses in dishes necessary to the "balanced ration" but always have a tendency to serve apple sauce with pork, or to put an apple inside a roast goose, or in the mouth of a baked young pig. Apple fritters or fried apples appear more often with the meat courses than as a dessert and meat people are familiar with the combination consisting of sweet potatoes and apples baked in layers.

A tradition to serve spicy sauce with apples with the main course, consists of tempering them with currants in the proportions given below. This recipe is one of a number of combinations of vegetables tested by the bureau of home economics of the United States Department of Agriculture, in experiments to determine new or better ways of cooking every-day vegetables to conserve their valuable mineral constituents and vitamins.

Carrots Baked With Apples.

4 small apples,	½ teaspoonful
4 medium carrots,	salt
½ cupful boiling water,	2 tablespoonful sugar,
	2 tablespoonful currants.

Pare and core the apples. Scrape and cut the carrots in half. Place all the ingredients in a baking dish and cook for 30 minutes with the cover on. Then remove the cover and cook for 15 minutes more, or until the carrots are tender and enough water has evaporated to make a rich juice.

THIEF RIVER FALLS TIMES

Entered as second class mail matter at the postoffice at Thief River Falls, Minn.

Official Paper Pennington County

The twenty-fifth annual county fair. Stop a minute and consider that. This county is not as young as it was; it is passing on and at the same time showing marked progress. Each county fair has perhaps kept pace with the increase in age of the county, and in no other way is this more evident than in this year the fair is the best ever held. Not only here but in northwestern Minnesota. People for miles and miles come here for they know they will see something constructive as well as amusing.

The Red Lakes are growing more popular every week, not only with people from this state but in those living near the northern boundary as is evidenced by an item in the Bemidji Region of last week, which stated that a family will spend part the week at the Red Lakes (the eastern end) and greatly enjoyed them, and that others were planning on doing the like. The lakes are now the are greatly to be desired society of Thief Riverites, and when the road is built thru to the Warroad it will be a real instance for the vacationist, of a day or a week or a month. There is plenty amusement there for the fisherman, if time it'll come is realized, and the outdoor vacationist who has found it will thank the few faithful of this city for having made his party such a wonderful pleasure resort.

Unless something unforseen happens Pennington county farmers will harvest probably the best crop of grain and hay ever known, not only in such an quantity as to quality, for reports of great yields of cut indicate the excellent staple. Not as many acres as usual were put into grain but they are nearly everywhere. Elsewhere dry weather has interfered greatly with the moisture of crops but here we have had about the usual precipitation during the summer and the heads of grain have filled prodigally as reports mentioned. Here's to Pennington county.

Last week this vicinity was selected by parties to learn how we have been successful in the partial crop failure of this state, which a few years back was the greatest threat of the farmer, who now does not fear the half as much, turning his cattle in on the fields as it is quite prevalent, thus providing a new kind of food, or summer fallowing his land. Witnesses were from the vicinity of Mapleton that the early spring winds had carried some little seeds into the county from up north. The farmers there are worried. They have a right to be, but if they act wisely they can rest assured that the evil will be successfully met. Let the farmers down there come up here and we will show them what to do.

The recent arrest of Ole Linstad by Sheriff Ole Ihle and his sentence by Judge Andrew Grindeland in district court, following his being bound over to that court by Juster S. W. Tarrant in municipal court, demonstrating the dispatch of justice at times apparently not with approval outside the county, as is evidenced, by the following

Among the NOTABLES

—FRANCOIS CATREAU-BRIAND

FRANCOIS RENT CHATEAUBRIAND was politician, rhetorician and author, great figure in French literature who marked the transition from the old classical style of writing to the modern romantic school.

He was born September 4, 1768, in St. Malo, a region of France filled with legends and romantic tales which impressed him considerably. His father was a gentleman, his mother extremely pious, his sister passionately devoted to him—and all these influences helped to bring out the romantic in him, to give him a sense of mysterious things and to build up his egotism.

He escaped persecution during the French Revolution (which occurred when he was a young man) by an attempt to discover the Northwest passage, which journey to the United States territory, he found material for his first work, a sort of Fool and Virginia story. The piety of his mother must have influenced him greatly, for he labored several years on work on the Christian religion, which was published just as Napoleon re-established the Catholic religion in France, and which brought him great political fame.

Chateaubriand was a great literary figure of his time, and his published pamphlets were works of great beauty, though, curiously, his own opinions varied again and again.

CAN YOU BEAT IT?

An apple tree bearing both fruit and blossoms at the same time is a novel sight seen at the home of A. H. Isaacson past the round house. Mr. Isaacken is exhibiting a small branch of the tree on which both fruit and blossoms are growing. In the Times window a verification of phenomenon. Whether the tree will be able to mature two crops of fruit in a single season remains to be seen. Possibly Pennington county is destined to become as famous as California in fruit growing. Can you beat it?

Sweet Clover Is Leading Legumes

Crop Is Entitled to Position in Front Rank as Soil Improver.

Chemical investigations which are being made on different legume plants by the college of agriculture, University of Illinois, indicate that common biennial sweet clover is entitled to the position which it has held among the front rank legumes for soil improvement, according to E. E. DeTurk, chief of soil technology.

Alfalfa is a crop of great promise in a considerable part of the soil improvement crop, but it is not so well adapted to direct use for green manure as is sweet clover. Red clover, which has enjoyed more than a half-century of recognition as an old standby, is gradually giving way to alfalfa and sweet clover, in part at least, because of the uncertainty of securing satisfactory stands. Dalea, a comparatively new crop, often but little promise, while Korean legumes, which is just making its debut, bids fair to be a satisfactory cold hardy crop in the south half of the state, where timing is either pending or to localities where timing is imperfectly cable.

Soil Improving Crops.

While certain nonlegume plants have a value as soil improvers, through the addition of organic matter and the conversion of insoluble mineral matter into more readily available forms, the most important soil improving crops will always be restricted to the legume family, because of the added advantage of these plants in fixation of atmospheric nitrogen.

Growing crops and bacteria, the human beings, are prone to save energy. Energy is required in the fixation of atmospheric nitrogen. Consequently legume crops, even though well inoculated, and their nodule bacteria as well, will absorb and utilize nitrate nitrogen from the soil when it is present in preference to working harder for the air supply. Thus soils that are already well supplied with available nitrogen do not benefit as much from the growing of legumes as do poorer soils which are more greatly in need of building on.

Most Desirable Legume.

The most desirable soil-building legumes are all acid-sensitive crops, so that on acid land their use is conditioned upon the use of limestone. Sweet clover and land in Illinois are so inaccessible to liming facilities as to make the problem of soil improvement by means of limestone and legumes a serious one. It is probable that not land so situated could be managed to the best advantage by either dwelling it to forestry or other special use, or else building it up by the use of limestone and the proper use of legumes. It is questionable whether such land can ever be maintained permanently profitable under present farming in which the cropping system is restricted to acid land crops. There is not enough evidence upon which one can make dogmatic statements in this regard. However, it is unquestionable that the production which can be maintained permanently under such conditions is at a materially lower level than where the acid condition of the soil is corrected.

Test Burns While Local Occupants Attend Picnic

While attending the International Union meeting of the Brotherhood of Locomotive Engineers held at Washington last week, July 27 to 30, Mr. and Mrs. J. L. Eliff of this city had the misfortune to have their tent and all their personal belongings in the tent destroyed by fire, the origin of which they had just purchased the day before, according to Secretary of Illinois, indicate that common biennial sweet clover is entitled to the position which it has held among the front rank legumes for soil improvement, according to E. E. DeTurk, chief of soil technology.

Alfalfa is a crop of great promise in a considerable part of the soil improvement crop, but it is not so well adapted to direct use for green manure as is sweet clover. Red clover, which has enjoyed more than a half-century of recognition as an old standby, is gradually giving way to alfalfa and sweet clover, in part at least, because of the uncertainty of securing satisfactory stands. ADDRESSES TEXAS MERCHANTS

—H. O. Loken, former Thief River Falls merchant, is one of the principal speakers at the United Merchants of Texas annual convention held at Houston, Texas, closing tomorrow. Mr. Loken appears on the program at several sessions of the convention, Mrs. R. C. Bernard and Miss Matilde Hermanson are also listed as speakers. The articles are sold to fair visitors.

COW TESTING GAINS

In the first six months of this year the number of active cow-testing associations in Minnesota increased from 82 to 95, according to a statement by E. A. Hansen and C. C. Geddes of the agricultural extension division, University Farm, St. Paul, who are in charge of cow-testing work throughout the state. The number of cows under test increased from 25,825 to 32,854, the number of herds with an average production of butterfat per cow of 33 pounds from 1,065 to 1,325.

Recording Pickley Mercantile

Possible arrest awaits any person who goes out to pick lady slippers or moccasin flowers, the Minnesota flower law, upon any public land, according to the law laid down at the forty-fourth session of the state legislature to save the rapidly diminishing wild flower from extinction.

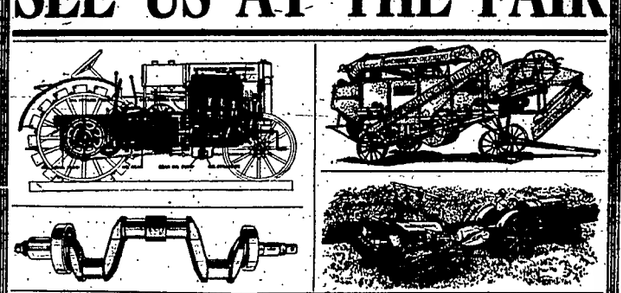
For many years tourists and campers have picked the pretty finely cut flowers wherever they were found, until now it is a result the ones usually found are rarely if ever seen any more.

Besides the warning of the flower lovers the 1925 state legislature passed an act to provide for the protection and conservation of certain wild plants and to impose penalties for violation of this act.

The act declares "No person wilfully shall pick or destroy any wild flower, the state flower, (Cypripedium regina) or any variety of the lady slippers (Cypripedium) or any member of the Orchid family, or any species of lilies or lotus.

No one shall be allowed to dig pull or gather from any public land, or from the land of any private person who shall violate any of the provisions of this act shall be guilty of a misdemeanor.

PATIENTS EXHIBIT WORK



Articles made by patients at the Oakdale Park sanatorium are artistically displayed in the Women's building on the fair grounds this week. Miss Ludwig, state director of occupational therapy, Mrs. R. C. Bernard and Miss Matilde Hermanson are in charge of the exhibit. The articles are sold to fair visitors.

Garnet, Burbanks Quality, Ceres and many other comparatively new varieties of spring wheat, Trebi (Canadian) and Velvet barley; Gopher and Velvet barley and Gopher oats will be distributed from the experiment farms and the seven fields of these varieties were shown to visitors on Crops and Soils day. Miss Clara Pung seed specialist. Small grain crops at the station farms are in excellent condition, according to reports received by the agricultural statistician.

A short program of talks on crops and soils was given at one o'clock yesterday by the tour of inspection of the experimental plots. The program for the day was in charge

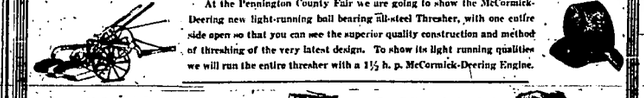
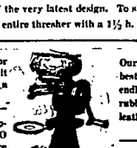
SEE US AT THE FAIR



McCormick-Deering Tractors shown above—to unearth some of the qualities inside. Removable sleeves, insures cheap replacements if ever damaged. Crank shaft which is guaranteed against breakage for the life of tractor. The same runs in the Ball Bearings which are also guaranteed against wearing out, breaking or getting out of line during the life of the tractor. It will haul anything that any tractor will, besides it will drive the Binder from the Motor.



NO BETTER OR CHEAPER OPERATING MOTIVE POWER EVER BUILT.

At the Pennington County Fair we are going to show the McCormick-Deering new light-running ball bearing all-steel Thresher, with one entire side open so that you can see the superior quality construction and method of threshing of the very latest design. To show its light running qualities we will run the entire thresher with a 1½ h. p. McCormick-Deering Engine.

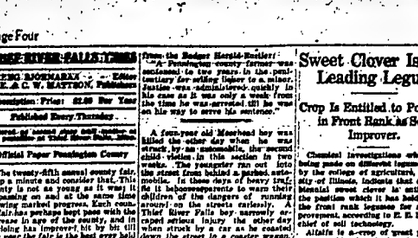
P. & O. McCormick-Deering Plows for tractor or horse drawn. They run light. They are built strong, and they last long. Every customer of a P. & O. Plow is a satisfied customer.

McCormick-Deering Ball Bearing Cream Separators, run in bath of oil. They all say they DO run lighter and they DO last longer. They are easy to clean, and stay cleaner.

Hudson Barn Equipment Stanchions, Stalls, Water Bowls, and everything required for up-to-date modern barns.

Hudson Stock Tanks by carloads.

Our Belt stock is of the best. Condor & Manhatten endless and cut lengths, rubber and Plants imperial leather belting.



McCormick-Deering stationary engines are built like the tractor with removable cylinder walls. High tension magnetos. Long life, strong and smooth running.

C. GUSTAFSON & SON

"Where *does* all the money go?"

YOUNG Mrs. Henshaw was almost in tears. She had been telling Mrs. Blair something about her failure to "get a few dollars ahead."

"Where *does* all the money go?" she asked hopelessly.

"Do you really want me to tell you, dear?" Mrs. Blair replied, in the kindly voice of mature experience.

"Like so many other young people," she continued, "you and Jack are 'always broke'—as you say—because you have no systematic, intelligent buying plan. You need to adopt a budget! You should study your problem—know exactly what you must have each week and buy accordingly.

"There comes the big test! Do you know *how* to buy—*what* to buy, and *when*, and *where*? You simply must learn, and the best way in the world is to *study the advertisements in your newspaper*. Read the ads carefully; apply their suggestions to your own needs, *and you will save money!* I know, because for many years I have done so."

SCHOOL DISTRICTS REPORT ELECTIONS

Decrease in Tax Levies Noted in Reports of Rural School Meetings

Following is a list of new officers elected, special tax levies, length of school term and voters present at the recent annual school election and meeting in some of Pennington county school districts, according to reports received in the offices of Auditor T. F. Anderson and Superintendent Ole E. Sande:

No. 6—Gustav Peterson, clerk; levy $350.

No. 13—Halvor Olson, treasurer; levy $300; term, seven months; voters present, 15.

No. 20—O. N. Olson, chairman; levy, $300; term, seven months; voters present, 5.

No. 39—Grunde Austa, treasurer; levy, $300; 7 months; voters present, 27.

No. 122—Peter Kolseth, clerk; Henry Bruggeman, treasurer; James Evenson, chairman; levy, $400; term, 8 months; voters present 35.

No. 48—T. G. Helle, clerk; levy $510; term, 7 months; voters present, 12.

No. 68—Levy, $200; term, seven months; voters present, 37.

No. 70—E. K. Rime, treasurer; levy $425; term, 9 months; voters present, 5.

No. 87—Mrs. J. A. Race, clerk; levy $350; term, 7 months; voters present, 9.

No. 89—Aug. Swenson, treasurer; levy, $505; term, 8 months; voters present, 15.

No. 94—Lorella Weckworth, clerk; O. J. Vatvik, treasurer; levy $450; term, 8 months; voters present, 20.

No. 224—Edwin Wahlin, clerk; levy, $2,000; term, 8 months; voters present, 8.

No. 227—Levi Horst, director; levy, $225; term, 7 months; voters present, 18.

No. 127—Louis Dinsmen, treasurer; Knut Larson, chairman; levy, $300; term, 7 months; voters present, 19.

No. 130—Joseph Oness, chairman; levy, $500.

No. 52—Frank Lundeen, treasurer; levy, $200; term, 7 months; voters present, 8.

No. 136—T. H. Bjerke, clerk; levy, $250; term, 8 months; voters present, 16.

No. 41—M. J. Grastlinger, clerk; levy, $100.

No. —Mrs. L. H. Korupp, chairman; levy, $661; term, 7 months; voters present, 12.

No. 106—Gust Peterson, clerk; levy $405; term, 7 months; voters present, 6.

No. —Levy, $225; term, 7 months; voters present, 6.

No. 85—H. P. Rust, treasurer; levy 600; term, 7 months; voters present, 6.

No. 99—Mrs. C. R. Melin, chairman; levy, $700; term, 7 months; voters present, 8.

No. 227—Levy $460; term, 8 months; voters present, 8.

No. 11—Otto Rahm, clerk; levy, $350; term, 7 months; voters present, 8.

No. 190—Selmer N. Olsen, clerk; levy, $215; term, 8 months; voters present, 7.

No. 45—Henry Busse, director; levy $600; term, 8 months, voters present, 11.

No. 57—Ernest Heidem, chairman; levy, $725; term, 8 months; voters present, 11.

No. 56—Ole J. Olson, treasurer; levy, $700; term, 7 months; voters present, 15.

No. 56—Otto Parnow, chairman; levy, $500; term, 8 months; voters present, 5.

No. 51—T. S. Iverson, treasurer; levy, $300; term, 8 months; voters present, 5.

No. 67—Ernest Heidem, chairman; levy, $725; term, 8 months; voters present, 11.

No. 56—Ole J. Olson, treasurer; levy, $700; term, 7 months; voters present, 15.

No. 56—Otto Parnow, chairman; levy, $500; term, 8 months; voters present, 5.

No. 51—T. S. Iverson, treasurer; levy, $300; term, 8 months; voters present, 5.

In many instances the levy for the coming year is lower than that in effect the past year and there are few increases. Reports from the remaining districts will be given in The Times as soon as they are received at the court house.

Soo Line Land Agent is Pleased with Prospects

F. P. Johnson, recently named general agricultural agent for the Soo Line railway in this territory with headquarters at Minot, was in the city Saturday and Sunday to confer with W. A. Hamand, division superintendent, relative to the new duties and positions in this locality. Mr. Johnson's office will be devoted to the promotion of a movement of settlers into this territory.

Mr. Johnson expressed himself as well pleased with conditions now existing and predicted a good grain crop, after visiting some farms in the county. The crop is called late, but is marked by shortage in many sections and a bumper crop in others. Rains favored areas to put up all the hay they possibly can, and indicated that the grain market is assured.

Eradication of the sow thistle pest is also receiving attention, Mr. Johnson declared, in the development of this section.

LET BRIDGE CONTRACT

The contract for widening a bridge on Middle River in Huntsville township has been let to the Valley Bridge company of Hope for the sum of $1,000. The cost of projects involved in the letings by the state highway department on July 27 will be about $1,000,000. Announcement is made this week that the Lockwood Lumber company will be let for 12 miles of grading and paving on No. 1 in Polk county. It is expected that the greater part of this project can be completed this fall. There is only a 15-mile gap between the Twin Cities and Duluth on No. 1 now, paving contracts have been let nn it is expected that this will be asked later in the season.

BARBERRY DEMONSTRATION

Farmers visiting the county fair here are much interested in the demonstration conducted by the agricultural building by F. B. Powers of St. Paul, specialist in U. S. department of agriculture, in an educational campaign against the barberry bush. An effort is made to acquaint the public with the plant which is responsible for the black stem rust disease leaving crop losses each year. A campaign against the barberry bush is being conducted by the government in 13 north-central states.

JUDGE GIVES LIMIT TO DRUNKEN DRIVER

Holt Man Given Five, Jail Sentence and Prohibited From Driving Car 90 Days

Following the lead of various officials throughout the state of Minnesota to put a stop to driving autos when in an intoxicated condition, Municipal Judge Grant C. Chilgren, Judge N. W. Tarrant this morning in the municipal court of this city and Judge Svenke Synkenson of Holt, who was in the city last night to attend the fair, and who while in an intoxicated condition ran into another car, badly damaging both cars.

Chief of Police A. W. Craven soon thereafter arrested Synkenson, and the owner of the other car is as yet unknown. It is alleged that he left the Flower Shop on Third street all night.

Judge Tarrant in pronouncing sentence said he was a stranger here and probably not to xxxxx $100 fine, 60 days in jail and a 90 days suspension of driving his car. The court would have liked to have given sentence if it had been within his power, which would be for a second offense which carries a penitentiary sentence. This is the first case of the kind outside the cities where the law is being enforced, and under which a movement of settlers into this territory.

Fined $85 for Having Stolen License Plates on Automobile

A man giving his name as Lloyd C. McDonald, and address Kansas City, Kansas, was fined $85 and costs by Judge N. W. Tarrant yesterday on the charge of having stolen license plates on a car on which the plates did not belong. The plates were stolen from the garage of Ed. Gish of St. Hilaire, and were found in the possession of Chester Hall, being held by Sheriff Ole Ihle, who on Saturday arrested McDonald and accompanied by Mr. Ezell, where the man was arrested and where the plates were found. The defendant was released on payment of the fine.

MUCH BUILDING GOING ON

The Winnipeg Lumber company here points in 1926 as an unusually active year in village building and has supplied lumber for a .32 by 56 feet barn on the farm occupied by Chas. Thompson, for a 32 by 60 feet barn on the Christ Nutbeck farm; for a 32 by 52 barn owned by Ed. Burns now under construction ; for a 32 by 60 barn for Ed. Olson; for a 30 by 52 for Mr. Hoffman, and for a 30 by 40 foot addition to the Martin Johnson barn. Lumber for houses are being furnished Bert Norby of Goodridge; A. E. Long, east of the city, and the company also has the contract for the building material for the addition to the Ole Anderson home on Fifth street.

ADDITIONAL LOCAL NEWS

Mrs. Hans Hensley of Mason City, Iowa, is the guest at the home of her sister, Mrs. Harry Fry of this city.

Mr. and Mrs. V. F. Bohrer and family returned Tuesday from Bemidji where they visited several days.

Mr. and Mrs. Frank Edinger and family returned to their home in Duluth Tuesday after a week's visit at the Earl Edinger home in this city.

Mr. and Mrs. C. W. Pawling of Oakland, Calif., Bernice Johnson of Grand Forks, N. Dak., Alpha M. Hellekson, Orlando Mellbye and J. Greenleaf Strathcons were week-end visitors at Red Lake, returning.

John Ward of this city left Friday for Argyle where he was joined by his two children, Merren and Marjory, and motored to Mrs. Norman Holte, coming on from there to New Ulm and Duluth where they will visit for a week.

Miss Augusta Belsheimer, who has been attending the Dakota Business college at Fargo, returned Sunday to spend the remainder of the summer vacation at her home, after which she will take up teaching duties at Angus for the coming year.

Mr. and Mrs. W. E. Baker motored to Crookston Sunday returning the same evening accompanied by Mrs. Baker's sister, Miss Iris Barnes, daughter of Mr. and Mrs. Allen Barnes of Crookston. Miss Barnes will visit here until the last of the week.

Mr. and Mrs. J. C. Toms left Saturday night for Minneapolis, motoring from there to Plevna, Mont., where they will visit Miss Elnora, daughter of Mr. and Mrs. Toms, who is at present in Minneapolis recovering from a successful operation on her foot, will join her parents at Plevna in a week.

WASTING HIS TIME

"I have here," said the shaky caller, "a look containing a hundred money making secrets."

"What is the price?"

"Twenty five cents."

"How many sales have you made today?"

"Only three or four."

"Ough! If that book contains so many money-making secrets as you say it does, why don't you take a day off and read it?"—Brooklyn Eagle.

CLUBS ARE HANDY THINGS

He (speaking of women)—Now in New York it's the custom on Fifth avenue—
She—Yes—yeah—a—beside placin' Kennedy's always beating a woman to—

Internal Harmony

A statistical report issued recently by the Standard Oil Company (Indiana), reveals a remarkable degree of management and employes of the Company. It shows complete agreement in 90% of the matters considered by the Joint General Committees, under the Industrial Relations Plan since its adoption in 1919.

It is noteworthy that in the few cases of disagreement, the differences were not over essential subjects as wages, hours and working conditions, but related to subjects of minor importance.

This report is conclusive evidence of the loyal harmony which manifests itself in many ways.

A feeling of good fellowship prevails among the employes, and between the employes and the management.

Wherever a group of Standard Oil Company (Indiana) employes are working—at an oil well—in the laboratory—refinery—or service station—an atmosphere of good-will and friendliness is apparent.

This internal harmony is reflected in the attitude of the Standard Oil Company (Indiana) employes toward the people they serve. The harmony prevailing within is radiated without the organization. The consuming public receives the benefit in friendly, cheerful, competent service.

The comradeship that exists throughout the entire organization of the Standard Oil Company (Indiana) has been definitely strengthened by such measures as the Industrial Relations and Stock Purchasing Plans.

The personal character of the organization is the inspiration back of the various measures which promote internal harmony.

The Standard Oil Company (Indiana) always has believed that mere magnitude of numbers does not alter the human characteristics and relationships of a group.

The Standard Oil Company (Indiana) works on the theory that a working force of 29,000 men and women should be bound together by the common ties of sympathy and friendship which unite a small family group. The size of the group heightens, rather than minimizes, the importance of the individual.

The Standard Oil Company (Indiana) is a huge organization, whose success depends upon the earnest effort of each of the 29,000 individuals who constitute the whole.

Through this harmonious and co-operative working of the organization as a whole, the campaign for achieving the goal set for the Company, i.e., to render such a broad and comprehensive service as to merit the respect and esteem of the thirty million people of the Middle West.

RESULT OF WINTER TOUR

The tourist business here this season is the best in history, declares Julien Provencher, proprietor of the Evelyn hotel. This is largely because of the new Jefferson Highway connection from Winnipeg to Pembina to Grand Forks to Fargo to Pipestone to Worthington to Des Moines to New Orleans last winter. Mr. Provencher, a member of the Winnipeg auto club, points out, asserting that this year not only attracted tourists from points along the route traveled by the northerners, but from other places as well. Even in the auto camps here of northern Minnesota and Manitoba became widely known and it was proven beyond doubt that Minnesota roads make this state the ideal auto paradise. Tourists come here from all parts of the United States and there is a steady stream of Canadians, particularly from Manitoba and Saskatchewan, passing thru this city to points north of here. Finally, with excellent hotel and camping accommodations, many stay over in Thief River Falls.

Tour to Southern Minnesota To Boost Pennington County at Legion and Elks Meeting

(Continued, from page one)

The first convention visitors left Thief River Falls at 8:30 o'clock this morning, Mr. and Mrs. Ole Vatvik, Mr. and Mrs. Ole Anderson and under which the whole state is working in a determined effort to curb the evil.

Fined $85 for Having Stolen License Plates on Automobile

A man giving his name as Lloyd C. McDonald, and address Kansas City, Kansas, was fined $85 and costs by Judge N. W. Tarrant yesterday on the charge of having stolen license plates on a car on which the plates did not belong. The plates were stolen from the garage of Ed. "Only three or four."

"Ough! If that book contains so many money-making secrets as you say it does, why don't you take a day off and read it?"—Brooklyn Eagle.

CLUBS ARE HANDY THINGS

He (speaking of women)—Now in New York it's the custom on Fifth avenue—
She—Yes—yeah—a—beside placin' Kennedy's always beating a woman to—

FINED FOR BEING DRUNK

Ole Anderson was fined $10 in municipal court this morning on a charge of being drunk.

OUR OWN

By DOUGLAS MALLOCH

WE ARE so careful of our speech
When strangers listen, but we pay
Some word unkind.. Our lips we teach
To guard themselves by night and day.
For fear some careless, thoughtless word
May by the passing throng be heard.
But with our soul—wife, brother, friend,
Or husband, sister, mother, sire—
We show little strife everywhere,
And kill life's roses with the tare.
We bow important words of cure
To those who love us—every phrase
Makes life's hard highway bloom with flowers
Or drifts the snow across their ways;
We make their summer, make their spring,
Their winter, autumn—everything!
The passing stranger may not hear,
Or stranger hearing may not heed,
But when your word cuts some one near
For reckless days some heart may bleed—
How many know the fortune of
The hasty that stabs, in hands they love.
Love given no license, friendship right,
To hurt, because they love us so,
But greater duty, more delight,
To guard from wounds the ones we know—
Kind not in travelers alone,
But in our home, and in our own.
(© by Douglas Malloch Newspaper Syndicate.)

RESULT OF WINTER TOUR

The tourist business here this season is the best in history, declares Julien Provencher, proprietor of the Evelyn hotel. This is largely because of the new Jefferson Highway connection from Winnipeg to Pembina to Grand Forks to Fargo to Pipestone to Worthington to Des Moines to New Orleans last winter. Mr. Provencher, a member of the Winnipeg auto club, points out, asserting that this year not only attracted tourists from points along the route traveled by the northerners, but from other places as well. Even in the auto camps here of northern Minnesota and Manitoba became widely known and it was proven beyond doubt that Minnesota roads make this state the ideal auto paradise. Tourists come here from all parts of the United States and there is a steady stream of Canadians, particularly from Manitoba and Saskatchewan, passing thru this city to points north of here. Finally, with excellent hotel and camping accommodations, many stay over in Thief River Falls.

Tour to Southern Minnesota To Boost Pennington County at Legion and Elks Meeting

(Continued, from page one)

The first convention visitors left Thief River Falls at 8:30 o'clock this morning, Mr. and Mrs. Ole Vatvik, Mr. and Mrs. Ole Anderson and Mrs. Anton Vraa of Middle River leaving by car for Minneapolis, accompanied by Mrs. J. M. Bishop of this city, who will remain to visit in Minneapolis until Sunday when she will continue on to Mankato.

Mrs. Bishop, who will also attend the state convention of the Legion auxiliary, returned to Minneapolis after a visit here and at Hemidji last week. Mrs. Vraa is a former president of the Ninth district Legion organization and Mrs. Bishop was chairman of the finance committee of the Minnesota department.

Much local interest is evidenced in reports from various parts of the state that Mrs. Bishop is being prominently mentioned as the next president of the department. Mrs. Bishop is now second vice president of the state organization and chairman of the child welfare committee, and will complete the annual report of the committee at the Mankato convention. She has taken an active part in Legion activities wherever she has been, not the state and district, being the first Ninth district president. In addressing child welfare work for the Legion in this village and in the Legion, Mrs. Bishop has attracted the attention of Auxiliary leaders in the state and nation and her address is also favorably considered as head of the auxiliary welfare committee, her report viewable each worthwhile work accomplished during the past year.

Mrs. L. P. Amundson of the Ninth district is also mentioned for the state presidency, but neither she nor Mrs. Bishop have announced candidacy as yet.

Pictures of the two women appeared in recent issues of Twin City newspapers with statements that they would be candidates for the office to be held during the last two years by Mrs. Rose Spencer of Winona.

The Minnesota program of entertainment has been prepared by the Mankato post, which is making an effort to rent out-do Thief River Falls. A similar program, which was inaugurated here last year, will again be a feature, talent from the various posts and units in the state competing. Among the speakers slated for the convention are Senator Daniel Steek of Iowa; C. D. Hilbard, United States Veterans bureau director; Col. Pierce, 88th Division chief of staff, Gen. E. G. Hall, president of the State Federation of Labor, and officers of the various veterans' organizations. Convention speakers will be held Monday, Tuesday and Wednesday, but many delegates are expected to arrive Sunday when special religious services will be held, clergymen of the various denominations participating. Rev. M. B. Hardeman of Lidgerwood, N. Dak., will be commander-in-chief of the department for the ensuing year, succeeding C. O. Ellingson of Glenwood.

Goodridge Lutheran Church
Martin N. Benum, Pastor.

Services next Sunday at 8 p. m., Student S. Selvi of Mahnomen to preach. Pastor will preach at Jelleberg on Nov 31 D. Hardeman of Lidgerwood, N. Dak., will be commander-in-chief of the department for the ensuing year, succeeding C. O. Ellingson of Glenwood.

Alfalfa in Kittson County Is Strong Competitor Now of Small Grains Thief River Sees

During the month of June a tour of farmers from Kittson county visited the city to view the alfalfa farms of Pennington county. Not only was first-hand information on the wonderful stands of that crop as raised in this vicinity by the Minnesota farmers that they do not raise alfalfa in Kittson county, for they do, and the following story as published in last week's issue of the Hallock Press indicates that they are well on the way to success:

There is a patch of alfalfa right north of this town. It stands three feet high and is thick as a mattress. It stretches over a field of about 20 acres and it is a pretty field of alfalfa as you would have wish to look on. Yet, Mr. Willadsen, the fellow who most thinks that way, says that it isn't as nice as it was last year. Well, what was it last year? It looked good to us from this same field because it is eight years since the field was plowed. It had a field which was full of alfalfa roots for it to grow and is producing a good crop. Now a crop of wheat "stands" in it which is five feet high. That is the field for you. It is the man, the soil and the climate co-operating. Looking at this pretty field of blue purple blossoms one cannot help but think of the heavy loads left in place on high and come down to lay at the feet of man.

HAGLEY CREAMERY DEDICATED

The first modern and co-operative creamery constructed in Clearwater county was last week dedicated in that section with the annual creamery meeting held at Hagley. The exercises were attended by hundreds of farmers, visiting with friends. A. J. McGuire, general manager of the Land O' Lakes Creameries, Inc., and Ole Bjorge, state assistant dairy Commissioner of Agriculture. J. H. Hagley formerly of Thief River Falls is now second vice president of the Land O' Lakes Creameries, Inc., and a constructive talk on co-operative creameries.

BAND PRACTICE POSTPONED

On account of the booster trip to the Legion and Elks conventions next week, the band practice Friday of next Thursday, announces Bidstrup of Tuleen. However, there will be a rehearsal Monday night, August 16. Mr. Bidstrup says that he knows that will be in the organization of a city band and expects to have a creditable unit in a short time.

LYCEUM ORGANIST LEAVES

C. A. Olson, organist for the past year at the Lyceum theatre, has left his connections here last week, and accompanied by his wife and child, left Monday for Minneapolis, after which he and his family will motor to California where they will locate. Mr. Olson is a Thief River Falls product and his many friends will be pleased to learn that he has been secured to fill his place at the theatre.

DR. MELLBY RETURNS

Dr. O. F. Mellby and family returned yesterday from a motor trip to Northfield, Minn., Tomahawk, Wis., and other points visiting relatives and friends.

REAL ESTATE DEALS

Register of Deeds Fred Lorenson reports filing of the following deeds for real estate deals: Mr. and Mrs. Nicholas Tveiten, quarter in section 19, Hickory township, to Thos. S. Thompson of Pennington county, consideration $1,000; Mr. and Mrs. Geo. L. Storms of Fergus Falls, lots 8 and 9 in block 21

ST. HILAIRE

Anna Margaret Peterson

Funeral services were held Friday afternoon for Anna Margaret Peterson, granddaughter of N. G. Mark son, who passed away at the home of her parents one week ago Tuesday. Anna Margaret was 6 years and 7 months old at the time of her death which occurred at Thief River Falls after an illness of only a few days. She was born in Hazelrigg, Sask., Canada. Services were conducted at the home by C. M. Grimsrud officiated at the funeral. Interment was made in the Riverside cemetery.

New Doctor Arrives

Dr. Dave Berge of Erskine, who up to this time has been assisting at the Swedish hospital at Thief River Falls, came Monday to locate his practice in St. Hilaire. He will have his office in the local drug store. Dr. Berge is a graduate of the Northwestern University of Chicago and the past year has been in the City Hospital in St. Paul.

Birthday Party

Friday evening a number of friends and relatives were entertained at the M. Wicker home in honor of Mrs. Frickert's fifty-third birthday anniversary. During the evening an impromptu program was staged which provided amusement and entertainment for the guests. At eleven o'clock luncheon was served to the guests. Those present were: Mr. and Mrs. Albert Swenson, Mr. and Mrs. H. H. Allen, Mr. and Mrs. Fred Schaberg, Mr. and Mrs. E. Kaiser, Mr. and Mrs. Enock Sundheim, Mr. and Mrs. A. Satterlund, Mr. and Mrs. Ben Umland of Thief River Falls, Mrs. Gust Adolphs and Clarine Nelson of Thief River Falls, George Fricker of Holt, and Lucille Hlavka of Anoka.

Entertains at Luncheon

Miss Arline McKercher delightfully entertained a number of her classmates at a luncheon at her home Tuesday afternoon. The afternoon was spent in a social way after which the two course luncheon was served. Those present were: Florence Dann, Helen Guyette, Hazel Pricker, Gordon Williams, Agnes an i Helga Vik and Selma Johnson.

Crookston Wins

Sunday afternoon at the local diamond the Thief River Falls baseball team met defeat from the Crookston nine in a 4 to 1 game. The game being on neutral ground drew a large crowd from St. Hilaire, Crookston, Red Lake Falls and Thief River Falls. Myles Jackson and L. Gulbrandson played on the Thief River Falls team. Good pitching by Yost for Thief River Falls and Christianson for Crookston featured the game.

50th Birthday Anniversary

Tuesday evening at the home of her daughter, Mrs. J. Kenney, a number of relatives and friends gathered to help celebrate "Grandma" Peterson's 50th birthday anniversary. Present at the celebration were members of her family, children, grand children and great grandchildren. During the evening the St. Hilaire orchestra furnished music and Mrs. Peterson's great grandchildren gave some entertaining numbers. Miss Ida Sand, son of Rev. and Mrs. Sand sang a solo, "In the Garden" and responded to an encore with a "Grandmother." Helen Johnson, daughter of Mr. and Mrs. Johnson, who resides east of St. Hilaire also recited a piece called "Grandmother." Mrs. Peterson is the lone survivor of her family, all others being killed in the Indian massacre which took place near Devils Lake in Kandiyohi county, August 20, 1862. The parents of Mrs. Hilaire also in attending wishes of health and happiness to "Grandma" Peterson on her eighth birthday.

Swedish Lutheran Picnic

An excellent crowd attended the annual Swedish Lutheran picnic held at the Ang. Swan on farm Sunday afternoon. A short program was given at the beginning of the afternoon at which the choir sang and Rev. A. E. Nelson gave a short talk. Supper was served at 6 o'clock and ice cream was sold at stands.

Mr. and Mrs. R. Sagmoen of Thief River Falls were Sunday visitors to attend the Swedish Lutheran picnic and visit with friends.

Mrs. I. R. Sherman of Grand Forks, Mrs. M. Sweeney and daughter Beth of Portland, N. Dak., Mrs. H. Taylor of The Dalles, Montana, Miss Myrtle Bulandt, Mrs. Ben Bulandt, Mrs. Pollard of Seattle, Wash., spent Wednesday visiting with friends in St. Hilaire.

Mrs. Wm. Wilson and daughter Evelyn, Mrs. Lambert and daughter Lenora of Rauleite spent the week-end visiting at the Rolland home in this village.

Mr. and Mrs. A. F. Hall and family, Mrs. Sidney and Miss Grace Hall left Sunday for Lake Detroit where they will spend a week fishing.

George Fricker of Holt spent Friday evening visiting at his parental home in this village.

Mr. and Mrs. C. F. Brantner and children and Mrs. B. Patterson of Maple Lake spent Thursday afternoon visiting at the O. Gimsrud home.

Mr. and Mrs. Henry Peterson and children of Warren attended the Swedish Lutheran picnic held at the Ang. Swenson farm Sunday.

Mr. and Mrs. Emil Steinhauer and three children of Holt spent Sunday visiting at the Albert Fricker home.

Miss Tuelle Blaska of Anoka and Hazel Fricker motored to Holt Tuesday where they visited with friends.

Over Sunday guests entertained by Faythe and Camille Warner of Thief River Falls left Thursday for Minneapolis where they will visit with friends.

Mr. and Mrs. A. W. Lindwall and Mrs. Lindwall, Sr., of International Falls are here visiting at the home of their daughter, Mrs. A. G. Wilson.

THEY FOLLOW THE SUCCESSFUL

Ask Harry Alsop, manager of Interior Lumber Co. line of yards why he recommends Davis Business College, Fargo. He'll say: "I know their methods. I graduated there in 1906. I sent my sister there. I have just employed my 11th Dakotan"—Irene Nelson."

Sam Paper (D. B. C. 1901) now heads his own business. A "Dakotan" son is his partner. Their latest D. B. C. employe is Joe Busch.

Watch results. "Follow the Successful" Sept. 1—6. Actual business training. (Copyrighted—unobtainable elsewhere.) Write F. L. Watkins, Pres., 806 Front St., Fargo.

GOODRIDGE

Mr. and Mrs. Theo. Berg and daughter Hulda and George Wall were visitors at Red Lake Sunday.

Clarence F. Meier of Detroit, Wis., is working this territory and also visiting friends here.

Mr. and Mrs. O. A. Anderson and children of Dahl, Minn., arrived Tuesday for a short visit at the home of Mr. Anderson's sister, Mrs. O. S. Mirkin.

Albert Halvorson and son Gordon of Thief River Falls transacted business in town Monday. The Halvorson family returned last week from a three weeks visit with relatives and friends in Wisconsin.

Mr. and Mrs. Henry Iverson and son, Lloyd of Grand Forks and Mr. and Mrs. Halseed and son Clyde of Thief River Falls, visited friends in town Sunday.

Mr. and Mrs. H. A. Dahl and children spent the week-end with relatives at Ledgewood, N. Dak.

Mesdames Ole Frostedal, V. G. Mellem and W. J. Shanley returned Friday from a three day berrying trip to Thief River Falls.

Mr. and Mrs. Carl Fdseth, and daughter Violet and Mrs. Johnna Eriseth enjoyed an outing at Red Lake Sunday.

Mr. and Mrs. H. Christianson and daughter Sena and son Carl left Sunday morning for Ada, Minn., to visit their daughter and sister Mrs. Frank Brunner. Carl will also make a trip to the cities to purchase a fall stock for store.

Mr. and Mrs. Elmer Peterson and Mr. and Mrs. Owen Olsen and children were Sunday visitors at Red Lake and enjoyed a trip to Red Lake Saturday and Sunday.

Mr. and Mrs. S. J. Cloutier and children spent Sunday visiting at Mrs. Cloutier's parental home near Goodbrook. They were accompanied by their daughter Mrs. Fred Wiberg, who returned, she has been visiting her grand parents the past two months.

Jay Payne left Wednesday for Austin to visit relatives for sometime. He was accompanied by Mrs. Stephen Noble who was a guest at the Payne home for three days.

Mr. and Mrs. R. H. McDonald, Harry and Ruth, returned Saturday from a two weeks auto trip which took them to Duluth and up the North Shore to Port Arthur, Can., and returned over the Mesabe Iron Range visiting friends at Hibbing and then south to the Cuyuna Range where they also visited at Aitkin and Deerwood, Backus and Cass Lake.

Mr. and Mrs. Jac Caspersen had as their guests Sunday Mrs. Caspersen's uncle and aunt, Mr. and Mrs. Albert Nicks and son John and daughters Mattie and Elvina and Mr. and Mrs. Jacob Nicks and daughter Mrs. Henry Kopp, all of St. Hilaire.

Rev. Ranum arrived Thursday and will be installed as pastor of the Norwegian Lutheran church Sunday evening.

Mr. and Mrs. J. E. Scott and children of Austin are visiting at Mrs. Scotts sister's home, Mrs. A. E. Sandquist. Mr. Scott is a Great Western operator at Austin and is enjoying his vacation.

J. A. Sundquist left Saturday for Langdon, N. Dak., where Mrs. Sundquist and children have been visiting for several weeks. They accompanied him on his return Sunday.

Dr. Roberts, who has been visiting the home of his sister Mrs. A. E. Josephson for some time, left Saturday evening for his home in Madison.

The Lutheran Young Peoples Society will meet Sunday afternoon, Aug. 8th, at Peter Thorsbakken's home west of town. Rev. Ranum will be present.

Lavish Spender.

"I hear that Tammas is purty close wi' his money."

"Ay; Tammas can break a sasperne farthin' in twa wi' economy, but he'll have spendin' money a' the rest o' the week."

The Cuckoo

"What can you tell me of the cuckoo?"

"The cuckoo is a bird which lets other birds lay its eggs"—Fliegende Blatter, Munich.

Quite Different

Collector—Is Mrs. Jackson at home? Maid—Yes, but she is not receiving today.

Collector—Oh, that's all right. I'm not delivering—I'm collecting.

Isaak Walton League To Stock Hungarian Pheasants If Present Plans Mature

A call to all Isaak Walton leagues of Minnesota to subscribe to a fund for the purchase of additional Hungarian partridges to be liberated in various parts of the state has been issued by the Game Bird committee of the Minnesota division, Isaak Walton League of America, a copy of which was received here, but it is practically certain that nothing will be done officially by the local chapter.

Several dozen pairs of these birds were imported from Czecho-Slovakia last fall at a cost of $2,000 and released in the southern part of the state, this being but a part of a three year campaign for the propagation of wild game in Minnesota, the work being sponsored by Hennepin and Winona county sportsmen.

A complete survey of the state is under way by the committee in charge and a special analysis has led the members to believe that the Hungarian partridge is the easiest, quickest, and most prolific bird, and should be the first one to be widely introduced in the state. Data collected by the committee has been supplied to all Walton league chapters.

The Isaak Walton league was introduced into Minnesota about four years ago with but one or two chapters. Last February it had grown to 2500 members with over 2,500 members, the local organization being one of the active ones in northwestern Minnesota.

DEER OUT OF SEASON

Three Marshall county young men were brought into court in Middle River last week on charges of shooting deer out of season, given severe reprimands and their guns were confiscated, while their guns were held by authorities pending possibility of re-opening of the cases later on.

Sheep Carried All Summer on Pasture

Use of Forage Crops Is Practical Feed Plan.

(Prepared by the United States Department of Agriculture.)

Use of forage crops for pasturing sheep in summer is a practical means of feeding them, according to the results of experiments conducted by the United States Department of Agriculture at the experiment farm at Belle ville, Md. Observations were made not only of the gains in weight but also of the general condition of the animals, including resistance to disease and parasites.

The crops used in this system of pasturing during the order in use were as follows: Fall-sown rye, wheat, winter barley, oats and Canada field peas, Canada peas and vetch beans, fall-sown winter barley, and winter wheat.

It was shown that sheep can be pastured successfully by using such crops as cowpeas, soy beans, and the like, to provide the earlier summer pasturage. The method was beneficial also in the control of stomach worms and other internal parasites. By the method lambs can be grown to market weights without being visibly affected by parasite infestation. A frequent rotation of pasture made possible by this system is beneficial, but not entirely adequate, in controlling parasites of sheep carried on the farm throughout the year.

Maximum Production of the Average Dairy Cow

The average dairy cow reaches her maximum production at the age of five years. The amount of milk produced in the fourth lactation period, or when the cow is five years old, is about one and one-half times more than the amount produced during the first lactation period as a two-year-old. Milk flow will not diminish until the cow is from eight to twelve years old, which is usually considered ten years. However, one might consider any cow eight years old or over as aged. A seven-year-old cow is not considered old, and nothing else but a profitable producer she should not be hi ghered.

The average cow will probably start to lose her teat at the age of eight years, however, some this is a regular function that cannot be given a definite answer owing to the fact that the individuality of each animal must enter into the consideration.

In determining whether a cow is a good milk animal or not one should not base their conclusion entirely upon the amount of milk produced when the animal first freshens. The profitable cow is the long time producer.

A cow to be a "good" producer in your section of the country should give at least 200 pounds of butterfat. Cows that give 300 pounds of butterfat or more per year are not at all uncommon.

ROSEWOOD

Hodal V., P. S. on Sat. Aug. 7

The monthly meeting of The Hodal Young People's Society will be held at the church next Saturday evening, Aug. 7th and the public is cordially invited. Misses Gladys Nagmoen and Verna Vevelstad are on the program committee and a Pantomime "Rock of Ages" will be given by a number of young folks. A brief speech by Otto Nagmoen is also the program besides music and singing. Hostesses John Ranum and Selmer Holgaren are in charge of the lunch committee and lunch and ice cream will be served.

The Rosewood Farmer Club held its last meeting this season at the Rosewood hall Saturday evening. As during the busy season very few of the members were present it was decided to cancel all dates for about three months and the winter evenings bring about further dates for sociability. The evening was mostly spent at dancing and was attended by about 75 young people.

The Sunday meeting held over Sunday at the Swedish Mission church in town has been very successful and the church was filled to capacity at almost every meeting. The Reverend C. W. Olsen and Edwin Lindholm of Warren and Werner Dahls from Viking were present and spoke fittingly in both the Scandinavian and American languages. The V. P. S. meeting on Saturday evening drew a large audience of young people. The Viking ladies String Band furnished music at the Saturday and Sunday evening meetings.

J. Hanson from Angus is now a visitor over Sunday at the home of his daughter Mrs. Emil Mellem and family here.

Mrs. Emil Peterson from Middle River visited at the A. C. Varseth home and attended the Mission meetings here on Sunday.

Mr. and Mrs. Oscar Blomberg and two children from Crookston arrived here on Saturday to spend a week's vacation among friends and relatives.

The Christ and Engvall Farren families from Kelliher arrived here on Saturday and will spend several days visiting with the A. M. Gulleth and G. J. and Olof Northagen families.

Mrs. J. E. Thompson from Fordville, N. D. arrived here on Friday for a week's visit with the John Sagmoen folks and with other friends and will also attend the Pennington county fair.

Mr. and Mrs. O. H. Olson and two daughters arrived here by car on Saturday to visit over Sunday with Mrs. Olson's sister, Mrs. Julia Axelson. They will also visit briefly at Thief River Falls before returning to the home at Waumadee.

Miss Lilly Halson returned home on Monday from Forest River, N. D., where she has spent several weeks visiting friends.

Mr. and Mrs. A. M. Gulleth returned this week from a week's outing at Winnipeg and other points in Manitoba and North Dakota.

Miss Selma Sorenson arrived this week from St. Paul where she is employed and will visit with her mother, Mrs. Belle Sorenson, for a few weeks.

Mesdames Carl Williams, Strombergs and Nelsons returned to Thief River Falls after a week's visit with the Carl Strombergs family.

A large delegation of Viking people were in attendance at the Mission meetings here over Sunday.

Mr. and Mrs. Lars Furan are visiting this week with the Chas. Sagmoen people and with other friends.

The harvesting of wheat and rye on the sandridges is now in full swing. There is some very fine yields on places and especially where there is a very heavy sand, but on the whole it will not be very much damage, if grains seem to be well filled, and a very fair average crop is looked for. Corn is doing wonderful progress during the heat of the last two weeks—All pasture fields look very promising. Harvest on the low lands will not take place before two weeks.

Swen Svenson motored to Newfolden Monday where he spent the day on his farm.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota
July 19th, A. D. 1926.

The City Council of the City of Thief River Falls, Minnesota met in the City Auditorium on July 19th, 1926, being the regular meeting of the Council. Meeting called to order by Mayor Strickland at eight o'clock p. m., with all members present.

Minutes of the regular meeting of July 6th, 1926, were read and approved.

Mayor Strickland presented his appointments for Fire Commissioner and Fire Chief for the ensuing year.

The matter of street decorations were discussed by the Council.

An application for repair of building at 114 Main Ave. N. was presented and a motion was made, seconded and carried that the application be granted.

Motion made, seconded and carried that the Council adjourn to meet on July 20th, 1926, at 8 o'clock p. m. for the purpose of considering the matter of the proposed sewer extension.

There being no further business before the Council, the meeting adjourned.

Attest: C. E. ERICKSON, City Clerk
HENRY SHEDIESON
President of the Council

At a regular meeting of the City Council of the City of Thief River Falls, Minnesota, held in the City Auditorium on July 20th, 1926, at 8 o'clock p. m., with all members present.

Minutes of the meeting of July 19th, 1926, were read and approved.

The matter of sewer extension was discussed.

Motion made, seconded and carried that the Council adjourn to meet on July 21st, 1926, at 8 o'clock p. m. for the purpose of considering the matter of the proposed sewer extension.

There being no further business before the Council, the meeting adjourned.

President of the Council

RESOLUTION

At a regular meeting of the City Council of the City of Thief River Falls, Minnesota, held in the City Auditorium on July 20th, 1926, at 8 o'clock p. m., with all members present.

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that whereas, the Temporary Bond Fund of the City of Thief River Falls, Minnesota, is overdrawn in the sum of $1,000.00 and

WHEREAS, It is necessary that said Bond Issue be issued to pay said overdraft, now

THEREFORE, BE IT RESOLVED, that there be and is hereby issued and sold by the City of Thief River Falls, Minnesota, one of the bonds of the proposed issue of $1,000.00 Temporary Bonds, dated July 1st, 1926, and payable July 1st, 1927, bearing six per Pontiac Bonds.

Adopted this 20th day of July, 1926.

Attest: C. E. ERICKSON, City Clerk
HENRY SHEDIESON
President of the Council

RESOLUTION

At a regular meeting of the City Council of the City of Thief River Falls, Minnesota, held in the City Auditorium on July 20th, 1926, at 8 o'clock p. m., with all members present.

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that whereas, the Temporary Bond Fund of the City of Thief River Falls, Minnesota, is overdrawn in the sum of $1,000.00 and

WHEREAS, It is necessary that said Bond Issue be issued to pay said overdraft, now

THEREFORE, BE IT RESOLVED, that there be and is hereby issued and sold by the City of Thief River Falls, Minnesota, one of the bonds of the proposed issue of $1,000.00 Temporary Bonds, dated July 1st, 1926, and payable July 1st, 1927, bearing six per cent interest, and interest on $1000.00 from the date of notice, by said purchaser, that the bonds are ready for delivery, and interest on $1000.00 from the date of delivery, and interest on $1000.00 from the date of delivery, and interest on $1000.00 from the date of

MUCH INTEREST IN SHEEP CAMPAIGN

Many Enter Applications for Sheep Purchases—Johnson Sells 1000 Lbs. Wool

The sheep population of Pennington county will be materially increased this year, progress of the sheep campaign conducted by the First National bank of this city in cooperation with the Agricultural Credit Corporation indicates. Many farmers in this territory have already signified their interest in the project by placing orders for flocks of from 25 to 50 head, but it is urged that applications be made at the earliest time possible, according to Theo. M. Thronson, vice president of the bank. Special arrangements for financing the purchases can be made.

The advisability of more sheep as a part of the diversification program of farmers here is favored by leading agricultural experts. The investment standpoint is justified by the natural the proclivity to propagate, it is pointed out. Handling the value of sheep to the farm the Credit Corporation has appropriated a large sum of money to assist in the purchasing of good western breeding stock to give farmers a start on a three-year payment plan. The sheep are carefully selected by a competent herder.

In connection with sheep raising Alvertus is called in the experience of Albert Johnson & Sons near this city, who recently shipped about 1,000 pounds of wool to Minneapolis, netting about nine pounds. They have a flock of 200 sheep which they find very profitable.

Proper feeding tends to increase the clip, Mr. Johnson says in citing the improvement noted after he started feeding alfalfa. Proper breeding is also important, he declares.

"We were very pleased to receive the shipment of wool from you and we were also much pleased to see such good wool come from your locality," writes the National Wool Growers Ass'n, S. H. of Co., of Farmington, Minn., upon the receipt of Mr. Johnson's wool. Several years ago we received several small shipments of wool from your locality and they averaged rather low and of poor character. You will be doing the industry and your sheep raising there a great service if you can induce them to follow your example and produce wool of equally good grade and character. If you all follow suit you will have a steadily advancing market for some time, also the advance will be very slow owing to the great capacity of the manufacturers. But they must have the wool and statistics are against them."

Experts Judge Exhibits at Pennington Co. Fair

Satisfactory judging of exhibits at the county fair now in progress should be assured, a competent corps of judges having been secured by the fair board. Judging was begun yesterday at 9 a. m., the time for placing entries closing at noon. Following is a list of the judges:

W. M. Morris, University Farm, St. Paul, university extension division, beef cattle, boys' stock, and horses.

Carroll Blakeslee, Grand Rapids agricultural college, dairy cattle and junior club exhibits.

A. C. M. Pyhre, Northwest School, Crookston, poultry.

T. M. McCall, Northwest School, Crookston, horticulture and agriculture.

Miss Retta Beis, Northwest School, Crookston, women's departments.

Miss Beis is a daughter of J. Adam Beis of Fifth street, prominent lecturer and humorist.

H. A. Pfotenhoft of Crookston, district club work leader, is here to assist in the boys' and girls' club departments. He was in the city Wednesday on his reutrn from Red Lake where he attended a meeting of club workers.

The judges speak highly of the quality of exhibits this year and those who have been here in today's events notice a marked improvement this year.

The judging has not been completed up to the time of going to press so prize winners cannot be announced until the next issue.

BARBERSHOP ADDS CHAIR

A fourth chair has been added in the Ward & Jorlingstad barber-shop on Third street, George Clark of Minneapolis having been added to the staff of barbers.

Only Five Take Teachers' Examinations in County

Only five persons took examinations for common school certificates conducted here last week by E. A. Nestos, acting county superintendent in the absence of O. G. Sande. This is much below the number in former years and indicates a higher standard of those who teach in the rural schools, most of them having first grade certificates obtained in teachers' training schools and teachers colleges. Each year the number of well trained teachers is increasing in the county and is known by the decrease in the number taking examinations for limited and second grade certificates. Those who took the examinations here are Elmer Therese Askew and Alice Gillis, Thief River Falls; Cora L. Rund of Eckles, Selma Bjerkeseth of Wanke, and Jessie M. Krebsek of Erie.

The following substituted certificates for renewals: Clara Lund, Ruth Hopkins, Myrtle Krause, Mary Fredrickson, Beatrice Alexander, and Alice J. Jahr, Thief River Falls; Anna Paulson and Elsie Fredrickson, Irene Peterson, and Sena Walo, St. Hilaire; Anna Erickson and Sadie Sellstad, Goodridge; Ruby Thompson, Goodridge; Bertha Erickson, Plummer; and Anna Rude, Gryglin. Only three of these were for second grade certificates, the rest being for first grade.

Many of the rural districts of the county report having their schools for the coming term, a large number to be taught here for first year returning to resume work in the schools.

JOHN GILBERTSON DIES

John Gilbertson, resident here seven years ago, died at Lewistown, Mont., July 31, following an illness of several months. The remains were brought to this city for burial, funeral services to be held this afternoon. Deceased is survived by his wife and two children, his mother, Mrs. Carrie Gilbertson; also a sister, Mrs. Chas. Shirley, of here.

ELKS OF STATE TO BE INVITED HERE

Efforts Made to Land 1927 Convention—L. R. Johnston Delegate to St. Cloud Meet

With strong prospects for getting the state Elks' convention here in 1927 indications are that Thief River Falls will continue to maintain its position as "the convention city of the north," the state convention of the W. C. T. U. last year having been held here, and the Minnesota Legislature gathering here the next year. According to word received by L. M. Rayson, exalted ruler of the local Elks lodge, from several leaders of the state organization there is already considerable sentiment in favor of this city.

Mr. Rayson some time ago appointed a convention committee composed of Andy Anderson, Chris Stephenson, C. Overmire, L. M. Bennes, J. O. Yotter, Alfred Bredeson, T. H. Hirsch and E. F. Dolan, who appointed L. R. Johnston to represent the Thief River Falls lodge at the state convention to be held in St. Cloud next week. He will extend an invitation to Minneota Elks to meet here next year.

The Commercial club is also assisting in the effort, deciding at last Thursday's meeting to send its president, Dr. H. W. Froehlich, to the St. Cloud convention, to invite the organization in behalf of the club. The local lodge is also keen to get the Legion convention in Mankato will also go to St. Cloud.

A state meeting of Elks is usually attended by about 3,000.

SCOUTS RAISED IN RANK DURING CAMP

Back to Nature Camp Brings Health and Manliness to Youths—23 Attend

Enthusiastic about camp life, 23 Thief River Falls Boy Scouts returned last week from a 10-day stay at Camp Rotary at Union Lake, near Erskine, where about 100 boys were under the supervision of Scout Executive Ralph Evans of Grand Forks and Rev. T. H. Shillington. Camping is said to prove boys praise highly.

The local scouts report a most enjoyable time, with valuable instructions in aquacraft, citizenship, health habits and other valuable things. The boys returned with an extra coat of tan, a knowledge that they had thrill advantage of the open air and sunshine.

As previously announced William Froehlich, who attended three camp periods, was the only local scout, there being only one other boy given the honor in this district during this season. This makes a total of 41 Eagle Scouts in the Grand Forks council, Gordon Overmire, Forrest Anderson were raised to first class scouts while attending the camp. Charles Frisell, Alv Vistaunet, Lue Hefflefinger and Kenneth Lindberg were made second class scouts.

Among the merit badges awarded were Gordon Overmire, Gordon Overmire following to local scouts: Bird study, Forrest Anderson, Gordon Overmire; Alfred Froehlich; firemanship, Wendell Seiberg; first aid, Wendell Seiberg, Forrest Anderson, Gordon Overmire; first aid to animals, Wendell Seiberg; forestry, Gordon Overmire; handicraft, Forrest Anderson, Gordon Overmire; handicraft, Wendell Seiberg, Forrest Anderson, Gordon Overmire; safety first, Wendell Seiberg; scholarship, Forrest Anderson, Gordon Overmire; swimming, Forrest Anderson.

Roy Lemon, who was raised to Star Scout, received the following merit badges: Swimming, first aid, first aid to animals, firemanship, personal health, public health, and safety first.

Wendell Seiberg, who received the promotion from the Rotary camp yesterday, this former having remained thruout the season and the latter this

SILVERTON FARMER STARTS HARVESTING

Best Yield of Barley He Has Ever Had is What Ted Bjerge Declares

"The best yield of barley I ever had" is the way Ted Bjerge of Silverton expressed it when asked how harvesting had started on his farm. He had a wonderfully fine stand of the grain and harvesting thereof was on last week Friday and Saturday.

Just what the yield in bushels will be is hard to state until he gets to threshing, but indications are it will be as good as any ever heard of in this vicinity, except where some special *type of seed* was used.

It is reported that several other farmers started harvesting on Monday this week, where rye, barley and wheat is ready for cut, very generally on the ridge.

CLUB TOUR AFTER FAIR

Arrangement for the Pennington county boys' and girls' club work tour has been positioned until after the county fair, County Agent J. F. Mc Cann announces.

POULTRY DEMONSTRATIONS

A series of culling and caponing demonstrations will be conducted in this territory next week in the interests of the Thief River Valley Co-operative Poultry Association, Prof. A. M. Filley of the Northwest School, Crookston, the following schedule is announced by Manager R. O. Norby: Tuesday, show at Olson's store, Goodridge, August 10, 9:30 a. m.; G. A. Lindquist farm, west of St. Hilaire, at 1 p. m.; W. J. Bloomquist farm, east of Thief River Falls, at 6 p. m. Wednesday—Victor Ekblom farm, Hazelton, at 10 a. m.; G. G. Berglund farm, Greenbush, at 1 p. m.; Anders Anderson farm, Middle River, 4 p. m. Thursday will be spent at Hill River and Foston.

AT TRAINING CAMP

Chester Dahlen, Edward Gunderson, Johnson, Clayton Segner, Charles Frounth, Art Lufkin and Robert Eriksson left last week for Fort Snelling to attend the Citizens Military training camp which opened August 1. About 2,000 youths from all parts of the Northwest will sample military life in a month-of intensive training. Among the "back" privates enrolled is Warren Pershing, son of General John J. Pershing. Colonel W. W. Wilkins, commandant at Fort Snelling, is the immediate commanding officer. The local boys also attended last year's camp and are enthusiastic about the training offered.

PRAISES COMMERCIAL CLUB

W. H. Williams, St. Paul business man, visited at the C. A. Nason home last week and on Thursday addressed the Commercial club on the value of such a civic organization. He called attention to the attractive advertising given Thief River Falls by reason of its active Commercial club.

What Of Your Vacation?

THE best kind of vacation for you, depends upon your mind, your body, your habits, your work. The best vacation for some people is on a river bank, for others on a ship, for others on an auto trip, for others in the roar and rush of a mighty city.

The best kind of vacation for you will be much better for it if you'll consult Dr. L. B. Foster. His best results will be for you only if you're in condition afterwards.

Your body machine needs a body-mechanic (an osteopathic physician) to go over it before your vacation to see what's your most and what you can stand best. Then it needs him again when you get back, to remove any maladjustments that may have resulted from too strenuous vacationing, or improper food or insufficient rest.

Do you spend real money on a vacation because your health needs it? Then spend enough more for a health expert to insure the full benefit of the vacation.

When you think of a vacation, think of an osteopathic physician to examine you and adjust your body machine before you start and after you get back.

PENNINGTON COUNTY STATE FAIR EXHIBIT

Commercial Club Backs Up Project and Samples Are Already Being Sought

Pennington county will have an exhibit again the year at the state fair. This was determined upon at the regular Commercial club meeting held Thursday and immediately George M. Wilson started gathering samples to use in the preparation of the exhibit.

He and his assistants have already been over quite a portion of the county seeking sample grains and grasses, and some exceptionally good ones have been found.

At some of the farms visited arrangements were made to have samples saved by the owners when the grain had ripened a little more, in order to get the very best variety for using in the exhibits. It is hoped that people generally will assist in securing their best grains, grasses, vegetables, etc., for use in the exhibit, as well as canned goods.

National Church Official to Install Zion Pastor

Word has been received by John Dahl that Rev. E. L. Tungseth, the new pastor of the Zion Lutheran Free church of this city, will preach the opening sermon here Sunday morning, August 15. He will preach in the English language. In the afternoon there will be joint installation services in the Norwegian language, in which the Nordeen, Goodridge, and Rosewood congregations have also been invited. Rev. Urdahl of Fargo, vice president of the Norwegian Lutheran Free church of America, will officiate at the installation.

Rev. Tungseth is expected to arrive here with his family the first of next week. He is now enjoying a vacation trip at Duluth and other Minnesota points. Rev. Tungseth served the Hawley congregation for four years.

NAMED DISTRICT MANAGER

Announcement is made elsewhere in this issue by the Twin City Building & Loan association that C. A. Nason, for many years a resident of this city, has been appointed district manager for Thief River Falls. Until recently Mr. Nason was local manager of the Winston-Nichols Lumber and here, and friends will be interested to learn that he will remain in the city.

Local Man Charged With Driving Car While Drunk at Grafton—Bound Over

Theodore Jopperud of Thief River Falls was bound over to the next term of district court when arraigned before Justice John F. Anderson of Grafton Monday to answer to the charge of driving an automobile while intoxicated, according to a story in Monday's Grand Forks Herald.

The Herald story continues: "Jopperud waived a preliminary hearing and pleaded not guilty to the charge against him. He was bound over to the district court under $500 bonds which he had not furnished Sunday afternoon.

Jopperud has been employed on a farm west of town, it is stated, and was driving to Grafton after a drinking bout he started for Grafton in his car. When near the institution for the feeble minded he ran into a car driven by Paul Collette and narrowly escaped being seriously damaged. Arriving in town he skidded around a corner and knocked a wheel off his car. About this time Sheriff Vigness arrived and took him in tow."

GRINDELAND COMING AUG. 8

Judge Andrew Grindeland of Warren is scheduled to be in Thief River Falls Monday, August 9, to preside at a hearing of petitions for the disposal from the July term of district court, two periods.

TEMPERANCE WOMEN OF STATE GATHER FOR GOLDEN JUBILEE IN THIEF R. FALLS NEXT WEEK

About 300 Visitors Expected at Meet Starting Aug. 18 to 22

PROMINENT SPEAKERS TO ADDRESS SESSIONS

Local Musicians Appear on Program—Banquet at S. S. of H. Hall Thursday Evening

Thief River Falls will next week entertain about 300 women from all parts of the state, with the Minnesota Women's Christian Temperance Union holding its 34th annual convention here August 18 to 22. Arrangements for entertaining delegates and visitors to the convention are practically complete, according to Mrs. J. O. Setter, secretary of the local convention committee, which has been busily engaged for several weeks preparing for the event. This being the golden anniversary, a special effort is being made to make the gathering the outstanding event in the history of the Minnesota W. C. T. U.

Citizens of Thief River Falls have been generous in opening their homes to convention visitors, reports Mrs. A. Craik, chairman of the housing committee. Chairmen of the various other committees are Mrs. J. H. Hardesty, banquet; Kenneth Lindberg, reception; Mrs. P. L. Christensen, finance and entertainment; Mrs. Ida L. Rolland, decorations; Mrs. O. B. Solee, registration; Mrs. Dec. M. Wilson, publicity; and Mrs. Setter.

A concerted drive to bring about a more rapid enforcement of the Eighteenth amendment will be inaugurated at the convention here, according to importance being the culmination of the membership drive which the association has been conducting, and is expected that about 400 new members will be reported.

Chester S. Wilson, St. Paul, assistant attorney general, and former secretary of the national association, will be here to address the principal speakers at the session, all of which are open to the public.

The convention will open Wednesday, August 18, with the registration of delegates at the auditorium and an executive board meeting in the afternoon. The various local W. C. T. U. districts will be entertained at dinner and supper by the ladies of the hostess town.

Delegates arriving on the special Wednesday morning will be welcomed at a complimentary breakfast at the Commercial club rooms, for which the merchants of the city have donated food materials. Citizens are urged to turn out to accompany the visitors at this time.

A prayer and praise service will be conducted at 7:30 Wednesday evening in the Presbyterian church by pastors of local churches. Rev. Lazier Ward, St. Paul, evangelistic superintendent of the W. C. T. U., and Mrs. Reed, St. Paul, musical director, will lead the music. Solos will be also furnished by Mrs. E. W. Simpson, Montevideo, and Mrs. Albert Johnson, Thief River Falls.

A song service with Mrs. I. W. Merrifield, Minneapolis, at the organ, will open the Thursday morning session at 9 a. m., Mrs. Ward being in charge. Mrs. Ward will conduct the devotional. Mrs. Ida Ingalls Christensen, St. Paul, state president, will officially open the convention and give the president's address. Mrs. Ward Blakeway, corresponding secretary, and Mrs. Reed, treasurer, will give their reports. Under the direction of

Car Struck by Svenkeson — Owned by T.R.F. Farmer; War on Drunken Drivers

The Ford touring which Svenkeson-Svenkeson of Holt struck last week while driving a car in an intoxicated condition on the streets here, is owned by Harold McClary, farmer northeast of Thief River Falls. Damages to the McClary machine, it was learned, is about $20, which Svenkeson agrees to pay, according to the owner.

Svenkeson is serving a 60-day jail sentence given by Judge R. W. Tarbell in municipal court and must pay a fine of $100 for driving a car while drunk. A copy of the conviction has been sent to the secretary of state, who revokes his right to drive an automobile for 90 days, according to section 29 of chapter 416, Minnesota Session Laws, which reads: "Any person who operates a motor vehicle while in an intoxicated condition shall be guilty of misdemeanor and upon the second and each subsequent conviction shall be guilty of a gross misdemeanor. Any person convicted under this section shall forfeit all license which he may have to operate a motor vehicle under the laws of this state, and shall also be prohibited from operating any motor vehicle upon the highways for a period of three months after the date of such conviction, for the first offense and for each subsequent offense that three months and not to exceed one year shall be fixed by the court upon each subsequent conviction."

Pennington county has been active with 4-H and other counties of Minnesota in the state-wide drive to stop driving by drunken autoists. County Attorney Quale has sent in his pledge to do all in his power to act in accordance with the new version of the state law invoking the license revokedrive, and Municipal Judge N. W. Tarrant has already made his stand known by giving Svenkeson the limit the first to take advantage of the new ruling. An account of the conviction caused the front pages of Twin City papers last week following the trial and should tend to discourage other tipsy drivers.

Creamery's Quota of Navy Butter is Nearly Filled

Knut Nielson, federal butter inspector stationed at the co-operative creamery here during the filling of the 50,000 pound contract for the United States navy department, left last night for Devils Lake, where he will university there. Approximately 48,000 pounds of butter has been manufactured here for the navy to date and it is expected that the contract will be filled considerably ahead of schedule, according to Manager Joe Holte. A. Mr. Rasmussen of Albert Lea will complete the inspection.

ELECTRIC LIGHT SERVICE TO BE EXTENDED SOON

Council Decides to Extend System to Serve Residents Near Soo Railway Shops

POLES AND WIRES ARE ORDERED PURCHASED

Several Houses Already Wired for Expected Light Service Some Years Ago

Residents in the outlying district around the Soo railway shops will soon have electric service for their lighting purposes as the city council Tuesday night instructed Oil Inspector Ed Ingstad to purchase poles and wire to make the necessary purchases of poles and wire and to contract the present system from Eighth street north, together with side lines as might be necessary.

It is nearly 15 years since the people in the north end of the city were promised electricity and quite a number of them have been waiting for that time. Recently the high line people have been anxious to serve these people, but at a recent meeting of the council they stated they would make no further attempt to take on this business if the city desired to have it. The council then decided to purchase the poles and wire and have the present system taken over. The Alderman told the representatives of the high line company they would not be needed in the future, and in compliance with this decision the aldermen have taken the step noted above.

The work will be made shortly, following surveying of the route to be used by the service of County Highway Engineer B. H. Hanson, probably being secured for the purpose. The work will involve the use of poles later on, it is said, to which the residents are cautioned to have their houses wired ready so as to be able to use alternating current when that is available, which will permit of its use in motors in the shops. The aldermen are seriously considering the feasibility of putting in a system of the dam up to the people at the Soo shops, and have the matter under consideration. The proposition is as the vote on Sunday movies, if they can give the citizens approval of the plan then the aldermen will take steps for work on the dam to start early next spring.

The city council at its meeting Tuesday night also approved the appointment of Mayor Hayes W. Wilkins, City Attorney Carl Quale, Mrs. O. P. Melby and Mrs. H. A. Brumund as members of the library board, and confirmed the election by the fire department of Alvin Dahle as successor to H. Prosseth, resigned. The council also granted the milk dealer's license of Jens Kleis, the same having been approved by the state inspector.

The W. C. T. U. was granted free use of the city auditorium for the state convention to be held here next week, and the monthly reports from the city clerk, city treasurer, judge of municipal court, city inspector and librarian, and ordered filed and placed on perusal. It was also decided to repair the lake walks and steps at the auditorium which are in bad condition, the same to be done by contract, bids to be opened at the next regular meeting, August 17, while repairs to the roof where it is needed was left to the building committee. After allowing the usual grist of bills the meeting adjourned.

Candidates Select Members of State G. O. P. Committee

Bernard Knudsen of this city has been named a member of the Republican state committee, representing Pennington county in the Ninth congressional district, it was announced Saturday following organization of the state committee at a meeting of Republican candidates for state offices and congress held in the office of Governor Theodore Christianson. The Republican executive committee of the state will be named by the elected law, who directed the Christianson, Knudsen and other committeemen in calling Martin Wisdom of Crookston, Member of the Ninth district group, which is selected by the congressional candidate, C. G. Selvig of Crookston, in addition to Mr. Knudsen are: Dr. N. W. Watson, Red Lake Falls; Frank Jensen, Fergus Falls; Mrs. A. L. Jensen, Clearbrook; J. P. Matteson, Warren; J. O. Nelson, Bloomenfield; Mrs. C. R. Oliver, Barnesville; R. M. Sinn, Crookston; Mrs. Ida L. Rolland, Detroit; Mrs. John Brenland, Hallock; W. H. Coleman, Baudette; Mrs. J. M. Hardy, Mahnomen; and Mr. Widsten, who is Mr. Selvig's campaign director.

Judge Grindeland Hears Petitions and Motion

Judge Andrew Grindeland of Warren was in Thief River Falls Monday and Tuesday of this week to hear state banking department for assessing double liability on the stockholders of the closed Goodridge State bank and the Farmers State bank of Thief River Falls, with Frank Brenna special attorney for the banking department, appointed the petition. An order will be drawn immediately by the judge requesting payment of the liability, according to Clerk of Court Adolf Eklund.

Judge's plaintiff for a new trial in the Carl Hobner vs. Soo Line Railway company case, which was heard and taken under advisement. Hobner is represented by C. D. Barrie and the Soo Line by James S. Hetland of Minneapolis. When tried in the July term of district court the judge ordered a verdict for defendant.

Judge Grindeland will come to this city again on September 1 to hear the Ole Bjerkeseth-Stewart's petition for assessing double liability against stockholders of the defunct Security state bank of Thief River Falls.

STREETS GRAVELLED

Two more needed improvements on Thief River Falls streets have been made during the past week by the street department, namely the graveling of Red Lake Boulevard from the Soo Line station to Eighth street and 2nd street from the Model Steam Laundry to the pavement on LaBree avenue, the graveling of Knstad avenue from Bridge street to the river and other projects are also planned. The gravel on the street leading to the fair grounds proved its worth in the rains during the fair last week.

T. R. Falls Woman Heads State Legion Auxiliary

Mrs. J. M. Bishop of this city was unanimously elected president of the department auxiliary of the American Legion Auxiliary. This distinction was accorded the local woman at the state convention held this week in Mankato. Mrs. Bishop has served the state organization the past year as president and chairman of the child welfare committee, giving valuable service to the families of needy veterans. Active in Auxiliary work since its inception she organized the local unit and the district organized the first Ninth district president and when the state Auxiliary was organized last year she was elected and she contributed much to its success as general chairman of the convention committee. For two years she was a member of the state executive committee. Mrs. Bishop succeeds Mrs. Milton Spencer of Winona, president two years.

Present at the Mankato Legion and Auxiliary conventions, which closed yesterday, are the following from Thief River Falls: Mrs. Bishop, Mrs. Verner Nelson, Mr. and Mrs. Andrew Peterson, Mr. and Mrs. Ole Gulrud, Mr. and Mrs. Fred Scanlan, Mrs. Harold Provencher, Mrs. Henry Prosseth, Mrs. Ralph Hanson and Carl Gulrud.

Rufus B. Rand, 37, of Minneapolis, was elected Legion commander.

CONG. WEFALD WILL SPEAK HERE SUNDAY

Ninth District Representative to Address Picnic Crowds and P.-L. Gathering

With favorable weather, expectations are for a large crowd at the fifth annual picnic of the Peoples Co-operative Store company to be held Sunday at Nordeen's Point, under the auspices of the Pennington County Farmers' Educational club, and a big time is also scheduled to speak. The co-operative people will be joined in by members of the Pennington County Farmers' Educational club, and all parties are interested, according to announcements made by committees in charge.

It is expected that Congressman Wefald will discuss various matters in connection with the recent session of Congress.

According to plans those attending will enjoy a picnic dinner at the grounds, the program to commence at 2 p. m. There will also be a program of sports for the children, ice cream, sugar and coffee be furnished by the store and refreshments will be for sale on the grounds. In case of rain Messrs. Wefald and Nolden will speak in the Princess theatre.

WORD OF APPRECIATION

The officials and directors of the Pennington County Agricultural Society desire to express appreciation to all the people who worked so hard to make the 1926 fair a success," of the county fair a success. The various committees and department worked hard in getting the exhibits and displays ready to be best advantage. This annual event does more to advertise the Pennington county and Thief River Falls than anything else that could be staged during the year. It is with that thought in mind that we extend our thanks with the fair here worked so successfully in putting it across.

By J. J. McCann, Secretary.

NEW ZION PASTOR TO BE INSTALLED

Fargo Church Official to Install Rev. Tungseth — Neighbor Congregations Invited

Rev. Urdahl of Fargo, vice president of the Norwegian Lutheran Free Church of America, will officiate at the installation of Rev. E. L. Tungseth as pastor of the Zion Lutheran Free church next Sunday afternoon at the Nordeen, Goodridge, and Rosewood congregations, according to word received here from Rev. Urdahl. The installation services will take place in the Norwegian language, who comes here from Hawley, Minn., where he has served as pastor of the congregation there for four years.

Rev. Tungseth will preach his opening sermon in the English language at 11 a. m., the installation services to be held in the afternoon in the Norwegian language. Rev. Urdahl is scheduled to preach at 7:45 p. m.

Spreading Pennington's Alfalfa Fame

This is the alfalfa float used on the Pennington county exhibit at the Red River Valley Potato and Diversified Crops exposition held in Grand Forks August 3 to 6. The float, sponsored by the Thief River Falls business men's association, was a novel one and attracted much attention. It was driven over the streets of Grand Forks during the parade on the opening day of the exposition, and was also on display at the fair grounds during the entire exposition. Pennington county is in southern Minnesota.

According to word received here by members of the party, they are well received all along the route and are attracting widespread attention, thousands of people viewing the alfalfa float. They are distributing more than 10,000 circulars calling attention to the advantages of this city and county and wherever a stop is made the members of the party are answering questions concerning this territory, particularly regarding alfalfa and its possibilities here.

The novel conveyance, which carries a big eight-foot bale, left Friday afternoon from the grandstand filled with cheering county fair visitors and arrived in Detroit that night. Continuing its trip southward thru Fergus Falls, Glenwood and Benson, the party arrived in Minneapolis Sunday night, the first municipal organization at the state fair to do so. Stops were made in practically every town enroute, the band played and circulars were distributed. Many photographs were taken of the float.

On its return the booster party is stopping in the Twin Cities, in St. Cloud where the state Elks convention opened yesterday, and other intermediate points, expecting to arrive here the last of the week.

Members of the band are Bandmaster L. Tollefson, Lawrence Hermanson, P. G. Peterson, R. J. Lawson, H. S. Snyder, Earl Espeseth, Leonard Eckland, and Ernest Rude, drivers, some of them appearing on the platform above, fitted out in overalls, wide brimmed straw hats, and red handkerchiefs. They report an enjoyable trip.

It is said that the alfalfa bale in the float, which was taken from the Peter Engelstad farm, is attracting most attention among the bovine population in the district regions of the state and a special guard has to be maintained to keep the cows away.

PENNINGTON COUNTY FAIR IS A SUCCESS

Large Crowds Attend Silver Fair Last Week in Spite of Heavy Rains Thursday

GATE RECEIPTS PASS LAST YEAR'S TOTAL

Many Fast Horses Compete for Prizes in Interesting Race Programs Here

In spite of the heavy downpour of rain on the second day of the 25th annual Pennington county fair, gate receipts totaled more than $700 above last year. Large crowds attended each day, the attendance on the grounds Thursday, about 7,000. More than 4,000 free tickets had been distributed in addition to those sold on the opening day. The 1926 gate receipts total $2,700, with the grand stand being nearly $400. As in former years many came here from neighboring counties to attend the fair.

With about 50 horses here to contend for purses and the track in excellent condition, the races Thursday and Friday afternoons were among the best ever seen here. Several of the best horses in this part of the county were entered in the races. The free fireworks by the Thayer-Dufield Fireworks company Thursday and Friday nights was a spectacular feature of the entertainment, the display being a new number, and consisting of a large number of set pieces, the Fireworks program could not be carried out because of the downpour of the rain that day.

The Boy Scouts, a troops of negroes, furnished most of the free service, r

SOCIAL ITEMS

Olson—Champagne

Miss Florence Olson, daughter of Mr. and Mrs. Gust Olson of Poplar River township, near Flaxmere, Wednesday of last week became the bride of Walter Champagne, son of Mr. and Mrs. Max Champagne, also of Poplar River. The newlyweds will make their home on a farm in Poplar River.

Tourtate-Wed

Judge Backe officiated at the marriage of two out-of-town couples last week when Miss Josephine Wax of St. Paul, was bonored with the bride's groom, Stanley Johnson of Oakland, Calif., Saturday, August 7, and Miss Helen Nelson of Milaweska, Wis., became the wife of Carlos Montier of Bemidji, Friday, August 6.

Birthday Party

Mrs. W. L. Hall was hostess to nine little girls at her home Monday afternoon, the occasion being the seventh birthday of her daughter Marguerite.

Swanson—Ingberg

Miss Adelaide Swanson, daughter of Mr. and Mrs. Karen Swanson of Mayer, was married Saturday afternoon, August 7, at her home near Marie to Harold A. Ingberg of Fargo, N. Dak. The ceremony was performed by Rev. D. O. Rabe of Marie in the presence of Miss Agnes Lobdell of Kraft's and Charles Swanson, brother of the bride. Following the ceremony, a three-course dinner was served to the immediate relatives of the bride and groom.

The bride is a graduate of the Fargo business college, and has been employed as stenographer for a Fargo firm for some time. The groom is a graduate of the North Dakota State college at Fargo, in which city he is now employed. The couple will visit a week at the home of the bride's parents at Marie, after which they will return to Fargo where they will make their home.

Brady—Nelson

Miss Olga M. Beney, daughter of John Brady of this city, was married Wednesday evening of last week to Clarence E. Nelson, son of Mr. and Mrs. Chas. Nelson of this city. The ceremony was performed at the Methodist parsonage, Rev. Mr. Thostenson officiating in the presence of Mr. and Mrs. Theodore Beney. Immediately following the ceremony the wedding party enjoyed a supper at the Thos. Brady home. The newly-weds are making their home in this city, Mr. Nelson being employed here with the Soo Line.

Bridal Shower

Miss Grace Johnson was honor guest at a post-nuptial shower given at her home at town Saturday night, August 7. About nine o'clock twenty-seven friends, including a number of people, drove into the yard, surprising the August-brides-to-be with many beautiful and practical gifts. The hours were passed at games and music, after which a delicious lunch was served.

Torgerson Y. P. S.

The Torgerson Young People's society will meet this Friday, August 13, with Gunder Tveskt at the Torgerson store. Everybody welcome.

Halverson—Jacobson

Miss Esther Halverson, daughter of Mr. and Mrs. John Halverson of Viking, was married to Carl Johnson, son of Viking Saturday evening at the Trinity lutheran parsonage, Rev. T. L. Tallakson reading the service in the presence of Grit and Ruth Halverson, brother and sister of the bride. Miss Halverson, who is a graduate of Viking high school, is employed at the Soo depot at Viking. Mr. Johnson is a farmer living near Viking. The bride is the grandchild of Mr. and Mrs. Ole Halverson of Viking. The couple will continue in that capacity.

Celebrates Birthday

Mrs. E. C. Nelson entertained a number of little girls at her home Monday afternoon, in celebration of the ninth birthday of her daughter Lois. Those present were Jewel Warner, Zona Horgan, Marjorie Thorsen, Delores and Verona Urdahl, Thelma Anden and Evangeline Doolittle.

Valentine for Neice

Complimenting her neice, Miss Margaret Kelley of North Lake, N. Dak., who is visiting here this week, Mrs. Ed Kelley entertained a group of young people at a dancing party at her home Monday evening.

Newlyweds Surprised

Mr. and Mrs. Oscar Lee, newlyweds of last month, were pleasantly surprised Wednesday night, August 29, the occasion being the latter's birthday. A color scheme of pink and white was used at the table, with a three-course quet of pink sweet peas and white candles as centrepieces. Covers were laid for nine.

Treland-Kerr

The farm home of Mons Treland, Wyandotte township, was the scene of a pretty wedding Sunday afternoon, when his daughter, Miss Ella became the wife of Robert C. Kerr, son of Mr. and Mrs. Wm. S. Kerr of Battle Prairie. The ceremony was performed at an improvised altar of Virginia creeper, Rev. Thostenson of Tallakson reading the service in the presence of about 75 friends and immediate relatives of the couple attending. They will make their home in this city, Mr. Kerr being employed at the Nystrom Cafe.

Birthday Party

Sixty young people of the city were entertained at a party in the Masonic hall Thursday evening, following the Masonic lodge meeting. Miss Viola Nelson acted as hostess to the affair, and Mrs. C. W. Fewling and Miss Pauline Fewling. The hours were pleasantly spent in games and dancing, and a delicious luncheon was served at a late hour. The hostesses were presented with a gift from their friends.

The Daughters of Norway lodge will have its regular business meeting and initiation Tuesday evening, August 17.

The Presbyterian Ladies aid will entertain Thursday afternoon, August 19, at the Albert Johnson farm Friday afternoon, August 13. All members are especially urged to attend.

The Degree of Honor lodge will be entertained tonight, Friday evening, at the home of Mrs. Ole Nicholson, 218 Markley avenue south. There will be initiation and all members are requested to be present.

St. Barnard's Guild will meet in the church parlors Thursday afternoon, August 19, entertained by Mesdames L. DeCremer, George Wernstein, Mary Misch and Thomas Kinsela.

LIBRARY NOTES

The following books of fiction have recently been put on the shelves: Cornwell, "The Black Monday;" Ringmaster, "Keller's Anna Ruth;" Wren, "Penn Gertie;" Stribling, "Teetallow." Farrel, "High Adventure." Mills, "Mr. and Mrs. Mc. Sen." Beach, "Padlocked." Erskine, "Private Life of Helen of Troy."

Entertains for Guests

A number of ladies enjoyed a picnic supper in the Tourist Park Tuesday afternoon, in compliment to Mrs. Louise Pawling, daughter, Miss Pauline, and daughter-in-law, Mrs. C. W. Fewling, of Oakland, Calif., former Thief River Falls residents, who are visiting friends in this city. Besides the honor guests, those attending were Mrs. Ingvald Fossum, Mrs. James Wallace, Mrs. R. O. Waller and daughter Miss Ella, Mrs. Fred Hollenstein and Mrs. Fred Hollenstein and daughters, Helen and Ruth, Mrs. C. W. McPhail, Mrs. Thomas Sells and daughter Louise Mrs. Fred Dahler, Mrs. A. Dahl, Mrs. Henry Miller and daughters Miss Ella Miller and Mrs. Sophus Arneson, Mrs. W. A. Bishop and daughter Miss Alice, Mrs. Ole Haraldson and Mrs. M. Schultz.

Miss Alpha Bishop was hostess at a picnic supper at the Tourist Park Saturday evening in honor of Mrs. Louise and Mrs. C. W. Fewling. Other guests invited Mr. and Mrs. Leonard Rinehart, Mr. and Mrs. Earl Heyerdahl, Mr. and Mrs. George Erickson, Mr. and Mrs. S. Salvador, Mr. and Mrs. Christian Engelstad, Mr. and Mrs. Kenneth Bishop, Miss Esther Quicksen, Miss Esther Quicksen, Miss Pauline Fawling, Guy Lang, Fred Hansen, Jake Quicksen, Norstebonne and Orlando Bishop.

Mrs. W. A. Blaine was hostess at a six o'clock dinner Monday evening in honor of Mrs. Louise Fewling, the occasion being the latter's birthday. A color scheme of pink and white was used at the table, with a bouquet of pink sweet peas and white candles as centrepieces. Covers were laid for nine.

Flowers for Convention

Anyone who has flowers to donate for the A. T. U.-Zir the convention August 13-20, may call Mrs. E. T. Ballard, Mrs. Theo. Quale, Mrs. Hugh Hetherson, or Mrs. N. A. Nelson.

S. of N. Meeting Changed

The next meeting of the Sons of Norway lodge will be held Wednesday, Aug. 18, instead of on the 19th, to make the hall available for the Trinity Ladies aid's banquet for the W. M. E. L. convention delegates to be served Thursday evening.

Aastad-Burns

The Detroit Lutheran church was the scene of a very pretty wedding Saturday afternoon, August 7, when Miss Nora Irene Aastad, daughter of Rt. Rev. and Mrs. T. T. Aastad, formerly of this city, became the bride of Fred Burns, Jr., son of Mr. and Mrs. T. H. Burns of Valley City, N. D., the ceremony being performed by Rev. C. Sweby, local pastor, performed the ceremony at 4:30 o'clock.

The church, which was carpeted in white and had the chancel steps banked with ferns and baskets of gladioli, asters, snap-dragons and sweet peas adorned the altar and sides.

Miss Louise Hinrich played the wedding music and also accompanied Henry Hittenthal, who sang preceding the ceremony.

Miss Aastad's attendants were, Miss Gertrude Burns, sister of the groom, who was gowned in light yellow georgette and Miss Agnes Aastad, the maid of honor, who wore a gown of orchid georgette and taffeta. They carried arm-bouquets of sweet-peas, baby-breath and pink roses. Miss Dora Larson, daughter of Dr. and Mrs. O. G. Larson, flower girl, wore a frock of white organdie over pink silk, and carried a basket of rose petals which she scattered as she proceeded up the aisle.

The bride, who entered with her father, was gowned in an all over hand embroidered white silk dress made entirely. Her tulle veil, which had been worn by her mother, was arranged under a coronet of rose point lace. She carried a shower-bouquet of bride' roses, sweet peas and baby breath.

The groom's attendants were Harold Burns, his brother, as best man, and Henry Aastad, brother of the bride.

A reception and dinner at the Graystone hotel followed the ceremony.

Mr. and Mrs. Burns left for an extended motor trip through northern Minnesota, after which they will be at home at Villard, Minnesota.

Mrs. Erickson Appears in Piano Recital in Chicago

Mrs. Thelma Holte Erickson, local pianist-instructor who has been a pupil of Glenn Dillard Gunn, noted Chicago teacher, during the summer session of Gunn School of Music and Dramatic Art in Chicago, Wednesday of last week appeared in a piano recital in the Fine Arts building. She was assisted by Frances 7. Norwood and Hazel LaPrade, pupils of Beatrice Thatcher. Mrs. Erickson played the following numbers: "Polonaise," Chopin; eight preludes, "Op. 28," Chopin; "Gavotte," Sapellnikoff; "Finlandia," Glazounoff; "Scandinavia," Almsley; "Etude in D Flat," Liszt; and "Rhapsody," Dohnanyi. Mr. Gunn is recognized as one of the leading piano teachers in the country.

Mrs. Erickson is expected to return to Thief River Falls this week.

Entered as second class matter at the postoffice at Thief River Falls, Minn.

Official Paper Pennington County

Next week Thief River Falls will entertain members of the Women's Christian Temperance Union from all parts of Minnesota. This convention presents another opportunity for showing the hospitality and friendliness toward visitors. Let us all do our utmost to make them feel that they are welcome here.

Plenty Money For Automobiles

We frequently here pointed out to us the enormous drain the average Minnesota community suffers in its annual expenditure for automobiles. Figured up it is a terrific expense that the communities of a generation ago did not have to meet. However, we are paying the automobile bill and hundreds of other bills unknown a decade ago, paying double for educational facilities, triple for highway maintenances, building better homes, and still there is more money in banks than the average small community even dreamed of having a dozen of years ago. A new interesting question is, where is all the money coming from?—Belle Plaine Herald.

THE MACHINE AGE

Is a wonderful thing. The cash register salesman tells us he has a machine that will keep us from stealing our own money.

Hank Ford made a machine to more or less take the place of the skunk and the horse. Then he claimed he could make one to take the place of the cow. Some folks claim he has done it. Claim they have bought a machine that, of course—cut right off one of Henry's iron Cows. We don't wonder it is necessary to invent new and improved machinery to cut up this modern beef. Suppose the dentists will put in a line of tool-steel teeth to chow it.

Personally we are old-fashioned. Aim to get along a while longer with the old-fashioned corn-fed beef which we can cut with an ordinary knife and saw. We have some of this old-fashioned corn-fed beef on hand right along and our customers call it good.

Then we have a ground meat mixture that is good—sausage seasoned—fries good or makes a fine and dandy meat loaf—and the price is right.

Home Rendered Lard a Specialty.

"If Your Cool Dollar Talks Cents It Will Want To Be Spent Here."

List of Delinquent Auto Tax-payers Dwindles, Sheriff Says

Warrants for the collection of delinquent motor vehicle taxes in Pennington county have been turned over to Sheriff O. L. Ellis, but indications are that only two or three of the 93 listed by the state department "really delinquent," the others having dismantled or sold their machines or moved out of the state, according to the sheriff. Failure on the part of car owners to report to the state department makes their taxes appear unpaid.

Any personal property may be confiscated by the sheriff to make payment of the delinquent motor tax. It is not necessary to confiscate the automobiles, altho that is usually done. Increasing numbers of delinquent taxpayers has made it necessary to stringently enforce the law. Only cars that have been listed are free from the tax. Cars that are not in use for the entire year, and have been in the garage the entire time, are not exempt from this taxation, it is declared.

Duluth-Winnipeg Bus Line May Be Result of Tour

A motor bus transport service between Winnipeg and Duluth may be the immediate outcome of the pool which motor run by Head of the Lakes boosters last week if the total trip of two big motor busses proves satisfactory, according to P. V. Seely of the Duluth Chamber of Commerce and among the boosters who stopped in Thief River Falls. The Northland Transportation company has put two big busses at the disposal of the sociability tour, late to bring the Great Lakes Exposition to Winnipeg and return, purposes other, for the local union. Mrs. Ida L. Christie, Long Prairie, will respond to the greetings.

"Fifty-Years of Building" will be the general subject of the later program with "Short talks" will be given by: Mrs. Helen H. Upton, Detroit, on "The Foundation"; by Miss Hendrix on "The Superstructure"; by Mrs. Essie Estelle Sorrell, Minneapolis, on "The Capstone"; by Mrs. Lila H. Matteson, St. Cloud, on "Why This Building"; by Mrs. Northfield on "The Dedication," and by Mrs. Nina Allen Frisbee on "Tithes into the Storehouse." Stunts will be given by individual unions and districts.

Officers and delegates to the national convention in Los Angeles will be elected at the business session Friday at 10:30 a.m. Mrs. Della Mandt, St. Paul, will lead the devotional service and half of the 30 district presidents in the state will give their reports.

Mrs. Stella Cannon, Stewartville, state superintendent, will speak at 2 p.m. "What Shall We Do With the Children Who Does Not Vote" Friday at 4:30 p. m. Mrs. Thelma Helm Erickson and Miss Frances Ordway of Duluth city will play a piano duet, and Mrs. E. Kelmeyer, Crookston, will lead the devotionals.

Awards in the gold medal declamation contest will be given Friday evening, commencing at 7:30 o'clock. Mrs. Stella Bryan, Fresburg, will talk on "The Medal Contest of Today." Mrs. Doris Halverson Pope of this city will give a piano solo and Mrs. C. Resp and Elva Porter of this city will sing solos.

The union's legislation plans for 1926 and 1927 will be outlined by Mrs. Myra Griswold, Minneapolis, legislative superintendent, Saturday at 11 a. m. Devotional services will be conducted by Mrs. Hulda Beckman, Duluth, and a solo will be sung by Mrs. M. Brink of this city.

The Saturday afternoon session will be given over to young people's work, when Mrs. Cora Reese Wilmar, will present the young people's branch work and Mrs. Matilda Belgum, Kensington, will give a demonstration of the Loyal Temperance Legion, assisted by children of the local churches.

A sightseeing tour is planned for Saturday afternoon, cars to be furnished by members of the Commercial club.

"The Bootlegger's Trial," a one act play, will be presented Saturday at 7:30 p. m. Those who will take part are: Mrs. Ella Gray, Mrs. Ethel Wilson, W. Simpson and Mrs. Ellen Crabb. A piano solo will be played by Miss Weeke.

Mrs. Elizabeth Preston Anderson will preach the convention sermon Sunday at 3 p. m. in the Presbyterian church. Her topic will be "Where is Your Candle?" Devotions in charge conducted by Rev. A. Barackman of Lindsborg, Kans., former pastor here and music to be furnished by a joint choir from several churches.

Chester S. Wilson will give an address on "Law Enforcement" the same day at 8 p. m., following which there will be a parade given by Thief River Falls legion members, this to be the closing session of the convention.

Rehearsals for the pageant are going on every night under the direction of Mrs. C. E. Rands. The cast consists of about 75 characters, headed by Miss Ida Stevenson as Frances Willard. Several chorus numbers are included.

Day meetings will be held in the high school auditorium, while the evening meetings are scheduled for the city auditorium. Executive and committee meetings and conferences will be held at various times during the four days of the convention.

Officers of the Minnesota W. C. T. U. besides Mrs. Rinen, president, are: Mrs. Bessie Estle Sorrell, Minneapolis, vice president; Mrs. Vera F. Stanley, Minneapolis, corresponding secretary; Mrs. Pamelia W. Muhleman, St. Paul, recording secretary; Mrs. Lila M. Matteson, St. Paul, assistant recording secretary; Mrs. Martha J. Hunt, St. Paul, treasurer; Mrs. Sorrell and Miss Hendrix, presidents' emeritus.

APPLYS FOR RENEWALS

Only two Marshall county girls took the recent state teachers examinations held in Warren, while 85 made application for renewal of certificates, 21 being for first grade. Among those applying for first grade renewals are: Mabel G. Corbett, Goodridge; Alfa Norbeck, Thief River Falls; Hulda Norby, Grygla; Gladys C. Elefson, Thief River Falls; Mata S. Koepp, Holt; May C. Pratt, Goodridge; Mabel B. Johnson, Argyle; Anna E. Henley, Thief River Falls; Thea E. Stallheim, Thief River Falls; Grace Mamie Zavoral, Thief River Falls for second grade; Mrs. Bertha F. Knutson, Grygla; Mrs. Cora Nelson, Thief River Falls; Miss Frida Blasberg, Hendrickson; Mabel T. Johnson, Grygla; Sylvia Hendrickson, Germantown, and Johanna Larson, Holt.

INVESTIGATE PRAY CROPS

Dr. A. J. Alway, head of the soils division of the Minnesota university, and Prof. A. Strandskov of St. Paul were in the Grygla vicinity a week ago Sunday to investigate methods of handling peat lands. This lead Editor Massey of the Grygla Eagle to say, "This demonstrates that the Red River Valley will be sometime called, should not feel so insecure as we sometimes do, as we are recognized the world over." The soil experts visited in this city on their way to Karlstad, where experimental plots are also maintained by the university.

TEMPERANCE WOMEN OF STATE GATHER FOR GOLDEN JUBILEE IN T. R. FALLS NEXT WEEK

(Continued from page one)

Mrs. Lucy Chapin of Euclid, a memorial service will be given.

A round table discussion for the 21 superintendents of the state organization will be a part of Thursday's afternoon's program. Preceding this there is to be a piano solo by Miss Ruth Hanson of this city and a reading by Herman Bischoff, who is expected here from Minneapolis. The song service will be led by Mrs. Reed and the devotionals will be in charge of Mrs. Adelle May Norton, Pine City. Mrs. Josephine Haff, St. Paul, state superintendent, will give a memorial and demonstration and observe, Mrs. Ward will give a report on the union literature, and Miss Rosete Hendrix, Minneapolis, will present an amendment to the constitution.

Mrs. Rinen will be toastmistress at the banquet Thursday evening at the Sons of Norway hall, served by the "Ladies' Aid" of the Trinity church. Music will be furnished by Miss Belle Hermanson, pianist; Mrs. R. Preus, violinist, and Mrs. C. P. Melby, vocalist and Gordon Overland and Junior Preus, violinist, will present a number. Mrs. Aug. Holmberg, piano, all of this city.

Brief greetings to the convention will be given by Mayor W. W. Pyschan, for the city; Rev. T. Dischler, for the churches; Supt. Morris Bye, for the schools; Dr. H. W. Freshlief, for the Commercial club; County Attorney Thos. Quale, for the Welfare club; Mrs. J. M. Bishop, for the Women's club; Mrs. T. F. Anderson, for the American Legion Auxiliary; Mrs. Alma Levins, Crookston, for district 14. W. C. T. U. and Miss Anna Bether, for the local union. Mrs. Ida L. Christie, Long Prairie, will respond to the greetings.

"Fifty-Years of Building" will be the general subject of the later program with "Short talks" will be given by: Mrs. Helen H. Upton, Detroit, on "The Foundation"; by Miss Hendrix on "The Superstructure"; by Mrs. Essie Estelle Sorrell, Minneapolis, on "The Capstone"; by Mrs. Lila H. Matteson, St. Cloud, on "Why This Building"; by Mrs. Northfield on "The Dedication," and by Mrs. Nina Allen Frisbee on "Tithes into the Storehouse." Stunts will be given by individual unions and districts.

Officers and delegates to the national convention in Los Angeles will be elected at the business session Friday at 10:30 a.m. Mrs. Della Mandt, St. Paul, will lead the devotional service and half of the 30 district presidents in the state will give their reports.

Mrs. Stella Cannon, Stewartville, state superintendent, will speak at 2 p.m. "What Shall We Do With the Children Who Does Not Vote" Friday at 4:30 p. m. Mrs. Thelma Helm Erickson and Miss Frances Ordway of Duluth city will play a piano duet, and Mrs. E. Kelmeyer, Crookston, will lead the devotionals.

Awards in the gold medal declamation contest will be given Friday evening, commencing at 7:30 o'clock. Mrs. Stella Bryan, Fresburg, will talk on "The Medal Contest of Today." Mrs. Doris Halverson Pope of this city will give a piano solo and Mrs. C. Resp and Elva Porter of this city will sing solos.

The union's legislation plans for 1926 and 1927 will be outlined by Mrs. Myra Griswold, Minneapolis, legislative superintendent, Saturday at 11 a. m. Devotional services will be conducted by Mrs. Hulda Beckman, Duluth, and a solo will be sung by Mrs. M. Brink of this city.

The Saturday afternoon session will be given over to young people's work, when Mrs. Cora Reese Wilmar, will present the young people's branch work and Mrs. Matilda Belgum, Kensington, will give a demonstration of the Loyal Temperance Legion, assisted by children of the local churches.

A sightseeing tour is planned for Saturday afternoon, cars to be furnished by members of the Commercial club.

"The Bootlegger's Trial," a one act play, will be presented Saturday at 7:30 p. m. Those who will take part are: Mrs. Ella Gray, Mrs. Ethel Wilson, W. Simpson and Mrs. Ellen Crabb. A piano solo will be played by Miss Weeke.

Hunt, St. Paul, treasurer; Mrs. Sorrell and Miss Hendrix, presidents' emeritus.

BEET FACTORY NEARLY READY

The American Beet Sugar company's factory at East Grand Forks will be in operation by September 25, turning out home-produced sugar after home-produced sugar beets, it is announced by the Grand Forks Herald. The million dollar plant presents a striking appearance of size and activity. Harvesting of beets in the Red River valley will probably begin between September 15 and 20. A satisfactory yield is expected. Beets raised here this year will be shipped to the East Grand Forks factory. The acreage in Pennington county is very small this season but increased interest is anticipated in 1927.

C. G. Selvig Presents Political Views in Statement to Public

Following the primary campaign in which the people named the present Republican nominee for Congress in the Ninth Minnesota district, for which honor I now and here extend to all my appreciation, I felt that perhaps the people had a right to know if there were a few weeds' quiet spell before carrying on again.

"Nothing could serve to warm me up, however, than a query as to where I stand on the great issue confronting the American people, the farm relief problem.

"I have been so closely identified with the campaign in Minnesota for agricultural relief that I assumed all knew of those activities.

"Just cited, however, of the opportunity afforded me of stating my position I will say:

"In the fall of 1923 the export corporation idea was given impetus by a committee of bankers from the ninth federal reserve district headed by Mr. Sprague, of Boston. The plans then laid have been presented to Secretary Hoover before but only after the Chicago convention in 1924 and to the assistant secretary, Mr. Howard Gore, did he recommend it in his annual report to the President.

"The Minnesota Export Commission of which I was organization in securing Congressional support for the establishment of a government export corporation to handle our surplus and to secure the enactment of a bill providing for such a corporation or board. I was elected president of the state league and a member of the national committee. There were some very busy weeks and months spent in this work from 1922 and 1924. Later the interests of the league became merged with the administrative duties falling chiefly on myself. State groups in the various states were organized and as members of this league, the forerunner of the later groups organized to secure the enactment of farm relief legislation, including Corn Belt committeemen, the Minnesota Council of Agriculture.

"The McNary-Haugen bill was drafted. As a representative of the Minnesota Export Leagues and of the Interstate Leagues, I went to Washington twice and spent in all at my personal capital two and one-half months in the spring of 1922, assisting in drafting the bill and in explaining its provisions to congressmen and finally secure members of Congress who was on record as favoring the Norris-Sinclair bill.

"The Haugen bill which was drafted last winter embodies the principles of the bills previously urged and supported since the beginning of this fight. A treasonious increase in strength has been developed for such a measure since Oct-fall of 1925. The East is still opposed to the needs of our farmers. The National Industrial Conference Board's report is far-reaching and convincing. Farmers in the southland also are giving support to the measure. A resolution based upon the Haugen bill with the equalization fee feature simply must be and will be passed. No other outcome should be accepted by the farmers of our land.

"Every piece of legislation of far-reaching importance must meet the attacks of indifferent and of opposing interests. Public opinion must be formed and while I am greatly disappointed in the failure of the present Congress to act, I am not discouraged because what must be done will be done.

"Carry a big stick but don't talk your head off, is my notion of how the legislation demanded by farmers is going to be secured. It is a fundamental conviction with me that something must be done. A letter was sent out during the primary campaign which states my position very plainly.

"It is not only the Haugen bill that is at issue. The farmer's purchasing ability is much below what it was in 1914. His farm debt has increased and he is unable, under present conditions, to reduce it. He is by-in no artificially created barriers and is compelled to sell nearly all his products on a world market. The protective system must be extended to the farmer who asks only that justice be rendered him.

"Transportation, taxation, credit problems, land tenure and honesty in labeling food products, are other problems that cry for amendment and change in the interests of agriculture. It's going to be a long, hard fight but loyalty and persistence on the part of agriculture's representatives and the spokesmen for farmers will win out in the end. All realize that agricultural well-being is of fundamental importance to the cities, to the industrial east, if you please, as well as to the west here in the productive region.

"The lines are forming for a real fight. Lines have formed before and victories for the people have been won. 'Equality for Agriculture' is the battle-cry. United action is the weapon. An enlighted public opinion is the cost. We shall win because we must win!"

WILLIAM RICHHAMMEN

Word has been received at the death of William Richhammen, son of Mr. and Mrs. Peter Richhammen of East Grand Forks, death being caused by peritonitis. He was known to many here having visited his sisters, Margaret and Josephine, here numerous times.

SATURDAY
August 21st

IN ORDER to get our orders placed in Montana we must have all applications for yearling ewes signed up by Saturday, August 21st.

If you are planning on increasing your flock this fall, or starting in with sheep, come in as soon as possible.

This favorable plan and low rate of interest may never be offered again.

Smart New Rumble Seat
For Sport Roadster

Rumble seats are mostly pig-iron. They add a snort, snatch and stutter to motor lines, and increase the carrying capacity by two passengers.

That Dodge Brothers Sport Roadster now provides this convenience, will be welcome news to thousands.

Like the cash seat, it is deeply upholstered in fine Spanish grained leather, and the seat back is high and well pitched, providing unusual comfort.

When closed, the rear compartment is absolutely waterproof, even in rainiest weather.

Ample space is provided behind the cash seat for golf clubs, suit cases, etc. Two inches of cash and stitcher luggage.

Brilliant pheasant green lacquer body and hood, strikingly in contrast with the tan top, black fenders and full specified equipment completes a sport coupe scheme of exceptional dash and charm.

Touring Car	$913.00
Roadster	910.00
Coupe	964.50
Sedan	1022.00

Rural Credit Loans Number 8,449 Annual Report Shows

The rural credits department of Minnesota had $40,852,749 in first mortgage loans outstanding on June 30th, 1926, and the total number of loans in force at that date was 8,449 according to the annual report made public last week by the rural credit board its Governor Theodore Christianson.

Since the establishment of the department in 1923, borrowers have made payments amounting to $7,-257. During the year ending last June 30th there were 1,107 loans made for a total of $4,339,200. Applications to the number of 492 for loans aggregating $2,000,000, have been approved but are not finally made.

The report shows that 85 loans were paid in full and cancelled and 62 have been foreclosed so that the state holds real estate amounting to 1,237 acres on loans amounting to $450,917. There are also a number of other holdings of the state by reason of foreclosure.

Expense of the department for the last fiscal year was $103,783 which includes the salaries of three commissioners, office force, an appraiser and traveling expenses of the latter.

A total of 119 applications for loans most of which were granted, were appraised during 1925 by F. F. Haynes of this city, appraiser for the department.

ADDITIONAL LOCAL NEWS

John Kiewel of Crookston was business visitor here Saturday. On his return he was accompanied by Miss Irene Kiewel who visited in Crookston over the week-end.

KILLED WHEN CAR UPSETS

Stanley Sorenson of McIntosh, 24, son of Justice of Peace S. K. Sorenson of Crookston, was killed Thursday morning about 9:30 o'clock when the Ca-dillac sedan which he was driving overturned near T. H. No. 9, four miles east of Mentor. A companion was pinned under the car but escaped with no serious injuries.

Happy Wedlock Sure Thing If Bride Is Cook

By KATHRYN ST. JOHN

Haphazard meals rarely ruin themselves at marriage. Most unsatisfactory ships would maintain an average keel if brides knew cooking.

Most of the home wreck's troubles between newlyweds would be avoided if the wife knew what a delicious meal means with an experienced hand. Wives are to blame for the failure of many homes and for the unhappiness. The business man's health depends a great deal on what he eats. And the wife who is the cook has the key the right kind of food. A healthfully balanced diet good long way toward making the tired business man less fattened.

The expert home manager sees to it that her husband never comes home to a delicatessen lunch. There is a carefully planned meal waiting for him. The real housewife knows that an unbalanced diet means trouble and shields it. Likewise, she appreciates the fact that variation in her menus is important. In this connection the following recipes have been selected as an aid to the home manager:

Orange Bavarian.

1 cup marmalade ½ cup candied orange peel
½ cup dried peas ½ cup dried banana
1 cup pineapple 2 tbsp. lemon juice
juice ½ cup separated cream
½ cup cream milk
Mix the fruit and juices. Combine milk and cream, chill and whip; then fold in the fruit and marmalade. Pour into a mold and pack in equal parts of salt and ice. Serve on lettuce leaves. This serves eight.

Orange Bavarian.

1 tbsp. gelatin ½ cup evaporated milk
½ cup cold water 1 cup whipped cream
1 cup orange juice ½ cup sugar
Soak gelatin in cold water, add fruit juices, sugar and salt. Heat in the top of a double boiler until gelatin dissolves. Strain and set in pan of cold water. When mixture begins to set, fold in the evaporated milk and cream which have been beaten stiff.

Banana Ice Cream.

6 very ripe bananas 2 cups evaporated milk
½ cup lemon juice 2 cups cream
2½ cups sugar ½ tsp. salt
Scrape off adhering fibrous portion on surface of peeled bananas. Mash and rub through a sieve. Add the rest of the ingredients in the order given and stir until all are well blended. Let stand for 20 minutes or so, that all sugar may dissolve. Freeze in 1 or 2 gallon freezer. This recipe makes ½ gallon cream.

Useful Knowledge

Jim—How are you getting on with the cooking lessons, honey?

Betty—Oh, wonderful! By the time we are married I'll be a perfect cook, and I shall be so happy, especially when you eat it, for I'm learning all sorts of nice recipes for invalids.

Eagle's Nest Stops Transcontinental Telephone Service

Service on telephone lines between New York and San Francisco was interrupted by an eagle's nest built in the wires near Silver, Nevada.

Pieces of wire and automobile parts in the nest caused the trouble.

A bird hanging against the wires a little string tangled in them, and countless other things have interrupted service. Keeping the telephone wire in an endless and expensive task.

Size and "Soul"

"The 'big business' corporations of this country never made a better move than when they concluded to make it easy for their employes to become part owners in the business in which they are employed. Among such corporations the Standard of Indiana is conspicuous.

There is hardly an informed man in business of any kind who is not aware that within his power to do as much for his employes as the Standard Oil Company of Indiana has done and is doing for its employes."

These paragraphs are quoted from an editorial appearing in the Atlantic News Telegraph of Atlantic, Iowa, June 8, 1926.

They indicate the trend of public opinion in regard to "big business" in general, and the Standard Oil Company (Indiana) in particular.

The old feeling that large corporations are necessarily "soulless" because of their size has practically disappeared.

Greater information results in a better understanding, and this has been true, particularly in the case of the Standard Oil Company (Indiana).

A number of years ago this Company adopted the policy of openly and frankly discussing its problems, and publishing facts concerning its work and its organization.

Open and straightforward statements of how the Standard Oil Company (Indiana) carries on its vast business, have brought about a truer public understanding of its work, a greater appreciation of the benefits of its operation, and a realization of the true significance of its great size.

It is not "soulless" because it is big. Rather, because it is big, in every sense of the word, it has a soul.

The Standard Oil Company (Indiana) is big not alone in numbers, in wealth of resources, in the extent of its activities. These are but the outward signs of its deep inner bigness of purpose and principle, of its high ideals and far-reaching vision.

The attitude of the Standard Oil Company (Indiana) towards its employes, praised in the editorial above, is but one expression of the broad working principles of the Company.

The Standard Oil Company (Indiana) is a big business. It does things in a big way. Yet its achievement is big only in proportion to the bigness of the purpose that inspires it, and the bigness of the service it renders to the thirty million people of ten Middle West states.

Highway Traffic Census Being Taken This Week

Traffic on trunk highways Nos. 32 and 33 thru Thief River Falls is being counted this week by checkers employed by the state highway department. Leigh and Forrest Anderson are stationed at the turn north of the city grounds, the check on vehicles in this county is part of the traffic census which is being taken thruout the state. The census began Monday morning and will continue until Sunday, Aug. 15. This is two weeks earlier than the census has been taken in former years, but it is believed that a week earlier in August is closer to normal traffic than a later period. The check includes a count of all vehicles from 6 a. m. to midnight each day. Records are kept of Minnesota vehicles by classes, such as "A", and "B" passenger cars, busses, "A" and "B" trucks, wagons and buggies, and cars carrying license from other states.

The traffic census is used by the highway department as a guide in planning future construction, and to keep tabs on the traffic. It also serves as a guide in the distribution of maintenance funds and it enables the department to ascertain the cost per vehicle on the different types of roads.

Clothing Project Leaders Meet in County Aug. 20-21

Patterns, blankets and neck finishes will be taken up at the next meeting of Pennington county clothing project leaders, to be held Aug. 20 and 21, representing the university extension division here. Miss Lois Reed, extension specialist, will meet with leaders of clubs in this part of the county in Thief River Falls on August 21, the Goodridge meeting to be held on the 20th. Each leader is to bring an article made by using a short cut learned in the previous lesson.

We Have Invested In The Business of Our Customers

Financing is the most important initial consideration of any new business enterprise. Men with confidence in the future of the business must provide the necessary funds to bring it into being.

In this day of advanced power development, promoters of business need never question whether or not the necessary power will be available when they are ready for it. They know that it will be, they know that the Light and Power Company is daily providing for any expansion demand that may arise.

In order to do this, however, the Power Company must invest considerable money in the customer's enterprise. We are therefore anxious that your business be successful so that we also may realize on our investment.

The average manufacturer turns over his capital once a year, some more often, and the merchant's turnover is still higher. If manufacturers and merchants were forced to provide their own power needs, their investment would be greatly increased, and the length of time necessary to turn over their capital, materially increased.

Electric Light and Power Companies turn over their capital only about once in five years. They must content themselves with small earnings on their investment.

Minnesota Electric Distributing Co.

World's biggest fair

THE tremendous offer of $145,830 in premium money for educational exhibits of all kinds by the great 1926 Minnesota State Fair and Northwest Dairy Exposition, Twin Cities, September 4 to 11, entrs it the title of "The World's Biggest Fair."

It will take more than 200 buildings to house it. It will have the most wonderful amusement bill in its history, including aviation, open-air circus acts, auto and horse racing, a dozen bands, and scores of other attractions.

"The Burg Company Stores are Good Stores"

ST. HILAIRE

Dr. and Mrs. Unis Will Sail For China

Dr. and Mrs. John W. Unis of Paris, Ind., are at present visiting with Mrs. N. A. Nelson and family. Mrs. Unis who is well known in the community is a daughter of Mrs. N. A. Nelson.

They have just completed an extensive tour of California and the Middle West in interest of foreign missions. After a few days visit in this vicinity they will leave for the Orient. Dr. and Mrs. Unis will enter the service of the Augustana Board. After completing a year's study of the Chinese language at the Yenching University, Pekin, China, they will be stationed at a hospital and dispensary at Hsuchow, Honan, China.

Dr. and Mrs. Unis are well prepared for their work in China. Dr. Unis has completed his college work at Gustavus Adolphus college, spent three years studying theology, and graduated from the University of Oregon Medical School. The last year he has been engaged as House Physician and surgeon at Seattle City Hospital. Mrs. Unis is also a graduate from Gustavus Adolphus College, completed a nurses course at Augustana Hospital, Chicago, and recently was graduated from the University of Oregon in public health nursing.

They will sail from Seattle, Wash., September 7, on the President Jackson. The committee expects that this column in the next issue will express in their new service.—Reporter.

Dinner Party

—Mr. and Mrs. Enoch Sundholm entertained a number of friends at a dinner party at their home Saturday evening in honor of Mr. and Mrs. Fred Knue of Omaha, Neb. Mr. and Mrs. C. Kruse and Mr. and Mrs. Arvid Kruse.

Women's Home and Foreign Mission

The Women's Home and Foreign Missionary society will hold its meeting Friday evening at the home of Mrs. Peter Thersten. Dr. and Mrs. John Unis of Portland, Ore., will address the meeting. Following the meeting, lunch will be served by the ladies of the church.

Circus Brother Circus

The Orton Brother circus, which has been playing a very successful run through North Dakota, will show in St. Hilaire this late afternoon and evening. A band concert will be held before each performance. The circus carries a fine menagerie which will delight the children.

St. Hilaire Has New Dentist

Dr. C. E. Snyder formerly of Middle River the past four years has arranged to open an office in St. Hilaire. Dr. Snyder recently purchased the dental practice of Dr. Copeland at Thief River Falls. He plans to spend two days each week in St. Hilaire and balance of the week at Thief River Falls.

After spending a week visiting with her parents, Mr. and Mrs. H. Jackson, Mrs. L. Glese and children returned Sunday to her home at East Grand Forks.

William Kruse arrived Sunday from Verndale where he is employed to spend a week's vacation with his parents, Mr. and Mrs. C. Kruse.

Mr. and Mrs. Fred Kruse and son Raymond arrived Friday from Omaha, Neb., to spend several days visiting at the home of Mr. and Mrs. C. Kruse

CLUB WORKERS AWARDED TRIPS TO STATE FAIR

County Fair Exhibit Indicates Progress of Junior Club Work In Pennington

EXCEPTIONAL DISPLAY OF 30 DAIRY CALVES

John Latner Ayrshire Wins Sweepstakes—Holstein Girl Awarded Holstein

Seven Pennington county boys and girls will attend the Red River Valley Minnesota State fair opening September 4, and three will get free trips to the State Livestock Show in South St. Paul in November, as a result of the junior club work contests completed at the county fair last week.

John Latner, Helmer Skomedal, and Natalie Woolson of Thief River Falls and Albert Poppenhagen of Goodnight get free trips to the state fair as winners in the dairy calf club of 25 members, the first three named being entitled to exhibit their calves. Harold Latner of Thief River Falls gets a free trip to the Minnesota fair for having the best club pig, while similar awards are given Leonard Neper and Lawrence Nelson of Thief River Falls, winners in the dairy feeding contest. Harold Hanson of Pinghurst of Crookston, district junior club leader. The trips to the State Livestock Show were awarded George Wilson of Mt. Hilary, Dorothy Woolson of Thief River Falls, and Ruth Reeve of Hazel. The winner in the poultry project will receive a state fair trip, will be determined later.

The three latter named are sons of Mr. and Mrs. Jens Latner and are making an exceptionally fine record in club work. John won the two state fair trips in the club with his second year project, and Harold made his last years state fair. Lawrence took second honors in the Ayrshire division. In the Guernsey division, first year project first place was won by Perry Engelstad, second by Kate Wahlund, third by Donald Thorsen, and fourth by Harry Poppenhagen. Albert Poppenhagen and Bernice Woolson were first and second prize winners in the second year Guernsey project, while Natalie Woolson led in the third year project. As indicated by the winnings, the three daughters of Mr. and Mrs. H. C. Woolson are also doing outstanding club work.

Winners of first place in other divisions of the Pennington dairy calf club are as follows: Second year, Norsel McKercher; Red Polled, first year, Herman Petersen; and Holstein, first year, Helmer Skomedahl.

Frances Pajman, 16-year old daughter of Mr. and Mrs. Julius Pajman of Holt, was winner of the pure bred sire

Improved Playing Features First Annual Golf Tourney; St. Hilaire Man in Finals

All to the first round of the first annual Thief River Falls golf club tournament of the local golf club was played Saturday afternoon, the final matches have not been completed and the champion of the Thief River Falls Golf club is still undetermined.

Sixteen players qualified for the handicap match and were divided into two flights or brackets, E. O. Burke of St. Hilaire won out in the second flight, one up, while the semi-finals have not yet been played off in the first flight, the contenders being W. A. Barnard and Dr. F. Meffley. The winners of each flight will play for the club championship, which will likely be played off some time during the coming week.

In the consolation match, playing of which was started Sunday morning, Theo. Hagstrom and Ernest Hanson are contesting for high honors. Thomson is one up with nine holes played and the outcome is extremely in the dark. Burkee won over Wm. E. Dahlquist one up.

In the first play of the first flight, Barnard defeated Mrs. Nate Ferris, J. P. Curtis defeated F. H. Herrick, Meiliy defeated E. J. Lund and Irving Richards defeated Thronson. In the second round Barnard won over Curtis and Meiliy over Bjornsma. The opening play of the second flight Saturday afternoon was won over Burke. W. H. Stone over Barzen, Kerr Olsen over H. O. Chamnie, and Dahlquist by default over E. J. Peterson. Prichard, Jr., Burkee got into the semi-finals by defeating Stone and Dahlquist vanquishing Olsen.

In the consolation flights, took the place from Anderson, Thronson defeated Herrick and Chamnie won over Hagstrom, Mrs. Harris and Lund failing to play. Thronson was victorious for the second round against Chamnie.

The scores turned in by the various players indicate much improvement in the playing of members of the local club, according to Ike Thornally, chairman of the tournament committee.

M. Bye Named Chairman of 1926 Red Cross Roll Call

Executive meetings of the Pennington county chapter of the American Red Cross were held in the city hall Saturday and Monday, at which Mary Meland, general field representative of the national organization, was present to explain various matters relative to state arrangements for the annual roll call this fall. Morris Bye, superintendent of the city schools, was selected chairman of the roll call in Pennington county, and Dagny Hjornarna was named publicity director for the chapter. Miss Moreland, who came here Friday and left Tuesday morning for Red Lake Falls, pointed out the extensive relief work being carried on by the Red Cross, emphasizing the fact that it is ready for service in times of peace as well as in war.

More School Election Results Are Reported

Following are some more reports of the annual election and meeting in Pennington county rural school districts, according to the secretary's office of the national organization, was present to explain various matters relative to state arrangements for the annual roll call this fall. Morris Bye, superintendent of the city schools, was selected chairman of the roll call in Pennington county, and Dagny Hjornarna was named publicity director for the chapter. Miss Moreland, who came here Friday and left Tuesday morning for Red Lake Falls, pointed out the extensive relief work being carried on by the Red Cross, emphasizing the fact that it is ready for service in times of peace as well as in war.

Reports have been received from 52 of the county's 70 districts and clerks who have not yet reported are urged to do so at once, according to Auditor T. F. Anderson.

DRIVE 327 MI. IN DAY

Mr. and Mrs. August Holmberg returned Monday evening from a thrilling trip to Iowa. Mrs. Holmberg's sister, Mrs. Etta Zimmerman accompanying them to Sac City, Iowa, after a two months visit here. They left here Saturday morning, arriving in Sac City Saturday night, covering a distance of 327 miles. The return trip they made in a day and a half, leaving Sac City Sunday afternoon.

MAN, JAILED HERE, AND WIFE SUICIDE

Couple With Stolen Car and License Plates Belonging to St. Hilaire Man, Take Poison

Despondent over his arrest here on a charge of stealing an automobile and license plates, a couple giving their names as Mr. and Mrs. Lloyd C. McDonald of Kansas City, Wednesday of last week committed suicide at Marsh Creek by taking 12 bichloride of mercury tablets and his wife nine of the poisonous tablets. The couple had been arrested at Marsh Creek by Sheriff O. L. Ihle of this city, Mr. McDonald having been confined in the local jail since July 30 when he was clubbed on a charge of having in his possession license plates stolen from Chuck car owned by Et. Fegh of St. Hilaire. Before being released, McDonald was fined $85 in municipal court here for having the stolen plates.

Letters found following the suicide revealed the fact that the couple, apparent over their condition in life and both strong addicts, decided to end it all. They were taken to a Grand Rapids hospital where they were dying slowly, according to an attending physician, passed thru Thief River Falls Monday on his way to Winnipeg. Death by mercury is a slow process, victims usually surviving for a week or more.

The couple, whose name is given by the Itasca County Independent of Grand Rapids as Mr. and Mrs. John McDonald, appeared to be between 30 and 35 years old, according to local officials here. They were married last April in Kansas City they said, and came to this section of the state from North Dakota shortly after July 4, stating at that time where he was employed as a locomotive engineer. Mrs. McDonald had been married before but had a 12-year old son at Sheldon, N. D., the sheriff was told.

Letters found in the North Dakota about June 20 the couple stole a Chevrolet sedan from Sheldon they stole the license plates from the Ford car while passing thru this community on June 21, and the car which they stole, Chevrolet belonged to L. D. Rehlen of Thief River Falls, St. Paul Chevrolet dealer was in this city Sunday to take the car back to its owner. They were traced thru the license plates in Marshall where the arrest was made, and Sheriff Ihle was brought here by Sheriff Hall two weeks ago for trial. He pais a fine of $85 the and told the sheriff that if released and allowed to work would earn the balance of the costs. Upon returning the prisoner to Marsh the day of the tragedy the sheriff found the federal parties there, including Mr. Mary LaFond at whose home the McDonalds rooomed had garnished McDonald's wages for the time he was in jail with costs there. When the sheriff threatened to take him back to Thief River Falls they stated that their garnishments to the end that McDonald might pay his fine by working and afterwards pay them what they had coming.

Members of the LaFond household were awakened by the groans of the couple about 11:45 o'clock Wednesday night and a physician was summoned but died shortly after while they were rushed to Grand Rapids.

Two letters had been written by the couple before they took the poison, one to Mrs. McDonald's son and another to a sister of Mr. McDonald in Kansas City. At times when they were conscious they talked but one thought—to die—declaring in letters that the future was all darkness and that life for them.

According to information received from the bureau of investigation, Department of Justice, Washington, D. C., McDonald has quite a record. Files in the identification division show that he was arrested in Oklahoma City, Okla., Oct. 14, 1922 on a charge of interstate larceny of autos and was turned over to U. S. court. The record further showed he served in the U. S. penitentiary, Leavenworth, Kansas, from Dec. 5, 1922, from Guthrie, Okla., after receiving a 2 year sentence. He was arrested St. Joseph, Mo., Oct. 3, 1923; larceny, $500. Released from Lewis Farm, Kansas City, Mo.; returned to Farm."

Candidate Attacks K. K. K. in Talk Here Tuesday Nite

Emil F. Holmes, Farmer-Labor candidate for lieutenant governor, addressed a small audience at the Princess theatre Tuesday night, his topic being announced as an "exposure of the Invisible Empire, the Ku Klux Klan," which he scored severely, also making a concerted effort to dictate Minnesota politics. He warned against a division on religious principles, declaring that the northwest must unite on economic issues. Appeal or modification of the Volstead law enforcement, which Holmes characterized as in its present form, was favored by the speaker.

Holmes was introduced here by Ed G. Bauman of Bagley, secretary of the Farmers' Educational club of Minnesota, a unit of which was recently formed here.

WARREN BROTHERS DROWN

David and Oscar Erickson, sons of Mr. and Mrs. William Erickson of Warren, were drowned in Rainy river at Rauleite Tuesday of last week, when the canoe they were veterans of the World War. David, the younger of the two, has been in poor physical condition since his discharge and was subjects to cramps in his stomach. It is thought that one of these spells came upon him while in the canoe and he upset it in consequence. Oscar at once struck out for shore but upon noticing that his brother was not following returned to assist him and while so doing also was drowned.

ANGUS-WARREN BANKS MERGE

A merger was completed last week whereby the Farmers-State Bank of Angus was taken over by the Security bank of Warren. The Angus bank will be closed and all of its business will be handled by the Warren bank. All deposits will be paid by the Warren bank and all notes will fall due at that institution. The merger was approved by the state banking department which it said to be in favor of such consolidations. O. H. Tarleton, president of the Warren State, was also interested in the Angus bank, and although the move leaves Angus without a bank it is expected its proximity to Warren will cause but little inconvenience to Angus residents.

PENNINGTON COUNTY FAIR IS A SUCCESS

(Continued from Page 1.)

grounds rather disagreeable. A program of free acts was nevertheless put on in the evening.

The 2:22 trot or pace Thursday afternoon was won by Robert Karl, owned by Hans Stollenberg of Crookston, in 2:18¼. The purse was $300. Dale Gale owned by Fred Woodcock, Salem, Ore., took second money and third was taken by Bell Flora Patch, entered by A. F. Sievert, Fergus Falls. Nancy Bell, the property of Gen. Quinell of Clinton, was fourth.

The five-county race for which a $600 purse was offered resulted in a victory for Lady Marble Hal, owned by Vern Stansfield of this city, while Real Patch, owned by J. E. Walker of this city, was second honors. Third place was taken by Pat, owned by Fred Beerbower of this city, and fourth by Ida, entered by L. Caplan, Crookston.

John McFarland took first prize with his horse in the second heat race, Ivan Rustad and Pat Beerbower winning second and third, respectively.

Friday's three racing events were all fast affairs but a cold drizzle left them from the rain in the previous evening. In the 2:23 trot or pace honors went to Hester Tolof, owned by Hans Mullenburg of Crookston, time was 2:24¾ and the purse $250. Gale, owned by F. Woodcock, Salem, Oregon, Fronia O'Brien, owned by Dr. Sirem, Grionville, and Maybelle Newton, entered by H. W. Hall, Williston, N. D., took second, third and fourth money.

The free-for-all for a purse of $300 was run in 2:14¼, Ruby P. owned by J. M. Shaw of Crookston, winning first. Mr. Shaw is the father of Mrs. Leslie Johnson of this city. Three other places went to Ellen Silver, entered by J. E. Kruger, Thief River Falls; Billy Bishop, entered by Bill Harvey, Winnipeg; and Esa Spier, sent by Mortenson & Mortenson, Grand Charles.

A special 2:20 trot for a purse of $250 was won by Ectina, entered by Mortenson & Mortenson, time being 2:19¼. Nellie Bingen, belonging to Chanteiola and Armstead of Iron River, Wis., Legette, owned by Bradford of Vermdale; and Medallon, the property of A. T. Glen of Angus Falls, pulled down the next three places.

Mr. Walker intends to enter Ellen Silver in the state fair races. Two other horses from this section will be entered in a Winnipeg race.

O'NEILL REAPPOINTED

Friends of D. P. O'Neill, former Thief River Falls resident and senator from this district, will be pleased to know that he has been reappointed to the state board of grain appeals by Governor Theodore Christianson.

County Dads Approve Plummer Road Grading Thurs.

Grading of four miles on state aid road No. 8 in Wyandotte township by H. H. Lund & Sons has been completed and the county commissioners in a brief session at that Tuesday approved the project, the work being found satisfactory in every detail. This stretch is the final link in the highway between this city and Plummer and when graveled this fall will afford a valuable feeder to Thief River Falls. It is of thoroly modern construction and an important addition to the network of excellent highways in Pennington county. This road is travelled by many who use it directly to Erskine by way of Fisher and Brooks.

The county board rejected the petition of Dreng Rolstad to have his land set off from school district No. 50 to No. 12, there being objections from taxpayers in both districts. The petition of Adolph Wold to be transferred from district No. 106 to No. 149 was approved. The time for the next meeting of the board has not yet been set but will not likely be until after harvest.

ROAD WORK PROGRESSING

With five miles of the graveling on the Elsrell road east from this city completed, Reierson & Nohre expect to finish the project about the middle of September. About a mile and a quarter remains to be graded. It is planned to gravel this stretch in the fall.

McLEOD SPEAKS AT SHELVIN

Stuart McLeod of Goodridge, president of the 17th district, Land O' Lakes Creameries Association, addressed a meeting and picnic of the Farmers Co-operative Creamery association in Shevlin Sunday. The McLeod reports a large attendance. Mr. McLeod came to Shevlin from Minneapolis where he attended a meeting of the state creameries' organization, of which he is director, last week.

Hot Weather Reading

WHAT do you read in the summer? Are you one of the many who are afraid to tax their poor tired brains with anything that will induce thought? Or do you use the reading time you have in the long days and short evenings, to make life better and more worthwhile?

Did you ever read the wonderful story of your own body—how it is constructed and how it works? Could anything be more intesting as hot weather reading?

Ask an osteopathic physician to recommend something—several things—to read. Ask him to explain just the you may not understand. The subject is as interesting as a wild west story. And it will help you to live wisely and well.

When you think of a reading list, think of an osteopathic physician as one who can help you choose.

Temperance Workers of State in Session Here

ENFORCEMENT OF LAW URGED BY MRS. SIZER

More Than 200 Delegates Arrive for 5-Day Jubilee Convention Closing Sunday

OFFICIAL WELCOME AT BIG BANQUET TONIGHT

W. C. T. U. Head from North Dakota Speaks Sunday—Also Asst Attorney General

Thief River Falls was in gala attire yesterday morning when delegates to the 50th annual convention of the Minnesota Women's Christian Temperance Union arrived for five days of conference. Bill "program" Fifty delegates came on the special cars on the Soo Line flier yesterday morning, about 150 being registered last night. Sessions will be held which will bring the total to about 250, many coming in autos.

Visiting delegates are highly pleased with the reception accorded them here, according to Mrs. J. O. Setherr, president of the local union. Mrs. Mary Jones was the first speaker on the housing committee report a most satisfactory report, the call for rooms, citizens opening their homes for the visitors. The Legion auxiliary, civil club and other civic organizations are co-operating for a successful convention.

Those arriving yesterday morning were treated to a complimentary breakfast at the Commercial club rooms, material for which was furnished by merchants of the city.

A concerted drive to bring about a more rigid enforcement of the Eighteenth amendment will be inaugurated at the convention here, second in importance being the culmination of the membership drive which the association has been stressing. It is expected about 400 new members will be reported.

Chester K. Wilson, St. Paul, assistant attorney general of Minnesota, and Mrs. Elizabeth Preston Anderson, Fergus Falls, Minnesota member of the National W. C. T. U. and recording secretary of the national association, will be honor guests and principal speakers at the banquet, all of which are open to the public.

In the annual address this morning, Mrs. Josephine Sizer, national president of the state organization, stressed the importance of law enforcement, urging the law abiding citizens to take an active stand against violators of the prohibition laws. She declared charges by the wets that conditions are worse than before prohibition.

The executive board met yesterday afternoon to consider recommendations to the convention. It was decided to recommend inviting the national W. C. T. U. to meet in Minneapolis in 1927.

The Presbyterian Ladies aid served supper last night.

The report of the resolutions committee is not expected to be ready until Saturday afternoon. The executive committee has re-nominated Miss Rosette Hendrix and J. Caldwell both of Minneapolis, as editor and publisher, respectively, of Minnesota White Ribbon, official organ of the W. C. T. U.

A prayer and praise service was conducted by Mrs. Martha J. Reed, in the Presbyterian church by pastors of local churches, with Mrs. Laura V. Ward, St. Paul, evangelistic superintendent in charge. Mrs. Martha J. Reed, Mrs. Ward's mother, played the music. Vocal solos were furnished by Mrs. H. W. Simpson.

Orders for 1200 Sheep Placed With Local Bank

That the sheep population in Pennington county will be increased this year is assured, applications for approximately 1200 lambs having been received by the First National bank of this city, which is making a special offer of financing purchases in co-operation with the Agricultural Credit Corporation. It is hoped to ship in about 2,000 sheep, according to Thos. H. Breeze, vice president of the bank.

To give the local opportunity to place the orders in Minnesota farmers wishing to make applications are over, Wm. Legette, secretary of the Bradford of Vermdale; and Medallon, the property of A. T. Glen of Angus Falls, pulled down the next three places.

Mr. Walker intends to enter Ellen Silver in the state fair races. Two other horses from this section will be entered in a Winnipeg race.

O'NEILL REAPPOINTED

Friends of D. P. O'NEILL, former Thief River Falls resident and senator from this district, will be pleased to know that he has been reappointed to the state board of grain appeals by Governor Theodore Christianson.

Sight-seeing Tour for W.C.T.U. Ladies Saturday

Visitors to the W. C. T. U. convention here this week, will be given opportunity to acquaint themselves with the vicinity of Thief River Falls Saturday afternoon when they will be taken around on a sight-seeing trip, arrangements for which have been made by the Commercial club. A number of cars have already been listed by the committee composed of R. J. Lund and Aug. Holmberg, but they ask that anyone now having a car available notify them before Saturday noon. The tour is scheduled to start at 1:30 o'clock and if it is not all will include a trip about the city and the surrounding farming communities.

LOCAL TALENT TO PRESENT PAGEANT

"Spirit of Frances Willard" to be Feature of W. C. T. U. Program Sunday

"The Spirit of Frances Willard," a pageant-play of health and temperance, based on the life of the late Thief River Falls talent as a feature of the W. C. T. U. convention program on Sunday afternoon, according to Mrs. J. O. Setherr, president of the local union. Mrs. Mary Jones will be in charge of the pageant, assisted by Mrs. Wendell Owens, Mrs. Ed Mealiffe, Mrs. Legette, Mrs. Ed Mealiffe, Mrs. Legette, Mrs. Ed Mealiffe, Mrs. Legette

SOCIAL ITEMS

Shefveland—Christenson

Miss Hilda Shefveland, daughter of Mr. and Mrs. Christ Shefveland of Newfolden, was united in marriage Saturday, August 14, to Waldie Christenson of this city, Rev. J.O. Lossethe officiating. The bride was elaborately decorated for the occasion. Sevens and dancing being used in profusion. The couple were attended by Miss Mabel Shefveland and David Christenson with only the immediate relatives present. Directly following the ceremony, a wedding dinner was enjoyed at the groom's home, after which the bride left on a brief trip, returning Monday to take up their residence on the groom's farm near the city.

Both the bride and groom are well known in this community, the former having attended the local high school, and for the last three years engaged as a teacher in the Pennington county schools. The groom is a son of Mr. and Mrs. Carsten Christenson of this city, operates a farm northwest of town.

At Croaken Wedding.

Mr. and Mrs. W. L. Carlisle of this city announce the wedding of the latter's sister, Miss Anna Elizabeth Strandjord of Crookston and Floyd Eagle of Fertile, which took place at the C. Strandjord home at Crookston Saturday afternoon.

Johnson—Grage

A beautiful wedding was solemnized at the home of Mr. and Mrs. E. M. Johnson Wednesday evening, August 18, at six o'clock, when their daughter, Miss Grace Johnson, became the bride of John Grage of Buhl. Rev. C. O. Sabo of Mavie read the marriage service in the presence of the immediate relatives of the couple, using the double ring ceremony. The rooms were tastefully decorated in wedding terms and garden flowers, the bridal party entering to the strains of Lohengrin played by Miss Esther Sabo.

The bride wore a gown of white satin crepe and carried a shower bouquet of bridesmaid and lillies of the valley. The bridesmaid, Miss Mary Johnson, a sister of the bride, wore a beautiful flame canton crepe gown and carried an arm bouquet of sweet peas. The groom was attended by Joseph Johnson, brother of the bride. Following the ceremony, a three course dinner was served.

The bride is well known in this community, having graduated from the local high school with the class of 1916, since which time she has taught school. The couple left the following day on a motor trip to Yellowstone National park, and will be at home in Buhl where the groom is employed.

Round-up Party

Miss Margaret Bjerkman was hostess to a number of her friends at her home Saturday evening, the affair being in the nature of a round-up party on the ranch, the guests arrived clad in cowboy or cowgirl array and devoted the evening to a novel form of Dakota entertainment. The rooms were tastefully were Harriet and Therese Fuller, Margaret Johnson, Irma Jacobsen, Luella Larson, Peggy Shaw, Phyllis Gabrielson, Ruby Thig, Margaret Larson, Agnes Quisling, Dorothy Weeks, Lenore Lieberman, Charlotte Kerstad, Dorothy Sullivan, Agnes Kerstad, Marian Reynolds, Lucille Christianson, Alva Arbogast, Grace and Eva Roberge, Lily Roberts, Viola Baker, Helen Raire, and Clarice Arneson of St. Paul.

Mrs. Zeh Entertains

Mrs. Ernest F. Zeh was hostess at an afternoon party at her home Wednesday of last week, inviting a number of ladies to meet her mother, Mrs. M. J. Cotton of Grand Forks, who was the guest at the Zeh home the latter part of the week. The hours were spent at bridge, honors being won by Mrs. Zeh, Merrick and Mrs. Mickelson.

A WORTHY ORGANIZATION.

Thief River Falls is honored this week by the presence of women from all parts of Minnesota, representing the Women's Christian Temperance Union, assembled here to celebrate the 50th jubilee of the organization in this state. This community bids them welcome and hopes that their stay here will be enjoyable and that the convention deliberations will result in much good to the organization and to the commonwealth which it aims to serve.

This convention marks a milestone in the life of the W. C. T. U. in Minnesota. For 50 years this organization of zealous women has been carrying forward the banner of temperance, continually molding public opinion against the evils of liquor, it has not followed a program of force or political propaganda, but a program of education. After years of hard work their efforts are finally rewarded with the passage of the prohibition amendment, which they are determined shall never be removed from the statutes.

All the prohibition laws have been enacted in response to the W. C. T. U. keeps right on with its work for the betterment of mankind. Its members realize that the enforcement of the liquor laws is a big task and are stirring the law abiding citizens to action in fighting the lawless bootleggers and profiteers. In this connection a national get-the-drys-out vote campaign will be conducted this fall.

In discussing the value of public sentiment, Mrs. Nixon in her president's address this morning repeated these words: "Public sentiment is everything. With public sentiment nothing can fail; without, nothing can succeed; consequently he who moulds public sentiment goes deeper than he who enacts statutes or pronounces decisions. He makes statutes and decisions possible or impossible to enforce."

The W. C. U. is effectively fighting the propaganda spread by the vested interests that constitutes "booze" and "booze" is the only reason why prohibition is not enforced. They feel that results obtained so far in curbing the liquor traffic are greatly gratifying, they are exerting a strong influence for stricter enforcement of the present prohibition laws. They are well aware of the fact that the work is not finished and they are on the job.

It is hoped that the people of this community will thru this convention get a better understanding of the objects and activities of the W. C. T. U., its program merits the support and co-operation of every citizen and organization interested in making this a better country to live in. The W. C. T. U. has been subjected to much ridicule from various sources, much of it thoughtlessly so, but the thinking person who do not know what is actually being done by this wide-awake organization.

OBSERVING OF ALL THEY GET

The statewide concern appointed to judge drunken automobile by revoking licenses to drive, jail sentences and fines ought to be most with general approval. But cut the ones, judging by editorial comments. Sentiment expressed looks to sympathy for the drunken driver, while appreciating his menace, thereby tending to lessen life and property. The general feeling is that more effective punishment is needed.

Says the Grand Rapids Herald Review: "The whole state is stirring up on the question of intoxication and the automobile. Cautious and staid ones will not mix except to explode. The next session of the legislature will provide punishment which will really count."

In discussing the revoking of license the Owatonna Journal Chronicle says: "Unless the Journal Chronicle is greatly mistaken, this step will be the most resultful yet taken in the effort to prevent unnecessary loss of life and injury among innocents, which has been the result of a combination of the powerful motor car and the unscrupulous driver of the crazed moonshine quaffer."

A driver's incapacity to think because he is drunk is a reason for astonishment, not an excuse from it. As one who patronizes a bootlegger and endangers the lives of others he is entitled to no sympathy but "hard-boiled" treatment.

The world is not cured in the mass. Society cannot be emotated by putting it in a bag and beating it. Reform and progress begin with the individual. If a lot of folks see fit to "stand" closer for a better world when he is "standing" on a matter of fact, it gives the world one better life. The man who is trying to improve himself and to cultivate better and more wholesome ideas in his own life is making a definite contribution to the world and he can make it in no other way. Each stirring the law abiding citizens to man has a job—to make himself the best kind of a man and citizen and friend that he is capable of becoming.—Bemidji County Herald.

Pennington was given some most valuable publicity when its alfalfa seed crop was featured in the Gopher Trail column of the St. Paul Dispatch Thursday. A large picture of the alfalfa with several of Director Hines nine ton county at the Winter Shows in Crookston last winter accompanied the lengthy article, which told about the part alfalfa is playing in the development of this territory.

The alfalfa fleet and better trip last week with 40 cars received considerable publicity in the Twin City press.

The farmers of Minnesota are "co-operatively minded," according to Prof. Harcker, the father of co-operative dairying in this state. The progress made by several commodity marketing associations would indicate that this is a correct diagnosis, but there are a few more rivers to cross before the co-operative associations are firmly established on a successful basis. Continual education is necessary to keep the individual farmer-members immune to the wiles and schemes of interests that would profit by the failure of the farmers' own marketing association.—Northfield News.

If it were not for the schools and the roads it wouldn't be much to run the state. But if it were not for the schools and the highways the state wouldn't be worth running.—Willmar Journal.

ASSIST AT FAIRS

Members of the Northwest School staff are scheduled to judge exhibits, give addresses and to speak at several of the fairs this week in session of the state. A. M. Pilney, poultry man, went to Middle River for the fair there yesterday and will remain there today. On Tuesday he and E. R. Clark, field crops expert, will set up a booth at the Perham fair. On Friday D. M. Kiser, livestock specialist, T. H. McCall, horticulturist, A. M. Pilney and Miss Nancy B. Lynch, domestic science instructor, will judge at the Becker county fair, Detroit, Saturday. Mr. McCall will also judge the fair at Grand Rapids.

Superintendent C. G. Selvig is scheduled to speak at the Ulen Dairy Day program Tuesday evening at Ulen. On Wednesday he will speak at the Perham picnic to Otherini county and on Thursday at the Becker county fair at Detroit. On Saturday evening he has been invited to address Otertail county farmers at a pavilion nine miles north of Underwood. This is under the management of the Otertail county fair, a community clubs of that section of the county.

Exactly So

The eminent financier was discoursing.

"The true secret of success," he said, "is to find out what the people want."

"And the next thing," some one suggested, "is to give it to them."

"No," said the financier, "to corner it."

Daily Witnessed

"Say!" bellowed the sergeant, producing a pair of dice, "I'll shoot you for 'Wake up, you! Why wasn't you out to stand reveille?"

"Oh, I was all right, sarge; I'd don' need to worry about me. Why, I could see it from hyah!"—American Legion Weekly.

Public Forum

Discusses Candidates

Mr. C. G. Selvig, who is described by the—Minneapolis Journal—as one of the leading public men of the Coolidge administration, mentions the word Republican only once in his statement on his position on agricultural relief legislation. He says "the people must—have—Republican control—to be—specific—some 218—Republican voters voted for Selvig at the Republican primary vote for the district of 87,642.

Where Mr. Selvig states that he gets warned up when anyone asks him how he stands on the agricultural problem, he is to be sincerely served. Can he remember back to 1924 when he proposed for Kellogg and Preus, now repudiated, and against Shipstead and Ernest? The simple fact that people ask him that question shows how he has been regarded before arrows here. His devotion to farm relief must be a great extent be doubted since he is asked to explain himself publicly as to where he stands.

Having spent some time at the National Capital studying these things, Mr. Selvig could had told us why all of the foremost progressives in congress such as Sen. Norris and Rep. Sinclair favored the Norris-Sinclair bill in preference to the McNary-Haugen bill, which Mr. Selvig says he aided to draft. He admits a new Hampton bill may be introduced. He avoids mentioning that Congressman Wefald supported the latter bill on his recommendation that he hadn't. And Mr. Selvig explaining these bills to the Congressional Record—"you must have a good laugh now and then for the sake of our health."

When Selvig states that "the East is waking up to the need of farm relief," he must be thinking of the ball which the Vice President threw out at the close of the session in favoring the Hatgen bill. You didn't notice the Republican President, who with his "transparent patronage power could have forced acceptance by his—Republican—delegation—during his—term, in favor of this measure—May and the boys who furnish the campaign funds for Coolidge and his gang of trained (with sweet gifts) supporters are the boys who—are—waking up to the need. Selvig is—this district—who—is—out of it, real Representative for this District in—Congress. A few of Knute delegates against the policy interests would not be mentioned—by a man who would be obliged to ask the Republican—powers for—a few postoffice appointments for—his supporters. How much more satisfactory it is to have a man down here like Congressman Wefald who holds a "big stick", which Selvig mentions, over the big boys and listens to all their acts, than one like Selvig might be with their "big stick" over him to keep him in line for "sweet" things in the way of a few appointments for his already rich supporters.

Beware, voters—be vigilant of your own interests.

Safety and Service

Total fatalities in the United States in 1925 involving automobiles amounted to 19,561. Of these, 1,781 occurred at railroad grade crossings. Almost one-third of the total fatalities were children, according to information recently given out by the National Safety Council.

The Standard Oil Company (Indiana) because of the remarkable success of its safety campaign believes that its experience may be interesting to the public.

Twelve thousand motor vehicles belonging to the Standard Oil Company (Indiana) were in operation during 1925. They crossed 30,840,000 railroad crossings during 1925 with but one fatal accident, and 31,000,000 crossings in 1924 with no accident—a total in 2 years of 67,840,000—railroad crossings with but one fatal accident.

The attitude of personal responsibility assumed by Standard Oil Company (Indiana) drivers has been the chief factor contributing to this remarkably successful record.

Every driver of a Standard Oil Company (Indiana) truck considers himself personally responsible for the lives of other drivers and their passengers, pedestrians who cross the street, and children playing near. He has a higher concern than merely to keep within the law.

Standard Oil Company (Indiana) drivers are taught to do more than "stop, look and listen." They are taught to stop and think before they undertake the grave responsibility of driving.

The Standard Oil Company (Indiana) has based its educational campaign for safety on the belief that any man who takes time to consider the constant dangers of modern traffic, must realize the necessity for extreme care and ever caution at all times.

Because, in America we boast a car for every six persons, the possibilities of motor accidents are worthy of serious consideration. This consideration is a part of the training of Standard Oil Company (Indiana) drivers. They know that to avoid accidents they must do more than obey traffic laws to the letter.

The population of a city the size of Ann Arbor, Michigan, was needlessly killed during the last year by automobiles. Standard Oil Company (Indiana) drivers know that the record for 1926 is being made now—and they realize that they are among the many who are personally responsible for it.

The promotion of greater safety is part of the Standard Oil Company (Indiana) conception of service.

All the vast resources of the Standard Oil Company (Indiana), the collective energy and intelligence of its personnel of 20,000 men and women are at the service of the individual and the community.

VALLEY HOLSTEIN MEN FORMING UNIT

Breeders of Pennington, Marshall, Red Lake and Polk Counties Being Organized

With a nucleus of 155 members already lined up, steps are under way for the organization of a Red River Valley Holstein breeders' association, to include the counties of Pennington, Marshall, Red Lake, and Polk. Pennington county was expected to be represented later, also so organization work has yet been done in that county. Under the plan proposed by the state association, each county in the valley association will have its own separate county organization.

As a result of organization work here last week by T. C. Norman of Lake Crystal, Minn., field manager for the Minnesota Holstein Breeders' association, accompanied by Hans Nelson, local breeder, 82 members were signed up in Pennington county. Already 40 members have been signed up in Marshall county, 20 in Red Lake, and 17 in Polk. Active organization is under way. Members are being signed up now while the organization will be completed around the middle of October. A fee of $10 a year for purebred breeders is charged, while the membership fee for grade breeders is $5.

According to Mr. Norman, of each $5 collected in membership fees $2 will be spent in the county for organization work; $1 will be used in the valley for the same purpose while $2 will go to the state association. But Mr. Norman points out that in return the state association will spend money in each county than it takes out there in organization work, pure bred sire campaigns and boys and girls dairy calf project work. In the past two and a half years, he declared, the state organization has placed 1200 pure bred sires with farmers at the cost of the owners having pure bred sires before.

As previously announced Holstein breeders of Pennington, Marshall and Red Lake Counties plan a joint consignment sale on October 14.

Saving in Road Funds By Cutting Corners

People in Pennington county have sometimes commented on the waste of good farm land caused by cutting off corners on trunk highways. The safety and convenience of road users is the main reason for cutting corners but the savings in road building costs usually more than offset the value of the land, according to a bulletin from the state highway department. A curve with a 200-foot radius makes the road 50 feet shorter than if it were built to a square corner. The extra land needed is less than half an acre, and may cost from $200 to $100. The saving on an ordinary grading and gravelling job will usually pay for the land.

The most important factor, however, is the saving to road users. Reducing the distance between two towns a mile or five may mean nothing to people driving for pleasure, but the proportion of vehicles used for business is constantly increasing, and each mile saved to them means from 5 cents a mile on a light passenger car to 25 cents on a big truck or bus. On a road which carries 2,000 vehicles a day, if only 1,000 are traveling on business, and if we figure only the minimum saving of 5 cents per mile, shortening the distance one mile will mean an aggregate saving of $50 per day or $18,250 for a year.

Since the state took over the trunk highway system 233 grade crossings have been eliminated by relocation of the road.

If you want the news, read the Times.

BILL BOOSTER SAYS

Who Does Your Printing?

How many business men of Thief River Falls use printed matter that is printed by some out of town concern

?

The local printing offices are fully equipped to handle any class of printing that may be required—at reasonable prices—and there is no excuse or necessity for any one in Thief River Falls for using printed matter produced in some other city.

If all orders for printed matter used in the city were printed at local printing offices it would mean the employment of a number of additional skilled workmen and bring more families to make their homes here.

Before you let some smooth tongued salesman take your next printing order call phone No. 16 and find out what your home printer can do.

We are here to serve you

Thief River Falls Times

LIST OF PRIZE WINNERS AT 1926 PENNINGTON CO. FAIR

Prize winners in the various departments of the 1926 Pennington county fair are announced as follows:

Cattle

Guernseys—2-year old bull, Albert Johnson, city; 1st and grand champion bull, senior calf, Johnson, 1st. Bull, junior calf, Mrs. R. C. Woolson, city, 1st; Johnson, 2nd. Cow, 3 years or over, Johnson, 1st and grand champion; Mrs. Woolson, 2nd; Johnson 3rd. Cow, 2 years old, Mrs. Woolson, 1st. Get of sire, Johnson, 1st; Mrs. Woolson, 2nd. Produce of dam, Mrs. Woolson, 1st; Johnson, 2nd. Best registered cow, Johnson, 1st. Junior yearling heifer, Johnson, 1st. Junior heifer calf, Johnson, 1st. Senior heifer calf, Johnson, 1st; Donald Thorson, Goodridge, 2nd. Junior heifer calf; Johnson, 1st.

The only exhibitor of Jerseys was Sam Crabbe of Detroit, who was awarded prizes in the following:

Ayrshire—Three-year old bull, Jens Letnes, city, 1st and grand champion. Two-year old cow, Lawrence Letnes, 1st. Senior yearling heifer, Lawrence Letnes, 1st. Junior yearling heifer, John Letnes, 1st and grand champion. Junior heifer calf, Arlo Kruse, 1st. Junior calf, Arlo Kruse, 1st. Best registered herd, Letnes.

Holstein—Senior bull calf, Jens Kleis, city, 1st. Two-year old cow, Hubert McHarry, Holt, 1st. Senior yearling heifer, Fritz McIntyre, Thief River Falls, 1st. Junior heifer calf, Helmer Skonsen, city, 1st. Junior yearling heifer, Beulah McMurray, 1st. Best registered herd, Mrs. Ole Skonsen, city, 2nd. Best team in harness, Woolson, 1st; H. C. Woolson, 2nd.

Horses

Heavy draft—Roman Poulson, city, 1st; E. J. McKercher, 2nd. Sheltland pony, Fred Boe, Rosewood, 1st. Mare, 3 years or over, Ole Hagglund, 1st and 2nd. Best team in harness, Ole Hagglund, 1st; Albert Johnson, 2nd. Best team of mares, Hagglund, 1st; Johnson, 2nd. Best team of geldings, Hagglund, 1st; Johnson, 2nd. Mare and colt, Hagglund, 1st; Johnson, 2nd. Produce of dam, Hagglund, 1st; Johnson, 2nd. Sheaf oats, Hagglund, 2nd. Sheaf rape, E. E. Mattery, city, 1st. Sheaf N. W. Barley, Hagglund, 1st. Sheaf Marquis wheat, Hagglund, 1st. Sheaf Red Fife wheat, Hagglund, 1st. Sheaf Quist, city, 2nd. Sheaf Minn. No. 13 wheat, Hagglund, 1st. Sheaf Minn. No. 163 wheat, Hagglund, 1st. Sheaf Minn. No. 2 wheat, Hagglund, 1st. Sheaf flax, Hagglund, 1st. Sheaf timothy, Hagglund, 1st. Sheaf alsike, Hagglund, 1st. Sheaf rape, E. E. Mattery, city, 1st. Sheaf N. W. Barley, Hagglund, 1st. Sheaf Marquis wheat, Hagglund, 1st. Sheaf Red Fife wheat, Hagglund, 1st. Sheaf Minn. No. 13 wheat, Hagglund, 1st. Sheaf Minn. No. 163 wheat, Hagglund, 1st. Sheaf Minn. No. 2 wheat, Hagglund, 1st. Sheaf flax, E. C. Burns, city, 1st; O. F. Netteland, Hazel, 2nd; O. G. Peterson, Hazel, 3rd. Sheaf foxtail millet, Hagglund, 1st; O. Hagglund, 2nd. Sheaf rape, E. E. Mattery, city, 1st. Sheaf N. W. Barley, Hagglund, 1st. Sheaf Marquis wheat, Hagglund, 1st. Sheaf Red Fife wheat, Hagglund, 1st. Sheaf Minn. No. 13 wheat, Hagglund, 1st. Sheaf Minn. No. 163 wheat, Hagglund, 1st. Sheaf Minn. No. 2 wheat, Hagglund, 1st. Sheaf flax, E. C. Burns, city, 1st; O. F. Netteland, Hazel, 2nd; O. G. Peterson, Hazel, 3rd. Sheaf foxtail millet, O. Hagglund, 1st. Sheaf timothy, Hagglund, 1st. Sheaf alsike, Hagglund, 1st. Sheaf rape, E. E. Mattery, city, 1st. Sheaf N. W. Barley, Hagglund, 1st. Sheaf Marquis wheat, Hagglund, 1st. Sheaf Red Fife wheat, Hagglund, 1st. Sheaf Minn. No. 13 wheat, Hagglund, 1st. Sheaf Minn. No. 163 wheat, Hagglund, 1st. Sheaf Minn. No. 2 wheat, Hagglund, 1st. Sheaf flax, E. C. Burns, city, 1st; O. F. Netteland, Hazel, 2nd; O. G. Peterson, Hazel, 3rd. Sheaf foxtail millet, Hagglund, 1st; O. Hagglund, 2nd

GOODRIDGE

Mrs. C. Aarness entertained Friday afternoon in honor of her daughter, Lelia's birthday. Games were played and at 4 o'clock a lovely lunch was served. Mrs. Aarness was assisted by her daughter, Clarice. Lelia received a number of nice gifts in remembrance of the day. The little folks who enjoyed the occasion were: Lucille Lindstrom, Beth and Jean McLeod, Mary Louise Dahl, Evangeline Shanley, Muriel Stephenson, Viola and Angel Clouther, Irene Halverson, Hope Johnson, and Lelia Aarness, honor guest.

The Bacon-Johnson Co. of Pipestone who were in town all last week erected a large crowd every evening, the performances which were put on being very good for a small traveling company. The ladies nail driving contest Friday evening was quite interesting, fourteen ladies tried their luck at driving the ten-nails in the least number of strokes. Mrs. John Danielson was winner with 23 strokes, the next nearest being 29 strokes. She was given the Japanese vase. On Saturday evening a prize was also given to the handiest man in Goodridge, Never Lyshakken receiving the most value and the most popular bachelor also received a prize and Marcus Lyshakken came out winner in that.

Mr. and Mrs. O. N. Urdahl and family and Mr. and Mrs. Chris Urdahl attended the installation services in Thief River Falls Sunday of Rev. Tungseth.

Mrs. Bert Kirkconnell of Spooner, who is visiting at the Angus Meland home, was at town, was a guest Saturday and Sunday at the W. C. Meland home here.

Mr. and Mrs. John Sundquist and children and Mr. and Mrs. H. A. Hall of Thief River Falls were campers at Red Lake Saturday. They returned home Sunday evening.

Mr. and Mrs. Carl Elseth and daughter Violet visited relatives in Thief River Falls Sunday.

Miss Hazel Aarness and brother Raymond left Tuesday for Erskine to visit their brother and Bertie where they will spend a few days visiting friends, and will from there leave for Pontiac, Mich., to join

Give Your Car a Chance!

You expect your car to run smoothly and quietly up hill or down in all kinds of weather — whether the load is heavy or light. It will do this—*if you do your part!*

Your part is to see that all its needs are supplied. Every car needs gasoline and water and the right kind of oil. If you consider what goes on in the engine you will realize the importance of the right oil.

Metal surfaces in the engine are moving at terrific speed. Friction aggravated by particles of grit and intense heat is present, always. The engine needs an oil that will protect its whirring surfaces all the time under *all* conditions. If you do not supply this need you should not expect your car to run quietly and smoothly—it hasn't a chance.

What oil will stand the strain of heat and friction? What oil can you depend upon, always, to protect the fast moving surfaces of the engine? The thousands of motorists who are tired of experimenting will tell you to use Polarine.

Polarine lubricates the engine thoroughly, maintaining its film of oil under all conditions. The results are smooth-as-velvet, oil cushioned surfaces — and a quiet, smooth running engine.

If your car always is in the garage for repairs, if it runs jerkily and squeakily — drain out the old oil, fill the crank case with Polarine—and give your car a chance!

Standard Oil Company
(Indiana)
THIEF RIVER FALLS, MINNESOTA

Mr. and Mrs. Alida Odberg of Saskatchewan, Canada, who were visitors here Sunday at the Jay Payne home. Mrs. Odberg will be remembered as Miss Ellen Johnson who formerly resided with her brother, John C. Johnson in Crookston.

Haying and harvesting is in full swing in this part of the county, a great deal of hay is being put up around here. There has been slight rainfall reported from Goodridge all week this fall.

Fred Hinrik, manager of the Winton-Hinrik Motor Co. left here this morning for Duluth where they will visit relatives. Nick Bunchuck of Bemidji has charge of the garage during Mr. Hinrik's absence.

The second lesson in the sewing project which is being put on by the extension department of the University, will be given in Goodridge at the school house Friday, August 20, from ten until four o'clock. Miss Lois Reid will again be in charge There are twenty ladies who will meet with her, they being the leaders of the six units in Goodridge and the surrounding communities. Much interest has been shown so far and a great many quick and neat articles learned.

Mrs. O. N. Kirkhie returned home Tuesday from Fargo and Barnesville where she visited relatives for several days.

ROSEWOOD

Ivan Swanson moved to Newfolden last Thursday where with his family he will reside. The latter months Ivan has had charge of the W. C. Melland store here.

Mr. and Mrs. John Sundquist and children and Mr. and Mrs. H. A. Hall of Thief River Falls were campers at Red Lake Saturday. They returned home Sunday evening.

Mr. and Mrs. Carl Elseth and daughter Violet visited relatives in Thief River Falls Sunday.

Miss Hazel Aarness and brother Raymond left Tuesday for Erskine next left Sunday evening for Bemidji and Bertie where they will spend a few days visiting friends, and will from there leave for Pontiac, Mich., to join

Mr. and Mrs. Bergland who has been employed in an automobile factory all summer, left Thursday morning for Detroit, where Mr. Bergland is also employed at the same city until leave from here Tuesday and will join Mrs. Bergland at Bemidji.

A number of local people motored to the Aug. Johnson farm Sunday to attend a birthday party for Mrs. Johnson, who was the recipient of the surmunities good wishes and a nice birthday gift.

A number of local people motored to Village Tuesday to attend a shower for Mrs. M. Halverson.

Roy Neilsen and F. A. Grydal left Tuesday for Hoople, N. D., where they will be employed during fall work.

Elmer Lundberg, Carl Ranum and Victor Axelson left Saturday with their teams for the Tall farm of *(illegible where they will be employed* during threshing this fall.

Ruth Flemmen accompanied by several of the Rinque girls from Thief River Falls spent Friday at this place visiting.

Otto Lappegaard has left for Fertile, Minn., to seek fall employment.

Alma Thoreson returned on Tuesday from Thief River Falls, where she visited a few days with her sister, Mrs. O. H. Swan.

Mr. and Mrs. Helen Jacobson and Carl Ranum motored to Roseau Thursday, the former after a few days visit at this place.

Belvia Backlund from Thief River Falls spent several days this week here visiting at the A. M. Gullickson home.

Mr. and Mrs. Oscar Bakey and Mrs. Vida Hanson motored to Thief River Falls Friday afternoon visiting with Mrs. Julia Axelson and picking raspberries.

Mr. and Mrs. Oscar Blomberg motored on from Pendelton Sunday to visit with the Hansen families.

The Ila Elsie Friday Afternoon Club will meet at regular meeting at the Mrs. Carl Mellom home Friday afternoon, Aug. 20.

A number of local young folks entertained at a private dancing party at the Rosewood hall last Saturday evening, about twenty couple being invited.

Selma and Minnie Rosenson returned home from Wales, N. D., Tuesday where they have spent a week visiting with Mrs. Ludwig Olsen.

Reuben Christenson from Thief River Falls spent the last week at Rosewood visiting with relatives.

Alma Axelson left Friday for an over Sunday visit with her sister, Mrs. Oscar Baker, at Thief River Falls.

Elmer Blomberg came Sunday from Argyle where he planned to work this fall and spend the winter, but was taken to Warren for examination on Monday where his case was pronounced as very *(illegible)*. Selmer Haugen took him to Warren.

Simon Nakken visited with his friend German Thompson north of Goodridge Sunday.

ST. HILAIRE

Entertains for Dr. and Mrs. Uale

Mrs. N. A. Nelson delightfully entertained a number of friends and relatives at a dinner party Sunday afternoon in honor of Dr. and Mrs. Uale of Portland, Oregon. Those present were: Emil and Arthur Christofferson of Plummer, Miss Clara Norman of Plummer, Mr. and Mrs. Nelson and children and Miss Alice Fricker of this village, and Dr. and Mrs. Uale.

Dinner Party

Mr. and Mrs. A. Satterberg entertained at a dinner party Thursday evening in honor of a few out of town guests. Those present were: Mrs. J. E. Peterson and granddaughter Miss Hilbert, Carlson of Gilbert, Minn., her daughter, Mrs. C. H. Blomquist and son Lloyd of Redwood City, California, Mr. and Mrs. Alfred Peterson of Lanker, N. Dak., and Mr. and Mrs. Ed Fellman and Miss Mildred Fellman of this village.

Women's Home and Foreign Mission

The Women's Home and Foreign Mission Association held a meeting at the Swedish Lutheran church Friday evening. Dr. and Mrs. John Uale of Portland, Oregon, who will leave for China, spoke at this meeting. They chose for their subjects: "Their Mission To China" and "The Purpose of Foreign Missions." Following these talks the choir sang a few selections. Dr. and Mrs. Uale were presented with a purse by the members of the Swedish Lutheran church to be used in their work in the foreign mission fields.

Young Peoples' Society

The Young Peoples Society of the Swedish Lutheran church was entertained at the Blomberg farm, east of St. Hilaire, Sunday afternoon. The Swedish Lutheran choir sang and Dr. and Mrs. Uale spoke. A large number of people from St. Hilaire and Black River attended. The Y. P. S. was entertained at the Ed. Hooker farm the same evening.

Luncheon Guests

A number of friends were entertained at the Wm. Olsen home Thursday afternoon at a 5 o'clock luncheon. The hours were spent in doing fancy work and at five o'clock an dainty lunch was served by the hostess, Mrs. Wm. Olsen. The guests were: Mesdames Henry Olsen, T. Skatevedt, and children, Victor Brink and children, Art Hansen, Paul Ortlief and daughter, Pearl, P. Berg, M. Hyland, Amelia Dahl, M. Miller, Hans Wilson, E. O. Burkee, and daughter Beryl, H. Burkee, Lawrence Wilson, Leonard Holmes, and Harold Holmes, and Miss Effice Peterkrichson.

Donald Halstrom

Donald, 11 months old son of Mr. and Mrs. Henry Halstrom, died unexpectedly Wednesday, Aug. 11, at their home in Polk Center. Funeral services were held in the church at Black River Friday afternoon, Rev. A. E. Nelson officiating. Friends and relatives from out of town present were: Mr. and Mrs. George Nansen, J. Nansen, and Mrs. Frank Nansen of Winger, and Martin Halstrom of Argyle.

Mr. and Mrs. H. Benson and son accompanied by Mrs. E. Brink, Mr. and Mrs. John Ureess and Miss Laura Almquist motored up from Grand Forks Sunday and spent the day at the J. Almquist home. Upon their return they were accompanied by Miss Vera Almquist who will spend a week visiting in Grand Forks.

After spending a number of days visiting at the home of Mr. and Mrs. H. Larson, Mrs. C. L. Sandberg of Heil returned to her home Tuesday.

Oscar Nelson left Saturday night for Minneapolis where he expects to get employment for the winter.

After spending a couple weeks visiting with her aunt Mrs. Fred Soderberg, Miss Pearl Decker left Tuesday for her home at Bemidji.

Mr. and Mrs. Nels Benolt returned to their home in this village Wednesday after spending a summer of days in Hibbing, Grand Rapids and other points.

Mr. and Mrs. P. E. Berg left Saturday for Brandon where they are to spend a few days visiting with relatives.

Mr. and Mrs. Charles Rose and family arrived Friday from Mason City, Iowa, to spend a couple weeks at the home of Mrs. Rose' parents, Mr. and Mrs. W. W. Brandt.

Miss Lily Norman and brother, Lewis, spent Sunday at Crookston where they attended to business matters.

After spending a few days with friends at Plummer, Carl Ranum and Victor Axelson left Saturday with their teams for the Tall farm *(illegible where they will be employed* during threshing this fall.

Ruth Flemmen accompanied by several of the Rinque girls from Thief River Falls spent Friday at this place visiting.

Otto Lappegaard has left for Fertile, Minn., to seek fall employment.

Alma Thoreson returned on Tuesday from Thief River Falls, where she visited a few days with her sister, Mrs. O. H. Swan.

Mr. and Mrs. Helen Jacobson and Carl Ranum motored to Roseau Thursday, the former after a few days visit at this place.

Belvia Backlund from Thief River Falls spent several days this week here visiting at the A. M. Gullickson home.

Mr. and Mrs. Oscar Bakey and Mrs. Vida Hanson motored to Thief River Falls Friday afternoon visiting with Mrs. Julia Axelson and picking raspberries.

Mr. and Mrs. Oscar Blomberg motored on from Pendelton Sunday to visit with the Hansen families.

The Ila Elsie Friday Afternoon Club will meet at regular meeting at the Mrs. Carl Mellom home Friday afternoon, Aug. 20.

A number of local young folks entertained at a private dancing party at the Rosewood hall last Saturday evening, about twenty couple being invited.

Selma and Minnie Rosenson returned home from Wales, N. D., Tuesday where they have spent a week visiting with Mrs. Ludwig Olsen.

Reuben Christenson from Thief River Falls spent the last week at Rosewood visiting with relatives.

Alma Axelson left Friday for an over Sunday visit with her sister, Mrs. Oscar Baker, at Thief River Falls.

Elmer Blomberg came Sunday from Argyle where he planned to work this fall and spend the winter, but was taken to Warren for examination on Monday where his case was pronounced as very *(illegible)*. Selmer Haugen took him to Warren.

Simon Nakken visited with his friend German Thompson north of Goodridge Sunday.

New Turkey Raising Plan to be Tried Out

Because it has been demonstrated by the poultry department at Underwood, Minn., that, contrary to general belief, turkeys do not need the whole countryside to roam over but can be raised successfully and profitably in small areas, Dr. W. A. Riley, poultry extension with the agricultural extension division of the University, will explain a plan and give instruction to turkey growers. At the outset this service will be available for only a limited number of counties.

Twenty members of Kittson, Otter Tail, Wadena, and Polk have already arranged for the service which will be extended as opportunity permits. Dr. Billings will make periodical visits to the co-operators and furnish them certain definite systems of marketing, breeding, feeding, housing, fencing, etc.

"The disease of blackhead, and faulty handling and feeding cause heavy losses every year in turkey flocks over the state," says Dr. Billings. "The poultry division is raising turkeys successfully at University Farm and there is no reason why the same thing cannot be done with proper supervision and farm management. There is a chance here to develop a plan for the turkey industry like the McLean system of hog sanitation."

Sow Thistle Eradication is Explained in Circular

The sow thistle crop of this year will be more widespread than ever. We are creating a demand for infestation. Dr. A. H. Ruhland, author of a recent circular issued by the agricultural extension division of the department of agriculture, entitled "Sow Thistle," for free distribution says that "cultivation is the key."

Complete eradication is possible by two methods, by a combination of crops; one a three-year rotation of grain the first year, clover the second, and corn, potatoes or beans the third year, or a four-year rotation of grain, clover hay, and corn, followed by corn again.

For either of these rotations the field is given to grain and then to grain clover and timothy seed. The clover is left for hay, and the field is plowed for a crop of clover hay is cut about the first of August. As soon as the hay is removed the ground is plowed four or five inches deep, it is then double-disked and harrowed every week during, until August 15 or September 1. It is then plowed about two inches deeper than before and the disking is continued until freezing weather comes and again in the spring until the cultivated crop is sown. The fourth year the rotation provides a new year of cultivation to make the work complete.

BIG INDIAN POW-WOW

Chippewa Indians from the Red Lake and other northern Minnesota reservations will join in what promises to be the biggest pow-wow ever held in the state at Cass Lake Friday, Saturday and Sunday.

D. B. C. EMPLOYEES FOR D. B. C. MEN

Hon. Roy Dunn of the Minnesota Legislature and proprietor Dunn's Resort, needed a good stenographer-bookkeeper lately. He called on his old friend, Dakota Business College, Fargo. Berthold Agency wanted. Cashier Swenson of the Merchants National Bank did likewise, and G. E. Reed was rushed to the bank's force, making 10 D. B. C. employes.

"Dakotans" are better trained—*actual business is practiced.* (Copyrighted—uncebtainable elsewhere.) Watch each word. "Follow the Success Trail" Send 1—6. Write P. L. Watkins, Pres., 206 Front St., Fargo.

WANT A RAILWAY JOB?

JAPAN BUYS POULTRY HERE

The Department of Agriculture of Japan recently sent an agent to Uniontown, Pa., to purchase four representative birds of the large framed, heavily bodied, high producing Leghorns, a reliable laying strain, which has been under development the last decade at the Minnesota station. The Japanese officials desire to cut down importation of eggs and develop their own poultry industry, purchasing the best specimens procurable of the breeds most popular for commercial purposes. This new strain will be introduced, it is planned, on the poorer agricultural lands of interior mountainous districts.

LENA ROBERTSON

Friends of Miss Lena Robertson, *formerly of Thief River Falls, will be* grieved to learn that she died at her home in Minneapolis on Monday, following a week's illness. Her sister, Mrs. Carl Rosenson of this city, was called to Minneapolis Wednesday of last week, Mr. Rosenson leaving Monday night. Miss Robertson, who had been employed in local stores before going to Minneapolis a few years ago, was about 35 years of age at the time of death. Besides Mrs. Rosenson she is survived by three brothers, Levi, Sam, and Daniel, all of Minneapolis.

DODGE BROTHERS
DE LUXE SEDAN

People select motor cars by different standards.

Some desire luxury and ostentation. Others, utility and economy alone.

Dodge Brothers De Luxe Sedan strikes a fine and distinguished balance—both in appearance and price—between these two extremes.

It provides unusual comfort and roominess; a refinement of line and design in which the owner takes deep pride; and everywhere in the world the name it bears is associated with the highest standards of integrity and workmanship.

With reasonable care, the De Luxe Sedan serves its owners for years, frequently delivers mileage running well into six figures, and on the resale market brings prices that strikingly reflect the solid value Dodge Brothers have built into it.

Dollar for dollar a worth of genuine automobile!

If you never sold anything in your life I will tell you how to make better than $100.00 a week. (Address) Geo. L. Lane, Mansfield, Ohio. tf

WORLD'S TWO GREATEST THRILLERS COMING

The two biggest thrillers in the world of entertainment in 1926 will be features of the great Northwest Dairy Exposition, Twin Cities, September 6 to 11—the international championship contest of the All Year Club of America, and the nineteenth Riverside spectacle which is being staged by the Minneapolis Aquatennial Association.

Never in the history of criterion has such a daring program been planned for the public. There will appear fifteen score and crowding at the "World's Greatest Thrillers" Dairy Exposition, when each day Miss Sue may get a "Boost" over the big track in the Coliseum, and the wagon of hay will, with Miss Sue in the lead, be dragged between the goal posts at the finish line, one of them over the other, by the two teams of horses. Miss Sue was selected by her admirers as the champion of the Northwest Dairy Exposition.

All of the thrilling episodes in the American Independence will be dramatized in 1926 in connection with the Aquatennial, each evening of the fair. The theme song of this year's "1776" will be "Yankee Doodle," and the national flag by Betsy Ross, and a score of other stirring events in early American history, will be staged between the performances of the horse and auto thrillers. The show will end with the battle at Yorktown, and depict the surrender of Lord Cornwallis to General Washington.

STATE FAIR BILL FULL OF THRILLS

World's Greatest Features Engaged for World's Greatest Fair, Sept. 4 to 11.

HE Fair of a Thousand Thrills.

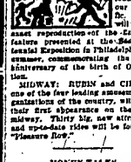
These six words summarize the fantastic spectacle presented by the Minnesota State Fair management in its program to be presented by the Minneapolis Aquatennial Association at Northwestern Aquatennial Co.

WHITE SHEEP

Action, speed and thrills—and more spills—galore will be furnished by this stupendous program. Horses and bipeds of the air from all parts of the world, including Japan, China, Russia, Asia, Africa, Britain, Argentina and America, will pass in kaleidoscopic review.

FLYING! In a big day and evening program, Miss Gladys Roy, new Queen of the Air, from California, will essay feats never attempted by woman or man. In her feature act she will be blindfolded on the wings of her plane, her hand in a great black sack, pulling out at the sack the will land on the track in front of the grandstand, alongside from the rotating pair of hay ship.

CIRCUS ACTS! Thirteen big headliners, featuring the world's greatest gymnasts, tumblers, acrobats, aerialists, contortionists, leapers, trapeze and animal trainers will make up the vaudeville program.



HORSE RACING! More than 226 of the leading racers, trotters and runners of the country will be seen in action during the harness and running events on the program. Four days of racing are scheduled, Monday, Tuesday, Thursday and Friday, September 6, 7, 9 and 10 respectively, being given over to the horses. Purses totaling $16,000 with entry money to be added, are offered.

AUTO RACING! Two dozen speed demons, representing the cream of the dirt track auto racing world, will shake dire with death in the thrilling racing contests to be staged the opening and closing Saturday afternoons and Wednesday, Sept. 4 and 11.

BAND MUSIC: Sixteen bands, orchestras and drum corps have been engaged for the musical program. The big feature will be Roy D. Smith's Royal Scottish Highlanders of St. Petersburg, Fla., one of the best known bands in the world.

FIREWORKS! "1776," the most elaborate and stupendous fireworks spectacle ever attempted, will stage a

great reproduction of the stirring events of the days of 1776 and the years immediately following, with the fastening of the United States of America. The spectacle will be an exact reproduction of the Sesquicentennial Exposition in Philadelphia this year, commemorating the 150th anniversary of the birth of Our Nation.

MIDWAY: RUBIN and CHERRY, one of the four leading amusement organizations of the country, will make their first appearance on the fair's midway. Thirty big new attractions and up-to-date rides will be found on "Pleasure Row."

Foreign Dishes Bring Added Zest to Dinner

Mrs. Wm. Post.

Height—of my culinary ambition always has been to make dinner each day a gastronomic poem . . . rounded and perfect in every detail. A well-furnished dinner is like a lovely woman in that it unlocks men's hearts with a magical key. Exotic dishes give a tang of exotic allure to the dinner table. Thirty foreign cookbooks grace the reading table of the Benedictine transports me for the minutes to the lieutenants in gay Paris, a dash of Spanish and an epic poem in a quaint cafe on the Neveky Prospect in Leningrad, while the crumbs of English tea cakes may bring visions of the rolling moors of Sussex.

As an aid to the housewife in search for out this new and fascinating idea in cooking, the following of my recipes may prove of particular interest:

Italian Polenta.

½ cups hot cooked fig then, butter ½ cup grated cheese

Heat the butter bite the crumb while hot. Turn onto a hot serving plate and pour over the following cheese sauce:

Cheese Sauce

2 tbsp. fat ½ cup evaporated
2 tbsp. flour milk diluted
½ tsp. salt ½ cup grated
Dash pepper ½ cup cheese

Melt the fat, add the flour, salt and pepper, and stir until the mass is smooth. Add the diluted milk and cook in a double boiler. Stir occasionally to keep smooth. Add grated cheese to the hot sauce and stir until melted or about three minutes.

Southern Hominy Hoecake.

1½ cups cornmeal 1½ cups flour
½ cup butter 4 tsp. baking powder
2-3 cup evaporated 2 eggs
milk diluted with
2-3 cup water Cheese to taste

Cream butter and sugar, add yolks of eggs and the lemon rind, stirring constantly. Mix flour and baking powder, add to the butter mixture, alternating with the milk and water. Fold in lightly the stiffly beaten whites of eggs. Place in a well-greased shallow cotton cake tin, sprinkle with grated cheese and cover and a few shavings, sliced or chopped. Bake in a moderate oven.

Simple Rack for Spools Found Very Convenient

Prepared by the United States Department of Agriculture

Spools of thread and silk in a work basket have a trying day of getting their ends snarled, with consequent waste of time for the sewer, and also much thread and silk. Mrs. W. W. Hough, a Missouri farm woman, devised this simple and convenient rack which hangs near her sewing machine. Anyone could make a similar rack.

A Home-Made Rack for Spools.

using a board of suitable size and shape, and large heavy nails. Mrs. Hough is a member of a home demonstration group interested in clothing work. The photograph was taken by the United States Department of Agriculture.

CITY COUNCIL PROCEEDINGS

COUNCIL PROCEEDINGS, CITY OF THIEF RIVER FALLS, MINNESOTA

A regular meeting of the City Council was held in the council chambers on the call of the roll by Alderman Alfred Peterson, Aug. 2, 1926.

Present: Aldermen Peterson, Lee, Alderman Elsmo; Brynestad, Johnson, Hanson, Ness, Lindberg, Hall, Jolly 8th, Alderman Peterson presiding.

Absent: Aldermen Ness, Jolly 8th.

Minutes of the 19th day of December, 1925, were read and approved.

A communication signed by Mrs. J. L. Hall, Mrs. Ed. Hall, Mrs. Ed. Hall, Mrs. Ed

TEACHERS IN RURAL SCHOOLS ANNOUNCED

Many Returning to Schools Taught Last Year—Nearly All Pennington Residents

Fifty-three of Pennington county's rural school districts have engaged teachers for the coming year, according to Superintendent O. H. Sande. However, it is believed that most districts have engaged a teacher by this time but some have not yet reported the fact to the superintendent's office. It is urged that this be done immediately. In most districts the term will open some time in September, the length of the term varying from seven to nine months. Many are of eight months duration.

It is encouraging to note that 14 of the teachers in the list which follows, are returning to the same school that they taught last year. Twenty-more have taught in Pennington county before. Those returning to the same school are given first address following the name being the home address and the school address:

Dist. No.
1. Rose Ockl, Mavie, Wylie.
4. Lilly Hienseth, Kratka.
23. Mildred Peterson, Thief River Falls.
27. H. G. Tharaldson, Germantown, Highlanding.
28. Hazel Krause, Thief River Falls, Goodridge.
31. Josephine Lendoiels, Kratka.
36. Theresa Sorenson, Thief River Falls.
48. Alice J. Jahr, Thief River Falls, Goodridge.
52. Lillian Ilinelt, Mavie, Erie.
57. Alice Boe, Co-operative Poultry Assn., St. Hilaire.
127. Laura Wold, Kratka, Thief River Falls.
128. Ruth Shafreiani, Newfolden, Thief River Falls.
166. Bertha Bisker, St. Hilaire.
221. Eric Letter returns, The St.
241. Others who have taught in the county are:
Dist. No.
6. Edith Patten, Thief River Falls, Hazel.
12. Lilly Gunstad, St. Hilaire, Hazel.
18. Irena Peterson, St. Hilaire, Hazel.
19. Gabrille de Cathelineau, St. Hilaire, Thief River Falls.
53. Mabel Starkebaum, Newfolden, Thief River Falls.
90. Sophie Seibelein, Kratka.
93. Clara Lund, Thief River Falls.
96. Stephanie Kuchera, Thief River Falls, Plummer.
44. Ruby Thoreson, Goodridge.
47. Ruth Swenson, Thief River Falls, Goodridge.
70. Mabel Jacobson, Wylie, Hazel.
82. Bertha Erickson, Plummer, Wylie.
76. Mabel Jacobson, Thief River Falls, St. Hilaire.
94. Edna Anderson.
123. Agnes Newton, Kratka, Plummer.

School Shoes Are Here

So Are Our

New Fall Shoes

In a few days your youngsters will be bound for school—and most of them will find plenty of use for the New Fall Shoes. Durable leathers made into comfortable lasts and styles the youngsters can't help admire. Priced so you'll find them a marked economy.

Don't forget us. Mail us your samples. We will pay top prices.

Tessum & Company

Thief River Falls, Minn.

DELEGATES TO NAT'L MEETING OF LEGION-AUX.

(Continued from Page 1)

head expense and organization work. Miss Jones explained the organization and allocation of the work in the states where it might be handled more efficiently. Opposing the present plan of caring for children in county "villages", the Auxiliary leaders feelat that the work can be handled far more efficiently right here in the home. Carrying out its slogan, "A Home for Every Homeless Child", the Auxiliary also recommended that the law for unplaceable children be commended and that foster marriage laws be adopted. That money be given local hospitals as well as the *Soldiers' Hospital association for the care of disabled veterans* was urged.

In various welfare, activities in the state for the past year, Mrs. Bladine credited the Thief River Falls unit with caring for the children in two families and a contribution $100 toward the children's swimming pool.

The Minnesota Auxiliary now has about 10,000 members, an increase of 1800 during the last year. There are 342 units, 27 of which were organized in 1925-1926. St. James was awarded first prize for unit activity.

Officers of Minnesota Auxiliary elected in Mankato, in addition to Mrs. Bladine, were: Mrs. Frank Morse, Mankato, first vice president; Mrs. H. Miller, Minneapolis, second vice president; Mrs. Millard Neeson, Winona, retiring president, national committeewoman; Mrs. Ed Amundson, Little Falls, retiring vice president, alternate; Mrs. Lee Cummins, secretary; Mrs. Blanche Scaller, Minneapolis, executive secretary; Mrs. John C. Rollins, Bishop, treasurer. Others elected officers and committee chairmen will be announced by Mrs. Bishop.

Delegates at large from Minnesota to the national convention besides Mrs. Bladine are: Mrs. Spencer, Mrs. Amundson, Miss Scallen, and Mrs. H. D. Hatfield, Mrs. James, the alternates being Mrs. John Sullivan, Minneapolis; Mrs. Wm. Townley, Jr., Argyle Falls; Mrs. T. T. Hewson, Robbinsdale; and Mrs. Lynn Carpenter, St. Paul. Mrs. Hatfield is department secretary and Mrs. F. C. Barnes of Fergus Falls executive committeewoman and alternate from the Ninth district.

Officers of the Legion for the ensuing year are: Commander: Paul Greer, Minneapolis, commander; Paul Fling, Mankato, first commander; Paul Fling, Madelia, second vice commander; Dr. Ben W. Saunders, Waseca, third vice commander; Rev. Leo C. Saunders, Hibbing, chaplain; Douglas Caldwell, St. Paul, historian; Rev. Edwin Hughes, Delegates at large to the Philadelphia convention are Rev. M. D. Hatfield, Lindstrom, retiring state commander; Clifford Hilt, St. Paul; Dr. F. W. Brantzen, Willmar, and T. O. Streiteman, Red Wing. J. M. Henry of Winnebago City was over another year as national committeeman and Department Secretary Hatfield of Minneapolis holds over for four years. Delegates to the Philadelphia convention who were re-elected at the convention here last year, continue as department substitutes. Commander Reed is a prominent Minneapolis business man and has been active in Legion and state Legion circles, serving as president of the Legion Soldiers' Hospital Association for four years.

Nine Northern Counties to Exhibit at Minn. State Fair

Forty-one counties will stage county exhibits at the Minnesota State Fair, September 4 to 11, Superintendent R. J. Hill of the agricultural department announced today. Pennington county will be one of the list of exhibits at the fair this year, in which the wonderful resources of the county will be told to the world. George M. Wilson, who is in charge of the local exhibit, reports the collection of the samples of practically everything produced. This display, however, is not complete and anyone having articles of grains, grasses, vegetables or any kind of farm products is asked to notify the committee which is composed of Mr. Wilson, Dr. H. W. Frechich, E. M. Benner, F. J. Stebbins, Chas. Lee, Mayor Nelson, and County Auditor T. P. Anderson.

The sum of $17,205 is to be competed for at the record-breaking society of county exhibits this year, however, the competition will be divided into three classes: Southern, central and northwestern. In the northern section, Koochiching county has won twice, and Becker and Aitkin county once each. Should Koochiching win again this year, the big silver trophy will become the permanent possession of that county.

Nine counties are entered in the northern section this year, including Aitkin, Roseau, Norman, Crow Wing, St. Louis, Carlton, Pennington, Koochiching and Becker.

Mrs. Clarence Erickson of this city is secretary-treasurer of the Minnesota Association of County Exhibitors.

WORMS IN SOME FLOCKS

The series of culling demonstrations conducted by Prof. A. M. Fraser of the Northwest School, Crookston, in cooperation with the Thief River Valley Co-operative Poultry association were well attended, Manager R. O. Norby reports. Dipping hens were found in several flocks, many being infected with worms, he says. Poultry producers are urged to examine their flocks and if worms is discovered place them in separate pens. They should also notify the association for assistance in remedying the trouble.

BAGLEY HOSPITAL BURNS

The hospital at Bagley, owned by Dr. Ludwig J. Larsen, who was in Odessa at the time, was destroyed by fire Sunday noon, entailing a loss of $15,000 and only $6,000 insurance carried. The building was formerly the Bagley hotel, which figured in an arson case in which Nellus Nelson and four other Middle River men were convicted. It had been completed for Dr. Larsen but two months ago.

TRAFFIC INCREASE SHOWN IN CENSUS

More Vehicles on Trunk Highways Than City Thru for Corresponding Week in 1923

Traffic on the trunk highways thru Thief River Falls shows an increase over last year, according to the traffic census conducted last week by the state highway department. Leigh and Forrest Anderson were in charge of enumeration here, the counting taking place between the hours of 6 a. m. and midnight, during the week commencing August 9, at the junction of trunk highways Nos. 32 and 33 and the fair grounds. This year's census was taken two weeks earlier than last been customary in former years.

Following is a table showing the comparative figures for the two high days entering the city, obtained from County Auditor T. P. Anderson. The figures being the totals for the week:

	T. H. No. 32	
	1926	1925
A cars	1251	1139
Foreign cars	1405	1291
Foreign, light	23	41
Foreign heavy	9	10
Trucks	137	144
Teams	90	117
	T. H. No. 83	
A cars	1072	1320
Foreign cars	1124	1340
Foreign, light	29	39
Foreign, heavy	11	9
Trucks	221	130
Teams	103	71

The census figures are sent to H. W. Sewell of Crookston, district manager of the state highway dept., and the portion of road funds is determined by the traffic recorded during the census period.

While the traffic increase shown in the table for the week is gratifying, it is believed that travel on local highways has increased far more than that shown for 1926, especially the number of cars from other states and Canada.

Mr. Anderson reports that Sunday night the enumerators counted 1,000 cars without tail lights, which is required according to state law.

28 Creamery Patrons Get More than $100 for July

Twenty-eight patrons of the Thief River Falls co-operative creamery received checks in excess of $100 for cream delivered during the month of July, when more than 46,000 pounds of butter were made. In June the list of $100-patrons numbered 31, but the total output that month being about 54,000 pounds. The average price returned for July was 42 cents per pound of butterfat. Sweet cream and 29 cents for sour cream.

Following is the list of $100-patrons:

Peter Engelstad	$231.45
C. H. Wagner	226.56
K. Yetsenud	176.77
C. H. Haverstad	164.07
Fuller & Anton	154.88
Hans Anton	152.60
Ed. Grundhover	144.92
Mrs. Mosbeck	130.61
Wm. Kuchera	124.23

Ed. Lund	107.01
O. S. Breiland	104.01
P. Horrseth	104.84
P. M. Silbo	104.16
Rasmus Gen	101.56
Martin Rudd	100.82
John Rundt	100.71
C. H. Toomey	100.09

PROF. CHAPMAN DEAD

Many Times guests who will be grieved to learn that M. F. Chapman, 58, poultry specialist in the agricultural extension division of the University of Minnesota, died Wednesday at his home in St. Paul after many illness. During the 13 years in which he was connected with the agriculture extension division he visited Pennington county numerous times, conducting better methods of raising poultry, and establishing hens and girls poultry clubs. He was a strong exponent of co-operative marketing, being one of the pioneers in this line in Minnesota. Mr. Chapman spoke at county meetings in this vicinity last June.

DO NOT REPEAT NUMBERS

Thief River Falls telephone operators last week discontinued the practice of repeating numbers given them by patrons. After listening to the number as given by the patron the operator now merely replies "thank you" and rings the number. This change will tend to speed up service and will eliminate the delay caused by the operator repeating the number after the patron makes the request to say "right," according to Oscar Russell, manager of the local exchange of the Northwestern Bell Telephone company.

TO INTERNATIONAL FALLS

Mrs. Alfred C. Rasmussen and three sons, Clarence, Lloyd, and Leonard, left last Thursday for International Falls where they will make their home. Mr. Rasmussen being employed there. They attended other relatives who brought them by truck by T. Froisness.

ENFORCEMENT OF LAW URGED BY MRS. SIZER

(Continued from Page 1.)

Mastervision, and Mrs. Albert Johnson, Thief River Falls.

A song service with Mrs. L. W. Northfield, Minneapolis, accompanist, will open the Thursday meeting at 9 a. m., Mrs. Reed being in charge. Mrs. Ward will conduct the devotional, after which Mrs. Josephine Sizer, St. Paul, state president, officially opened the convention and read the president's address. Mrs. Vera F. Blakney, corresponding secretary, and Mrs. Reed, treasurer, gave reports. Under the direction of Mrs. Lucy Chapin of Euclid, a memorial service was given.

A round table discussion for the 21 superintendents of the state organization will be a part of this afternoon's program. Preceding this there will be a piano solo by Miss Ruth Weeks of this city. The evening service will be led by Mrs. Reed and the devotionals will be conducted by Mrs. Adella May Norton, Pine City. Mrs. Ida Blakney Andersen, state superintendent, will give a union signing demonstration and shower. Mrs. Blanche Scaller, Minneapolis, will speak on the union literature, and Miss Rosette Hamlin, Minneapolis, will be in charge of the department in the constitution.

Friday morning the substantiates at the banquet today at 6:30 p. m. The banquet Thursday at 6:30 p. m. in the form of a Milnet Neeson, Winona, the Ladies Aid of the Trinity Lutheran church will be in charge. Mrs. Lucille Hermanson, pianist; Mrs. Ruth Lee, violinist; Mrs. Ruth Lee, vocal; and Gordon Overland and Julius Larson, violin, accompanied by Mrs. Ida J. Holdahl, will furnish all of this city.

Special greetings to the convention will be given by Mayor W. W. Pritchard, for the city; Rev. J. T. Dixon, for the ministerial association; Mrs. Ed Morrison, for the schools; Dr. J. W. Frechich, for the Rotary club; Mrs. Ida Blakney Andersen, for the Women's Christian Temperance Union; Mrs. T. P. Anderson, for the American Legion Auxiliary; Mrs. Ida Blakney Andersen, for district 14, W. C. T. U., and Mrs. Anna Ewing, Pitzner, Mrs. Julia Bell, Mrs. L. Christie, Long Prairie, will respond to the greetings.

"Fifty Years of Building" will be the general subject of the toasts. Mrs. Ida Blakney Andersen will speak on "Fifty Years of Building Character"; Mrs. Helen M. Upton, Dawson, on "Fifty Years of Building Home"; Mrs. Blanche Scaller, Minneapolis, on "The Superstructure"; Mrs. Rosette Hamlin, Minneapolis, on "The Capstone"; Mrs. Lila H. Austin, St. Cloud, on "Why This Building"; Mrs. Ida Blakney Andersen, "Dedication," and by Mrs. Sizer on "Bring the Tithes into the Storehouse." Music will be given by individual unions and districts.

Officers and delegates to the national convention in Los Angeles will be elected at the business session Friday at 10:30 a. m. Mrs. Della Mantle, Thief River Falls, will be in charge of the service and half of the 20 district presidents in the state will give their reports.

Mrs. Stella Cussens, Stewartville, state superintendent, will speak at 2 p. m. on "What Shall We Do With the Citizen of Tomorrow Who Does Not Go to Church?" Mrs. Ruth Orme and Mrs. Mary Smith of this city will play a piano duet, and Mrs. E. J. Hellmeyer, Crookston, will lead the devotionals.

Mrs. Bonita Freeburg of Minneapolis is actively engaged in the furtherance of the state declamatory contest, which will be staged Friday evening, the event being what is known as a grand gold medal contest of high school students from the state are five entered. These contestants have all participated in silver and gold contests, and the winners of this event compete at some future date in a diamond or grand diamond contest, probably at the national convention next year. The contestants are Luther Swenson, Maple Plaine; Margaret Lee, Red Wing; Marie Wesley, Waterville; Sigrid Mikkelson, Madison; and Marjorie Mitchell, Virginia. Friday evening's program will also include a piano solo by Mrs. Doris Halverson, who will read for the silver T. Reed and Mildred Mackleburg, and a vocal solo by Miss Ruth Weeks, all of this city.

The union's legislation plans for 1926 and 1927 will be outlined by Mrs. Myra Griswold, Minneapolis, legislative chairman of Minnesota, Saturday at 9 a. m. Devotional services will be conducted by Mrs. Hallie Backman, Bigfork, and a solo will be sung by Mrs. H. Brink of this city.

The Saturday afternoon session will be given over to young people's work with Mrs. Cora Reese Willmar, will

THE SUN IS NOT OUR ENEMY

THE favorite hot-weather newspaper story of an earlier day dealt with sea serpents and other wild creatures of the deep. The hot-weather specimen of today tells how many people died of the heat.

The sun is the source of light and life. The sun is a wonderful purifier and disinfectant. The sun brings cleanness and health.

Men and women go blindly and selfishly along in their suicidal habits and grumble and complain and suffer and die. Then the reporter says they were killed by the heat.

Why not adjust your food, your drink, your work, your rest, your clothes, your diet—why not adjust your habits and your thoughts—why not have body-mechanic (an osteopathic physician) to adjust your body machine—so that altogether you'll enjoy the summer?

When you think of summer, and hot days, and pretty sights, think of an osteopathic physician and let him tell you how to enjoy the heat.

MINNESOTA HISTORICAL SOCIETY

BETTER CITIZENSHIP KEYNOTE OF MINNESOTA W.C.T.U. MEET IN THIEF R. FALLS LAST WEEK

Golden Jubilee Convention' is Successful Event—Delegates Are Pleased

MRS. SIZER RE-ELECTED PRESIDENT FOR 6th YEAR

Mrs. J. O. Sether Named Delegate to National Convention in Los Angeles

Declaring that this, the 50th annual convention, was one of the best in the history of the organization and enthusiastic delegates left the city, members of the Minnesota Women's Christian Temperance Union Sunday closed a five-day, memory, programs and business sessions held in the Methodist church here. "We are hereby pleased with the manner in which the conference handled convention arrangements," said Mrs. Josephine B. Sizer of Minneapolis and Mrs. Lucy Chapin of Euclid, state president for the 50th year.

Determined to carry on the fight for total abstinence started 50 years ago by the early crusaders with "White Ribboners" returned to their respective homes with a new, stronger public sentiment for better enforcement and to get out the vote in the election this fall. Resolutions were also made by speakers to the respondents of the various matters of law observance and delegates left their individual responsibility in the matter of leading the people to a better understanding of law enforcement and citizenship.

Mrs. Sizer, who presided at all sessions, signed 18 women in her annual address to do their part in awakening people to their responsibility at the polls. She said that as the W. C. T. U. has led in many worth while reform movements, they must now lead in the matter of enforcing the laws. She urged that the organization which has had power to help bring about the prize reformed for July was 42 cents per pound of butterfat. Sweet cream and 29 cents for sour cream.

PROF. CHAPMAN DEAD

Many Times guests who will be grieved to learn that M. F. Chapman, 58, poultry specialist in the agricultural extension division of the University of Minnesota, died Wednesday at his home in St. Paul after many illness. During the 13 years in which he was connected with the agriculture extension division he visited Pennington county numerous times, conducting better methods of raising poultry, and establishing hens and girls poultry clubs. He was a strong exponent of co-operative marketing, being one of the pioneers in this line in Minnesota. Mr. Chapman spoke at county meetings in this vicinity last June.

DO NOT REPEAT NUMBERS

Thief River Falls telephone operators last week discontinued the practice of repeating numbers given them by patrons. After listening to the number as given by the patron the operator now merely replies "thank you" and rings the number. This change will tend to speed up service and will eliminate the delay caused by the operator repeating the number after the patron makes the request to say "right," according to Oscar Russell, manager of the local exchange of the Northwestern Bell Telephone company.

TO INTERNATIONAL FALLS

Mrs. Alfred C. Rasmussen and three sons, Clarence, Lloyd, and Leonard, left last Thursday for International Falls where they will make their home. Mr. Rasmussen being employed there. They attended other relatives who brought them by truck by T. Froisness.

Women of County Enthusiastic About Project Work

Every unit of the clothing project in the Thief River Falls territory was represented at the second meeting of the commercial club room Saturday by Miss Ida Ostrom, county extension specialist. It was a full day's session, from 10 o'clock in the morning, in turn, *etc.* demonstrations, at their respective meetings, the subject for the afternoon was "Color Schemes in Clothing." A large number of ladies were present.

A great deal of time has been spent by the leaders in preparing their work," Miss Reid says to members. "Some have given more than one demonstration in order to give every member in the community a chance. However, will not be done with the remaining lessons as all are expected to co-operate with their leaders and anyone absent from the meeting will be dropped from the roll, as every lesson is given on the previous one and there will be no time for review work. So if you want to learn how to make a neat appearing dress, perfect with well fitting collars, and fit a perfect pattern, be at the next meeting promptly."

A delightful repast of eight women, followed and served the noon lunch. While this was being prepared the ladies had a social get-together.

The next meeting will be held some time next month, at which time the subject will be: Fitting guide patterns, selecting materials, and selecting color and line.

Mrs. Froehlich To Report at State Club Convention

A report of the women's camp conducted at the Northwest School of Agriculture, Crookston this summer will be presented by Mrs. F. W. Froehlich at the 32nd annual convention of the Minnesota Federation of Women's Clubs in St. Morris September 15, 16, 17, 18.

JOURNAL WRITES HERE

Miss Sue M. Phillips, correspondent of the Minneapolis Journal, attended the state W. C. T. U. sessions here last week. Extensive write-ups about the convention appeared in The Journal each day. Other daily papers of the state also carried accounts of the meetings, supplied by Scott Laird, Associated Press representative here.

NATIONAL S. OF N. HEAD COMING HERE

A. J. Myriand of Madison, Wis., to Address Gathering of Sons of Norway Lodges

A. J. Myriand of Madison, Wis., newly elected grand lodge president of the Sons of Norway, has accepted an invitation to address a district meeting of members in this section in the Sons of Norway hall, September 5, it is announced by Bernhard Ellefson, president of the local lodge. Invitations have been extended to all of the lodges at Okies, Gully, Gentilly, Erskine, Fertile, and Climax-Forks, and a large attendance is expected.

If the weather is favorable the meeting which is an annual affair, will be held on the lawn at the meeting at the lodge hall. An interesting program is being arranged, including addresses and music. Detailed information will be given next week.

Last year's gathering of the circuit took place at Gully.

Lake Levels of State Are Reported Raised

Red Lake raised one and one quarter inches last week as result of heavy rains in that territory, it is reported. Minnesota lakes gained from one to two inches during the week, a survey revealed, and it is expected that further levels will be reached.

The water level of Red Lake river here has dropped nearly two feet, the last people of weeks, according to Olaf Legvold of the city water and light department. This is believed to be the heavy growth of grass in the river.

The rainfall here last week totalled .73 inch, reports L. M. Reyson, local weather observer. The rainfall so far this month amounts to 2.35 inches. The temperature ranged from 42 degrees Sunday and 82 yesterday.

INDIAN ADDRESSES ROTARIANS

Henry Roe Cloud, Indian educator of Wichita, Kansas, who passed thru this city this week, addressed the Rotary club at Kennedy, Minn., Monday. He is a graduate of Yale university and is doing educational work among the Indians. Mrs. Cloud, who accompanied him, is a sister of Chief Bendell, famous baseball player.

H. A. Brumund is the 24th member to enter the local Rotary club.

THANKS FOR CO-OPERATION

The following statement is issued by Mrs. J. O. Sether, president of the Thief River Falls W. C. T. U. of Thief River Falls wishes to thank the city council for the use of the auditorium, the school board for the use of the high school gymnasium, musicians and others who took part in the program, the merchants for donations for the complimentary breakfast; the high school girls for serving and staging at the breakfast; the many committees especially the Women's club for its hearty co-operation; the committee in charge of the Sunday morning reception and all other committees, the pastors, musicians and others who took part in the Sunday services, the Boy Scout Band and the Sea Side effects; and everyone who helped in any way to make the state convention a success."

NEARLY 2,000 HEAD OF SHEEP ORDERED

Agricultural Credit Corporation Manager Sees Success in Sheep Raising

Orders for nearly 2,000 head of sheep have been placed by the local National bank of this city from farmers in the Thief River Falls territory, it was announced this week by officials of the bank, visited the Grygla community Monday in the interests of the special loan plan for sheep raising now in force.

Shipment of 994 sheep arrived in Argyle last week and it is understood that a number of cars are on the way. The total number will be distributed in that community.

Ed Hennessy, vice president and manager of the Agricultural Credit Corporation, is speaking in Grand Forks Friday about his organization's plan for sheep purchase and has appointed to sheep raising in that territory as the most rapidly growing industry in the state, according to reports in recent years.

The first year that assistance has been given the industry by the Agricultural Credit Corporation, these who ventured into sheep raising during the year have been loud in the adoption of sheep raising by watchful waiting farmers, Mr. Hennessy says.

From the standpoint of the credit corporation, the plan has proven profitable, Hennessy declares, the handling for farmers buying sheep with their installments nearly out of the profits and they assembling left for building suitable fences, sheds, etc. There have been very few delinquencies in the payments, Mr. Hennessy declares. The corporation is still assisting this year in financing sheep sales and their work is also proving successful from the standpoint of profits as well as from that of the farmer.

About 5,000 head are being brought into Pelican rapids, Otter Tail county, N. Dak., this week.

That sheep raising here is profitable is the opinion of N. O. Mattson, farmer in Excel township, who lives this city, who has rented $750 on a 160-acre farm and has cleared the cost of his original purchase of 10 sheep in the last two years.

It is predicted that the present favorable sheep prices are likely to continue for three or four years as predicted by livestock leaders.

Madison Girl Wins State W. C. T. U. Declamatory Contest

Sigrid Mikkelson of Madison was the victor in the state high school oratorical contest staged by the state W. C. T. U. in the declamatory contest staged by the state W. C. T. U. in the auditorium Friday night, the contest being won by Miss Sigrid Mikkelson of Madison. The subject of Mrs. Emilia Bryan Freeburg of Minneapolis. Seven contestants therein were Luther Swenson, Maple Plain; Margaret Lee, Red Wing; Marie Wesley, Waterville; Marjorie Mitchell, Virginia Smith, Madison.

The contest was well completed, well. Miss Mikkelson's selection was "The High Cost of Radical Alcohol," and her delivery was pronounced by Mrs. Elizabeth Preston Anderson of Fergus.

Mrs. Freeburg in an interesting discussion explained what these contests mean to the young people and those who take part.

Music was by Mrs. Doris Halverson, Pope, vocal solos by Elva Porter and a duet by Mrs. T. Reed and Mildred Mackleburg, Thief River Falls, added much to the enjoyment of the evening.

Women of County Enthusiastic About Project Work

Every unit of the clothing project in the Thief River Falls territory was represented at the second meeting of the commercial club room Saturday by Miss Ida Ostrom, county extension specialist. It was a full day's session, from 10 o'clock in the morning, in turn, *etc.* demonstrations, at their respective meetings, the subject for the afternoon was "Color Schemes in Clothing." A large number of ladies were present.

A great deal of time has been spent by the leaders in preparing their work," Miss Reid says to members. "Some have given more than one demonstration in order to give every member in the community a chance. However, will not be done with the remaining lessons as all are expected to co-operate with their leaders and anyone absent from the meeting will be dropped from the roll, as every lesson is given on the previous one and there will be no time for review work. The next meeting will be held some time next month, at which time the subject will be: Fitting guide patterns, selecting materials, and selecting color and line.

Mrs. Froehlich To Report at State Club Convention

A report of the women's camp conducted at the Northwest School of Agriculture, Crookston this summer will be presented by Mrs. F. W. Froehlich at the 32nd annual convention of the Minnesota Federation of Women's Clubs in St. Morris September 15, 16, 17, 18.

JOURNAL WRITER HERE

Miss Sue M. Phillips, correspondent of the Minneapolis Journal, attended the state W. C. T. U. sessions here last week. Extensive write-ups about the convention appeared in The Journal each day. Other daily papers of the state also carried accounts of the meetings, supplied by Scott Laird, Associated Press representative here.

COUNTY BOARD RAISES VALUE OF PROPERTY

Equalized Personal Property Valuations $30,415 Below Last Year's Figure

REDUCTION IN REAL ESTATE VALUATIONS

1766 Persons Assessed for Personal Property; 328 for Moneys-Credits

Assessed valuations of personal property in Pennington county as equalized by the county board show a decrease of $30,415, according to the abstract of assessments submitted this week to the state tax commission by the county auditor. The assessed valuation following changes by the county board is $367,166, as compared with $397,581 for last year. However, the final 1925 personal property valuation on which taxes were based totaled only $378,110, and it is likely that this year's figure will be about the same when the final changes have been made by the state commission and the tax list.

The assessed valuation of personal property returned by the local boards of review was $561,332, the changes made by the county board raising the total to $367,166.

The assessment abstract shows real estate valuations for the county of $4,804,815, assessed value, an increase of $1,000 over the total returned by the local boards of review. The total assessed valuation for 1926 is placed at $3,977,961, which the total on which taxes were figured last year was $4,008,376. The local board's figures were boosted 10 per cent last year and it is believed that the valuations will remain about the same this year. No changes were made by the board of equalization in the real estate valuations in Thief River Falls.

The changes made by the state tax commission will not be known for a month or two.

The total true and full value of personal property in the county is given by the county board at $1,997,858, last year's figure being $2,008,273.

SOCIAL ITEMS

Bistine-Ahle

Miss Clara Bistine of this city and Pvt John Ahle of Minneapolis were united in marriage last Thursday, August 19, at the Trinity Lutheran parsonage, Rev. R. L. Valldeau officiating in the presence of Mr. and Mrs. V. E. Bingstrand of this city. After visiting here a few days the couple left for Minneapolis where they will make their home.

For Montana Guest

Mrs. O. Engstad was hostess Saturday at an afternoon and dinner party, entertaining a number of relatives and friends of Mrs. O. Rasch of Glendale, Montana, formerly of this city, who is a guest at the Fred Hollenbeck home. The guests included Mrs. Rasch and children, Mr. and Mrs. Fred Hollenbeck and son, Alvin, Mr. and Mrs. Helmer Hollenbeck and family, Mr. and Mrs. E. M. Arnemon, Mr. and Mrs. Norbert Hollenbeck, Mrs. Frank Pratt, Mrs. P. Rasch and sister, Miss Sophie Schuster.

Mrs. Nasa Entertains

Mrs. Chas. Nasa was hostess at an afternoon party at her home Tuesday in honor of her daughter-in-law, Mrs. Lloyd Nason and her sister, Miss Jean Hay, both of St. Paul. The guests enjoyed the afternoon at needlework, following which a tray luncheon was served at 5:30 o'clock. Those present were assisted in the serving by their daughter, Miss Lucy, and Miss Lucille Curtis. Others present were Misses Sybil Meilinn, Anne Prescott, Lois Cook, Harriet Adamson, Lucille Burns, Mary Prichard, Dorothy Bottelson, Miriam Bisson, Phyllis Curtis, and Mesdames S. Salvesen, R. Erickson, I. C. Nasa, H. Hanson, R. Erickson, I. C. Pope, M. Brink, W. B. Stone, C. Conner, and Leonard Hansen.

Rotarian Celebrate

Mr. and Mrs. Adolph Olander, Mr. and Mrs. R. Pope, Mr. and Mrs. H. E. Snyder, Dr. H. Newell, Dr. and Mrs. Berge were Thief River Falls attendants at the Rotarian anniversary party at Maple Lake Thursday evening. Following the service of a chicken dinner at Hahn's hotel, dancing and cards were enjoyed.

For Mrs. Berges

Mrs. L. Berges was pleasantly surprised at her home Friday evening by a number of her friends and relatives, the occasion being her birthday. Those entertaining included Mr. and Mrs. Otis Grahl, Mrs. and Mrs. Ed. Berges, Mr. and Mrs. Wm. Bowen, Mr. and Mrs. Morris LaBelle, Mr. and Mrs. Nels Berggren, Mr. and Mrs. Lawrence Berges, Louis Berges and family and Alfred Berges and family.

Golf Dance

Members of the Golf club and their friends will enjoy a dancing party at the club house Tomorrow, Friday night, the first one held this summer.

BITES-STINGS

For all insect bites, red bug, chigger, bee, wasp, mosquito, etc., apply wet baking soda or household ammonia, followed by cooling applications of—

VICKS VAPORUB

Over 17 Million Jars Used Yearly

For Ada Guests

Mrs. Olaf Rasedal was hostess at a dinner party at her home Saturday evening in compliment to several of her friends from Ada who visited here during the W. C. T. U. convention. Her daughter, Mrs. Ila Berg, aided, assisted her in the serving. A beautiful basket of gladiolas formed the centre-piece at the table at which covers were laid for eight. The guests included Mrs. A. L. Hanson, Mrs. C. E. Andrews, Mrs. Allen Harvey and Mrs. Amelia Keller of Ada, Mrs. Josie Felton, Mrs. H. H. Hanson, Mrs. S. L. Tollaksen and sister, Miss Emma Midthun.

Reception for Communion

Rev. S. J. N. Vicsaker, pastor of the First Lutheran church in Fergus Falls, will deliver the festival sermon in the morning and lecture in the afternoon at the annual reception and communion of the Thief River Falls-Greenbush circuit, which will be held at Greenbush Sunday, Sept. 5. A meeting is to open Saturday, the 4th, when four papers will be presented on Christ's words, "Follow Me" in regard to home work, school life, and social life. The last named topic will be taken by Elaine Swenson of this city.

Twenty-seven attended the rehearsal here Monday for the joint choir to sing at the convention, and Rev. O. Simonson, director, reports it as well-pleased with prospects. Thirty singers in the northern section of the circuit rehearsed at Greenbush Sunday, and the remainder is expected at the rehearsal here next Monday and at Greenbush Sunday.

At Golden Wedding

Mrs. George M. Dimberson of Thief River Falls was among 12 of the 13 living children of Mr. and Mrs. Ole T. Selmer of Arctic township, south of Grand Forks, who joined about 500 friends in celebrating the golden wedding anniversary of the parents, the occasion being observed at the Selmer home in the city who attended are: Mr. and Mrs. J. J. Selmer, Mr. and Mrs. A. L. Larkin and three daughters, Mrs. P. P. Reierson, Mr. and Mrs. P. O. Selmer, Mr. and Mrs. Torstein Selmer and Mr. and Mrs. O. Johnson and family, all of Arctic township; Mrs. Gerhard Lee, daughter, Grenfell, Sask., and Mrs. Martin Selmer, son, Bertel, and Miss Mina Selmer, all of Thief River Falls; and Mr. and Mrs. Alfred Rollom of Hadley were also present. Among the speakers at the event was Rev. Hjalmar Wenaas, Thief River Falls, and a violin solo was rendered by Mrs. C. S. Simonson in Grand Forks.

For Miss Hay

Complimenting Miss Jean Hay of St. Paul, formerly of this city, Mrs. M. Brink entertained at an informal party at her home Monday evening. The hours were spent at needlework, following which a delicious luncheon was served. Those present were Mesdames Erickson, L. Berg, P. Swanlan, C. Pope, and H. Enderis of Plummer, and Misses Lucille Burns, Harriet Anderson, Phyllis Curtis, Mary Prichard, Lucille Burns and Dorothy Bottelson.

Miss Albert Johnson was hostess to a number of young ladies at her home yesterday afternoon, in honor of Miss Vera, and Miss Mary Prichard, who are retired to Star Harp home at an informal party at the W. W. Prichard, Jr., home last evening.

Entertain at Tea.

Mrs. Jack Fulton was hostess to a number of her friends at a tea at her home Saturday afternoon, August 21, in honor of Miss Ruth Mosby, Mrs. Fulton was assisted in the serving by Mrs. A. Hanson, Mrs. Chas. Anderson and Mrs. Amelia Keller of Ada, and Mrs. Lucy Chaple of Euclid.

CELEBRATE 28th ANNIVERSARY

Dr. and Mrs. O. F. Melby celebrated their 28th wedding anniversary yesterday in a family dinner party at the home of Mrs. Melby's parents, Judge and Mrs. A. Grindeland and daughters Gladys and Mrs. E. E. Swenson and two children of Warren; Mrs. W. S. Strand, formerly Syrenus Grindeland, and three children of Minneapolis, and Mrs. Ingolf Grindeland and daughter of St. Paul; and Misses Anna and Agnes Halvorson of Warren.

Arch Nasmas Host.

The following officers of the Northern Chapter No. Royal Arch Masons, were named at the annual election Monday night: D. Don Harbison, high priest; Harry Hall, king; F. F. Hervey, scribe; Joseph Stenberg, captain; F. F. Hervey, captain of the host; Thos. Quale, treasurer; Installation will take place September 12, according to Secretary Carl Gulsrud.

Entertains Friends

Mrs. A. G. Gabrielsen was hostess to several of her friends at her home Friday afternoon. The hours were pleasantly informally, and lunch was served at five o'clock. Eight guests were present.

Degree of Honor

Mrs. Jack Heubh will be hostess to the members of the Degree of Honor lodge at her home, 305 Arnold Ave., N., Friday night, August 27. All members are urged to be present.

Birthday Party.

A number of people gathered at the Nels Bergeren home Saturday evening in celebration of the sixty-ninth birthday of Mrs. Bergeren. The hours were happily spent informally and luncheon was enjoyed at 11 o'clock. Those present were Mr. and Mrs. Bergeren, Mr. and Mrs. S. Malone and family, Mr. and Mrs. McLaella and family, Mr. and Mrs. John Berge and family.

Family Dinner

The M. Lansseth home was the scene of a family dinner Sunday in honor of Mrs. Louis Hanson and two daughters, of Minneapolis. Those participating included Herbert Fuller and family, Mr. and Mrs. August Brown and daughters, Misses Cora and Laura, Ed Hjelmen and family, and Mr. and Mrs. Art and family.

Shower for Bride

Mrs. Henry Falk, a bride of last month, was the honor guest at a miscellaneous shower given at the Falk residence Friday night at the E. M. Hanson home. Mrs. Paul Scanlan and Mrs. Esther Benson entertaining. The guests included Mrs. Elmer Harrold, Harriet Anderson, Dorothy Swetenburg, Ethel Mickelson, Elizabeth Keating, Mildred Dugan, Kathryn Barnes, Harriet Sorrem, Ruth Melby, Mrs. L. Davis, and Mrs. L. Adams.

Birthday Party.

Audrey Anderson, daughter of County Auditor and Mrs. T. F. Anderson, was hostess to fourteen of her little friends at a party at her home yesterday afternoon, in celebration of her eighth birthday. Green and white decorations were used, and a birthday cake with green candles was a feature of the lunch which was served at the close of the afternoon. Those invited were Helen Halvorson, Dolores Thompson, Margaret Ann Neille Keille, Vernon and Delores Urdahl, Marie Wollan, Joan Nesset, Wanda Schlueter, Maxine Dufresne, Myrtle Geske, Marian Herrick, Avis Fallman, and Ruth Knauff.

Mrs. Hunt Hostess

In compliment to Mrs. Roy Lambert's mother Mrs. Geo. Bush of Detroit, Mrs. Willis Akre and Mrs. A. H. Akre entertained a few of their friends at the home of the latter Friday evening, Bridge was played at two tables, Mrs. Lambert winning high score, and Mrs. Bush receiving low.

Celebrate Birthday

The J. Stebbins home was the scene of a family gathering Sunday, celebrating the eighty-fifth birthday of Mrs. Mary Hill of Minneapolis, mother of Ed. Hill and Mrs. C. J. Stebbins of this city. Places for eleven were set at the motif, appropriately table, in the center of which was a birthday cake, bearing eighty-five candles.

LIBRARY NOTES

We talk so much about the struggle for existence that we forget that the best thing in life is just to live. Not all reading is for material profit; some of it is for happiness; for the joy of reading. Your library has the Open Shelf System and you may have the pleasure of choosing your own book.

Some of the new books now on the shelves are: "The Struggle for American Independence," by Fisher; "Mexican Maize," by Dean Byrne; "Machine Clays," by Susan Fitzgerald; "Understanding Heart," by Peter B. Kyne.

WHERE DO YOU BELONG?

There are three classes of people in every community and everybody fits into one of them.

There are those who go through life with a smooth movement that is seldom, if ever, ruffled. They are serene in their confidence because they never take the trouble to bother themselves with anything that is going on around them.

People of this class never do any real harm in the world and in rare cases assert themselves enough to do a little good, but people like these, but they never command a lot of respect and admiration.

Then there is a second class, which we hope are in the majority, who do not hesitate to say what they think—who take a stand on questions of importance after they get the facts and form an opinion.

In other words, they have convictions, and they do not hesitate to emphasize where it is due, nor keep on certain when it is deserved. They are the constructive citizens who, though they may sometimes make enemies, are responsible for whatever progress is made.

And finally, we have the third class—the chronic complainers and kickers, whose biggest pastime is to say when they are complaining about somebody or something and whose whole life is destructive.

But the fortunate thing about them is that they are easily identified themselves than they are to society. They don't get a large following, and they once did but they are annoying, to say the least.

Wet newspapers claim that, from a standpoint of personal privilege, this is no longer the land of the free, and, after viewing the prevailing drinking of poison liquor also proves that it has ceased to be the home of the brave as well.—Owatonna Journal Chronicle.

It is the duty of every newspaper worthy of the name to make public the violations of law in the interest of good government and patriotism. —Waseca Journal.

Who said family discipline was disappearing? Most parents do just what their children desire.

This is the time to cull and can your slacker hens.

COUNTY BOARD RAISES VALUE OF PROPERTY

(Continued from page one)

Moneys and credits total $479,483 this year, as compared with $506,960 in 1925, the number of persons assessed in this group being 228 this year, up 28 less than last year.

In 1925 there were 1978 assessments for personal property on the county, the number this year being dropping to 1766.

Real estate was assessed at an average of $7.70 or full value of $20.97 for the county on $8,944,984 acres. The assessed value varied from $5.01 acre in Hickory township to $12.19 in Northern township.

Class 2 of personal property, household goods, jewelry, etc., assessed at 25 per cent of true and full value, was given an assessed valuation of $1067, 1000 as compared with $111,295 in 1925; class 3, livestock, poultry, stocks of merchandise, etc., assessed at 28 1-2 per cent, $484,990, as compared with $455,744 in 1925; class 4A, agricultural products in hands of producers, and not held for sale and agricultural tools, implements and machinery used in farming, assessed at 15 per cent, $21,990, as compared with $21,775; class 4, all other personal property, assessed at 40 percent, $37,284, as compared with $39,972 in 1925. A straight three-mill tax is levied on moneys and credits.

The following table shows the assessed valuation of personal property in each unit of the county as equalized by the county board, with corresponding figures for 1925 for comparison; also assessed valuations of real estate and moneys and credits:

	Person Property 1926	Property 1925	Real Estate. 1926	Moneys Credits. 1926
Angus	$11,296	$11,764	$162,907	$12,515

Colonel Theodore Roosevelt will make the principal address. He recently returned from a hunting trip in Asia, and will narrate his adventures.

POLITICAL ANNOUNCEMENT

I hereby announce myself a candidate for the office of County Attorney of Pennington county, subject to the action of the Republican primary election to be held in the county Tuesday, September 14, 1926, and ask for the support of the voters at said election.

H. O. BERVE

Subject to the decision of the Republican primary election.

COUNTY ATTORNEY
OF PENNINGTON COUNTY

Your support appreciated.

PublicForum

CORRECTN MR. QUIST

There are a number of incorrect statements in a communication from W. H. Quist, in last week's issue of The Times—but I would like to call attention to:

Mr. Quist says:

"There are only some 12,160 Republican voters voted for Selvig at a total primary vote in the district of 37,642."

The truth is:

"The vote for Selvig was 13,160 out of a total of 37,161 Republican ballots cast in the district." The Farmer-Labor vote cast 22,251 ballots, making the total vote in the district 37,380. Two years ago, at the presidential election, the total vote in the district was 37,453.

Mr. Quist says:

"Can he remember back to 1922 when he stumped for Kellogg and Preus and against Shipstead and Johnson."

The truth is:

That Mr. Selvig, being in the public service, and in charge of the Experiment Farm and School, has never taken part in any political campaign in the past or "stumped" for any candidate or party.

Mr. Quist says:

"Has he spent some time at the national capital studying these things? Mr. Selvig could have told us why all the farmers established in Congress favored the Norris-Sinclair bill in preference to the first McNary-Haugen bill."

The answer is:

This is exactly the issue in this campaign. While Mr. Wefald has voted for the Norris-Sinclair bill, Congressman Knutson has voted for the first McNary-Haugen bill, which would entail the government in the grain, livestock, dairy products and real estate farm production marketing, just as it was in the railroad business during the war.

Mr. Quist says:

"You didn't notice the Republican President, in his first message to congress, suggesting the passing of any further legislation of this character."

The constitution gives Congress the duty of making laws and the President the duty of enforcing them. Any recommendations in favor of agriculture must come by way of Congress and the President could dictate to Congress what to do would be a dictatorship, same as they have in Italy. If any great number of Congress has failed to get any action, he should not try to "pass the buck" to the president.

My purpose in correcting Mr. Quist's statements is to keep the record straight, in order that the many friends of Mr. Selvig in Pennington county may know the truth, and not be misled by the vicious habit the extreme radicals have of saying anything they want to say without the least regard to whether it is true or false.

MARTIN WIDSTEN.

Home exposed to direct sunlight produces eggs rich in vitamine while those kept in glass inclosures do not, experiments conducted at Kansas State Agricultural College indicate.

The Lake Region Co-operative Egg and Poultry Exchange is about to add its 19th district association which has been formed at Alexandria and will begin operations about Sept. 1.

Available field needed to fall rye will furnish fall and early spring pasture and help to save your hay crop.—Your winter feeding.

Tractors, Threshers and Other Machinery BARGAINS—

1 22"x38" McCormick Deering Thresher, complete, and in first class condition.

Clover and Timothy Seed Wanted

We are in the market for clover seed of all kinds, especially sweet clover seed, and timothy in car load lots or less, no lot too small or none too big, so when you get your seed threshed bring in sample and get our prices.

We would advise you not to contract your grass seed. If a buyer can afford to take a chance and contract for your clover and timothy seed, why not take the chance yourself? And get all the money there is in it.—

You are sure of getting all your seed is worth, and grading that will be satisfactory when you sell to us. Come in and see us when ready to sell.

POULTRY! We need a large amount every week to fill our orders, so why not cull out those non-layers and fat them that you are going to get rid of this fall. Sell them now while prices are good. Possibly you have some large springs to market, if only a few bring them in. You will receive the same courteous treatment you always get when dealing with us.

Yours truly,

Peterson Biddick Co.
Phone 11. Thief River Falls, Minn.

Wood and Coal

Buying the early winter's supply of wood or coal at this season will return the consumer a very fine profit. When orders are placed for delivery from cars you also get the benefit of no extra charge necessary if fuel is re-handled from bins or yard.

We now have highest quality birch, tamarac and poplar wood — hard and soft coals.

Phone your orders to 22 and be sure you get one of our coal shovels with the delivery.

The Prichard Co.

MANY SPEAKERS AT W. C. T. U. BANQUET

Get-together Affair at S. of V. Hall is Enjoyable Event of Convention

The annual banquet of the Minnesota Women's Christian Temperance Union and local officers attending the banquet served at the Sons of Norway hall last Thursday evening by the Trinity Lutheran Ladies aid. The cordial welcomes extended by representatives of the local unions assisted the visitors feel thereby at home and satisfied. Prayers by W. C. T. U. leaders gave those present a better understanding of the efforts and activities of the movement. This banquet was the get-together event of the convention and proved to be one of the most enjoyable of its kind, being both entertaining and instructive. The two men present were given a splendid demonstration of how republicanism by a group of women can put a state program, much credit for which is due the Thief River Falls W. C. T. U. president, who ably officiated as toastmistress.

The address of Mayor W. W. Bratlie, Jr., the official welcome to the city was extended by Dr. A. M. Proehlich, who also spoke for the Commercial club, and Mrs. Ole Strandness—An interesting description of the city and community was given by the lowest of the visitors, the doctor closing his remarks with the statement that the county voted for prohibition and we have nothing else to drink." Rev. J. O. Jacobsen of the Nordic Mission church and representing the ministerial association, expressed the spirit of the churches in working for sobriety and upholding the eighteenth amendment. Rev. Jacobsen is a pioneer in the Methodist church has been one of the pioneers in the Methodist movement.

In introducing Supt. Morris Rue, Mrs. Myer declared that it is conceded that the work in the schools by the W. C. T. U. contributed more than anything else to the victory in 1919. "What we think is determined by what we know," said Mrs. Myer in commending the organization for its zeal in spreading information. The importance of creating public opinion in favor of the prohibition law for effective enforcement was stressed. Constitutionalist Theo. Quale, representing the Rotary club, complimented the W. C. T. U. upon its record of service, asserting that its influence has been felt throughout the civilized world. "This country is not suffering from poor citizens," he said, "but from the poor citizenship of good citizens." Responding for the W. C. T. U., Mrs. Ole Strandness, a club declared that organization is not waiting for the slow principles of time, but is working for the same principles as the W. C. T. U. "Public opinion is the ballot," she said. "Prohibition came by the vote of the women and has been ridiculed and maligned as no other organization but you have kept right on. Canada, while frowns on it, has a much better law and a much respect our laws."

Mrs. T. F. Anderson of the Legion Auxiliary called the Auxiliary "Soldiers of Friends of Freedom, Foes of Lawlessness," supporting its program for Americanism, child welfare, and community service to that of the W. C. T. U.

Mrs. Alma Lavine of Crookston, president of the 11th district, challenged the good citizens to speak their convictions and break. "There are always been an effort to nullify laws which protect humanity," she said, "but we must have the spirit of the pioneers—never give up." The keynote of the W. C. T. U. was pointed out by Pennington county's not-organized as a favorable field for bootleggers on account of the efforts of its sheriff. Mrs. C. T. Hall, county president, declared, "Law enforcement depends president of the local union, who responded to the toast, "The Home," would bring in this community a deeper appreciation of its opportunities. The toasts were responded to by Mrs. Estelle Christie of Long Prairie, president of the 12th district, who emphasized the influence of the churches, community, civic and social clubs, Rotary club, Legion Auxiliary, and schools in working for the betterment of the community. She expressed appreciation of the fact that so many organizations took an interest in the convention.

Following an excursion of "Fifty Years of Building," Mrs. Lila H. Jones, Minneapolis, Anti-Saloon League, Foundation," comparing the W. C. T. U. founded 52 years ago, to a spiritual building. "The Anti-Saloon League is hoed to protect was pointed to as a school for the movement, realizing that of woman as an integral part of government and a factor in politics.

A challenge to get out the vote was issued by Miss Rozette Hendrix, Minneapolis, state W. C. T. U. treasurer. White Ribbon, and former state president, spoke on "The Sovereignty of Motherhood." "We need an old fashioned revival of civic righteousness," she said. "Dad men are elected to office—by good women staying at home. We have a noisy 'wet' minority and a silent 'dry' majority. The law can be enforced but not until those who believe in decency stand up and demand it. Prohibition was brought about, not by converted drunks, but by children educated to the evils of liquor."

A report from national headquarters shows that $50,000 were spent in 23 states for temperance instruction last year, the number of temperance assemblies held in the schools increasing by the thousands. In closing the influence of the home, the speaker declared that "obedience must be taught in the home if we are to have law abiding citizens."

Mrs. Rosalie Leslie Sprull of Minneapolis, vice president and former president of the Minnesota W. C. T. U., also stressed the necessity of teaching the children to get effective results by a forceful talk on "The Catechism." She stated that when she entered the movement 40 years ago she did not expect to see such progress as has been made. "Prohibition is a success," she said, "otherwise the 'wets' would not complain so much. The laws are the keystone of the W. C. T. U.

The speaking program was closed by Mrs. W. Northfield, Minneapolis, president of the 13th district, whose subject was "The Dedication. "We believe," declared Mrs. Northfield, "that the early workers had to fight for the principles we enjoy today." Solos were given by Miss Lucille Hermanson, piano; Mrs. Ole Strandness; Mrs. H. W. French, vocal; Julius Lavine and Gordon Overland, violin, and Mrs. W. Simpson of Montevideo, vocal.

BETTER CITIZENSHIP KEYNOTE OF MINNESOTA W. C. T. U. MEET IN THIEF RIVER FALLS

(Continued from Page 1.)

They were over 80 captains of committees, literally making a house-to-house quiet canvass of ten members each. Reports of the various superintendents indicated the state organization was in a most flourishing condition.

While regular child welfare activities throughout the year are carried on, the special courses thereon.

Mrs. Rosalie Leslie Sprull of Minneapolis, vice president and former president of the Minnesota W. C. T. U., also stressed the necessity of teaching the children to get effective results by a forceful talk on "The Catechism." She stated that when she entered the movement 40 years ago she did not expect to see such progress as has been made. Mr. and Mrs. H. H. Hansen and Mrs. J. H. Fulton motored to Bemidji yesterday to spend the rest of the week. Mr. Fulton returned Monday, returning in the evening with his wife.

Mrs. C. M. Halgren and two sons, Alfred and Marshall, motored here Friday, where they remained over the week in the home of the former's sister-in-law, Mrs. H. McLeod, returning Sunday to their home at Waukon Monday.

Miss Bertha Swanson arrived from St. Paul to visit a couple of weeks with her parents, Mr. and Mrs. I. B. Austin. Miss Swanson is employed by the Northern Pacific railroad company at the Anoka hospital, St. Paul, in seven weeks.

It is again announced that Mr. Backus will build that railway across the river from Thief River Falls, but they failed to be settled in the near future, at least postponements.—Baudette Region.

MRS. OLE ROOD

Mrs. Annie Gjertine Rood, daughter of Harmon Olsen of this city, died at her home in Warren Friday, August 13, after a long illness. Funeral services were held the following Monday afternoon at the Swedish Mission church at Warren, Rev. Alblin Larsen conducting services, assisted by Rev. Lindholm.

STANDARD OIL COMPANY (INDIANA) SERVICE

Progress backed by service! This is the new symbol of the Standard Oil Company (Indiana), chosen as the official trade-mark of the Company for all its products.

The trade-mark and the symbol are new—but the creed they express is old.

To supply the petroleum needs of the people of the Middle West with exact knowledge and high skill—to offer an ever better and ever greater service to the individual and the community. This is, and has been, the constant ideal of the Standard Oil Company (Indiana) since its foundation.—

This ideal has permitted no wavering of faith or loyalty or toil, and has allowed no smug satisfaction with success already achieved. Each improvement has been but a stepping stone to the next.

The torch of progress backed by service symbolizes this ideal, representing its past achievement, promising its future fulfillment.

The never ceasing efforts of a Board of Directors of 10 men who devote their entire time to the affairs of this Company and to no other—the capital of 50,000 stockholders—the daily efforts of 29,000 employes—are behind this symbol. The products of Standard Oil Company (Indiana) have won their reputation for dependability and superior quality through sheer merit.

Throughout the length and breadth of the Middle West the torch of service flames its message—a message that is directed to each of the thirty million people in this vast territory—a message that is meant for you.

Through the years the Standard Oil Company (Indiana) has held aloft the torch of progress and backed it by unfaltering service.

In the years to come this Company may be depended upon to keep it ever in the fore. This trade-mark is a symbol and a promise.

ST. HILAIRE

Dinner Guests

Mr. and Mrs. Harry Burstad, who reside west of St. Hilaire, entertained Sunday evening at a six o'clock dinner party for relatives. Those who were present were: Mr. and Mrs. Herman Burstad, Mr. and Mrs. H. Satterberg, Mr. and Mrs. O. Fellman, Mr. and Mrs. Frank Satterberg and Miss Mildred Fellman.

Guests at Party

Misses Eleanor and Ida Swanson delightfully entertained a number of their friends at a party at their parental home, west of town, Saturday evening. The evening was spent in dancing and at twelve o'clock a delicious luncheon was served. Those who attended the party from this village are: Florence Dunn, Mae Kenner, Dorothy Olsen, Martha Swanson, Hazel Pricker, Marion Wilson, William Anderson, Stanley Hansen and Norman Olson, Fred Rickay, Knute Odegaard, Arnold and John Kruse, and Max Wilsell.

Dinner Party

Misses Amanda and Helen Kallard entertained a number of friends at a six o'clock dinner party at their home Sunday evening. The guests were: Mesdames C. Johnson and H. Martz and Misses Tilly and Ina Johnson, Dorothy Martz and Ruth Fairbanks of Chicago.

After spending a number of days visiting at the home of Professor Petersen at Argyle, Minn., Misses Hazel Dana and Fern Denhart returned home Sunday.

Miss Gena Haugen came Friday from Plummer to spend a short time visiting with Miss Alma Engh. She returned to her home Saturday.

Mr. and Mrs. Charlie Fellman and son, of Red Lake Falls visited with R. Hoffs Sunday.

Picnic Dinner

Sunday afternoon a number of young folks motored out to Lilac Farm west of Thief River Falls where they enjoyed a three o'clock picnic dinner. The picnic was given in honor of Miss Wendell Corbett of Newfolden, Host

Upland of Thief River Falls, Alex and Hazel Pricker and Nels Nelson of St. Hilaire.

After spending a few days visiting at the N. Ar Nelson home, Miss Clara Nyman returned to her home at Plummer Sunday.

Mrs. O. Wefso, who is a delegate to the W. C. T. U. convention from Virginia which was held at Thief River Falls visited with the Arne Vik family this week.

Miss Grace Hall left Saturday for Detroit where she spent the week-end with friends. She returned home Monday.

Mr. and Mrs. Sam Swan and children arrived Sunday from Dudley by car to spend a few days visiting at the H. J. Jackson home. On Monday, Mr. and Mrs. Hiveen left for Winnipeg where they will spend a few days visiting.

Mr. and Mrs. Wendell Corbett of Newfolden came Sunday to spend the day at the H. H. Allen home.

Louis Norman had his tonsils removed by Dr. Nerstan Thursday at Crookston.

After spending a few days visiting with friends and at the home of Mrs. Pearl Corbett, Miss Pauline Petersen left for her home at Red Lake Falls Thursday.

Gregor Pricker, accompanied by Mrs. Verner Nelson and daughter Marie of Thief River Falls, returned home Sunday. Mrs. Nelson who was a delegate to the Loyal Convention at Hanke's, a few days ago, remained to spend a few days at Menahan, after which she returned to her home at Mrs. Milton Schaetzen of Minneapolis is and at the H. Blaska home at Angus.

On their return there they accompanied her to Mrs. Schaetzen's where they spent a few days with her parents, Mr. and Mrs. H. Fricker.

Luther League

The Luther League of the Norwegian Lutheran church will hold a meeting at the church basement Wednesday evening, August 22. An excellent program consisting of musical numbers has been arranged. Rev. Wendell Corbett and Rev. Tollefson of the Thief River Falls will be the speakers. The pastors are expected to attend. The program lunch will be served. All are cordially invited to attend.

ROSEWOOD

Street Trucking

Olof Nordhagen on Tuesday threshed the first wheat in this locality. It being a sandridge field on his and his brother's farm. The run was about 20 bushels per acre and the quality was very good. A shock thanksgiving will commence the beginning of next week in the Nordhagen settlement and another run by the Haugen-Engerson will commence just north of town also within the first days.

Harvest is pretty well cleaned up, says for some of the later varieties and the yield looks very promising.

Mrs. Ingh Berg, Miss Ruth Silver Falls spent several days the last week visiting with Mrs. Ingrid Nordhagen and other friends.

Misses Minnie and Selma Sorenson left Monday evening for St. Paul where they are employed after a two weeks vacation spent at their home in this place, and with relatives at

Goodridge Sewing Project

The second lesson of the sewing project was held Friday at the school house, with Miss Lois Reid of St. Paul in charge. The twelve ladies who are leaders of the six clubs were all present and full time was put in from 10 a. m. until 4:30 o'clock with one hour given for lunch at noon.

The meeting was opened by Chairwoman Mrs. Peter Thorsten, with the reading of a poem of cheer, entitled "Trying Yourself." The minutes of the previous meeting was then read by Secretary Mrs. R. H. McDonald and a report given of the meeting that was held with the group members. The leaders of each group gave a report as to the work covered and their attendance. The lesson was patterns, plackets and neck finishes, and proved just as instructive and interesting as the first lesson.

Mr. and Mrs. A. Ones and son Ernest and niece Dorothy Thompson of Minneapolis are visiting at the Theo. Ellertson home. They arrived Saturday evening.

Stuart Hetzel and sister-in-law Mrs. Bert Kirkconnell of Spooner and Donald Thorsen were Thief River Falls visitors Saturday.

Mrs. Ira Hanson, George Frowine and son Millard of Mentor visited Sunday at the home of Mrs. Frowine's cousin, Mrs. R. H. McDonald.

Goodridge Sewing Club No. 1 met Tuesday, Aug. 24th, at the school house from 10 o'clock until 4 o'clock with Mrs. C. D. Thorsen and Mrs. R. H. McDonald as leaders.

Mrs. Ira Hanson acted as chairman in Mrs. George Johnson's place who was unable to be present. As the opening number Mrs. Payne read a very beautiful poem entitled "When Earth's Last Picture is painted." by Rudyard Kipling.

The work given at this lesson was patterns selective, simlpine and testing plackets and neck finishes and collars.

Mrs. V. C. McLeod, secretary, read the minutes of the previous meeting and then had roll call. A number of the ladies were present, some having to bring out of town and others were detained at home. The work covered was of great value to any one who does sewing, and all members were much interested.

Mr. and Mrs. R. J. Cloutier and son Jerome motored to Angus on Sunday to visit Mrs. Cloutier's parents, Mr. and Mrs. Langseth and sons Lief and Norman. Mr. and Mrs. H. Paulsen of Clearbrook, Mr. and Mrs. Paul Snyder of Warren, Mrs. Cloutier and three children returned home with her parents. Mr. and Mrs. Ole Langseth when they returned home. She will remain for a week's visit.

Miss Ida Kirklin and Mrs. H. I. Rod visited relatives and friends in Thief River Falls Friday.

Miss Dorothy Bedford left Thursday for Austin, Minn., where she will visit relatives for some time. Mrs. Roberts has been a guest here at the home of her daughter, Mrs. A. H. Josephson the past two months.

Mr. and Mrs. Julius Johnson of Beach, Mont., are guests at the Carl Johnson home.

Mr. and Mrs. Will Wayne and children of Germantown visited Sunday at the Payne home.

Mr. and Mrs. H. A. Dahl and children returned Thursday from a few days' visit at Grand Forks and vicinity.

Miss Clenora Unfald of Thief River Falls spent Sunday at the home of Mr. and Mrs. H. Dahl west of town.

Nick Bundhund returned to his home at Kendall after having charge of the Widow Nichols lumber yard during the absence of Fred Hucik for one week.

Mrs. Christianson and Roy Olsen of Thief River Falls spent the week end at Cass Lake at the Indian Pow Wow celebration.

Mrs. Ed Reynolds of Thief River Falls was a business visitor in town Monday.

Mrs. Payne, who has been visiting relatives and friends the past month at Austin, left last week for Detroit where she will visit with Mr. and Mrs. Stephen Noble of Austin. They will spend six weeks visiting relatives and friends there.

Misses Dunes and Minnie Bye of Erie left Thursday for Ardock, N. D., where they will be employed.

Mrs. Owen and daughter Zeta and Miss Lulness of Newfolden, are visiting at the Carl Johnson home.

Miss Mary Rosch is spending this week visiting at her parental home near Erie.

Clarence Haley, Alfred Imberson and Oliver Nia drove to Winnipeg Sunday for the day.

Mrs. and Mrs. Roel Hinck and daughters returned Thursday from an enjoyable vacation spent at Duluth and the Iron Range.

Miss Jean Hay of St. Paul was a guest from Thursday morning until Friday morning at the R. H. McDonald home.

W. H. Rose of Lake Worth, Florida, was in town Tuesday. Mr. Hoag was

Local Men Figure in Game Law Case at Middle River

Following is an item from last week's issue of the Middle River Record:

John Gudangen was brought into justice court Tuesday on complaint of A. E. Forder, State Game Warden, having been charged with hunting, worrying and tracking, a protected wild animal, a deer, during the closed season.

The morning was spent in preliminary arrangements and getting a jury and the case was called for two o'clock at which time the evidence was heard.

The case was heard before Justice E. M. Byrne, H. O. Berg of Thief River Falls appeared for the defense and Milton Forier appeared for the state.

The jury after 3 hours deliberation returned, three for conviction and none for acquittal.

According to testimony of the defense, three boys, namely: John and Eddie Gudangen and Prill Gullikson were hunting wolves in Thief Lake when they were approached by the game warden and their guns were taken.

The state claims that fresh deer tracks were found in the snow and recently rods out in the lake.

It is expected that the presumed violators will be apprehended and brought into court at a later date.

OLDEST SCHOOL NEWEST METHODS

Dakota Business College, Fargo, North Dakota's oldest commercial school, teaches by a unique (copyrighted) method. The principles of actual business with all modern devices, keep regular office hours six days a week. Get positions which ordinarily no "beginner" could fill.

Recently M. P. Paulson went direct to State Bank of Gardner as Asst. Cashier. W. W. Pfau to International Harvester Co., where many Dakotans are now executives.

Write today each week. "Follow the Success Trail" Sept. 1—5. Write P. E. Watkins, Pres., 206 Front St., Fargo, for terms.

Regulation--Makes Utility Competition Unnecessary
Because of the unusually large investment necessary to provide light and Power Service to a community, duplication of services—competition—is an economic waste.
Merchandise is sold at a price fixed by the dealer. He wants to make a profit but must make his prices low enough to bring trade, or his competitor may get the business. Competition is therefore the governing factor. BUT THE INVESTMENT IS NOT LARGE AND THE TURNOVER IS RAPID. Power and Light Service requires an enormous investment and the turnover is very slow; only about once in five years.
As a substitute for competition, legislatures have set up a rate regulation to keep public utilities' prices at a fair level. In some states this is done by commission; and in others, by city council. The ideal rate which these bodies seek is one which keeps the price for service as low as possible, yet allows the utility to pay its taxes, operating expenses, and a fair return on the actual value of the property used in giving service.
Regulation makes unnecessary the economic waste of duplication of service. It protects the public served and the capital invested. And so preserves to the public at large, the money that would be tied up by competitive investment.
Minnesota Electric Distributing Co.

Missing Man is Believed To Have Been Seen Here

John E. West, editor of the New York Mills Herald who disappeared from his home there on July 27, is said to have been seen at St. Hilaire August 12 and headed north, according to word from Mrs. West. The following notice has been sent out and anyone knowing of his whereabouts is asked to communicate with Mrs. West at once:

"John E. West was 58 years old on June 22, 1926. Weight about 140 lbs. Height about 5 feet 10 inches. Dark brown hair, dark blue eyes, heavy brown eyebrows when shaven. Probable is enlarged due to a fracture of the bones. Wearing shirt dark mixture trousers, of black shoes. Left New York Mills, Minn., note, Thursday evening, July 29, 1926 about eleven o'clock in a Ford touring car, 1925 body on a 1923 chassis, motor No. 603746. License Minn. No. A-225068. He is illiquidated and is not usually not used; wide board on left side from fender to fender. He carried about consisting of a light summer suit and a dark blue pin stripe worsted suit, new tan shoes, etc.

"Had suffered for nearly two years with a spinal injury, spending some months in a cast and brace last summer. Believed that this injury, together with business worries caused mental trouble to the extent that he left home and opening up the most beautiful part of the Minnesota lakes region, hitherto practically inaccessible. From Grand Marais on State Highway No. 61 to the wilderness.

Fill your tank with Red Crown-Ethyl Gasoline. It will "Knock Out That Knock" for you. Carbon will cause you no trouble. Barkee Defeats Barnard in Final Handicap Golf Match; Another Tourney Scheduled

E. O. Barkee, St. Hilaire banker, Saturday defeated D. A. Barnard in the final match of the total qualifying handicap tournament, winning two up and one to go. He was presented with a silver loving cup. Mr. Barnard received a box of golf balls. Barnard defeated Dr. O. F. Melby in the semi-finals earlier in the week.

Barkee, who went into the finals by defeating Wm. F. Dahlquist, played a 40 and 36, although took only 40 and 44. On account of his inexperience, Barkee was given a handicap of 16 strokes for the 18 holes. Barnard played nine holes Sunday in 38 strokes, only four above par.

The handicap tournament took the place of the club championship event, previously scheduled, so was not having a qualified.

The final match in the consolation has not yet been played by Theo. H. Thronson and Ernest Barnes.

Another handicap tournament, with a revision of handicaps, is scheduled for next Saturday and Sunday, the last event being sponsored by the wholesalers of the city, who are offering attractive prizes to the winners. The first play is to start Saturday afternoon, it is announced by H. G. Chomnitz, chairman of the tournament committee.

The firms offering prizes are the Thief River Hotel company, Anderson & Barnes Milling company, and the Thief River Cigar company. The prizes will consist of merchandise.

AT K. K. K. KLONKLAVE

A number of local persons motored to Grand Forks Monday to hear Dr. Hiram W. Evans, of Georgia, imperial wizard of the Ku Klux Klan, who addressed a klonklave there at 8,000. The K. K. K. leader urged his hearers to hold their lines against the World Court and to maintain their stand for prohibition by the full enforcement of the Eighteenth amendment which he predicted will characterize the campaign of 1926.

HIGH SCHOOL STUDIES

You Parents and Children

ARE you planning a course of study now, for the opening of school next month? Is it a practical course? Does it look to the future

It may be well to look forward for cooking or manual training, sewing or commercial law, stenography or civil engineering. But the most important selection any boy or girl will deal with is his or her own body.

Did you ever think of consulting a body-mechanic, a human engineer, an amiable physician, as to the courses of study that would best fit one to handle his own body-machine?

Lay your plans early. Look far ahead. Learn the things most important for fighting life's battles. Get the foundations right, even if it does make you a year later in learning how to earn dollars.

When you think of school, think of learning how to live—and consult the health expert about the things to study.

Little of Importance Transpires at City Council Meet

The council held one of its shortest sessions of the year Tuesday night when little business of importance came before the city fathers, all of the members present with the exception of President Alfred Birdsong, who is away for the week, the chair being filled by the vice president, Oscar Gravdahl. This was the first time that he has acted in that capacity since the present council took their seats two years ago.

Free use of the auditorium was granted to the American Legion for a Labor Day dance the evening of Sept. 6, and a dance permit was also granted to that same body for that evening. A. L. Aufinger was also granted a license to conduct a pool room and bowling alley in the basement of the citizens bank building, the permit calling for two alleys and two pool tables.

The proposed resolution changing the water rental rates, more particularly for large consumers was given its second reading. This provides for a sliding scale, starting at 6 cents per hundred gallons where from one to ten thousand gallons are used quarterly; 4 cents from 10 to 20 thousand; and 2 cents when over 1000 thousand gallons are consumed quarterly. Where 200,000 gallons is used monthly the new rate will be 2 cents per hundred gallons, and if 200,000 or more gallons are used monthly the rate will be 1 cent per hundred.

There having been a slight misunderstanding by painters regarding the specifications for painting the windows and doors of the auditorium all bids therein were rejected and the city clerk was authorized to advertise for new bids to include painting, and the furnishing of the glass, the bids to be opened at a special meeting of the council next Tuesday.

Bids on the year's supply of coal for the various city institutions were received rolled for, the same to be opened at the next regular meeting, Sept. 14. The water and light committee was authorized to have the woven cement around the pipe leading up to the water tank repaired and painted, and also to investigate the feasibility of extending the present lighting system in the Nine Mile addition, and if deemed advisable to proceed with the improvement. After allowing the usual grist of monthly bills the council adjourned at 9:30 p. m. for one week.

Plummer Banker Arrested; Ill in Stillwater Hospital

Harry F. Bowen, cashier of the Farmers State Bank of Plummer, which was closed Wednesday of last week, is under arrest at a Stillwater hospital and examiners of the state banking department are investigating records of the bank, according to information in Saturday's Minneapolis Daily Star. A. J. Veigel, commissioner of banks, announced that Bowen was officially charged with taking $500 of the bank's funds and diverting it to his own use. Numerous stories of fraud and embezzlement have been circulated since the closing of the institution by the state banking department.

Bowen formerly lived in Stillwater. He entered a hospital there after the bank was ordered closed, leaving here Tuesday of last week. He is reported to have undergone an operation, and that his condition is quite serious.

More Districts Reporting Teachers for '26-'27 Term

During the past week reports have been received at the county superintendent's office regarding the hiring of teachers for the coming term in the following Pennington county rural school districts, the home and school addresses being given.

No. 17, Ida Legvold, Thief River Falls, Wylie.

No. 32, Ruth Larohl, Ohlee.

No. 52, Irma Gunderson, Thief River Falls, Hazel.

No. 60, Jessie Joyce, Thief River Falls, Wylie.

No. 106, Elsie Miller, Red Lake Falls.

No. 194, Thelma Christianson, Minneapolis, St. Hilaire.

No. 226, Gertrude Anderson, Goodridge.

No. 87, Mrs. Stella Thompson, Erickson, Duluth, Goodridge.

No. 15, Hilda Schie, Mavie.

There will be no school in districts No. 66 and 213.

The following districts of the county remain to be heard from: Nos. 5, 16, 172, 26, 31, 42d, 46, 63, 64, 99, 124 and 227.

Scout Leaders Training School; Gets Eagle Badge

W. M. Evans, executive for the Greater Grand Forks council of Boy Scouts, accompanied by three Grand Forks Scouts, was in the city Wednesday and Thursday of last week in the interest of a Scout leaders' training school to be conducted at Camp Wilkin, Red Lake Falls September 7-12. While here he also presented to William, 13-year-old son of Mr. and Mrs. H. W. Kroehlich, the Eagle Scout badge, designating the highest honor to be attained in scouting. The party left Thursday for Hoscay.

Pennington Scout subjects will be taken up at the leaders school, such as patrol organization, troop committee, meetings, activity topics and hikes, boating, camping, merit badges, court of honor, ceremonies, games, advancement, project, fitness for boys work, etc. The faculty will consist of H. F. Pote, regional Scout executive; F. B. Hanson, assistant to executive; L. W. Jameson, Scout executive from Fargo; A. B. Collette, Warren scoutmaster; Ed Evans, regional officers and others.

Scoutmasters and assistants, troop committee and troop committee members and others interested in boy work are invited to attend. The cost of the course is $4. Among those from this city who plan to attend are William Froehlich and Paul Melby.

MARTIN WILLIAMS

Martin Williams, died at his home in Chisholm Saturday, August 21, following an illness of two years, due to heart trouble. Deceased is a former resident here and a brother of Oscar and George Williams of this city. Funeral services were held at Chisholm Monday, Mr. and Mrs. Oscar Williams and daughter, Mrs. Ray Johnson, attending.

NEW CONSUMERS MANAGER

E. W. Lewis of Eveleth is the new manager of the local branch of the Consumers Wholesale Supply company, replacing Verne Trask who left Tuesday for Little Falls to take up Agricultural work. The Lewis family will arrive here next week.

GROWS APPLES AND BERRIES

Two fine specimens of Transcendent crabapples were placed on exhibition at The Times office this week. The apples were grown by A. D. Smith, 413 Marsley avenue S. Mr. Smith also brought a cluster of seven Isaccor Columbia red raspberries. He states that his raspberries grow 8 to 10 feet high and are producing a very bountiful crop this year.

TO RUN BY STICKERS

Ira Haaven, McIntosh farmer, defeated in the primaries for the sheriff nomination in Polk county by 26 votes, has decided to make the run in November via the sticker route.

MORE ELECTION RETURNS

Results of the annual meeting and election have been reported to the county auditor by the following rural school districts the past week:

No. 10—Melvin Gorden, treasurer; levy, $900.

No. 142—O. A. Sandberg, treasurer; levy, $450.

No. 8—M. J. Stephenson, treasurer; levy, $200.

No. 4—Joseph Hruby, treasurer; levy, $60.

No. 123—Carl O. D. Swanson, treasurer; levy, $300.

No. 45—Frank Votava, chairman; levy, $800.

THIEF RIVER FALLS TIMES

Volume 16. Thief River Falls, Pennington County, Minnesota, Thursday, Sept. 2, 1926 Number 31.

MINNESOTA HISTORICAL SOCIETY

CHILDREN HERE BACK TO DESKS NEXT TUESDAY

Schools of City and in Some Rural Districts Opening Next Week

HIGH SCHOOL CLASSES TO BEGIN AT 8:30 A. M.

27 of 49 Teachers In Public Schools Have Taught Here Previously

Only a few days remain in which the youth of the country may enjoy the freedom of vacation days. Next Tuesday morning, September 7, school starts in earnest, and each pupil will be assigned to his or her room in his class. St. Bernard's Catholic parochial school will open at the same time as the city public schools, and the rural schools in the county are also scheduled to commence their terms next week.

The school buildings have been thoroly cleaned and repaired and everything is in readiness for the opening of the doors Tuesday, approximately 1100 children of Thief River Falls will attend the various halls of learning.

There are no changes in the courses or curricula of the high school, it was announced this week by Principal Foss, the other schools will open as usual. The change in the time of opening from 9 a. m. according to a decision by the school board, to 8:30 a. m. will be in effect, however, and pupils will report at 8:30 instead of 9 a. m.,

SOCIAL ITEMS

Tolman—Rice

Word has been received that Miss Louise E. Twinam, former principal of the Thief River Falls high school, and Wilbur Rice, son of Mr. and Mrs. Frank Rice of the formerly resident here, were united in marriage August 10 at the home of the bride's mother in California. They are at home in Lodi, Calif., where the groom operates an electrical shop and is interested in the Jewett and Nash automobile agency. Mr. Rice was graduated from the local high school in 1911 and left this city about 12 years ago. Mrs. Rice was principal here from 1916 to 1924.

George Rice, a brother who is also in Lodi, is married to Elizabeth Dewey, a close friend of Mississippi instructor in the high school here.

Farewell Party

Approximately sixty members of the Daughters of Norway lodge gathered at the Sons of Norway hall Saturday night, in farewell reception of Mrs. C. F. Erickson, president of the lodge, who leaves this week for Illinois. Games and prizes were spent in social way, and supper served at a long table which was tastefully decorated for the occasion. Mrs. Bernhard Knudsen officiated as toastmistress, calling upon various members for short talks. Mrs. Erickson was presented with a beautiful set of silverware as a parting gift from the lodge.

Mrs. J. E. Nelson, formerly vice-president of the lodge, was made president Friday night, Mrs. Erickson's place, and Miss Lillian Elde was elected vice-president.

Enjoy Picnic

A group of girls enjoyed a picnic supper in a grove south of the city Wednesday evening, those participating including Misses Mary Hunter, Irene Kiewel, Elizabeth DeCremer, Marion Johnson, Esther Bastman, Mary Hoppa, Dorothy Shirley, Harriet Morgan, Kathryn Harper, and Eileen Hanson of Minneapolis.

Rebekah Officer Here

Mrs. Grace Hanson of Pipestone, district deputy president of the state, was here Friday night attending a meeting of the local chapter. Mrs. Hanson is making a series of visits to various Rebekah chapters, coming here from Badger, and leaving for Clearlake.

Dinner Party

Honoring Mr. and Mrs. Nels Berglund, Mr. and Mrs. Ole Eskelin entertained at a six o'clock dinner at their home last Thursday evening. Covers were laid for eight.

Bridal Shower

Miss Bertha Borgen, who will be married next month to Helmer Hanson of Grand Forks, was complimented at a miscellaneous parcel shower at her home Thursday evening of last week, her sister, Miss Stella Borgen, acting as hostess. Yellow and white decorations were used and late refreshments were served at 10:30. The feature of the evening's entertainment was a peach wedding, 16 of which several of the ladies participated. Those present included Misses Carrie Crookston this summer, Mrs. J. M. Bishop, chairman of the division of co-operation with war veterans, will report on the work of that group during the first years of its organization and make recommendations for future activities. Mrs. Bishop was named chairman of the division for a two year term at last year's convention when it was inaugurated. As chairman of the child welfare committee of the Minnesota Legion Auxiliary also, Mrs. Bishop was able to direct considerable activity during the past year.

Among the outstanding speakers who will appear on the convention programs are: Mrs. Edward Franklin White, Indianapolis, first vice-president of the General Federation; Mrs. Esther G. Dawes Frenzeny, Ill., who has succeeded Mrs. T. G. Winter as chairman of the international relations department of the General Federation; Mrs. Walter McNab Miller, Mrs. Frank Moore, national chairman of the public welfare department, and Dr. Lotus D. Coffman, president of the Minnesota university.

Mrs. Ira Wells, president, will represent the local club at the state convention.

Mrs. Bishop Will Report on Co-operation with Veterans

Two Thief River Falls women will present important committee reports at the 32nd annual meeting of the Minnesota Federation of Women's clubs to be held in Morris September 14, 15, 16, and 17—in addition to Mrs. W. Froehlich, chairman of the community service committee, who will report on the soldiers' camps at Crookston this summer, Mrs. J. M.

Pastors Honor Grimsrud

Norwegian Lutheran pastors of the Thief River Falls circuit, and their wives entertained here Monday to bid farewell to Rev. and Mrs. C. M. Grimsrud of St. Hilaire, who are moving to Fertile, Minn. Dinner was served to 35 guests at the Trinity Lutheran parlors, following which the group went to the Tourist park to enjoy a weiner roast and watermelon feast. At six o'clock supper was served at the park. Rev. N. J. Talle, pastor of the circuit, made the farewell to the departing family, speaking for the group. Grimsrud's work in this locality. Rev. M. B. Ovidahl, Mentor, who vice president was to preside. Rev. Grimsrud as president of the circuit organization, welcomed three new pastors to the circuit: Rev. O. C. Hirkeland of Rosewood, Rev. N. B. Hanson of Goodridge, and Rev. L. E. Swenson of Radville, the response to which was made by Rev. Hirkeland. Mrs. Talleson spoke in behalf of the women, bidding farewell to the Grimsruds and welcoming the wives of the new pastors.

These present are Rev. and Mrs. Grimsrud, Rev. and Mrs. Talleson, Rev. and Mrs. Hirkeland, Rev. and Mrs. Oviahl, Rev. and Mrs. A. Stordahl, Rev. and Mrs. A. Stordahl, Rev. and Mrs. Hanson of Middle River, Rev. and Mrs. H. Galleth of Greenbush, Rev. Swenson and Ranum.

To Start Classes Sept. 9

Mrs. Clarence O. Erickson left last night for the Twin Cities to have charge of decorating the Pendleton county booth at the State Fair. While there she will visit at the home of her parents, Secretary of State and Mrs. Mike Holm, and her two sisters, Mrs. Mrs. Leslie Prevencher, on account of this trip she announces that the opening of her dance classes has been postponed from Aug. 30 to Sept. 9.

Guild Sewing Project

The St. Bernard's Guild group in the sewing project sponsored by the extension division of the university, met Thursday afternoon. Members responded to roll call by giving reports of work done since last meeting. A great deal of interest is being shown in the work, Mrs. Julien Prevencher, and Mrs. M. T. McFarland are leaders in this group.

Meeting Date Changed

The regular monthly meeting of the Presbyterian Ladies aid, which was to have been held Sept. 3, has been postponed until Friday, Sept. 10. The hostesses are Mesdames G. H. Fridell, Wm Smithers, Im Lane and Stanley Malone. All members are urged to attend.

Bossman—Offerdahl

A marriage license was issued last week at Warren to Herbert Bossman of Minneapolis and Miss Ida Offerdahl, daughter of Mr. and Mrs. Nels Offerdahl of Holt.

The J. C. Penney company associates and their families enjoyed a corn roast at Red Tourist park Friday evening after closing hours.

Fellman Takes Honors in Medal Golf Tournament

V. E. Folman is the winner of the handicap medal play golf tournament played here Saturday and Sunday, his score being 142 for 36 holes. The other winners are: A. Anderson, second prize; R. J. Land, third; and H. O. Chomlie, fourth.

Prizes consisting of merchandise are awarded by the Northern Auto Supply company, Thief River Grocery, and Thief River Cigar Emporium, the Grocery company offering two prizes.

Participants in the tournament scored as follows, the last showing the actual scores without deduction of the handicaps:

	In	Out
W. A. Barnard	87	25
J. P. Curtis	87	23
V. E. Folman	92	50
T. M. Thronson	100	83
H. O. Chomlie	83	63
E. Barnett	91	49
E. O. Tandberg	100	83
R. J. Land	100	83
A. Anderson	101	103
H. Ness	92	50
W. E. Dahlquist	94	66

Folman and Chomnie each played a 39 for nine holes. F. P. Scallon and Floyd Anderson played a 91 and a 96 for the first 18 holes but did not finish the play.

The course is now in excellent condition and many of the fans are making use of it every day.

Boys are trying to keep off the links and away from the club house. Signs engraved as caddies, according to President J. P. Curtis. Some time ago he was done and it is hoped a warning will be sufficient.

Only Two Divorces to 89 Marriages in County in '25

Domestic tranquillity is indicated in the marriage and divorce report for Pennington county just issued by the Department of Commerce, which shows that there were two divorces and 89 marriages in the county in 1925, as compared with two divorces and 60 marriages in 1924. The department announces that according to returns received from 29,658 marriages performed in Minnesota last year, with 23,854 in 1924, an increase of 4:50. During 1925 there were 5,673 divorces granted in the state, as compared with 5,502 in 1924, representing a decrease of 1.6 per cent. The estimated population of the state on July 1, 1925, was 2,616,262. Figures for other counties in this territory are:

	Marriages		Divorces	
	1925	1924	1925	1924
Beltrami	209	218	20	13
Clearwater	62	46	2	3
Kittson	73	64	2	3
Mahnomen	45	53	1	2
Marshall	133	127	9	8
Polk	297	279	27	21
Red Lake	63	51	1	1
Roseau	76	72	4	3

In Hennepin county, in which Minneapolis is situated, there were 6,338 as many divorces as marriages, there being 1,685 divorces and 5,101 marriages in 1925. Four counties had no divorces. In Koochiching county there were only four times as many marriages as divorces.

RADIO HEADQUARTERS

EMPLOYED BY WESTINGHOUSE

Word has been received from Milton E. "Mike" Boorom, former resident of this city and graduate of the local high school with the class of 1920, that he is now employed by the Westinghouse Electric & Manufacturing company in Williamsport, Pa., and was graduated this spring from the school of science at the University of Minnesota with the degree of metallurgical engineering. The view of the favorable record he was offered a position with the Westinghouse company about the second largest in the United States with daily sales of about $1,000,000. Boorom is the son of Mrs. Lillie Boorom, deceased. After a year of intensive training he will be transferred to the company office, where he will work for three to five years before being transferred to a district office engaged to sell all equipment pertaining to the electrification of railways. His training also includes three months at South Philadelphia and Sharon, Pa., in the East Pittsburgh, where Milton is located, there are 22,000 persons employed.

AT YEOMEN ENCAMPMENT

H. M. Evenstad, district manager for the Brotherhood of American Yeoman, has been in Chicago the past week at Tented Town on the society's farm and orphanage, the City of Childhood. Thousands of Yeoman from all parts of the United States attended the camp, which closed Friday.

Official Paper Pennington County

SHOWING COUNTY'S BEST

Pennington county is getting a great deal of a breathing and boosting through various articles appearing on account of its alfalfa record, and the people of the state, as well as neighboring states, are learning to know more about it. The recent booster trip into southern Minnesota was undoubtedly the biggest and most effective advertising stunt ever put on here.

Another worthwhile project is the county exhibit at the state fair. Pennington's best agricultural products of all kinds will be displayed next week in the thousands of fair visitors. With bountiful crops this county should make a very creditable showing in competition with exhibits from sections where it has been much too dry this season.

Those in charge of gathering samples for the exhibit are deserving of commendation for their efforts, although they have not been given the co-operation which they should have, and have succeeded in getting a collection that is creditable evidence of the productivity of Pennington county.

These things will eventually bring more settlers to this territory. While the results may not be immediate, it is safe to say that it is building for the future.

A GOOD RECORD

Pennington county is right at heart. As will be noted in a news article elsewhere in this issue, there was a marked increase in the number of marriages last year as compared with 1924, while there were only half as many divorce suits as it should be. It is discouraging to note the alarming increase in divorces in many communities, particularly in the larger cities. It is to be hoped that the young people crowding up here decide to remain in Pennington county—the focus of marital bliss—as well as alfalfa—and "live happy ever afterward."

The war on tipsy auto drivers is still going on in Minnesota and the licenses of about sixty drivers have already been revoked. New methods are added each week but it is safe to say that those with the loss of their right to drive and heavy penalties besides, these potential killers will soon become more careful. A marked change is already noted following the new ruling, according to reports from many communities.

As a climax to a clean-up drive in Bemidji, the authorities have served attachment proceedings to lock up their "soft" drink places in the Beltrami county seat which have violated the prohibition laws. That kind of action will do much to curb the liquor traffic.

The fellow who thinks he knows it all still has something to learn—what others think of him.

FARM PAPER PRAISES FLOAT

Pennington county's attractive Alfalfa Booster Float received the following comment in this issue of The Farmer of St. Paul:

"Pennington County boosters never overlook an opportunity to boost the fact, that it is Minnesota's leading alfalfa county. The alfalfa float shown here, recently completed at a thousand mile trip on which 50,000 pamphlets telling about Pennington's agricultural advantages were distributed. An eight-piece rube band accompanied the float, and played at all stops en route to the American Legion convention at Markato and the Elks' convention at St. Cloud. Business men of Thief River Falls financed the booster trip. Part of the cost was met by the proceeds of a dance."

A two-column picture of the float, similar to that printed in The Times four weeks ago, accompanied the article. Newspapers in the various towns through which the booster party passed commented favorably upon the project.

So much is said these days about the youth going wrong. Much is perhaps a result of the kind of reasoning referred to in the following from the Grand Rapids Herald-Review:

"The women are going to the bow-wows. Why, last week a west Italian Baking company was fined $40 in Minneapolis and took about $40 out of the till.

"Of course we are safe in concluding that the women are degenerating, but the fact is that the ladies read about a youthful bandit they conclude the younger generation reminds of the young lochavs. We are simply turning into the other way for a change."

Think this over and then get interested to make the exception the future.

With increasing motor traffic on the streets and highways every precaution must be taken to avoid accidents. In the recent state highway census, the local enumerators noticed a large shortage of cars being driven at night without a rear light, and many more only one front light. This is in violation of traffic regulations and endangers life and property.

Make sure that your lights are in order when driving at night. It may save yourself and others a lot of worry.

WHEN IS A GUN FIRE ARMS?

It would seem that Pennington county nimrods are poorly equipped to take proper advantage of the hunting season, judging from the personal property assessment rolls in the county auditor's office.

According to the auditor's abstract, first item of all kinds of personal property are assessed at only $254, this including several of the rarer and fill value. About this time of the year new ruling according to reports from many communities.

FINE EXHIBIT WILL BE SHOWN AT STATE FAIR

(Continued from Page 1.)

the-state-section-division. The rules on conformation made on judging of pigs at the State Fair will be added to points scored for other respects merited to make the total upon which the award of prizes will be made. The special breed association prize money will also be paid on the same section and made with the superintendent in the registered name and number and show exhibitor's ownership on the books of the respective breed associations. Interest is expected to win premiums in the open class of the Poland China breed.

The Dairy Judging project is reported by Randall Roper and Lawrence Letson of Thief River Falls. The Dairy Stock Judging contest will be held in the livestock pavilion on the State Fair grounds at 8:00 a. m., Friday, September 10. Lawrence and Randall have both had experience in this work and should make a good showing in the judging contest. The winners in the state contest will be entered to go to the National.

The Sewing project of Pennington county is represented by Virginia Westphal of St. Hilaire, the Bread Baking project by Muriel Bailey of Thief River Falls.

The Farm Boys' Camp will be represented by Pennington county club members, namely: Irving Mathison of Red Lake Falls and Ralph Vaughan of Goodridge. This department is one of the most popular departments of the Minnesota State Fair. The boys live on the fair grounds during the week, which gives them special opportunity to study exhibits of livestock, machinery, horticulture, agriculture, poultry, boys' and girls' art and other features, and learn much of practical value. It is a rare educational opportunity. The boys chosen for this camp are judged on their attitude towards club work in their every organizations.

"Each member attending the State Fair is urged to enter the Health contest. The winner of this contest will be sent to the National Dairy Show where a similar project is held each year. Pennington county will have many able contenders for this department."

The three Pennington county calves and three Marshall county calves will be shipped from Thief River Falls on Wednesday's stock train.

Fourteen Marshall county club members will attend the State Fair, among them being Bennie Thompson, Ronald Tarpert, and Frances Pelman of Holt, Gerhart Haugen of Middle River.

TEACHING IN RED LAKE CO.

Among the teachers employed in Red Lake county rural schools some of which are listed with Pennington districts, are the following of interest here: District No. 1: near Wylie, Idaho, graduate of Thief River Falls; district No. 9, Clara Breitwolf of Obley, graduated from Thief River Falls high school in 1926; district 11, J. W. Erickson of Rhoda; district 20, Marie Graham, taught in district 20 in Pennington county, last year; district 27, Ethel Hall, graduate in district 17, here last year; district 252, Ruth Carroll, Oklee; district 422, Eleanor Sherry; district 61, Cora Lillehoy, has taught in district 180 honey district 70, Alma Kullan; district 126 at Brooks; Hornlee fire of Red Lake Falls, taught in district 1 here for three years; district 1252, Hazel, Gladys Johnson, taught in district 61 here last year; district 1347, Myrtle Kelly, taught in district 61 here last year; district 1347, Myrtle Kelly, taught in district 61 here last year; district 1347, Myrtle Kelly

ST. HILAIRE

Euretta Lawyer

Word was received by friends in this village of the death of Miss Euretta Lawyer at Redwood, Minn. Death resulted from complications which set in after an operation for appendicitis. At the time of her death Miss Lawyer was 20 years old. The Lawyer family formerly resided in this community, residing west of St. Hilaire up until a few years ago, when they moved to Minnesota. Miss Lawyer attended high school in this village and her death comes as a severe shock to her many classmates and friends.

Leave for Fairview Hospital

Miss Agnes Vik left Saturday morning for Minneapolis where she will take a nursing course at the Fairview hospital. Miss Vik is a graduate of the class of 1926. Previous to her departure, her sister-in-law, Mrs. Ragnvald Vik, entertained a number of her friends at her home Wednesday after-noon. Those present were: Misses Agnes Vik, Alma Enah, Anna Bernette, Adiba McKerchey, Alice Stakkvol, Agnes, Gudrun and Marie Grimsrud and Helen Vik.

School Opens September 7

After a three months' vacation for both students and teachers the local school will re-open Sept. 7, Superintendent E. Bolerguard came last week to arrange for the opening of school. There will be a faculty meeting at the school house on Monday afternoon, at 2:30 o'clock and the opening of school will commence. The staff of teachers includes three of last year's faculty. The teachers for the various grades are: Superintendent E. Bolerguard, Grades and High School Instructor, Wingger; English, Lillian Eckhof, Catalex; 7th and 8th grades, Dorothy Hagen, Fargo, N. D.; 5th and 6th grades, Beatrice Kennedy; 3rd and 4th grades, Nora Lindquist, Crookston; 1st and 2nd grades, Alice Fricker, St. Hilaire.

Luther League

The Luther League of the Norwegian Lutheran church held a very successful meeting at the church Sunday evening. The following musical program was given which was well received and short talks were given by Rev. A. Stortroen of Middle River and Rev. C. M. Grimsrud, of this village. Organ and piano duet, Agnes and Marie Grimsrud.

Trombone solos, Rev. Stortroen, accompanied by Miss Hjertos.

Two musical readings, Mrs. Stortroen.

Song, ladies' quartet, Mrs. Gullickson, Lilly Johnson, Agnes Grimsrud and Dorothy Olsen.

Luther League Broadcaster, read by Esther Hoverd.

Following the program lunch was served in the basement of the church.

Theater Party

A number of young ladies from this village enjoyed a theater party at Thief River Falls Monday evening. After the theater party lunch was served at Thompson's Cafe. Those present on the party were Dorothy Hartz, Esther Hovel, Mable Loberg, Gabrille de Castilleneau, Effie Frickson and Tessie King.

Festival Services

After an extensive remodelling and decoration of the St. Paul church, part of St. Hilaire, festival services were held Sunday. Communion services were held at the church at 10:30. At the service held in the afternoon Rev. M. L. Tollefson of Thief River Falls and Rev. M. H. Grolah of Holt spoke. Dr. J. N. Nesse of Thief River Falls will be the guest speaker at the following the services lunch was served by the ladies aid.

For Rev. and Mrs. Grimsrud

Members of the Northern Minnesota St. Olaf College club enjoyed a picnic supper at Benson's grove Tuesday evening for Rev. and Mrs. Grimsrud, of St. Hilaire. Mrs. C. M. Grimsrud and children, who have been visiting in Minnesota, Duluth and Hibbing, were also guests. They were presented with a beautiful floor lamp. Kenneth Johnson, a graduate of the class of 1926 college boy in remembrance of the occasion, R. L. Lund of Thief River Falls, president of the club, presided during the gift. Following the picnic, the members journeyed to the Norwegian Lutheran church where Dr. Theodore Hatlies gave an interesting illustrated lecture on the scenic views of Europe, taken during his two month tour with a party of American College of Norwegians members, from which he returned August 14.

Those included beside the honor guests, Rev. and Mrs. Grimsrud, Mrs. Mollyand daughter, Ruth; Ms. and Mrs. H. Lund, Dr. and Mrs. A. F. Jacobson, Mr. and Mrs. T. Berg, Miss Agnes and Elmer O. Tandberg, Thief River Falls; Rev. and Mrs. H. L. Strand, Miss Gladys Grindeland, Mathew and Henry Halvorson, and Dr. and Mrs. Strand, Warren, and Rev. and Mrs. Arnt Stortroen, Middle River.

Wednesday, the Grimsrud family were 12 o'clock dinner guests at the Geo. Bakke home. Saturday evening they were entertained at the Arne Vik home. Rev. and Mrs. Grimsrud and children will leave in September for Fargo, N. D., where Rev. Grimsrud will be pastor in the Norwegian Lutheran church.

Promoted to Principal

Mr. and Mrs. Ole Gilgaard, and family also Mrs. Aug. Nordlund from Thief River Falls motored here on Thursday evening to visit at the Art Sor and Albert Hellquist homes.

The Reverend Ludvig Seglen Preached next at the home of Mrs. John Sagmoen last Thursday afternoon and was attended by about fifteen ladies, who devoted the afternoon at quilting. A short business session was held.

Alter Blomberg has spent the last week at Newfolden visiting with Olivia and Geneva Swenson.

NEED MORE MEN

Threshing hands from Crookston, Bemidji, Thief River Falls, Red Lake Falls, Bagley, Walker and other Minnesota points have come to North Dakota to obtain employment, according to John Day, in charge of the U. S. Free Employment Service in Grand Forks. In spite of the numbers coming, there is still a shortage of men in the eastern part of the state, Mr. Day said. A check made on the streets showed that farmers are offering $3 per day and board and $4 a day for threshing help, while the threshing runs ranged from 15 to 20 days in length.

ROSEWOOD

Rev. Lundell to Speak at Rosewood

Rev. O. J. Lundell, pastor of the Swedish Mission church at Thief River Falls, will fill the pulpit at the Rosewood church next Sunday evening, Sept. 5, at 8 o'clock.

Mr. and Mrs. Erling Hansen and Mrs. Ingelburg Sorenson motored to Crookston on Sunday to visit at the Oscar Blomberg and Dave Mosbeck home.

Miss Gladys Sagmoen left on Friday morning for Devils Lake, N. D., where she will spend a few days as guest of her uncle, Helmer Carlson and family.

Helga Jaeleson from Wannaska spent a few days at the home of his daughter, Mrs. Axelson, returning home from Ulen where he has been to see his brother who is seriously ill.

Mr. and Mrs. Oscar Baker and Misses Elizabeth and Agnes Baker from Thief River Falls were Sunday guests at the Mrs. Nelson home.

Born to Mr. and Mrs. Emil Anderson on Sunday, a baby daughter.

Gust Opseth and Percy Hansen motored to Warren on Sunday visiting at the home of Mrs. Thos. Geo. Anderson.

School will open at Rosebush on an eight months' grind next Tuesday morning, Sept. 7. Mrs. Jackson, who has spent the summer at Detroit, Mich., will arrive this week to take charge of the primary room. Miss Lilly Hilson will have charge of the grades.

Mr. and Mrs. John Sagmoen and Mr. and Mrs. John Sorenson motored to Newfolden on Sunday to visit with the Swen Sueneson home.

Mrs. Ingelburg Sorenson will arrive from Thief River Falls this week to take up her duties at the Sorenson residence which they have rented for the winter months.

Melvin Olson, Clarence Johnson and Victor Axelson motored here from Thief River Falls where they spend Sunday at their respective homes.

Mr. and Mrs. A. M. Gulleeth motored to Thief River Falls on Monday where Mr. Gulleeth's wife is critically ill. Mrs. Gulleeth is at the St. H. Hallaman home for a day.

Mrs. Sorenson left on Monday morning for Fertille, N. D., where she may be employed this fall.

Mr. and Mrs. Ole Gilgaard, and family also Mrs. Aug. Nordlund from Thief River Falls motored here on Thursday evening to visit at the Art Sor and Albert Hellquist homes.

The Reverend Ludvig Seglen Preached next at the home of Mrs. John Sagmoen last Thursday afternoon and was attended by about fifteen ladies, who devoted the afternoon at quilting. A short business session was held.

Alter Blomberg has spent the last week at Newfolden visiting with Olivia and Geneva Swenson.

C. C. C. STUDENTS GET GOOD POSITIONS

Eight graduates of the C. C. C. Business College, Fargo, N. D., have accepted positions as follows: Miss Ruth Ferguson, Fargo, N. D., secretary to Mrs. Ella Flagler Mann, Chicago, Ill., Social Service Director; Miss Alfreda Beaudry, Fargo, N. D., secretary to Mr. Ralph Hoyt, Fargo, N. D., Attorney; Miss Ruth Hall

Lutheran Young People of T. R. F. Circuit to Gather in Greenbush Sept. 4 and 5

Members of the Trinity Lutheran congregation of this city and other Norwegian Lutheran congregations of this vicinity will attend the annual Luther League convention of the Thief River Falls circuit in Greenbush Saturday and Sunday. A splendid program has been arranged, features of which will be the convention sermon by Rev. S. N. Vistaker of Fergus Falls Sunday morning at 10:30 and an address in the afternoon, and a sacred concert by the combined chorus of the circuit.

The program starting at 2:30 p. m. Saturday includes: Welcome, president of Greenbush League, Response, Rev. A. Mortrowen, Middle River, circuit president; piano solo, Mrs. R. C. Kuefler, Greenbush; introduction of three "Follow Me," Rev. L. M. Grimsrud, St. Hilaire; vocal solo, Rev. M. B. Ranum, Goodridge; "Follow Me in Your Home Life," Miss Lucile Nelson, Greenbush; "Follow Me in Your School Life," Miss Lucile Thompson, Middle River; "Follow Me in Your Work," Miss Louise Nordstrom, St. Hilaire; "Follow Me in Your Social Life," Miss Elaine Evenson, Thief River Falls; selection, *Junior Girls' Sextette*, Thief River Falls.

This program will be followed by a business meeting at which there will be reports by Miss Clara Olsen of St. Hilaire, secretary, and Gunthor Tveitbakken, Thief River Falls, treasurer, and election of officers. Dr. Paulsen, president of Middle River is vice president, Saturday evening there will be a social and formal program of musical selections and short talks.

At the services Sunday morning Rev. H. H. Grindal of Mentor, Minnesota will be the speaker. Holy communion as liturgical and anthems will be sung by the combined chorus.

The sacred concert by the chorus of 80 voices will commence at 3 p. m. on Sunday, the address of welcome will be delivered by Rev. Vistaker. About 50 *Luther Leaguers* leave from the Trinity church at Greenbush and 30 in Thief River Falls under the direction of Rev. A. L. Iverson of Middle, and with Mrs. Ing Kuefler as piano accompanist. Rehearsals give promise of an excellent program. Two numbers will be given by a male chorus and solos will be sung by R. J. Lund of this city, Rev. Iverson, Rev. Ranum and Prof. Ingvy Halverson of Goodridge. Monday evening there will be a program of musical selections and addresses by pastors of the circuit.

There will be no services in the Trinity church next Sunday morning but Norwegian services at 7:45 p. m. announcer Rev. K. L. Tollakson. Those failing to leave Greenbush Sunday morning in time for the Trinity church at 7:45 o'clock, these ladies will find waiting room for extra passengers being asked to take members of the church who do not have cars.

T. R. F. TO PLAY AGGIES

The Northwest School, Crookston football team will be in Thief River Falls completed according to information received from the physical training department of that institution. The schedule as completed at present is scheduled include Red Lake Falls at Northwest School on October 9; Mayville Teachers' College at Mayville, North Dakota, on October 16; West Central School, Morris, at Northwest School on October 23 and Thief River Falls at Northwest School on November 6. The only open date is October 30. It is probable that one or two additional games will be booked. The Aggie School football team usually plays with the Thief River high school and will try to secure a game with Northwest School. The University high school this season. D. H. LaVoi is coach and T. M. McCall is chairman of athletics. The Aggie School term opens October 4.

FORMER PASTOR HERE

Rev. and Mrs. Olaf M. Wangensteen of Slyvan Grove, N. D., are guests of Olaf Hansted home for a few days, arriving Monday. He was temporary pastor of the Nazarene Lutheran church here for nine months, and together with Mr. Hanstad purchased the site on which the Trinity Lutheran church is now being erected. He was greatly pleased with seeing such a splendid building under construction.

Contests Will Feature Legion Labor Day Dance

Waltz and Charleston contests will feature the Labor Day dance to be put on by the local Legion post in the auditorium Monday night, September 6. Cash prizes of $5 will be awarded to the dancers who can perform the most satisfactorily in these two groups according to Chas. Eicher, chairman of the committee arranging for the event, which promises to be the leading one of a list this season. Music will be furnished by "the Best Five-Piece Orchestra in Northwestern Minnesota," the latter organization having been selected by the committee, which holds until the date of the dance.

The American Legion quintet will give several selections during the evening.

For a special attraction there will be a concert by the American Legion band, which made such a hit on the recent booster trip to southern Minnesota, will precede the dance, the committee announces.

At Tuesday night's meeting of the Ladies' Auxiliary Verner Nelson and Miss Dorothy Swelnburg were elected in charge of the advance sale of tickets. O. C. Paulson is in charge of decorating the auditorium for the occasion.

Dairy Show Boosted by "Dad" Cort in Talk Here

Exhibits of cattle at the fourth annual Northwest Dairy exposition, to be held in the Minnesota State Fair September 4 to 11, will show progress made in dairying in recent years, W. J. Cort of St. Paul, field representative for the joint St. Paul-Minneapolis committee, told members of the Commercial club at last Thursday noon luncheon. "Dad" Cort, as he is familiarly known as an organizer of co-operative creameries in Northwestern Minnesota in the years of diversification upon the dairy industry, which he pointed to as a fundamental factor in the development of this state.

The exposition and fair were described as a short course, the various departments being cited. In addition a number of entertainment features were also mentioned, prospects being for the biggest fair in the state's history.

Tariff tickets for the state Fair are being sold at the two local banks and the citizens are also quite generally of Pennington county citizens will attend, as railroads are offering a special round-trip rate of a fare and one-half. Many plan to make the trip by car.

Perhaps the most remarkable exhibit in the entire building at the exposition will be the golden calf recently excavated from one of King Tut's pyramids at Gizeh, where it had existed for 3,500 years, Mr. Cort stated.

Divisions of the University of Minnesota, Department of Agriculture, co-operative marketing organizations of the state, and various other agencies are co-operating in interesting exhibits.

Mr. Cort, who walked from St. Hilaire to Thief River Falls, some years before the Great Northern built in this city, to help organize a creamery, spoke enthusiastically about the wonderful changes which have taken place in this territory. He declared that the co-operative creameries have done more than anything else to bring this about and urged unified support of these institutions.

DEPOSITORS GET DIVIDEND

Depositors of the Citizens State bank of Red Lake Falls, closed January 10, 1924, last week received a dividend totaling $34,165. The 20 per cent dividend was the second to be paid, the first being 30 per cent of deposits.

Gordon W. LaBree Becomes Member of N. D. Law Firm

Friends of Gordon W. LaBree, son of Mr. and Mrs. W. J. LaBree of this city, will be interested to learn that he is a member of a new North Dakota law firm to be known as Weston, LaBree & Schaff, according to announcements in the Grand Forks Herald by Ell A. Weston of Fargo, senior member of the firm. Charles Schaff of Mayville, brother of George Schaff, attorney general for North Dakota, is the third member of the firm.

Mr. Weston, who for the past year has been assistant state's attorney for Cass county and a member of the law firm of Schaff, Jerrard & Weston, has served his connections with that firm to become senior member of the new organization. He was a candidate for state's attorney in the June primaries. Prior to his practice with the Fargo firm, Mr. Weston practiced in Fargo since 1922. He is a graduate of the University of North Dakota and Chicago University.

Mr. LaBree and Mr. Schafer also are graduates of the North Dakota university, the latter recently beginning his practice at Casselton, where he was associated with the Weston law firm. Mr. Schafer has had considerable experience in the attorney general's office in Bismarck, having served under the latter for two years. While a student at the university he represented the institution on the debating team which met Valley City at Mayville, where he will look after the interests of the firm.

WILL NOT GIVE TIME

Western Union telegraph offices all over the United States on September 1st discontinued the service they have maintained by giving the time by sending people who call them over the telephone. It was announced Monday by C. D. Peach, manager of the local office. The order received from the company's headquarters in New York city stated that the change will be effective in 23,000 company offices in this country. Calls for time have seriously interfered with telegraph service, Western Union officials say, and it is quite safe to estimate that several hundred calls are received every day in the work, each one of which is a distraction to the best service of the company to its patrons of its actual business.

A. C. SCHOLARSHIP OFFERED

The Northwest School of Crookston has six scholarships of $75 each that will be awarded to worthy boys and girls club members, one in each of six counties in this section of the state according to information from Dean C. G. Selvig. The money is required to be used to defray expenses at the Northwest School for a minimum period of six months. Applications may be submitted by the county circle leader and County Agent T. J. McDonough requests that anyone in this county interested in the offer notify him at once. In case more than six applications are received by the deadline a committee will pass on the records of the applicants with the object of selecting the boy or girl who has the most creditable club record.

MUST REGISTER EARLY

Registrar R. M. West of the University of Minnesota has earnestly requested Minnesota newspapers to make mention of the fact that beginning students at the university must be on hand this year not later than Monday, September 20. Although classes will not begin until a week later, a "Freshman Week" will be given a week in advance in which to register and become acquainted with the institution, this being known as "Freshman Week," which has been established on full for the first time. The newcomers should preferably report at the registrar's office on Friday, September 17 or Saturday, the 18th, but in no case later than Monday, the 20th.

CO-OPS. TO HAVE BUILDING

A group of the leading farmers co-operative marketing associations of the state, together with the Minnesota Farm Bureau federation, will have their own building at the state fair this year. The fair association has turned over to the farm organizations the former home and fish building which will house exhibits by the co-ops, and be the headquarters of the Farm Bureau during fair week.

CHANGE OF OFFICERS

Envoy W. M. Manstrick, in charge of Salvation Army work here the last three months, intends to leave next week for Fargo, to work on a plan to raise funds for the northwest. His place will be taken by Envoy and Mrs. H. E. Rolfe of Manitou, N. D., who will be welcomed here next Sunday.

CROSS TRU WATER

"It takes a Ford to do it", declare the T. L. Hyestad boys near this city, who drove thru the water across the Red Lake River near the Bartsaas farm east of here last Sunday.

A deed was filed Monday for the sale of the southeast quarter of section 33 in Bray township by Wells Seagman to P. H. Reidy, both of Lee Angeles, the consideration given being $10.

Children's Play and Osteopathy

A child needs a complete osteopathic examination in full as well as in spring.

Children grow lop-sided because they carry loads on one side or use the left or right hand more than the other. Books, or lunch, or whatever it may be.

Children grow crooked because they run their little scooters or their wagons always with the same foot, or they split up a pair or roller skates between two of them.

Sometimes these things bring their peculiar hurts with them, so that children fret or do not move especially well—stand fretfully. Sometimes these are no symptoms that the busy parent notices.

But always the framework of the body shows the true condition. And always the osteopathic physician can find it.

When autumn approaches, think of the vertebral examination your child should have at the hands of an osteopathic physician.

THIEF RIVER FALLS TIMES

Volume 16. Thief River Falls, Pennington County, Minnesota, Thursday, Sept. 9, 1926 Number 32

MINNESOTA HISTORICAL SOCIETY Thief R. Falls

The Credit Service System, Inc., of St. Paul, which has been in operation at Red Lake Falls during the past year, has increased its number of patrons and lives to the extent that Thief River Falls, St. Hilaire, Terrebonne, Huntsville, Beverley, Plummer, Holt, Newfolden and Middle River have been added to the association, giving the territory one of the strongest credit organizations in the state.

The Credit Service System enables business and professional men to protect themselves against the so-called "deadbeat," and also to eliminate the slow and bad accounts from their books. No method seems to be the first submitted here under which reliable credit information can be furnished to merchants, and at the same time be fair to all those rated. Business and professional men do not rate themselves, but are rated by people of the community, thus leaving only seven more days in which apertenons of the county may have their names added to be in the field on the opening day.

The season is closed on prairie chickens and partridges this year, but there's an open season on ducks, which are reported to be plentiful in this territory, particularly in eastern Pennington and Marshall county.

Since the auditor began issuing poolhall licenses he had sold only 25 up to yesterday.

2 PENNINGTON BOYS WINNERS AT STATE FAIR

'Albert Poppenhagen Wins First Prize with Grade Yearling Guernsey

JOHN LETNES' AYRSHIRE CALF TAKES 3rd HONORS

Many from This Community Visit State's Greatest Exposition This Week

State honors again come to Pennington county junior club workers exhibiting at the Minnesota State Fair, which opened Saturday. Albert Poppenhagen of Goodridge won first honors with his calf in the grade yearling Guernsey competition and John Letnes of Hall Marshall county, also an exhibitor at the Pennington county fair here, was awarded fifth prize in the same class.

John Letnes of Thief River Falls won third prize with his purebred Ayrshire yearling heifer in the state champion calf last year but competition was exceptionally keen, this year. Gerhard Haugen of Middle River was awarded fourth place with his purebred Holstein yearling. A number of other northwestern Minnesota exhibitors also won prizes, Mr. Haugher, Esther, who is enrolled at the state teacher's college at Moorhead, on Saturday for Denver and Estes Park, Colorado, joining Lincoln National Life agents special in Chicago. The Lincoln Life insurance company is holding its annual convention in Denver this year, and all Agents who have qualified by writing the limit of paying for a specified amount of insurance during the past 12 months are entitled to attend. The trip will take about 12 days and side trips will be made to such points of interest as Pike's Peak, Garden of the Gods, Royal Gorge and many others. Mr. Benneg is recognized as one of the leading salesmen of his organization and the trip comes as a merited award.

TO STATE FAIR

County Agent J. W. Taylor and G. I. Brandt of Roseau, accompanied by a group of Roseau county boys and girls club winners, motored here Saturday morning on their way to the Minnesota State Fair. Eleven champion club workers and two champion poultry represented Roseau county at the state fair.

DOG POPULATION, PENNINGTON COUNTY LESS

Alothe 73 dog licenses have been issued in Thief River Falls during 1926, only 41 members of the canine tribe are listed on the city's assessment rolls, according to the abstract of assessments in the county auditor's office. This naturally raises the question, "How is a dog but a dog?"

Perhaps when the assessor comes around.

At least that must have been the case in Star and Wyanlette townships, where no dogs are listed by the assessors.

Or perhaps all the dogs in these townships have strayed from Goodridge and St. Hilaire villages, which have only 1 and 2 dogs, respectively.

Rockaberry township, however, appears to be well supplied with dogs, 76 being listed, a total for the county of 740. The total valuation of $1722 placed on the dog population by the assessors and local boards of review was raised to $1790 by the county board of equalization.

Below towns which have no watches, clocks, pianos, or phonographs, according to the assessment list, Ian, is credited with five sewing machines, Star township has only one sewing machine, the records would have it.

OGAHMAH HOTEL IS LEASED BY FURAN

Moves Here from Slayton — Leimers, Proprietor 14 Years, To Little Falls

Lars L. Furan, for many years a resident of Thief River Falls and formerly associated with R. Benson in the Ogahmah hotel, has leased the business of the Ogahmah hotel, one of the oldest hotels in this city, been operated by Mr. and Mrs. George Leimers for the past 14 years. Furan has purchased the fixtures but is leasing the building from Mr. Leimers. Mrs. Furan, son, Bernard, and daughter, Ruth, will reside with Mr. Furan, according to his wife and family who arrived Saturday from Slayton, where he has been connected with a broker's office the last year.

Mr. and Mrs. Leimers came to Pennington county in 1901, when they homesteaded in Deer Park township at a point 7 miles south of this city. Later building up a nice farm home they moved to Thief River Falls in January, 1912, purchasing the Ogahmah hotel from the late Mrs. Robbecke, the hotel having been operated by H. A. Brumund for a short time. Since coming to Thief River Falls Mr. Robbecke in 1889, part of the time being engaged in farming near Hillsboro. During their residence here Mr. and Mrs. Leimers have made many friends thru their courteous treatment of patrons and pleasant personality. After many years of strenuous work they plan to take things a bit easier.

Mr. and Mrs. Furan are well and favorably known in this community, the former having been here for 24 years, he lived at Rosewood for some time.

Halverson Heads County Farm Council Committee

G. Halverson, attorney of this city, has been named chairman of the Pennington county committee of the Minnesota Council of Agriculture, silver lined local representative organization of the state group being Mayor W. W. Nichols, and A. C. Ellingson of St. Hilaire. It is planned to select two additional members of the county committee shortly.

The Council was formed recently to work for farm relief on the same lines of the McNary-Haugen bill, which was backed by former Governor Lowden of Owatonna. Other officers of the Minnesota organization are: Tyler Carrel, St. Paul, secretary; Thomas J. Meighen, Preston, treasurer; Frank W. Murphy, Wabasha, chairman of executive committee.

Bennes Gets Vacation Trip to Denver and Estes Park

E. M. Bennes, general agent for the Lincoln National Life Insurance company for northwestern Minnesota, left Wednesday evening for Minneapolis, where he will spend a day at the State Fair and then be leave with his daughter, Esther, who is enrolled at the state teacher's college at Moorhead, on Saturday for Denver and Estes Park, Colorado, joining Lincoln National Life agents special in Chicago. The Lincoln Life insurance company is holding its annual convention in Denver this year, and all Agents who have qualified by writing the limit of paying for a specified amount of insurance during the past 12 months are entitled to attend. The trip will take about 12 days and side trips will be made to such points of interest as Pike's Peak, Garden of the Gods, Royal Gorge and many others. Mr. Benneg is recognized as one of the leading salesmen of his organization and the trip comes as a merited award.

Plummer Bank Cashier is Bound Over to Dist. Court

Harry F. Beeven was Friday given preliminary hearing in municipal court before Judge V. M. Healy in Red Lake Falls on a charge of grand larceny in connection with embezzlement of $976 of funds of the Farmers State bank of Plummer of which he was cashier. He was bound over to district court, according to information from Red Lake Falls it is probable that other serious charges will be pressed and when this matter is decided by County Attorney Chas. Boughton, Jr., the amount of bonds will be set by Judge Thomas Watts of Crookston. Meanwhile Beeven is in the Red Lake county jail.

Beeven, who underwent an operation in a Hillview hospital, was brought to Red Lake Falls last week, by Sheriff Thomas Gillman and Constable Attorney Boughton.

SHIPSTEAD SPEAKS HERE SEPTEMBER 28

Senior Minnesota Senator To Address Series of Meetings In This Territory

United States Senator Henrik Shipstead of Duluth will address a meeting in the auditorium in this city Tuesday, September 28, it is announced this week by W. H. Quist, chairman of the Pennington County Farmer-Labor association. Mr. Quist is the principal speaker at the Sons of Norway lodge's Leif Erickson celebration at Okie Sunday afternoon, September 26, and it is likely that he will be in Warren the 27th. Congressman Knud Wefald of Hawley is also scheduled to speak at the Okie picnic.

Mr. Shipstead's coming to this city is awaited with much interest, his address here will likely be the opening gun of the fall election campaign in this community. It is expected that he will discuss numerous questions in connection with the administration of Governor Theodore Christianson. While the senior Minnesota senator is not a candidate this year, it is anticipated that he will speak for his Farmer-Labor colleagues.

Old Settler Dies Here Monday

Ole Nelson, 74, died at the home of his son, Nels Nelson, in this city Monday morning at 10:30 o'clock following a long illness. He was born in Norway and came to this country when a young man, settling in Wisconsin. He came to Pennington county in 1901, where he homesteaded in Deer Park township at a point 7 miles south of this city, and lived there until 1912, when he moved to Thief River Falls where he resided until his death.

Funeral services will be held at the Nelson home at 2 o'clock Wednesday afternoon, Rev. A. Mortrowen, Middle River, officiating. Interment will be in the Deer Park cemetery.

Besides the son, Nels, with whom he lived, he is survived by another son, Ole, Jr., Thief River Falls, and a daughter, Mrs. Ole Hanson, Deer Park township.

LUTHERAN YOUNG PEOPLE CONVENE

Many From This City Partake in Luther League Convention in Greenbush

With nearly all Norwegian Lutheran congregations in Northwestern Minnesota represented, the Young People's Luther Leagues of the Thief River Falls circuit held its most successful annual convention in Greenbush Saturday and Sunday. The attendance was unusually large, it being estimated that 700 persons were in attendeé. The high school auditorium was packed practically every session.

"As citizens we must stand for what is good for this country. We have no quarrel with the Christian church; boasting church history, its mission, its appeal to the best in mankind, the religious idealism of the Norwegian people, we dwells its tremendous strength for greatness. We want to help the church.

"The Sons of Norway must not be used for political purposes, but you should all be interested in politics. Do your own thinking and do your duty by voting at election time."

In reviewing reasons for the organization of Sons of Norway, Mr. Quist declared that it is serving a splendid purpose in "perpetuating for this country the characteristics, ideals and traditions of the land of the forefathers. Do not forget the language you spring," he said in urging American-born Norwegians present to make it a point to learn the language of their ancestors.

"It is a good thing for us to reflect on the past occasionally," Mr. Quist declared. "We can learn a lesson by looking into the past as we measure progress at times bring new duties."

John O. Meiby, president of the Okie lodge, invited those present to attend the Leif Erickson celebration on Okie Sunday, September 26, at which United States Senator Henrik Shipstead will be the principal speaker. He called attention to the fact that Knudsen of Norway, Minnesota, are still operating the Gange Ralf of 1000 years ago.

Miss Ella Field of Oslo, Norway, briefly, winding up his remarks by reading a decidedly clever and timely paper on observations of the day.

T. K. Forgot spoke for the Christian league, emphasizing the duties of members of the order.

A feature of the day's program was a reading of her own writing by Miss Ellen Kolstoe of Oslo, which was well received by the speaker. The well attended drill by local Daughters of Norway was well received, as were the two numbers by Mrs. T. Keep of this city, "Betergjenbore Sonner" and "Kan du Glemme Det Norge." Dr. P. L. Vistaunet directed the audience in singing.

Violinist in City

Nils Rein, concert violinist, arrived here Monday from Grand Forks and is a guest at the Dyma Rustad home this week. Mr. Rein recently graduated from a music school in Stavanger, Norway, and is touring the Pacific coast, being enthusiastically received wherever he stops. The violinist has appeared in concerts in this city, the last one in January, but before this trip went. His appearance now is a young man from Grand Forks who last year won the state high school piano contest.

$5,000 CUT IS MADE IN CITY SCHOOL LEVY

Local Tax Levy Fixed at $70,000 by School Board for Ensuing Year

WILL CONTINUE ON CASH BASIS AND PAY OFF DEBT

Sum of $31,610 in Sinking Fund; Larger Cash Balance to Meet Early Bills

Taxpayers of Independent District No. 18 are pleased to learn that the school board in session Tuesday night voted to reduce the tax levy $5,000, the levy for the coming year being fixed at $70,000, as compared with $75,000 levied in 1925 and 1924. Despite the reduction the district will continue on a cash basis and it is expected that the annual appropriation added to the sinking fund which is being maintained to take care of bonds as they become due.

A definite budget has not yet been completed but it is expected that it will remain practically the same as for the past year. As the school is now being operated on economical basis as possible at present it is not likely that there will be any further reduction in the cost of operation, according to members of the board. However, the bonded indebtedness has been reduced $250,000 to $250,000 since 1924, which effects a considerable saving in interest payment. It is the aim of the board to continue to operate on a cash basis for several years and to reduce the bonded indebtedness, in accordance with which a sinking fund of $31,610 has been built up in recent years. The cash balance of the district at the end of the year was $27,000, followed by the sum of $10,131 being added the first part of this year. This increased cash balance puts the district in better position to meet the demands at the beginning of the school term, the county's distribution of tax money not being made until late in January.

The state loan levy this year will be $112,000 as compared with $12,000 last year. This year's state loan increase amounts to $100,000.

About $48,000 was received in state aid last year, which is the largest sum available as to the amount to be received this year, it is likely that approximately the same amount will be forthcoming.

LUTHERAN YOUNG PEOPLE CONVENE

Many From This City Partake in Luther League Convention in Greenbush

With nearly all Norwegian Lutheran congregations in Northwestern Minnesota represented, the Young People's Luther Leagues of the Thief River Falls circuit held its most successful annual convention in Greenbush Saturday and Sunday. The attendance was unusually large, it being estimated that 700 persons were in attendeé. The high school auditorium was packed practically every session.

"As citizens we must stand for what is good for this country. We have no quarrel with the Christian church; boasting church history, its mission, its appeal to the best in mankind, the religious idealism of the Norwegian people, we dwells its tremendous strength for greatness. We want to help the church.

"The Sons of Norway must not be used for political purposes, but you should all be interested in politics. Do your own thinking and do your duty by voting at election time."

In reviewing reasons for the organization of Sons of Norway, Mr. Quist declared that it is serving a splendid purpose in "perpetuating for this country the characteristics, ideals and traditions of the land of the forefathers. Do not forget the language you spring," he said in urging American-born Norwegians present to make it a point to learn the language of their ancestors.

"It is a good thing for us to reflect on the past occasionally," Mr. Quist declared. "We can learn a lesson by looking into the past as we measure progress at times bring new duties."

John O. Meiby, president of the Okie lodge, invited those present to attend the Leif Erickson celebration on Okie Sunday, September 26, at which United States Senator Henrik Shipstead will be the principal speaker. He called attention to the fact that Knudsen of Norway, Minnesota, are still operating the Gange Ralf of 1000 years ago.

Miss Ella Field of Oslo, Norway, briefly, winding up his remarks by reading a decidedly clever and timely paper on observations of the day.

T. K. Forgot spoke for the Christian league, emphasizing the duties of members of the order.

A feature of the day's program was a reading of her own writing by Miss Ellen Kolstoe of Oslo, which was well received by the speaker. The well attended drill by local Daughters of Norway was well received, as were the two numbers by Mrs. T. Keep of this city, "Betergjenbore Sonner" and "Kan du Glemme Det Norge." Dr. P. L. Vistaunet directed the audience in singing.

Violinist in City

Nils Rein, concert violinist, arrived here Monday from Grand Forks and is a guest at the Dyma Rustad home this week. Mr. Rein recently graduated from a music school in Stavanger, Norway, and is touring the Pacific coast, being enthusiastically received wherever he stops. The violinist has appeared in concerts in this city, the last one in January, but before this trip went. His appearance now is a young man from Grand Forks who last year won the state high school piano contest.

Erie Man First to Get '26 Small Game Hunting Permit

Edward Singer of Erie holds the honor of being the first citizen in Pennington county to apply for a 1926 small game hunting license, according to Anderson, county auditor. Mr. Singer, Eicher, Oakland Park sanatorium engineer, was the second one to step into the auditor's office for the required permit. The hunting season for small game opens next Thursday, thus leaving only seven more days in which apertenons of the county may have their names added to be in the field on the opening day.

The season is closed on prairie chickens and partridges this year, but there's an open season on ducks, which are reported to be plentiful in this territory, particularly in eastern Pennington and Marshall county.

Since the auditor began issuing poolhall licenses he had sold only 25 up to yesterday.

MANY HEAR S. OF N. NATIONAL HEAD SUN

Objects of Sons of Norway Organization Cited in Address by A. J. Myrland

About 200 Sons and Daughters of Norway, including members from Goodridge and Middle River, were in attendeé the closing meeting at the lodge of Sunday afternoon. One address of the day was that of the picnic at Squaw Point was eliminated. Following a splendid picnic supper, a feature of which was the address by A. J. Myrland of Fergus Falls, grand lodge president, who cited various objects of order and purposes of the Sons of Norway. Myrland is secretary of the Wisconsin state tax commission.

The program, which was presided over by Bernhard Knutsen, president of the local lodge, opened with a welcome address by Mrs. Ingvald Quale, followed by a talked sung by Supt. C. G. Selvig of the Northwest School, Crookston, and a reading by Miss Ida Nelson, both of which were well received. Mrs. T. Keep of this city, "Betergjenbore Sonner" and "Kan du Glemme Det Norge." Dr. P. L. Vistaunet directed the audience in singing.

Violinist in City

Nils Rein, concert violinist, arrived here Monday from Grand Forks and is a guest at the Dyma Rustad home this week. Mr. Rein recently graduated from a music school in Stavanger, Norway, and is touring the Pacific coast, being enthusiastically received wherever he stops. The violinist has appeared in concerts in this city, the last one in January, but before this trip went. His appearance now is a young man from Grand Forks who last year won the state high school piano contest.

HOLSTEIN MEMBER OF 3 COUNTIES TO SELL HERE

Pennington, Marshall, Red Lake Breeders Unite in Consignment Sale Oct. 14

ABOUT 60 PURE BRED AND GRADES LISTED

Will Attract Buyers from Wide Territory—Held Meeting Here Saturday

Arrangements are under way for the first annual tri-county Holstein consignment sale at the fair grounds at Thief River Falls Thursday, October 14, according to announcement by local breeders. Various matters in connection with the sale were considered at a meeting of more than a dozen Holstein breeders of Pennington, Marshall and Red Lake counties at the Commercial club rooms here Saturday evening.

Among those present at the meeting were Joe Rice, Red Lake Falls, famous Spaulding herd at Warren, and Wm. Rubel, of Red Lake Falls, who will attend a number of the sales.

According to present plans about 60 pure bred and high grade animals from the herds of the three counties will be disposed of at this sale, which is expected to attract buyers from a wide territory. The sale will be held in the Thief River Falls pavilion, three county groups bids fair one of the leading events of the fall in the Red River valley, according to livestock dealers.

Three consignment sales have been conducted in previous years by the Pennington county breeders, but last year's sale being cancelled on account of weather conditions, which kept down buyers from attending.

For detailed information concerning the sale October 14 will be given out when the return of County Agent J. E. Nicolin from a meeting of the State Fair this week.

Cong. Wefald's Son To Speak at Highlanding

Magnus Wefald, oldest son of Congressman Knud Wefald of Hawley and his father's private secretary for four years, will address a political meeting at Highlanding this Thursday evening, September 12, at 8 o'clock, it is announced by W. H. Quist, county farmer-labor chairman. Wefald is said to have an intimate knowledge of Washington affairs and his initial visit here is awaited with much interest.

THRESHING DELAYED BY RAINS PAST WEEK

Rains General Throuout Northwest—Satisfactory Yields Continue to Come In

Weather conditions in this territory during the past week have delayed threshing operations to a great extent, rain having fallen nearly at intervals between showers.

Rains have been general throuout the northwest, according to L. M. Rayson, Soo Line weather observer. A trainer, Monday, burst-bit the Argyle community Tuesday. Only light showers have fallen today.

Few reports of yields are yet available, but farmers who have made a complete cheeup before giving out reports. A number of farmers who are reporting wheat yields of 20 bushels an acre, and as high as 27 bushels, according to P. O. Myhrum of the Hanson & Barnes Milling company, who declares that the crop is considerably much better than last year in this territory. Rye is yielding up to 35 bushels an acre and barley is turning out well, while oats is not up to expectations. Flax is now being cut and is the best crop in years, as is sweet clover.

A great deal of fine corn will also be harvested in this territory during this year, with a likelihood of a considerable portion well ripened. Potatoes promise well.

Harvest of sugar beets will commence in this territory within the next two weeks. Favorable yields are expected throuout the valley. Thief River Iean Beet Sugar company is completing its plans for the 1926 campaign, in time to receive the 1926 crop, the machinery already having been in-stalled.

As a result of the delay in threshing, about 200 acres of the Palm-Iola farm of grain a day have passed thru the Thief River Falls sampling station. It is likely that the Wenipeg division of the Great Northern will be increased to 20 when the rush sets in.

T. K. Hyestad, leading grain farmer near Clearbrook, Clay county, reports 2,000 bushels and wheat going from 12 to 30 bushels an acre, pressing satisfaction with this year's crop on his 800 acres of small grain. A 50-acre field of flax promises partially well.

Ward Veik of Holt threshed out 710 bushels of Gopher oats from a ten-acre field, according to the Holt Weekly News.

The Middle River Record of last week carried an item stating that C. C. Leslie of Gatzke had a seven-acre field of Minturki wheat, a new variety which yielded 225 bushels.

The temperature dropped to 35 degrees this morning but no frost damage has been reported. Rising temperature is predicted for today.

ENROLLMENT IN T. R. F. SCHOOLS PROMISES WELL

Public Schools Attended by 1215 First Day—More Than at End of Week in '25

405 IN HIGH SCHOOL— MORE ARE EXPECTED

Catholic Parochial School Opens Tuesday With Enrollment of 121 Pupils

With the summer vacation at an end more than 1200 young Americans are expected to be school kids these of rooming and trekked their way, some cheerily and others guilty, to the various schools of the city. The enrollment in the public schools, totaled 1211 the first day, nine more than were registered in the district at the corresponding time last year.

The schedule of games is rapidly taking shape, but the dates are so far indefinite, especially as the opening game which will be played here next Friday, September 17, when Grafton high school comes here to battle with the Lincolnites. The schedule may be announced next week, Mr. Thune says.

Seven Local Lads Return From Fort Snelling Camp

Char

SOCIAL ITEMS

For September Bride

Complimenting Miss Esther Sorgen, a bride-to-be of this month, Mrs. Otto Gleba entertained a number of ladies Wednesday night. The rooms were tastefully decorated in lavender and white, garden flowers being used in abundance. The hours were spent in a social way, a feature of the evening's entertainment being a miscellaneous shower, which a number of the guests participated. Miss Sorgen was presented with a set of dinner dishes as a gift from her friends. The guests included Mesdames Carl Christofferson, Mike Kocon, E. Rustad I. Cerny, Alvin LaSalle, H. Jaeger, Victor H. Swedahl, J. J. Gibson, G. Howe, A. Zellmer, C. Anderson, O. Nesvold, J. Jarlaski, O. Neset, M. Mickelson, M. Lahren, D. Ellingson, Arvin Peterson, L. Sorgen, O. Frederickson, B. Burgess, Walter Wentz, Miss Charles C. Cooper, Pittsburgh, president of the National Federation of Settlements; Miss Amelia Sears, Chicago, assistant director of settlements for the United States; Mrs. Jane Deeter Rippin, national Girl Scout director; Mrs. Bob Gilmore, Minneapolis, president of the state conference, and Miss Inez Fetterson, field representative of the Minnesota children's bureau.

Project Club Meets

The Thief River Workers Home Clothing project met with Mrs. Nesbitt at an all-day meeting at the home of Mrs. Myers August 26, with all members present. Cheer was served by the president, Mrs. A. G. Tendeland and a report of the previous meeting by Mrs. Arthur Olson, secretary. The lesson on cutting and making of patterns, plackets and neck finishes was greatly enjoyed by all and proved to be a great help to the members. Much credit is due to the leaders, Mrs. J. J. Teggart and Mrs. C. Overson, for their work as instructors. A fine dinner and supper served. The next meeting will be held at the home of Mrs. O. O. Thompson September 28, when the subject will be dress and guide patterns, selection of wash materials, color and line.

Speaks at Holt

Mrs. J. M. Bishop spoke at a banquet in Holt given by the W. C. T. U. Friday night in the Congregational church basement of that village. She discussed the various questions in connection with child welfare week and the Child Welfare bill. W. O. Haggans of Warren, Marshall county attorney, spoke about prohibition and its enforcement. About 40 persons were present.

Returns to Fergus Falls

Mrs. Oscar Cerny of St. Paul was a guest over the 1. a. m. Tuesday of this city last week, returning to her home Saturday.

Bernice and Lloyd Rustad returned Monday from McIntosh where they have been visiting for two weeks with their grandparents.

Friends of Mr. and Mrs. Doris Provencher of Minneapolis will be interested in the announcement of the birth of a baby boy born to them last week.

Mrs. Harold Eide and Miss Jeannette Offendahl left Monday for Lake, Sask., Can., where they will visit at a couple of weeks.

Dr. C. M. Larsen and son, Donald of Minneapolis are visiting this week at the home of the former's parents, Mr. and Mrs. Nels Larsen.

Capt. Hilda Hansen of the Salvation Army corps of Minneapolis spent a couple days here with the local army officers after visiting in Goodridge.

Mr. and Mrs. J. Berry returned Saturday from a vacation spent at Lake Itasca and near Bemidji. Mr. and Mrs. Alf. Berry will remain at the latter home for next week.

L. J. Cerny left Monday night for the Twin Cities accompanied by his little niece, Maunie, the latter of which is to spend a month by her uncle and Mrs. Oscar Cerny of St. Paul.

William Gamble, former manager of the Gamble-Robinson wholesale branch, motored here from Mankato Saturday to visit with friends, returning Monday.

Carl Freeth left Sunday night on a brief business trip to Minneapolis, expecting to return today, in company with Andrew Nesse making the trip by motor.

A. F. Matt on motored to Upsala Lake Saturday, returning Sunday accompanied by his wife and two sons who have spent the summer at the lake.

Mrs. Jacob Rasmussen returned Tuesday from Gresham where she attended the Lutheran young people's convention and visited with Mrs. Gilbert Anderson hogne for a few days.

Word has been received here of the death of Mrs. Hans Melkey of a prominent Gully merchant. Death occurred at Sunnyvel sanitorium at Crookston, where a daughter died last June.

Edward Peterson, son of Mr. and Mrs. Ben Peterson near this city, left Monday for Moorhead to enroll as a junior in Concordia college. He has completed a course at North Star college at Warren.

Mr. and Mrs. M Cornelius, daughter Evelyn, and Mrs. Ernest Reinhardt, were Crookston guests Sunday at the W. P. Baker home, Mrs. Reinhardt and Miss Cornelius remaining here until Monday evening.

Two Newfolden girls are instructors in the Warren schools, which do not open until next Monday. They are Edna Swan, in fifth grade, and Elizabeth Kluppe, in the normal training department.

Word has been received from Slayton that Miss Isabelle Sagmoen of this city played the wedding march at the wedding of Miss Bertha Grinde and Roland L. DeMong of that city Wednesday, Sept. 1. Miss Sagmoen leaves this week for an ten months' trip thru the west, accompanied by Mr. and Mrs. Martin Furan of Slayton.

Olaf Noset left Tuesday night for Minneapolis to attend a meeting of directors of the Lake Region Co-operative Poultry & Egg Exchange, also visiting at the state fair.

Official Paper Pennington County

It is safe to say that the eleven Pennington county boys and girls who get free trips to the State Fair, are glad they did their best in club work this summer. Of course, those awards are not the only compensation, the big thing is that each one learns as he or she works with the project.

"Vote as you please—but vote!" is the line back of the campaign initiated by the National *Civic Federation* and American Legion, which call attention to the fact that about fifty per cent of the eligible voters failed to cast their ballots in the 1922 and 1924 elections. The Minneapolis Women's Christian Temperance Union in convention here yesterday also inaugurated a campaign to get out the vote. It is to be hoped that the efforts of these various organizations will stir up a consciousness as to the responsibilities of citizenship.

Allen election is two months distant, now is the time to begin "checking up" on the candidates, if you have not already done so. It is a civic duty for only to vote, but to know at least something about the candidates who seek office.

THE PUBLIC GRUNCH

There is one thing which rankles on the general public. It is the fact that county prisoners all through the state, and the country over, maintain a workfarms, are in almost complete idleness. The moonshiner who spends the summer time and perhaps playtime cards with local officials at the public in the winter. The drunken driver also in jail with them. Few seem to be moved along the right way which he descerated.

We do not want to argue any theories as to whether jail is intended for reform or punishment. No matter, for the purpose some good hard work would help. The idle mind would be a real punishment. To others it would be reform.

To many people, particularly those whose self respect has been lowered by previous service, the county jail looks like a haven of warmth, rest and good eats. The sheriff is a good fellow, most sheriffs are or they would not be elected to office. Treatment is friendly and many are glad for many days a vacation.

But, as we said before, the public object. It will continue to object until some changes are made in the laws which permit, direct and compel useful labor on public work by prisoners, similar to that performed by the sheriff of an officer appointed for that particular purpose.

There is really no need of the waste of the possibilities which exist in the labor of the prisoners.

We all recognize it as a crime about it. What the situation needs is some constructive development. —Grand Rapids Herald Review.

THEO. QUALE
Candidate for
COUNTY ATTORNEY
HIS RECORD IS GOOD
Vote for him No. 2nd

INSIST—Don't settle for anything but perfect coal just because it's cheap. Phone Quale, Thief River Falls Motor Co.

The trouble that some people take to make trouble is almost past belief.

About the most important thing in life is what to do next.

Most people who are inclined to take things easy have a hard time.

There are a few things best done tomorrow when tomorrow never comes.

With the opening of the schools remember that the teachers need the co-operation of the parents.

Some glory in the fact that they are "coming next" while others find satisfaction in the belief that they have arrived.

Men who want to live long in the memory of their friends ought to give something of their substance to their home community before they die and make certain that the community gets the benefit of it.

American education week will be observed November 7 to 13, J. W. Crabtree, secretary of the National Education association, announced on behalf of this organization and the American Legion, which with other associations, are cooperating in the effort to acquaint the public with the needs and works of the schools.

SELECTED QUIPS

Reading is seeing by proxy.

Love never counts the cost.

Luxuries soon blossom into needs.

Why are so few women tongue-tied?

Nothing spreads so fast by example as failure.

A little bird on a bat is worth two that tell him.

A wise word to the foolish is sometimes sufficient.

A fable is a story-telling tie with a moral attachment.

Love is one of the diseases for which the onion is a sure cure.

An empty purse is responsible for some matrimonial failures.

When each player gets four of a kind it's certainly a great deal.

Matrimonial history often begins where romantic courtship ends.

Be prepared to lighten others' sadness as well as their calamities.

Women are strangest when incapable of the armor of their weakness.

Some candidates get there with both feet and others put both feet in it.

When the members of a standing committee meet they usually sit down.

Ability to talk fiction is not necessarily acquired through novel reading.

Hunger might be defined as a necessary evil for the promotion of exercise.

We believe we'd rather a man would say "No" outright than be lukewarm.

No woman is really as handsome as she thinks that some man thinks she is.

The invalid realizes that he is on the high road to recovery when he sees the doctor's bill.

Perhaps doctors do not prescribe for themselves because they cannot afford themselves a bill.

About New Jersey

Hulett, New Jersey,
Aug. 23, 1926.

Editor Times:

Permit me a bit of space while I tell you about the old state of New Jersey, its people, its ways and a part of its every day troubles.

New Jersey, as a state is simply wonderful, it is what can rightly be called the garden spot of the East with its beautiful farms and homes. The country is slightly rolling with fine soil, timber now and then. The heavy soil so called is very productive and will produce the best of corn and winter wheat, besides all lines of truck farm products, such as sweet potatoes, beans, peas, beets, cabbage, onions, potatoes and tomatoes mostly. On every farm—there is a beautiful orchard, including apples, pear, peaches, grapes and plums, etc., and one would feel inclined to call it a little paradise when you pass from the country here when the golden harvest is on. But the farmer here as well as elsewhere have their troubles. The man's farm in New Jersey without the liberal use of commercial fertilizer which on an average sells for $42 a ton. It costs one hundred dollars in fertilizer and seed potatoes to plant one acre of ground, with spraying, digging and hauling not yet to be added. The average yield per acre runs from 100 to 250 baskets and the price ranges from 50c to $1.50 a basket, and some times they are left in the ground to rot, not being worth the price of picking.

Tomatoes were selling a couple of weeks ago for around 25c a bushel, thousands of bushels were left on the ground last fall. Peaches are selling for 50c to $1 a bushel now and pears will be about the same, not much in demand. Potatoes and tomatoes are the only depending crops raised here.

When it comes to land taxes New Jersey takes almost a world record. On an average well built up farm of 100 acres or so the farmer is called upon to pay across with the rough little sum of around $600 a year in taxes. The farmers in New Jersey are helpless. Taxes and fertilizer bills are getting them fast. In this county alone, one of the best in the state, it is said there are 167 idle farms there. The only farmers with their head above the water is the man with a well established dairy or milk farm. The rest are drifting with the tide trying to grasp the straws along the way.

As far as the people themselves are concerned we find that they haven't got anything on the people of the west. We find both good and bad and even outlaws among them. Night prowlers and chicken thieves are quite common. Bootleggers and bootlegging is playing its part here as elsewhere. Auto thefts and auto accidents and drunken drivers is something awful. Life after life is daily sacrificed along the highways.

The people here are not like the people in the west. They are more to themselves and to themselves. They are still clinging to their old ways of doing things with their old fashioned tools and implements, and simply adding unnecessary hardship to the toils of the day. They are not, however, similar to the old fashioned Christian people of our forefathers of being satisfied feeling content as a whole, only about one-third of the older generation and but a small part of the younger folks attend church in this locality. Sunday school attendance is good by the smaller ones.

In reform work the country seems to be dead. In politics the country is rotten to the core. All reform work and purification in politics will have to take its start from out in the west where people can and will think for themselves and for others and the world as a whole.

There seems to be dead to all but the "line of the almighty dollar" and as a matter of fact for the betterment of its people morally, socially or civilly or otherwise, there is absolutely no hope. They cannot and will themselves know. They cannot be born again.

W. A. Swanson.

Wisteau Replies to Quist

I note that my correction of certain misstatements, that appeared in an article by W. H. Quist in a recent issue of The Times, has stirred that gentleman to a great deal of verbosity, and also that he persists in his misstatements, except in one case, for which he blames the printers.

As to election figures, I simply submitted the correct ones, instead of the garbled ones submitted by Mr. Quist in his effort to belittle Mr. Selvig's victory at the primary.

What has thrown the panic into the heart of Mr. Quist is the fact that 357,000 voters in the recent primary, in this district, called for Republican ballots, while only 20,000 voters called for the Farmer-Labor ballots.

It is not particularly important whether or not Mr. Selvig has spoken for any candidate or party in previous campaigns. Mr. Quist says he has, I said he hasn't, and Mr. Selvig has confirmed to me that statement. If Mr. Quist can name the time and place where Selvig made "stump speeches" it seems to me it is up to him to do so, instead of merely repeating his bunk.

Mr. Quist says:

"Has Mr. Wisteau forgotten when Selvig was a candidate against Halvor Steenerson at the primary?"

To this I can say that I have never been guilty of it. It is some more of the failings Mr. Quist has imagined. He can easily find out that it isn't so by inquiring at the county auditor's office, in any county in the district. What he probably refers to was that some of Selvig's friends tried to get the endorsement of the district convention for him in 1922, but he was not personally active nor was he present in the primary.

I note that Mr. Quist freely admits that Mr. Wefald favors the Norris-McNary bill in preference to the McNary-Haugen bill, and that he is proud of it. That was the reason Mr. Haugen came into the district two years ago and campaigned against Wefald. He hoped to secure the election of a congressman from this district that would be of some help to him in securing real assistance for the farmers, instead of one that is wrapped up in a "scheme of public ownership" like they have in Russia.

Mr. Quist argues that the President should have recommended legislation to cure the agricultural depression. Personally I would have liked to see that, but maybe he did not know. (Prepared and inserted in his own behalf and to be paid for at the regular advertising rates by N. J. Anderson, Thief River Falls.)

What he should have done is not what he should do now. His election as head of the nation does not turn him into a superman who can solve any question, no matter how complicated, with just a few words. At any rate we have over four hundred men in Congress who are paid a salary each to do just that—no makings, while the President is paid his salary for getting the laws into effect. And if he were to make a recommendation, no matter what it was, the same would be cheerfully received by Mr. Wefald and his little bunch of extreme radicals.

Mr. Quist says the Minneapolis Journal has said that Selvig will work in harmony with the president, and complains because I did not deny it. I have noticed no such statement in the Journal but I would venture the prediction that Selvig will attend to the work that he is elected to do in Congress, if he is chosen, and will leave the President to run his job the best he knows how. At any rate it is quite sure that he will not call the President "Cal," and other names, like Wefald has, or spend his time in thinking up sarcastic things to say about the administration.

GOODRIDGE

School Opens

Beautiful weather ushered in the opening of school Tuesday. The attendance for the first day was only fair as many of the students are needed at home to help with the autumn fall work. Parents are urged not to keep their children out of school any longer than necessary. Old faces have made way for new ones. The few empty seats left by last year's graduating class have more than been filled by twelve eighth graders. Freshmen. Ten youngsters were enrolled in the primary grade. We hope that the ranks of all the grades will be filled soon. All students who are planning on entering the Goodridge public school should enroll immediately so that necessary arrangements can be made to take care of them when they come in.

The September meeting of the clothing project will be held on Thursday, Sept. 23, from 10 a. m. to 4 p. m. Miss Lois Reid will again be in charge and as the lesson is very important, she urges all the leaders to be present.

The second meeting of the sewing unit met Friday, Sept. 3, at the schoolhouse. The meeting was opened by Mrs. H. Dahl, who presided as chairman in Mrs. A. B. Joseph's absence, by the reading of a poem entitled "Mother's Hands." Chorley read the secretary's report, and lunch was served at 4 o'clock by Mrs. Mercedes Kirkilie and Mrs. Ethel Kirkilie. The work consisted chiefly of fitting patterns, and selecting wash materials, colors, and line. The next meeting will be held on Saturday, Sept. 25, from 1 to 6 p. m.

Mrs. Joe Jangaess entertained Wednesday afternoon in honor of Miss Vivian Thoreson, who is to leave for Northfield. The afternoon was spent in eating fancy work, and at 5 o'clock a dainty lunch was served.

Chorley read the secretary's report, and lunch was served at 4 o'clock by Mrs. Mercedes Kirkilie and Mrs. Ethel Kirkilie. The work consisted chiefly of fitting patterns, and selecting wash materials, colors, and line. The next meeting will be held on Saturday, Sept. 25, from 1 to 6 p. m.

Mrs. Joe Jangaess entertained Wednesday afternoon. Mrs. J. McKnight,

Quist on State Farm-Labor Committee; Pennington Co. Group Ready for Campaign

W. H. Quist of this city, chairman of the Pennington County Farmer-Labor association, has received notification of his appointment as a member of the Farmer-Labor state advisory committee of 100 members from each of the 87 counties of the state and 13 at large. William A. Anderson of Minneapolis is chairman of the state committee and Henry G. Teigen of Minneapolis is secretary. Wm. E. McKeen of Duluth is campaign manager. The Ninth congressional district chairman is Erling W. Oliven of Hallock, succeeding Thomas Vollom of Kraft, who is a candidate for railroad and warehouse commissioner.

A meeting of the Pennington county district leaders was held in the office of Attorney O. A. Naplin here Saturday, at which various election campaign matters were determined. It was decided not to take up the usual money collection in Farmer-Labor rallies in the county this fall, campaign funds to be raised thru subscriptions.

The state advisory committee met in St. Paul yesterday. Mr. Quist was unable to attend.

"UNLOAD" IS ORDER

After a month of weighing vehicles and warning those who have overloads than allowed by law, the state highway department now gives notice that hereafter those who are found driving loads above the limit will be given the usual warning, but if found and there or having a warrant sworn out against them, "the book will be thrown" was first put on the highways by the state department, a considerable number of drivers, mostly trucks, were violating the law. Some weighed more than the 28,000 pounds limit fixed for the entire load, and others exceeded the 600 per inch width of tire upon any wheel" permitted by law.

RURAL TEACHERS HIRED

District No. 10 in Hickory township reports the hiring of Mrs. Melvin Gordon of Warren as teacher for the coming year according to Miss Inez Sorlien, county superintendent. Miss Inez Sorlien of Thief River Falls will teach in district No. 31, Kratka; Miss Ellen Hendrickson of Mt. Hillsboro will teach in No. 37, Goodridge; Miss Bernice Erickson of Thief River Falls will teach in No. 4, Thief River Falls; Miss Sally Ringseth having resigned; Miss Bertha Hastad of Thief River Falls will teach in No. 99, Wylie. This reports the hiring of Mrs. Mabel Bruns, 26, 65, 68, and 227 to be heard from, viver.

Why Four Years' Study For Osteopathic Physicians?

The osteopathic physician must have had four years' study in a college of osteopathy, before he can go into practice. There are good reasons for this.

The osteopathic physician needs to know every part of the body. He must know how every part is made. He must know what each organ has to do, and how this work is done.

The osteopathic physician must study every bone, every nerve, every muscle, every artery and vein and lymph channel. He must know how to proceed to overcome disease. In school, before graduation, he must have practiced in clinics with doctors to tell him and show him how, until he can do the work himself.

All this takes four years; but the man or woman who has done this is capable and competent.

When you think of osteopathy, remember it is successful because its physicians are carefully trained.

William Youke Buys Fine Farm in River Falls Town

The following from the St. Hilaire Spectator will interest Times readers: "One of the largest real estate deals made in this section for some time was consummated last week thru the Farmers Land Bank of this village when William Youke purchased from the Peter Johnson estate that portion of the 1st real estate holdings known as the "home place" in River Falls township. The deal includes all remaining land owned by the estate with exception of an eighty along the Angus-Evenson place, and the eighty along the new state road where Mr. and Mrs. Johnson resided after turning over the big farm to members of the family.

"The farm purchased by Mr. Youke borders on the Red Lake River, has an elaborate set of buildings, a ten acre orchard the equal of which can not be found in this part of the state, and some of the best land to be found in this country. Otis Johnson has filled the place this year, but he will not manage a farm in Mr. Youke's line near future and will move onto his own farm a mile east where he erected a set of new buildings recently.

"Mr. Youke and family have engaged extensively in dairying and sheep raising for many years, and will continue the same on the new farm which is admirably suited for that purpose."

ELECTED PRESIDENT

Edgar R. Bloom, a vice president of the American Telephone and Telegraph company and a director of the Northwestern Bell Telephone company, was elected president of the Western Electric company. He succeeds Walter S. Dudley, who continues with the Western Electric company as chairman of the board of directors.

Mr. Bloom is graduate of the engineering department of the University of Pennsylvania where he also took the graduate course. Starting in the engineering department of the New York Telephone Company, he has had a wide experience in engineering, construction, commercial and executive capacities with several of the Associated companies of the Bell System, before becoming a vice president of the American Telephone and Telegraph company, a position which he now resigns, he was chairman of the board of directors of the Indiana Bell and Ohio Bell telephone companies and vice president of the Illinois Bell Telephone company.

TO STOCK LAKE

A consignment of fish has been received by the Crookston chapter of the Izaak Walton League from the state department of commerce, bureau of fisheries, for restocking Union lake. With the shipment was a consignment of black bass fry for the Red Lake chapter.

Interesting Information in Annual School Bulletin

The sixth annual bulletin of the Thief River Falls public schools, distributed to patrons last week, gives interesting figures for comparison.

The enrollment for the 1925-26 term totaled 1584 pupils, as compared with 1496 the previous year. The decrease is made up by the 108 pupils enrolled in St. Bernard's Catholic parochial school, which would make the total enrollment in the schools of the city practically the same for the two years. Last year's enrollment included 220 in the grades and 434 in high school, the figures for 1924-25 being 1042 in the grades and 451 in high school.

The average salary of the 50 employees of the district last year is given as $1230.47, as compared with the average of $1071.50 for 47 employees the year before. Fifty, instead of 53 teachers were employed last year, while there was one more other employee.

The pupil costs, based on the number enrolled to apportionment, are given as follows: $64.46 per pupil in the grades, $91.75 in high school, and $156.56 in the teacher training department. The corresponding figures for 1924-25 are: Grades, $62.77; high school, $92.23; teacher training, $139.90. Teacher's salaries in the teacher training department are paid in full by the state.

Approximately 50 per cent of the children in the grades of the schools were borne by the state last year, the figure being 49.8 per cent. The district received $19,092.20 in state aid and apportionment.

In explaining the financial policy of the school board, the bulletin says: "The board believes it is following a far-sighted financial policy. In the interest of the boys and girls and of the patrons of our school district, it is endeavoring to provide the best possible education facilities at the least possible cost. It is not running behind into debt. On the contrary, it is operating the schools on a strictly cash basis and in addition is reducing the district's indebtedness. The school year just ended, for example, in addition to paying all current expenses and interest on outstanding bonds, it increased the sinking fund balance $10,131.94 and put $12,929.60 into the sinking fund."

Monday, September 20, is the last day for entrance to the first grade for the school year according to the bulletin. To enter the first grade on Monday the day of school the child must be six years on or before December 1, and to enter on the first day of the second semester, January 21, the child must be six on or before April 15, 1927.

The schools will be closed Thursday and Friday, September 7 and 8, all teachers being required to attend the Northwestern Minnesota Education association convention in Crookston. Nov. 25 and 26 and the schools close for Christmas vacation on December 23, re-opening on January 6. Easter vacation is scheduled from April 8 to 18, with graduation on June 3rd.

H. A. BRUMUND'S NEPHEW HERE FROM GERMANY—LIKES U. S. A.

Heinrich Brumund, 22-year-old nephew of H. A. Brumund, arrived here Tuesday from his home in northern Germany, making the trip in about ten days. He will make his home with his uncle and will be employed in the store with his uncle, during which time he will familiarize himself with the American language and customs, planning eventually to become an American citizen. According to Manager Brumund, young Heinrich is not the place to make money, taxes being comparatively high.

HOLSTEIN MAKES RECORD

New localities have been added to the already long list of record milk and butterfat producing Holstein-Friesian cows by C. L. Spaulding of Warren, when Queen Bonita Segis Pietertje Hengerveld, world's record holder who was sold at a big cooperative sale in Wisconsin in April, made more than 1,000 pounds of butter for the second consecutive year, according to a letter from Hering, herdsman. During the past 365 days she produced 4765 pounds of sweet milk containing 1,005 pounds of butterfat. During the previous year she produced 1265 pounds of butterfat, which gave a total of 2,270 pounds of butter for the two years, breaking the two year record by about 150 pounds.

GENTILLY ROAD GRAVELED

There are now two all-graveled highways between Red Lake Falls and Crookston, with the completion and graveling of the county road between Gentilly and Crookston. Graveling of the Red Lake Falls-Gentilly stretch was completed three years ago, and Gentilly route shortens the distance between the two cities and with the gravel is packed will probably be the favorite road to that city, as it will afford a pleasant, mostly level drive, avoid the heavy traffic of trunk highway No. 2.

A. C. Building Contract Let

Contract for a health service building at the Northwest School, Crookston, has been let by A. C. Wilhelm firm, the lowest bidder. Construction will be rushed, according to officials at the school. Vacating the health service quarters, which are at present located in the boys' dormitory when the new building is completed, will provide rooms for twenty additional students, Superintendent Selvig announced. Only ten additional students could be accommodated at the school on account of the registrar room, in order to care for the greatly increased enrollment, private rooms will be secured in Crookston and a regular bus service to and from the school will be maintained. All previous enrollment records have already been broken, Mr. Selvig says.

PIONEER PASSES

Funeral services were held Wednesday, Sept. 1, for T. O. Peterson, early Marshall county pioneer, who died August 30 at his home in Viking township at the ripe old age of 83 years and 5 months. He is survived by his wife and son, August, of Viking and a daughter in Sweden.

Seed Corn Selection Time is Here Again

Seed corn selection time is place at hand again. Last spring's scarcity, which of course made prices high, emphasizes the importance of selecting and curing an ample supply of high grade seed for planting in 1927.

A. C. Arny, who is in charge of farm crops at University Farm, says, for farmers of the southern, central and northern sections of the state generally speaking the following rules recommended by the Agricultural Experiment Station for their sections. These varieties have been under test for the past three years and have shown ability to produce high yields of mature corn.

If corn always matured early the selection of seed corn would be a comparatively simple matter. But if the maturity of the corn is delayed, it sometimes becomes necessary to select seed ears in the shock rate, or even earlier, in order to get them under cover before killing frosts. Such emergencies seed corn may be selected as early as the roasting ear stage with good results, provided it is properly cured," says Mr. Arny. "If frosts do not damage the corn, but they do give notice that the seed ears should be gathered promptly before more severe frosts cause serious injury."

Now is Time to Select Beet Land, Says Bulletin

A bulletin of advice sent out to beet sugar growers by the American Crystal Sugar company of Grand Forks includes information on the kind of soil to select, the method of plowing, the proper depth of plowing, as well as methods of summer following and the cultivation of weeds.

Land which was in sweet clover or alfalfa the year before is the best to select for the best sugar field, the bulletin points out, and if it is not in grain land. Growers are warned to select land which the year before produced a sweet clover or alfalfa crop that was cured well, as will oats, or pigeon grass. "Patty land" is to be avoided, the bulletin states.

NO COPIES OR RECEIPTS

Beginning Saturday the Western Union office asks that paper or receipts of telegrams and get receipts for delivered messages. The service will go into effect on the part of the company in two-fold. First of all it will hasten the reception of messages because the operator will no longer have to wake time changing the carbons and second it will allow the delivery boys to get out of the office more quickly with the message and return for another one without delay because he will no longer have to take time to get the receipt at the office and wait at the receiver's place to have it signed.

MIDDLE RIVER CLUB WINNERS

Pennington Co. Farm Bureau members will be interested in the results of the calf club contest in the Middle River club, which last year was the pioneer Guernsey breeder of Clearwater county, has been elected president of the Minnesota Guernsey breeders association, succeeding Ole Sorenson of Fergus Falls. Other officers elected are: Lawrence Chatfield, president; Arthur Mitchell, Mankato, first vice president; Ole Sorenson, Fergus Falls, second vice president; Chris Heen, Cloquet, secretary, and J. M. Jack, Northfield, treasurer.

Prodigal Son's Return Strong Scene on Screen

One of the most powerful dramatic effects ever staged in motion pictures was filmed recently during the making of the scenes showing the return of the prodigal son to his father's house, in the production, inspired by the famous Biblical story, "The Prodigal Son."

The scene, which is a feature of "The Wanderer," a Paramount picture screened by Paramount, brought tears in the eyes of the onlookers. It is said, through the sheer force of its simplicity. It will be shown here today, Friday, and Saturday.

William Collier, Jr., who plays the title role, enters the old homestead, and crawled up the steps of his father's home ill and weak from starvation following the destruction of the lillial city by the wrath of Tamerlane.

The scene was a startling contrast to that showing the boy's departure several months before. The boy, self-emaciated and his fine clothing in tatters, crawled into the door by his mother and helped into the house. There, on his bowed knee, he begged the forgiveness of the family.

"The return of the prodigal son," says his works of classic fiction, "City with Ernest Torrence and Greta Nissen, brought clearly to mind the exact significance of Christ's words when he told the parable to the Publicans and Sinners.

"I have read the story of the prodigal son many times, but never as a man who viewed the scene, 'but never as before have I realized the real dramatic force of this particular incident in Christ's teachings. Walsh has found true inspiration in the parable."

MAGNUS WEFALD SPEAKS

Magnus Wefald, oldest son and private secretary of Congressman Knud Wefald, spoke at the Sons of Norway picnic at Highlandie on Sunday evening to a full house. The speaker is a pioneer of Clearwater county, and took part for several years president of the Minnesota Guernsey breeders association, succeeding Ole Sorenson of Fergus Falls. Other officers elected are: Lawrence Chatfield, president; Arthur Mitchell, Mankato, first vice president; Ole Sorenson, Fergus Falls, second vice president; Chris Heen, Cloquet, secretary, and J. M. Jack, Northfield, treasurer.

"I have read the story of the prodigal son many times, but never as a man who viewed the scene, 'but never as before have I realized the real dramatic force of this particular incident in Christ's teachings. Walsh has found true inspiration in the parable."

ARTERIAL HIGHWAYS

Trunk Highway No. 2 has been designated as an arterial highway from the Minnesota city limits to the junction with No. 27 in the city of St. Cloud, according to announcement by C. M. Babcock, commissioner of highways. Trunk Highway No. 2 from the Minneapolis city limits through Excelsior has also been designated as an arterial highway. This is the first designation of any state trunk highway as a through road by the highway department, but it is expected that several other will before long be similarly designated. The state will put up the necessary markers and it is expected that they will be in place before the end of this week. The authorities of all the cities and villages along the routes designated have given assurance that they will co-operate and enforce the law requiring all vehicles to stop before entering the through roads.

LET GRAVELING JOBS

Keen competition between contractors brought favorable prices on the 32 trunk highway projects on which bids were opened by Commissioner C. M. Babcock last week. Included in the list of projects and low bidders are the following, which are of special interest to the people of Thief River Falls and vicinity: T. H. No. 6, Warren to Duluth, graveling 14.6 miles to Moritz Construction company, Morris, at $20,341; T. H. No. 8, Cass Lake to Ball Club, graveling 23.5 miles, to S. J. Reuler, Minneapolis, at $25,264. Work on most of the projects will be started this month and a majority of them are slated for completion this fall.

NEW CO-OP. STUDIES

Co-operative marketing has made such progress in Minnesota that two case studies on co-operative organization have recently been launched by the federal bureau of agricultural economics and the Minnesota Agricultural College.

Health, good looks and money are the most sought after things and no human to sacrifice either or both of the first named for the last.

Another one of life's inconsistencies is that a baseball player works when it is too hot to work and loafs when it is too cold to work.

THIS WANT AD PAID!

Few want ads ever brought better results than one run in the Mitchell (S. D.) Republican by Chris Streiber recently. He spent $5 cents and advertised for five inches of rain. And then it rained for 17 hours and the radio announcer said it was worth a million dollars an hour to the state. Seventeen million dollars! Not so bad for 25 cents, what?

MINNESOTA HISTORICAL SOCIETY

Volume 16, Thief River Falls, Pennington County, Minnesota, Thursday, Sept. 16, 1926 Number 33

MINNESOTA DAIRYMEN TO MEET IN T. R. FALLS JANUARY 18-20; JOINT MEET WITH VALLEY UNIT

State Association Officers Accept Invitation at Conference Thursday

R. R. VALLEY LEADERS TO DECIDE NEXT WEEK

Convention Will Bring Dairymen From all Parts of State to City

Thief River Falls will entertain another state convention in 1927!

At a meeting of directors of the Minnesota State Dairymen's association held at the State Fair grounds last Thursday the invitation to come to this city for the organization's fifth annual convention was accepted. The invitation was extended in person by C. M. Day, secretary of the Commercial club, and telegrams were sent by the city of Thief River Falls, the Campbell-Mathis post of the legion and the local co-operative creamery association. Both Mr. Day and Mr. Ellefson were present at the meeting.

The dates for the convention are January 18, 19, and 20, 1927.

It is also practically certain that the Red River Valley Dairymen's association will meet here at the same time as the state organization. President Stuart McLeod of Goodridge told the Times that he was in conference with Officers of the valley unit yesterday and that a meeting will be held in sweet Crookston next week to decide definitely. Mr. McLeod, as Knutson of Pelican Rapids, vice president, and Leonard Brooks of Halstad, secretary, met with officers of the state association during the State Fair last week, and expressed themselves in favor of a joint meeting.

The other officers of the valley association are Marion Hoff of Crookston, treasurer, and Ole Sorenson of Fergus Falls, director.

The convention is usually attended by from 600 to 800 dairymen and creamery operators from all parts of the state. The largest hotel is being secured to attract an unusually large number here to take the convention.

The convention programs are announced to be associations and state addresses on practically every phase of dairying by experts in the various lines.

Features for two evenings will be announced by a local committee.

"We are glad to meet in Thief River Falls again," declared Ole Sorenson, Guernsey breeder of Clearwater county, who has been elected president of the Minnesota Guernsey breeders association, succeeding Ole Sorenson of Fergus Falls. Other officers elected are: Lawrence Chatfield, president; Arthur Mitchell, Mankato, first vice president; Ole Sorenson, Fergus Falls, second vice president; Chris Heen, Cloquet, secretary, and J. M. Jack, Northfield, treasurer.

HAS PRIZE RHUBARD

Fire Chief Paul Medderich claims he has "put it all over the rest of 'em, in his ability to raise prize rhubarb, and should anyone dare to doubt his statement, he is routed, completely, cause Paul has the actual proof—giant stalks of the luscious plant, stalks that weighing as much as 2¼ pounds, and, according to Paul himself, each stalk capable of making one pie.

DUCK HUNTERS UP AT SUNRISE TODAY

Small Game Season Opens This Morning—Small Number Take out Licenses

The city is practically deserted by the hunters today, the season opening at the usual game season. The crack of shotguns around the woods started yesterday, the ambitious minute being anxious to go on hand at sunrise this morning. Many are hunting at Thief Lake, where it is said that ducks are plentiful. Others are popular duck ponds in this part of the state, but the bulk of the hunting from other sections also invading this territory.

Usually about 500 small game licenses are sold annually in Pennington county, but so far only 150 have been issued by Auditor T. F. Anderson.

The Minnesota laws call for a closed season on prairie chickens, ruffed grouse or partridges, with an open season on ducks and geese from Sept. 16 to Dec. 31. The bag limit on ducks is set at 12 in one day and 120 for the season.

3 Girls Complete Nurses' Training at Physicians

Bernice Moen of Thief River Falls, Hildegard Kitsrow of Wylie, and Leona Sullivan of Grand Forks Monday completed the nurses' training course at the Physicians hospital here. Miss Moen has accepted a position in the Oakland Park sanatorium. Alice Swanson of Crookston, a graduate of the month, according to Miss Adele Kuehn, superintendent of nurses. Miss Rupprecht and Stella Truman, residing north of this city, started their training last January. Miss Moen, whose home is also near this city, entered the training school in September of 1924. Miss Kitsrow is a daughter of Mr. and Mrs. Ole Kitsrow of Plummer.

Princess Pat Band May Give Concert in T. R. F.

Negotiations are being made for a concert in the auditorium the first part of November by the Princess Patricia's Canadian Infantry band from Winnipeg, who may come here under the auspices of the Canadians are on a ten weeks' tour of the United States and are now entertaining in Minneapolis everywhere. The band, which has local ties here over the radio, consists of 35 musicians, all World War vets with the following: Miss Kathryn Bizzell, Winnipeg soprano, and Gladys Graham, Scotch dancer, appear as features on the program of classical and popular music.

J. C. Holte to Grand Forks; With Gamble-Robinson Co.

J. C. Holte, for the past five years bookkeeper with the Larson-Furniture company of this city, this week severed his connections and is moving to Grand Forks, to be employed in the office of the Independent Fruit company, a Gamble-Robinson concern. Mr. Holte has had experience in the wholesale business, having been employed for a local house and in Grand Forks, prior to his position with the Larson company. His wife and family expect to leave today, and will make their home in Grand Forks, although the Independent company is located in East Grand Forks.

Fireman Olson of Hoffman arrived Tuesday evening to take over Mr. Holte's duties with the Larson Furniture company.

Co-op Ships 65 Cars Hay—8th Poultry Car Wednesday

Sixty-five carloads of hay, wild and tame, have been shipped from this city locality thru the Thief River Farmers' Co-operative association, reported by Manager H. O. Norby. Delay has been caused by farmers delivering their product ponds in this part of the state, but the bulk of the hay will be shipped in the next few days.

The eighth carload of poultry was shipped Wednesday by the co-operative, with a total of 4,563 in 1925.

It is encouraging to note a larger number of sheep this year than last, the records showing 1,447 last year and 7196 now. The number will be greatly increased, it is hoped, as a result of the sheep campaign conducted by the First National bank of this city in co-operation with the Agricultural Credit Corporation.

The co-operative also shows an appreciable gain, the number given in the records being 1774, as compared with 1522 in 1925.

WINNIPEG KIDDIES HERE NEXT TUESDAY

Popular Juvenile Troupe of 15 Entertainers Coming Under Legion Auspices

This community will again be given a treat in entertainment when the original Winnipeg Kiddies appear in a return engagement at the city auditorium Tuesday evening, September 21, under auspices of the local American Legion post. The troupe appeared here in an excellent performance last October and will present an entirely new program of 20 kiddie specialties.

During the comparatively few years that the organization has been in existence it has grown into a veritable army of its members into the ranks of Uncle Sam's territories. They have departed from the kiddies conception and into the Broadway productions and vaudeville, the latter, according to critics alike. There are 15 talented youngsters in the troupe which is termed the juvenile Ziegfeld Follies.

Chas. Eicher is chairman of the Legion committee in charge of arrangements, and the Thief River Falls band is committee of the Auditorium in charge of the sale of tickets. Reserved seats may be secured at Sumbers' drug store beginning Friday. A. C. Haynes of the Winnipeg was here last week to make arrangements for the presentation, which will start promptly at 8 o'clock. Rev. E. H. Pollock of Grafton, a classmate of Rev. Lorens, will preach next Sunday. Rev. J. J. Hilliard on Crookston, Rev. F. W. Heuser of Red Lake Falls and Rev. C. W. Wilcox of Hallock also taking part.

Following the services, there will be a reception to the newly installed pastor and to the teachers of the public schools of Thief River Falls, which will be held in the church parlors. All friends of the church are most cordially invited to attend.

—CANCELS MEETING HERE—

United States Senator Henrik Shipstead will be unable to come to Thief River Falls to address a political meeting September 23 as announced in last week's Times, a letter cancelling the date being received Friday by W. H. Quist, Pennington County Farmer-Labor chairman. The senator stated that he will spend here at home. Some in October, the exact date to be announced later. Senator Shipstead is scheduled to address a Leif Ericksen celebration at Minot on September 24.

August Holmberg, local painter and decorator, assisted by Phillip Smith, Monday began work on his contract for painting and repairing the auditorium.

ASSESSMENTS SHOW FEWER CATTLE HERE

Abstract Reveals Drop in Number of Cows, But Gain in Sheep and Hog Population

While creamery reports and opinions of dairy leaders of the community will have it that dairying has progressed in Pennington county during the past year, the records of the number of cattle listed in the assessment books for 1926 in the county auditor's office indicate different.

The records show that in 1925 there were 14,583 head of cattle in the county while this year there were recently returned show a total of 14,434 head, making a slight decrease. The number of pure bred cattle of all ages dropped from 618 last year to 502 in 1926, the number of pure bred cows showing an increase from 178 to 189 and the number of sires decreasing from 100 in 1925 to 93, the records reveal. The number of grade cattle decreased in like proportion, as in 1925 there were 14,117 head listed and this year 13,922. These figures indicate a creditable improvement. The Pennington South Side Axarite, a publication which a grateful people ought to give willingly and unstintedly.

In a communication dated August 5, 1926, President Coolidge in behalf of the annual Forget-Me-Not observance in the United States, writes: "It is especially deserving of the most sympathetic attitude on the part of the public. Especially is it so deserving in every possible way to those who have given of their best when the war still endured. Yet, unfortunately, there remains the problem in which outside agencies may be of vital assistance. The Disabled American Veterans of the World War is one of the efficacious auxiliaries of this task."

Governor Christianson has added his name to the list of those in the state government in doing much for allevitation of the sufferings of disabled veterans and their aftermath. Yet there are of necessity associated, unselfish, unsung, unpaid workers in a great assistance and need to be found. The Disabled American Veterans is one of the most helpful. The association consists of exhibitors from all parts of the country, many of whom have worked on county booths for a number of years. Mrs. Erickson was in charge of decorating the booth, a task she performs sitting on a chair. Randy Mountain has barrics picked at Red Lake, and contributed much to the excellent display made. While in St. Paul she visited her father, Secretary of State Julius A. Schmahl, and her sister, Mrs. Leslie Pressentine.

Other prominent Pennington county exhibitors were: Adolph Koochiching, St. Louis, Norman, Becker, Crow Wing, Kittson, Polk, Clearwater and Pennington. Reeves took high honors for beauty in this section, Beauty of the Pennington county exhibit was the largest grain ever, serving 75,648, Steele, Mahnomen, Marshall, Polk and Benton counties scored below Pennington, now as follows: Polk, 74,112; Steele, Mahnomen, Marshall

SOCIAL ITEMS

Radio Gives Much Publicity

The praising writeup about the recital of Mrs. Thelma Ingim Erickson, pupil of Glenn Dillard Gunn, in Chicago August 4, which appeared in The Music News, Chicago, has also been printed in other leading musical magazines of the country. It has appeared in recent issues of the Musical American of New York; the Musical Leader of Chicago, and the Musical Courier. The latter paper has likewise received much compensation from prominent critics following the recital which came at the close of a six-weeks course in the Gunn school.

Attend Reunion

Mr. and Mrs. William Norstad and children were guests Sunday of last week at the James Berne home in Crookston, the occasion being a Fletcher and family of Grand Forks, and Mrs. Edgar Sharpe of Moorhead. The ladies were all girlhood chums at Mandalay Springs. Mr. Pool, said the reunion is an annual affair with them. Next summer they will meet at the home of Mr. and Mrs. E. E. Sharpe at Fair Hills.

Entertains at Dinner

Surprise Party

A group of ladies pleasantly surprised Mrs. Peter Bergum at her home at 701 Tinglolph Ave. S., Friday evening. The hours were spent informally, and a delicious luncheon was enjoyed at 11:00 o'clock. Mrs. Bergum was presented with a set of dishes from her friends participating included Mesdames H. J. Corneliussen, Alexander, Heimer Hanson, J. Stalafa, T. M. Bellis, C. H. Lake, Ben Bergum, Louis Borgen, H. Bergstrom, Sig Wold, Lawrence Johnston building Fri. and Misses Esther Brown, Florence and Stella Borgen.

Honoring Guest

Mrs. Carl Swanson entertained Mrs. Ca.wa is visiting here at the home of his daughter, Mrs. C. H. Jung, Mrs. H. J. Rustad entertained a number of friends at a delightful dinner at her home Thursday evening. Covers were laid for twelve.

Girl Acquainted Party

Misses Alice Stapleton and Loretta Kopriva, supervisors of the local Girl Reserve training department are joint hostesses at a get-acquainted party Friday in the Washington building Friday afternoon, entertaining all the students of the department.

Hansen—Hansen

Miss Bertha Elizabeth Borgen, daughter of Mr. and Mrs. Louis Borgen of this city, was married Tuesday, Sept. 7, at Grand Forks, to Hjalmar Hansen of that city. Rev. Hendrickson of the Swedish Lutheran church read the service in the presence of Mr. and Mrs. George Hansen, brother and sister-in-law of the groom. The young couple came to this city to spend the week-end with the bride's parents, after which they returned to Grand Forks where they will make their home. The groom is employed there as machinist in the sugar beet factory. For the past year, the bride has been employed at Morgan's variety store, having worked for Mrs. Selma Rustebakke, and Nora Steen.

For Miss Hamry

Honoring Miss Effie Hamry, formerly of this city, who arrived some time ago from St. Augustine, Florida, where she has been employed, Miss Christine Clausen entertained several of her friends at an informal party at her home Monday evening. Other guests included Mesdames Hansine Peterson, Ben Borgen, Geo. Swanson, W. R. Patterson, Chas. Halgrim, Miss Selma Rustebakke, and Nora Steen.

Girls' Club

The Girls' Community club held their first meeting of the year Monday night with about thirty-six members and friends present. The meeting was presided over by Miss Lulu Cook, past secretary; the president, Miss Grace Crabb, vice president, Miss Edna Arens, and secretary, Miss Olive Lonson, having resigned, nominating committee composed of Misses Adele Kasun, Ruth Martin, Irma Smith and Agnes Tuesberg, will report at the next meeting, Sept. 27, at which election of officers will be held. Following the meeting, luncheon and a social hour were enjoyed.

Form N. W. Golf Ass'n

The organization of the Northwestern Golf Association, composed of clubs from north of the Twin Cities in Minnesota, northern Wisconsin, North Dakota, and Winnipeg, was completed at a meeting during the recent northwest tournament at Dunwoody. The object of the organization is to stimulate interest in inter-city golf matches, thus promoting individual acquaintance among golfers from other clubs. F. E. Lyons of Bemidji is president and C. L. Hiller of Crookston is second vice president.

For T. R. F. Friends

Mrs. Harry Rickard of Middle River was hostess to a number of her Thief River Falls friends Monday, the occasion being a dinner in the afternoon, and returning in the evening. The guests enjoyed themselves at cards, Mrs. J. Collins carrying off the high score prize, and Mrs. D. F. Whitesearing low, after which a six o'clock dinner was served. Local women present included Mesdames Leonard Hanson, J. Robinson, J. A. Wennerstrom, D. F. White, Maschal Eiland, J. Collins, J. F. Kielty, E. Dahlen, Ben Erickson, Verner Nelson, Frank Hoppe, J. H. McClelland, and H. D. Mathewson.

Nirsen—Tvelaar

Miss Olga Nirsen, daughter of Mr. and Mrs. Christ Nirsen, of Halt, and Sam Tvelaar, son of Mr. and Mrs. Mons Tvelaar, Hazel, were married Sunday afternoon, Sept. 12, at the home of the groom's parents, Rev. C. L. Tallakson performing the ceremony. Miss Helen Tvelaar, sister of the groom, and Morland Strom, brother of the bride, attended the couple. Only the immediate friends and relatives of the couple were present. The newlyweds will remain at the Tvelaar home for a month, after which they will move to South Dakota, where a plank lining as yet indefinite. The bride has been employed for the past three years at the Physicians hospital, and the groom has until last spring, been a resident of Thief River Falls, the Tvelaar family moving at that time to Hazel, over which place they operate a farm.

Former Local Girl Weds

Local people will be interested to learn that Miss Stella Haleth, daughter of A. G. Haleth of this city, was married at Chico last week to Walter P. Peterson of Milwaukee, Wis., J. K. Lendel performing the ceremony. The bride is well known in this community, having received her grade and high school education in the local schools, since which time she has made her residence in Plummer. The young couple will make their home in Milwaukee where the groom is employed.

Clara Bergman Married

A wedding of local interest took place at LaCrosse, Wis., Saturday, August 28 when Miss Clara Bergman of that city became the bride of Joseph A. Dombellinger, also of LaCrosse. The bride was a high school instructor here for four years, being supervisor of the physical training department. The couple will be at home after Sept. 15 at 1229 Farnum Street, LaCrosse.

To Elect Officers

The Methodist Ladies aid will have their annual election of officers Wednesday afternoon, Sept. 22, in the church parlors. All members are requested to be present. Mrs. J. A. Waregren, president.

Bakery Y. P. S.

The Bethany Young Peoples society will be entertained at the Krist Larson home Sunday afternoon, Sept. 19, Mesdames Walter Lundeleja and Krist Larson entertaining.

Joint Birthday Party

Mrs. Alex Welch was hostess at an afternoon party at her home Saturday afternoon in celebration of the birthdays of her daughters, Evelyn and Leona. The hours were spent in various games, after which a dainty luncheon was served. Fifteen guests were present.

Entertains Friends

Miss Sannie Erickson entertained a number of her friends at her home Friday evening, the guests diverting themselves at cards. Miss Mavrettie Hilson carried off high honors, Miss Elmyra Langseth scoring low. Other guests included Misses Ida Bergum Melby, Lucille Larson, Alpha Gabrielson, Peggy Shaw, Irene Eide, Margaret Rourke, Dorothy Swedenberg, Margaret Blown, Lillian Johnston, and Mavrettie Hilson.

Birthday Party

Mrs. Oscar C. Paulson was hostess at an afternoon party at her home last Thursday in celebration of the first birthday of her little son, Robert Mark. Luncheon was served the latter part of the afternoon at a table prettily decorated for the occasion with pieces set for twelve. The guests included Mrs. S. Norby and daughter, Irene, Mrs. Peter Paulson, Mrs. F. S. Patton and daughters, Helen and Kathryn, and Mrs. D. F. White and children, Marjory Fuller, Joyce Bennes, and Elizabeth Dahlen.

For Mrs. Hendry

Gathering at the home of Mrs. S. M. Foston, Friday afternoon, a number of ladies pleasantly surprised Mrs. J. G. Hendry prior to her departure to Superior, Wis., where she will live. The hours were spent in needlework, following which a delicious luncheon was served. Those present were Mesdames Hendry, C. B. Whiting, C. L. Hiller, C. Thompson, H. Hamford, J. F. Dixon, L. Hendry, F. P. Greene, G. L. Biddick, C. H. Nelson, J. L. Hiller, C. Hiller, Chas. Alexander, W. S. J. Hewkley, W. W. Pritchard, Sr., E. C. Fowler, C. H. Knight, R. E. Looker, John Skar, Hans Langley, Jr., Fry, H. H. Gabrielson, Batchelder, J. Wasenius, J. Batchelder, S. M. Foston, J. H. McClelland, C. J. Langseth, F. C. Christianson and Laura Crandell. Mrs. Hendry was presented with a covenir spoon and a beautiful gift of table linen from her friends.

For Rev. Tuneseth

Rev. T. L. Tuneseth was the honor guest at a large gathering in the Zion church parlors last Thursday evening, when approximately 250 members of the Zion and Nereton churches, and their friends surprised him in honor of his 32nd birthday. The hours were spent in a social manner, several of the members giving informal talks, among them John Dahl who presented Rev. Tuneseth with a purse of money as a gift from his congregations.

Rebekah

Lyon Rebekah lodge No. 69 will give a program and dance Thursday evening, Sept. 23, following their regular business meeting, in celebration of their 78th anniversary. Members may bring their friends, and Oddfellows and their ladies are especially invited.

Luella Fladwed Millinery

Announces the opening of a BEAUTY PARLOR in connection with the Millinery Store with a competent operator in charge.

Phone 464 for Appointments.

For New Teachers

The new members of the Lincoln high school faculty were guests at a picnic supper at the Tuesday park Friday evening, members of last year's faculty entertaining.

Group Gathering

The annual group gathering of Union Sunday Schools east of Thief River Falls will be held Sept. 26 at the L. P. Poppenhagen farm, 8½ miles north, 2 miles east, and ½ mile north of Goodridge. Each family will bring lunch and be there promptly at 11 a. m. All possible. Basket dinners before noon and an interesting program after noon. Everyone invited.

Everyone invited who is interested in the Sunday School as an institution.

Earle S. McKnight,
Missionary.

MANAGER OF HOTEL

Those readers will be interested in knowing that J. S. Arneson, former mayor of this city and proprietor of the Trifonna, has been appointed manager of the Astoria hotel, 374 Wabasha street, St. Paul, under a group of new owners which has taken over the property. Mr. Arneson has been publicity director for the Minnesota Wheat Growers' association during the past summer, and took over the hotel management August 1.

Official Paper Pennington County

Judging from present indications there will be quite a lively fight between the Republican and Farmer-Laborites in the Ninth district this year. While the campaign has hardly gotten under way as yet, there is already considerable political interest apparent among the voters who are preparing to cast an intelligent ballot in the November election. With both parties lining up an impressive array of speakers to stump the district it would seem certain that there will be plenty of information available. However, in recent elections political meetings have been poorly attended and it is to be hoped that more interest be shown. In a government such as ours it is up to every citizen to be interested in politics. It is a civic duty. Do not leave it to the other fellow.

This city and community feels fortunate in securing the 1927 convention of the Minnesota State Dairymen's Association. It will give this locality an excellent opportunity to familiarize themselves with all sections of the state with the advantages afforded the industry here. Clean dairying will also be given much attention and inspiration by visiting leaders.

Thief River Falls will be host to a large delegation of Shriners next Monday when October 1 when the Palm-to-Pine tourists come here. The party including governors, senators, congressmen, mayors, and other dignitaries. It is safe to say that the Scandinavian will be stimulated by the invigorating northern Minnesota air at this season.

It is always a good plan to shelter the farm machinery, as it life may be doubled by proper care and housing. But it must keep the rain out and the poultry off the farm machines if they are to last the proper length of time and run easily and do the work with a shine. It simply means management to fix up the machine shed to keep out dampness and poultry.

You may be admired for sticking up for your rights, but not for carrying a chip on your shoulder.

Nature details a vacuum as where she finds a void in a human head, she fills it with words.

BUILDING STONE ARRIVES

The final shipment of trimming stone for the Trinity Lutheran church was received here by express Saturday morning and building operations have been resumed with a full force on the job. Only a few words men have been employed the last three weeks, as a result of the delay caused by the failure of the stone firm to supply materials at the specified time. It is hoped to complete the structure the first of November, with dedication on November 7.

THEO=QUALE
Candidate for
COUNTY ATTORNEY
"HIS RECORD IS GOOD"
Vote for him Nov. 2nd

POLITICAL ANNOUNCEMENT

I hereby announce myself a candidate for the office of Municipal Judge, subject to the will of the voters at the primary election to be held Tuesday, September 21, 1926.

Respectfully,
ALBERT ENGELSTAD

Enthusiasm is as good for an enterprise as capital.

Wood and Coal

Buying the early winter's supply of wood or coal at this season will return the consumer a very fine profit. When orders are placed for delivery from cars you also get the benefit of an extra charge necessary if fuel is re-handled from bins or yard.

We now have highest quality birch, tamarac and poplar wood—hard and soft coals.

Phone your orders to 221 and be sure you get one of our coal shovels with the delivery.

The Prichard Co.

To Attend National W. C. T. U. Meet in Los Angeles

Mrs. J. O. Nether, president of the local W. C. T. U., will leave next Sunday for Los Angeles, Calif., to attend the 52nd annual convention of the National Woman's Christian Temperance Union September 26 to October 2, when more than 1,500 women from all parts of the United States will gather to lay plans for the next year's campaign. Mrs. Nether was elected a delegate at large at the state convention here recently, will make the trip in company with Mrs. Ellen Crabb of Duluth, state superintendent of social morality.

Twenty-six delegates will represent Minnesota and North Dakota will be also delegates will join the "White Ribbon Special" in Kansas City. Mrs. Josephine P. Biser of St. Paul, president of the Minnesota W. C. T. U. is also is president of the state presidents, and will preside at several meetings of these leaders. Captain Richmond Pearson Hobson, Alabama, and Miss Lena Leonard Fisher, author, lecturer, and traveler, are among the speakers scheduled for the general sessions.

Mrs. Nether was a district delegate to the national convention in Columbus, Ohio, three years ago.

PublicForum

EXPLAINS SELVIG'S STAND.

I notice the letter signed "H. Tendsen" in the last issue of the Times, which I can easily recognize as an echo from Mr. Wefald's mud battery at Moorhead.

That Selvig has never supported Shipstead or Johnson is admitted. Johnson has become the national joke. Shipstead is the only candidate who wanted the farmers to sell their wheat before election two years ago, for he just knew that these awful Republicans had run the price up for effect just before election and would drop it away down as soon as the votes were counted. He simply stung his followers, with bad advice, so they ought to remember it.

The statement in the letter, that Selvig got the soldiers in eastern Marshall county to sign up for Consolidated Judicial Ditch No. 1 is absolutely untrue. This project was put before the Red Lake Drainage Board at all, but was a judicial ditch proceeding under the regular law, and Selvig had about as much to do with it as he did with the construction of the Panama canal.

Mr. Hansen says, evidently referring to the Red Lake river project: "In Pennington county the water power companies were not assessed one single penny under the Selvig plan. The cost was all placed on the farmers and the Indians."

That is a grossly misleading statement.

The Law under which the Red Lake drainage and power project is started provided a double benefit tax plan for assessing the water power. One was by direct assessment, and the other by the water rental for the additional power developed by the project. If the first plan was adopted there was no way of levying assessments against undeveloped water power, in fact no new power plants might be erected and use the increased flow of water resulting from the improved channel without saying any part of the cost. The second plan provided by the law to charge water rental on the extra power created by the improvement and it was estimated that this would produce from $10,000 to $12,000 per year to be applied in payment on the bonds and thereby reduce the finance charge. This was about a third of the total cost; but the water rental would go on for all time to come, and furnish funds for maintenance of the project. The attorney general, being asked for an opinion on the matter of assessing power, ruled that the power plants should pay the water rental in the prospective plan, replied as follows:

"You are advised that the act does not contemplate one method of assessment as to developed water power and another system as to undeveloped water power and therefore the only practical plan for assessing by which both can be assessed would be by the adoption of the rental plan as provided in Sec. 22."

That left no other choice for the Drainage Board than to adopt the rental plan.

The trouble in the Red Lake Drainage project was that the law under which it operated—Chap. 13, Special Laws of 1919—proved unworkable.

Judges Grindeland and Stanton, in their decision denying the petition for the project, described the faults of the Red Lake project at the time, anyone knows that is untrue. Among the records is a resolution by the County Board of Pennington county urging the project, and one by the City Council of Thief River Falls, and hundreds of individual letters from people owning and occupying land along the river banks.

That Mr. Selvig encouraged the organization of the Minnesota Potato Growers Association is freely admitted. While he took no direct part in the matter, it had his approval and best wishes, for which there are no apologies to offer. It failed to accomplish what was intended, mainly because Dame Nature and the farmers produced so many potatoes that year that it cost almost as much to sell them as the price they brought. Selvig wasn't the only one who wanted to see the potato organization succeed. There are letters in the files of the organization from Wefald, Mayor Johnson and Shipstead congratulating the promoters on their work and wishing the project success. Those birds were strong for it when it looked as though it would be helpful, and were just as strong against it after it failed.

Some day the Red Lake drainage and power project will be carried out along the lines of the original proposal in the old proceeding. It is the only plan that will be fair to all concerned, for it is the only one under which a considerable water power can be developed. There is power enough in the Red Lake river to furnish light and power to every city, village and farm in the state of the state, if the personal idea would be that either the state or the nation should undertake to develop the vast water power and carry it out of the rentals, and let the drainage benefits, from the land, may be, go without cost. I think the Law of 1919 was a mistake now in the wording, and that the next attempt should be along the line of remaking it entirely a power project. That would be simple, direct and fair, and would work out better in the long run.

Yours very truly,
MARTIN WIDSTEEN

Quiet Replies Again
Editor of Thief River Times:

I note that Mr. Widsten "persists in his misstatements and garbled electioneering." In my last article I gave certain figures as the official election returns, with a statement that the figures, in the Ninth Congressional district of 115160 for Selvig out of a total of 275427) were taken from the official report of the State Canvassing Board and the figures for Pennington County (186 from twenty-one county precincts for Selvig) were taken from the report of the Pennington County Canvassing Board. If Mr. Widsten thinks they are garbled he has failed to tell us what authority he has for his "correction."

Mr. Widsten insists that Selvig has never spoken for any candidate or party in previous campaigns. Perhaps he is true or not I am willing to leave that to the people. I voted in the Ninth. However, if we concede that point I fail to see that it is a valid recommendation. The voters in this day and age refuse to be directed or controlled by the leaders or the candidate having a record, for doing the things the political party have declared in favor of, and daring to say the things that will strengthen and build up the party. No, no party should think of electing a man to congress until he has proven his ability and his loyalty to their organization. This may explain why Selvig is a minority member of the Republican Party. But Mr. Selvig may hope to fool some of the Farmer-Labor people but they also insist on having candidates putting all cards on the table face up, and Congressman Wefald leaves no doubt in the minds of anyone where he stands on vital issues.

Sure, Wefald supported the Norris-Sinclair bill when it was first introduced because that would have put a stop to market speculation and would have been a real solution of the farmers' marketing problem. Later he supported the McNary-Haugen bill as a second best bill. But the administration forces in the Senate and shortly before Congress adjourned attempted to force its adoption. This bill was satisfactory to the market manipulators and would have proven an absolute detriment to agriculture. But thanks to our Farmer-Labor delegation and the Progressive-Labor Republican and Democrat, it was voted down. Thanks to Wefald—he did not hesitate to recommend legislation, but, according to Widsten, he is to be censured for failing to recommend either the Norris-Sinclair bill or the McNary-Haugen bill. Strange logic.

Wefald has taken a stand against the Administration on the question of the League of Nations and the World Court and the views of the Ninth Congressional District would like to know whether Selvig would favor the World Court or whether he would break with the President on this issue or whether he would be willing to vote against the World Court.

As to what Congressman Wefald will do when he is re-elected we do not, need to "predict," for he has several perfect demonstrations, and we can safely judge the future by the past. Using the same test on Selvig we find several things that do not look very favorably. Thanks, to brother C. B. Hanson of Holt for his letter in Dane county last week.

Mr. Widsten refers to the Political boss of Pennington County. It must be Ole, for no one who for so many years welded the scepter in this Congressional District, to be broken and then when he has found a prostrating "Dark Horse" to put him back in his accustomed position of power and influence, it must be, engaging to have someone try to "pull the bacon."

Sincerely yours,
W. H. Qabt.

MANY NEW BUILDINGS

The Middle River Record reports the building of several barns in that locality. Wm. Vakkari, prominent Polish bachelor farmer, erected a 40x60 acre farm near the village, is erecting a 34x100 foot dairy barn, the lower part being constructed of cement, gathered from the farm. Robert Gilbertson, 17 miles east is building a 36x60 foot barn and Otto Krank, three miles west of Middle River, is on the ground for a 34x48 foot barn. Anton Heidal, 17 miles east of Middle River is erecting a new 28x32 foot residence. A fine 16x32 foot granary is a farm in the city of Mr. Heidal's home. East of the village, mail carrier from the nation, Andrew Ellery, Ingebar Bernard Anderson, a 28x50 barn; Ole Nase, 24x28 barn; L. A. Anderson, 24x28 barn; Ole Eide, 24x28 barn; Gustafson, 20x24 residence; Lambert Lee, 24x72 barn. These are evidences of faith in this territory and indicate the progress that is being made.

WANT AD SOLD 4 CARS

H. A. Olson of Hallock is well satisfied with the results of his advertising in the classified columns of The Times.

In last week's issue he advertised four used cars for sale and Tuesday when he called at the Times office he ordered the ad taken out, having sold every one of the items advertised.

Others have had similar experiences.

Not all diplomats are foreign. Some grown variety are those who laugh at their friends' jokes.

Keep in Trim!

Good Elimination Is Essential to Good Health.

THE kidneys are the blood filters. If they fail to function properly there is no chance to prevent the poisons in the blood. A dull, languid feeling may develop into backache, headaches, and dizziness are symptoms of this condition. Further, evidence of disordered kidney action is often found in burning or scanty passage of secretions. Each year more and more people are learning the value of Doan's Pills, a stimulant diuretic, in this condition. Recovery is made as kidneys are given new life. Ask your neighbor!

G.O.P. CAMPAIGN TO OPEN SEPTEMBER 28

Governor to Deliver Keynote Speech in Fergus Falls—Knudsen at Meeting

The Republican state and congressional campaign for the fall election will get under way officially September 28, when every state and congressional candidate of the Minnesota ticket will be present at a meeting in the state for years.

Announcement of the definite date was made by Ludwig L. Roe of Montevideo, chairman of the state central committee, which met in the St. Paul Hotel-in St. Paul Tuesday of last week. Among the 122 representatives present at the committee meeting are Benjamin Kendler of this city, who returned last Thursday. Dr. N. M. Watson of Red Lake Falls, and P. F. Mattson of Warren, representing Pennington, Red Lake, and Marshall counties, respectively. Half of the members of the committee are stipulated were women. All state and congressional candidates, except O. J. Lerssen of Duluth congressional candidate from the 8th district spoke.

The meeting was praised by Governor Christianson as the "best preliminary meeting of the Republican party Minnesota has known in years."

Mr. Roe, who conducted Governor Christianson's primary campaign and who is president of the Thief River Falls Tribune, presided over the meeting, and stressed the need of active service by every member of the committee, and by every friend of the Republican party, declaring that election was won by the polling in November, and not that in September. He especially urged by Republicans in the seventh, eighth, and ninth districts, where Farmer-Labor candidates hold seats in Congress.

The Governor's keynote speech at Fergus Falls will form the basis for the Minnesota Republican platform this fall, it is announced, and following his address, all state and congressional Republican nominees, and by an army of able speakers of national prominence, will invade every section of the state in behalf of Minnesota Republican doctrine.

Women of Minnesota are going to play an important part in the campaign. Mrs. Stanley Fesseden, national committeewoman from Minnesota, and Mrs. Winifred Campbell, state chairwoman, outlined their plans to about 75 Republican committeewomen present and a special conference was held following the morning session. Nothing will be left undone to completely organize the women of Minnesota for the entire Republican ticket.

1916 Was Banner Year in Register of Deeds Office

The number of instruments recorded in the office of the Pennington county register of deeds during the last two years has made a circle drop—according to figures submitted by Fred D. Lorentzsen, register of deeds. The total number of deeds, mortgages, releases, liens, assignments, satisfactions, decrees, etc., filed during 1925 was 1253, as compared with 2300 the year before, 1916 and an estimated total of only 1079 for 1926.

Following are the figures for each year since organization of the county, according to Mr. Lorentzsen:

1911	2141
1912	2465
1913	2540
1914	2481
1915	2941
1916	3010
1917	2167
1918	1955
1919	2859
1920	2907
1921	2382
1922	2967
1923	1957
1924	2091
1925	1253
1926 (estimated)	1079

DETROIT CHANGES NAME

The citizens of Detroit, Minnesota, last week decided to change the name of their city to Detroit Lakes, in order to get away from confusing the popular Minnesota resort—with Detroit, Michigan. The vote was four to one in favor of the change.

Rev. Kreidt Writes About New Home in California

Rev. E. H. Kreidt, former pastor of the St. John's Lutheran church, and now in Olive, Calif., writes to E. J. Engen, cashier of the Security State bank, as follows: "We are now comfortably settled in our new home here in Olive, Calif., and like it fine. We are in reach of several cities, only an hour's ride to Los Angeles and Pasadena. All the highways are paved. I have purchased a fine Ford sedan since I came here. Last Tuesday we made the grade to Arrowhead lake, a mile climb in less than 15 miles on grades. Some road. Imagine about a dozen 'Z's' in a row. Some such stretch of road. Others have had similar experiences.

1916 Was Banner Year in Register of Deeds Office

Clubs Asked to Mark Fire Prevention Week

All club women of the state will be asked to take an active part in the observance of fire prevention week, October 3 to 9, according to Mrs. H. W. Froehlich, of this city, chairman of the division of community service of the Minnesota Federation of Women's Clubs.

"Good results in many communities can be achieved by enlisting the help of the fire department and other organizations, such as the churches and schools and commercial clubs," Mrs. Froehlich said. "Mrs. Delly Dean Burgess, Hutchinson, chairman of the division of community service of the general federation, suggests that the club women get in touch with the state fire marshal and work in conjunction with him.

"During the observance of fire prevention week, state fire marshals recommend that all commercial buildings be inspected for fire hazards, that fire drills be held, and arrangements made for a fire drill."

Fargo Zone Cities Will Meet to Discuss Rates

Calls have gone out from the Minnesota Red River Valley Development association to 11 cities in the Red River valley there to attend a meeting of the association in Detroit Lakes September 24 at 2 p. m. The purpose of the meeting is to discuss matters related to the proposed raising of freight rates in this territory, in order to avoid the possibility of organizing for the purpose of securing further information and data in regard to the above matter for distribution to cities and shippers in this section and protecting local interests at future conferences and hearings.

The Soo Line and Minneapolis & St. Louis railroads Monday opened the Northwest's fight for a six-cent reduction in the rates on grain and grain products to the East at a hearing before a member of the interstate commerce commission.

Long ago, back in early part of the 20th century, an enterprising senior class decided that they would do something for the purpose of keeping their names alive long after they had passed from the halls of Lincoln High. So they talked over the matter with pencil, mental, the school board, and "The Times," finally obtaining a half-page, more or less, for school activities. They called it "The High School Progress," as a symbol of the ever-climbing classes, and Sent. W. C. Ziegler headed the first publication of this paper.

Thus the various years it contained, under the leadership of the following: Irving Blomaraa, Milton Larsun, Ole Hella, Margaret Meigaard, Emmett Shanahan, and Basil Wheeler, this year's editor.

Now we are engaged in a great civil strife, testing whether this paper, or any other paper so conducted, can long endure." But of course it can! For this year a new crew has taken charge of the staff, ready to embark on the nineteen twenty-seven high school paper staff. And being young, hopeful, and determined, we are going to make our paper a thing of credit. This applies not only to this week's copy, for any class can put out a creditable issue, but also to each succeeding issue of the High School "Progress" published of the students, by the students, and for the students.

Lincoln has awakened from its three months' sleep and become a wide-awake monster again, breathing fire from its nostrils (enthusiasm and curiosity) and crawling steadily on its way to greatness. Of these important business apparatus being the faculty and school board. Monday, September 7th, the monster showed signs of life, stretching its feet out at times and getting out into space and proper position. It took all of Monday and another day Tuesday morning for the big fellow to actually stand up and start moving, but it is expected that since he has started moving he will go steadily and gain more faster each mile. He has to reach road number 1927-28 with a little more wordpeps and world-experience to his credit, and by his actions it seems as though he will keep right on going without any false or backward moves. His body shows a little growth during his three months of rest and the fire coming from his nose is a little bit warmer than it was last year (we have 134 Freshmen this year). There is an intelligent look in his bright eyes and there seem to reflect the purpose of these Seniors of 1927 whom he has just gobbled up. People seeing these Seniors just before the monster ate them, or before they appeared rather like martyrs, but happy men though they expected to be gobbled up by the monster—also took everything coming along that particular road between the ages of 14 and 17.

Let's help the big fellow along!

Interest

To you who really wish to enjoy your work and have a mutual understanding with your teachers, the matter of real interest will be very helpful in developing an interest in your work. Interest is the result of concentrated effort. Effort is the true genuine attitude of a learn, which is not without a personal pay or any other reward. Effort is not so dedicated, can long endure." But of course it can! For this year a new crew has taken charge of the staff, ready to embark on the nineteen twenty-seven high school paper staff. And being young, hopeful, and determined, we are going to make our paper a thing of credit. This applies not only to this week's copy, for any class can put out a creditable issue, but also to each succeeding issue of the High School "Progress" published of the students, by the students, and for the students.

Prove this, as in Geometry, by a-b-c: Ask yourself a question, such as this: "Do I ever voluntarily forget the date of a game? Do I ever forget a late enthused over?"

"Probably when my pleasures are concerned my memory power is excellent, but it is questionable as to what it have a good memory when school work enters in?"

Red color does interest increase one's memory power, but it benefits the self-confidence, Will-Power, and Concentration.

"Now," said the lawman, after he had climbed 479 flights of stairs, descended 53,871 pounds of ice, watered and fed the horses, walked ten blocks, spent an hour in the garden, mowed the lawn and romped an hour with the kids, "I'm gonna take my reducing pills."

Son: Say, Pop, did you go to Sunday school when you were a boy?

Father: Yes, I never missed a Sunday.

Son: "Well, I'll bet it won't do me any good either."

Johnny, ten years old, was applying for a job for the summer. His would-be employer wanted a serious minded youth, so put Johnny to a test.

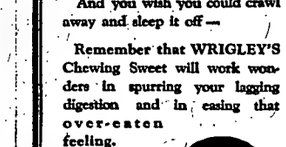
"Well my boy, what would you do with a million dollars?" he asked.

"Oh, gee! I don't know—I wasn't expecting so much at the start."

Big Game

"Does William still race the trains to the crossing?"

"No, it is too tame. He traded his car for a motorcycle and tried to cross in front of a battleship."



She: "Why did that man jump up and down?"

He: "Oh, he sat down on the spur of the moment."

Save $100 On Your Business Course

The Home School Business book using items of interest to you and the family will help you to learn typewriting, the touch system, bookkeeping, shorthand, penmanship, arithmetic, business law, and many other subjects. You may complete the course in your spare time and at small cost. Write for free booklet which shows all this, or call at 1 Home street.

THUNE'S VETERANS AND NEW MATERIAL MAKE STRONG TEAM

Definite Schedule of Games to be Announced in Near Future

Prospects for a strong football team are very promising this year, as several last year's "knights of the gridiron" have returned and the raw material being molded into shape for the 1st and 2nd teams is rapidly taking the form of regular players.

Last year's veterans who will form the nucleus for our 1926 football team are Captain "Ray" Wangeler, end; Robert "Sandy" Severson, center; Selmer "Snoz" Severson, quarterback; Ray "Hat" Orn, halfback; Charles "Chuck" Froseth, fullback; Clayton Snyder, halfback.

The first two nights' practices consisted chiefly in tackling, blocking, falling on the ball, charging, etc. The boys have been speeding up practices the last few evenings and will be in first class shape for scrimmages and regular games as soon as they have learned the new plays being installed by full fledged high school members of a more becoming hue.

The Thief boys will soon be playing the first game scheduled with Grafton, but if the victory in the game is to be won, the entire student body must become familiar with the game and lend their best to the fullest capacity. Both boys and girls are urged to watch practices and the team that the school is really behind their efforts.

The schedule of games will be announced next week, a tentative schedule having been drawn up this week.

SCHOOL OPENS

The assembly room of Lincoln high school presented to the voices of over four-hundred pupils when the new school year was ushered in the opening of school Tuesday morning, last week Sept. Morris Byr presented each teacher to the students, who in turn greeted them with the "how-de-do" song. After these formalities Mr. Byr gave a short speech of welcome. Harold C. Hand, formerly an instructor here but for the past two years principal of the Mandville high school who is taking the place held by Mr. Byr last year as principal, read the rules of the high school. After the rollment cards had been given out, and these have been assigned, the students were dismissed for the morning. Students became accustomed to the day's program during the afternoon, but regular work did not commence until Wednesday.

JUNIORS ELECT

Harriet Fuller was elected president of the Juniors at their meeting on Tuesday afternoon. The other officers elected were: vice president, Margaret Hjelmaas; secretary, Ruby Hansen; treasurer, Harold Wangeraard; sergeants-at-arms, Lisette Quist, Carl Swedenburg. Miss Agnes Lundberg was chosen class advisor and Miss Charlotte Ellis, chaperon.

NEW TEXT BOOKS

Freshman and Sophomores are being initiated into new Algebra and Geometry texts, which were ordered by Supt. Morris Byr this summer, the old texts being 1912 editions, out-of-date under state requirements.

RURAL TEACHERS

Miss Selma Bjornaas of Wanke, graduate of the local high school, has been engaged as teacher in district 11, No. 65 in Hickory township, according to information received in the county superintendent's office. Mrs. Peter Skovbroten will teach in district No. 124, which is joined with Red Lake county.

There is no school in districts 46, 151 and 159.

3 LOCAL GIRLS REPRESENT AG. SCHOOL AT STATE FAIR

Vivian Olson, of Thief River Falls, Gunda Gullingsrud of Kratka and Sophie Breyland of Hazel returned last Sunday from the Twin Cities after having attended the State Fair. They were among 16 girls from the North-west School at Crookston who were given free trips to the State Fair. They worked at the Boys' Club Camp, where nearly 200 boys were entertained while attending the fair.

The 16 girls workers from this county who were given free trips to the great exposition have returned, more enthusiastic than ever about club work. The prize winners were listed last week. The junior club work exhibits this year excelled all former records. Lucille Letnes, president of the 4-H club of Pennington county, returned Tuesday with the car of calves from this territory which were exhibited. It is interesting to note that three Letnes brothers were awarded free trips this year.

The 500 farm boys and girls from all parts of the state had a most enjoyable time. A feature of the entertainment given them was the banquet at the Nicollet Hotel given by the Minneapolis Civic & Commerce association, at which state agricultural leaders and prominent business men spoke about the influence of club work upon farm progress in Minnesota.

Street Closing Discouraged

Streets over which trunk highway traffic is routed, are not to be closed for street fairs and similar celebrations, according to instructions from the Minnesota Highway department to district maintenance superintendents. The rule at all times has been that streets carrying trunk highway traffic cannot be closed without the permission of the district superintendent. Now the district superintendents cannot even permits for closing these streets for use in local celebrations, or at least only in very exceptional circumstances. The cities and villages which plan celebrations are expected to use other streets for that purpose.

GAIN IN ATTENDANCE AT CITY'S SCHOOLS

First Week Shows Increase in Enrollment over last Year; Only 49 Seniors

Thief River Falls's public schools Friday closed the first week of the term with a gain of 29 in the enrollment as compared with last year according to figures submitted by Supt. Morris Byr. The enrollment in the grades Friday totalled 823, as compared with 797 at the corresponding time in 1925, while the high school showed an increase from 405 to 436. The high school now has about 420 students, while about 16 pupils have been added in the grades this week.

St. Bernard's Catholic parochial school reports an enrollment of 124, eight of whom are in the first year of high school. Last year St. Bernard's school had an enrollment of only 109 at the corresponding time, making 44 the total increase in the city.

The following table shows Friday's enrollment in the public schools by grades, according to Mr. Byr:

Grades	1926	1925
1st	119	101
2nd	99	103
3rd	99	101
4th	128	103
5th	104	101
6th	100	102
7th	77	83
8th	77	83
	823	797

High School		
Post graduates	35	31
Senior	49	73
Junior	77	76
Sophomore	116	116
Freshman	134	131
	405	405

The usual large number of out of town students are attending high school, there being 100 girls whose homes are outside of the city, according to Mrs. Blanche Korstad, dean of girls.

TEACHING IN NO. ST. PAUL

Copies of annual bulletin of the South St. Paul public schools, headed by L. J. Simley, formerly assistant superintendent of the local schools, have been received here. Simley succeeds the former Thief River Falls instructor who resigned to accept the position. The bulletin lists the entire teaching staff this year. They are Agnes Sands, of Alexander, sixth grade history and arithmetic teacher in junior high school; H. B. Stenhoff of Minneapolis, science and mathematics in high school; Gertrude W. Johnson of So. St. Paul, head of high school English department, and Florence Payne of Hawick, primary in Washington building. According to the bulletin, 1,500 pupils will be enrolled in the district, the district has seven buildings with 54 classrooms, property being $1,065,200. Ninety-six teachers, including the superintendent, the total enrollment last year being 1,372 and which 37 represents high school students. The Simleys are well satisfied with their new home and have been well received by friends here. Patrons of the local district have pledged that the So. St. Paul schools are given most efficient administration in the person of Mr Simley.

Mother of 3 Children Tells Experience

Effects of "Flu," Nervousness, Indigestion, Biliousness, Conquered by Tanlac. Good Health Restored

Mrs. Mary Barnett, Route 2, Nicota, Ill., mother of 3 wonderful children, says: "After years of pain, worry and despair, I regained good health, strength and energy—Thanks to Tanlac.

"Imagine how I suffered to eat the lightest food without suffering afterwards. Constipation wore me down to a shadow. I became almost a nervous wreck and felt miserable all over. Would I sleep through the days, getting thinner and weaker, and at last on the verge of a complete breakdown.

"A friend of mine suggested Tanlac. I tried it. Results amazed me. I soon began to sleep naturally and enjoy eating.

"Tanlac really made a new woman of me. I feel just fine now, as you can see from my healthy appearance. I urge every sickly person to take this tonic."

Tanlac is Nature's own remedy, made from roots, barks and herbs, according to the Tanlac formula. Why neglect your health? Why suffer needlessly? Begin taking this wonder tonic now. Ask your druggist for Tanlac today! Over 60 million bottles sold.

PERSONALS

Margaret Roark is attending school here. She is taking the post graduate course. Miss Roark attended Mount St. Benedict Academy in Crookston last year.

Allen Olen, a sophomore, attended school in Orville. She moved here three weeks ago.

Bernard Lehnert is attending school in Little Falls this year.

Mildred Vaughn was a student in Grand Forks last year but this year she is a junior in Lincoln high.

Josephine Nabben went to Agricultural college at Crookston two years ago.

Cara Norbeck of Holt and "Helga" Gunderson of Highfalling have enrolled as sophomores here.

Victor Peterson of the class of '25 visited school Monday.

Viola Jensen '26, visited school Monday.

Peggy Shaw has enrolled in the Junior class.

Ruth Erlandson of Oklee is a new Senior.

Richard Iterman started school Monday after a week's absence.

Margaret Brown visited school Monday.

Doris Baken, from San Pierre, Calif., is attending school here as a sophomore. Doris is the former daughter of California and in Mexico.

Hilbert Ellis, a junior, is attending school here. She is from Carlinville, Illinois.

Julia Carlson, who attended school here last year is training to be a nurse at the Physicians hospital in this city.

Audrey Kline is at Placerville, Calif. She was an honor student while she was in Lincoln high school.

Mildred Hansen, a Senior is enrolled here in the senior class. She attended school in Alexandria last year.

That Wine

"What's your definition of a cafe?"

"A fellow who drinks wood alcohol out of sanitary cups."

Red Crown-Ethyl is the newest Standard Oil Gasoline. It costs a few cents more per gallon but it "Knocks Out That Knock." It assures better and smoother engine performance. You will notice the improvement, particularly when driving in traffic, on grades, or when the going is hard.

Red Crown-Ethyl harnesses up carbon and makes it work for you.

Red Crown-Ethyl will restore a carbonized motor to vigorous, robust health—eager, willing and able.

Buy Red Crown-Ethyl At Any Standard Oil Service Station or At Any Authorized Filling Station or Garage.

Seniors Begin Very Busy Year with Class Election

At the Senior class election last Friday afternoon, Edward Kilsad was elected president, and Principal H. C. Hand, advisor. The rest of the officers and their respective positions were; Irene Hanson, vice president; Byron Thoraldson, secretary; Rita Pitcher, treasurer; Lars Rustad and *Helen Grisdelein, sergeants-at-arms*

These officers have a busy year ahead of them, when they will prepare for the Senior-Faculty reception, class activities, class play, commencement plans, and graduation.

It is expected that plans will soon be completed for the annual Senior-Faculty reception. After that, part of the Seniors' duties will be the selection of class rings and election of the 1927 Prowler staff.

Misinterpretation

Yvette, who is seven, had just finished a letter to her father who was "on the road."

"Hot, dear," asked her mother, "aren't you going to send daddy a kiss?"

Yvette replied Yvette. "That wouldn't be nice. I've been eating onions."

Misunderstanding

"You had some trouble with your last week," began the purchaser.

"Now—" began the salesman.

"Yes, ma'am," interrupted the purchaser, rising and speaking slowly, "but I tried it on my husband."

The Watchword is Economy

It was knew that McSpriggins, the village lightwad, kept his money in an old sock.

"I should think," remarked one of his neighbors, "that a careful man like you would keep his money in a bank rather than entrust it to a worn old sock."

"What!" gasped McSpriggins, "An' let the sock go to waste."

ROSEWOOD

Mr. and Mrs. Victor Mosbeck of Thief River Falls have spent a few days at Rosewood the week bidding goodbye to friends, relatives and old neighbors prior to their departure on Wednesday for St. Wahlford, Sask., Can., where Mr. Mosbeck has purchased a farm and they plan to make their future home. Mr. Mosbeck has been in the employee of the Soo Line at the Thief River Falls yards for several years, prior to which he operated a farm near this place. Mrs. Mosbeck is a daughter of Mr. and Mrs. E. P. Johnson of this place.

School at Rosebank opened on Tuesday morning with an enrollment of 38 pupils and eight more are expected to enroll during the coming weeks. The Olaf Samuelson family from Thief River Falls has now moved into the town's new residence and four girls from that family have entered school. The new water fountain and pencil sharpeners have been installed in the school building and all the rooms. Margaret Hanson will act as substitute also this term.

A pleasant surprise was tendered Rev. E. L. Tungseth, newly elected pastor of the Rosebud church here after services last Sunday afternoon when he was invited to the parsonage to enjoy a picnic luncheon served in the church and later presented with a purse containing a nice sum as a token of good will from the people of the Rosewood community, and the congregation in particular.

Mr. and Mrs. Wm. Cano and family from Lake Falls and Mrs. Chas. Langevin and three children from Thief River Falls motored to Rosewood on Sunday and spent the day visiting relatives and friends.

Mr. and Mrs. Ole Hanson and daughters and cream from Rosewood on Monday and after Sept. 1, according to reports, will make their home in Plummer where they will operate a cream station.

We are informed of a mistake in our last issue when it was stated that the Mrs. Julie Sorenson farm had been sold to R. L. Sorenson of Rosewood instead of Plummer as it should have been. The agent informs us that the deal is not closed as yet but is still pending, and that the consideration is $12,000.

Carl Ranum motored up from Argyle on Sunday to bring there Victor Anderson who has been in the hospital for some time. Mr. Anderson, who is a patient in the Grygla hospital, is reported to be getting along slowly but is improving.

Mrs. Ole Hanson left on Tuesday morning from Minneapolis where she attended the state fair and visited relatives.

Mrs. James Wilson arrived here from Minneapolis on Sunday to attend to business matters. Mrs. Wilson will be remembered as having visited her daughter here a number of times since she was employed in the Goodridge State bank.

Albert LaCourse of Red Lake Falls spent Sunday visiting with friends in St. Hilaire.

Mrs. G. Johnson and Ruth and Hans Espland spent Sunday evening at Thief River Falls.

Mr. and Mrs. H. P. Hansen and daughter Mildred are Mrs. Lloyd Johnson of Kreekish spent Friday visiting at the Fred Hansen home at Thief River Falls.

Mr. and Mrs. O. C. Burkee spent Monday at Thief River Falls.

Jim Lea Joan Jones Publisher Here

Mr. and Mrs. H. H. Crockard of Minneapolis were in the city Tuesday on a business trip thru this section of the state. Mr. Crockard was for some time associated with Sam Clark, former Thief River Falls newspaper man, in the publication of Jim Jam Jems at Fremont, N. D., some years ago. Mr. Clark about six years ago. He is now sponsoring advertising campaigns in co-operation with local newspapers.

One way to keep other people's minds off your business is to keep your mind on it.

More famous last words: "What can you expect of the child when he has such an example from his father."

GOODRIDGE

Sewing Project

All leaders of the six units of the Goodridge sewing project, will meet at the school house Thursday, Sept. 23, from 10 a. m. until 4 p. m., with Miss Lale Reed, state leader. The leaders will be, fitting patterns, selecting wash materials and color and line.

The Goodridge Unit No. 2 with Mrs. H. A. Dahl, and Mrs. C. Christianson leaders, will meet Saturday, Sept. 25 from 1 o'clock until 4 p. m.

The Ladies Aid of the Trinity Lutheran church met Friday afternoon in the church and the following officers were elected for coming year: Mrs. C. Aarness, president; Mrs. George Vraaen, vice president; Mrs. O. S. Kirkle, secretary; Mrs. N. C. Thoreson, treasurer. Lunch was served and the aid will meet on Friday next instead of Thursday as before, as this is more convenient for the members from the country to be present.

Rev. McKnight, missionary for the United Sunday school held services here Sunday morning followed by a business meeting at which all officers and teachers were re-elected.

Sunday school will be held next Sunday at 11:00 a. m. and a week from Sunday, Sept. 27, a grown folks' service will be held at the L. P. Pepperstone farm, one mile south of Goodridge on the main road.

Mr. and Mrs. Wm. Cano and family from Lake Falls and Mrs. Chas. Langevin and three children from Thief River Falls motored to Rosewood on Sunday only after Sept. 1, according to reports, will make their home in Plummer where they will operate a cream station.

We are informed of a mistake in our last issue when it was stated that the Mrs. Julie Sorenson farm had been sold to R. L. Sorenson of Rosewood instead of Plummer as it should have been. ST. HILAIRE

W. C. T. U. Meets

The W. C. T. U. held its meeting at the O. S. Kirkle home Wednesday afternoon, President Shastrud presided. The business meeting was held which was followed by an interesting program. Miss Selma Hoff and Mrs. C. Jensen gave interesting reports on the state convention held in Thief River Falls in June. Mrs. Ole Hanson, delegate, Mrs. O. S. Warner sang a beautiful solo and Hattie Grimsrud played an excellent piano solo. A duet number on the program was a vocal trio rendering of Valerie Gleam, Gladys Severson and Vosberg Grimsrud. At the close of the evening lunch was served by the hostess.

George Fricker of Holt motored here Sunday to spend the day visiting with his parents, Mr. and Mrs. M. Fricker.

J. S. Roy returned Thursday from Minneapolis after spending a few days attending to business matters.

Reuben Peterson, principal of the local high school, spent the week-end with his parents here at Wheeler.

Miss Anne Patterson came Thursday from Newfolden Sunday to visit friends here.

Miss Clarine Nelsen came Monday from Thief River Falls to spend a few days visiting with her grand parents, Mr. and Mrs. M. Fricker.

H. Espland left Sunday for Minneapolis where he spent a few days attending to business matters.

Mr. and Mrs. A. G. Paulsen arrived here Saturday from Minneapolis where they visiting at the home of their daughter, Mrs. Silliester Johnson.

After spending a few days visiting at the N. A. Nelson home here with other relatives in this vicinity, Herman Nelson and daughters Ida and Esther returned to their home at Mallard Thursday.

Mrs. E. Sundblom and children Jeanette and Billy left Thursday to spend the week with Mrs. Sundblom's parents, Mr. and Mrs. C. Kruse.

Mrs. Ingvald Johnson of Evelyth arrived Friday to spend a few days with her parents, Mr. and Mrs. H. F. Hansen here.

RESIDENTS FILE PAVING PETITIONS

Improvements Asked by Residents on Sixth Street and Riverside Avenue

Two petitions for paving were presented to the city council at its regular meeting Tuesday evening, when all of the aldermen were present with the exception of Mr. Ferguson, little other business being transacted.

Residents along Sixth street from Main to the Great Northern tracks, and on Riverside from the Great Northern tracks to the top of Lovers' Lane hill, quite generally signed the petitions, the latter providing that at least 25 per cent of the property owners must petition for the improvement. This was more than complied with in both instances, especially on Sixth street where over 50 per cent had signed.

The aldermen before doing anything with the petitions believed it wise to merely file them for reference until the one as not forthcoming. It is stated on good authority that the fire station street is being circulated at the present time and will be ready for the council at an early date, while residents along some of the other thoroughfares of the city are also said to be considering the advantages to be gained from paving in front of their residences, especially when it is considered that the cost thereof will be only about half of what was paid for the first piece of paving.

Reports of the country city officials were filed with the council and show that the police department in August made five arrests, three of which were for drunkenness and two runaway boys; the municipal court collecting fees and fines for the city totalling $24 and for the county $12; the city clerk's office reported receipts for the past month of $6,206.13 and disbursements of $2,796, leaving a balance on Sept. 1 of $34,648.66, while the light department showed earnings of $4,561.67 and the water department, where meters were read, of $31, the quarterly readings not being due as yet; the dairy inspection department report showed 32 cows tested and 141 inspected, with none condemned, while out of 38 samples of cream tested for butterfat only one was illegal, and of the one out of the 14 samples of milk tested, but, percentages of butterfat ranged only from 3.35 per cent to 3.52, the state board of health requiring not less than 3.25; the library report showed 1,500 volumes loaned with an estimated reading room attendance of 2,500.

Milk licenses were granted to Hugh Best and John Kelberg, they supplying that only their cream; a dance license was granted to the Bekkalah Temple for a dance in the Odd Fellows hall for the evening of Sept. 29, and a building permit was granted to Thos. Edwards with the understanding that his premises be maintained in an orderly manner, the dwelling and barn to erect a shed to cover the school bus.

A petition was received from residents on the eastern end of Bridge street and on Kneale avenue north for the extension of the electric light system, the matter being referred to the superintendent of water and light and the council committee thereon. The proposed amendments to the water ordinance, the third and final reading and the regular list of bills for the adjournment being taken till Sept. 29.

GETS FREE TRIP

H. M. Evenstad, district manager for the Brotherhood of America's Yeomen, returned Wednesday of last week from the Twin Cities where he attended the State Fair after having attended a gathering of Yeomen leaders from all parts of the country at the City of Childhood at Dundee, near Chicago. He was gone about two weeks, during which time he attended the state fair, saw the many sights of interest for Yeomen organizers. The local society is supporting approximately 200 children, many of them being cared for at the farm and orphanage at Dundee, Mr. Evenstad was given a free trip to the encampment, having sold $25,000 of insurance in a period in seven months, from Jan. 1 to Aug. 1, the state board of health requiring not less than 3.25; the library report showed 1,500 volumes loaned with an estimated reading room attendance of 2,500.

ASSISTANT CASHIER ALSO FACES CHARGE

Hagen Bound Over in Plummer Bank Case—Further Charges Against Booren

Friday afternoon Gulor J. Hagen, assistant cashier and bookkeeper of the Inland Farmers State Bank of Plummer was arrested on two charges, forgery in the third degree, and fraudulent keeping of accounts, being brought before Justice V. M. Healy of Red Lake Falls Hagen pleading not guilty and was bound over to the district court for trial. His bonds were fixed at $5,000 which were furnished by his father, John G. Hagen and Peter Herdal. John Greenwald, Nick Thoreen and Ben Thoreen, Hagen's brother-in-law, his four children.

Harry F. Booren was confronted with three additional charges Monday, forging Nenda Rinear's name to a note for $500, forging Horace H. Whitney's name to a note for $479.22, and for selling Liberty bonds worth $150 belonging to E. A. Nelson, which had been left in the bank for safe-keeping, Booren was brought before G. H. Healy Monday and waiving preliminary examination pleaded not guilty. The amount of his bonds have not been set and he is still in jail in Red Lake Falls. Last week he was bound over to district court on a charge of grand larceny, to which he plead not guilty.

It is rumored that both Boeren and Hagen may change their pleas before court convenes.

Mix-up Over School District's Check in Beltrami

An unusual case has come up in Beltrami county in which a school district may sue the county for money it has not received. Julius Tanem, treasurer of school district No. 125 in Lee township, Beltrami county, in Gryglia territory, was in December issued a check for $107 by Earl Gell, Beltrami county treasurer. In January the treasurer of the district left the check at the Gryglia State bank for safe-keeping, but did not endorse it or deposit it in the bank.

Several days later, the bank closed its doors. After a few days, the treasurer came to the bank and requested the check, but was refused it. The bank officials declared it was a part of the assets of the defunct Gonsolidated Bank of Gryglia.

The state banking department then endorsed the check on April 27 this year and kept the money as part of the assets of the defunct bank, but the school treasurer still claims the money belongs to him.

The school district takes the position that it has never received the money and is making a demand upon Beltrami county for payment of the amount due to it. The county refuses to pay the money as the check was cashed by the bank and the money deposited to the school district's credit.

The matter will eventually be straightened out, it was explained at the auditor's office. The school treasurer will receive the amount of the check as soon as the red tape is straightened out. The matter at present is in the hands of the state banking department.

Hagen's attorney, local attorney, is representing the school district.

ADDRESSES R. I. P. CLUB

Mayor W. W. Prichard, Jr., of this city addressed the first meeting of the season of the Red Lake Falls Commercial club Wednesday evening of last week, in commenting upon the meeting the Red Lake Falls Gazette says:

Mayor Prichard was a guest at the dinner and spoke words of congratulation to the Red Lake Falls on securing the co-operation of its citizens in promoting community spirit. He also expressed pleasure at the friendly spirit shown to Thief River Falls on various occasions and extended an invitation to business men to come up to the banquet to be given in the Palm-to-Pine tourists on Thursday, September 23.

RELATED ELECTION RETURNS

Results of the annual election and meeting held in July are reported to the county auditor by the clerks of the following districts:

No. 165—S. O. Lee, treasurer; levy, $500.

No. 38—John M. Johnson, treasurer; O. O. Ivelyn, chairman; levy, $600.

No. 148—Adolph J. Wold, chairman; levy, $450.

No. 36—Peter T. Hemlbestvelt, clerk; levy, $900.

Grain Shipments Increase—Threshing on in Full Blast

An average of 120 carloads of grain are inspected here daily, according to P. J. Keating, superintendent of inspection. The grain is of good quality. Nearly all grain is billed to Duluth.

David Evenson of this city, Godfrey Larson and William Wallins of Duluth have been added to the inspection crew, making a total of nine men, including the Wisconsin inspector.

Threshing which has been interrupted by occasional showers, again has been resumed. Another week of fair weather will see most of the threshing finished in this vicinity it is believed.

Some damages to gardens and corn is reported from the light frost the first of the week, but generally the fields escaped entirely and an excellent crop of corn is reported. "I am harvesting the best crop of corn in years," Jens Lutnes declared yesterday.

Peter Lendobsje, who farms half a section land in Kratzen township and who is making good reports state yielding 72 bushels an acre; yes 25 bushels wheat, 40 bushels barley, 35 bushels, which he considers a very satisfactory crop.

Dr. Edwards Presides at Meeting of Methodists

The Methodist Episcopal congregation held the last quarterly conference of the year Tuesday evening with Dr. J. Edwards of Minneapolis, district superintendent, presiding. The yearly reports of the various departments were read and commented, and plans were discussed for the coming year, the outlook of which seems very favorable Rev. R. L. Bissell announced from the pulpit several weeks ago that he would not be here another year, but where his call will be, or who will occupy the pulpit next year will not be announced until the conference which will be held at Crookston Sept. 28 to Oct. 3.

It is expected that more 200 ministers, secretaries, editors, and officers of the church will attend the 32nd annual session of the Northern Minnesota Conference of the Methodist church in Crookston, which opens September 28 and continues about a week.

There are two Methodist conferences in this state. In the entire state was called the Minnesota Conference, from which was taken what is now the Northern Minnesota Conference, comprising the territory north of the Twin Cities. This conference is divided into four districts. Thief River Falls being in the Fergus Falls district, of which Dr. J. A. Edwards of Minneapolis is superintendent.

SEWELL IN CITY

B. W. Sewell of Crookston, district highway maintenance engineer for Polk, was in the city Tuesday and attended the Rotary club luncheon. He reports that work is being done on the Pembina river to improve T. H. No. 33 to Warren.

Auxiliary Women Getting Ready for National Meet

Following attendance at the Minnesota Federation of Women's clubs convention in Morris today, Mrs. J. H. Bishop will continue to Minneapolis to attend a conference of state Legion Auxiliary leaders to make arrangements for attending the national convention in Philadelphia, October 4. Including Delegates at large—Mrs. Bishop, president-elect; Mrs. Hillan Spencer, Mankato, president; Mrs. L. Arneson, Little Falls; Mrs. W. B. Villars, St. Paul, national committeewoman; Miss Blanche Scallen, Minneapolis, executive secretary, and Mrs. H. W. Hazlett, St. James, chairman of Americanization committee; district—first, Mrs. J. Smith, Hibbing, and Miss Minnie Patterson, St. Charles; second, Mrs. L. E. Vigen, St. James, Dr. Helen Hughes Fletscher, Mankato, and Mrs. F. A. Letscher, Lewiston; fifth, Mrs. Dean Meeker, Minneapolis; sixth, Mrs. C. E. Hanson, Minneapolis; seventh, Mrs. A. C. Carlson, Willmar, and Mrs. Ben Bjorkman, Kerkhoven; eighth, Mrs. S. Withrow, International Falls, and Mrs. Peter Schafer, Elyi ninth, Mrs. W. H. Hilliker, Lewiston; tenth, Mrs. J. J. Kaitin, Buffalo.

Mrs. Bishop will also represent the Pennington County Child Welfare Bureau, of which she is chairman, at the 34th annual session of the Minnesota State Conference of Social Work in Owatonna's farm September 16 to 24. Ears Blake, judge of probate, will also attend. The results of an examination into cases of illegitimacy made by Dean Everett Fraser, for the last nine years will be presented at the conference, which will be addressed by prominent social workers from various parts of the country.

One man-in-ten thousand becomes famous. Hence "one in a million" is making the average too low.

Deer Season Open This Fall November 20 to 30

With the opening of the small game season many hunters also turn their thots to the big game hunting season and the question is asked as to when the season opens. The law provides that the season for killing deer shall open on the third Saturday in November of each even numbered year, and that it shall be open for ten days thereafter. This makes the season open on November 20, this year, and close on November 30, or in effect an open season of 11 days. This provision of the law gives everyone two week-ends in which to hunt.

The recent proclamation of Governor Christianson closing the season to the killing of does and fawns in Hubbard county, makes it necessary to seek for an antlered buck when hunting game in that county. Those of both sexes are fully protected, and a heavy penalty attached if conviction of killing a moose is attained.

WINS JUNIOR AUTOMOBILE

Miss Elinor Bottelson, daughter of Mr. and Mrs. Andrew Bottelson, is the lucky possessor of the Junior automobile which H. A. Diamond, manager of the Thief River Falls Fair, gave away at the close of a contest of several weeks' duration, during which time keys were given out with every admission. The car, which has been on display in The Times window, was awarded between three Friday afternoon and Saturday evening. Two other prizes were awarded to those holding the highest number of keys. Mrs. Melvin Hanson won first prize, a three weeks' free admission to the fair grounds, and Howard Zellgert, second, a two weeks' admission.

ELECTED PRESBYTERY CLERK

Rev. E. H. Lorenz, local Presbyterian pastor, Friday attended a special meeting of Adams Presbytery at Fisher, at which he was elected state clerk. He is at present moderator. They regular fall meeting of the presbytery will be held next Wednesday at Hallock.

What Is Osteopathy?

Osteopathy is a method of helping nature to keep us or make us well. It has been doing this for more than 50 years.

Nature is the real doctor. Nature keeps the normal well and tries to get sick ones when from abuse or misuse, the body gets into such condition that Nature doesn't have a chance. We get well only when the body is restored to such a state that Nature can do her work.

Osteopathy puts the body back into shape. It works on the bony framework, where that framework interferes with normal nerve impulses, and allows them to proceed normally. It removes obstruction to blood supply and drainage and to the lymphatic circulation so that Nature can send in and take away what she will.

Nature, working through the body machine, does the rest.

Osteopathy is the natural way to insure and restore health. It follows in Nature's own footsteps.

Volume 16. Thief River Falls, Pennington County, Minnesota, Thursday, Sept. 23, 1926 Number 39

SCHOOL COSTS IN PENNINGTON BEING REDUCED

Teachers' Wages Down From $121,737 to $116,337 in 1925-26, Sande Reports

BIG INCREASE IN CASH BALANCE DURING YEAR

More State Aid Received by Graded Districts as Result of Pro-rating

A substantial increase in the cash balances of Pennington county school districts and a decrease in the sum paid out in teacher's salaries are among the things to be noted in the annual report prepared and submitted to the state department of education by C. O. Sande, county superintendent of schools. The report is a compilation of reports furnished by the clerks of the various districts.

The cash balance on hand July 31, 1926, as reported by the 65 ungraded and three high and graded districts in the county was $97,850, as compared with $71,845 on July 31, 1925, a total of $61,217, and $51,492 in the year previous. The increase for the past year is in the graded districts, which made a gain from $13,181 to $63,067, more than trebled in four years. The increase for the past year

SOCIAL ITEMS

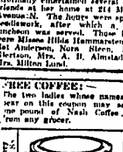
Woman's Club Will Discuss New Project at Meeting Mon.

An interesting and novel program for the year will be discussed at the next meeting of the Woman's club, Monday afternoon, Sept. 4, at 3 o'clock according to the executive board, which met Monday evening at the H. A. Brunsund home. With Mrs. Lisa Shaw and Mrs. R. Arnold representing the past presidents, and Mrs. A. P. Fox, Mrs. E. J. Lund, and Mrs. Myra Bye as appointive members of the board, other members present at the meeting Monday night included Mrs. N. Reep, president; Mrs. J. Hastad, vice president, and Mrs. Imdael, secretary. Mrs. J. M. Bishop, treasurer, being absent. It was decided to recommend for adoption, the formation of the club into seven study groups, namely, art and craft for the home, garden and nature, modern literature, music, citizenship, service and recreation. Each group will have a leader, and when formed, will decide upon date of meeting, program, etc. Once a month, the club proper will meet, possibly in the evening, and enjoy a program sponsored by one of the groups. The board is especially desirous that all members of the club attend the meeting Monday, as plans prepared to discuss this project, and if decided upon, sign up for the study groups to which they wish to belong.

Prior to this discussion, Mrs. Brunsund will give the report of the convention at Morris which she attended last week. Luncheon will be served as usual by the social welfare committee.

Installation Services

Rev. R. H. Engen was installed as pastor of the Presbyterian church Friday night, Rev. F. H. Pollock of Fosston officiating. Rev. Mr. Pollock preached the sermon. Dr. Elliot Moore of Minneapolis, field representative of the board of national missions also aided in the ceremony, as did Rev. F. E. Hilliard of Crookston, Rev. F. W. Hauser of Red Lake Falls, and Rev. C. L. Wilcox of Brooks.



Musical numbers during the evening were furnished by Mrs. August Holmstrom, Gordon Olson, Justus Lavoguer and Harry Robinson. The ceremony was followed by a reception for the pastor and his wife.

Among the public schools, with Mrs. J. M. Bishop presiding, the following speech to the teachers, [illegible]

Miss Ivey Entertains

Miss Ivey was hostess at a dinner Thursday evening last week when she informally entertained several of her friends at her home at 214 Manitoba avenue N. The hours were spent at bridge-whist, after which a dainty luncheon was served. Those invited were Misses Hilma Hanson, Harriet Anderson, Nora Steen, Esther Peterson, Mrs. A. B. Almstadt, and Mrs. Milton Lund.

FREE COFFEE!—
The two ladies whose names appear on this coupon may secure one pound of Nash Coffee, free from any grocer.

Watch for this coupon. New names every week!

Sewing Project

Leaders of the woman's sewing project groups held their third meeting yesterday, with Miss Lois Reed of St. Hilaire giving instructions in fitting guide patterns, selecting wash materials, and selecting color and line. The meeting lasted all day, as usual, with luncheon served at noon in the Commercial club rooms.

Woodman Circle

Succeeding Laura Naplin, past guardian, Ethel Pechie was elected guardian of the Woodman Circle at a regular meeting, Monday evening. Other officials elected include Bertha Hanson, adviser; Ruth Anderson, clerk; Clara Lundberg, banker; Bessie Quiet, Gertrude Hazek, and Lydia Bereby, auditors; Bertha Hanson, chaplain; Lizzie Pechie, inner sentinel; Rita Bundy, outer sentinel. Installation will take place at the first meeting in October, at which Elizabeth Allsek, state manager will be present.

For Malmquists

The P. H. Mallory home was the scene of a pleasant gathering Tuesday evening in honor of Mr. and Mrs. Ed. Malmquist, son-in law and daughter of Mr. and Mrs. Mallory, who will leave this week for New York. Mr. and Mrs. Malmquist returned last fall from the Malay peninsula, where they have been engaged in mission work.

Celebrates Birthday

Robert Pallet, son of Mr. and Mrs. A. Dahl, celebrated his fourth birthday at a party given for him Saturday afternoon. Fifteen guests were present.

Kosterina Club

Mrs. W. W. Pritchard, jr., was hostess Tuesday afternoon to the members of the Kosterina club. The hours were spent at needlework, following which a dainty luncheon was served.

Birthday Party

On Tuesday afternoon, Mrs. Perry Powell entertained ten little friends, Grafton, N. Dak., in honor of her daughter being the latter's fifth birthday. The guests were Misses Ida Nicholson, Ann Swanson, Ida Nicholson, Ann Kellman, Irene Wolden, Phyllis and Arnold Severson, Marion Fox, and Red Lake Falls, and Rev. C. L. Wilcox of Brooks.

Dark Dinner

Mr. and Mrs. O. F. Melby were hosts at a "dish o'dark" duck dinner at their home Saturday evening. Covers were laid for ten.

Degree of Honor

The Degree of Honor will have a regular meeting at the T. S. Hoaks residence, 116 St. Paul avenue south, Monday evening at 8:00. All members are requested to be present.

Dinner Party

Mr. and Mrs. E. F. Dolan and Mr. and Mrs. Jens Shaw and daughter, Miss Peggy, were dinner guests at the home of Mr. and Mrs. R. J. Lund Monday evening.

For Mrs. Wesander

A number of ladies gathered at the home of Mrs. Sofia Wesander Thursday evening of last week, pleasantly surprising her in honor of her 75th birthday. Those participating included Mesdames Hans, Rud, Aug. Johnson, Gust Erickson, Edwin Eriksson, A. Hedlund, H. Johnson, A. Hagen, C. Larson, H. Bergstrom, H. Mafaty, L. Tatle, J. Dalton, T. Johnson, O. D. Tarlet, P. Paulson, W. Hoefer, H. Hebden, H. Hostvet, A. Myrnes, Hans Olson, R. Ness, Lars Erickson, and Ed. Rupprecht.

Girls Club

The Iola Community club will hold their second meeting of the year in the legion club rooms Monday evening, Sept. 27, at which time there will be election of officers.

Mrs. Brunsund Attends Fine Meeting of Minn. Clubwomen

Mrs. H. A. Brunsund returned Saturday morning from Morris where she represented the local Woman's club at the 22nd annual convention of the Minnesota Federation of Women's clubs, which was attended by more than 450 delegates and visitors. Mrs. J. W. Froehlich, chairman of the division of community service, and Mrs. J. M. Bishop, chairman of the division of co-operation with war veterans, were unable to attend and present reports, but Mrs. Brunsund reports very highly of the manner in which the convention city received the delegates. She will give a report of the convention at the next club meeting here October 4.

Crookston was selected next year's convention city and Mrs. C. G. Selvig of Crookston was elected second vice president of the federation. Mrs. Alton B. Cheadle of Jackson became first vice president; Mrs. F. H. Arnold, Bemidji, auditor. Enid Wing won first place for the Third district in the third annual choral contest. The Ninth district, represented by a chorus from Warren, won second honors.

The various phases of club activity were discussed by able speakers, leaders in the various fields. In making her recommendations for the coming year, Mrs. Willard Bayliss of Chisholm, president of the federation, emphasized the spiritual influence a woman's club can wield in the community and the need to be done among the boys and girls thru scholarship and character building. "Citizenship personally neglected," she said, "that all the children in your community are given religious instruction in their own churches."

Speaking of the automobile as one of the most treacherous and deadly weapons, Mrs. Edward F. White of Indianapolis, first vice president of the national federation, expressed the opinion that they should be guarded as carefully as firearms and their licensing strictly regulated. She declared a friend of the execution of licensees of drunken drivers. That the passing of the Eighteenth amendment into the constitution has proved itself a most humanitarian piece of legislation in the history of the government, is the avowed conviction of Mrs. White. In her opinion, however, one of the common ways in which intelligent law enforcement is thru denial of proper use of search warrants. "It is not merely right punishment which is needed but surer punishment to curb existing conditions," she said. She evidenced no discouragement over the progress of prohibition law enforcement, believing that six years is not a reasonable time in which to expect 100 per cent enforcement.

The present day school system which provides for extra curricular activities for every waking hour of the child's life was severely censured by a number of clubwomen. It was suggested that the demands on the child have been made and are continued because women are devoting so much time to club activities that many a child is left to its own devices. It was suggested that future conventions be given over to shorter programs and more study. Among the musicians who took part in the programs were Mr. and Mrs. M. J. Sortheim and son, Raymond, former of this city and now of Morris.

The federation passed a resolution reaffirming its enforcement of the eighteenth amendment and the Volstead act.

Mrs. Thoreson and Curtis Winners in Mixed Tourney

Mrs. Thos. M. Thoreson and J. P. Curtis won first honors in the mixed foursome golf tournament played on the local links Sunday. There were a total of 195 strokes for the 18 holes, a 94 and a 101. Mrs. Thoreson was awarded a pair of silk hose, offered by the LaVogue Garment Shop as first prize, while Mr. Curtis was presented with three pounds of Nash's coffee furnished by the Thief River Grocery company. Second prize in the tournament was won by Mrs. E. F. Dolan and Drew B. Bjornstad, who earned a total of 107, a 51 and a 56. The LaVogue Shop presented Mrs. Dolan with a vanity case as second prize and Mr. Bjornstad was given a pound of Nash's coffee by the Thief River Grocery company.

Other contestants in the tournament scored as follows: Mrs. W. K. Ferry and Andy Anderson, 113; Mrs. R. J. Lund and W. A. Barnard, 114; Mrs. Harold Hadwig and F. A. Anderson, 115; and Mrs. Halsdan Lack and H. J. Lund 124.

Another 18-hole handicap medal tournament will be played here next Sunday, commencing at 1 p. m., it is announced by H. O. Chemnic of the tournament committee. In addition there will be an approach and putting contest and a driving contest. Prizes will be awarded to winners and runners-up.

Local golf fans are making different use of the links, which is in excellent condition, during the kind autumn days. Marked improvement in the playing of members of the club is noted, several players approaching the par figure by a small margin.

Mrs. Bishop on Committee of National Auxiliary

Mrs. J. M. Bishop of this city, president of the Minnesota Legion auxiliary and state chairman of the child welfare committee, has been named as the child welfare committee at the national convention to be held in Philadelphia October 11 to 18. She was appointed by Mrs. Milton Spencer of Winona, present department president, who has been named parliamentarian for the national convention for the third consecutive time. The Minnesota Auxiliary is backing Mrs. Spencer for national president. Mrs. W. H. Miller of Crookston has been appointed on the permanent organization committee for the national meeting.

Mrs. Bishop is this week attending the annual session of the Minnesota State Conference of Social Workers at University Farm, which closes this morning. Probate Judge Lars Backus is also in attendance. They are expected to return with this week. Mrs. Bishop also attended a conference of Minnesota Auxiliary leaders making arrangements for the national convention trip.

BARZEN WINS

Ernest Barzen defeated Thos. M. Thoreson one up in the consolation finals of the handicap medal play golf tournament started some weeks ago.

For Minneapolis Guests

Mrs. Gus Crown was hostess at an informal dinner party at her home Wednesday evening in honor of Mr. and Mrs. A. H. Hendricks of Minneapolis. Covers were laid for six.

Reception for Teachers by Trinity L. L. Tonight

Teachers in the city's public schools will be welcomed at a joint meeting of the Senior and Junior Luther Leagues of the Trinity Lutheran church in the church parlors tonight, Thursday, commencing at 8 o'clock. The welcome will be extended by the pastor, Rev. S. L. Tallaksen, the response to be given by Morris Bye, superintendent of the city schools. Other numbers on the program include vocal solos by Mrs. T. Berg and R. J. Lund, "Following Christ in Our Social Life" by Elaine Evenson, songs by the Junior choir, directed by Rev. Tallaksen, and a piano duet by Irene Hansen and Dorothy Skinner.

The hostesses are Mesdames A. J. Olson, E. Evenson, Chas. Evenson and Albert Engen.

Julius Opheim is president of the Senior League and Violet Rhodegard heads the Junior group.

Guild Meets

St. Bernards Guild will meet in the church parlors Monday afternoon, Sept. 20, with Mesdames Martin Strom, Halsten Halsteadt, A. Belland, and Geo. Charboneau entertaining. Lunch will be served as usual from 4:00 until 6:30. The public is cordially invited to attend.

Methodists of Northern Minn. Meet in Crookston

Local Methodist, as well as others, are planning to attend meetings at the Northern Minnesota conference of the Methodist Episcopal church, which will be held in Crookston September 28 to October 3. Tuesday, the opening day, the program will be featured by a public reception for Bishop Chas. E. Locke of St. Paul, which will be attended by a number of local people. Wednesday afternoon Rev. J. T. Dixon will preside at the meeting, at which Rev. G. G. Vallentyne of Minneapolis will speak on Palestine. Many people from here will be present at the Sunday services at which Bishop Locke will preach at 10:30. About 200 ministers will attend the meetings, including many prominent speakers.

A business grows only as far as the man or men behind it grow.

Emery and Everett Bliven motored here Wednesday from Grand Forks, and spent the day at the W. LaFave and Chas. Mahlstrom home.

Mrs. Harold Berthlaume and child arrived Monday from Grand Forks to spend a few days with Mrs. Berthlaume's sister, Mrs. F. J. Kratzke.

Miss Stella Curtis, daughter of Mr. and Mrs. J. C. Curtis of this city, left Sunday night for Minneapolis where she will resume her studies at the state university.

Miss Edna Alexander, daughter of Mr. and Mrs. Chas. Alexander, spent the week-end at her home in this city, returning Monday to Middle River, in which vicinity she is employed.

Mrs. C. J. Holte of Fargo has been here the past couple of weeks visiting with Mr. Holte, manager of the local co-operative creamery. She is a guest while here at the R. Oen home.

Rev. A. A. Larson of Warren, president of North Star college, was in the city Monday in connection with the college opening Tuesday with 14 students. Prospects are promising for the coming year, Rev. Larson says.

Miss Inez Patterson of St. Hilaire, field representative of the children's bureau of the state board of control, will enter the University of Minnesota this fall to take a two years' course in social work.

Reverends E. H. Loreen, R. K. Calloway, and J. T. Dixon participated in the ordination and installing services in view of the Greenbush, Badger and Roseau churches held at Roseau Sunday. Rev. Dixon accompanied their hosts, Mrs. Dixon accompanied their hosts at the Roseau parsonage over the week-end.

Mrs. Augusta Werner and daughter, Miss Esther, returned to their home in this city Saturday after a nine months' absence, having visited in Omaha, Neb., and Minneapolis. Miss Werner has accepted a position as clerk at the Curtis Drug store.

Fly-Tox the place where you throw your garbage and refuse.

Stanton Dahlen, who is employed in a bank at International Falls, spent the week-end at his home here.

J. E. Maney of Grygla attended to matters of business here yesterday.

Mrs. L. M. Rayson and daughters Lucille and Lorraine and Miss Esther Gronvold spent Saturday at Winnipeg.

Miss Gunhild Haugen of Kratka visited here Friday enroute to Ohlee where she teaches school.

Miss Iona Gullingsrud, who teaches in the Gully school, visited over the week-end at her home in this city.

Miss Lola Strobie will commence a term of scwol in district 70, Marshall county, north of this city, next Monday.

Dr. and Mrs. H. B. Newell, Miss Mary Newell and Miss Gertrude Hanley were Sunday motorists to Crookston.

Superintendent and Mrs. Morris Bye Saturday moved from 716 Horace avenue north into the residence on the corner of Arnold avenue and Fourth street.

Mr. and Mrs. L. M Rayson and daughters Lucille and Lorraine, and Miss Hilda Hammarsten of Minneapolis were Hammarsten's parents at Highland Sunday.

Mrs. Harold Hole and Miss Jeannette Ofteldahl will return the latter part of this week from Red Lake, Sask., Canada, after visiting with relatives there for a couple of weeks.

Mrs. J. W. Hendry left Monday to join her husband in Superior, Wis., in which city they will make their home. Mr. and Mrs. Lester Hendry will occupy the J. W. Hendry residence here.

R. H. Duncan of Winona was in the city Saturday conducting a salesmen's school for the Watkins Products company at the Evelyn hotel. S. G. Hendrickson of Karlstad was among those attending.

Fly-Tox your home. Healthy families recommend it!

County Auditor T. P. Anderson and family, Mr. and Mrs. Lloyd Anderson, son, Mr. and Mrs. H. W. Semlech and children, Mr. and Mrs. H. Falk, and Miss Elizabeth Keating enjoyed a Sunday outing at Badger.

Harry Duffy, son of Mr. and Mrs. J. A. Duffy of Red Lake Falls and well known to many here, was recently initiated into the Alcalde council of the University of Minnesota, and pledged into the Phi Delta Theta fraternity with Swift & Company in Minneapolis.

Word has been received here that Gullingsrud, 50-year-old father of County Treasurer John Gullingsrud, was severely injured Monday when he was attacked by an angry bull on his home at Gary. He is confined to the hospital at present.

Dr. R. L. Barackman, former Presbyterian pastor here and the last few years located in Lincoln, Kansas, has accepted a call to Litchville, Minn., according to word received here. Dr. and Mrs. Barackman are moving there this week.

Miss Agnes Johnson of Angus was a Saturday shopper in this city.

Mrs. H. Heinze returned to her home at Holt Monday after visiting in this city for a couple of days.

Miss Ella Burely left Friday for Grafton to visit several days at the home of her aunt, Mrs. Wm. Gamper.

Gordon LaBree, attorney at Casselton, N. D., spent the week-end with his parents, Mr. and Mrs. W. J. LaBree.

Miss Johanna Larson of Holt, who visited here several days at the Kibby home, left Monday for Middle River.

Erick Holm of Roseau visited here Monday evening on his return from Minneapolis, leaving the next day for his home in Roseau.

Mr. and Mrs. F. Will and family motored here Thursday from their home in Calumet to be guests at the W. LaFave home.

Miss Sarena Eriktson, daughter of Mr. and Mrs. Ben Eriksson of this city, left Friday night for Chicago where she will be employed.

Otto Gullingsrud of Grand Forks was a business caller here Tuesday and Wednesday, visiting also at the L. G. Gullingsrud home.

Math Barzen, jr., who is employed with the Nash-Finch company at Crookston, visited over the week-end at his home in this city.

Rev. and Mrs. O. J. Lundell were Wednesday and Thursday visitors at the Rev. A. G. Anderson home at Roseau.

Mrs. Thomas Olson and son Fred of Crookston were week-end guests at the home of Mrs. Olson's daughter, Mrs. Ken Olson.

Congressman Knud Wefald of Hawley, stayed in the city Wednesday night of last week on his way to Bagley to attend the Clearwater county fair.

S. T. Hagen of Greenbush was a business caller in the city Monday in connection with a purchase of Hagen's county land from the Citizens State bank.

Miss Astrid Kinghorn, who is attending the state teachers college at Moorhead, visited over the week-end here with her parents, Mr. and Mrs. H. Kinghorn.

Mr. and Mrs. Wilbur Roth and little daughter returned to their home in St. Paul Saturday, after a several days' visit here with Mr. Roth's mother, Mrs. Emma Roth.

Miss Martha Albin, nurse in the Bemidji hospital, was a city visitor Sunday. She is spending a week's vacation at the home of her parents, Mr. and Mrs. Albin, near Thief River Falls.

Mrs. Wm. Sargent, who has been visiting the past two weeks in this city with her aunt and uncle, Mr. and Mrs. Albert Johnson, left Monday night for her home in El Paso, Texas.

Mr. and Mrs. A. H. Hendricks of Minneapolis motored to this city last week, visiting a couple of days with Mrs. Hendricks' parents, Mr. and Mrs. Gilbert Granum, returning Thursday.

Miss Peggy and Nellie Ivey of Red Lake Falls, formerly of this city, are enrolled as students at the University of Minnesota, Miss Peggy enrolling as a sophomore, and the other entering as freshman.

Miss Viola Buringrud arrived Saturday from Minneapolis where she has been employed, expecting to remain at her home here until Oct. 1, when she will take charge of the school in district No. 9, in Hickory township, near Wanke.

Chester Lee, six-month old son of Mr. and Mrs. C. J. Wyman of Middle River, died in this city early Monday morning, death being caused by intussusception of the bowels. The body will be taken to Middle River by the Larson Undertaking company, funeral services to be held tomorrow.

Miss Lois Nicholson, graduate of the local high school last Friday, left Friday for Grand Forks, where she will enroll as a student at the University of North Dakota. She was accompanied on the trip by her uncle, Mr. Wm. Nicholson, who remained in Grand Forks several days.

After a several weeks' stay at the R. A. Hanson home in this city, Mrs. Herbert M. Hanson left the first of the week for Minneapolis where she joined her husband, who is attending to business matters there in connection with the Tidewater Tobacco company, for which he is employed.

Millions of homes are made more pleasant thru a recent discovery. Sclentists at the Government research institute of the kind in the world developed Fly-Tox—it kills flies, mosquitoes, ants and other household insects. Fly-Tox is used in the best of homes. Get Fly-Tox from your retailer, always in bottles with blue label.

Last week, Albert, Business Exchange placed graduate in fine leading positions with Armour & Co., E. F. Lauer & Co., Northern Packing Co., and Pennvelt Farm Co. Send for free catalog to H. H. Asker, Grand Forks, N. D. 36c

Staff Captain A. W. Brewer of Fargo, divisional commander of the Salvation Army in northwestern Minnesota and North Dakota, was in the city Monday and Tuesday. Captain Brewer, accompanied by Envoy and Mrs. H. E. Holfe and Envoy Wm. Mandrick of this city, conducted a well attended meeting at Gryglа Monday night. Envoy Mandrick intends to leave next week on a two weeks' furlough, following which he will enter into special work in connection with the divisional commander.

BIRTHS

To Mr. and Mrs. Fred Faust, Monday, September 20, a son.

To Mr. and Mrs. Frank Erickson, Tuesday, September 21, a boy.

To Mr. and Mrs. G. W. Barnard, 510 W. 48 St., Minneapolis, Monday, Sept. 20, a boy.

To Mr. and Mrs. Hans Hanson, Wednesday, Sept. 22, a boy.

Fly-Tox the cows before milking.

Miss Marguerite DeCrosser, daughter of Mr. and Mrs. Louis DeCrosser of this city, will leave Sunday night for Minneapolis where she will be employed.

MANKATO COMMERCIAL COLLEGE is in session the year round. Students can enter at any time. Send for catalogue.

Mr. and Mrs. John Fellman returned Saturday from Bemidji where the former consulted with specialists as to his physical condition following his recent accident at Bemidji. Friends of Mr. Fellman will be pleased to learn that he has practically recovered from his wound, and the doctors claim it will leave no serious effects.

McCANNS RETURN

County Agent and Mrs. J. J. McCann returned Tuesday from a three weeks' vacation trip to the latter's parental home at Rock Elm, Wis. Mr. McCann reports much threshing still remains to be done in that section of Wisconsin as it has rained nearly every day since the season started. He is of the opinion that this locality is particularly favored this season, farmers having been quite general throughout the county this fall. Thief River Falls and Pennington county are well known in Wisconsin, according to Mr. McCann, as there are many inquiries regarding this territory. Many had read the recent Alfalfa article in the St. Paul Dispatch.

BABY DIES

Rose Lillian, 16 days' old daughter of Mr. and Mrs. Anton Torkelson of Hazel, died Thursday at her home, death being caused by whooping cough. Funeral services are held this afternoon at the St. Paul Lutheran church.

Official Paper Pennington County

You can "do your bit" for the disabled veterans next Saturday by buying a Forget-Me-Not offered for sale by the local Legion Auxiliary.

Reports from various parts of the Northwest indicate that this locality is particularly favored as to the weather in connection this fall and while Florida weather may be balmy and all that, Pennington county residents are satisfied with a brisk northwesterly in preference to sweeping hurricanes.

The annual financial report of the county's schools compiled by county superintendent contains some interesting comparisons between city and rural schools. A summary of the report appears elsewhere in this issue. Read it.

PROHIBITION CONVENTION

The Anti-Saloon League of Minnesota invites interested representatives or organizations of the state to be represented at a Minnesota prohibition convention to be held in the Twin Cities October 11 to 14, inclusive. The headquarters committee in calling this convention believes that it will definitely establish the fact of paving injustice of forcing abutting property to pay special assessments for paving improvements which benefit the whole community.

MRS. O. J. KVALE DIES

Mrs. O. J. Kvale of Benson, wife of Congressman Kvale of the Seventh district, died recently after a long illness. Mrs. Kvale was a member of the Trinity Lutheran church at Benson. Before her marriage she was a sister of I. T. Simley, until recently superintendent of the local schools.

BILL BOOSTER SAYS

McCANNEL NOT COMING OCT. 6

The visit of Archibald McCannel of Minot, N. D., Ninth district Rotary president, who was scheduled to address the local club October 6, has been postponed, that being the date for the opening celebration of the sugar beet plant at East Grand Forks. It is likely that he will come here later in the month.

REIN MAY COME HERE

Mr. and Mrs. Drege S. Biornaraa, accompanied by Miss Marie Rein, concertmeister, returned to Warren Monday evening to attend a concert by the violinist, Nils Rein, who was accompanied by Carlton Schoen, talented Grand Forks pianist. Before starting out on a tour thru the East the latter part of November, Mr. Rein will play in a number of North Dakota towns and may also appear in Thief River Falls.

REPAIRING RESIDENCE

Workmen have been busy repairing the house on the corner of Knight avenue and First street recently purchased by M. W. Evenson from the Northwestern Building Association of Fergus Falls. The basement has been rebuilt; the building painted and various other improvements are made. The residence was formerly occupied by Wm. Sponheim.

THE WRONG METHOD

(Fergus Falls Journal)

The other day in an interview in the Journal, Mr. Adams called attention to a case which he discovered at Thief River Falls where a mail carrier who owned a small home received a paving assessment on a property 40 foot lot amounting to $1024. This assessment was to be paid in twenty years and with the first payment made a special assessment of $104 in addition to his other taxes, and he abandoned his property. The Minneapolis Journal in an editorial commenting on this situation says:

"This is a limit to taxation, as there is in almost everything. When taxes reach the point of confiscation, they cease producing revenue. This is illustrated by the case of the mail carrier in a Northern Minnesota town, recently cited in one of the newspapers of that region.

"This man owned a small residence property in town, with a seventy-foot frontage and it was assessed $1,024 for paving. At the last twenty years at 5 per cent, the interest and the annual installment was $104. This added to the taxes of over $100 made the last payments altogether too much for the mail carrier's case illustrates the injustice of forcing abutting property to pay special assessments for paving improvements which benefit the whole community."

PublicForum

REVIEWS WEFALD'S RECORD

Editor Times:

I note that my friend Quist still insists on his election figures, and especially that in 31 precincts of Pennington county Selvig got only 151 votes. We have been accustomed to think of Pennington county as a unit, but if Mr. Quist wants to sub-divide it it is none of our affairs. If he insists that Thief River Falls, St. Hilaire and Huot be classified as not in the county any more we will simply let him have it his way.

I also note that he admits that maybe Selvig didn't make "stump speeches" for Kellogg and Frazer, but that he should have done so in order to be entitled to a place on the Republican ticket. The proposition then is, that if Selvig made speeches in favor of the slave-named gentlemen he should be condemned for it, and if he didn't make speeches in favor of them he should be condemned for that. Either way he ought to be condemned, according to Mr. Quist's way of reasoning.

Speaking of the Tinsher bill recently defeated in Congress Mr. Quist says:

"In that instance the President did not hesitate to recommend legislation."

I have a copy of the Congressional Record, and have searched it for the message to Congress recommending the Tinsher bill. It isn't there. So it is evident that again Mr. Quist said something that he can not prove.

My understanding is that the President has not recommended either the Norris-Sinclair bill, the McNary-Haugen bill, the Tinsher bill or the Aswell bill; that it is for Congress to work out the problem of agricultural relief legislation.

Mr. Coolidge, as President, has no power of legislation, but under the tariff act he has the power to change the schedules to a certain extent, the chief advantage of that power to raise the tariff on butter from eight to twelve cents per pound, and he also denied an application for a reduction of the tariff on flax. He has at least three two definite cases to his credit, while Congress has done nothing.

It is well for those with a little common sense to remember that Coolidge will be President for more than two years yet, and that any measure of farm relief adopted must be approved by him after it passes Congress. He is probably entirely human, like the rest of us, and the Wefald resolutions at him, and pretending that they are not at the mercy of the farmers' tariff likely to make him enthusiastically do all what they demand. Most men can be coaxed, or convinced by reasonable arguments, but when they are commanded they usually respond by getting contrary. That is human nature the world over.

The blocking of legislation in behalf of the farmers has been in Congress, and don't forget that the leadership in the fight against the McNary-Haugen bill has come from LaFollette congressmen from Wisconsin, as much as from the east.

The League of Nations and World Court the settlement of those questions are in the Senate, not in the House, but I can say that Selvig is a consistent admirer of George Washington and his advice to let other nations attend to their own affairs.

Mr. Quist says:

"As to what Congressman Wefald will do when re-elected we have no need to predict. We have had several perfect demonstrations, and we can safely judge the future by the past."

That is perfectly fair, and I want to take advantage of the occasion to point out just a few of those "perfect demonstrations" of the past whereby the future may be judged.

On page 2167 of the Congressional Record for Feb. 9, 1924, appears the roll call on the passage of a resolution submitting an amendment to the constitution prohibiting the further issuance of tax exempt bonds, except for farm loans. It takes two-thirds of the vote to pass a constitutional amendment in congress, and this was defeated by a narrow margin, there being 274 "Yes" for and 143 against. Wefald, representing this district, was the only member from all the congressional districts in the northwest to vote against the amendment. Kvale, representing the Seventh district for the Wisconsin delegation voted for it—with one exception, but Wefald joined hands with the Wall Street Republicans and the Southern Democrats against it.

Is that one of the "perfect demonstrations" Mr. Quist speaks of?

In 1916 there were 1,296 people in the United States who returned reports and paid income taxes on incomes in excess of $300,000. Four years later the number had shrunk to 199, and at present there are but very few left. Instead of paying the high income taxes those fortunes have been converted into tax exempt bonds and pay no taxes whatever.

Louis Hill, son of the railroad builder, testified in court that he increased the income of his mother's estate from $350,000 in 1916 to $700,000 in 1919, by selling off the taxable bonds and securities and investing the money in tax exempt bonds.

Mr. Wefald shouts loudly and wrathfully about the administration's tax law, and at the recent session, because it reduced the income tax, but some of the largest incomes. Let he voted to maintain the tax-exempt bond privilege so that the very rich can escape taxation entirely.

What can be more fantastic than a congressman who declares that the big incomes should be taxed forty or fifty per cent, and then votes to maintain the means whereby they need pay no taxes at all.

As a further sample of the "perfect demonstration" Mr. Quist speaks about let me call attention to the new immigration law which goes into effect next July.

The quota of immigrants from Sweden is reduced from 20,042 a year to 3,707 a year.

The quota of immigrants from Norway is reduced from 12,205 to 2,433 per year.

The quota of immigrants from Germany is reduced from 67,607 to 22,817 per year.

The quota of immigrants from England is increased from 77,342 per year to 91,111 per year.

The Nordics are among the best people this country has received from Europe. Since the first crew settled on the shores of Delaware Bay in the sixteenth century, up to the present time, they have been among the greatest builders of the American nation. One of their contributions, probably saved the United States from destruction during the Civil War. Yet now Mr. Quist will cut it down as one of the "perfect demonstrations."

The Norwegians have always looked upon themselves as the main factor in building up the northwest. Host of them came here with empty hands and a will to work, and no one sought to say that they are undesirable citizens and should be almost excluded from the country. But this new immigration law that Mr. Wefald voted for does that.

We had a war with the Germans a few years ago, but we should forget that, and we will probably never have another one. No one can truthfully say that the Germans are not among the most industrious and desirable people that have come to our shores. I don't think Mr. Wefald was justified in voting for an immigration bill to reduce the number that can come here.

And why should the English be favored? Granted that they are as good citizens as the Scandinavians or Germans, why should the quota from England and decrease it from the rest of northern Europe. We have been at war with England twice, and only once with Germany. Why favor the one over the other?

Personally I believe there is plenty of room in America for industrious people who come here to make their homes, especially those from northern Europe. Personally I disapprove of some of the immigration laws that have been passed, but I am willing to be considerable, and admit those that will make good citizens, no matter what country they are from.—In the words of the poet—

We have room for the man
With an honest dream,
With his heart on fire
And his eye aglean;
We have room for the man
With a purpose fine,
Who comes in our shores
To start life anew.

We have room for the man
Who will leave all for us,
Who will stand by our flag
In its trouble days;
We have room for the man
Who will till the soil
Who will give his hands
To a fair day's toil.

But we haven't an inch
Of space for him
Who comes to idle
Around life and limb.
We haven't an inch
Of space to spare
For the breeder of hatred
And black despair.

I will submit the idea that the stagnation of farm land values here in the northwest is partly due to the slowing down of immigration from northern Europe, and to the divergence of capital from the west to states having no tax-exempt bonds.

Mr. Wefald will probably try to offer an alibi for his vote on the new immigration law; to the effect that the quotas about to be established will be reduced into the law by the adoption of a conference report, but Wefald voted against the passage of the bill in the House. This conference report was adopted without a record vote, so there is no way of determining whether or not Mr. Wefald voted for the conference report.

But presuming that he voted against the conference report, retaining the lower quotas the vote

Campaign Issue

(Editor of The Times:

The controversy between Mr. Martin Wiksten and Quist and Hanson is interesting. I shall also briefly try to explain what the real issue in this year's campaign is based on.

The eastern and southeastern states of our country are the industrial sections of U. S. and the concerns there are the buyers of the grains and raw materials produced by the agricultural middle western states.

The buyers are naturally very interested in keeping the prices of these things as low as possible. This they would be made that would work against their interests.

These last years the industrial section of our country have had a majority in Congress (Republican) and have successfully frustrated the efforts of the minority nicknamed "the farm block" and "radicals."

The so called "radicals" believe that it is neither fair nor sound statesmanship to let the buyers of farm products have the full control of prices on these products. We "radicals" know also that the buyers of farm products are also the manufacturers of nearly all things we buy and that very well-organized and strong enough financially to fix prices on their own products. Thus the industrial section of our country fixes the prices both on what we sell and on what we buy. We claim that such a power in the hands of one section of our country is not fair and right.

Because we have such a conviction we are called Bolsheviks and are likened unto Russian Bolsheviks by such men as Mr. Martin Wiksten.

Either Mr. Wiksten does not understand the political issues of the day, or he does not care, or (which is most likely) does not care.

But as Selvig's political manager is the present campaign and, of course, speaks Mr. Selvig's mind. No one can doubt that Mr. Selvig, if elected, would join his efforts with the republican industrial section of our country.

The final thing with most of those who seek a legislative office now (and always has been) is that they seek the office either for the honor there is in it, or for their own personal benefit in some other way.

Before election they are willing to help the producers because they need their votes—and after election they help the oppressors because they have the most money and influence. (I do not refer to county offices).

But farmers and laborers are rather slow to be led like sheep by such selfish politicians, and the politicians know this very well and take advantage of it.

If farmers and laborers only would stick together in elections they could easily get much control of law making.

I do not mean to say that they ought to have all control; that would not be more fair than that the industrial section now has nearly all the control of the prices on what we sell and what we buy. There should be no classes rule, but every class should have their share of the rule.

A. K. Lockrem.

THEO. QUALE
Candidate for
COUNTY ATTORNEY
"HIS RECORD IS GOOD"
Vote for him for 2nd
POLITICAL ANNOUNCEMENT—Inserted and paid for at regular advertising rates by Theo. Quale, Thief River Falls, Minn.

PAID ADVERTISEMENT
N. J. Anderson
Candidate for
REGISTER OF DEEDS
Pennington Co., Minn.
In announcing my candidacy to the voters of Pennington county I wish to state that I have lived in this part of Minnesota since I was nine years of age, coming here in the spring of 1870 with my parents who settled on a farm in Becker county, six miles from the southeast corner of the White Earth Indian Reservation, and as a boy and young man I had to do all kinds of farm work. I was railroading for about 2 years and was working for the St. Paul, Minneapolis & Manitoba railroad at the time that road was built to Crookston now is located. I have served you as register of deeds in the past and point to my record in office for consideration.
...But at the present time I am out of work and asking you for a job, and I think assistance you can give me at the coming election will be highly appreciated.
(Prepared and inserted in his own behalf and to be paid for at the regular advertising rates by N. J. Anderson, Thief River Falls.)

ST. HILAIRE

Confirmation Exercises

A large crowd was in attendance at the confirmation exercises held at the Black River Swedish Lutheran church Sunday morning at 10:00. Rev. A. Nelson, pastor of the local church, conducted the services. Special music by the choir consisting of female quartette and several songs by the confirmation class. The confirmants were Carl and Hulda Mosbeck, Alice and Elmer Naplin, Oscar and Hazel Anderson, Marvin and Clarence Person, Harry Jesse and Lillian Larson, Fern Waldeck, Ralph Erickson, and Ferdie and Marie Anderson.

Farewell Party

Wednesday afternoon at the close of school, pupils of the fifth, sixth, seventh and eighth grades and freshman class and faculty members entertained with Miss Tirchell's aunt and uncle, Mr. and Mrs. M. Pricker.

S. T. Fjeldahl, who has been manager of the local St. Hilaire Retail Lumber company retail yard, has undertaken charge of work on the road for the company this fall. He left Monday morning for Minot in North Dakota to do collecting and look after other business for the company during his absence the local yard will be in charge of E. Jensen of Grand Forks.

Mr. and Mrs. Fred Hanson of Thief River Falls, accompanied by Mrs. E. F. Hanson and daughter Mildred of this village and Mrs. Lars Haugen of Black River Falls, motored to Hallock and Lake of the Woods Monday, where they will spend a few days visiting at the home of the latter.

Mrs. Verner Nelson of Thief River Falls spent Wednesday at the Jal Fricker home. On her return she was accompanied by her daughter Clarine who had spent several days visiting with her grandparents.

Knute Odegaard, who teaches at Wanke, spent the week-end visiting with his parents, Mr. and Mrs. Jens Odegaard. He returned to Wanke Sunday.

George Fricker autoed here from Holt Wednesday to make a brief visit with his parents, Mr. and Mrs. M. Fricker.

Clarence Halstrom returned Wednesday from Winger where he has been employed during the summer months.

Mrs. A. B. Swanson of Plummer has been spending a few days visiting at the E. O. Burke, S. Helf and O. Brandum homes.

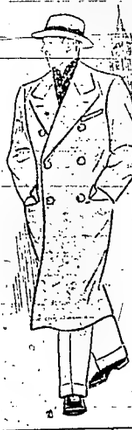
Lloyd Ellsen, who is employed at the Brunsdale hotel at Thief River Falls, spent Saturday evening at his parental home.

L. F. Espeland spent the week-end at his home here. He left again for points in North Dakota Sunday evening.

Miss Anne Patterson and brother, Donald, arrived Tuesday morning from Maple Lake. Donald expects to leave for Minneapolis this week to resume his duties at the university.

Mr. and Mrs. Gilbert Emanel and children spent Sunday visiting with relatives at Red Lake Falls.

Miss Nora Lindquist, who teaches in the local school, spent the week-end with her parents, Mr. and Mrs. C. J. Lindquist of Black River.



Mrs. Charles Berg left Sunday for Crookston after a week's visit at the R. Larson home.

Motorist (sarcastic)—Don't stand there. Go and fetch the doctor, you fool.

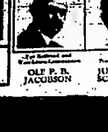
A RECORD OF ACHIEVEMENT

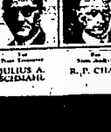
Minnesota's Republican Administration has—

FOR GOVERNOR

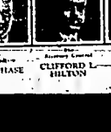
Established budget system.
Reorganized State Government.
Stopped increase in State appropriations.
Promoted local and State economy and tax reduction.
Urged adequate farm legislation, enforced rate reductions, development of waterways and relief of railroad discrimination.
Secured improvements in natural resources.



W. I. NOLAN



MIKE HOLM



Vigorously opposed Power Trust encroachments on State rights.
Secured Survey to curb grain gambling.
A vote for Shenkman is a vote for public officials who understand and will support the policies of Governor Christianson.
Issued TV Loving Cup Medallion, Illustrating Minnesota's progressive administration.
Long distance telephone rates will be fair.

THIS IS OVERCOAT WEEK HERE
---A Splendid Array of the Best Overcoats for Winter

You may have been thinking about a new Overcoat for Winter, but now the time for thinking is past. If you do not want to be caught in a regular old blizzard some morning and have no Overcoat to wear, stop in today and pick yours out. Then, too, the selection of models and materials is more extensive now than it will be later.

Oregon City Overcoats, Tailored from Famous Oregon City Virgin Wools. "For Men Who Care." $42.50

McKibbin Fur Lined and fur collared Coats, wool and moleskin shells. "They will keep you warm." $19.75 to $35.00

Morawetz All Wool Ulsters and Dress Coats, belted and box backs for men and young men. "They're Mighty Snappy." $18.00 to $27.50

QUALITY REMAINS LONG AFTER PRICE IS FORGOTTEN

Teacher: "What do you expect to be when you get out of school?"
Beulah: "An old man, ma'am."

Sammy Mandell.

It works no hardship on the athlete who is in training. Unlike the eye tense that have been used for years, this equipment and successful training of men makes conditioning more of a pleasure than a distasteful necessity. Instead of demanding that his men eat only certain things he advises them to eat what they want and when they want it so long as it is cooked in a proper manner. Mr. Howard, in a recent interview on the subject of diet and condition, said, in part: "Years ago it was a treat, and a supposed cure for a boxer or a wrestler to train for a bout because he was forced to literally starve himself unless he wanted to eat steaks and chops at all times. I remember that when I was training for a match, I was so truly tired of steaks that I ached every time that I ate them. Now I eat what I like and I advise my men to diet at all times but it is perfectly possible for them to diet and, at the same time, to enjoy their food. My only 'don't' to the one reserving the eating of pork and sweetness as fresh milk and cheese, and vegetables are fine. In fact, I encourage the use of evaporated milk entirely. Vegetables are fine and the more that the states eats the better it is suited for it. Pastry, of certain kinds, such as cream pies, cakes and cookies, if made correctly, and with pure butter, evaporated milk and pure lard, are perfectly beneficial. Fruits and nuts are ideal. Taken as a whole, any food, with a few exceptions, is all right if prepared cooked and eaten without gorging."

And one has but to look at Howard, who is the most religious user of his own system, to realize that it is a success.

His Measure of Time

"What did the minister preach about?" "About ten or twelve hours if it seemed to me."

Invitation

"As a great musician, what was your biggest?" "Listening to goofy yells at football games."

Trainer of Boxers Gives Diet Hints

To Kid Howard of Chicago and his new system of training and conditioning, Sammy Mandell, the present lightweight boxing champion of the world, gives a great deal of the credit for his meteoric rise to stardom in the world of pugilism. When Mandell first started fighting, he was small, weak and undeveloped. After turning almost over to Howard it was only a short time before he took the decision from Bill Terris of New York—that resulted in his being recognized as the best of his lightweight class. Howard's system is unique in that

CITY COUNCIL PROCEEDINGS

COUNCIL PROCEEDINGS, THIEF RIVER FALLS, MINN.

The City Council of the City of Thief River Falls, Minnesota, met in regular session in the council chambers of the city hall on the 7th day of September, A. D. 1926, being called to order by Alfred Breidenbach, president of the council. Present: Aldermen Peterson, Bradbrook, Hammond, Breidenbach, Lindquist and Mayor Hanson. Absent: Aldermen Johnson and Lee.

Minutes of the regular meeting of August 17th, 1926, were read and approved as read. Minutes of the special meeting held August 30th were read and approved as read.

Moved by Peterson, seconded by Lindquist that the matter of the question of the Thief River Falls Band playing for the dances at the Lakeside Park pavilion be referred to the committee on parks and playgrounds. Carried.

Moved by Peterson, seconded by Hammond that the Thief River Falls Band be engaged to play for the dances at the Lakeside Park pavilion for the season of 1927 at the rate of $50.00 per night. Carried.

ARRESTED IN GRAND FORKS
The following article appeared in the Grand Forks Herald: "Grand Forks police have arrested L. E. Fowler, who was picked up here Friday afternoon carrying a full automobile outfit. Fowler was bound over to the district court this morning under bonds of $1,000, on a charge of carrying concealed weapons. Communication with the sheriff at Thief River Falls, where Fowler said he lived, disclosed a wife there who claims that he slept with the gun under his pillow at night." According to Sheriff O. L. Dale, Lewis E. Fowler is not a local man, but hails from California, and was married at Crookston, August 12, to Ella Herrick of this city.

The Work of the World

Approximately 2,812,000,000 gallons of gasoline were produced from heavier oils by the use of cracking processes in 1925, according to an information circular issued by the U. S. Bureau of Mines.

Assuming that 400 gallons of gasoline represents the fuel requirements, for the average car per year, the Bureau of Mines' statement means that the development of cracking processes, in which the Standard Oil Company (Indiana) is a leader, was responsible in 1925 for adding to the world's output, a year's supply of gasoline for 7,060,000 automobiles.

Measured thus in terms of automobile transportation, the relation of the cracking process to modern life is readily understood. Its importance can be better appreciated by some knowledge of the problem it has helped to solve.

During the ten year period, 1916 to 1925, the production of crude oil increased 152% while the number of cars and trucks registered increased 472%.

A tremendous increase in demand for gasoline, the finished product, without a corresponding increase in the supply of crude, the raw material, presented a real problem.

Experts predicted there would not be enough gasoline to go around and that prices would soar prohibitively.

Today with approximately 21,000,000 registered automobiles in the country, it is obvious that their predictions would have materialized but for a revolutionary discovery.

Scientists in the laboratories of the Standard Oil Company (Indiana) discovered and developed processes for producing gasoline by cracking which more than doubled the yield from crude oil.

The Standard Oil Company (Indiana) keeps the processes which belonged to it exclusively, to competitors.

That the 21,000,000 motorists in the United States today are able to buy all the gasoline they need at a low price is due in large measure to the scientific work of the Standard Oil Company (Indiana) and its integrity of purpose in passing on the benefits of that work.

This important scientific service of the Standard Oil Company (Indiana) is but one link in its long record of long-serving loyalty to the motoring public.

The Standard Oil Company (Indiana) is proud of the work it has done, for it believes that any contribution to the work of the world—large or small—justifies a legitimate pride when it represents the utmost ability of an individual or an organization.

The extent of the service which the Standard Oil Company (Indiana) wishes to render to the thirty million people of the Middle West is limited only by its ability.

Modes Predicted by French Makers

Short Skirts and Ensemble to Remain—Embroidery Is Featured.

The virus of jealousy and its intolerable rewards are now becoming apparent to those ladies whose slender budgets are forever placing restoring strictures upon their sartorial fancies. Midsummer is proverbially the time for economical wardrobe considerations, and for the thrifty—and long-waiting the hour of opportunity has struck. The problem in any season is so simple as it seems—the numerous ladies who await this moment to complete their outfits are concerned far less with today than with tomorrow, and the new frock or coat or hat is acquired principally with an eye to its future utility." Obviously, says a fashion correspondent in the New York Herald Tribune, it becomes necessary to approximate the next dictates and basic changes in fashion before proceeding...and—it is equally essential to prevalue modes whose vagaries are losing their former potent appeal. The following considerations are directed toward those ladies who now are hesitantly approaching their contemplated—or—unessential—shortly dictated by the laws of economics.

Moderately Short Skirt.

The question of skirt length is at mooted an ever. The acute abbreviations of once spring and summer modes brought the few remaining Grundys to their feet with the most philippics, but the remnants of that once large army are a little jaded these days and their lamentations are of no effect. Hems remain as they were clearly established, and the new skirt length will ever wish to intersect her, and so the new skirt length will vary from about three to six inches below the knees, and there will be the expected alternations some Victorian in their inhibitions, others crude in their exhibitions.

Crepe Roma Dinner Frock; Jabot on Waist, and Narrow Sash.

Very Full Fluffy Skirts.

Callot's tulle dresses, with very full skirts and trains, appear to wonderful advantage in the exhibition, are gaining in popularity by the minute. They are practical and are a fairly

A question that literature presents itself for considering the new season is the silhouette. The dominant opinion on this subject is general—very general that the flare will be the astonishing factor and an equal astonishing point. But the manufactured daylight fits it for a time, which will better are gradually and definitely giving way to the good old days and opportunities who were "ladies" nevertheless in the gay of early light simplicity. Our waistline at first, but later leaves the silhouette has lower limits imposed by an entire short contradictory shift anywhere from the waistline downward. The term "flare" means a modest flaring, and if you could open that constriction, the flare, except in its most tempered version, will impart to the rising spirit of best season's fashions. The modish silhouette will emphasize a distinct widening at some portion of the skirt—it may be a free interpretation of the hemline flare, now, and the new frock or coat or hat is acquired principally with an eye to its future utility." Obviously, says a fashion correspondent in the New York Herald Tribune, it becomes necessary to approximate the next dictates and basic changes in fashion before proceeding...and—it is equally essential to prevalue modes whose vagaries are losing their former potent appeal. The following considerations are directed toward those ladies who now are hesitantly approaching their contemplated—or—unessential—shortly dictated by the laws of economics.

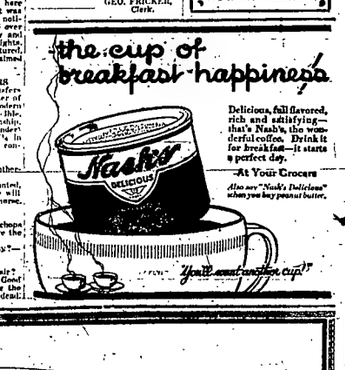
Returns From Conference

Chester Voyenski, local agent for the Equitable Life Assurance Society, returned Monday night from St. Paul where he attended a business meeting after attending the educational conference of the W. W. Kinsman agency of the Society at Breezy Point on Big Pelican lake near Brainerd. Nearly 200 persons from Minnesota, North and South Dakota attended the conference. Some of the leading officials of the company from New York and other cities addressed the agents.

P. WIREN PROPS DEAD



Peter Wiren, aged 66, dropped dead Monday at 7:30 p. m. at the A. J. Pummerehl farm three miles west of the city, while assisting in threshing. Dr. H. W. Froehlich, coroner, declared death caused by apoplexy. Deceased was born in Gulbrandsdalen, Norway, and in 1882 came to Eau Claire, Wis. There he was married but his wife died shortly afterward. He has made his home with his brother, Amund Wiren, of this city, the last 25 years, working out at intervals. He suffered three weeks ago from Devils Lake, N. D., where he was employed last summer. Beside his brother at 421 Duluth avenue, he is also survived by a sister in Wisconsin and a brother and three sisters in Norway.
Funeral services will be held tomorrow at the Larson Chapel and interment will be made in Greenwood cemetery.

—Sept. 23-30

NOTICE FOR BIDS.

Sealed bids will be received by the Village Council of the Village of Thief River Falls, Minn., up to 8:00 P. M. Sept. 30th, 1926 for moving the Olaf Iverson house from the Village of Holt to the Ole Norbeck Farm Dwelling Northeast of Thief River Falls. Henry Lian home.
Rosewood school notes: Ruth Langeland from Willowdale school in Pennington county made a pleasant call on Wednesday. Alvin Hellquist has taken up school work during the absence of Mr. Korpp. No. 147, Newfolden; Hattie Kaschagen, No. 121, Thief River Falls; Anna Rude, No. 126, Grygla; Alma Nelson, No. 151, Gatzke; Christine Peterson, No. 126, Holt; Rose Lahmkuhl, No. 162, Viking. Ninety-six Marshall county schools are now in session, Supt. Nels M. Engen reports.

MORE RURAL TEACHERS
Agnes Koglin has been hired as instructor in district No. 66, Supt. O. H. Sande announces. Myrtle Olson is the teacher in district No. 28, and Lillian Knight is employed in No. 7. This completes the staff of teachers in the county's rural schools.

TEACHING IN MARSHALL
Among the teachers in the 12 Marshall county rural schools which opened Monday are the following of interest to Times readers: Elfa Myhrer, district No. 67, Newfolden; Metta Sande announces. Myrtle Olson is the teacher in district No. 28, and Lillian Knight is employed in No. 7. This completes the staff of teachers in the county's rural schools.

MORE RURAL TEACHERS
Agnes Koglin has been hired as instructor in district No. 66, Supt. O. H. Sande announces. Myrtle Olson is the teacher in district No. 28, and Lillian Knight is employed in No. 7. This completes the staff of teachers in the county's rural schools.

TO CAMPAIGN HERE
Theodore Roosevelt, Jr., will campaign in the ninth district October 4 and 5 according to an announcement made last week. It has not yet been determined however, what parts he will be on his itinerary, altho it is likely that one of them will be Moorhead.

"Your dog House expired July 31st," wrote the Bemus man.
"He did the dog," endorsed the wife.
crack—Our Navy.

"My little boy knows more about the radio than I do."
"Mine knows more about it than the manufacturer."—Input.

At the class elections some of the students disapproved of the chosen officers, and make no attempt to keep their views to themselves. Their petty, prejudiced criticism got back to the person concerned leaving this individual downcast, bitter and sad. Why do people persist in this meanness. Those cutting remarks, flippantly given behind someone's back, cause much needless pain. You yourself—in fact almost all of us—have both gossiped about people we didn't like and heard "dams" concerning ourselves. The world is made up of many scandal-mongers, always anxious to "get something over" on their rivals. Some have this quality of feeding the gossip market in a larger degree than others so that it is a real thrill to find a really fair-minded being. The "backing-stroke" of forgiveness served to cool the fervor of every talkative woman. You have our word women gossips, men gossips and chit-chatters, no form of quelling their unwholesome malignancy.

PERSONALITY

The over-worked word personality produces only a vague and indistinct effect, for you all possess personality—that is you are unlike others—which means that personality is not in the added faculty denied to you. It is the way you use the powers you possess. An illustration of this is in your handwriting which you can easily pick out of thousands of other specimens. It may be weak, or ill-formed, or grotesquely impressive, but as a rule personality may be pleasant sarlonic or impressive in any feature.

Therefore because this word is used erroneously and because it is so common to the point of becoming hackneyed, try to adopt other methods of conveying your meaning or you will leave a more definite impression.

For example: adjectives used to modify the noun personality, or prefer-ferably an adjective are always clear and concise. Then, too, there are numerous synonyms for personality, such as, disposition and temperament. Your own ideas an expression are undoubtedly the best—but—here all if anyone impresses you, pleasantly so, think just before you say, "She has lots of personality."

KINDERGARTEN STUFF

See the students.
What are the students doing?
They are cheering the team.
Does the team like it?
Yes, the team likes it!
How many students are there cheering?

Four hundred and thirty.
Will they all be at the game?
No, only about seventy of them.
Why only seventy cheering?
Because it is too far to walk.
Then why are they cheering?
Because this is a pep meeting
Do they always cheer at pep meetings?

Yes, always cheer AT PEP MEETINGS!

BRIGHT GIRLS ATTEND D. B. C.

When Elvina Thompson, valedictorian, and Selma Bjerke, salutatorian, of the Twin Valley High School decided on a business career, they also decided on Dakota Business College, Fargo, to get the benefit of actual business training (unobtainable elsewhere—copyrighted.) Result: Miss Thompson is at Lisbon with Harvey Sutton Realty Co., and Miss Bjerke at Valley City, with Fidelity Building and Loan Ass'n. Girls! be bright. Watch results each week—Follow the Success-ful." Last Fall term Oct. 4-11. Write F. J. Watkins, Pres., 806 Front St., Fargo.

Save $100 On Your Business Course

Karen S. Suthre, Principal — Crookston, Minn.

GRAFTONITES MEET LINCOLN PLUNGERS IN SATURDAY GAME

Probable Partial Line-up to be Lufkin, Bessler, Ericson, R. Wengvier, Oen, Severson

Thuse's gridiron warriors will try their first opportunity to test their mettle on Saturday, when the Grafton Flyers play here and open the season's schedule of games.

The Grafton teams have always been good and have been in the North Dakota states championship finals several times during the last few years.

Last year the Lincolnites won from Grafton by a 7-6 score in a closely contested game. As most of Grafton's last year veterans are back again, they will make a strong opposition. The showing made by the Thief River team in this game will be a good indication of the team Lincoln High will beat of later in the season.

The probable lineup on the Lincoln team will be: Florin—Lufkin, Dahlow, Roth, Harris; tackles—Bessler, Ericson; guards—Hanson, Lehmann; centers—Ericson, Aunstad; ends—R. Wengvier, Lee Grafton.

Carlson, Angell, and Kilandi halfbacks; Oen, Lincolnites, and Snyder, Arvold; fullback—Severson, Grafton, and Severson—Severson, Gilson.

The local boys have been practicing strenuously during the past week, spending most of practice periods in the fundamentals of blocking. They have also taken up some new plays in preparation for Grafton.

The football fans will have the opportunity of seeing at least three good teams during this season. Following is the schedule as announced by Coach R. Thune:

Grafton, here, September 25.
Grafton, here, October 9.
Warren, there, October 16.
Crookston, here, October 23.
East Grand Forks, here, October 30.
Fordston Aggies, there, Nov. 6.

Boys' Band of Nearly 30 Members is Organized

According to an announcement made by Bandmaster E. P. Tuleen, the "boys' Band" organized at the beginning of the school year, numbers 14 Cornets, clarinets and 14 Lincolnites. As the band roster has not been completed, the names of the players and their instruments will not be published until next week.

TEACHER TRAINING NOTES

E. W. Everts, state supervisor of physical education, visited the teacher training department Wednesday of last week and favored the students with an interesting talk on physical education which he emphasized to show the necessity of good posture. A drive of properly performed calisthenics, gymnastics and athletics among school children. Mr. Everts' talk was productive of good results. If effects can be judged by the favorable change in a number of Normalite posture.

The Teacher Training department organized Friday afternoon, electing the following officers and committees: Irma Becker, president; Mae Kenney, vice president; Dorothy Olsen, secretary; Leslie Carlson, treasurer; Eva Avery and Dorothy Swedenburg, reporters; entertainment committee, Hel'n Moorehead, chairman; Gladys Kjos, Mayvette Hilson, Theodore Lund, and Clifford Berube.

Miss Bessie Dreland of Hazel, a guest of Myrtle Hadfield over the week end, visited the department Monday.

Several students have been doing lesson observation work in the Northwood and Knox schools during the past week.

Miss Martha Swenson of St. Hilaire visited the department Friday.

PERSONALS

Harry Moline began school Monday as janitor—he returned to school after being ill for two days.

Margaret Ouhl entered the Junior class Monday.

Oslaug Tweeten, who attended school at Trail last year, entered the Junior class Monday.

Mrs. Sargent of El Paso, Texas, visited school Friday. Mrs. Sargent is visiting with Mrs. Albert Johnson this week and will be remembered by many of her former schoolmates as Eleanor Foss.

Lenore Lieberman returned to school Thursday from a two weeks visit at Minneapolis and Duluth.

Lena Amon left Tuesday for Fargo to visit until Thursday.

Miss Lily Myrold of Minneapolis visited here Friday afternoon.

He: Do you think your father will object to my suit?

She: I don't see why he should. He wears one almost as bad.—American Sheep Breeder and Wool Grower.

Miss Ellie: "What is a vacuum" Ruby I: "I can't think of it just now, but I have it in my head."

Too Much "Acid?"

Excess Uric Acid Often Rise to Many Unpleasant Troubles.

AUTHORITIES agree that an excess of uric acid is primarily due to faulty kidney action. Retention of this toxic material often makes its presence felt by sore, painful joints, a tired, languid feeling and, sometimes, toxic backache and headache. That the kidneys are not functioning right is often shown by scanty or burning passage of secretions. Thousands find that their kidneys at such times by the use of Doan's Pills—a stimulant diuretic. Doan's are recommended by many local people. Ask your neighbor!

DOAN'S PILLS 60c
Stimulate Diuretic to the Kidneys
Foster-M Burn Co., Mfg. Chem., Buffalo, N. Y.

10 of Last Year's Normal Department Graduates are to Teach in Pennington Co.

Following is a list of 1926 teacher training department graduates and where they have secured teaching positions for the ensuing term, according to Alice Stapleton, head of the department:

Ethel Bixby, Pennington county, district No. 67; Evelyn Burlingrud, Polk county; Ansel Dahlen, Pennington, district No. 16; Clarence Dorais, Marshall county; Bernet Erickson, Pennington, district No. 9; Rebecca Halvorson, Polk county; Annie Hanson, Stevens county; Frances Hinelk, Polk county; Jessie Layer, Pennington district No. 69; Julia Malmquist, Pennington district No. 153; Martha Mathias, Roseau county; Selma Nakken, Marshall county; Emma Nelson, Pennington district No. 64; Betsy Nesseth, Pennington, district No. 11; Hilda Nyhus, district No. 2; Paul Olstad, Beltrami county; Gorman Thompson, Pennington, district No. 63; Anne Wedal, Pennhgat, district No. 80; Ruth Wing, Marshall county.

Miss Stapleton is a member of the Order of Grego Arte, also numbers among its members several Lincolnites who have earned the required test in art appreciation writing. Those obtaining this distinction are: Selma Sunderson, Lillian Krohn, Louise Veven, Gladys Rennerson, Ernest Jansson, Margaret Peterson, Clifford Overum, Fern Benson, Evelyn Peterson, Ruth Wells, Theodore Saugre, Marian Hund, and Frances Conklin. Selma Gunderson was awarded a Lincolnite pin and Fern Benson, "Pickles," will be given in the near future.

TEACHING IN WIS. "U"

M. Bapaex, principal of the local high school for years ago and who recently completed his M. A. degree at Yale university, is to teach in the Wisconsin university at Madison the coming year, according to word received here.

PUBLIC INVITED TO SPECIAL ASSEMBLY

Mrs. Bishop to Present Frances Willard Picture Gift of State W. C. T. U.

Frances Willard Day will be appropriately observed in the Thief River Falls high school Tuesday, September 28, when a picture depicting one of the great temperance worker, a gift of the Minnesota Women's Christian Temperance Union, will be presented to Lincoln High. The presentation will be made by Mrs. C. Bishop of this city. The public is invited to attend the exercises which commence at 11:55 a. m. according to announcement of Supt. Hugh Dye.

The picture, which was given to the school during the recent state W. C. T. U. convention here, is a token of appreciation for the work being done in the schools in scientific temperance instruction, according to Mrs. J. O. Lee, state W. C. T. U. superintendent of scientific temperance instruction.

NEW LIBRARY RULES

A change has been made in the library rules the past week. Students wishing to go to the library for reference work during assembly periods must omit putting the time on the library slip, this being filled in and the slip signed by the assembly-period teacher and the process repeated when the reference-seeker returns from the library, handing the slip to the teacher instead of leaving it at the desk. Miss Lavetta Harvey and assistants, all senior girls, are as follows: Period 1, Ruth Hanson; period 2, Dorothy Sibley; period 3, Mary DeVilling; period 5, Selma Gunderson; period 6, Theresa Newton; period 7, Stella Sylvester; period 8, Evelyn Wood; period 9, Gladys Vicenay, after school. Alternate Dorothy.

All the old and worn books have been really repaired during vacation and are on the shelves again.

Blonde are said to be disappearing but we need not worry, they'll be back again next year.—Niagara Falls Review.

Teacher: Use the word cord in a sentence.
Pupil: Mr and Johnny ha l a cord and Johnny hit him.—American Speech.

Boys' Johnson and 'Bunny' Hoppa are Cheer Leaders

The first real pep-fest of the year was held Thursday morning, when principal Harold C. Deming announced the results of the cheer-leader election. From a nomination of seven, Bernice Hoppa, Randall Nosper, George "Bunny" Johnson, Paul Mellby, Elmer Ness, Gladys Remmem, and Gordon Johnson, the two highest vote winners, Bernice Hoppa and "Bunny" Johnson were selected as leaders in peppy affairs for the year 1926-27.

Change Made in Requirements for H. S. Graduation

The state department of education will hereafter require of the graduating class of 1928 and following classes five credits in English, one credit in science, natural science, mathematics, and foreign languages. The significance of this is that it will mean taking too many vocational subjects.

STUDENTS HONORED BY NATIONAL GROUPS

Commercial Organizations Extend Membership to Typing and Shorthand Classes

Membership in the Senior order of O. A. T. a national typist's organization, has been extended to Lincoln a second time.

Last fall eight of papers sent in from the Shorthand II class, several of the papers passing the membership test. Just before the spring vacation period another club of Shorthand I papers was entered, and entire has just been received by Miss Minnie Krueger that the following have been accepted into the national organization: Violet Peterson, 26, Francis Conklin, Louise Veven, Alpha Hansen, Selma Gunderson, Marion Reynolds, and Rita Fiterman.

A shorthand organization, the national O. G. A. or Order of Grego Arte, also numbers among its members several Lincolnites who have earned the required test in art appreciation writing. Those obtaining this distinction are: Selma Sunderson, Lillian Krohn, Louise Veven, Gladys Rennerson, Ernest Jansson, Margaret Peterson, Clifford Overum, Fern Benson, Evelyn Peterson, Ruth Wells, Theodore Saugre, Marian Hund, and Frances Conklin. Selma Gunderson was awarded a Lincolnite pin and Fern Benson, "Pickles," will be given in the near future.

Richard Mabey and Donald Snyder Head Sophs-Fresh.

At the sophomore class meeting the following officers were elected: Richard Mabey, president; Florence Detrom, vice president; Estelle Hanson, secretary; Verna Liden, treasurer; William Froehlich, and Selma Steen, organizer-at-arms; L. P. Tuleen, class advisor. The freshmen organized with the following officers at the head of affairs: Donald Snyder, president; Hasine Dahlen, vice president; Harriet Bergquist, secretary; Wendell Beth, treasurer; Lorraine Zellmer and Harry Robinson, sergeant-at-arms; Leonard Thune, advisor; chaperons Miss Dixon.

Harriet Morgan is Editor of Moorhead S. T. C. 'Mystic'

In looking over the various school-paper exchanges, the staff's discerning eyes discovered that Harriet Morgan is editor-in-chief of "The Mystic", a paper published by the Moorhead state teachers college. Harriet served as feature editor on the local "Progress" staff during the school year 1924, and was the originator of the famous "one-hour" letters. The staff takes pride in the fact that a "progressite" has won such a distinction.

Alpine Climber—(who is hanging desperately to the cliff over which he had fallen) to guide—"If you have a moment to spare, drop me a line.—Bystander.

Mother: "How would you like a cake with sixteen candles for your birthday?"

"Yes," Kit: "I'd rather have sixteen cakes with one candle."

Operetta "Pickles" to be Presented by Glee Clubs

That Lincoln high school is musical was shown in the large enrollment of the two glee clubs last week, the boys club enrollment being the largest ever made. Almost all of last year's singers returned, and the sophomore class has furnished several new members. The practices will be Monday afternoon and evening were occupied in the election of officers announced. The following will lead affairs: Boys' glee club; Lucile Hermanson, president; Ruth Hanson, secretary; Ruth Wells, librarian; Dale Mellby, pianist; Marjorie Nicholson, and Helen Crosier, librarians. Director Maude L. Johnson announces an operetta, "Pickles," will be given in the near future.

MORE POSITIONS FOR U. C. C. STUDENTS

Send for free catalog and find out how little a course at this FULLY ACCREDITED school will cost you. 3tfc

Polarine Prevents Waste

During the war, waste was considered criminal. We are learning that in peace time it is just as bad. Modern economy, whether working in the interests of great industry, or home economies, emphasizes the need for conservation.

Unless your automobile is *scientifically* lubricated, you are wasting power, wasting fuel, wasting oil and allowing the engine to wear itself out unnecessarily.

The function of a lubricating oil is to keep the fast moving surfaces of the engine bearings covered with a thin protective film of oil at all times. A thin oil film must resist the grinding of friction. It must resist intense heat.

It is obvious that the problem of oil is a complex problem. It is obvious that any oil will not do.

The difficult problem of what oil you should use has been solved by the Standard Oil Company (Indiana). Its staff of lubricating engineers has worked for years, studying, testing, experimenting. Polarine is the result of their efforts.

Polarine is made from special crudes chosen entirely for their lubricating properties. It is made in different grades to meet the requirements of different engines.

Polarine performs its lubricating function perfectly. It protects the engine at all times. It prevents the waste of power. It prevents unnecessary wear and tear, and a premature consignment to the junk heap.

Drain your crank case frequently, thoroughly cleanse your motor with Polarine Flushing Oil and refill with the correct grade of Polarine.

Consult chart at any Standard Oil Service Station, or any authorized filling station or garage, for correct grade for your car.

Standard Oil Company
(Indiana)
THIEF RIVER FALLS, MINNESOTA

You Can't Put A Price On Service

The most valuable feature of electric light and power is service.

In spite of its importance, it is so intangible that it cannot be itemized on your bill.

If electricity were put up in handy packages and you were able to call at our office for it, that matter of service would be simplified.

To give you service, it must be instantly available on demand. When the button is pressed, the energy must be there ready to respond for whatever the chore requires. To make electricity thus available requires constant cost and vigilance.

That is SERVICE.

The cost of service cannot be measured. Only the actual current consumed, can accurately be charged to the consumer.

Our employees go the limit, even to endangering their own lives, to give you the best possible service.

Minnesota Electric Distributing Co.

Encourage Mouth Cleanliness

Children love the cool taste of healthful cleanliness afforded by Wrigley's Chewing Sweets.

And with Wrigley's they acquire a splendid system of practice of mouth hygiene.

It removes the bits of food which would ferment and injure the teeth.

It stimulates the digestive juices, thus aiding the stomach and general health.

Wrigley's is good for you, too!

COUNTY'S ELEVATORS HANDLE 255,763 BU.

Oats Leads Wheat in Quantity Handled by Elevators During Past Year

Pennington county's 11 elevators handled a total of 255,763 bushels as grain during the year ending March 31, according to records in the office of the county auditor, as returned by the assessors recently.

Oats produced leads all other grains with 172,855 bushels handled thru the elevators, the report shows, while only 100,731 bushels of wheat are reported handled. Practically the same quantity of flax and rye are reported, 47,483 bushels of the former and 47,501 bushels of the latter.

Thief River Falls has four elevators, St. Hilaire and Knowlton have each one, and Hazel, Maple, and Silverton have one each.

Marshall county still holds forth as one of the greatest grain producing counties in the state with 2,899,157 bushels handled thru the county's 27 grain elevators during the past year. Wheat production was the largest of all grains with 1,169,691 bushels, while barley with 1,050,730 for a full test, is the second largest.

Other counties handling more than one million bushels of grain during the year were Polk, 1,787,825 bushels; Norman, 1,485,000 bushels; Clay, 1,382,000 bushels; Kittson, 1,320,000 bushels; Red Lake, 1,315,000 bushels; Pennington, 1,100,000 bushels; Mahnomen, 1,000,000 bushels; Clearwater, 1,000,000 bushels; Beltrami, 1,000,000 bushels; Roseau, 1,000,000 bushels; Lake of the Woods, 1,000,000 bushels; Wilkin, 1,000,000 bushels; Otter Tail, 1,000,000 bushels; Becker, 1,000,000 bushels; Mahnomen, 1,000,000 bushels; Norman, 1,000,000 bushels; Polk, 1,000,000 bushels; Red Lake, 1,000,000 bushels; Pennington, 1,000,000 bushels; Clearwater, 1,000,000 bushels; Beltrami, 1,000,000 bushels; Roseau, 1,000,000 bushels; Lake of the Woods, 1,000,000 bushels; Wilkin, 1,000,000 bushels; Otter Tail, 1,000,000 bushels; Becker, 1,000,000 bushels.

NEW RATES OCT. 1

The order of the Minnesota railroad and warehouse commission granting authorization of the North western Bell Telephone company and the Tri-State Telephone and Telegraph company for approval of a reduced long distance rate in the state was issued. This becomes effective October 1.

Following are the figures for nearly Marshall county stations:

Station.	Wheat	Flax	Barley	Oats	Rye	Buckw't
Marsh on	3,100	200	19,000	7,000	7,000	
Hazel	1,530	1,500	573	5,915	342	
Goodridge	5,222	1,200	36,000	50,000	11,000	1,500
St. Hilaire	9,000	7,000	4,750	18,250	4,450	2,312
Silverton	1,800	1,000	1,377	14,750	6,000	
T. R. Falls (2)	61,512	19,775	15,178	56,410	16,704	3,656
Total	100,731	47,483	27,864	172,855	47,501	7,372

Mrs. Stella Cussons, Stewartville, is the new director of scientific temperance instruction in the public schools for the Minnesota Woman's Christian Temperance Union and will answer all questions pertaining to the work. Mrs. Cussons is now sending out Frances Willard Day in the public schools, September 28 and will soon have printed topics for essays ready for local unions to procure for their schools. Mrs. J. O. Neher of this city is the district director.

Miss Stoddard says: "The prize contests are only a part of the school work to be done in helping the boys and girls and other youth to understand that the total abstinence is necessary and desirable, and why national prohibition of the liquor traffic is desirable. But the contests are an important part of success, for they make the instruction concrete and may serve to deepen the interest not only of the contestants themselves, but of teachers, parents and the general community, as well."

The subjects this year have been chosen with a view to their fitting in, in current discussion of the alcohol question, in the United States, especially educational contests so that teachers may see how this subject is being use, related to others, which they are teaching, and also may carry on this contest work as a part of the regular school activities. Every pupil participating should be the aim however to have a part put on.

Miss Stoddard advises that this contest work should be started at the beginning of the school year, so that teachers may make their plans so as to include this in their year's schedule.

SUBJECTS FOR W. C. T. U. ESSAYS LISTED

Aims of Contests Cited by Director of Scientific Temperance Instruction

The director of scientific temperance instruction in the public schools for the National Women's Christian Temperance Union, Miss Cora Frances Stoddard, Boston, has just issued the subjects for the essays to be written for prizes offered by the W. C. T. U. for the school year 1926-1927. Thousands of essays are written in each state each year and the best in each grade sent to compete for the national W. C. T. U. prizes.

Miss Stoddard has delivered in Minnesota the awards to be made at the Alliance (N. C.) T. U. annual convention to be held September 24-October 1 in Lake Adgelet, Col., by the state prize winners who have just received their prizes from the state W. C. T. U. The contests were state conducted held in Thief River Falls. All of the state winning essays have been sent to the national director to compete for the national prizes, including some by local essayists. Minnesota has won many national prizes in Essay contests, expecting to get some of the awards this year.

The subjects for the 1926-27 essays are: teachers: "How to correlate the Facts and Principles of Alcohol with Work for Character Training;" normal schools and teachers' colleges: "Effective Methods for Educating Present-Day Youth in Total Abstinence and Prohibition;" academies and colleges: "What the Modern Social Attitude is Gain by Emancipation from the Drink Customs;" senior and junior high school classes: "(1) How Abstinence from Alcoholic Liquors Benefits the Individual, Benefits the Community, the State, the Nation;" "Dialogue;" "Why Not Use Cigarets To;" sophomore — freshman classes: "The Hero from 1925 to 1920 by which the United States Gained National Prohibition of the Liquor Traffic;" seventh-eighth grades: (1) "Why the United States Prohibits the Sale of Beer and Wine;" (2) "Why did the College Teacher say to Young People, 'Leave Smoking to Your Competitors'?" fifth-sixth grades: Temperance Work Book. (Details given in Subjects and Hints book.) Third grade: Reproduction of story: "How We Talked with Abraham Lincoln."

Special District Court Session Here October 6

Judge Andrew Grindeland of Warren is scheduled to preside at a special session of district court here Wednesday, October 6, at which the case of Pennington County vs. Goodridge State bank and signers of the surety bonds for county funds is set for trial. The case was included in the calendar of the July term but was postponed. The county is suing the bondsmen for the amount the county had on deposit in the Goodridge bank at the time of its closing, which was $11,267.56. Three bonds are involved. Those named in the defense beside the bank are H. S. Dahlen, Jens P. Jensen, Carl M. Larsen, H. W. Froehlich, Rasmus Oen, Peter Larson, E. Mohrsater, Roy Halseth, J. M. Hishop, Nick Bandhuny, H. D. Chamnis, H. B. Backue, J. H. Classen, Albert Wilkens, Christ Gimmestad and Thos. Gilbertson. Thos. Quale is representing the county as attorney in the case. Defendants being Fred W. Maloey, H. O. Chemnie, G. Halvorson, and J. M. Bishop of this city and F. G. Dunland of Moorhead.

Creamery Pays 45 Cents For L. O. L. Butterfat

Twenty patrons of the Thief River Falls co-operative creamery passed the 45¢ mark and three were within a few cents during the month of August, according to figures submitted by Manager Carl C. Hoiby. Lake Lakes brought an average of 45 cents a pound for butterfat and the lower grade cream 42 cents a pound.

Suit Against T. P. Anderson by Badger Firm Dismissed

An order was issued Monday by Judge Andrew Grindeland of Warren dismissing the suit of W. A. Marin Engineering company of Minneapolis vs. T. P. Anderson of this city, which was tried in district court here July 19. District court also gets judgment for costs and disbursements incurred in the case. A stay of 30 days was granted. Thos. Quale of this city appeared for Mr. Anderson, while plaintiff was represented by the firm of Orr, Stark & Kidder of St. Paul.

The Badger stove company, which went into receivership about four years ago, was suing Mr. Anderson for double liability, claiming that he was a stockholder at the time of the receivership. Mr. Anderson became the owner of three $100 shares as partial payment for a stock of merchandise, which he sold to the company in 1919, shortly after which he moved to Oklahoma. The defendant brought out that the stock had been bought back by the company for $10.25 when Mr. Anderson moved to Thief River Falls, but the transfer had not been recorded in the company records at the time, which he still appeared to be a stockholder.

HUNTERS HERE OPEN SEASON WITH BANG

Cloudburst Fails to Dampen Spirits of Thief Lake Hunters Thursday

Heavy rains, yes even cloudbursts, did not deter the hundreds of nimrods from pursuing the ducks and geese over the bogs and marshes of Thief Lake and other popular hunting grounds. Altho only about 150 small game hunting licenses had been issued by County Auditor T. F. Anderson at the opening of the season September 16, the total has now passed the 500 mark; which, however, is not up to the usual number.

Hardware stores report a brisk demand for shells and other hunting supplies and it is said that the crop of early ducks in this territory is above the average, most of the hunters are succeeding in getting the limit or nearly that number.

Many local sharpshooters invaded the Thief lake shooting grounds controlled by the Thief Lake Gun club. Quite a number went up Wednesday night so as to be on hand at the season's opening and incidentally experienced one of the most drenching rains that ever was the lot of a hunter. *A regular cloud burst visited that locality Thursday morning, one local* nimrod remarking in the forenoon that he'll never been so wet before in his life. He still would rather have been submerged in the lake (but the water been deep enough), and others as the same opinion. Some had the discomfort of having their tents blown down, while others woke up to find their blankets floating. Nevertheless their spirits were not dampened with the bringing down of the coveted birds.

The season is closed for prairie chickens and partridges.

Why Does Osteopathy Encourage Rigid Laws?

It is against the law to treat the sick, to practice medicine or osteopathy, without passing an examination and securing a license or certificate. This is necessary to protect people from "quacks."

Osteopathic physicians in every state in the Union have state examinations to prove that they are competent to treat the sick before they begin to practice. The state certificate which the osteopathic physician holds, proves competency. It shows that he has met the high standards set by the state of Minnesota.

The osteopathic physician cannot have entered an osteopathic college in the first place without education. He could not have been graduated from an osteopathic college without having learning, hard work in a long, hard course. After that he could not succeed in practice, without passing the state test.

When you think of an osteopathic physician, remember that the rigid entrance requirements and quirement successfully met.

Hayes Was the First President to Have a Telephone

When Rutherford B. Hayes was President, about 45 years ago, a telephone was first placed in the White House. At that time there were only about 30,000 telephones in the world.

Today the President at his desk in Washington can reach any one of the 17 million telephones in the United States.

The telephone is so reliable and its charges so reasonable that its use is almost universal.

BANQUET FOR PALM-TO-PINE TOURISTS HERE

Commercial and Woman's Clubs Sponsor Reception for Visitors Tonight

WINNIPEG DELEGATION ALSO COMING TO CITY

Many Notables Included in Motorcade From Louisiana to Manitoba Capital

A banquet, similar to that staged in honor of the Winnipeg tourists last January, will be tendered members of the Palm-to-Pine tour, which includes many notables, upon their arrival in Thief River Falls tomorrow, Friday, on their way from New Orleans to Winnipeg. The affair, which is scheduled at the city auditorium at 7 o'clock sharp, is being arranged under the auspices of the commercial and Woman's clubs, in co-operation with city officials and has previously been decided to put on a light show will rou but at a meeting Monday plans were changed so that the banquet will be staged.

It is expected that the tourist party will include about 150 visitors from New Orleans and other cities along the Jefferson Highway, which is being traveled along its entire length of forty-two automobiles started out on the 4,000-mile journey from New Orleans a week, and many have joined along the way. All along the route the party has been royally entertained. Elaborate preparations are especially being made for a grand reception in Winnipeg where the tourists will stay four days.

Arrangements are being made to have representatives of the city to meet the party in Red Lake Falls and accompany the visitors to Thief River Falls. It is expected that the party will arrived here about 4 o'clock in the afternoon, after touching at Red Lake Falls on their way from Bemidji. They will then disband shortly after the banquet and officials and after spending the night in the city will complete the motor run to Winnipeg where it is hoped likely that a delegation of local citizens will go to participate in the party on their southern destination.

Word has been received that a delegation of about a dozen Winnipeg officials and citizens is to meet the party in this city and will be present at the banquet tomorrow night. Bruce Bareham, sporting editor of the Winnipeg Tribune, is among those expected to come. He is the publicity director of the Winnipeg Publicity bureau, and will be in charge of the publicity for the party.

Many local and business men have signified their intention of attending the banquet and a large crowd is expected to be present. Tickets are being sold at the Commercial club rooms for $1.50 per plate.

He still would rather have been submerged in the lake (but the water been deep enough), and others as the same opinion. Some had the discomfort of having their tents blown down, while others woke up to find their blankets floating. Nevertheless their spirits were not dampened with the bringing down of the coveted birds.

The season is closed for prairie chickens and partridges.

Hans Anton Enthusiastic About Pennington County

Hans Anton, one of the former pioneers of this city, reports threshing flax yielding 15 bushels to the acre, wheat 22 bushels, barley 50 bushels and oats, 81 bushels. This is above Mr. Anton's estimate early in the season and indicates proper filling of the soil. He filled his silo last week with corn from seven acres, which he considers very satisfactory.

Mr. Anton gave a splendid talk at the Commercial club luncheon last Thursday, declaring that with proper methods and diversification farming pays as well and better in this locality as elsewhere. He urged more live-stock, sheep and poultry, as well as dairy cattle.

"I have netted $32,000 during my 13 years of farming here," declared Mr. Anton said, adding that he thinks that to be a good return on the investment.

Ideal Autumn Days Aid Farmers in Fall Work

This community in common with other places through the Northwest experienced an entire cold wave last week-end, the mercury dropping to 25 degrees above zero here Friday night, according to press reports. Thief River Falls was the coldest point in the state, but the temperature has been up to 72 degrees this week. Snow fell in North Dakota. It is believed that little loss resulted from the chilling frost, as most crops were mature or harvested. With a few more days of ideal autumn weather, threshing will be finished and some plowing is already under way. Potatoes are being dug and sugar beets pulled this week.

Archie Dahl To Manage Penney Store At Roseau

Archie Dahl, of the local J. C. Penney company store, has been appointed the managership of the new Penney store to be opened at Roseau, the change to take effect January 1, according to announcement following the convention of J. C. Penney Company managers held at St. Paul last week. Both Mr. Dahl and H. E. Nelson, managers of the local store, attended the convention.

TO OPEN G. O. P. CAMPAIGN HERE

Gov. Theodore Christianson, Republican candidate for re-election, who will address a meeting in the auditorium in this city next Monday evening at 8 o'clock. He is coming here from Marshall county. The governor will be accompanied by Hon. C. G. Selvig of Crookston, candidate for congress in the Ninth district, who will also discuss campaign issues. It is expected that a capacity house will greet the governor upon his visit here. The meeting marks the opening of the Republican campaign in this community.

County Schools to Partake in Health Poster Contest

The schools of Pennington county have been invited to participate in a state-wide Health Poster contest just announced as a feature of the 1926-27 school educational work of the Minnesota Public Health Association. More than 150 prizes, valued at over $2,000, are listed in the awards. The county public health association is cooperating with the state organization in stimulating local interest in the contest, which ends in part of the Christmas Seal anti-tuberculosis campaign.

The awards, which have been decided upon by representative educational organizations of the country, go to the schools rather than to individual pupils, according to the announcement of County Agent J. J. McCann. Plans are called for a consignment sale by Hollstein Brothers of Pennington, Marshall, and Red Lake counties.

HERRON IMPROVING

Orville Herron, who was taken back to the hospital a week ago, following a slight setback, is in very good condition at present, and will doubtless be released from the hospital in a few days.

ELEVEN BARBERRY BUSHES ARE FOUND

Eradicating Crew Makes Thoro Inspection in County—Rust Spread Explained

Eleven common barberry bushes were found in Pennington county, on a farm northeast of this city, by the four members of the federal barberry eradication force who have been scouting for the rust spreading plants in the county the last two weeks. No bushes were found in Red Lake county, but more than 100 have been found in Polk county, to the south. Members of the eradicating crew returned to this city Wednesday, and began work today on the county.

Many farmers cannot see why they should cut black stem rust on their grain if there are no barberries in the county, in Red Lake county. It is pointed out that rust is collected by the spores of acreplanes at a height of 16,000 feet. On account of the fact that rust spores are found in the air at such a great height, these spores will travel for great distances depending upon the force of the winds.

Most barberries are found in the southern part of Minnesota, as a result of the fact that so many nurseries are located there, and that will be the country has been settled for a great deal longer time. These barberry bushes are not the ones that have usually been taken over from Europe, but are a species native to this country. As they get berries that have been sold in the nurseries of Minnesota, Iowa, and Wisconsin.

This barberry shrub is not leafed out in the spring, during the months of May and June when the wheat and oat rust are blown and distributed by the winds to great distances. They land on the grain while it is yet small, but rust remain there until the beauty dew and hot sun comes to make rust grow. This rust is a plant and like most other plants it needs moisture and warmth in order to grow. Rust like like most plants receives only from one to one and one-half inches of rain a month. This is the reason why rust in the county has been very scarce this dew and hot sunshine.

If the weather is favorable next week the eradicating crew will start a second sweep over the county, and will continue the work in the early summer which is considered a better time for a successful search. October being busy season, according to announcement by County Agent J. J. McCann. Plans are called for a consignment sale by Hollstein Brothers of Pennington, Marshall, and Red Lake counties.

Col. Roosevelt to Campaign in Detroit Lakes, Moorhead

Colonel Theodore Roosevelt will deliver an address in Detroit Lakes on October 19, according to a letter received by Secretary Lee Herron of the Minnesota-ninth district Republican committee from Col. Theodore Roosevelt, jr., who is personally favored by the son of the famous Roosevelt family because of his friendship for, former governor Theodore Burton, of Ohio, who was Roosevelt's assistant secretary of the navy and two years ago was Republican candidate for governor of New York. He has many of the characteristics of his father and uncle and is a forceful speaker.

Colonel Roosevelt, besides being a student of governmental affairs, is an ardent sportsman and his friends in Detroit Lakes plan to have him have planned a fishing trip for his entertainment.

Fire Prevention Week to be Observed October 3-9

W. T. Tourtillott of Little Falls, deputy state fire marshal, visited Red Lake Falls yesterday to make the annual inspection of the city. He reported finding conditions very generally favorable and commended Chief Paul Middaugh for his diligence in removing fire hazards. Attention was called to the importance of Fire Prevention Week, October 3 to 9, by Chief Middaugh has already distributed literature on the subject thru the schools and otherwise to stress the necessity of prevention in an effort to cut down the tremendous fire losses of the past. This community has been exceptionally fortunate the past year, the fire department has not been called to a fire outside the city limits.

Holstein Men Decide to Postpone Annual Sale

At a meeting of the sales committee for the tri-county Holstein association held here last week it was decided to postpone the proposed consignment sale on October 14 until some other date. It is likely that the sale will be held in the early summer which is considered a better time for a successful sale. October being too busy a season, according to announcement by County Agent J. J. McCann. Plans are called for a consignment sale by Hollstein Brothers of Pennington, Marshall, and Red Lake counties.

SHEEP AND PIG CLUB SHOW IN T. R. F. OCT. 16

Interesting Program Planned for Closing Event of County Club Work.

BANKS OFFER MANY PRIZES TO WINNERS

Animals to Be Exhibited in Pens on Street—Auction Sale After Program

Arrangements are underway for a junior, livestock show on the streets of Thief River Falls on Saturday, October 16, according to announcement by a committee in charge of the boys' and girls' pig and sheep clubs. Members of the clubs will then be given opportunity to display their animals and the winners will be selected for free trips to the State Junior Livestock show in St. Paul in November.

Twenty-six pigs will be exhibited by members of the county pig clubs, according to announcement by the committee in charge of the show, and the latter are planning on a big time for the occasion. Members of the clubs will then be given opportunity to display their animals and the winners will be selected for free trips to the State Junior Livestock show in St. Paul in November.

Twenty-six pigs will be exhibited by members of the county pig clubs, according to announcement by a committee in charge of the boys' and girls' pig and sheep clubs. Anti-Saloon League Conference Planned

Rev. O. J. Bagby, representative of the Minnesota Anti-Saloon league, was in this city Thursday of last week formulating plans for a Law Enforcement conference to be held in Crookston October 29, 30, and 31, inclusive, for the purpose of stimulating the enforcement of the eighteenth amendment.

The conference will open Friday evening with a banquet to be served at the Methodist church, which will be free to the one hundred or more delegates, while there will be meetings of representatives from Thief River Falls, Warren, Alvarado, East Grand Forks, Red Lake Falls, and Crookston Several days of note have been secured for the banquet, among them W. L. Washburn of Minneapolis, a leader in the Anti-Saloon movement, the Anti-Saloon league of the state, and Clifford L. Hilton, assistant state attorney W. O. Bruggman of Warren, and W. H. Valentine of St. Paul, investigator of the federal prohibition enforcement act, has been invited to speak, but it is not known as he has accept the invitation.

A round table conference will take place on Saturday, at which time the various phases of the enforcement problem will be discussed. Sunday will be given over to the conference with the public in Crookston and with other towns in the district.

The conference will be the fifth of its kind which has been held in this state during the past few months.

Fellman is Bound Over to District Court Following Preliminary Hearing Sat.

Gust I Fellman, St. Hilaire druggist, was bound over to the next term of district court on a charge of carnal knowledge of a minor, following a preliminary hearing before Judge N. W. Tarnzen in municipal court Saturday. Bonds were fixed at $2000, which were signed by Adolph Anud and Frank Satterjerg of St. Hilaire. Margaret, the 12-year old daughter of Mr. and Mrs. H. T. Copeland of St. Hilaire was the complaining witness. The girl was carried from the trial to the home on the request of County Attorney Chas. Quale and Chas. Boughton, Jr., of Red Lake Falls who represented Mr. Fellman. Fellman was arrested Saturday, 25 hot hours after the crime was committed and his hearing was postponed until Saturday on account of the absence of his attorney. The act with which he is charged is said to have occurred shortly after midnight.

The crime is punishable by not less than seven years nor to exceed 20 years in the penitentiary, according to the statute.

Motion for New Trial in Hohner Case is Denied

Judge Andrew Grindeland of Warren in an order issued last week denied plaintiff's motion for a new trial in the Carl Hohner vs. Sea Line Railway case. Trial of the suit for damages to Hohner's car in a collision on the track crossing north of the fairgrounds was started in district court here in July but the court directed a verdict for the railway company, on the ground that the state highway department has jurisdiction of trunk highway crossings. A stay of 30 days was granted. Hohner is represented by Attorney H. O. Berve of this city.

$120 For Disabled Vets Raised Here Saturday By Sale of Forget-Me-Nots

Returns from the Forget-Me-Not sale conducted in Thief River Falls Saturday, Argonne Day, show that $120.52 were contributed to wage the battle for disabled war veterans. The money has been sent to the state headquarters of the Minnesota Disabled War Veterans in Minneapolis where it will be used for relief work.

Members of the committee in charge of the drive here express themselves as being well satisfied with the showing made and extend their appreciation for the work done by the sales girls and others who assisted, as well as to the public for the generous response. The committee consists of Verner Nelson, Mrs. Oscar H. Smith, Miss Bessie Axelson, Mrs. U. G. Peterson, Mrs. L. H. Thompson, Mrs. T. P. Anderson, Cedric F. McKenzie, department commander of the D. V.

A. Following is a list of the girls who assisted by selling the flowers and the sums turned in by each:

Sybil Mullen, $4.24; Maigie Larsen, $8.42; Merela Dudley, $8.20; Florence Fox, $7.40; Myrtle Anderson, $6.20; Clara Halverson, $3.05; Merverle Hillen, $5.30; Dorothy Nelson, $5.85; Irene Klewel, $5.62; Harriet Anderson and Mrs. Nilla, $4.60; Ruth Cronkhite, $4.50; Lillian Johnston, $4.45; Marguerite Johnson, $4.21; Ruth Hollins, names to the various funds and prospective revenue for the year. Figures are approximations, expected receipts from the occupation tax, royalty receipts and similar indirect taxes making possible the action.

Thus the general revenue proposition money to care for expenditures authorized by the legislature. On the present valuation of the state, it should produce approximately $1,950,000, the balance being secured from the sources above mentioned, the total earnings of different state departments. The

The increase in enrollment in the public schools of this city is nearly made up by the enrollment of St. Bernard's Catholic parochial school, making the total enrollment in the county practically the same for the last three years.

The report shows that there is but little difference in the number of boys and girls in the high schools, there being 324 boys and 344 girls in the high and graded schools, and 1,268 boys and 1,208 girls in the rural schools. The larger number of girls attending high school accounts for the same in the villages.

Pupils in the county entitled to apportionment number 5439 out of the 6,000 of school age, which is 90.65 per cent, as compared to an average of 1926 days, as compared to an average of 108.4 days for 1,377 pupils attending school. The average in the high and graded schools of Thief River Falls, Goodridge, and St. Hilaire is 178 days, while 1,600 pupils averaging 158.12 days last year. Pupils in the county in 1925-26 averaged 157.6 days-by-1835 pupils in 1924-25. Encouraging improvements along this line has been made in recent years, especially in the rural schools, which should still be further improved in attendance average. The average daily attendance in the city and village schools is 180 days, as compared to 181.1 days in the county districts, the same as for the previous year.

The increase in enrollment in the public schools of this city is nearly made up by the enrollment of St. Bernard's Catholic parochial school, making the total enrollment in the county practically the same for the last three years.

The report shows that there is but little difference in the number of boys and girls in the high and graded schools, there being 324 boys and 344 girls in the high and graded schools, and 1,268 boys and 1,208 girls in the rural schools. Russell Explains New Phone Rates Taking Effect Oct. 1

Application of the Northwestern Bell Telephone Company for an advance in long distance telephone rates has been approved by the Minnesota railroad and warehouse commission, according to Geo. A. Russell, manager of the company here. The new rates will go into effect October 1.

Under the longer distances, both to points within Minnesota and to points outside the state, substantial reductions will be made he said. All messages to points within the state and to points in Iowa, Nebraska, and North and South Dakota are reduced 25 per cent, the only exceptions being increases for shorter distances to states where the base mileage is higher.

As examples of reductions for longer distance messages, Russell pointed out that the day station to station rates from Thief River Falls to Minneapolis and the Twin Cities will be instead of $1.75; from Minneapolis and St. Paul to International Falls $1.60 instead of $1.65—from Minneapolis and St. Paul to New Ulm, $1.60 instead of $1.65; from Minneapolis and St. Paul to Milwaukee, $1.60 instead of $1.65; from Minneapolis and St. Paul to Fargo $1.30 instead of $1.50; from Duluth to Buffalo, N. Y., $2.35 instead of $2.50; from Dulu

SOCIAL ITEMS

Teachers Welcomed

A large crowd attended the legislative rally meeting of the Junior and Senior Luther Leagues in the Trinity church parlors last Tuesday night. The affair was in the form of a reception for the teachers in the local public schools, who were welcomed by the pastor, Rev. S. L. Tvellaksen, to which Supt. Morris Rye responded.

Entertains for Daughter

Mrs. Theo. Thronson entertained seven little girl friends on Monday afternoon in celebration of the ninth birthday of her daughter Marjorie. The guests included Zeona Hegness, Lois Nelson, Rose Rolland, Helen Durr, Ethel Shumway, Edna Gilchrist, and Martha Storholm.

Entertains Friends

Mrs. V. E. Pullman was hostess to the members of her sewing club Wednesday evening, the hours being spent at needlework and at cards. Those present were Mesdames Carl Molby, A. Casper, Earl Reynolds, Leo Frickman, Leonard Hanson, G. Walker, H. Halvason, and Lester Hemley.

Married This Week

Several weddings have taken place at the Methodist parsonage during the past week, Rev. J. F. Dixon officiating. Wednesday, September 22nd, Miss Verna Sandry of Gray township, became the bride of Ralph Bussell of Iowa Monday, September 27th, Miss Mayme Fleck and Kirk Maxwell of Maple were united in marriage and on the day following, Tuesday, Miss Ina Johnson and John Maskrud of St. Hilaire were married.

A surprise shower was tossed Thursday to Wm. F. Newman and Miss Mildred M. Biller of Sanders township.

Card Party.

Progressive euchre formed the evening's entertainment at a party at the home of Mrs. B. B. Matheson Friday evening. Mrs. J. A. Casperson won winning high prize, and Mrs. Alice Erickson scoring low. Other guests included Mesdames J. M. McClelland, D. V. White, M. Lundgren, Albert Schuster of Middle River, A. Kielty, J. Collins, V. Nelson, C. H. Whiting, H. Seldomridge, Hoppe, and Warren Jones of Minot, N. D.

Birthday Dinner

Mrs. R. H. Borrell entertained a number of relatives at dinner at her home Saturday evening in honor of the fifth birthday of her son Wesley. Covers were laid for ten.

Bernice Boyer Elected President of Girls Club

Approximately fifty members were present at the election of officers for the girls club Monday night, electing Miss Bernice Boyer as president, Miss Norma Johnson as vice-president, and Miss Harriet Anderson as secretary. The treasurer, Miss Olive Olsen, was elected at a previous meeting.

The club is one of the live organizations of the city, and the outlook for the coming year is exceptionally favorable, a number of plans for the year's activities were discussed, and indications point to a club calendar of more than ordinary interest. The membership drive will open at once, each member pledging herself to bring to the next meeting, October 11, one new member as a guest. Following the drive, membership cards will be issued, following which no one will be admitted to the club meetings without first presenting her card at the door.

The next meeting, October 11, will take the form of a Hallowe'en party, and special efforts will be put forth by the various committees to make it an enjoyable affair. Any member, or person who desires to become a member, is urged to attend.

It was suggested at the meeting that club members make use of the club rooms on Monday and Wednesday evenings, the American Legion having granted the exclusive use of their rooms to the Girls club on these nights, each week. Wednesday nights will undoubtedly be given over to basketball, under the direction of Miss Marion MacMillan.

Farewell Party

Members of the St. John's Lutheran Ladies aid and other friends gathered in the church basement yesterday afternoon for a farewell party for Mrs. Leo Halbeck, who will leave next Thursday, accompanied by her children, for Grand Forks. Mrs. Halbeck was presented with a purse of money as a token of remembrance and a social time was enjoyed. Mr. Halbeck, who formerly employed on the Electric line between this city and Goodridge, has secured employment in the sugar beet plant in East Grand Forks, and expects to be united in this city for many years.

For Newlyweds

Mr. and Mrs. Chas. Fiterman were honored guests at a six o'clock dinner at their home Wednesday evening of last week in honor of Mr. and Mrs. Murray Hartman of Winnipeg, who were married in that city the day previous, stopping here enroute to Chicago on their honeymoon trip. A five-course dinner was served at the prettily appointed table, at which a pink and white color scheme was used. Other guests at the dinner included Mrs. J. Slavin of Winnipeg, Mr. and Mrs. E. Martin and daughter of Cleveland, Ohio, and Mr. and Mrs. H. Ernstin and daughter of Cleveland.

Entertains Friends

Mrs. A. G. Andersen was hostess at an informal party at her home Thursday afternoon, the hours being pleasantly spent at needlework. At 5:00 o'clock supper was served by the hostess, the guest list including Miss Mabel Ekstrom, Mrs. Fred Lemmison and children, Mrs. Dan Bjorkman and daughter, Margaret, Mr. and Mrs. Chas. Gustafson, Miss Hannah Gustafson, and Mr. and Mrs. A. Brattlien.

M. E. Ladies Aid Elects

Mrs. J. H. Hardisty was made president of the Methodist Ladies aid at the annual election of officers held in the church parlors Wednesday afternoon of last week. Other officers elected include Mrs. J. B. McClellan, 1st vice-president, Mrs. F. P. Greene, 2nd vice-president, Mrs. G. L. Randall, secretary, and Mrs. E. S. Christy, treasurer.

Pledged to Sorority

Miss Elizabeth DeCremer, daughter of Mr. and Mrs. Louis DeCremer of this city, was pledged Chi Omega at the annual sorority pledging services held Monday evening at the University of North Dakota, Grand Forks.

Mrs. E. Evenstad Surprised

Mrs. Owen Evenstad was pleasantly surprised Tuesday afternoon when a group of ladies gathered at her home, the occasion being her birthday. Refreshments with a number of pretty and useful gifts from her friends, and a delicious lunch was served at 4:30. Those participating in the affair included Mesdames L. Bartlett, L. Bergen, H. M. Evenstad, J. Ellingson, Geske, C. Jordahl, C. Molby, C. Norquist, C. Pedersen, A. Tuchek and the Misses Lida Anderson, Charlotte Evenstad, and Evelyn Hanson of Spooner.

CLUB NOTES

The W. C. T. U. will meet at the home of Mrs. Andrew Craik, 622 Horace avenue north Tuesday afternoon, October 5. The meeting is very important, and all members are requested to attend.

Am. Legion Auxiliary

There will be a regular meeting of the American Legion Auxiliary in the Legion club rooms Tuesday evening, followed by a social hour, during which lunch will be served by a committee.

Woman's Club.

The season's first meeting of the Woman's club will be held Monday, October 4, at 8 p. m., in the Commercial club room. An interesting meeting is assured and members are urged to bring prospective new members. Lunch will be served by the welfare committee.

Silverton Y. P. S.

The Silverton Young Peoples' society will meet Sunday, Oct. 3, at the Myron Hansen home. Everyone is invited to attend.

Royal Neighbors

Royal Neighbors and their friends are invited to attend a dancing party which will be given by the Lodge Monday night, Oct. 4th, at the Masonic hall.

The Association of Railway employees will give a strictly old time dance at the Rose & Crown hall Thursday night, October 7. A cordial invitation is extended to all.

S. OF N. MEETING OCT. 8

Announcement is made that the regular meeting of the Sons of Norway lodge will be held on Friday, October 8, instead of the 7th.

Much Progress in Social Welfare Work is Noted

Mrs. J. M. Bishop returned Sunday from the Twin Cities where she attended sessions of the State Conference of Social workers and a conference of Minnesota Legion Auxiliary leaders who made plans for assistance at the national Legion and Auxiliary convention in Minneapolis next week. The social workers' meetings were also attended by Lee Hacke, judge of probate. Mrs. Bishop was among the speakers, her child welfare bureau dinner last Thursday, at which members of county welfare boards from all parts of the state were present. It was announced that Miss Inez Patterson, formerly of St. Hilaire, has resigned as district representative of the children's bureau to continue her studies at the university, where before have there been so many prominent and able social workers at a state conference as at this one, according to Mrs. Bishop. Every phase of social welfare was discussed during the week's meetings by state, national, and world leaders, and it was evident that much is being done now for social uplift that never before. More attention is given to preventive measures and proper recreational facilities in the communities were stressed. For the first time a session was set aside for ministers, with special attention to the part that religion plays in social betterment. The interesting report of the findings of the crime commission was also given.

In the discussions the work being done by the Pennington County Child Welfare board was referred to a number of times by state leaders.

Ladies Aid Postponed

A meeting of the Ladies Society of the Presbyterian church which was to have been held in the church parlors Friday, October 1, has been postponed until the following Friday.

Mrs. B. G. Walker Ill.

Mrs. B. G. Walker of this city, former proprietor of Walker's Cafe, was taken to the hospital Monday suffering with meningitis, and is at present in a serious condition. For the past few weeks she has been visiting at International Falls with her daughter, Mrs. Henry Dybvig, and has been in poor health for some time. Mrs. Dybvig left Monday for International Falls to arrive today, as is Mrs. Walker's brother, John Rogers, of Oakridge, S. Dak.

Carpenter—Propst

Mrs. Adolph Carpenter of Plummer and Ferdinand Propst of Plummer were married at Plummer Monday, September 20. They will make their home on the Carpenter farm south of Plummer.

For Grace Rebekahs

A number of girls surprised Miss Grace Rebekahs at her home Saturday evening, the occasion being her sixteenth birthday. Those participating in the affair were Leola Harris, Mae Ross Swanson, Margaret Burdick, Dale Dale, Viviane Assenby, Katherine Bisbey, Katherine Patten, Bernice Grandstrom, Evangeline Robertz, Miss Hansen Dixon, and Miss Charlotte Ellis.

AN IMPORTANT EVENT

The opening of a best sugar factory in Red River Valley marks an epoch in the development of the Red River Valley. It means the establishment of another industry, another avenue of income for the farmers of this fertile territory. Millions of dollars will be retained in the state which otherwise would go to Cuba or Louisiana, and in addition to that it means a luxurious feed for livestock in the form of pulp, and an improved soil as a result of the best culture.

This is an industry which the farmers of this community can well afford to promote. There is little or no chance for a surplus to depress the price. Minnesota alone consumes 1220,000 tons of sugar annually. This year we have increased our home production to one-fifth of the total consumption by the people of our state. We have reason to be gratified at the growth of dairying, of agriculture and industry combined, but we have a long way to go before we shall produce sufficient for home needs. That should be our aim—to produce it safely that with the increase in consumption per capita and with the growth of population, when Minnesota produces 125,000 tons of sugar a year it will be short, at home consumption. Statistics have it that in 1820 consumption of sugar in the United States was 4.1-3 pounds per capita; in the 90's, 42 pounds; in 1915, 86 pounds, and in 1925, 100 pounds. This indicates that our infant industry has plenty of room in which to grow.

The community should take more interest in sugar beet raising. It has been evidenced the past year, it is to be hoped that many from the city and vicinity will attend the opening celebration for the East Grand Forks plant next Wednesday. It will afford an exceptional opportunity to learn more of the industry and about why this section is particularly adapted for the growing of sugar beets.

"Loyalty to one's country requires that the young be educated," says an exchange. "It costs the taxpayers considerable money to operate the schools and it is to be hoped that the school children appreciate this and the accommodations that are provided for them. They can show their appreciation best by making good use of their time in school."

N. J. Anderson
Candidate for
REGISTER OF DEEDS
Pennington County, Minn.
In announcing my candidacy to the voters of Pennington county I wish to state that I have lived in this part of Minnesota since I was nine years of age, coming here in the spring of 1870 with my parents who settled on a farm in Becker county, six miles from the southwest corner of the White Earth Indian Reservation, and not far from the present site of Detroit. I had to do my share of farm work. I was raised with all kinds of farm work. I was railroading for about 2 years, and was into engineering for about 7 years and was into farming for about 30 years. I was a member of the St. Paul, Minneapolis & Manitoba railroad at the time that grain was taken as a base (Dunkirton was the first) I have served you as register of deeds in the past and pledge myself to my record in office for reduction.
But at the present time I am out of work and asking you for a job, and any assistance you can give me at the coming election will be highly appreciated.

WEFALD EXPLAINS STAND ON IMMIGRATION

Editor, The Times:

Among the important measures that were up for action in Congress since I was elected to represent the Ninth Minnesota District there, is the immigration Act of 1924. I see by an article published in a recent issue of your paper that voices are now being raised in this congressional district, as well as among the factory owners of the East, for unrestricted immigration into the United States again. I am not in favor of unrestricted immigration and I want the people to know it. We can not allow unrestricted immigration and I want the people to know it. We can not allow unrestricted immigration from the countries we like to have people come from, like Sweden, for instance, and shut out all immigration from other countries like Russia and Italy. There must be a basis of fairness in all such things.

I voted for the Johnson bill, as called, because it was the best plan proposed, even though there were some things in it that I did not like. Yes I am one that in Congress to vote the way I have his own way always. I do not take kindly to it. The idea behind the Johnson bill was to base the quota of immigrants who had scattered send 22,456, but when the national origin scheme goes into effect in 1927 there will be room for only 150,000 immigrants out of a total quota of 150,000. Now, I say it is not right, it was breaking faith with us, when the conference committee agreed to this most insidious scheme which the Senate conferees had willingly fell into the bait.

Mr. Speaker, this bill is little short of a farce as it now stands. It is dealing with preferences within the preferences. Instead of these preferences shall be given to quota immigrants who are skilled in agriculture; and then the bill should be amended and cuts off immigration from those countries whose agricultural laborers could come from. I submit the fact is fairly well established that in this discussion showing quotas as they are headed by the Nose of the American Revolution, the American Legion, the American Federation of Labor, the American National Grange, and so on. The chief opposition to it was voiced by Hellon, financial English socialist and by the Manufacturers Associations in the East, such as the Steel trust, the Rubber Trust, and so on. He bases his case on fear.

I voted for the Johnson bill when it passed the House and upheld it in debate. I heard Congressmen Box, Sabath, Newell, Norwegians and Germans, and the Johnson bill received its suit all people of Northern European stock.

Under the Johnson bill 162,000 immigrants would be admitted into this country each year based on 1890 census.

But in the Senate the Steel Trust and other industrial combines got in their work. Senator Reed of Pennsylvania, where the home of the Steel Trust is, brought in the Box bill in the interest of the big industrial combinations, but to fool and suspecting congressmen and Senators of new, coming here in the spring of 1870 with my parents who settled on the change was made in favor unrestricted immigration; I am for the Steel Trust.

My opponent and his manager can tell you of action in Congress since 1924 with my parents who settled on the interest of the farmers.

As the House and the Senate bills all kinds of farm work. I was railroading for about 2 years, and was into engineering for about 7 years and was into farming for about 30 years. I was a member of the St. Paul, Minneapolis & Manitoba railroad at the time that grain was taken as a base (Dunkirton was the first) I have served you as register of deeds in the past and pledge myself to my record in office for reduction.

But at the present time I am out of work and asking you for a job, and any assistance you can give me at the coming election will be highly appreciated.

(Prepared and inserted by his son, Jerry Anderson, Office of Supt. of Schools, Thief River Falls.)

differed in several respects, the conference report was finally agreed to.

Mr. Speaker, I am not in favor of the Box bill, which would be found in the Congressional Record.

Mr. Wefald. Mr. Speaker, I can say that I do not like the flour at this time, because I was one of those in the House heartedly supported the immigration bill at the time it was before the House, and I fully realize the position that the chairman of the committee is in to-day. But I can not let this section go by without entering my protest. I can not support this bill in its present form, and I am going to vote for the motion made by the gentleman from Illinois (Mr. Sabath) to recommit.

To my mind, the heart of the immigration bill was the 1890 census of per cent of the 1920 census, which we adopted as the quota basis. I agreed with the gentleman from Washington (Mr. Johnson) in his opening statement, when he said that, in making an immigration bill, we proposed to restrict immigration from all countries. If that had been carried out, I think no man in this House but would raise his voice against the bill as it is. But I find that is not the case.

As the bill stands, under the national-origin scheme, which will go into effect on July 1, 1927, I find that twenty-one countries of immigrants coming into this country will come to us from Great Britain and Ireland. Under the present law Great Britain and Ireland are used in this country 77,342 immigrants, and the Johnson bill would allow them 83,280 immigrants each year. Germany, on the present basis of 1890 census, would send to this country 51,111 immigrants out of a total quota of 150,000. Now, I say it is not right, it was breaking faith with us, when the conference committee agreed to this most insidious scheme which the Senate conferees had willingly fell into the bait.

A Timely Tip

The gate of opportunity is now open to every student in Lincoln High School. Those who are interested in the activities of their school won't hesitate to walk in. The opportunity lying before you, is not a step in the dark, but a chance to make the best investment you might desire.

Dramatics, athletics, forensics and other activities are important in our school. What do they mean to you? Some people must support these activities. Why not you? Don't let the other fellow do it, but plunge in for yourself with heart and soul!

M. H. '27.

IDEALS VS. IDEAS

The dictionary defines ideal as "existing in the imagination, visionary," while it limits idea to "an image of a divinity or a god employed as an object of worship." The latter explanation is a pretty theory, but not in the modern use the word "ideal" has taken on as relating to something unquestionably highest of all in the Webster translation. "Ideals," as we imagine them, are the things we live for—the fundamental aspirations of life.

Everyone living has some ideal which, no matter how long he may have sunk, he still cherishes deep within himself, ever waiting for it to materialize. And likewise all human aspirations to blaze, the most powerful of which is the force of self.

Men sitting upon the throne of gold, kneeling at the continuous battle of capital and labor, are slaves to the idol of his exalted throne. See him chuckle as he inhales wealth upon every certain individuals. In such a way has every a man, satisfied with worldly goods, thrown away a great ideal for a violation.

The great emancipator of a century ago had ideals and he clung to them, so that now and during the Reign of Ages in the picture of that name, Truth, departing from high school, will be necessarily a great number of empty shells, built upon during his four years at high school. But the ideals are those hopes cherished beneath the rude wheel of life, and our, young generation accepts the thief, the killer-the wiles of our existence, usually labeled as "fame" and "fortune."

Someone said, "Hope springs Eternal in the Heart of Youth" and with such a weapon, plus the proper amount of will-power, the high school graduate can pass through the heights and the dregs of life, separating the gold from the dross and making at least a near approach to those aspirations which youth always does and always will make.

Orville Hansen, a freshman, underwent an operation for appendicitis last Tuesday at the Physicians hospital. His condition is improved but he will not be able to attend school for about a week.

Glendon Larsen and Charles Folseth were home last Thursday visiting, playing football, both appearing at school Friday, with an arm in a sling.

Judith Erickson, Margaret Wiener, and Hazel Wood were absent all last week because of colds.

Clayton Snyder returned to school last Tuesday after an absence of eight weeks.

Arnold Wohlen began school as a sophomore Monday.

GRAFTON SWAMPED IN OPENING GAME

"Chuck" Froseth Makes Two Touchdowns in 12 to 0 Conquest Here Saturday

The Thief River Falls high school football team scored a decisive victory over the Grafton eleven here Saturday in the first game of the season, keeping the visitors scoreless while making two touchdowns, the game ending 12 to 0. Both touchdowns were made by "Chuck" Froseth, halback, whose great line plunging was one of the features of the contest. The local aggregation showed much pep and excellent knowledge of the game, evidence of intensive training under the expert direction of Coach L. A. Thune.

The game opened with Thief River Falls receiving the ball on the 20-yard line. Grafton gained possession of the ball and had a good chance to cross the line but the locals soon took the offensive and plunged through the line for big gains. The first quarter ended in the opening of the second quarter and the locals continued to have advantage. Froseth again crossing the line before the whistle blew at the end of the half. During the rest of the frame the ball wandered back and forth on the gridiron, neither being able to advance the ball into scoring territory. The locals made several successful end runs.

The third half Froseth and Ray Weagerle, end, sustained injuries and had to be replaced by Wilson and Ingvaldson. The second period opened with Thief River Falls kicking off to Furan tackles; Baldow and Lufkin, guards; Gerdrum, center; Severson, quarterback; Gen and Bustad, halfbacks; Froseth, fullback; D. Snyder and C. Snyder, halfbacks.

The Grafton lineup: Thorsen, center; Hagen and Ward, guards; Blooms, tackles; Raymond, tackles; Meyers and Sherman, ends; Westgate and Hall, halfbacks; Arneard, full back; Parliman, quarterback.

Coach Lawrence of Warren officiated as referee during the first half, his place being taken by Coach Thune in the last periods.

Teacher: Use the word indispositions in sentence.

Pupil (thinking up his fate): Jack Dempsey fights in dis position.—American Legion.

Instructor: Where's Jack Hardy?

STATE'S FINANCIAL STATUS EXCELLENT

More Than $14,000,000 in Various Funds Aug. 31, Auditor's Records Show

Minnesota is in splendid financial condition.

Her governmental balance sheet at the close of business, August 31, 1926, showed the substantial total of $14,-841,159.18 in her various funds, according to report made by the state auditor.

In addition to the balances in the 22 cash funds, the trust funds on June 30, 1926, amounted to $58,797,650.19.

The complete figures are given below. The first one, revenue fund, is derived from direct and indirect taxation and all other sources of revenue of state departments and institutions, and is used to meet appropriations made by the Legislature.

The soldiers relief fund is used for the relief of soldiers, sailors, their widows and dependents. The road and bridge fund is apportioned annually in the counties thruout the state. The item listed as general school fund will be apportioned to the schools of the state. The bonding interest money being pro rated on the basis of the number of scholars attending each school during the preceding year.

The Historical Society building fund cares for the redemption of certificates of indebtedness issued in connection with the present Historical Society building. Of this indebtedness, there remains a total of $225,000. The soldiers bonus fund is to pay principal and interest on soldiers bonus certificates; the amount on hand will broken two of his fingers. Mrs. Welenkamp rushed to care for Welenkamp and in the excitement was bruised and bleeding as the result of a head blow dealt by Mencke.

"Mencke was arrested and after an unsuccessful attempt to have a trial Friday evening he was taken to jail to sober up. He was brought up before Justice W. M. Healy Saturday morning and on being arraigned pleaded guilty and was sentenced to pay a fine of $20 and costs of $6.50, which he paid.

Revenue fund	$5,509,813
Soldiers' Relief	29,251
Road and Bridge	631,601
Soldiers' Bonus	102,210
Historical Society building	10,451
Itasca Park Reservation	18,191
National Guard armories	24,330
State Board of Relief	17,372
University fund	184,172
Forest Fires Relief	40,564
Permanent School	2,303,071
General School	2,303,071
Permanent University	24,108
General University	24,108
Teachers' Ins. & Retire.	71,483
Internal Improvement Land	9,255
Internal Imp. Land Int.	4,862
Swamp Land	38,582
Swamp Land Int. Fund	96,840
Grain Inspection	$65,230
Prison Revolving	1,182,445
State Land Improv.	1,076
Trunk Highway	2,219,922
Rural Credits Expense	1,076
Rural Credits Interest	1,076
Highway Reimbursement	493,624
Highway Reimb. Invest.	72,514
Teachers' College Bldg.	25,374
Total	$14,841,159

SELL TO BI-LINE CONCERN

The villages of Erskine and Oklee, at a special election held two weeks ago, voted to sell their municipal electric light plants to the Utilities Power and Light Corporation, which concern operates the Minnesota Electric Distributing company, which operates in this territory. At Erskine the vote was 165 to 56, and at Oklee 76 to 6. As a result, Erskine and Oklee will be served by the bi-line as soon as the necessary reconstruction takes place. This will mean that Erskine and Oklee are immediate reduction of rates in these towns, according to Ed Hanson, manager of the Crookston district.

A special election will be held in Plummer October 14 to decide on the offer of the Utilities Power & Light corporation to purchase the village's power plant for $4,001 and connect the village up with the bi-line and a 24-hour service. There is a $5,000 debt against the plant at present.

Wylie Man Pays $20 Fine For Assaulting Couple

The following appeared in last week's Red Lake Falls Gazette: "Albert Mencke of Wylie was arrested on Saturday afternoon by Deputy Sheriff Chief of Police Thos. Payment on complaint of Mr. and Mrs. C. A. Welenkamp who said that Mencke when drunk assaulted Welenkamp near the left front 51 Kelfenheim place by striking Welenkamp on August 31.

"Welenkamp ordered Mencke out of the place but the latter refused to go and started a fight, striking Welenkamp first. He responded with the blow on the left jaw with the left hand.

"Mencke was arrested and after an unsuccessful attempt to have a trial Friday evening he was taken to jail to sober up. He was brought up before Justice W. M. Healy Saturday morning and on being arraigned pleaded guilty and was sentenced to pay a fine of $20 and costs of $6.50, which he paid."

SWEDES ORGANIZE

Rev. O. J. Lee, Revs. Alfred D. Lorentson and Emil Johnson of this city and Rev. Warner Bratis of Viking motored to Detroit Monday to attend a meeting for the purpose of organizing for the Swedish-American centenary Fund in northwestern Minnesota and Lake counties. The Minnesota conference is in charge of the campaign in this district and held a conference in Warren yesterday. Rev. Mr. Bratis and Editor J. P. Mattson stopped here this morning on their return to Warren from Detroit. Plans are being made for the Swedish Tercentenary celebration in 1938.

ELEVATOR MAN CHARGED

James B. Grabe of Middle River was arrested by Marshall county authorities September 10 charged with grand larceny. It is alleged that while serving as relief man for the Middle River Farmers' elevator he issued a check for a load of grain that was never delivered. Bile was released under $1,000 bail and the case will be heard in district court during the fall term.

APPEALS TO SUPREME COURT

An appeal from the district court's order sustaining a demurrer entered by Christ Gimmestad, one of the defendants in the suit of Pennington county against signers of suits brought for county funds in the closed Goodhue State bank, has been perfected to the state supreme court by County Attorney Theo. Quale. G. Halvorson of the city represents Gimmestad. Trial of the case is scheduled for October 6, with Judge Andrew Grindeland sitting.

SELLING FISH ILLEGALLY

Merlin S. Nelson, state game warden with headquarters in this city, was in Middle River Wednesday of last week checking up the Indians there for the preservation who are reported selling fish. The fishing season is over on the lake and the only way they can get fish is by fishing through the ice. This privately, which is prohibited by law. Those partaking fish in this manner are also violators.

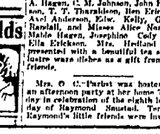
SOCIAL ITEMS

Ticha Christo Married

Miss Ticha Christo, daughter of Mr. and Mrs. George Christo of this city, was married Thursday, September 30, to George Efthimios of Lisbon, North Dakota, the wedding taking place in Minneapolis at the Greek Orthodox church. Fr. Ioannopulos of Bemidji officiated at the bridal ceremony, with four of their Minneapolis friends acting as witnesses. The couple returned here Saturday, leaving the first of the week on a month's trip to the Twin Cities, Fargo and points in North Dakota. They will make their home in Lisbon, where the groom operates the Fountain Inn.

Entertains Her Guests



Mrs. Rasmus Gee was hostess to sixteen of her friends at her home Wednesday afternoon of last week, honoring Mrs. C. J. Holte of Fargo. Needlework formed the diversion of the afternoon, after which a two-course luncheon was served at four o'clock.

Miss Clausen Hostess

Miss Christine Clausen was hostess at a six o'clock dinner last evening, complimenting Mrs. J. M. Bishop who leaves Friday for Minneapolis where she will spend the winter. Other guests included Mrs. E. G. Magnuson, Miss Effie Harmy, Mrs. W. W. Prichard Sr., Mrs. Chas. Halgrim and Mrs. A. A. Bateman.

Entertain For Guests

Honoring Mr. and Mrs. Chas. Nelson, who will leave shortly for St. Paul, Mr. and Mrs. Andrew Bolgelson were hosts at a six-thirty dinner party at their home Saturday evening. Covers were laid for fourteen, the lady guests comprising the members of the Christmas club to which the hostess belongs. Those present were Mr. and Mrs. Nason, Mr. and Mrs. J. Crandall, Mayor and Mrs. F. W. Richard Jr., Mr. and Mrs. P. L. Christenson, Mr. and Mrs. N. E. Harris, Mrs. Arthur H. Kibrer of Kansas City, Mo., and Mrs. A. M. Heggen.

For Mrs. Hagen

Mrs. Jac. Schmitz entertained a number of ladies at her home Friday evening in honor of her mother, Mrs. Andrew Hagen, the occasion being the latter's birthday. At five o'clock a delicious luncheon was served, the guests including Mesdames Andrew Hagen, O. Ottson, A. Dybvik, O. Eckelson, Lambeau, L. Lambeau, O. Olsely, E. Larson, E. Severson, G. Erickson, E. Erickson, A. Hadlich, T. Theraldson, C. Johnson, J. Jordahl, H. Carlson and daughter J. Dostal, J. Peterson, A. Norland, O. Johnson, M. Owen, and H. Erickson.

For Mrs. Hodnes

Mrs. Emil Hodnes was surprised by a group of her friends Sunday afternoon, the occasion being her birthday. The hours were spent informally, and luncheon was enjoyed at 5:00 o'clock. Those participating included Mesdames A. Hedlund, Alex Welch, A. N. Hurrish, Phil Coop, Adolf Hagen, O. Ottum, S. Schmitz, C. Larson, H. Coop, B. Orr, R. C. Lindberg, A. Hagen, C. M. Johnson, John Erickson, T. T. Thorleifson, Erickson, Axel Anderson, Edw. Kelly, O. Kelly, Randall, and Misses Alice Norberg, Mable Hagen, Josephine Hedlund and Ella Erickson. Mrs. Hedlund was presented with a beautiful cut glass lustre ware dishes as a gift from her friends.

Mrs. O. C. Parker was hostess at an afternoon card party Tuesday in celebration of the eighth birthday of Raymond Amstead. Ten of Raymond's little friends were invited.

Circuit S. S. Teachers to Hold Institute at Holt

Arrangements have been completed for the Sunday School teachers' institute to be held in Holt Sunday, October 10, for Norwegian Lutheran congregations in the southern section of the Thief River Falls district. The northern section will meet in Reesna the same day.

There will be three sessions during the day, Rev. Harald Strand of Warren will preach the morning sermon at Holt on "Elementary Christian Education," the afternoon meeting commencing at 2:30 o'clock, will be addressed by Rev. A. E. Hansen of Stephen on "Child Study," and by Rev. R. E. Talleksen of this city on "Our Lutheran Sunday School Teaching Material." In the evening Rev. Swanson of Sanderie and Rev. O. G. Birkeland of Reesna will speak, the latter discussing "Teacher's Preparation and Presentation of Lesson." Rev. Swenson is in charge of the special music.

Rev. Talleksen and Rev. Hansen are in charge of the arrangements.

Rev. Talleksen is also arranging the program for a similar institute in the Clearwater circuit, at which Rev. Talleksen, Rev. Hanson, Rev. Clemetsen of Leonard, and Rev. Vedale of Crookston will speak.

Farewell Party

A number of ladies gathered at the Jean Babcock home Thursday night in farewell surprise of Mrs. Babcock who left Sunday to join her husband in East Grand Forks, the latter of whom left with the new sugar mill last week. Those present included Mesdames Hilmer L. Lostrom, F. Pratz, C. Callies, E. R. Christie, A. Gibson, T. H. McClelland, L. J. Carney, Chas. Hall, Clarence Olfara, H. L. Erickson, S. Brandon, C. L. Peterson, B. Hodnes, O. Cooke, J. Jonlahl, L. M. Borgen, Fike, Borgen, L. Borgen, H. Bergstrom, J. Maiefs, and M. LaValle.

Surprise Party

A number of people met at the J. W. Rusne home Wednesday evening of last week in pleasant surprise of Mrs. Rusne, celebrating her birthday, and a most enjoyable time the evening entertainment, following which a delicious luncheon was enjoyed. Those participating included Mr. and Mrs. E. E. Peshe and daughter Ethel, Mr. and Mrs. T. Harvey, Dr. and Mrs. H. B. Newell, Mr. and Mrs. L. Peschi, Mr. and Mrs. H. Hermseth, Dr. and Mrs. Safford, Jack Safford, Mrs. Lindberg and son, Lester, Mrs. H. Hebert, Mrs. A. F. Robinson, Mrs. Mary Rogers, and Mrs. C. L. Peterson.

For Mrs. Fahey

Complimenting Mrs. L. J. Fahey, who left last week to make her home in Minneapolis, Mrs. Chas. Conner entertained at an afternoon party at her home Friday, serving a chop suey luncheon at five o'clock, assisted by Miss Thelma Christianson. The guests present were Mesdames Fahey, V. C. Noger, Jack Anderson, F. J. Burns, Jack Waugren, John Holland, Edw. Wings, Emery Travers, and Ole Granum.

Wednesday evening Mrs. Travers was hostess at a six o'clock dinner, entertaining in L. J. Fahey family, and Thursday afternoon, Mrs. Olaf Winger entertained a few of her friends at her home in honor of Mrs. Fahey.

CLUB NOTES

Group Study System To Feature Club Program

The Woman club met in the Commercial club rooms Monday afternoon to discuss and decide upon carrying out the group system for the winter's study. Five groups were organized. The Modern Literature group will be under the leadership of Mrs. H. C. Hand, will meet Thursday, October 14, at 2:30 p. m., at the library. Mrs. Knoll will head the Garden group which will meet Wednesday evening, October 13, at the library at 7:30 o'clock. Mrs. Ole Dahl is to be the leader of which will be named later. They will have their first meeting Friday evening, October 8, in the Commercial club rooms at 8:30. Mrs. O. F. Malby will lead the Music group which will meet Tuesday evening, October 12, at the library at 7:30. This group is not only for musicians, but anyone interested in music. The fifth group, the Recreation group, will be under the leadership of Mrs. A. L. Thane, and will meet Tuesday afternoon, October 12, at 2:00 o'clock. Meetings are open to all members of the Woman club, and anyone wishing to join is requested to do so at the first meetings. Dates of further meetings, names of study and other business will be decided upon at the first meeting of each group. Mrs. Ole Dahl is chairman of the study groups they desire.

The Steering Tool committee asks that any lady who has not entertained at her luncheon as yet will do so as soon as possible, as it is anxious to enlarge its fund.

Monday evening, November 8, will be the next regular meeting of the Woman club proper.

3 Local Men on State Elks Committee List

Exalted Ruler L. M. Rayson, secretary K. P. Bolton, and H. S. Snyder, of the Thief River Falls lodge of Elks are among the 91 members of the new standing committees of the Minnesota State Elks association which will function in this city next year. Mr. Rayson has been appointed to the revocations committee, Mr. Bolton to the John R. Kineta of Red Wing, John P. Cornish of Willmar, C. G. Vanderpool of Chisholm, and J. F. Zeller of Litchfield; Mr. Snyder has been named on the membership committee, together with Tony Pleva of Minneapolis, John A. Hoffbauer of Brainerd, Ed Hoffman of Reesna of St. Cloud, Julius Steel of St. Cloud, and Frank C. Burkee of Winona; and Mr. Dolan is member of the good of the order committee, of which the other members are Senator Wm. C. Zamboni of Owatonna, John M. Sperry of Winona, Ben Whitman of Bemidji and Jill Hallstedt of Willmar. Mr. Rayson is also a member of the housing and transportation committee for the grand lodge reunion here, the membership of which includes Mr. Whitman of Bemidji and Frank Buckley of Crookston, and Mr. Watts of Crookston is a member of the credentials group. The appointments are made by President Chester H. Leech of Minneapolis.

Ceremonial in Bemidji

Shriners of this vicinity are to have an opportunity to see an initiation and ceremonial staged outside of the lodge cities, according to an announcement from Aad Temple of Duluth stating that a ceremonial in full and accompanied form will be put on at Bemidji Saturday, October 16th. The Duluth Temple will send its uniformed bodies and ceremonial workers on a special train. Unisuedly large numbers from this locality will attend and it is not impossible that there may be some candidates accompany them. Practically the entire northern half of the state is now in the exclusive territory of Aad Temple.

Bridge Club

Mrs. W. H. Akre entertained the members of the Bridge club at her home Tuesday evening. Miss Akre was awarded high honors, and Mrs. E. O. Magnuson scored low. Twelve guests were present.

Guild

The next regular meeting of St. Bernard's guild will be Thursday afternoon, October 14, in the church parlors. The hostesses for the occasion will be Mesdames Dan Shaw, James Walker, E. E. Kelly, and A. W. Swensburg. Lunch will be served as usual from 1:00 until 6:30 p. m.

B. of R. E.

The Brotherhood of Railway Employes association will hold a strictly old time dance in the Sons of Norway hall tonight, October 7.

District Meeting

The Rebekah lodge will hold its annual district meeting at Humboldt, Wednesday afternoon, October 13. Mrs. J. T. Nelson of this city is vice-president of the district, and Mrs. Verner Nelson is district secretary.

Girls Club

Members of the Girls Community club and their friends will enjoy a Hallowe'en party in the club rooms Monday night, October 11. Each member is requested to bring one or more prospective members as her guests. Committees have been formed to arrange for the entertainment and the lunch, and it is hoped that a large crowd will be in attendance.

Music Club

The Junior Music club will hold its first meeting at the home of Mrs. Thelma Hulse Erickson Monday evening at 7:00 o'clock. Any one desiring to join is welcome.

O. E. S.

There will be a regular meeting of Winslow chapter, No. 182, O. E. S., Wednesday night, October 13.

TRONDERS TO MEET MONDAY

The local branch of the Sons of Norway Lag will meet in the Sons of Norway hall Monday evening, October 11. Thomas Vollers of Erskine and John Melby of Oklee are expected to attend.

GOLF TOURNAMENT POSTPONED

The heavy rain made it impossible to hold the 18-hole handicap medal play golf tournament last Sunday and it is planned, if weather permits, to hold the event on the links next Sunday afternoon, commencing at 1:30 o'clock. Harry Lee, chairman of the tournament committee, Driving, approach and putting contests are also planned.

VISIT DETROIT LAKES CLUB

Rev. E. H. Lorenz, Dr. A. W. Swensburg, Dr. C. E. Snyder, Dr. Herrick, Perry Finseth, Hart Wangenstein, and Mr. and Mrs. Frank Lord motored to Detroit Lakes last Thursday to present the huge Key to the Door to the city to that city. They report a most pleasant visit. It was found, however, that the Detroit Lakes club had been presented with the key, which is making the rounds of the Ninth Rotary district three years ago, and will have to be given to some other unit.

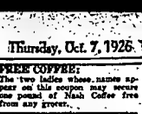
APPOINTED STATE OFFICER

Mrs. Thelma Helm Erickson was appointed by Governor Jacobson last week to receive notice that she had been appointed second vice-president of the Minnesota Federation of Music clubs. The appointment came thru a letter from Mrs. Clarence Hamblen of Hastings, state president of the organization.

LEGION ELECTION TOMORROW

Officers of the local American Legion post will be named at the annual election tomorrow, Friday night, according to announcement by Adjutant Verner Nelson. Present officers in addition to Adjutant Nelson are: Dr. A. W. Swensburg, commander; Chas. Hall, vice commander, and Fred Scanlan, treasurer. Members of the executive committee, beside the officers, will be named later. All members are urged to attend the business meeting, as matters of importance being scheduled for consideration. Attendance at legion meetings has been unsatisfactory the past summer, officers declare, and it is hoped that more interest will be shown by members with the approaching winter season.

ERLANDSON IS EDITOR



Word has been received here that J. W. Erlandson of Rhoda has left the teaching profession for newspaper work, having become editor and manager of The Peoples Press, a farmer owned weekly published in Hallock. Mr. Erlandson taught a rural school in Kittson county last year. Emil Hallgren, the former editor, resigned to become a candidate for county auditor.

REAL ESTATE TRANSFERS

The following real estate transfers are reported recorded in the office of the register of deeds the last two weeks: Milton Fowler to Mrs. Effie Sandberg, lots 12, 13, 14, and 15 in block 16, Red Lake Rapids addition, consideration, $50; George Dale to Herbert Dietz, NW¼ of section 10 in Hray township, consideration given; Northwestern Trust company of Minneapolis to D. L. Dain, E½ of NW¼ and lots 3 and 4 of section 5 in Deer Park township.

FIRE PREVENTION

Prevention Week is at hand again. This year the observance began officially on Sunday, October 3 and closes next Saturday.

It is, perhaps, only necessary to remind readers of the Times of the extent of the past year's record breaking loss—$702,675,291—to convince them of the imperative need for concerted action during the forthcoming period. In other words, for the fifth consecutive year the five losses of the nation have exceeded the half billion mark, and in an ascending scale, each twelve month showing an increase of several millions. This clearly is waste and a call for returning sane to the great American peace-time struggle—the restless conflict with the flames.

The human toll of life and property thru the destructiveness of fire has so impressed the president and the governors of the several states as to result in the proclaiming of the national and state Fire Prevention Week. It is fitting, therefore, that every community should rise to the occasion by proper observance thereof.

The citizens of this and other communities in which observances are held in a cooperative and helpful attitude by making personal inspections of their own premises and properties under their control, and cause the removal of all refuse and inflammable material that is likely to cause fire loss or damage. As ordinary fires are ever of own occurrence, it is also suggested that citizens go carefully over their premises and cleanse during this period.

Fire prevention has been called "fighting fire before it occurs."

The co-operation of all of the people in this matter may be the means of preventing disaster to the community if damage to property and the loss of life. This community has been particularly fortunate during the past year but only continued precaution by the citizenry will maintain this record.

THANK YOU!

Under the caption "The Convential City" the Warren Sheaf compliments the Thief River Falls in the following: "In handing the state alderman's convention for 1927, Thief River Falls again accepted into the fold of cities in the state as one of the leading conventions cities and being the fourth major state convention secured by that city. The committee of ladies who did the work in Thief Falls a year ago at the state convention of the American Legion auxiliary in Warren, and while the year with the W. C. T. U. meeting, has evidently been convinced that the ladies holding their principal meetings in our cities are the ones who are the social's and the dairymen. We wonder what is next?"

The state Minnesota legislature may have to vote on a proposal to license every automobile driver in the state, these permits to be issued on qualifications such as will tend to reduce the number of accidents. The staff committee of the Minnesota League of Municipalities and the Governor's committee in the Hoover traffic conference recently agreed that such legislation is necessary and a special joint committee is drafting a series of amendments to the state laws to be submitted at a traffic conference to be called by the Governor October 8 and 9. Agitation for licensing drivers has been frequent for some time and effective action is in sight.

Goodridge Bank Case is Continued to February

Trial of the case of Pennington county against the Goodridge State bank and personal sureties for the shortage of the bank at the time of the closing of the institution was postponed until the February term of district court by agreement of counsel for both sides, the action being continued at a special session called for next week, the regular session of court having been adjourned Saturday after the month's business was disposed of. Judge Watters, accompanied by Court Reporter H. G. Cease, left for St. Paul Saturday where he visited relatives until Sunday.

T. F. Porte, manager of the Winnipeg tourist and convention bureau, accompanied by A. C. Kemmitt of the Manitoba Motor League, E. L. Alsip of the Alsip Brick company, and C. N. McBride of Mr. Hudson Bay company, arrived here Thursday afternoon and together with Mayor Pitchford and L. R. Johnston of this city continued to Red Lake Falls where they were entertained that evening. They comprised the first delegation of Canadians to visit this city to meet the Southerners and accompany them on their return.

Friday afternoon the second band of Winnipeggers arrived here, making a total of 21, who enjoyed the hospitality of the city Friday night. The second group included W. McCurdy, the business manager of the Winnipeg Tribune, who sponsored the Pine-to-Palm tour last January; Roy Parkhill of the Parkhill Building company; J. C. McLaughlin of the D. R. Dingwall, Ltd.

Among those at the banquet were Editor J. P. Mattson, a member of the tour to New Orleans last winter, and son, Oliver, from Warren; Hayes Theodore Christenson of Red Lake Falls, also a member of the Pine-to-Palm tour; Mr. Mitchell of the business manager of the Winnipeg Tribune, who sponsored the Pine-to-Palm tour last January; Roy Parkhill of the Parkhill Building company; J. C. McLaughlin of the D. R. Dingwall, Ltd.

Among those at the banquet were Editor J. P. Mattson, a member of the tour to New Orleans last winter, and son, Oliver, from Warren; Hayes Theodore Christenson of Red Lake Falls, also a member of the Pine-to-Palm tour; Mr. and Mrs. Gilbert Hunt, Dr. M. Watson, and other Red Lake Falls citizens.

T. A. Sullivan, general chairman of the Greater Grand Forks committee in charge of the program of the opening of the sugar factory at Grand Forks yesterday, was here to extend a personal invitation to the New Orleans party and local citizens to attend the celebration. He was accompanied by Mr. Lee, assistant secretary of the Grand Forks fair association.

Among Thief River Falls folk who accompanied the tour to Winnipeg are L. R. Johnson, Kevel Kloster, Mrs. H. J. Kiewell, Dr. and Mrs. G. W. Hanson, Mr. and Mrs. Ole Hanson, Mr. and Mrs. W. H. Patterson, Miss Marie Thill, Miss Marion Mattson, Miss Ruby Mattson, Lester Rolland. The Kiewells were second married by Mrs. H. J. Halloran, Crookston. Mayor and Mrs. Christensen and Mr. and Mrs. H. E. Hunt also made the trip. A royal reception was given the ladies in Winnipeg, an elaborate banquet attended by more than 600 persons being a feature Monday night. The entire city turned out to greet the tourists Saturday afternoon, headed by Mayor R. H. Webb who made the trip to New Orleans last January.

PALM-TO-PINE PARTY ENJOYS VISIT IN CITY

(Continued from Page 1)

Mayor Prichard on a hunt at Thief Lake.

Included in the tourist delegation was Geo. E. Melnicke of St. Joseph, Missouri, vice president of the American Highway association, who piloted the Jefferson Highway tour from New Orleans to Winnipeg in July, 1919. He was pleasantly surprised at the improvement of the highway and roads in general since that trip seven years ago. "Mrs. Melnicke was unable to accompany me on this trip," he said, "but she will be pleased to learn of the good roads in this section. They were found in Park Rapids, Minn., by L. H. Rice, another Jefferson Highway man prominent here, W. M. Taler coming to Red Lake Falls they were pleased to meet R. E. Hunt, present director of the association for this district, and in Bemidji they visited Daniel Shaw, former director, who joined the party to Winnipeg, where he visited relatives until Sunday.

T. F. Porte, manager of the Winnipeg tourist and convention bureau, accompanied by A. C. Kemmitt of the Manitoba Motor League, E. L. Alsip of the Alsip Brick company, and C. N. McBride of Mr. Hudson Bay company, arrived here Thursday afternoon and together with Mayor Pitchford and L. R. Johnston of this city continued to Red Lake Falls where they were entertained that evening. They comprised the first delegation of Canadians to visit this city to meet the Southerners and accompany them on their return.

Public Forum

WIDNTEN WRITES AGAIN-

Editor The Times:

I note Mr. Quist still insists that the President ought to do like Mac-Donald did in the case of the country and make Congress put its O. K. on them. I am glad that this has not happened. We don't want a dictatorship in this country, even if Congress isn't as efficient as it might be.

Quist points out that the President appointed to debt settlements. That is true and is clearly part of the work he is paid to do. The part of Congress in the matters is simply to say yes or no, as they see fit. The negotiations are in the hands of the executive, the agreement in the hands of Congress.

As to the recommendation for the tax bill it is probably true that the President urged No enactment. I have not looked it up, but will take for granted it is true. Too much money was coming into the treasury, and the President asked Congress to reduce the taxes. That was clearly right.

So much idle shouting has been done over the tax reduction law passed that it is well to call attention to the fact that in this country, at the present time, the very rich pay no taxes, therefore the revision could not possibly have been in favor of the very rich. You can't make any reductions from nothing. What is happening is that the very rich either have their capital invested in industry, and the income tax becomes part of the operating expenses of industry which is passed on to the public in increased prices, or else they invest their money in tax-exempt securities, and receive their taxation that way.

An attempt was made to reach the big fortunes by taxation through a constitutional amendment, but this was defeated by a few votes, one of which was cast by Knud Wefald, who represents the richest agricultural district in the north-west-is-to-with-the-Wall-Street-Republican party and the Southern Democrats to continue the special privileges of the very rich, to escape taxes entirely by investing in tax-exempt securities. As to the foreign debt settlements, what would Quist have done about it? England, Italy and other countries that owe us had flatly refused to pay on the ground that we were asking more than they collected. Isn't it taken the army and navy and guns from them and collected? Isn't it a compromise better than a total loss by a collection by force of arms. It is easy to criticise these things, but not so easy to negotiate them.

When Quist says that I advocate going to the President "on bended knees" and ask him to please let us have farm relief legislation, he simply draws on his imagination. I suggested that the tactics of Wefald and the other radicals in their continuous fight for more money, and inserting and passing of the President wasn't helpful in their contentions. It would be better to present the facts, instead of "hell raising," in order to get him interested. You don't pay much attention to the cow that stands on the other side of a telephone line and shoots cuss words at you. Neither does the president.

The real trouble about agriculture is that there are too many people, each one insisting that his view point is the right one. There are fifty-one distinct and separate farm organizations represented in the agricultural lobby in Washington, and each one differs more or less, both in principle and method, from the other forty-nine. The result is that there is no unity of action, and the farmers get nowhere. Until they get together on some one thing, and stick to it, they will continue to get nowhere. Quist still insists that the President ought to do like MacDonald did in the case of the country and make Congress put its O. K. on them. I am glad that this has not happened. We don't want a dictatorship in this country, even if Congress isn't as efficient as it might be.

Quist points out that the President appointed to debt settlements. That is true and is clearly part of the work he is paid to do. The result is that there is no unity of action, and the farmers get nowhere. Until they get together on some one thing, and stick to it, they will continue to get nowhere. Quist still insists that the President ought to do like Mac-

twelve million dollars and spent it all on politics. Alongside of these figures the doings of the Vares, Smiths and Newberrys, repeal-besides as they may be, represents only small change.

Note Mr. Wefald is out with his bill for the new immigration law which almost excludes the Scandinavian and Germans from the country. In his usual bombastic way he tries to say that there is a reservoir for future restricted immigration, which, there is not. Anyone knows that the countries in Europe forced us to put up the wall we had not half of Europe might have been in here by now. But that is no reason why we should become a barrel nation. Nor is it a reason that we should reduce the quota from Germany from 51,000 to 2,500, or from Sweden from 20,000 to 3,900, while at the same time raising the quota from Germany from 51,000 to 77,000 to 81,000. The plain inference in that is that the Scandinavians and Germans are undesirable people, and should be kept out like the Chinese and Japanese. I don't like that inference.

Perhaps Mr. Wefald wasn't willing to go the whole way in condemning the Scandinavians and Germans as undesirable immigrants. He wants to see the quota from Germany reduced to Norway and 8,900 for Sweden, indicating that he thinks they are only a little better than the Japanese under the new law indicates. At least that is the inference to be drawn from his action at all, but he has to vote as he talked, or else he will be charged with favoritism on the one side and laxer with favoritism on the other. No one single law can in any opinion, be adopted that will put agriculture on a parity with other occupations. It would take a good deal of legislation, also a good run on well defined lines, and it is still to be seen how workable the farmers can get together and organize for their own benefit, along non-party lines, which as labor has done. In the meantime it is well for the farmers to get out their Mc-Nary-Haugen Congress, who understands the conditions and is interested in bettering them, instead of the third party radicals who are mainly interested in getting the farmers down so that they will remain dissatisfied.

I note that Mr. Quist was surprised to see Selig's picture with that of Christensen and the others on the Republican state ticket. There should be no element of surprise about that, and I will say further that there isn't a name on that state ticket that any citizen of the state need be ashamed of. From the governor at the head of the ticket to O. F. B. Jacobson at the bottom of the ticket they inspire the voters with confidence and will win out by close to 200,000 majority. The third party is going to pieces. Even its candidate for lieutenant governor says he can't conscientiously vote for its candidate for governor.

The sooner those who want to see real, honest relief of a lot of wild assertions, get into the Republican party where relief is effective within the ranks the sooner better conditions can be obtained. What have you gained in ten years' agitation by Townleyism, and its successors? You have elected three or four men to Congress who have been absolutely useless to you, and are filling the places of other men that might have been helpful.

As to all the wild charges of outrageous financing by the state, as declared by Mr. Quist's organization, they are best bunkum. When it comes to using large sums of money it may be well to remember that the Non-Partisan League accumulated over two million dollars in surplus state funds, which would indicate that they probably collected ten or

there were then outstanding a farm mortgage debt of $9,000,000,000 of which the land banks held about $1,000,000,000. Had the amendment passed and interest rates on farm mortgages increased 1 percent it would have meant a tax, or additional burden on the farmers, of $90,000,000 per year and had, which was entirely not very likely, the interest rates increased 2 per cent it would have meant an added interest burden for the farmers of $180,000,000. These were the figures used in the debate. It was stated by a member of the Ways and Means Committee, who is thoroughly conversant with the facts, that doing away with tax free securities all together would increase the interest burden to the agricultural people at least $375,000,000 per year and he held already that all the taxes that could be collected from the securities would be forty-five million dollars per year.

All such bonds are not held by the men of great wealth individually. At least half of the whole amount is held by corporations such as Insurance, Surety and Bonding Companies, Banks and Trust Companies, etc., which are required to retain certain reserves and so held would always be tax exempt. Of the other half a great amount is held by the small investors that would never be hit. But because some of these tax free bonds are held by the rich, and would get tax reductions on the taxes they could possibly have to pay, the whole tax exempt feature was not removed when the opportunity arose, and there is nothing else and thereby escape all taxation.

No man in Congress knows better what he is talking about than Senator Borah, and I say a few days ago I listened in the Senate he was asked by Senator Reed of Missouri, if the Federal land-bank securities were not exempt, what greater rate of interest farmers would have to pay. Borah replied: "I am confident that the interest would be five and a half percent, and I think the rate would be six percent."

Mr. Norris answered, "I am confident that the interest would be seven and a half percent, and I think the rate would be six percent."

Joe Lee, the famous lawyer and banker of New York, one of the attorneys for John P. Morgan, admitted while testifying that if the Government bonds were taxed interest rates on farm loans would raise.

Wallace's Farmer, owned and edited by the then Secretary of Agriculture, Henry Wallace, in 1924, said editorially: "We have never agreed with those who have taken the position that the farmer had anything to gain from an amendment to the Constitution taxing state and municipal bonds. If it were not for the tax-exempt privilege of state bonds the Federal land banks the farmer today would be paying a higher rate of money at least one-half percent, and probably a full percent."

The editorial here quoted from continued, "Fighting for the elimination of tax-exempt securities is another man's battle."

That editors and political leaders fell for the propaganda of the Farm Mortgage Conference is in an article in the United States News, in October, 1925, in the following, "I would like to suggest that the Secretary of the Iowa Farm Mortgage Conference

SCHOOLS CLOSE FOR TEACHERS' MEETING

Local Instructors Appear on Programs of Education Ass'n in Crookston

Teachers of the Thief River Falls schools are given the pleasure and benefits of co-operation. Wherever fallback, Charlie Proseh, left-half-back Emil Dostal, right half back "Bus" Oen, or quarterback "Nous" Severson get the ball for an end run, punt, or line plunge, the team was not in less ready to make a stiff interference, opening up holes here and there for a six to ten yard gain. Wherever each player got his "man" and kept him out of the path of the runner, the ball was advanced very little or not at all where it was.

This method of making the runner's path free of obstacles by persistent co-operation in interference is a good one to employ in all high school activities. The runner is usually the one at the head of school affairs, the one on whom falls the responsibility for "carrying the thing across." With co-operation he does it successfully—with himself the only worker he has to worry about.

It is difficult for a worker to realize the big part he really plays, when he is one of a large group and in many systems of literature also the plan in which outside activities are really supported by the whole student body and not by a few who have been and is being successfully carried out. Each person who pays his activity fee pays a little to almost everybody, so that at the beginning of the year is admitted to all games, subscribes to the school paper, and in general can enjoy all the high school affairs with only one third of the expense he bore formerly. If Lincoln were to form a Parent Teachers Association and establish a small compulsory fee at the beginning of the school year, athletic spirit and enthusiasm would soon be general, the school paper would be in the hands of everyone, and the student body would be a unit.

The Grafton game has made us feel in a much larger degree the pleasures and benefits of co-operation. Wherever fallback, Charlie Proseh, left-half-back Emil Dostal, right half back "Bus" Oen, or quarterback "Nous" Severson get the ball for an end run, punt, or line plunge, the team was not in less ready to make a stiff interference, opening up holes here and there for a six to ten yard gain. Wherever each player got his "man" and kept him out of the path of the runner, the ball was advanced very little or not at all where it was.

This method of making the runner's path free of obstacles by persistent co-operation in interference is a good one to employ in all high school activities. The runner is usually the one at the head of school affairs, the one on whom falls the responsibility for "carrying the thing across." With co-operation he does it successfully—with himself the only worker he has to worry about.

It is difficult for a worker to realize the big part he really plays, when he is one of a large group and in many systems of literature also the plan in which outside activities are really supported by the whole student body and not by a few who have been and is being successfully carried out. If Lincoln were to form a Parent Teachers Association and establish a small compulsory fee at the beginning of the school year, athletic spirit and enthusiasm would soon be general, the school paper would be in the hands of everyone, and the student body would be a unit.

Economists are repeatedly making statements about the buying power of the American people—how much food an average American dollar will buy, how much clothing some other amount can purchase, and how much luxuries and enjoyment the average pocketbook can command. They have made the statement that America's buying power is very much on the increase since the deflation period immediately after the war. Americans can buy food, can clothe themselves with things of greater quality and beauty, can amuse and educate the mind, and enjoy more luxuries than before. In the same manner the value of a students dollar is being pooled so as to give a greater range of outside activities. A smaller amount spent by every student in the institution means the activities fund as well as a larger amount spent by a small percent. This is evidence of scholastic activity support is known as The Student Activity Plan. In the majority of larger schools and in many systems of literature also the plan in which outside activities are really supported by the whole student body and not by a few who have been and is being successfully carried out. Each person who pays his activity fee pays a little to almost everybody, so that at the beginning of the year is admitted to all games, subscribes to the

"Linkies" to Clash With "Nodak" Team Saturday

The second football game of the season is to be played at Grand Forks this Saturday, when the local football artists will clash with the Grand Forks high school team. According to present indications the Lincolnites have a real tussle in store for them in defeating the strong Nodaks, who on Saturday downed the Crookston aggregation to the tune of 81 to 0.

During the greater part of last week little progress had been made at practices, because several of the players who were injured in the Grafton game and at practices could not be present. Ray Wenzeler, one of those injured, has not yet returned to practice, and it is doubtful whether he will be able to play in the game Saturday. "Chuck" Frosath, also injured, has returned to practice rapidly and will be in good shape to play. "Nous" Severson, another absentee, is back in the field this week.

Although the game is to be played at Grand Forks, making it difficult for the majority of Lincolnites to see it, a number of cars are now signed to go over and help the team "fight the home."

EAST GRAND FORKS defeated Grafton by a 25-0 score Saturday.

OUT FOR FOOTBALL

Lloyd Johnson, son of Mr. and Mrs. Bennet of this city, is among the 125 Freshmen football candidates reporting at the University of Minnesota, according to a list published in the Minneapolis Journal. Lloyd, who was a star player for the First National bank the past summer, is starting a course in commerce.

PERSONALS

Miss Rebecca Halvorson of the Goodridge district was a visitor in the city Monday.

Pearl Preston of Fairdale, N. D., is enrolled as a sophomore Monday.

Harry Hendrickson returned to school Friday.

Clayton Amundson was shot above the elbow Sunday, September 26, while he and his brother were shooting at targets in the pasture near their home. To use Clayton's own words, "He never knew how it happened."

Miss Mildred Thompson, her sister, Mrs. L. A. Wilson of Mahnomen, and Mr. and Mrs. W. A. Hall of this city were in Winnipeg over the week-end.

Mrs. Ida Hanson, Mrs. Ole Dostal, and Harold C. Hand, and Cedric Thune witnessed the Grand Forks-Crookston game Saturday. Mr. A. H. Hand of the North Dakota team won 81 to 0.

Miss Ruth Watson, "Organ-izing the Composite Course for Fourth Grade Students," gave a social science report; A. C. Mathison, "The Civic Value of the Teaching of French in the Secondary Schools" report; Principal L. G. Hand, "Methodology in Junior High School Mathematics" section; mathematics section; C. W. Pope, "Home Mechanics," industrial section.

MORE MARSHALL TEACHERS

Among the teachers of 16 rural school districts in Marshall county which opened Monday are the following: Inger Johanna Larsen, district No. 39, Newfolden; Anna Bjorgum, No. 52, Newfolden; Evelyn Buingrud, No. 58, Newfolden; Myrtle Grosbeck and Miss Gustafson, No. 80, Greenbush; Ella M. Carlson, No. 91, Grygla; Ruth Wing, No. 96, Goodridge; Minnie D. Carlson, No. 140, Newfolden; Thea Johnson, No. 146, Holt; Doris Sandberg, No. 159, Thief River Falls; Myrtle Eastlan and Gladys Ellefsrud, Nels A. Rudquist and Frieda Reed, Middle River. Only eight districts remain to be heard from.

ALL SCHOOLS IN SESSION

All of the 61 rural schools in Polk county are now in session, the last ones opening on Monday. It is reported by Geo. E. Duis, county superintendent. Mr. Duis has completed his preliminary examinations of schools and expects to make a comprehensive survey of the work before the close of the schools of pupils in the near future.

Two Plummer Buildings Are Destroyed by Flames
